Canterbury Local Environmental Plan No 138—Canterbury Precinct (1994 EPI 603)

New South Wales

General provisions

1 Name of plan

This plan is called *Canterbury Local Environmental Plan No 138—Canterbury Precinct*.

2 Where the plan applies

The plan applies to all land shown within the heavy blue line on the map which is referred to in this plan as the Canterbury Precinct. The map is held in the office of the Council of the City of Canterbury.

3 Aims of the plan

The plan aims to achieve:

- (a) A variety of dwelling types throughout the Council area to cater for various life styles and population growth without having adverse effects on the amenity of the area.
- (b) Commercial and business centres which maintain the established hierarchy of centres and allow for a variety of retail, office and business uses.
- (c) Light industrial development which caters for traditional and modern forms of development without adversely affecting the amenity, health or safety of employees and surrounding residents.
- (d) Community facilities and utilities located throughout the Council area.
- (e) Recreational opportunities and facilities located throughout the Council area.
- (f) The creation of employment opportunities.
- (g) Development which promotes the economic and efficient provision of public services and amenities.
- (h) Protection of the environmental heritage of the area.

- (i) Public involvement and participation in environmental planning and assessment.

4 Effects of the plan on other instruments etc

- (1) This plan repeals the following environmental planning instruments:
 - (a) *Canterbury Planning Scheme Ordinance* as it applies to land to which this plan applies.
 - (b) Interim Development Orders Nos 40 and 42—Municipality of Canterbury.
 - (c) All other local environmental plans that applied to the land to which this plan applies and that were in force immediately before the appointed day, but only to the extent that they applied to that land.
- (2) If any agreement, covenant or similar instrument restricts development allowed by this plan, then the agreement, covenant or instrument shall not apply to that development (to the extent necessary to allow that development).
- (3) Before making this plan, the Governor approved of subclause (2) pursuant to section 28 of the Act.

5 Terms used in the plan

Terms used in the plan are defined as follows:

advertisement means the display of symbols, messages or other devices for promotional purposes of for conveying information, instructions, directions or the like, whether or not the display includes the erection of a structure or the carrying out of a work.

10A What is exempt and complying development?

- (1) Development of minimal environmental impact listed in Schedule 1 to *Development Control Plan No 31—Exempt and Complying Development Code* as adopted by the Council on 10 May 2001 is **exempt development**, despite any other provision of this plan.
- (2) Development listed in Schedule 2 to *Development Control Plan No 31—Exempt and Complying Development Code* as adopted by the Council on 10 May 2001 is **complying development** if:
 - (a) it is local development of a kind that can be carried out with consent on the land on which it is proposed, and
 - (b) it is not an existing use, as defined in section 106 of the Act.
- (3) Development is exempt or complying development only if it complies with the development standards and other requirements applied to the development by *Development Control Plan No 31—Exempt and Complying Development Code* as adopted by the Council on 10 May 2001.

- (4) A complying development certificate issued for any complying development is to be subject to the conditions for the development specified in Schedule 3 to *Development Control Plan No 31—Exempt and Complying Development Code* adopted by the Council, as in force when the certificate is issued.

11 Zone objectives

Before granting consent to development within a zone, the Council must take into consideration the zone objectives. The development objectives of zones are as follows:

(1) Zone No 2 (a) (Residential “A” Zone)

The objective of this zone is to achieve:

- (a) Residential development comprising single dwellings, dual occupancies, town houses and villa homes, and
- (b) Development which will not detrimentally affect the residential character of amenity of the area.

(2) Zone No 2 (a) (Residential “C” Zone)

The objective of this zone is to achieve:

- (a) Residential development allowed in the Residential “A” zone and multiple unit housing, and
- (b) Development which will not detrimentally affect the residential character or amenity of the area.

(3) Zone No 3 (a) (General Business Zone)

The objective of this zone is to achieve a hierarchy of shopping centres containing a range of retail, office and related uses, which contribute to employment and economic growth of the area.

(4) Zone No 3 (e) (Business Office Zone)

The objective of this zone is to achieve:

- (a) Office development which provides for employment and economic growth of the area, and
- (b) Suitable associated uses which support office development.

