Part 2 Registration

7 Registration necessary for certain representations

- (1) A person who is not a registered podiatrist must not indicate that the person practises podiatry or is qualified to practise podiatry.

Maximum penalty: 50 penalty units.

- (2) Without limiting the ways in which a person may be taken to have indicated that the person is qualified to practise podiatry or that the person practises podiatry, a person is taken to have so indicated if the person uses:

- (a) any name, initials, word, title, symbol or description that (having regard to the circumstances in which it is used) indicates, or is capable of being understood to indicate, or is calculated to lead a person to infer, that the person is qualified to practise podiatry or that the person practises podiatry, or
- (b) the titles “podiatrist” or “chiropodist”.

Note. Section 10AH of the *Public Health Act 1991* prohibits the provision of certain foot care services except by registered podiatrists, medical practitioners, registered nurses and certain other registered health care professionals.

8 Qualifications for registration

- (1) A person has the necessary qualifications for registration as a podiatrist if the person:

- (a) has such qualifications as may be prescribed by the regulations, or
- (b) has successfully completed a course of study that is recognised by the Board as meeting criteria prescribed by the regulations for the purposes of this paragraph, or
- (c) has such qualifications as may be approved by the Board on the recommendation of an accreditation body recognised by the Board for the purposes of this section, or
- (d) has passed an examination arranged or approved by the Board to assess the person’s competence to practise podiatry.

- (2) An educational or training institution may apply to the Board for the recognition by the Board (under subsection (1) (b)) of a course of study offered by the institution. The institution may make application to the Administrative Decisions Tribunal for a review of the decision of the Board on the application.

(3) In determining for the purposes of subsection (1) (b) whether a particular course of study meets the criteria prescribed by the regulations, the Board may have regard to and rely on any findings made on an assessment prepared for the Board in respect of the course of study.

(4) In this section:

qualification means a degree, diploma, certificate or other academic award conferred or awarded for the successful completion of a course of training in podiatry.

9 Competence

For the purposes of this Act, a person is competent to practise podiatry only if the person has sufficient physical capacity, mental capacity and skill to practise podiatry and has sufficient communication skills for the practice of podiatry, including an adequate command of the English language.

10 Impairment

(1) For the purposes of this Act, a person suffers from an impairment if the person suffers from any physical or mental impairment, disability, condition or disorder that detrimentally affects or is likely to detrimentally affect the person's physical or mental capacity to practise podiatry.

(2) For the purposes of this Act, a person who habitually abuses alcohol or is addicted to a deleterious drug is taken to suffer from an impairment.

11 Full registration

(1) A person is entitled to registration as a podiatrist if the Board is satisfied that the person has the necessary qualifications for registration as a podiatrist, and is of good character.

(2) Registration under this section is **full registration**.

(3) An entitlement to full registration does not prevent conditions being imposed on that registration in accordance with this Act.

(4) Schedule 1 (Registration procedures) has effect with respect to full registration.

Note. Under section 20 of the *Mutual Recognition Act 1992* of the Commonwealth a person is entitled to be registered as a podiatrist if the person is registered in another State or a Territory for an equivalent occupation (if that State or Territory participates in the mutual recognition scheme). The

entitlement arises once the person lodges a notice under section 19 of that Act and, until registered under this Act, the person is then deemed (by section 25 of that Act) to be registered. See also the *Trans-Tasman Mutual Recognition Act 1997* of the Commonwealth.

12 Provisional registration

- (1) Registration as a podiatrist may be granted:
 - (a) to a person entitled to full registration, pending the Board's determination of the person's application for full registration, or
 - (b) to a person who will be entitled to full registration when a degree, diploma, certificate or other academic award to which the person is entitled is granted or conferred, pending its grant or conferral.
- (2) Registration under this section is *provisional registration*.
- (3) Provisional registration is granted by the Board or the President. In the President's absence it can be granted by any member of the Board authorised by the Board to do so. Provisional registration is granted by the grant of a certificate of provisional registration.
- (4) A person granted provisional registration is a registered podiatrist until the registration expires or is cancelled. Provisional registration expires on the date stated in the certificate or such later date as may be fixed by the Board.
- (5) The Board may impose such conditions as it thinks fit on a person's provisional registration and may at any time remove, add to or vary those conditions by notice in writing to the registered person.
- (6) The Board may cancel a person's provisional registration for any reason that the Board considers proper. Cancellation does not affect any application for registration by the person.
- (7) If a person granted provisional registration is granted full registration before the person's provisional registration expires, the person's full registration dates from the granting of provisional registration, unless the Board decides otherwise.

