3 Objects of this Act

The objects of this Act are as follows:

- (a) to reduce the negative impact of weeds on the economy, community and environment of this State by establishing control mechanisms to:
 - (i) prevent the establishment in this State of significant new weeds, and
 - (ii) restrict the spread in this State of existing significant weeds, and
 - (iii) reduce the area in this State of existing significant weeds,
- (b) to provide for the monitoring of and reporting on the effectiveness of the management of weeds in this State.

[2] Part 2

Part 2 Noxious weeds and control measures

7 Weed control orders

- (1) The Minister may, by order published in the Gazette, make a weed control order for a specified plant.
- (2) A weed control order is to do the following:
 - (a) declare that the plant is a noxious weed,
 - (b) apply a weed control class or classes to the plant,
 - (c) specify the land (being part or the whole of the State) to which the order applies,
 - (d) specify the control measures that are to be, or may be, used to control the plant in general or particular circumstances,
 - (e) specify the control objectives for the plant,
 - (f) specify the term of the order (being a period not exceeding 5 years).

- (3) A plant that is the subject of a weed control order is a ***noxious weed*** for the purposes of this Act.
- (4) An order takes effect from the date of its publication in the Gazette or on a later date specified in the order.
- (5) The Minister may not make an order declaring any plant that is native to the State to be a noxious weed, except with the consent of the Minister administering the *National Parks and Wildlife Act 1974*.

8 Weed control classes

- (1) The following weed control classes may be applied to a plant by a weed control order:
 - (a) Class 1, State Prohibited Weeds,
 - (b) Class 2, Regionally Prohibited Weeds,
 - (c) Class 3, Regionally Controlled Weeds,
 - (d) Class 4, Locally Controlled Weeds,
 - (e) Class 5, Restricted Plants.
- (2) The characteristics of each class are as follows:
 - (a) Class 1 noxious weeds are plants that pose a potentially serious threat to primary production or the environment and are not present in the State or are present only to a limited extent.
 - (b) Class 2 noxious weeds are plants that pose a potentially serious threat to primary production or the environment of a region to which the order applies and are not present in the region or are present only to a limited extent.
 - (c) Class 3 noxious weeds are plants that pose a serious threat to primary production or the environment of an area to which the order applies, are not widely distributed in the area and are likely to spread in the area or to another area.
 - (d) Class 4 noxious weeds are plants that pose a threat to primary production, the environment or human health, are widely distributed in an area to which the order applies and are likely to spread in the area or to another area.
 - (e) Class 5 noxious weeds are plants that are likely, by their sale or the sale of their seeds or movement within the State or an area of the State, to spread in the State or outside the State.
- (3) A noxious weed that is classified as a Class 1, 2 or 5 noxious weed is referred to in this Act as a ***notifiable weed***.

9 Public consultation procedures

- (1) Before making a weed control order, the Minister is to cause the proposed order to be subject to public consultation.
- (2) The public consultation procedure is as follows:
 - (a) notice of the intention to make the order is to be published in a newspaper circulating generally in the area in which the land subject to the proposed order is located, or, if appropriate, in a newspaper circulating throughout the whole State,
 - (b) the notice is to indicate when and where a copy of the proposed order is to be placed on public exhibition and that submissions may be made about it,
 - (c) the proposed order (and any other information the Minister considers appropriate) is to be publicly exhibited for a period of at least 21 days after the notice is given,
 - (d) the Minister is to consider any public submissions on the proposed order.
- (3) The regulations may make provision for or with respect to the notification and exhibition of proposed weed control orders.
- (4) Nothing in this section requires the Minister to undertake any further public consultation if a proposed order is changed as a result of the public consultation procedure.

10 Emergency weed control orders

- (1) The Minister may, by order published in the Gazette, make an emergency weed control order for a specified plant if of the opinion that the threat posed by the plant requires the order to be made.
- (2) An emergency weed control order is to have a term not exceeding 3 months.
- (3) Section 9 does not apply to an emergency weed control order.
- (4) This Act applies to an emergency weed control order in the same way as it applies to a weed control order, except as provided by this Act.

