Community Land Management Bill 2020

Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.
This Bill is cognate with the *Community Land Development Bill 2020*.

Overview of Bill

The object of this Bill is to re-enact and update legislation with respect to the management of community, precinct and neighbourhood subdivision schemes and to align the legislation with legislation applying to the management of strata title schemes.

Outline of provisions

Part 1 Preliminary

Clause 1 sets out the name (also called the short title) of the proposed Act.

Clause 2 provides for the commencement of the proposed Act.

Clause 3 sets out the objects of the proposed Act, which are to provide for the management of community, precinct and neighbourhood schemes and to provide for the resolution of disputes arising from those schemes.

Clause 4 provides that the Dictionary defines certain words and expressions used in the proposed Act.

Clause 5 specifies the requirements for passing a special resolution of an *association* (being a community association, a precinct association or a neighbourhood association). A unanimous vote is passed if no vote is cast against it. The proposed section also sets how the value of a vote for a special resolution or a poll of a community is determined.

Clause 6 defines when a person is *connected* with another person for the purposes of the proposed Act. This provision reflects a provision of the *Strata Schemes Management Act 2015*.

Part 2 Management of schemes

The proposed Part provides for the members, functions and meetings of associations and their operation during the initial period of a precinct scheme or neighbourhood scheme and at other times. The proposed Part re-enacts provisions of Part 2, Division 1 of the *Community Land Management Act 1989* (the *1989 Act*), with the following changes—

- (a) the matters for the agenda for the first annual general meeting of an association are specified,
- (b) the documents required to be provided for that meeting by the original owner will include planning approvals, compliance certificates and fire safety certificates issued under the *Environmental Planning and Assessment Act 1979* relating to the scheme parcel,
- (c) the Civil and Administrative Tribunal (the *Tribunal*) rather than an adjudicator will have power to order a meeting of an association to be held,
- (d) a unanimous or special resolution by an association about a matter that is required to be determined by a resolution of that kind may only be revoked by a resolution of the same kind, other than a unanimous resolution relating to association property, which is revocable by a special resolution,
- (e) it will be mandatory, rather than discretionary, for a person who has an interest in a community development lot, precinct development lot or neighbourhood lot that confers a right to vote at an association meeting to give the association notice of the interest,
- (f) the Tribunal will have power to order a resolution at a general meeting to be treated as a nullity if satisfied that the applicant was improperly denied a vote on the motion or was not given due notice of the item of business relating to the motion,
- (g) the power to declare that the initial period for a scheme has not expired or to extend the period has been omitted and a power for the Tribunal to make orders waiving, varying or extinguishing a restriction relating to the initial period and authorising other related matters to be done is proposed to be inserted,
- (h) an association may recover amounts from the original owner under the *association scheme* (being a community scheme, precinct scheme or neighbourhood scheme) to cover losses or liability incurred because of a failure by the original owner to comply with restrictions relating to the initial period.

Part 3 Association committees

The proposed Part constitutes *association committees* (being the association committees constituted for an association) and provides for their members, functions and meetings. The proposed Part also provides for the appointment and functions of the chairperson, secretary and treasurer of an association. The proposed Part re-enacts provisions of Part 2, Division 2 of the 1989 Act relating to executive committees, with the following changes—

- (a) the committees are now to be known as association committees rather than executive committees,
- (b) managing agents, facilities managers for associations and agents who lease lots in a scheme will not be eligible for appointment, nomination or election as members of association committees,
- (c) if there are tenants for more than half the lots in a neighbourhood scheme, a tenant representative may be nominated for the neighbourhood committee and may attend, but not vote on issues at, the committee,
- (d) a duty is imposed on members of association committees to carry out their functions for the benefit, so far as practicable, of the association and with due care and diligence,

- (e) the functions of the treasurer and other officers of the association are specified, together with the limitations on delegation of the treasurer's functions,
- (f) the Tribunal will have power to make an order appointing a person to convene and hold a meeting of an association if there is no secretary, treasurer or chairperson or no association committee.

