

PIPELINES (AMENDMENT) BILL 1989

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The objects of this Bill are:

- (a) to amend the Pipelines Act 1967:
 - * to enable plans in relation to pipelines to be lodged at any time after an application for a licence or variation of a licence area is made but before publication of the notification of the vesting of the pipeline; and
 - * to remove the necessity for a Ministerial certificate to be lodged with an instrument creating an easement for a pipeline; and
- (b) to validate the lodgment and registration of a Deposited Plan in relation to the Botany to Clyde Ethylene Pipeline even though that Plan was lodged and registered before the grant of the pipeline licence; and
- (c) to validate the notification of the vesting of the easements for that pipeline in ICI Australia Operations Pty Limited.

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the proposed Act is to commence on assent.

Clause 3 is a formal provision that gives effect to the Schedule of amendments.

Clause 4 is a formal provision that gives effect to the Schedule of validations.

Schedule 1 makes the amendments referred to above.

Schedule 2 effects the validations referred to above.
