*Clerk of the Legislative Assembly.
Legislative Assembly,
Sydney, , 2010*

New South Wales

Health Services Amendment (Local Health Networks) Bill 2010

Act No , 2010

An Act to amend the *Health Services Act 1997* to implement a health network system for the purposes of the *National Health and Hospitals Network Agreement*; to make consequential amendments to certain other Acts and statutory rules; and for other purposes.

I have examined this bill and find it to correspond in all respects with the bill as finally passed by both Houses.

Assistant Speaker of the Legislative Assembly.

The Legislature of New South Wales enacts:

1 Name of Act

This Act is the *Health Services Amendment (Local Health Networks) Act 2010*.

2 Commencement

- (1) This Act commences on a day or days to be appointed by proclamation, except as provided by subsection (2).
- (2) Schedule 1.1 [40], [42], [44]–[48] and [50] commence on the date of assent to this Act.

Omit the section.

[9] Section 28

Omit the section. Insert instead:

28 Functions of local health network governing councils

The local health network governing council for a local health network has the following functions:

- (a) to ensure effective clinical and corporate governance frameworks are established to support the maintenance and improvement of standards of patient care and services by the local health network and to approve those frameworks,

-
- (b) to approve systems:
 - (i) to support the efficient and economic operation of the local health network, and
 - (ii) to ensure the network manages its budget to ensure performance targets are met, and
 - (iii) to ensure that network resources are applied equitably to meet the needs of the community served by the network,
 - (c) to ensure strategic plans to guide the delivery of services are developed for the local health network and to approve those plans,
 - (d) to provide strategic oversight of and monitor the local health network's financial and operational performance in accordance with the State-wide performance framework against the performance measures in the performance agreement for the network,
 - (e) to make recommendations for the appointment of the chief executive of the local health network and, where it considers it appropriate to do so, to make recommendations concerning the removal of the chief executive,
 - (f) to confer with the chief executive of the local health network in connection with the operational performance targets and performance measures to be negotiated in the service agreement for the network under the NHHN Agreement,
 - (g) to approve the service agreement for the local health network under the NHHN Agreement,
 - (h) to seek the views of providers and consumers of health services, and of other members of the community served by the local health network, as to the network's policies, plans and initiatives for the provision of health services, and to confer with the chief executive of the network on how to support, encourage and facilitate community and clinician involvement in the planning of network services,
 - (i) to advise providers and consumers of health services, and other members of the community served by the local health network, as to the network's policies, plans and initiatives for the provision of health services,
 - (j) to endorse the local health network's annual report,

- (k) to liaise with the governing councils of other local health networks and network governed health corporations in relation to both local and State-wide initiatives for the provision of health services,
- (l) such other functions as are conferred or imposed on it by the regulations.

[10] Section 29

Omit sections 29 and 29A. Insert instead:

29 Removal of members of local health network governing council and appointment of administrator

- (1) The Minister may at any time, for any reason or no reason and without notice, by order published in the Gazette:
 - (a) remove any member or all members of a local health network governing council from office, or
 - (b) remove all members of a local health network governing council from office and appoint, as administrator of the local health network concerned, the chief executive of the network or any other person specified in the order for such period as may be specified in the order.
- (2) If the Minister appoints an administrator of a local health network under this section, the Minister is (as soon as is reasonably practicable after the appointment is made) to make a statement in Parliament concerning the basis for the appointment of the administrator.
- (3) An administrator of a local health network has and may exercise, subject to any conditions that may be specified in the order by which the administrator is appointed, all the functions of the chief executive and governing council for that network.
- (4) An administrator of a local health network is entitled to be paid from the funds of that network such remuneration (including travelling and subsistence allowances) as the Minister may from time to time determine in respect of the administrator.
- (5) The regulations may make provision with respect to administrators of local health networks.

Health Services Amendment (Local Health
Networks) Act 2010**

75 Definitions

In this Part:

amending Act means the *Health Services Amendment (Local Health Networks) Act 2010*.

existing area health advisory council means an area health advisory council for an existing area health service.

existing area health service means an area health service in existence immediately before the network establishment day.

existing by-laws means any by-laws made by an area health service that were in force immediately before the network establishment day.

local health network means a local health network constituted by this Act (as in force on the network establishment day).

network establishment day means the day on which Schedule 1 is substituted by the amending Act.

76 Dissolution of existing area health services

On and from the network establishment day:

- (a) each existing area health service is dissolved, and
- (b) each existing area health advisory council is dissolved, and
- (c) the members (including chairpersons) of each existing area health advisory council cease to hold office as such, and
- (d) any person who ceases to be a member of an existing area health advisory council because of the operation of this clause is not entitled to any compensation for the loss of that office.