13 Temporary registration

- (1) Registration for a limited period may be granted to a person who is not normally resident in New South Wales, for the purpose of enabling the person to carry out educational or research activities or such other activities as the Board considers to be in the public interest.

- (2) Registration under this section is *temporary registration*.
- (3) Temporary registration can only be granted to a person:
 - (a) who is registered as a podiatrist in accordance with a law in force in the person's normal place of residence providing for the registration or certification of podiatrists, or
 - (b) who holds such qualifications or has such experience in the practice of podiatry as the Board considers satisfactory for the purposes of temporary registration.
- (4) Temporary registration is granted by the Board by the grant of a certificate of temporary registration.
- (5) A person granted temporary registration is a registered podiatrist until the temporary registration expires or is cancelled. Temporary registration expires on the date stated in the certificate unless the period of temporary registration is extended.
- (6) The Board may extend and further extend a period of temporary registration by the issue of a further certificate of temporary registration.
- (7) The Board may cancel a person's temporary registration for any reason that the Board considers proper. Cancellation does not affect any application for full registration by the person.
- (8) The Board may impose such conditions as it thinks fit on the temporary registration of a person and may at any time remove, add to or vary those conditions by notice in writing to the registered person.

14 Power to refuse or impose conditions on full registration

- (1) The Board may refuse to register a person who would otherwise be entitled to full registration if:
 - (a) the Board is of the opinion, following an inquiry under Schedule 1, that the person is not competent to practise podiatry or suffers from an impairment, or
 - (b) the person has been convicted of or made the subject of a criminal finding for an offence, either in or outside New South Wales, and the Board is of the opinion that the circumstances of the offence are such as to render the person unfit in the public interest to practise podiatry, or

-
- (c) the person's registration under a health registration Act has been cancelled or suspended because of conduct that would (if the person were a registered podiatrist) authorise cancellation or suspension of the person's registration under this Act, or
- (d) the person's registration or certification under a Podiatrists Registration law has been cancelled or suspended because of conduct that would (if it occurred in New South Wales and the person were a registered podiatrist) authorise cancellation or suspension of the person's registration under this Act.
- (2) As an alternative to refusing to register a person under subsection (1), the Board may grant the person registration subject to conditions if the Board considers that refusal of registration is not warranted and that the person should be granted registration subject to appropriate conditions.
- (3) Conditions of registration may relate to the duration of registration, the aspects of the practice in which the person may be engaged, and any other matters, as the Board thinks appropriate.
- Note.** The Mutual Recognition laws also provide for the imposition of conditions on registration. Conditions can also be imposed on a person's registration as a result of disciplinary proceedings to which the person has been subject.
- (4) In this section:

Podiatrists Registration law means any law of a place outside the State that provides for the registration or certification of podiatrists.

15 Cancellation and suspension of registration

- (1) A person ceases to be registered as a podiatrist if the person's name is removed from the Register. A reference in this Act to the cancellation of a podiatrist's registration is a reference to the removal of the podiatrist's name from the Register.
- (2) A person whose registration as a podiatrist is suspended is taken not to be a registered podiatrist during the period of the suspension, except for the purposes of Part 4 (Complaints and disciplinary proceedings).

16 Restrictions on registration of deregistered persons

- (1) A person cannot apply for registration (and any such application must be rejected) if:
 - (a) the person's registration is cancelled pursuant to an order of the Chairperson or a Deputy Chairperson, the Tribunal or the Supreme Court, or
 - (b) the Chairperson or a Deputy Chairperson, the Tribunal or the Supreme Court orders that the person not be re-registered.
- (2) The only way such a person can again be registered is on a review under Division 3 of Part 6 of the order by which the person's registration was cancelled.