(5) Zone No 4 (a) (Light Industrial Zone)

The objective of this zone is to achieve:

- (a) A range of light industries which expand the local employment base and do not detrimentally affect the amenity of residential areas, and

(b) Suitable uses which support industrial development.

(6) Zone No 4 (d) (Industrial Business Zone)

The objective of this zone is to achieve a variety of business, office and compatible light industrial development and other suitable uses which contribute to employment and economic growth of the area.

(7) Zone No 5 (Special Uses Zone)

The objective of this zone is to indicate land which is currently used or is intended to be used in the future for community services and utility undertakings.

(8) Zone No 6 (a) (Public Open Space Zone)

The objective of this zone is to indicate:

- (a) Land which is currently used or is intended to be used in the future for public recreation and community purposes, and
- (b) Suitable associated activities which support the recreational and community use of the land.

(9) Zone No 6 (b) (Private Open Space Zone)

The objective of this zone is to indicate:

- (a) Land which is currently used or is intended to be used in the future for private recreational purposes, and
- (b) Suitable associated activities which support the recreational use of the land.

(10) Zone No 6 (c) (Regional Open Space Zone)

The objective of this zone is to indicate:

- (a) Land which is currently used or intended to be used in the future for regional open space purposes, and
- (b) Suitable associated activities which support the recreational use of the land.

(11) Zone No 9 (Arterial Road Reservation and Arterial Road Widening Zone)

The objective of this zone is to indicate land required for new arterial roads or the widening of existing arterial roads within the City of Canterbury.

Special provisions

12 Advertising

- (1) The Council will advertise applications for consent to development (except designated

development) involving the following in a local newspaper for a minimum period of 21 days and will advise occupiers of surrounding properties by letter of the proposal:

amusement centres, child care centres, community facilities, entertainment facilities, hotels, identified development, places of worship, recreation areas, recreation facilities, registered clubs, roads or telecommunications facilities.

- (2) The Council need not advertise a development application (not being an application relating to designated development) listed in subclause (1) if (in the opinion of the Council) it involves only minor alterations or additions to existing development and the scale, size or degree of the existing development is not being significantly changed.

13 Preservation of trees

- (1) The Council may make a tree preservation order.
- (2) A tree preservation order may relate to any tree or trees or to any specified class, type or description of trees on land described particularly or generally by reference to the City of Canterbury or any divisions of that area.
- (3) If a tree preservation order is in force in relation to any land, a person must not, except with the consent of the Council, ringbark, cut down, top, lop, remove, injure or destroy a tree on that land, other than where it can be demonstrated to the satisfaction of the Council that the tree is dying, dead or has become dangerous.
- (4) The Council may not grant consent for any action referred to in subclause (3) unless it has made an assessment of the importance of the tree or trees in relation to:
 - (a) soil stability and prevention of land degradation, and
 - (b) scenic or environmental amenity, and
 - (c) vegetation systems and natural wildlife habitats.
- (5) This clause does not apply to trees in a State Forest or on other Crown-timber lands within the meaning of the *Forestry Act 1916*, or to trees required to be trimmed in accordance with the clause 23 of the *Electricity (Overhead Line Safety) Regulation 1991*.

14 Floor space ratios for non-residential development in a residential zone

The maximum floor space ratio for non-residential development in a residential zone is 0.5:1.0 in the Residential “A” Zone and 0.75:1.0 in the Residential “C” Zone.

15 Community uses of schools

The Council may consent to the community use of the facilities and sites of schools, colleges and other educational establishments and to the commercial operation of those

facilities and sites.

The Council may also consent to community uses on land used for the purposes of schools, colleges or other educational establishments.

16 Recreation areas

The Council will not consent to the carrying out of development on land owned by the Council within Zone No 6 (a), unless consideration has been given to:

- (a) the need for the proposed development of the land, and
- (b) the impact of the proposed development on the existing or likely future use of the land, and
- (c) the need to retain the land for its existing or likely future use.

