Outline of provisions

Part 1 Preliminary

Clause 1 sets out the name (also called the short title) of the proposed Act.

Clause 2 provides for the commencement of the proposed Act.

Clause 3 defines certain words and expressions used in the proposed Act.

Part 2 Accreditation of certifiers

Division 1 Accreditation scheme

Clause 4 requires the Board to prepare an accreditation scheme to be adopted by the Minister for the accreditation of persons as accredited certifiers. Accredited certifiers are authorised to perform various functions under the *Environmental Planning and Assessment Act 1979* in relation to the certification of development under that Act. The proposed scheme is to undergo a public consultation process. The accreditation scheme may provide for the qualifications, skills, knowledge and experience required for accreditation under the proposed Act, a code of conduct for accredited certifiers, continuing professional development requirements for accredited certifiers and other matters prescribed by the regulations. Clause 6 of Schedule 2 provides that the Minister may, by order, adopt as the first accreditation scheme a document that has been published and publicly exhibited by a government department or statutory authority.

Division 2 Accreditation of accredited certifiers

Clause 5 enables a person (other than a body corporate) to apply to the Board for a certificate of accreditation as an accredited certifier or the renewal of such a certificate.

Clause 6 sets out the procedures for considering applications.

Clause 7 specifies the circumstances in which the Board may refuse applications.

Clause 8 sets out the circumstances in which the Board may suspend or cancel a person's certificate of accreditation otherwise than on disciplinary grounds, for example, because it was issued in error or the person has failed to obtain insurance.

Clause 9 enables the Board to vary or impose conditions on certificates of accreditation.

Clause 10 specifies the duration of a certificate of accreditation (generally, one year).

Clause 11 requires the Board to keep a register containing certain particulars about accredited certifiers.

Division 3 Powers of the Board for the protection of the public

Clause 12 enables the Board by order to suspend (for a period of up to 8 weeks) a person's certificate of accreditation or place conditions on a certificate without first giving notice and receiving submissions if satisfied that it is necessary to do so to protect the safety or property of any person.

Clause 13 enables the Board to vary an order given under clause 12.

Clause 14 requires a matter in respect of which the Board takes action under the proposed Division to be treated by the Board as if it were a complaint. The effect of this provision is to apply the provisions of proposed Part 3 to the matter.

Clause 15 enables the Board to extend a period of suspension under the proposed Division if the extension has been expressly approved by the President or Deputy President of the Board and the matter is still in the process of being dealt with as a complaint.

Clause 16 deals with the effect of the expiration of a suspension under the proposed Division.

Clause 17 provides for the duration of conditions imposed under the proposed Division.

Clause 18 provides a right of review to the Administrative Decisions Tribunal in relation to specified decisions of the Board under the proposed Part.

Part 3 Disciplinary proceedings

Division 1 Preliminary

Clause 19 defines certain terms and expressions used in the proposed Part, including *professional misconduct* and *unsatisfactory professional conduct*.

Clause 20 provides that the proposed Part extends to persons who have ceased to be accredited certifiers under the proposed Act and provides that complaints are not to be made or dealt with if the accredited certifier concerned has died.

Division 2 Making of complaints and preliminary procedures

Clause 21 enables any person to make a complaint to the Board against an accredited certifier in respect of the accredited certifier's professional conduct.

Clause 22 provides for the initial assessment of a complaint by the Board.

Clause 23 enables the Board to dismiss a complaint in specified circumstances.

Clause 25 enables the Board to refer a complaint to another person or body if the complaint raises issues that require investigation by that other person or body.

Clause 26 enables a complainant to withdraw a complaint. However, the Board may continue to deal with it if it thinks that it raises an issue of professional misconduct or unsatisfactory professional conduct.

Division 3 Investigation of complaints

Clause 27 requires the Board to investigate complaints and provides for how multiple complaints may be dealt with.

Clause 28 requires the Board to conduct an investigation into a complaint expeditiously.

