

[Act 1998 No 136]

New South Wales

# **Public Finance and Audit Amendment (State Accounts) Bill 1998**

## **Explanatory note**

This explanatory note relates to this Bill as introduced into Parliament.

This Bill is cognate with the *Appropriation (1997-98 Budget Variations) Bill (No 2) 1998*.

## **Overview of Bill**

The object of this Bill is to amend the *Public Finance and Audit Act 1983* to enable the combined presentation of the Public Accounts and the Total State Sector Accounts. The Public Accounts are consolidated accounts that relate to the general government sector only. The Total State Sector Accounts are consolidated accounts that relate to the general government sector, the public trading enterprise sector and the public finance enterprise sector. Under the current provisions of section 6 (3) of the *Public Finance and Audit Act 1983*, the Total State Sector Accounts may not be combined in presentation with the Public Accounts but may only be attached to them.
