

New South Wales

Home Building Amendment (Medical Gas Licensing) Bill 2022

Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

Overview of Bill

The object of this Bill is to extend the transitional period in which medical gas related work is exempt from certain licence requirements from 30 April 2022 to 30 September 2022. Carrying out medical gas related work without certain licences would otherwise be an offence outside of this period.

Outline of provisions

Clause 1 sets out the name, also called the short title, of the proposed Act.

Clause 2 provides for the commencement of the proposed Act on the date of assent to the proposed Act.

Clause 3 gives effect to the overview set out above.