Part 4 Managing agents and facilities managers

The proposed Part provides for the appointment and functions of managing agents and facilities managers for association schemes. The proposed Part re-enacts provisions of Division 5 of Part 2 of the 1989 Act, with the following changes—

- (a) the term of appointment of a managing agent will be 12 months if appointed at the first annual general meeting, or 3 years in any other case, including any option for reappointment,
- (b) the term of appointment may be extended by up to 3 months pending a decision as to reappointment but may not be extended beyond the date of the next annual general meeting,
- (c) a managing agent is taken to have an option to extend the term of the managing agent's term for 3 months if the agent is not reappointed and notice of less than 3 months is given by the association or the term is not extended by the association,
- (d) a managing agent must give notice at least 3 months before the end of the term of appointment and at least 1 month before the end of an extension of a term,
- (e) a managing agent may transfer the managing agent's functions to another person if the transfer is authorised by a resolution at a general meeting of the association,
- (f) a managing agent who exercises a function of the association or an officer of the association must keep a record of that and at least once each year provide a copy of all records made in the preceding year,
- (g) it will be an offence for a managing agent to request or accept a gift or other benefit from another person for the managing agent or another person in connection with providing services as a managing agent. The exceptions to the prohibition on benefits will be remuneration paid by an association, monetary commissions paid in accordance with the appointment agreement or approved by the association and gifts with a value below an amount prescribed by the regulations,
- (h) a managing agent must report at the following annual general meeting of an association whether commissions have been paid to the agent and as to the particulars of the commissions and must disclose subsequent variations to the reported amounts,
- (i) information about transactions must be disclosed by the managing agent at the request of the association if the transactions took place not earlier than 5 years before notice was given, rather than not earlier than 3 years as is currently the case,
- (j) the appointment of persons (*facilities managers*) who assist in exercising one or more of managing association property, controlling the use of association property by persons other than owners or occupiers or maintaining and repairing association property is regulated by requiring a written agreement and limiting the term of appointment to 10 years,
- (k) a facilities manager may transfer the facilities manager's functions to another person if the transfer is authorised by a resolution at a general meeting of the association,
- (l) a managing agent or facilities manager must disclose to the association a connection with the original owner or a direct or indirect pecuniary interest in the association scheme,
- (m) the Tribunal will have power, on application by an association, to make orders relating to managing agent and facilities manager agreements, including orders terminating an agreement appointing a managing agent or a facilities manager, requiring compensation to be paid to a party to the agreement, varying or declaring void part of the agreement or ordering a party to take action or not to take action under an agreement.

Part 5 Financial management

The proposed Part provides for the funds to be established by associations, the levying of contributions, financial statements, meetings and other matters related to the financial management of association schemes. The proposed Part re-enacts provisions of Part 2, Division 2 of, and Schedule 1, Part 4 to, the 1989 Act with the following changes—

- (a) a sinking fund is now to be known as a capital works fund,
- (b) the power to resolve a dispute about a distribution of surplus money in the administrative fund or capital works fund will be conferred on the Tribunal rather than a court, though the Supreme Court will continue to determine disputes where the title to land is in question (other than incidentally) or the dispute is incidental to other disputes being dealt with by the Supreme Court,
- (c) the amounts levied as contributions on members of an association must be determined at the same association meeting that the estimates of the money required to meet actual and expected expenditure from the administrative fund and capital works fund are determined,
- (d) a contribution payable by a member of an association is payable on the date set out in the notice of the contribution and the date must be at least 30 days after the notice is given,
- (e) additional notice is not required to be given of regular periodic contributions,
- (f) interest is not payable on an overdue contribution if the contribution is paid not later than 1 month after the due date,
- (g) the Tribunal will have power to order a member of an association or another person to pay contributions (if unpaid for more than a month), interest that is due and expenses incurred in recovering those amounts,
- (h) the Tribunal will have power to order the original owner to pay compensation to the association if the estimates and levies determined during the initial period of the association scheme were inadequate to meet the actual or expected expenditures of the association,
- (i) an association is required to prepare a statement of key financial information for each reporting period for each of its funds, which is to include the balance carried forward, total income, total interest earned and other matters,
- (j) an association must have its accounts and financial statements audited before its annual general meeting if its annual budget exceeds \$250,000 and may do so if the annual budget is \$250,000 or less,
- (k) an association must not obtain legal services without first obtaining approval at a general meeting to do so (except in certain circumstances including urgent cases) if the likely costs of the matter will not be more than \$10,000 and if the services are for the purposes of recovering unpaid contributions.

