- (3) If an application for renewal of the registration of a training organisation is made in accordance with this section, the registration of the training organisation continues to have effect until such time as the Board decides the application.

15 Requirements relating to registration decisions of Board

- (1) Before the Board makes any decision under this Division (other than a decision to require a person to provide further information in relation to an application for registration as a training organisation or a decision to grant such an application unconditionally), the Board must:
 - (a) cause notice of the proposed decision to be served on the person concerned, and
 - (b) give the person a reasonable opportunity to make representations to the Board in relation to the proposed decision.
- (2) Subsection (1) (b) does not apply if the Board is of the opinion that it is in the public interest for the decision to have effect immediately.

-
- (4) Notice of any decision made by the Board under this Division, together with the reasons for the decision, must be served on the person to which the decision relates.

17 Removal of registered details on registration expiry or on application by RTO

The Board must remove from the National Register the details of a training organisation registered by it:

- (a) if the training organisation's registration expires and is not renewed, or
- (b) if the training organisation applies to the Board to have its registration cancelled and the Board grants the application.

18 Board may cancel, suspend or amend registration

- (1) The Board may do any one or more of the following:
- (a) impose or amend the conditions recorded on the National Register in relation to a training organisation that has been registered by another registering body so as to restrict the operations of the training organisation in this State,

- (c) suspend the registration, or part of the scope of registration, of a training organisation that has been registered by the Board,
- (d) cancel the registration of a training organisation that has been registered by the Board.
- (2) The Board may only take action under subsection (1) in relation to an RTO on any one or more of the following grounds:

- (b) the training organisation is no longer providing the courses in respect of which it is registered,

- (c) the training organisation has ceased to exist,
 - (d) the training organisation has failed to comply with the RTO standards or the registration and accreditation guidelines,
 - (e) the training organisation's financial arrangements or ethical standards are such that they would not warrant the registration of the training organisation if it were now to apply for registration,
 - (f) a reasonable doubt exists as to the training organisation's financial capacity to continue to meet its contractual obligations to its students, staff or other persons,
 - (g) the training organisation does not have the resources to competently provide the courses in respect of which it is registered,
 - (h) the resources of the training organisation do not comply with the RTO standards or the registration and accreditation guidelines,
 - (i) the training organisation has contravened this Act or a condition to which its registration is subject.
- (3) The Board may not impose a restriction under subsection (1) (a) unless the registering body that registered the training organisation:
- (a) fails to take any step to deal with the matter to which the grounds relate within 30 days after the matter comes to its attention, or
 - (b) fails, after taking any step to deal with the matter to which the grounds relate, to take another step within 30 days.
- (4) Subsection (3) does not apply if the Board:
- (a) is relying on a ground established by a compliance audit, or
 - (b) is satisfied that it is in the public interest to impose the restriction immediately.
- (5) A restriction or suspension imposed under subsection (1) (a), (b) or (c) may, but need not, relate to a particular place or jurisdiction, but if it does so, it may only be imposed because of a particular fact situation that has arisen in that place or jurisdiction.
- (6) A restriction or suspension imposed under subsection (1) (a), (b) or (c) must be consistent with this Act and the RTO standards.
- (7) Before cancelling the registration of a training organisation under subsection (1) (d), the Board must consult the registering bodies of each of the other jurisdictions where the RTO is operating.
- (8) Failure to comply with subsection (7) does not affect the cancellation. Also, the Board is not required to comply with subsection (7) if the Board is satisfied that it is in the public interest to immediately cancel the registration of the training organisation.

-
- (9) A restriction or suspension imposed under this section may be lifted at any time by the Board on payment of such fee as may be determined by the Board and if the Board is satisfied that such requirements as may be determined by the Board have been complied with.

19 Cancellation of registration on change of business operations

- (1) On the grounds that a training organisation registered by the Board no longer has its main place of business in, and no longer conducts all or most of its operations in, this State, the Board may cancel the registration of the training organisation:
- (a) on application by the training organisation, or
 - (b) on the Board's own initiative.
- (2) The Board must give notice to the RTO at least 30 days before cancelling the registration.
- (3) If, before the end of that 30-day period, the RTO makes an application to another registering body for registration as a training organisation, the Board must not cancel the training organisation's registration until that application is decided.

20 Suspension or cancellation of registration—training or assessment previously agreed to be provided

- (1) This section applies in relation to a training organisation if:
- (a) the Board suspends or cancels its registration, and
 - (b) before the suspension or cancellation took effect, the training organisation entered into an agreement to provide training or an assessment to a person.
- (2) On application by the training organisation, the Board may approve the provision of training or assessment under the agreement for such period as may be specified by the Board in the approval, unless the Board is of the opinion that there are circumstances justifying the refusal of the application.
- (3) The registration of the training organisation is taken to continue during the period specified in the Board's approval, but only for the purposes of enabling the training organisation:
- (a) to provide the training or assessment, or
 - (b) to issue a qualification or statement of attainment in relation to the training or assessment.
- (4) The Board's approval under this section may be withdrawn at any time.

21 Board to register amendment, suspension or cancellation

 - (ii) has advised the registering body that registered the RTO of the suspected contravention, and
 - (b) that registering body:
 - (i) within 30 days after receiving the advice, fails to take steps to deal with the suspected contravention to the satisfaction of the Board, or
 - (ii) at any time advises the Board that it does not propose to take any steps or further step to deal with the suspected contravention.
- (3) In conducting a compliance audit the Board is to have regard to the RCAB standards.
- (4) A failure to comply with subsection (3) is of no effect if the failure:
 - (a) does not affect the outcome of the audit, or
 - (b) arises out of an inconsistency between the RCAB standards and the legislation of the jurisdiction in relation to which the failure arises.

- (5) This section does not limit the power of any registering body to inquire into the activities of a training organisation.

23 Information may be given to registering bodies

- (1) The Board may disclose to any agency of the State or the Commonwealth or of any other State or Territory or, to the extent authorised by the regulations, to any other person any information the Board has about or arising from:

Maximum penalty: 200 penalty units.

- (3) A person must not advertise or otherwise represent:
- (a) that a particular course that is, has been or is to be provided by that or any other person is, has been or is to be accredited (however expressed), or

 - (b) the course does not comply with the RTO standards or the registration and accreditation guidelines.
- (4) If the Board decides to accredit a vocational course, the Board is to register the course on the National Register as an accredited course.

- (1) The accreditation of a vocational course by the Board is subject to such conditions as may be imposed by the Board (whether at the time the Board decides to accredit the course or at any later time).
- (2) Without limiting subsection (1), the Board may impose conditions:
 - (a) requiring the payment of fees to the Board in respect of the accreditation of the course, and
 - (b) requiring specified information to be provided to the Board within a specified time.

28 Term of accreditation and renewal

- (1) Unless sooner cancelled by the Board, the accreditation of a vocational course by the Board has effect for such period (not exceeding 5 years) as is specified by the Board.
- (2) A person may apply to the Board for the renewal of the accreditation of a vocational course not less than 6 months (or such other period as the

Board may, if it thinks fit, determine in any particular case) before the accreditation is due to expire.
