Access Licence Dealing Principles (Macquarie Regulated River) Order 2019

under the

Water Management Act 2000

I, Rachel Connell, by delegation from the Minister administering the *Water Management Act 2000*, in pursuance of section 71Z of the *Water Management Act 2000*, make the following Order.

Dated 26 June 2019

RACHEL CONNELL
Executive Director, Water
Department of Industry
By delegation

Explanatory note

This Order prohibits the following assignments of water allocations in the Macquarie and Cudgegong Regulated Rivers Water Source in order to cope with a water shortage:

- (a) assignments of water allocations from regulated river (general security) access licences downstream of Burrendong Dam to any other access licence where those water allocations cannot be taken pursuant to the *Temporary Water Restriction (Macquarie Regulated River) Order 2019*,
- (b) assignment of water allocations from upstream of the Burrendong Dam to downstream of the Dam.

This Order is made under section 71Z of the *Water Management Act 2000*.

Access Licence Dealing Principles (Macquarie Regulated River) Order 2019

under the

Water Management Act 2000

1 Name of Order

This Order is the *Access Licence Dealing Principles (Macquarie Regulated River) Order 2019*.

2 Commencement

This Order commences on the day on which it is published on the NSW legislation website.

3 Duration

This Order ceases to have effect on the expiry or repeal of the *Temporary Water Restriction (Macquarie Regulated River) Order 2019* as published in the NSW Government Gazette, whichever occurs first.

4 Dealings prohibited

This Order prohibits certain dealings as set out in Schedule 1.

5 Interpretation

(1) In this Order:

Macquarie regulated river (general security) licence means a regulated river (general security) licence that permits the taking of water from the water source downstream of Burrendong Dam water storage.

section 324 order means the *Temporary Water Restriction (Macquarie Regulated River) Order 2019* as published in the NSW Government Gazette and amended from time to time.

water source means the Macquarie and Cudgegong Regulated Rivers Water Source as described in the *Water Sharing Plan for the Macquarie and Cudgegong Regulated Rivers Water Source 2016*.

(2) Unless otherwise defined, words and expressions that are defined in the *Water Management Act 2000* or in regulations made under that Act have the same meaning in this Order.

Schedule 1 Dealings prohibited

1 Prohibition on assignment of water allocations from Macquarie regulated river (general security) access licences where take is restricted

On and from 1 July 2019, an assignment of water allocations in accordance with section 71T of the Act is prohibited if:

- (a) the proposed assignment of water allocations is from a Macquarie regulated river (general security) access licence to any other access licence within the water source, and
- (b) the holder of the Macquarie regulated river (general security) access licence, from which the water allocations are proposed to be assigned, is prohibited from taking those water allocations under the section 324 order.

2 Prohibition on assignment of water allocations from upstream to downstream of Burrendong Dam

On and from 1 July 2019, an assignment of water allocations in accordance with section 71T of the Act is prohibited if the proposed assignment is:

- (a) from an access licence that is permitted to take water from the water source upstream of the Burrendong Dam water storage, and
- (b) to an access licence that is permitted to take water from the water source downstream of the Burrendong Dam water storage.

3 Interaction with Access Licence Dealing Principles Order 2004

For the avoidance of doubt, this Order prevails to the extent of any inconsistency with the *Access Licence Dealing Principles Order 2004* or the access licence dealing rules.