Part 6 Property management

The proposed Part provides for the obligations and powers of associations relating to association property, the provision of amenities or services to associations and other matters related to association property. The proposed Part re-enacts provisions of Part 2, Division 1 and Part 3 of, and Schedule 1, Part 2 to, the 1989 Act, with the following changes—

- (a) an exception to the duty to maintain, repair and replace association property and property owned by an association is provided for where a special resolution is passed determining that it is not appropriate to maintain, repair or replace particular property and the decision will not affect safety or detract from the appearance of property in the association scheme,
- (b) the original owner must prepare an initial maintenance schedule of the association property and the schedule is to be one of the documents provided to the association before the end of the initial period,
- (c) an association is given clear power to dispose of or otherwise deal with a lot or personal property vested in the association,

- (d) the Tribunal will have power, on the application of an association, to order an occupier of a lot in an association scheme to allow access so that the association can determine whether work needs to be carried out by the association or for other purposes for which the association is permitted to enter,
- (e) a power to make regulations prescribing procedures for dealing with goods left on association property will be inserted,
- (f) the Tribunal will have power to order that an owner or occupier of a development lot or a neighbourhood lot in an association scheme take steps to repair damage caused to association property or another lot in the scheme by the owner or occupier or pay to the association the costs of repairing the damage and associated costs,
- (g) to require an association to consider certain matters before approving a sustainability infrastructure resolution.

Part 7 Management statements and by-laws for associations

The proposed Part provides for the management statements (including by-laws) for association schemes and the creation of by-laws that impose restrictions on and confer rights relating to association property. The proposed Part re-enacts provisions of Part 2, Division 1 and sections 54 and 55 of the 1989 Act, with the following changes—

- (a) a general statement is included that by-laws of association schemes may relate to the management, administration, control, use or enjoyment of the lots in an association scheme or association property,
- (b) a by-law of an association scheme may limit the number of adult residents who may reside in a lot by reference to the number of bedrooms in a residence,
- (c) a by-law must not be harsh, unconscionable or oppressive and cannot prohibit or restrict persons under 18 years from occupying a residential lot or the keeping of an assistance animal,
- (d) a by-law will not be capable of operating to prohibit or restrict a devolution or other dealing relating to a lot and a by-law cannot amend or repeal a by-law that takes effect by order of the Tribunal unless the change is approved by a unanimous resolution,
- (e) by-laws that restrict the use of or confer rights relating to association property will now be referred to as association property rights by-laws and may confer rights of exclusive use and enjoyment of all or specified property and confer special privileges in respect of all or specified property,
- (f) an association property rights by-law must provide for who is responsible for the maintenance and upkeep of property affected by the by-law,
- (g) a person who fails to comply with a notice given by an association that requires the person to comply with an association property rights by-law of the association or to pay an amount due under an association property rights by-law ceases to be entitled to use the property to which the by-law relates,
- (h) the maximum amount of civil penalty that may be imposed by the Tribunal for non-compliance with a notice relating to failure to comply with a by-law will be increased to \$1,100,
- (i) the Tribunal will have a power to revoke part of a management statement if it is of the opinion that the management statement contains a by-law that is harsh, unconscionable or oppressive.

