# Appropriation (Budget Variations) Bill 2015

## Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

This Bill is cognate with the *Appropriation Bill 2015*.

## Overview of Bill

The objects of this Bill are as follows:

- (a) to set out the capital works and services for which the “Advance to the Treasurer” appropriation was expended in the 2013–14 financial year, to appropriate \$2,190,000 from the Consolidated Fund for those capital works and services and to make the necessary adjustment to the “Advance to the Treasurer” appropriation for that year,
- (b) to appropriate \$422,000,000 from the Consolidated Fund for recurrent services that were required by the exigencies of Government in accordance with section 22 (1) of the *Public Finance and Audit Act 1983* in relation to the 2013–14 financial year.

## Outline of provisions

### Part 1 Preliminary

**Clause 1** sets out the name (also called the short title) of the proposed Act.

**Clause 2** provides for the commencement of the proposed Act on the date of assent to the proposed Act.

**Clause 3** interprets a reference in the proposed Act.

## **Part 2 Budget variations 2013–14**

**Clause 4** appropriates \$2,190,000 for (and reports the details of) the capital works and services for which the “Advance to the Treasurer” for the 2013–14 financial year was expended, as set out in Column 1 of Schedule 1. Accordingly, the amount appropriated for the Advance for that year (originally \$180,000,000) is reduced by the amount appropriated by the clause.

**Clause 5** appropriates the additional amounts for recurrent services under section 22 (1) of the *Public Finance and Audit Act 1983*, the details of which are set out in Column 2 of Schedule 1. As these amounts are appropriated by the proposed Act, subclause (2) removes the requirement of the *Public Finance and Audit Act 1983* that details of them be included in the Appropriation Act for the 2014–15 financial year.

## **Part 3 General**

**Clause 6** makes it clear that the sums appropriated by the proposed Act are in addition to any other sums appropriated in respect of the 2013–14 financial year, subject to the adjustment of the amount appropriated for the “Advance to the Treasurer” for that year, under clause 4.

**Clause 7** contains miscellaneous provisions concerning the operation of the proposed Act. Subclause (1) provides that the proposed Act is to be construed as part of the annual Appropriation Act or Acts. (This emphasises that the appropriations are part of the budgetary process for the 2013–14 financial year and ensures that terms are construed consistently.) Subclause (1) also makes it clear that the appropriations are not limited to meeting shortfalls from other appropriations.

Subclause (2) validates any payment of the appropriated sums before the date of assent to the proposed Act. Subclause (2) also provides that the proposed subsection applies despite the proposed Act being assented to after the 2013–14 financial year. (This removes an argument, based on section 23 of the *Public Finance and Audit Act 1983*, that the appropriation lapses at the close of the financial year.)

**Clause 8** validates, to the extent (if any) to which it may be necessary to do so, the expenditure, before the date of assent to the proposed Act, of any sum to which the proposed Act applies and the approval of that expenditure.
