

Act 1994 No. 51

SUPPLY BILL 1994

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The Parliamentary Supply Bill is cognate with this Bill.

Pending the enactment of the annual Appropriation Act, the Treasurer is authorised, under section 25 of the Public Finance and Audit Act 1983, to make payments from the Consolidated Fund during the first 3 months of the new financial year (July, August and September) in respect of regularly recurring services and ordinary contingencies. Those payments are, on the passing of the Appropriation Act, to be regarded as having been made out of money appropriated by that Act.

The object of this Bill is to make provision, pending the enactment of this year's Appropriation Act, for the Treasurer to make payments from the Consolidated Fund during the months of October and November in respect of regularly recurring services and ordinary contingencies (other than those of the Legislature) as follows:

	\$
Recurrent services	2,966,113,000
Capital works and services	361,216,000
	<hr/>
	\$3,327,329,000

The Appropriation Act will contain a provision to the effect that amounts expended under the Supply Act are to be regarded as having been made out of money appropriated by the Appropriation Act.
