3 Objects

- (1) The objects of this Act are as follows:
 - (a) to encourage the development of a competitive market in gas, so as to promote the thermally efficient use of gas and to deliver a safe and reliable supply of gas in compliance with the principles of ecologically sustainable development contained in section 6 (2) of the *Protection of the Environment Administration Act 1991*,
 - (b) to regulate gas reticulation and gas supply, so as to protect the interests of customers and to promote customer choice in relation to gas supply,
 - (c) to promote the safe use of gas.
- (2) For the purpose of enabling the objects of this Act to be achieved, the Minister, the Tribunal and any review panel each have the duties set out in subsections (3)–(6).
- (3) In relation to licensed distributors involved in the reticulation of gas, the duties are as follows:
 - (a) to ensure that such persons satisfy, so far as it is economical for them to do so, all reasonable demands for the conveyance of gas,

- (b) to take proper account of the business interests of such persons and the ability of such persons to finance the provision of gas reticulation services,
 - (c), (d) (Repealed)
 - (e) to take proper account of the interests of gas users in respect of transportation tariffs and other terms of service.
- (3A) In relation to authorised reticulators and licensed distributors involved in the distribution or reticulation of gas, the duties are as follows:
- (a) to consider the development of efficient and safe gas distribution pipelines and gas distribution systems,
 - (b) to promote the efficient and safe operation of gas distribution pipelines and gas distribution systems.
- (4) In relation to persons involved in the supply of gas (authorised suppliers and licensed distributors), the duties are as follows:
- (a) to ensure that the public receives the benefit of a competitive gas market,

- (7) Nothing in subsections (2)–(6) gives rise to, or can be taken into account in, any civil cause of action.

4 Definitions

Expressions used in this Act that are defined in the Dictionary at the end of this Act have the meanings set out in the Dictionary.

Part 2 Natural gas authorisations and pricing orders

Division 1 Authorisations

5 Prohibition of unauthorised gas reticulation and gas supply

(1) A person must not:

(a) operate a distribution pipeline for the purpose of conveying natural gas to any other person, or

(b) supply natural gas to any other person by means of a distribution pipeline,

otherwise than under the authority of an authorisation.

Maximum penalty: 500 penalty units (in the case of a corporation) and 50 penalty units (in any other case).

(2) A person does not operate a distribution pipeline for the purpose of conveying natural gas to another person merely because the person supplies natural gas to that other person by means of a distribution pipeline.

(3) A person does not supply natural gas to another person merely because the person operates a distribution pipeline for the purpose of conveying natural gas to that other person.

6 Authorisations

Subject to any conditions imposed by or under this Act:

(a) a **reticulator's authorisation** authorises its holder, and any other person specified in the authorisation, to operate the distribution pipeline so specified for the purpose of conveying natural gas to other persons, and

(b) a **supplier's authorisation** authorises its holder, and any other person specified in the authorisation, to supply natural gas to other persons by means of a distribution pipeline.

7 Applications

(1) An application for an authorisation or for the transfer of an authorisation:

(a) must be accompanied by such fee as may be determined by the Minister, and

(b) must contain such information as may be determined by the Minister, and

(c) must be lodged at the office of the Tribunal.

(2) Such an application, if made in relation to a reticulator's authorisation, may only be made on behalf of a person who is a body corporate.

8 Public consultation

- (1) Before determining an application for an authorisation or for the transfer of an authorisation, the Minister must cause notice of the application to be published in the Gazette and in a daily newspaper circulating throughout New South Wales.
- (2) The notice must indicate:
 - (a) the nature of the authorisation to which the application relates, and
 - (b) the identity of the proposed holder of the authorisation, and
 - (c) the district in which the authorisation, if granted or transferred, would operate, and
 - (d) where submissions on the application should be lodged, and
 - (e) the time (being at least 40 days from the date on which the notice is first published) within which any such submissions should be lodged, and
 - (f) such other matters as may be prescribed by the regulations.
- (3) The Minister must give due consideration to matters arising from any submissions under this section.

9 Determination of applications

- (1) The Minister may determine an application for an authorisation or for the transfer of an authorisation by granting or transferring the authorisation (either unconditionally or subject to conditions of the kind referred to in section 11) or by refusing the application.
- (2) An application may be refused on any of the following grounds:
 - (a) that the proposed holder of the authorisation fails to satisfy such technical or prudential criteria as have been adopted by the Minister to determine whether a person is able to operate a viable business as an authorised reticulator or authorised supplier, as the case may be,
 - (b) such grounds as may be prescribed by the regulations,
 - (c) such grounds as the Minister considers relevant, having regard to the interests of consumers and the need to promote a competitive market for natural gas, to prevent misuse of market power and to ensure the security and reliability of the New South Wales supply system for natural gas.
- (3) The Minister must endeavour to determine an application within 6 months after it is made.