Division 4 Procedure after investigation of complaint

Clause 29 requires an authorised officer who is appointed to investigate a complaint to provide a report of the investigation to the Board. The Board is to give a copy to the person who is the subject of the complaint and provide an opportunity to make submissions.

Clause 30 enables the Board to hold one or more meetings to consider a complaint and provides for the procedure of the Board at any such meeting.

Clause 31 provides that, after the investigation of a complaint, the Board may take certain action. If the Board is satisfied that the accredited certifier concerned is not guilty of professional misconduct or unsatisfactory professional conduct, it must dismiss the complaint. If the Board is satisfied that the accredited certifier is guilty of professional misconduct, it must apply to the Tribunal for a disciplinary finding against the accredited certifier. If the Board is satisfied that the accredited certifier is guilty of unsatisfactory professional conduct (but not professional misconduct), it may apply to the Tribunal for a disciplinary finding against the accredited certifier or it may itself take any one or more of the following actions against the accredited certifier:

- (a) caution or reprimand the accredited certifier,

- (f) order that no further action is to be taken by the Board in relation to the complaint if satisfied that the accredited certifier is generally competent and diligent and that no other material complaints (whether or not the subject of a disciplinary finding) have been made against the accredited certifier.

Clause 32 requires the Board to give a written statement of its decision on a complaint to the complainant and the accredited certifier concerned.

Clause 33 enables a person to apply to the Administrative Decisions Tribunal for a review of a decision made by the Board under clause 31.

Division 5 Role of Tribunal in complaints process

Clause 34 enables an application to be made by the Board to the Administrative Decisions Tribunal for a disciplinary finding against an accredited certifier. If the Tribunal finds that the accredited certifier is guilty of professional misconduct or unsatisfactory professional conduct the Tribunal may make any of the following decisions:

- (a) caution or reprimand the accredited certifier,
- (b) direct that such conditions as it considers appropriate be imposed on the accredited certifier's certificate of accreditation,

- (g) suspend the accredited certifier's certificate of accreditation for such period as the Tribunal thinks fit,
- (h) cancel the accredited certifier's certificate of accreditation,

- (i) order that the accredited certifier cannot re-apply for a certificate of accreditation within such period (including the period of his or her lifetime) as may be specified by the Tribunal.

Clause 35 enables the Administrative Decisions Tribunal to award costs in proceedings on an application under proposed Part 3.

Clause 36 provides for an appeal against a decision of the Administrative Decisions Tribunal under the proposed Division to the Appeal Panel of the Tribunal.

Clause 37 provides that the Administrative Decisions Tribunal is not required to include confidential information in its statement of a decision. If the statement would be false or misleading without the confidential information, the Tribunal is not required to provide the statement. However, a confidential information notice must then be provided indicating that confidential information is not given or the statement will not be provided.

Clause 38 defines certain terms used in the proposed Division.

Clause 39 requires the Board to publicise disciplinary action taken against an accredited certifier or former accredited certifier.

Clause 40 requires the Board to keep a register of disciplinary action and to make it available to the public.

Division 2	Making of complaints and preliminary procedures	1
21	Procedure for making complaint	2
(1)	A person may make a complaint to the Board against an accredited certifier in respect of the accredited certifier's professional conduct.	3 4
(2)	A complaint is:	5
(a)	to be in writing and in the form (if any) approved by the Board, and	6 7

(c)	to be verified by statutory declaration.	10
(3)	The Board may require the complainant to provide further particulars of the complaint.	11 12
(4)	The Board may decline to deal with a complaint if further particulars are not provided as required under subsection (3).	13 14

(a)	inform the accredited certifier of the nature of the complaint, and	18
(b)	by notice, invite the accredited certifier to make, within such time (being at least 7 days) as the Board specifies in the notice, such submissions in writing to the Board with respect to the complaint as he or she thinks fit.	19 20 21 22
(6)	The Board may, if it considers it appropriate to do so, give a copy of the complaint to the person against whom the complaint is made.	23 24
22	Initial assessment of complaints by Board	25
(1)	After the period for making submissions on a complaint under section 21 (5) (b) has expired, the Board is to assess whether the complaint should be dismissed or investigated.	26 27 28
(2)	The Board in its assessment of a complaint is to take into account any submissions received in accordance with section 21 (5) (b).	29 30