17 Appeals concerning registration

- (1) A person who is aggrieved by any of the following decisions of the Board may appeal to the Tribunal against the decision:
 - (a) the Board's refusal to grant the person full registration,
 - (b) the Board's refusal to grant the person temporary registration,
 - (c) the Board's decision to refuse to register the person under section 14 or to grant the person registration subject to conditions under that section,
 - (d) the Board's cancellation of the person's provisional registration or temporary registration,
 - (e) the Board's refusal to register the person under clause 28 (Entitlement to re-registration if fee paid) of Schedule 1.
- (2) An appeal must be made within 28 days (or such longer period as the Chairperson may allow in a particular case) after notice of the decision is given to the person. The appeal is to be lodged with the Registrar who is to refer it to the Tribunal.
- (3) If the decision in respect of which an appeal is made was made as a consequence of an inquiry held by the Board, the appeal is to be dealt with by way of rehearing and fresh evidence, or evidence in addition to or in substitution for the evidence received at the inquiry, may be given.
- (4) An appeal does not affect any determination with respect to which it is made until the appeal is determined.

-
- (5) When it determines an appeal, the Tribunal may dismiss the appeal or order that the decision of the Board be revoked and replaced by a different decision made by the Tribunal and specified in the order. The Tribunal may also make such ancillary orders as it thinks proper.
 - (6) The Tribunal's decision is taken to be a decision of the Board (but this does not confer a right of appeal under this section in respect of the Tribunal's decision).
 - (7) No appeal lies under this Act against a decision of the Board under the Mutual Recognition laws in relation to its functions under that Act.

Note. The Mutual Recognition laws provide that a person may, subject to the *Administrative Appeals Tribunal Act 1975* of the Commonwealth, apply to the Administrative Appeals Tribunal for a review of a decision of a local registration authority in relation to its functions under the Mutual Recognition laws. Those functions include registration, the imposition or waiver of conditions on registration and the postponement, refusal or reinstatement of registration.

Part 3 Practice of podiatry

Note. Section 10AH of the *Public Health Act 1991* prohibits the provision of certain foot care services except by registered podiatrists, medical practitioners, registered nurses and certain other registered health care professionals.

Division 1 Conduct of practice

18 Use of titles

- (1) A registered podiatrist must not use the title “doctor” in the course of the practice of podiatry unless the podiatrist is the holder of a qualification conferred by a university that entitles the podiatrist to use that title and that qualification is a recognised qualification at the time the podiatrist uses the title.

Maximum penalty: 10 penalty units.

- (2) In this section:

recognised qualification means:

- (a) a qualification that is prescribed by the regulations as a recognised qualification, or
- (b) when no qualification is prescribed under paragraph (a), a qualification that is for the time being recognised by the Board for the purposes of this section.

Note. See also section 105 (Use of misleading titles etc) of the *Medical Practice Act 1992*.

19 Code of professional conduct

- (1) The Board may establish a code of professional conduct setting out guidelines that should be observed by registered podiatrists in their professional practice. The Board may from time to time amend or replace a code of professional conduct.
- (2) The Minister may require the Board to develop guidelines relating to any conduct of registered podiatrists that the Minister considers should be the subject of a code of professional conduct.
- (3) For that purpose, the Minister may:
 - (a) direct the Board to establish a code of professional conduct, or
 - (b) direct the Board to amend or replace a code of professional conduct,so that the code includes guidelines relating to that conduct.
- (4) The Board is to comply with any such direction of the Minister.

-
- (5) The provisions of a code of professional conduct are a relevant consideration in determining for the purposes of this Act what constitutes proper and ethical conduct by a podiatrist.
- (6) The procedure for the establishment of a code of professional conduct is as follows:
- (a) the Board is to prepare a proposed code in draft form and is to prepare an impact assessment statement for the proposed code in accordance with such requirements as the Minister may from time to time determine,
 - (b) the draft code and impact assessment statement are to be publicly exhibited for a period of at least 21 days,
 - (c) the Board is to seek public comment on the draft code during the period of public exhibition and public comment may be made during the period of public exhibition and for 21 days (or such longer period as the Board may determine) after the end of that period,
 - (d) the Board is to submit the draft code to the Minister for approval together with a report by the Board giving details of public comment received during the period allowed for public comment and the Board's response to it,
 - (e) the Board is not to establish the draft code as a code of professional conduct unless the Minister approves the draft.
- (7) The procedure for the amendment or replacement of a code of professional conduct is the same as for the establishment of the code unless the Minister otherwise directs in respect of a particular amendment.