10 Duration of authorisations

Subject to the conditions imposed on it, an authorisation remains in force until it is cancelled.

11 Conditions of authorisations

- (1) An authorisation is subject to the following conditions:
 - (a) the conditions imposed by this Act and the regulations,
 - (b) such other conditions (not inconsistent with those imposed by this Act and the regulations) as the Minister may from time to time impose in relation to the authorisation.
- (2) Without limitation, the Minister may impose the following kinds of conditions on an authorisation:
 - (a) a condition specifying the period for which the authorisation is to remain in force,
 - (b) a condition requiring the holder of the authorisation to exercise its functions under this Act in accordance with specified guidelines or subject to specified restrictions, including conditions as to:
 - (i) the district within which those functions may be exercised, and
 - (ii) the implementation of Government policy on community service obligations to small retail customers,
 - (c) a condition requiring the holder of the authorisation to continue to satisfy such technical or prudential criteria as have been adopted by the Minister to determine whether a person is able to operate a viable business as an authorised reticulator or authorised supplier, as the case may be,
 - (d) a condition requiring the holder of the authorisation to maintain specified insurance cover in respect of specified risks,
 - (e) a condition requiring the holder of the authorisation:
 - (i) to prepare, and submit to the Minister for approval, a plan setting out (in accordance with guidelines established by the Minister) the holder's policies, practices and procedures with respect to the conduct of its affairs under the authorisation, and
 - (ii) to conduct its affairs under the authorisation in accordance with the plan as so approved,
 - (f) a condition requiring the holder of the authorisation to furnish to the Minister (at such times and in respect of such periods as the Minister may determine) such

information as the Minister may determine to enable the Minister to ascertain whether or not the holder is complying with the conditions imposed on the authorisation by this Act or the regulations or by the Minister,

(g) a condition requiring the holder of the authorisation to develop and implement a strategy promoting the adoption of thermally efficient appliances and efficient energy-use practices.

(3) The Minister may not impose conditions on an authorisation with respect to:

(a) the terms on which an authorised reticulator grants access to its distribution pipelines, or

(b) the price at which an authorised supplier supplies natural gas to its customers.

(4) The Minister may not impose a condition on an authorisation of the kind referred to in subsection (2) (b) (ii) unless the Minister has entered into an undertaking, on behalf of the State, to indemnify the holder of the authorisation with respect to the costs incurred by the holder in complying with the requirements of the condition.

12 Variation of conditions of authorisations

(1) The Minister may vary the conditions of an authorisation, either on his or her own motion or on the application of the holder of the authorisation.

(2) In the case of an application to vary the conditions of an authorisation so as to extend a distribution district, section 8 applies to the application in the same way as it applies to an application for an authorisation.

(3) An application to vary the conditions of an authorisation so as to extend a distribution district must be accompanied by such fee as may be determined by the Minister.

13 Enforcement of authorisations by the Minister

(1) The Minister may do either or both of the following:

(a) the Minister may impose a monetary penalty not exceeding \$100,000 on the holder of an authorisation,

(b) the Minister may cancel an authorisation.

(2) Action may be taken under this section only if the holder of the authorisation has knowingly contravened:

(a) the requirements of this Act or the regulations, or

(b) the conditions of the authorisation.

(3) Nothing in this section prevents an authorisation from being cancelled at the request

of its holder.

13A Enforcement of authorisations by Tribunal

- (1) The Tribunal may impose a monetary penalty on the holder of an authorisation.
- (2) The Tribunal may, instead of imposing a monetary penalty, require the holder of the authorisation to take such action as the Tribunal considers appropriate in the circumstances, including (for example) requiring the sending of information to customers or the publication of notices in newspapers.
- (3) The Tribunal may not require action to be taken under subsection (2) by the holder of an authorisation if the cost of that action would exceed the monetary penalty that the Tribunal could impose under this section on the holder.
- (4) If the Tribunal requires information to be sent to a customer under subsection (2), the holder of the authorisation may satisfy that requirement by sending the information to the customer with the next account or bill to be sent to the customer by the holder or, if the holder is sending other information to that customer before the next account or bill, with that other information.
- (5) Action may be taken under this section only if the holder of the authorisation has knowingly contravened the conditions of the authorisation.
- (6) The monetary penalty that the Tribunal may impose under this section must not exceed \$10,000 for the first day on which the contravention concerned occurs and a further \$1,000 for each subsequent day (not exceeding 30 days) on which the contravention continues.
- (7) The Tribunal must not take action under this section unless:
 - (a) the Tribunal has considered whether the contravention has been or is likely to be the subject of any other penalty or action or any claim for compensation, and is satisfied that it is nevertheless appropriate to take action under this section, and
 - (b) the Tribunal has considered the action that the holder of the authorisation has taken or is likely to take in respect of the contravention and the cost to the holder in taking that action, and is satisfied that it is nevertheless appropriate to take action under this section.
- (8) The Tribunal is required to consider the seriousness of the contravention concerned in determining to impose a monetary penalty under this section.
- (9) The Tribunal must not take action under this section in respect of a contravention if the Minister has already taken action under section 13 in respect of the contravention.
- (10) Nothing in this section affects the Minister's powers under section 13 in respect of a contravention, whether or not the Tribunal has already taken action under this section