Part 8 Obligations of owners, occupiers and others relating to lots

The proposed Part provides for the obligations of owners of development lots, neighbourhood lots and strata lots in community schemes in relation to the use or enjoyment of the lots. The proposed

- (h) the Tribunal may, on application by an owner or tenant of a development lot or neighbourhood lot, order a person entitled to the benefit of an insurance policy taken out under the proposed Act to pursue a claim in relation to damage to a building or structure on the lot if the Tribunal considers the person has unreasonably refused to make or pursue the claim.

(2)	This Schedule does not prevent the association from determining that a copy of the last financial statements prepared for the administrative fund and the capital works fund is to be included in, or to accompany, the notice of an annual general meeting.	7 8 9
10	Notice to be given to tenants	10
(1)	A copy of the agenda for a meeting must be given to each tenant of a relevant lot, who has been notified to the association in accordance with this Act as a tenant of the lot, at least 7 days before the meeting is held.	11 12 13
(2)	Copies of other documents relating to a meeting may be given to each tenant of a relevant lot if the association so decides.	14 15
Part 3	General meeting procedure	16
11	Chairperson to preside	17
(1)	Chairperson to preside	18
	The chairperson of the association is to preside at a meeting at which the chairperson is present.	19 20
(2)	Presiding member where chairperson absent	21
	In the chairperson's absence from a meeting, the persons present at that meeting and entitled to vote on motions submitted at that meeting may elect 1 of their number to preside at that meeting and the person so elected is, while so presiding, taken to be the chairperson of the association.	22 23 24 25
(3)	Chairperson does not have casting vote	26
	The chairperson does not have a casting vote in relation to any motion but may vote in the chairperson's own right if otherwise entitled.	27 28
(4)	Chairperson may be only person present	29

12	Chairperson to announce names of persons entitled to vote	33
	If requested to do so by a person present and entitled to vote at a meeting, the chairperson must, before submitting a motion to the meeting or the holding of the election of members of the association committee, announce the names of the persons who are entitled to vote on that motion or at that election.	34 35 36 37
13	Decisions at meetings—counting votes	38
(1)	Simple majority vote to generally apply	39
	A motion put to a meeting, or an election of officers of the association or members of the association committee, is to be decided according to a majority in number of the votes cast for and against the motion, unless this Act requires it be determined by a poll, a special resolution or a unanimous resolution.	40 41 42 43

(2)	Allocation of votes	1
	Each subsidiary body has 1 vote and the owners of each relevant lot have 1 vote for each relevant lot even if this results in the same person having more than 1 vote on the motion.	2 3 4
(3)	Vote of original owner who owns more than half of lots to be reduced	5
	For the purposes of determining an election for officers of the association or members of the association committee or appointing a managing agent (other than in the case of a poll), the total value of the vote in respect of the lots held by the original owner is taken to be the same as that for a special resolution.	6 7 8 9
(4)	Value of votes to apply for poll	10
	If a poll is demanded by a person present and entitled to vote on a motion or for the election of officers of the association or members of the association committee at the meeting, the motion is to be decided according to the value of the votes cast for and against the motion and the value of a vote cast by a person entitled to vote in respect of a lot is equal to the unit entitlement of that lot.	11 12 13 14 15
(5)	However, the value of the vote of an original owner is to be calculated in the same way as for a special resolution.	16 17
(6)	Polls	18
	A poll may be demanded before or after a vote decided by a majority in number has been taken and is to be conducted as directed by the chairperson. The demand for a poll may be withdrawn by the person who made it.	19 20 21
	Note. Section 5 sets out the manner in which the value of a vote for a special resolution or a poll is to be determined.	22 23
14	Developer excluded from votes relating to building defects	24

	(a) is residential building work (within the meaning of the <i>Home Building Act 1989</i>) or carried out on a building, or a part of a building, used or proposed to be used for mixed use purposes that include residential purposes, and	29 30 31

16	Quorum	39
(1)	Quorum required for motion or election	40
	A motion submitted at a meeting must not be considered, and an election must not be held at a meeting, unless there is a quorum present to consider and vote on the motion or on the election.	41 42 43
(2)	When quorum exists	44
	A quorum is present at a meeting only in the following circumstances—	45