- (1) A complaint may be made under this Act concerning:
 - (a) the professional conduct of a registered podiatrist, or
 - (b) the provision of a podiatry service by a registered podiatrist.

Note. Subsection (1) ensures consistency between this Act and the *Health Care Complaints Act 1993* with respect to the kinds of complaints that can be made about registered podiatrists.

- (2) Without limiting the generality of subsection (1), a complaint may be made that a registered podiatrist:
- (a) has, either in or outside New South Wales, been convicted of or made the subject of a criminal finding for an offence, and the circumstances of the offence are such as to render the podiatrist unfit in the public interest to be registered as a podiatrist, or
 - (b) is guilty of unsatisfactory professional conduct or professional misconduct, or
 - (c) is not competent to practise podiatry, or
 - (d) suffers from an impairment, or
 - (e) is not of good character.
- (3) A complaint need not be made in terms that are strictly in accordance with the terminology of this section.
- (4) In determining for the purposes of this Act whether a podiatrist is of good character regard may be had to conduct of the podiatrist before becoming registered as a podiatrist.

27 Complaint can be made even if person no longer registered

A complaint about a registered podiatrist may be made and dealt with even though the podiatrist has ceased to be registered. For that purpose, a reference in this Part to a podiatrist or registered podiatrist includes a reference to a person who has ceased to be registered or whose registration is suspended.

28 Who can make a complaint

Any person (including the Board) can make a complaint.

29 Complaints to be made to the Board

Complaints are to be made to the Board and are to be lodged with the Registrar.

Note. Complaints may also be made to the Commission.

- (4) The Board may require the complainant to provide further particulars of a complaint.

31 Board to notify Commission of complaints

The Board must notify the Commission of any complaint made under this Part and this is to be done as soon as practicable after the complaint is made.

32 Board to notify person against whom complaint is made

- (1) Written notice of the making of a complaint, the nature of the complaint and the identity of the complainant is to be given by the Board to the podiatrist against whom the complaint is made, as soon as practicable after the complaint is made.
- (2) Notice is not required to be given if the Commission is handling the complaint.
- (3) Notice is not required to be given if the giving of the notice will or is likely to:
 - (a) prejudice the investigation of the complaint, or
 - (b) place the health or safety of a person at risk, or

- (c) place the complainant or another person at risk of intimidation or harassment.

33 Investigation of complaint by Board

The Board may make such inquiries concerning a complaint as it thinks fit.

34 Role of the Commission

- (1) Before the Board deals with or refers a complaint under this Part, the Board and the Commission must consult in order to see if agreement can be reached between them as to the course of action to be taken concerning a complaint.
- (2) Division 2 of Part 2 of the *Health Care Complaints Act 1993* applies to the consultation and the outcomes of the consultation.

35 How complaints are dealt with

- (2) If the Commission recommends to the Board in accordance with the *Health Care Complaints Act 1993* that a complaint (whether made under that Act or this Act) be dealt with by inquiry at a meeting of the Board under Division 4, the Board must comply with that recommendation (but only if the complaint is of a kind that can be made under this Act).

 - (6) The Board is to notify the podiatrist of any action taken by the Board under this section.

36 Serious complaints must be referred to Tribunal

- (2) However, either the Board or the Commission may decide not to refer the complaint to the Tribunal if of the opinion that the allegations on which the complaint is founded (and on which any other pending complaint against the podiatrist is founded) relate solely or principally to the physical or mental capacity of the podiatrist to practise podiatry.
- (3) If the Board decides not to refer the complaint to the Tribunal, the Board must instead deal with the complaint at a meeting of the Board under Division 4. If the Commission decides not to refer the complaint to the Tribunal, the Commission must instead refer the complaint to the Board.
- (4) This section does not require the Board or the Commission to refer a complaint that the Board or Commission thinks is frivolous or vexatious.

- (2) A failure by a podiatrist, without reasonable cause, to comply with a notice given under this section to undergo an examination is, for the purposes of this Part or any inquiry or appeal under this Part, evidence that the podiatrist does not have sufficient physical and mental capacity to practise podiatry.
- (3) A medical practitioner or other health professional who conducts an examination under this section is to report to the Board on the results of the examination. The Board is to provide a copy of the report to the podiatrist.
