

New South Wales

Water Management (General) Amendment (Access Licence) Regulation 2021

under the

Water Management Act 2000

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Water Management Act 2000*.

MELINDA PAVEY, MP
Minister for Water, Property and Housing

Explanatory note

The object of this Regulation is to amend the *Water Management (General) Regulation 2018* to create an additional specific purpose access licence. The new licence is an unregulated river pumped hydro-electricity generation (construction and initial storage fill) access licence.

Water Management (General) Amendment (Access Licence) Regulation 2021
