106R Review of Division and regulations under the Division

- (1) The Minister is to review this Division and any regulations made under this Division to determine whether:
 - (a) the policy objectives of this Division and those regulations remain valid, and
 - (b) the terms of this Division and those regulations remain appropriate for securing those objectives, and
 - (c) the terms of this Division or those regulations, or both, should be amended so that the nutritional information to be displayed includes information relating to fat and salt.
- (2) The review is to be undertaken as soon as possible after 1 February 2012.
- (3) A report on the outcome of the review is to be tabled in each House of Parliament within 12 months after that date.