in respect of the contravention.

14 Holder of authorisation to be notified of proposed action

- (1) The Minister must not take action under section 11, 12 or 13, or the Tribunal must not take action under section 13A, unless:
 - (a) notice of the proposed action has been given to the holder of the authorisation, and
 - (b) the holder of the authorisation has been given a reasonable opportunity to make submissions with respect to the proposed action, and
 - (c) the Minister or Tribunal has given due consideration to any such submissions.
- (2) In addition, the Minister must not take action under section 13, or the Tribunal must not take action under section 13A, in respect of any contravention referred to in that section unless:
 - (a) notice of the contravention has been given to the holder of the authorisation, and
 - (b) the holder of the authorisation has been given a reasonable opportunity to discontinue the contravention and take such steps (if any) as are specified in the notice to remedy the effects of the contravention, and
 - (c) the holder of the authorisation has failed to discontinue the contravention or take those steps.
- (3) Subsection (1) does not apply to action taken at the request of the holder of the authorisation.

15 Annual authorisation fees

- (1) The Minister may require the holder of an authorisation to pay to the Minister such amount, by way of an annual authorisation fee, as the Minister may from time to time determine on the advice of the Treasurer.
- (2) The amount of an annual authorisation fee must be determined in such a manner that the amount payable by the holder of the authorisation for a particular year is equivalent to the amount estimated by the Treasurer as being the cost to the State of administering this Act and the *Gas Pipelines Access (New South Wales) Law* during that year (or the cost of doing so during any previous year to the extent to which that cost has not previously been taken into consideration in any estimate under this section) in relation to that holder.
- (3) It is a condition of an authorisation that the holder of the authorisation must comply with all relevant requirements under this section.
- (4) For the purposes of this section, the cost to the State of administering this Act and the

Gas Pipelines Access (New South Wales) Law during any year in relation to the holder of an authorisation includes such proportion of the State's retail competition implementation costs as the Minister determines, in accordance with the regulations, should be borne by the holder of that authorisation.

- (5) In subsection (4), **the State's retail competition implementation costs** means the costs or expenses incurred by the State during that year:
- (a) for the purpose of implementing retail competition in the market for natural gas, and
 - (b) for any other purpose (being a purpose that is ancillary to the purpose of implementing retail competition in the market for natural gas) prescribed by the regulations.

16 (Repealed)

17 Appeals against decisions concerning authorisations

- (1) A person aggrieved by any of the following decisions of the Minister may appeal to the Supreme Court against the decision:
- (a) a decision cancelling an authorisation,
 - (b) a decision imposing a condition on an authorisation (other than a condition imposed when the authorisation is granted),
 - (c) a decision varying the conditions of an authorisation,
 - (d) a decision refusing an application for the transfer of an authorisation,
 - (e) a decision imposing a monetary penalty on the holder of an authorisation.
- (2) An appeal is to be by way of a new hearing and fresh evidence, or evidence in addition to or in substitution for the evidence on which the original decision was made, may be given on the appeal.
- (3) For the purposes of an appeal, the Minister may certify in writing that a specified policy applies to the subject matter of the appeal.
- (4) In deciding an appeal to which such a certificate relates, the Supreme Court is required to apply the policy so certified, except to the extent to which the application of that policy would be contrary to law.
- (5) The decision of the Supreme Court in respect of an appeal is taken to be the decision of the Minister and is to be given effect to accordingly.

17A Review of certain decisions concerning authorisations

- (1) The holder of an authorisation who is aggrieved by a decision of the Tribunal to take action under section 13A in relation to the holder of the authorisation may apply to the Administrative Decisions Tribunal for a review of the decision.
- (2) Section 53 (Internal reviews) of the *Administrative Decisions Tribunal Act 1997* does not apply to such a decision of the Tribunal.

