**Clause 2** provides that the proposed Act is taken to have commenced on 10 September 2009 (being the date that notice for the introduction of the Bill for the proposed Act was given in the Legislative Council).

**Clause 3** defines the term *Graythwaite Estate* by reference to a lot in a Deposited Plan registered by the Registrar-General and also defines the terms *development* and *environmental planning instrument*.

**Clause 4** sets out the objects of the proposed Act in terms similar to those set out in the Overview above.

**Clause 5** prohibits the sale or other alienation, or the encumbering, of the Graythwaite Estate or any part of it, but allows it to be transferred to a statutory body representing the Crown that is subject to the direction and control of a Minister.

**Clause 6** provides that any lease of, or a licence allowing the use of, the Graythwaite Estate to a person other than a public or local authority must include terms that require the grounds of the Graythwaite Estate to always remain open to the public.

**Clause 7** restricts the development that may be carried out at the Graythwaite Estate. Development for the purposes of health, educational or community facilities is permitted with the consent of North Sydney Council.

**Clause 11** makes it clear that the proposed Act binds the Crown in right of New South Wales and, in so far as the legislative power of the Parliament of New South Wales permits, the Crown in all its other capacities.

**Clause 12** makes it clear that the proposed Act has effect despite certain decisions of the Supreme Court relating to the Graythwaite Estate.

**Clause 13** makes it clear that the provisions of the proposed Act apply on and from 10 September 2009 (being the date that the proposed Act is taken to have commenced). The clause provides that any sale, transfer or other specified disposal of the Graythwaite Estate that occurred on or after 10 September 2009 but before the date of assent to the proposed Act, and that is contrary to the provisions of the proposed Act, is null and void. A contract voided by the clause may be held by a court to be frustrated at common law.