[3] Sections 12–14

Omit the sections. Insert instead:

12 Private occupiers of land must control noxious weeds on land

An occupier (other than a public authority or a local control authority) of land to which a weed control order applies must control noxious weeds on the land as required under the order.

Maximum penalty: 40 penalty units.

Note. If an occupier fails to comply with obligations under a weed control order, those obligations may be enforced against the owner of the land as well as the occupier by a weed control notice issued under section 18.

13 Public authorities' obligations to control noxious weeds on own land

- (1) A public authority that is an occupier of land to which a weed control order applies must control noxious weeds on the land as required under the order, to the extent necessary to prevent the weeds from spreading to adjoining land.
- (2) A public authority must provide information as to the name and contact details of an occupier of land owned by the public authority to the relevant local control authority, if the land is subject to a weed control order.

14 Local control authorities' obligations to control noxious weeds on own land

- (1) A local control authority that is an occupier of land subject to a weed control order must control noxious weeds on the land as required under the order.
- (2) A local control authority must control noxious weeds on any road (other than a freeway, tollway or State work within the meaning of the *Roads Act 1993*) in the local area of the authority that is subject to a weed control order as required under the order.
- (3) The obligation to control noxious weeds on a road is a joint obligation with any occupier required to control the weeds under section 17 or 17B.

[4] Sections 17–18A

Omit sections 17 and 18. Insert instead:

17 Obligations to control noxious weeds on roads

- (1) An obligation imposed under this Act on an occupier of land to control noxious weeds on that land also extends to noxious weeds on:
 - (a) any part of a road that intersects the land, not being part of the road that is fenced on both sides, and
 - (b) the half of the width of any part of a road that forms part of the boundary of the land, not being a part of the road that is fenced on both sides, and
 - (c) any part of a road that forms part of the boundary of the land, being a part of the road that is not fenced on the side forming part of the boundary but is fenced on the other side.
- (2) An occupier may enter a road at all reasonable times for the purpose of complying with this section.
- (3) In this section, *road* does not include a State highway, freeway, tollway or State work within the meaning of the *Roads Act 1993*.
- (4) This section does not apply to a road referred to in section 17B.

17A Obligations to control aquatic weeds

- (1) If the land of an occupier is situated on opposite sides of a watercourse, river or inland water (tidal or non-tidal), an obligation under this Act for the occupier to control noxious weeds on that land also extends to noxious weeds located on the land between those sides.
- (2) If a watercourse, river or inland water (tidal or non-tidal) is situated between land occupied by different occupiers, an obligation under this Act for each occupier to control noxious weeds extends to weeds located on the land between the boundary of the land and any “give and take” fence erected to define the boundary of the land or, if there is no such fence, to the middle line of the watercourse, river or inland water.
- (3) An occupier may enter a watercourse, river or inland water for the purpose of complying with this section.
- (4) A local control authority may exempt the whole or part of a watercourse, river or inland water in its local area from the operation of subsection (1) or (2), or both, if, in its opinion, the

depth or width of the watercourse, river or inland water is such that, in the circumstances, it would be unreasonable to apply the provisions concerned.

- (5) The Director-General may, by order published in the Gazette, exempt an occupier, a noxious weed or the whole or part of a watercourse, river or inland water, from the operation of subsection (1) or (2), or both.
- (6) The Minister may, in a weed control order, exempt an occupier, a noxious weed or the whole or part of a watercourse, river or inland water, from the operation of subsection (1) or (2), or both.
- (7) A local control authority is to be responsible for the control of noxious weeds located on a watercourse, river or inland water in its local area if, because of an exemption under this section, subsection (1) or (2), or both, do not apply to the control of those weeds.
Note. Under section 69, a local control authority may enter into agreements with another person or body to exercise functions of the authority under this Act.
- (8) This section does not apply to land referred to in section 17B.

17B Obligations to control noxious weeds in irrigation areas

- (1) An obligation imposed under this Act on an occupier of land within an irrigation area to control noxious weeds on that land also extends to noxious weeds on:
 - (a) any part of a public road, a public reserve or public channel land that intersects the occupier's land, or forms part of its boundary and is within 20 metres from the boundary of the land, and
 - (b) any part of a watercourse, river or inland water (tidal or non-tidal) situated on the land.
- (2) If a public road, a public reserve or public channel land less than 40 metres wide is situated between land within an irrigation area occupied by different occupiers, the requirement for each occupier to control noxious weeds extends to noxious weeds located on that part of the road, reserve or channel land that is located between the boundary of the occupier's land and the middle line of the road, reserve or channel land.
- (3) An occupier may enter a public road, a public reserve or public channel land at all reasonable times for the purpose of complying with this section.

