## **Access Licence Dealing Principles Amendment Order 2019**

under the

### **Water Management Act 2000**

I, Beth Overton, by delegation from the Minister administering the *Water Management Act 2000*, in pursuance of section 71Z of the *Water Management Act 2000*, make the following Order.

Dated 11 December 2019

**BETH OVERTON**

**A/Executive Director, Policy, Planning and Sciences  
Department of Planning, Industry and Environment  
By delegation**

### **Explanatory note**

The object of this Order is to remove the requirement of having an approved integrated water cycle management strategy in place before water allocations can be assigned from a local water utility access licence or access licence of the subcategory town water supply.

This Order is made under section 71Z of the *Water Management Act 2000*. Section 43 (2) of the *Interpretation Act 1987* provides that the power to make an order under an Act includes the power to amend the order.