77 Transfers of assets, rights, liabilities and staff of area health services

- (1) Without limiting the generality of section 131, the Governor may make an order under that section during the transitional period as if any reference in the section to a statutory health organisation also included references to both a proposed local health network and proposed statutory health corporation.
- (2) Section 131 (3) does not apply during the transitional period in relation to an order made under that section that transfers to a proposed local health network, proposed statutory health corporation, local health network or statutory health corporation:
 - (a) a public hospital, health institution, health service or health support service under the control of an area health service, or
 - (b) any assets, rights or liabilities of an area health service.
- (3) A transfer under an order made under section 131 to a proposed local health network or proposed statutory health corporation is taken to have effect on the network establishment day.
- (4) The provisions of Schedule 4 apply in relation to any of the residual assets, rights and liabilities of each area health service dissolved by operation of clause 76 as if:
 - (a) an order under section 20 (1) (a) had been made dissolving the service on the network establishment day, and
 - (b) Schedule 4 continued to apply in relation to the dissolution of an area health service by an order made under that section in the same way as it applied to such a dissolution immediately before the network establishment day.
- (5) The Governor may make an order under section 131 transferring to any one or more statutory health organisations any residual assets, rights or liabilities of an area health service that are vested in the Minister by operation of subclause (4) as if the Minister were a statutory health organisation for the purposes of that section. Section 131 (3) does not apply in relation to such an order.
- (6) Without limiting clause 18 of Schedule 4, regulations of a savings and transitional nature may be made consequent on the dissolution of an existing area health service by clause 76.

(7) In this clause:

proposed local health network means a local health network to be constituted on the network establishment day.

proposed statutory health corporation means a statutory health corporation to be constituted on the network establishment day.

residual assets, rights and liabilities of an existing area health service dissolved by operation of clause 76 means any assets, rights and liabilities of the area health service that:

- (a) have not already been transferred under this Act to another person before the network establishment day, and
- (b) will not otherwise be transferred to a local health network or statutory health corporation on the network establishment day by means of an order made under section 131 or any other provision of this Act.

transitional period means the period commencing on the day on which this clause commences and ending on the day immediately after the network establishment day.

78 Constitution of local health networks

- (1) Each of the local health networks specified in Schedule 1 (as substituted by the amending Act) is constituted as such on the network establishment day, subject to subclause (2).
- (2) Nothing in this clause prevents the amendment of Schedule 1 (whether on or after the network establishment day) by an order made under section 19 or 20.

79 Change in corporate governance of The Sydney Children's Hospitals Network

- (1) The SCHN becomes a network governed health corporation on the reconstitution day.
- (2) A person who was a member of the existing advisory council of the SCHN immediately before the reconstitution day:
 - (a) ceases to be a member of the existing advisory council on that day, and
 - (b) if the person consents, becomes instead a member of the governing council of the SCHN.
- (3) A person who becomes a member of the governing council of the SCHN by operation of subclause (2) holds office as such for a term of 2 years commencing on the reconstitution day unless the person vacates office before the expiry of that term.

-
- (4) The provisions of this clause have effect despite anything to the contrary in Division 2 of Part 2 of Chapter 3 (as applied to network governed health corporations by section 52F), including in relation to the maximum number of members for the governing council of a network governed health corporation.
- (5) In this clause:
- existing advisory council* of the SCHN means the advisory council constituted for the SCHN under section 52D that was in existence immediately before the reconstitution day.
- reconstitution day* means the day on which Schedule 1 [35] to the amending Act commences.
- SCHN* means the statutory health corporation with the corporate name “The Sydney Children’s Hospitals Network (Randwick and Westmead) (incorporating The Royal Alexandra Hospital for Children)”.

80 Preservation of existing by-laws

- (1) The regulations may make provision for or with respect to the continued application of existing by-laws made in relation to public hospitals, health institutions, health services or health support services controlled by area health services until new by-laws are made under this Act in relation to such hospitals, institutions or services.
- (2) Any regulations made for the purposes of this clause may provide for the continued application of existing by-laws subject to such modifications as may be prescribed by the regulations.

81 Updating of references to area health services

- (1) A reference in any other Act or instrument made under any other Act or in any instrument of any kind to an area health service constituted under this Act (other than a particular area health service) is to be read on and from the network establishment day as being a reference to a local health network constituted under this Act.
- (2) The regulations may make provision for or with respect to how a reference in any other Act or instrument made under any other Act or in any instrument of any kind to a particular area health service (or a hospital, health institution, health service or health support service controlled by a particular area health service) is to be read on and from the network establishment day.

82 Relationship of this Part with Interpretation Act 1987

The provisions of this Part are in addition to, and do not derogate from, the provisions of section 26 of the *Interpretation Act 1987*.

Note. Section 26 of the *Interpretation Act 1987* enables a power to make instruments of a legislative or administrative character that is to be conferred by an enacted but uncommenced amendment to an Act to be exercised before the amendment commences. Any such instrument will have effect on the commencement of the amendment.
