A development control order given to a person binds any person claiming through or under or in trust for or in succession to the person or who is a subsequent owner or occupier to the person, as if the order had been given to that person.

27 Period for compliance with order (cf previous s 121M)

- (1) A development control order must specify a reasonable period within which the terms of the order are to be complied with.

29 Development consent or approval not required to comply with order (cf previous s 121O)

A person who carries out work in compliance with a requirement of a development control order does not have to make an application under this Act for consent or approval to carry out the work.

30 Compliance with order under clause 1 (2) (cf previous s 121Q)

A person complies with a requirement of an order under clause 1 (2) by submitting to the relevant enforcement authority that gives the order such matters as the person would be required to submit if applying to a consent authority for development consent to carry out the work.

31 Compliance with orders by occupiers or managers (cf previous s 121Z)

If an occupier or manager complies with a development control order, the occupier or manager may (unless the occupier or manager has otherwise agreed):

- (a) deduct the cost of so complying (together with interest at the rate currently prescribed by the Supreme Court rules in respect of unpaid judgment debts) from any rent payable to the owner, or
- (b) recover the cost (and that interest) from the owner as a debt in any court of competent jurisdiction.

32 Occupier of land may be required to permit owner to carry out work (cf previous s 121ZA)

- (1) A relevant enforcement authority that gives a development control order may order the occupier of any land to permit the owner of the land to carry out specified work on the land, being work that is, in the relevant authority's

opinion, necessary to enable the requirements of this Act or the regulations or of any development control order to be complied with.

- (2) An occupier of land on whom such an order is served must, within 2 days after the order is served, permit the owner to carry out the work specified in the order.
- (3) If an order under this clause is in force, the owner of the land concerned is not guilty of an offence arising from his or her failure to comply with the requirements of this Act or the regulations, or of any development control order, that is caused by the occupier of the land refusing to permit the owner to carry out the work specified in the order.
- (4) Subclause (3) applies only if the owner of the land satisfies the Court that the owner has, in good faith, tried to comply with the requirements concerned.

33 Failure to comply with order—carrying out of work by consent authority (cf previous s 121ZJ (1) (10–(12))

- (1) A relevant enforcement authority that gives a development control order may do all such things as are necessary or convenient to give effect to the terms of the order (including the carrying out of any work required by the order) if the person to whom the order was given fails to comply with the terms of the order.
- (2) The relevant enforcement authority may exercise the relevant authority's functions under this clause irrespective of whether the person required to comply with the order has been prosecuted for an offence against this Act.
- (3) In any proceedings before the Land and Environment Court that are brought by a relevant enforcement authority that gave a development control order to a person as a result of the person's failure to comply with the order, the Court may, at any stage of the proceedings, order the relevant enforcement authority to exercise the authority's functions under this clause. Having made such an order, the Court may continue to hear and determine the proceedings or may dismiss the proceedings.
- (4) If the Minister or the Planning Secretary gave the development control order, the Minister's or Planning Secretary's functions under this clause may be exercised by the Planning Ministerial Corporation.

34 Recovery of expenses by relevant enforcement authority for carrying out work (cf previous s 121ZJ (7))

- (1) If a relevant enforcement authority takes action under clause 33 to give effect to a development control order by demolishing a building, the authority may remove any materials concerned.
- (2) The relevant enforcement authority may sell those materials but only if the relevant authority's expenses in giving effect to the terms of the development control order are not paid to the authority within 14 days after removal of the materials.
- (3) If the proceeds of such a sale exceed the expenses incurred by the relevant enforcement authority in relation to the demolition and the sale, the relevant authority:
 - (a) may deduct out of the proceeds of the sale an amount equal to those expenses, and
 - (b) must pay the surplus to the owner on demand.

- (4) If the proceeds of sale do not exceed those expenses, the relevant enforcement authority:
 - (a) may retain the proceeds, and
 - (b) may recover the deficiency (if any) together with the authority's costs of recovery from the owner as a debt.
- (5) Materials removed that are not saleable may be destroyed or otherwise disposed of.
- (6) A relevant enforcement authority that carries out work under clause 33 in relation to development for which an amount of security has been provided to the authority:
 - (a) may be recompensed for the work from the security if the security is more than the costs of carrying out the work, and
 - (b) must pay any surplus remaining to the person entitled to it on demand.
- (7) Any expenses incurred under this clause by a relevant enforcement authority that gave a development control order, together with all associated costs, may be recovered by the authority in any court of competent jurisdiction as a debt due to the authority by the person required to comply with the order.
- (8) The expenses are to be reduced by the amount of any proceeds of any sale under this clause or the amount of any security provided in respect of development to which the order relates.
- (9) Nothing in this clause affects the owner's right to recover any amount from any lessee or other person liable for the expenses concerned.
- (10) The recovery of costs and expenses by a relevant enforcement authority under this clause does not include the costs and expenses of court proceedings, but nothing in this clause prevents the authority from receiving costs as between party and party in respect of those proceedings.

35 Enforcement of orders by cessation of utilities (cf previous s 121ZS)

- (1) This clause applies in relation to a failure to comply with any of the following development control orders:

- (2) In this clause, the **Court** means the Land and Environment Court and, in relation to a brothel closure order, includes the Local Court.
- (3) If a person fails to comply with a development control order to which this clause applies, the Court may, on the application of the person who gave the order, make an order (a **utilities order**) directing that a provider of water, electricity or gas to the premises concerned cease to provide those services.
- (4) A utilities order is not to be made in respect of a failure to comply with a development control order that is a stop use order unless the Court is satisfied that the failure has caused or is likely to cause a significant adverse impact on health, safety or public amenity.
- (5) A utilities order may apply to the whole or part of the premises.
- (6) A utilities order ceases to have effect on the date specified in the utilities order, or 3 months after the order is made, whichever occurs first.

 - (a) the effects of the failure to comply with the development control order,
 - (b) the uses of the premises,
 - (c) the impact of the order on the owner, occupier or other users of the premises,
 - (d) whether health, safety or public amenity will be adversely affected by the order,
 - (e) any other matter the Court thinks appropriate.
- (10) A utilities order must not be made for premises, or any part of premises, used for residential purposes unless the regulations authorise the making of a utilities order.
- (11) A provider of water, electricity or gas must comply with a utilities order, despite any other law or agreement or arrangement applying to the provision of water, electricity or gas to the premises, or part of the premises, concerned.
- (12) No compensation is payable to any person for any damage or other loss suffered by that person because of the making or operation of a utilities order or this clause.
- (13) A provider of water, electricity or gas must not, during a period that a utilities order is in force in relation to premises, or part of premises, require payment for the provision of water, electricity or gas services to the premises or part of the premises (other than services related to the implementation of the order).
- (14) The Court may make a utilities order when it determines an appeal against a development control order, if subclauses (7) and (8) have been complied with.

- (3) A compliance cost notice is to specify the amount required to be paid and a reasonable period within which the amount is to be paid or, if the regulations prescribe the period to be allowed for payment, that period.
- (4) The relevant enforcement authority may recover any unpaid amounts specified in a compliance cost notice as a debt in a court of competent jurisdiction.
- (5) If the person on whom a compliance cost notice is served complies with the notice but was not the person who was responsible for the situation giving rise to the issue of the notice, the cost of complying with the notice may be recovered by the person who complied with the notice as a debt in a court of competent jurisdiction from the person who was responsible.
- (6) The regulations may make provision for or with respect to the following:
 - (a) the issue of compliance cost notices,