-
- (4) In this section, *road* does not include a State highway, freeway, tollway or State work within the meaning of the *Roads Act 1993*.

18 Local control authority may require owners or occupiers of land (other than public authorities or other local control authorities) to control noxious weeds

- (1) A local control authority may, by notice (a *weed control notice*) given to an owner or occupier of land, require the owner or occupier to carry out any of the occupier's obligations to control noxious weeds on that land as required under a weed control order.
- (2) The notice may specify the time (not being less than 14 days) within which action is to be taken.
- (3) A notice (an *emergency weed control notice*) may require compliance within a shorter time (not being less than 24 hours) if the notice relates to obligations under an emergency weed control order.
- (4) The local control authority may give a weed control notice only if satisfied that an occupier has failed to carry out any of his or her obligations under this Act to control noxious weeds.
- (5) A local control authority may by notice revoke or amend a weed control notice given by the authority.
- (6) A local control authority may not give a weed control notice to a public authority or another local control authority.
- (7) An owner of land who is not the occupier of the land may, at all reasonable times, and after giving reasonable notice to the occupier, enter the land for the purpose of complying with a weed control notice.

18A Prior notice of weed control notice

- (1) A local control authority must give prior notice of a proposed weed control notice (other than an emergency weed control notice) to the owner or occupier to whom it is to be given.
- (2) The notice procedure is as follows:
- (a) the local control authority must give notice to the owner or occupier of the terms of the proposed notice and the period within which action must be taken,
- (b) the notice must specify a period (being not less than 7 days) within which submissions about the proposed notice may be made to the local control authority,

- (c) the local control authority must consider any submissions made by or on behalf of an owner or occupier,
 - (d) the local control authority must determine whether to proceed with the proposed notice and, if proceeding, whether to change its terms.
- (3) A local control authority must, if practicable, give prior oral or written notice of an emergency weed control notice to the owner or occupier to whom it is to be given.

[5] Section 19 Owners and occupiers must comply with weed control notices by local control authority

Insert “owner or” before “occupier” wherever occurring.

[6] Section 20

Omit the section. Insert instead:

20 Noxious weed control by local control authority after notice not complied with

- (1) A local control authority may control noxious weeds on land subject to a weed control order if the owner or occupier fails, or a predecessor in title to the owner or occupier has failed, to comply with a weed control notice given in accordance with sections 18 and 18A.
- (2) Persons authorised in writing by a local control authority may control noxious weeds on behalf of the local control authority under this section and may enter premises for that purpose.
Note. See Division 1 of Part 5 (sections 41–55) for provisions about powers of entry.
- (3) A local control authority must give not less than 24 hours’ notice of any proposed control of noxious weeds under this section to the owner or occupier of the land concerned, except where an emergency weed control notice has been given.
- (4) If an emergency weed control notice has been given, a local control authority must, if practicable, give prior oral or written notice to the owner or occupier of the land concerned of any proposed control of noxious weeds under this section.

[7] Sections 22–26

Omit the sections. Insert instead:

22 Minister may require public authorities and local control authorities to control noxious weeds

- (1) The Minister may, by notice (a *weed control notice*) given to a public authority that is an occupier of land or a local control authority that is an owner or occupier of land, require the authority to carry out any of the obligations to control noxious weeds on that land as required under a weed control order that applies to the land.
- (2) The notice may specify the time (not being less than 14 days) within which action is to be taken.
- (3) A notice (an *emergency weed control notice*) may require compliance within a shorter time (not being less than 24 hours) if the notice relates to obligations under an emergency weed control order.
- (4) The Minister may give a weed control notice only if satisfied that a public authority or local control authority, or an occupier of land owned by a local control authority, has failed to carry out any of the authority's or occupier's obligations under this Act to control noxious weeds.
- (5) Before giving a weed control notice (other than an emergency weed control notice) to a public authority or local control authority, the Minister must consult with the authority as to the giving of the notice and its contents.
- (6) The Minister may by notice revoke or amend a weed control notice given by the Minister.
- (7) A public authority or a local control authority must comply with a weed control notice given to the authority by the Minister.

