|      | (1) This section applies if:  | 30       |
|      | (a) it is uncertain as to when during a period conduct is alleged to have occurred, and | 31<br>32 |
|      | (b) the victim of the alleged conduct was for the whole of that period a child, and     | 33<br>34 |

(c) there was no time during that period that the alleged conduct, if proven, would not have constituted a sexual offence, and because of a change in the law or a change in the age of the child during (d) that period, the alleged conduct, if proven, would have constituted more than one sexual offence during that period. (2)In such a case, a person may be prosecuted in respect of the conduct under whichever of those sexual offences has the lesser maximum penalty regardless of when during that period the conduct actually occurred, and in prosecuting that offence: 9 (a) any requirement to establish that the offence charged was in force is 10 satisfied if the prosecution can establish that the offence was in force at 11 some time during that period, and 12 (b) any requirement to establish that the victim was of a particular age is 13 satisfied if the prosecution can establish that the victim was of that age 14 at some time during that period. 15 (3) In this section: 16 *child* means a person who is under the age of 16 years. 17 *sexual offence* means the following offences regardless of when the offence 18 occurred: 19 an offence under a provision of this Division or Division 10A, 10B, 15 (a) 20 or 15A, 21 (b) an offence under a provision of this Act set out in Column 1 of 22 Schedule 1A, 23 an offence (whether under section 344A or otherwise) of attempting to (c) 24 commit any offence referred to in paragraph (a) or (b), 25 an offence under a previous enactment that is substantially similar to an (d)26 offence referred to in paragraphs (a)-(c). 27 Defence of similar age 28 It is a defence to a prosecution for an offence under section 66C (3), 66DB, (1)29