23 Dismissal of complaints

The Board may dismiss a complaint at any time (including during the investigation of the complaint) for any of the following reasons:

- (a) if further particulars of the complaint are not given, or the complaint or the further particulars are not verified, as required by the Board,
- (b) if the Board is of the opinion that the complaint is trivial, vexatious, frivolous, misconceived or lacking in substance or has not been made in good faith,
- (c) if the complaint has been dealt with previously by the Board (or by an accreditation body under the *Environmental Planning and Assessment Act 1979* as in force before the commencement of this section) or another complaint has already been lodged in respect of the same matter,
- (d) if the Board considers that there is or was a satisfactory alternative means available to the complainant of resolving the matter the subject of the complaint and the complainant does not have a reasonable cause for not pursuing the alternative means,
- (e) if the Board is of the opinion that the complaint deals with matters that do not constitute professional misconduct or unsatisfactory professional conduct,
- (f) if the Board is of the opinion that the matter could be appropriately dealt with by conciliation (regardless of whether the parties agree to undertake conciliation) and the Board does not consider that the complaint needs to be investigated,
- (g) if the complaint relates to a matter that occurred more than 3 years before the making of the complaint.

24 Conciliation of complaints

- (1) If the Board thinks it appropriate to do so, the Board may recommend to a complainant and the accredited certifier the subject of the complaint that they undertake conciliation of the complaint (whether or not the complaint has been dismissed or is being investigated).
- (2) The Board may arrange for one of its officers to assist in conciliation of a complaint.
- (3) The Board is not prevented from investigating a complaint because the parties to the complaint agree to undertake conciliation of the complaint.

(5)	A document prepared for the purposes of, or in the course of, the conciliation process (or a copy of such a document) is not admissible in any proceedings before a court, tribunal or body.	1 2 3

(7)	A person cannot be required (whether by subpoena or any other procedure) to produce evidence or a document that is inadmissible in evidence in proceedings before a court, tribunal or body because of this section.	8 9 10 11
25	Reference of complaint to another person or body for investigation	12
(1)	The Board may, at any time while dealing with a complaint, refer the complaint (or part of the complaint) to another person or body if it appears that the complaint (or part) raises an issue that requires investigation by the other person or body.	13 14 15 16
(2)	However, the Board may continue to deal with the matter the subject of the complaint if it appears to the Board that the matter raises an issue of professional misconduct or unsatisfactory professional conduct of an accredited certifier.	17 18 19 20

(1)	A complaint may be withdrawn at any time by the complainant.	22

(2)	The Board may deal with one or more complaints about an accredited certifier in an investigation.	31 32
(3)	If during an investigation of any one or more complaints it appears to the Board that there is a matter in respect of which another complaint could have been made against the accredited certifier concerned or another accredited certifier, the Board may deal with the matter in its investigation as if a complaint had been made about it under section 21.	33 34 35 36 37

(4)	If the Board decides to deal with a matter under subsection (3) as if a complaint had been made about it under section 21, the Board must give notice in writing to the accredited certifier concerned of the nature of the matter being investigated and inform the accredited certifier that the matter is being treated as a complaint.	1 2 3 4 5
(5)	For the purposes of subsection (3), the Board may deal with a matter that could have been the subject of another complaint:	6 7
(a)	whether that complaint could have been made instead of or in addition to any complaint that was in fact made, and	8 9
(b)	whether or not that complaint could have been made by the same complainant.	10 11
28	Investigation into complaint to be conducted expeditiously	12
(1)	An investigation by the Board is to be conducted as expeditiously as possible.	13 14
(2)	In particular, the Board is to give priority to dealing with complaints that in its opinion may involve issues that pose a threat to public safety.	15 16
(3)	However, the Board may defer investigation of a complaint if the parties to the complaint have agreed to conciliate the complaint and the Board thinks that it is appropriate to await the outcome of conciliation.	17 18 19
