- (a) Divisions 1, 1A, 2 and 3 of Part 5,

- (4) In awarding damages in respect of an injured or deceased worker, the court is to reduce the amount otherwise payable under this section by ARTC by the amount of any damages recovered or recoverable from the transferring rail authority.

### **14 ARTC to be endorsed on self-insurer licences**

- (1) For the purposes of section 88ZA (1) (d) and (e), (3) and (4) of the Act, section 211A of the *Workers Compensation Act 1987* applies to ARTC as if it were a wholly owned subsidiary of any rail authority that has employees who are temporary members of staff of ARTC.
- (2) For that purpose, section 211A (1) of that Act is modified to require the WorkCover Authority to endorse the name of ARTC on a self-insurer licence granted to any such rail authority, if requested to do so by the rail authority and ARTC.
- (3) On endorsement on the self-insurer licence, ARTC has all the functions under that Act of a wholly owned subsidiary that is endorsed on the self-insurer licence of a rail authority, but only to the extent that they relate to temporary members of staff of ARTC.

- (2) Despite subclauses (3)–(5), a member of staff who elected to cash out his or her leave entitlements under clause 10F of the *Transport Administration (General) Regulation 2000* does not retain any rights to any such leave entitlements. However, previous service is to be taken into account for the purposes of an entitlement to long service leave in respect of future service.
- (3) Continuous service of a member of staff with one or more rail authorities is taken, for all purposes, as service with ARTC.
- (4) In particular, without limiting the operation of subclause (3), a member of staff retains any leave entitlements accrued in previous employment with one or more rail authorities.
- (5) A person's entitlement to any such leave is to be calculated:
- (a) for such part of any period during which that leave accrued or was accruing as occurred before the day on which the person commenced employment with ARTC—at the rate of accrual for the time being applicable to the person before that day (as an employee of the rail authority), and
  - (b) for such part of that period as occurred after the day on which the person commenced employment with ARTC—at the rate of accrual for the time being applicable to the person after that day (as an employee of the ARTC).