18 Register of authorisations

- (1) A register of authorisations is to be kept at the office of the Tribunal.
- (2) The register is to contain details of all authorisations that are granted or transferred, including details concerning the conditions imposed on them by the Minister, and is also to contain details of all determinations made by the Minister with respect to authorisations and their conditions.
- (3) The register is to be kept available for inspection by members of the public, free of charge, during normal office hours.
- (4) Copies of entries in the register are to be made available to members of the public, at cost, during normal office hours.

Division 2

19-26 (Repealed)

Division 3 Gas pricing orders

27 Tribunal may make gas pricing orders

- (1) The Tribunal may, by order published in the Gazette, establish a pricing mechanism according to which the following tariffs, fees, charges and other payments are to be fixed in relation to the supply of natural gas to small retail customers under standard form customer supply contracts (a **gas pricing order**):
 - (a) tariffs for natural gas,
 - (b) security deposits and other payments in the nature of security deposits,
 - (c) fees and charges in relation to late or dishonoured payments,
 - (d) fees and charges in relation to the establishment or maintenance of accounts,
 - (e) fees and charges in relation to the disconnection of premises from, or the reconnection of premises to, a distribution system,
 - (f) such other fees, charges and payments as are prescribed by the regulations.

- (2) The Minister may give the Tribunal a written referral requiring the Tribunal to make a gas pricing order within a time specified in the referral and, in that event, the Tribunal must take all reasonable steps to comply with the requirements of the referral.
- (3) Before making a gas pricing order, the Tribunal must notify the Minister of its intention to do so (except in the case of an order given pursuant to a referral under subsection (2)).

27A Gas pricing orders generally

- (1) A gas pricing order:
 - (a) may fix tariffs, fees, charges and other payments, or the methodology by which tariffs, fees, charges and other payments are to be calculated, either generally or in relation to any specified class of small retail customers, and
 - (b) may prohibit the imposition of any specified fees, charges or other payments, or any class of fees, charges or other payments for any specified service or class of services, provided to small retail customers either generally or in relation to any specified class of small retail customers.
- (2) A gas pricing order takes effect on the date on which it is published in the Gazette or on such later date as may be specified in the order in that regard, and continues to have effect until it is superseded by a further gas pricing order.
- (3) At any time after the expiry of 12 months from the date on which the current gas pricing order is published in the Gazette, an authorised supplier may apply to the Tribunal for a new gas pricing order on the basis that changes in circumstances (such as general inflationary trends) mean that the current gas pricing order is out of date.
- (4) It is a condition of a standard supplier's authorisation that the supplier, in imposing tariffs, fees, charges and other payments on a small retail customer in relation to the supply of natural gas under a standard form customer supply contract, must do so in accordance with any relevant gas pricing order.
- (5) Section 42 of the *Interpretation Act 1987* applies to and in respect of a gas pricing order in the same way as it applies to and in respect of a statutory rule within the meaning of that Act.

28 Review of gas pricing orders

- (1) An authorised supplier who is aggrieved by a gas pricing order may apply to the Minister for a review of that order.
- (2) An authorised supplier who is aggrieved by the Tribunal's decision not to make a new gas pricing order as a result of an application made by the supplier under section 27A (3) may apply to the Minister for a review of that decision.

- (3) An application under this section must be made within 28 days after the date on which notice of the decision to which the application relates was given to the applicant.
- (4) The regulations may make provision for or with respect to the procedure for making an application under this section and, in particular, may require the payment of fees in connection with the making of such an application.
- (5) An application under this section does not affect the gas pricing order to which it relates, and that order continues to have effect unless and until it is revoked or amended by a review panel.

Division 4 Review panels

29 Establishment of review panel

- (1) The Minister is to establish a review panel to review a matter in respect of which an application for review has been made under this Part.
- (2) A review panel is to consist of 3 persons appointed by the Minister, of whom one is to be appointed as the chairperson.
- (3) Subject to this Act, the regulations may make provision for or with respect to the members and procedure of a review panel and, in particular, for or with respect to the payment of costs of proceedings before a review panel.

30 Determinations by review panel

- (1) A review panel is to review the matter in respect of which it has been established.
- (2) In considering the matter under review, the review panel:
 - (a) may conduct investigations, and
 - (b) may have regard to such evidence as it considers relevant including, in particular, any submissions made by persons who are (or who may be) affected by the matter.
- (3) Except to the extent to which the regulations otherwise provide, Division 7 of Part 3 of the *Independent Pricing and Regulatory Tribunal Act 1992* applies to an investigation under this section in the same way as it applies to an investigation under that Act, and so applies as if a reference in that Division to the Tribunal were a reference to a review panel.
- (4), (5) (Repealed)
- (6) The decision of the review panel on the matter under review:
 - (a) takes effect on the day on which it is given, or on such later day as may be

specified in the decision, and

- (b) has effect as if it were a decision or order, as the case requires, of the person by whom the original decision or order was made, and
- (c) does not affect any access agreement or access determination that is in force when it takes effect.