(a)	if not less than one-quarter of the members of the association entitled to vote on the motion or election are present either personally or by duly appointed proxy,	1 2 3
(b)	if not less than one-quarter of the total unit entitlement of the scheme is represented by the persons who are present either personally or by duly appointed proxy and who are entitled to vote on the motion or election,	4 5 6
(c)	if there are 2 persons who are present either personally or by duly appointed proxy and who are entitled to vote on the motion or election, in a case where there is more than 1 member of the association and the quorum otherwise calculated under this subclause would be fewer than 2 persons.	7 8 9 10
(3)	A person who has voted, or intends to vote, on a motion or at an election at a meeting by a permitted means other than a vote in person is taken to be present for the purposes of determining whether there is a quorum.	11 12 13
(4)	Procedure if no quorum	14
	If no quorum is present within the next half-hour after the relevant motion or business arises for consideration at the meeting, the chairperson must—	15 16
(a)	adjourn the meeting for at least 7 days, or	17
(b)	declare that the persons present either personally or by duly appointed proxy and who are entitled to vote on the motion or election constitute a quorum for considering that motion or business and any subsequent motion or business at the meeting.	18 19 20 21
(5)	Quorum for adjourned meeting	22
	If a quorum is not present within the next half-hour after the time fixed for the adjourned meeting, the persons who are present either personally or by duly appointed proxy and who are entitled to vote on the motion or election constitute a quorum for considering that motion or business and any subsequent motion or business at the meeting.	23 24 25 26 27
17	Motions require notice	28
(1)	A motion must not be submitted at a general meeting if any requirement of this Act to include the form of the motion in the notice of the meeting has not been complied with, unless the motion is a motion to amend a motion of which notice has been so given.	29 30 31 32
(2)	A person who is not entitled to vote at a meeting cannot move a motion for consideration at a meeting or nominate a candidate for election to the association committee.	33 34 35
(3)	This clause does not prevent the owner of a relevant lot from moving a motion or nominating a candidate even if the lot is subject to a mortgage or covenant charge.	36 37
18	Chairperson may rule certain motions out of order	38
	The chairperson at a meeting may rule a motion out of order if—	39
(a)	the chairperson considers that the motion, if carried, would conflict with this Act, an applicable management statement or the by-laws or would otherwise be unlawful or unenforceable, or	40 41 42
(b)	a requirement of this Act to include the form of the motion in the notice of the meeting has not been complied with.	43 44

19	Adjournments	1
(1)	A meeting may be adjourned for any reason if a motion is passed at the meeting for the adjournment.	2 3
(2)	The time and place at which a meeting adjourned under this Part is to be resumed must be fixed by the person who was presiding at the meeting or, if the meeting was adjourned because of a lack of a quorum, by the person who would have presided at the meeting but for the lack of the quorum.	4 5 6 7
(3)	The secretary of the association must give to the members of the association, at least 1 day before the resumed meeting, a written notice specifying—	8 9

20	Tenants at meetings of neighbourhood associations	12
(1)	A tenant who has been notified in accordance with this Act to a neighbourhood association as a tenant of a neighbourhood lot in the neighbourhood scheme is entitled to attend a meeting but is not entitled to vote at a meeting unless the tenant is the holder of a duly appointed proxy.	13 14 15 16
(2)	A tenant is not entitled to address a meeting unless authorised to do so by a resolution of the neighbourhood association.	17 18
(3)	The neighbourhood association may, at any meeting or for the purpose of all meetings, determine that tenants (other than tenants who hold duly appointed proxies) are not entitled to be present when the following matters are being discussed or determined—	19 20 21 22

(4)	Exercise of voting rights by owner, first mortgagee or covenant chargee	9
	The voting rights of an owner or first mortgagee or covenant chargee of a relevant lot (other than a co-owner, mortgagee or covenant chargee) may be exercised—	10 11