23 Noxious weed control by Minister after notice not complied with

- (1) The Minister may control noxious weeds on land subject to a weed control order and occupied by a public authority or owned or occupied by a local control authority if the authority fails, or a predecessor in title to the authority has failed, to comply with a weed control notice given in accordance with section 22.

- (2) Authorised officers may control noxious weeds on behalf of the Minister under this section and may enter premises for that purpose.
Note. See Division 1 of Part 5 (sections 41–55) for provisions about powers of entry.
- (3) Before controlling noxious weeds on land occupied by a public authority, the Minister must obtain the approval of the Premier.
- (4) The Minister must give not less than 24 hours' notice of any proposed control of noxious weeds under this section to the public authority or local control authority concerned, except where an emergency weed control notice has been given.
- (5) If an emergency weed control notice has been given, the Minister must, if practicable, give prior oral or written notice of any proposed control of noxious weeds under this section to the public authority or local control authority concerned.

24 Appointment of weed control administrator for local control authority

- (1) The Minister may, by notice given to a local control authority, direct the authority to comply with or carry out or give effect to provisions of this Act within the period specified in the notice.
- (2) Before giving a direction to a local control authority, the Minister must consult with the authority as to the giving of the direction and its contents.
- (3) The Minister may, with the approval of the Minister administering the *Local Government Act 1993*, by order published in the Gazette, appoint a person as a weed control administrator for a local control authority specified in the order for the term specified in the order.
- (4) The Minister may make an order if:
 - (a) a local control authority fails to comply with a direction under this section, or
 - (b) the Minister is of the opinion that the local control authority has failed to comply with or carry into effect or enforce provisions of this Act.
- (5) A weed control administrator may exercise the following functions:
 - (a) any or all of the functions of the local control authority under this Act, as specified in the order,
 - (b) any necessary ancillary functions of the authority.

-
- (6) The remuneration of a weed control administrator, and other costs and expenses of the administrator in exercising functions as an administrator, are payable from the consolidated fund of the local control authority concerned with the approval of the Minister administering the *Local Government Act 1993*.
 - (7) Without limiting any other powers of authorised officers under this Act, an authorised officer may exercise functions under Division 1 of Part 5 for the purposes of determining whether there are grounds for giving a direction under this section and ascertaining whether any such direction has been complied with.

25 Appeals against weed control notices issued by local control authorities

- (1) An owner or occupier of land may appeal to the Land and Environment Court against a weed control notice given to the owner or occupier by a local control authority.
- (2) An appeal must be made within the period (not being less than 7 days) specified in the notice or, if no period is so specified, within 28 days after the notice is given.
- (3) On hearing the appeal, the Court may:
 - (a) amend or revoke the weed control notice, or
 - (b) confirm the notice.
- (4) If an appeal is duly made to the Court against a notice, the operation of the notice is suspended pending the final determination of the appeal, unless the Court orders that the notice continues to have effect.

26 Expenses

- (1) **Liability for expenses**

Any reasonable expense incurred by or on behalf of the Minister or a local control authority in ascertaining whether a weed control notice has been complied with, and in taking action if it is not being complied with (including charges for any inspection of land), is payable by the person required to comply with the notice, on demand by the Minister or authority.
- (2) **Liability of local control authorities**

Any reasonable expense incurred by or on behalf of the Minister in ascertaining whether a direction given to a local control authority has been complied with (including charges for any inspection of land), is payable by the local control authority, on demand by the Minister.

(3) **Recovery of expenses**

The amount of any expenses due and payable may be recovered by the Minister or the local control authority as a debt in a court of competent jurisdiction.

(4) **Interest**

Interest on the amount of any unpaid expense, charged at the rate currently prescribed by the Supreme Court rules in respect of unpaid judgment debts, may be recovered by the Minister or local control authority from the person liable to comply with the weed control notice or direction concerned as a debt in a court of competent jurisdiction.
