-
- (a) prejudice the investigation of the complaint, or
 - (b) place the health or safety of a client at risk, or
 - (c) place the complainant or another person at risk of intimidation or harassment, or
 - (d) unreasonably prejudice the employment of the health practitioner in the case of a health practitioner who has provided the health service in the capacity of an employee.
- (5) Despite subsection (4), the Commission must give the notice if the Commission considers on reasonable grounds that:
