

New South Wales

Final Determination

under the

Biodiversity Conservation Act 2016

The Scientific Committee established under the *Biodiversity Conservation Act 2016* has made a final determination under Part 4, Division 3 of the Act to list an ecological community as a critically endangered ecological community and, as a consequence, omit a reference to that community as an endangered ecological community.

Accordingly, Schedule 2 to that Act is amended by—

- (a) Inserting in alphabetical order in Part 1—

Melaleuca armillaris Tall Shrubland in the Sydney Basin Bioregion (as described in the final determination of the Scientific Committee to list the ecological community)

- (b) Omitting from Part 2—

Melaleuca armillaris Tall Shrubland in the Sydney Basin Bioregion (as described in the determination of the Scientific Committee under Division 5 of Part 2 of the TSC Act)

This final determination commences on the day on which it is published on the NSW legislation website.

Dated, this 3rd day of February 2021.

Dr Anne Kerle
Chairperson of the Scientific Committee

Copies of final determination and reasons

Copies of the final determination and the reasons for it are available to members of the public (free of charge) as follows—

- (a) on the Internet at www.environment.nsw.gov.au,
- (b) by contacting the NSW Threatened Species Scientific Committee, by post to Locked Bag 5022 Parramatta NSW 2124, by telephone (02) 9585 6940 or email scientific.committee@environment.nsw.gov.au.
