Outline of provisions

Clause 1 sets out the name, also called the short title, of the proposed Act.

Clause 2 provides for the commencement of the proposed Act.

Schedule 1 Minor amendments

Animal Research Act 1985 No 123

The proposed amendment replaces a reference to the Minister for Primary Industries with the Minister administering the *Biosecurity Act 2015* so that future changes to the names of Ministries will not affect the operation of the Act.

Biosecurity Act 2015 No 24

The proposed amendment removes a redundant section dealing with descriptions of land in notices and other instruments given or made under the *Biosecurity Act 2015*.

Casino Control Act 1992 No 15

Heritage Act 1977 No 136

The proposed amendment enables the regulations to specify when the Heritage Council is able to ask an applicant for a permit for more information about the application. It also enables the regulations to provide that, if the Heritage Council has asked an applicant to give more information, the passage of the 21-day period in which a determination must be made may be suspended for a prescribed period.

Interpretation Act 1987 No 15

Item [1] clarifies what is meant by a reference in legislation to the Minister administering a particular Act.

The *Workers Compensation Amendment Act 2015* contains a single uncommenced provision to insert proposed regulation-making powers in the *Workers Compensation Act 1987*. The proposed regulation-making powers are now redundant as a broader regulation-making power has been included in the *Workers Compensation Act 1987*, section 32A(2).

Schedule 6 General savings, transitional and other provisions

Schedule 6 includes savings and transitional provisions and other provisions of a consequential or ancillary nature in relation to the matters in the other schedules to the proposed Act.

Proposed section 1 ensures that an amendment made by the proposed Act to a repealing or amending provision of an Act or instrument will, if the repealing or amending provision commences before the amendment made by the proposed Act, be taken to have commenced on the date the repealing or amending provision commenced.

Proposed section 2 enables the Governor, by proclamation, to revoke the repeal of an Act or instrument, or a provision of an Act or instrument, by the proposed Act. The Act or instrument, or provision, the subject of the revocation of repeal, is taken not to be, and never to have been, repealed.
