

Act No. 298

**TRANSPORT (DIVISION OF FUNCTIONS) AMENDMENT
BILL 1987**

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

This Bill is cognate with the Transport (Amendment) Bill 1987.

The object of this Bill is to repeal section 18 of the Transport (Division of Functions) Amendment Act 1952, which deals exclusively with the exercise of certain powers under the provisions of Division 5 of Part XIII of the Transport Act 1930 relating to the routes traversed by bus services. The amendment is appropriate as a consequence of the repeal, by the proposed Transport (Amendment) Act 1987, of the provisions concerned.

Clause 1 specifies the short title of the proposed Act.

Clause 2 repeals section 18 of the Transport (Division of Functions) Amendment Act 1952.