Division 5 General

31 (Repealed)

32 Investigations by Tribunal

- (1) The Tribunal may conduct investigations for the purpose of enabling it to exercise its functions under this Part.
- (2) Except to the extent to which the regulations otherwise provide, Division 7 of Part 3 of the *Independent Pricing and Regulatory Tribunal Act 1992* applies to an investigation under this section in the same way as it applies to an investigation under that Act.
- (3), (4) (Repealed)

33 Maintenance of records

- (1) The Tribunal may, by order in writing, direct the holder of an authorisation:

- (2) It is a condition of an authorisation that its holder must comply with the requirements of any such direction.
- (3) It is the duty of the Tribunal to notify the Minister if it becomes aware of any contravention of this Part by the holder of an authorisation.
- (4) In this section, a reference to the holder of an authorisation extends (in the case of a body corporate) to any of its related bodies corporate within the meaning of the *Corporations Act 2001* of the Commonwealth.

Part 2A Operation of natural gas retail market

Division 1 Standard suppliers

33A Endorsements on suppliers' authorisations (cf section 33A of *Electricity Supply Act 1995*)

- (1) One or more of the following endorsements may be attached to a supplier's authorisation:
 - (a) a standard supplier's endorsement,
 - (b) such other categories of endorsements as the Minister determines.
- (2) A standard supplier's endorsement consists of:
 - (a) a condition that designates the endorsement as a standard supplier's endorsement in respect of a specified supply district, and
 - (b) the condition referred to in section 33C (5), and

(4) The Minister may at any time revoke an approval under this section.

(5) If a dispute or complaint involving a gas marketer (within the meaning of Division 5) or person other than a supplier is prescribed as a dispute or complaint to which an approved scheme may apply, the regulations may make it an offence for the gas marketer or person to fail to comply with a decision of the gas industry ombudsman under the scheme.

(6) Notice of any approval given by the Minister under this section, and of the revocation of any such approval, is to be published in the Gazette.

(7) Subject to this section, the same scheme may be approved for the purposes of both this Act and any other Act or law.

- (6) The monetary penalty that the Tribunal may impose under this section must not exceed \$10,000 for the first day on which the contravention concerned occurs and a further \$1,000 for each subsequent day (not exceeding 30 days) on which the contravention continues.
- (7) The Tribunal must not take action under this section unless:
 - (a) the Tribunal has considered whether the contravention has been or is likely to be the subject of any other penalty or action or any claim for compensation, and is satisfied that it is nevertheless appropriate to take action under this section, and

- (2) The notice must specify the day on which the inspector intends to enter the land and must be given before that day.
- (3) This section does not require notice to be given:
 - (a) if entry to the land is made with the consent of the owner or occupier of the land, or
 - (b) if entry is required for the sole purpose of reading a gas meter, or
 - (c) if entry is required in an emergency.

57 Use of force

- (1) Reasonable force may be used for the purpose of gaining entry to any land (other than such part of a building as is being used for residential purposes) under a power conferred by this Division, but only if authorised by the network operator in accordance with this section.

 - (a) fence it and keep it securely fenced so long as it remains open or not sufficiently sloped down, and
 - (b) without unnecessary delay, fill it up or level it or sufficiently slope it down.

60 Recovery of cost of entry and inspection

If an inspector enters any land for the purpose of making an inspection and, as a result of the inspection, the network operator requires any work to be carried out on the land, the network operator may recover the reasonable costs of the entry and inspection from the owner or occupier of the land.

61 Compensation

The network operator must pay compensation to the owner of any land in respect of which a power has been exercised under this Division for any loss or damage arising from the exercise of the power, but is not so liable to the extent to which the loss or damage arises from work done for the purposes of an inspection which reveals that there has been a contravention by the owner of any provision of this Act or the regulations.

- (b) for the sole purpose of reading a gas meter, or
- (c) under the authority conferred by a warrant of entry.

64 Warrants of entry

- (2) An authorised justice to whom such an application is made may, if satisfied that there are reasonable grounds for doing so, issue a warrant of entry authorising an inspector named in the warrant to enter and inspect the land for the purposes of this Act.
- (3) Part 3 of the [Search Warrants Act 1985](#) applies to a warrant of entry under this section in the same way as it applies to a search warrant under that Act.