(5)	Exercise of voting rights by co-owners to be by proxy	16

	(b) as provided by subclause (6).	20
(6)	Other circumstances in which co-owners may exercise voting rights	21
	If, on a vote at a general meeting, the rights of co-owners of a relevant lot are not exercised by a proxy as referred to in subclause (5), 1 of them may act as such a proxy—	22 23 24
	(a) if the other co-owners are absent or those who are present give their consent, or	25
	(b) if paragraph (a) does not apply—if he or she is the owner first named on the association roll as 1 of the co-owners.	26 27
(7)	Exercise of voting rights by owners of successive estates in lot	28
	If there are owners of successive estates in a relevant lot, only the owner of the first estate may vote at a general meeting.	29 30
(8)	Exercise of voting rights where owner holds lot as trustee	31
	If the owner of a relevant lot holds it as trustee, a person beneficially entitled may not vote at a general meeting.	32 33
(9)	Voting rights cannot be exercised if contributions not paid	34
	A vote at a general meeting (other than a vote on a motion requiring a unanimous resolution) by a member of the association or a person with a priority vote in respect of a member does not count if the member was an unfinancial member at the date notice of the meeting was given and did not pay the amounts owing before the meeting.	35 36 37 38 39
(10)	Effect of failure to give association interest notice	40
	This clause does not confer a right to vote on a person deprived of the right by failing to comply with the requirement to give an association interest notice.	41 42

23	Priority votes	1
(1)	A <i>priority vote</i> is a vote cast on a motion by a person whose vote has priority under this clause.	2 3

(5)	A priority vote may be cast in respect of a relevant lot by—	15

	An original owner or a person connected with the original owner cannot cast a vote by means of a proxy or power of attorney given by another owner of a relevant lot in the scheme if the proxy or power of attorney was given pursuant to a term of the sale contract for the lot or pursuant to another contract or arrangement that is ancillary or related to the sale contract.	41 42 43 44 45

	A vote by a proxy who is a facilities manager, a person who exercises the functions of an on-site residential property manager (within the meaning of the <i>Property and Stock Agents Act 2002</i>) or a managing agent is invalid if it would obtain or assist in obtaining a pecuniary interest for, or confer or assist in conferring any other material benefit on, the proxy.	5 6 7 8 9
(8)	For the purposes of subclause (7), material benefits include, but are not limited to, the following—	10 11

(2)	Form of proxy	26
	The form of proxy is to make provision for the giving of instructions on—	27
(a)	whether the person appointing the proxy intends the proxy to be able to vote on all matters and, if not, the matters on which the proxy will be able to vote, and	28 29 30
(b)	how the person appointing the proxy wants the proxy's vote to be exercised on a motion for the appointment or continuation in office of a managing agent.	31 32
(3)	Proxy to be given to secretary of association	33

(4)	Period for which proxy effective	37
	An instrument appointing a proxy has effect for the period commencing with the day on which it takes effect and ending with the later of the first anniversary of that day and the conclusion of the second annual general meeting held after that day, unless it is sooner revoked or a shorter period is provided by the instrument.	38 39 40 41
(5)	Proxy cannot vote if person appointing proxy votes	42
	A proxy cannot exercise a vote in relation to a matter if the person who appointed the proxy is exercising personally a power to vote on that matter.	43 44

(6)	Effect of subsequent proxy	1
	An instrument made by a person appointing a proxy has no effect if the person makes a later instrument appointing a proxy and delivers it to the secretary of the association in accordance with subclause (3).	2 3 4
(7)	Limit on number of proxies that may be held	5
	The total number of proxies that may be held by a person (other than proxies held by the person as co-owner of a development lot or neighbourhood lot) voting on a resolution at a meeting of an association are as follows—	6 7 8

26	Certain provisions unenforceable	18
	A provision of a contract for the sale of a relevant lot in a scheme, or of any ancillary or related contract or arrangement, is void and unenforceable to the extent that it—	19 20
