[1] Section 188A 3

Insert after section 188: 4

**188A Bringing forward of consecutive disqualification periods to avoid
orphan periods** 5
6

(1) This section applies to a licence disqualification (an *orphan
licence disqualification*) imposed on a person if: 7
8

(a) the licence disqualification is to be completed
consecutively with another licence disqualification (the
primary licence disqualification) for the person, and 9
10
11

(b) the primary licence disqualification ends prematurely
because it is annulled, quashed or set aside, or is varied to
shorten its period, before the date for its completion
(whether or not the disqualification has already
commenced), and 12
13
14
15
16

(c) the premature ending of the primary licence
disqualification results in a period (the *disqualification
orphan period*) during which the person would, but for this
section, not be disqualified from holding a driver licence
before the consecutive licence disqualification
commences. 17
18
19
20
21
22

(2) An orphan licence disqualification is taken by operation of this
section (and without the need for a further order of a court): 23
24

(a) to commence at the beginning of what would otherwise
have been the disqualification orphan period, and 25
26

(b) to be completed after the expiry of a period that is
equivalent in length to the period that the licence
disqualification would have been in force if it had
commenced and ended as intended. 27
28
29
30

Note. Section 25A (1A) of the *Road Transport (Driver Licensing)
Act 1998* provides that the driver of a motor vehicle who drives the
vehicle during a period of licence disqualification the commencement
and completion dates of which have been altered by operation of this
section is not guilty of driving while disqualified unless the Authority has
previously given written notice of the altered dates to the driver.
However, the operation of this section in other contexts (such as when a
person seeks to apply for a driver licence) is not affected. 31

Road Transport (General) Amendment (Consecutive Disqualification
Periods) Bill 2009

Schedule 1 Amendment of Road Transport (General) Act 2005 No 11

- (3) If the operation of this section in bringing forward the commencement of an orphan licence disqualification would result in:
- (a) any other licence disqualifications intended to be completed consecutively with any different licence disqualifications (whether or not the orphan licence disqualification) not having effect consecutively, or
 - (b) any other licence disqualifications intended to be wholly or partly completed concurrently with any different licence disqualifications (whether or not the orphan licence disqualification) not having effect concurrently,
- the commencement and completion dates for each of those other licence disqualifications are also brought forward by operation of this section (and without the need for a further order of a court) to the extent necessary to ensure that they continue to have effect consecutively or concurrently, as the case may be.
- (4) If the primary licence disqualification is reinstated by a court (whether on appeal or otherwise) after this section operates to bring forward the commencement of the orphan licence disqualification, the balance of the reinstated primary licence disqualification remaining to be completed is, unless the court orders otherwise, to be completed:
- (a) if only the commencement of the orphan licence disqualification is brought forward by operation of this section—immediately after the completion of that disqualification, or
 - (b) if the commencement of more than one consecutive licence disqualification is brought forward by operation of this section—immediately after the last of the consecutive licence disqualifications is completed.
- (5) For the purposes of this section, a licence disqualification is consecutive with another licence disqualification if it is to commence:
- (a) when the other licence disqualification is completed, or
 - (b) on a date that coincides with the anticipated date for the completion of the other licence disqualification.
- (6) Nothing in this section limits any power that a court has:
- (a) to make an order for licence disqualification (whether or not to be completed concurrently or consecutively with any other licence disqualification), or
 - (b) to annul, quash, set aside or vary a licence disqualification.

(a)	the road transport legislation or any other Act or statutory rule, and	2 3
