

New South Wales

National Electricity (New South Wales) Amendment (Regulated Stand-Alone Power Systems) Regulation 2022

under the

National Electricity (New South Wales) Act 1997

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *National Electricity (New South Wales) Act 1997*.

MATT KEAN, MP
Minister for Energy

Explanatory note

This Regulation provides that, for the *National Electricity (NSW) Law*, a stand-alone power system consisting of a distribution system owned, controlled or operated, or proposed to be owned, controlled or operated, by Ausgrid, Essential Energy or Endeavour Energy is a regulated stand-alone power system that forms part of the national electricity system.