17 Development below high water mark

The consent of the Council is required for any development on land:

- (a) below high water mark, or
- (b) forming part of the bed of a river, creek or other natural water course, or
- (c) which has been reclaimed.

18 Temporary use of land

Nothing in this plan prevents the Council from granting consent for any purpose, (not being designated development) for a maximum period of 28 days, whether consecutive or non consecutive, in any one year.

18A Telecommunications facility on unzoned land

The consent of the Council is required for all development for the purpose of telecommunications facilities on unzoned land.

19-21 (Repealed)

22 Acquisition and development of land reserved for roads

(1) In this clause:

the RTA means the Roads and Traffic Authority constituted under the *Transport Administration Act 1988*.

vacant land means land on which, immediately before the day on which a notice under subclause (2) is given, there were no buildings other than fences, green houses, conservatories, garages, summer houses, private boat houses, fuel sheds, tool houses, cycle sheds, aviaries, milking bails, hay sheds, stables, fowl houses, pig stys,

barns, or the like.

- (2) The owner of any vacant land within Zone No 9 may, by notice in writing, require:
 - (a) the RTA—in the case of land that is included in the 5 year Works Program of the RTA current at the time of receipt of the notice, or
 - (b) the Corporation—in any other case,to acquire the land.
- (3) The owner of any land within Zone No 9 that is not vacant may, by notice in writing, require the RTA to acquire the land if:
 - (a) the land is included in the 5 year Works Program of the RTA current at the time of the receipt of the notice, or
 - (b) the RTA has decided not to give concurrence under subclause (5) to an application for consent to the carrying out of development on the land, or
 - (c) the RTA is of the opinion that the owner of the land will suffer hardship if the land is not acquired within a reasonable time.
- (4) On receipt of a notice under this clause, the RTA or the Corporation, as the case may be, must acquire the land unless the land might reasonably be required to be dedicated for public roads.
- (5) A person may, with the consent of the Council and:
 - (a) in the case of vacant land, with the concurrence of the RTA and the Corporation, or
 - (b) in the case of land that is not vacant, with the concurrence of the RTA,carry out development on land within Zone No 9:
 - (c) for a purpose for which development may be carried out on land in an adjoining zone, or
 - (d) for any purpose which is compatible with development which may be carried out on land in an adjoining zone.
- (6) In deciding whether to grant concurrence to proposed development under this clause, the RTA and the Corporation must take the following matters into consideration:
 - (a) the need to carry out development on the land for the purposes of classified roads, or proposed classified roads, within the meaning of the [Roads Act 1993](#),
 - (b) the imminence of acquisition,
 - (c) the likely additional cost to the RTA or the Corporation resulting from the carrying

out of the proposed development.

- (7) Land acquired under this clause may be developed, with the consent of the Council, for any purpose, until such time as it is required for the purpose for which it was required.

23 Acquisition of privately owned land zoned 6 (a) (Public Open Space) or zoned 6 (c) (Regional Open Space)

- (1) Land zoned 6 (a) (Public Open Space) must be acquired by the Council upon request by the owner. The request must be made in writing.
- (2) Before acquisition, any development may be carried out on such land, but only with the consent of the Council.
- (3) Land zoned 6 (c) (Regional Open Space) must be acquired by the Corporation upon request by the owner. The request must be made in writing.

24 Heritage items

- (1) A person must not, in respect of a building, work, relic, tree or place that is a heritage item:
 - (a) demolish or alter the building or work, or
 - (b) damage or move the relic, or
 - (c) excavate for the purpose of exposing the relic, or
 - (d) damage or despoil the place or tree, or
 - (e) erect a building on or subdivide land on which the building, work or relic is situated or that comprises the place, or
 - (f) damage any tree on land on which the building, work or relic is situated or on the land which comprises the place,except with the consent of the Council.
- (2) The Council must not grant consent to a development application required by this clause unless it has taken into consideration the extent to which the carrying out of the proposed development would affect the heritage significance of the item and any stylistic or horticultural features of its setting.
- (3) The Council may decline to grant consent to a development application required by this clause until it has considered a conservation plan so as to enable the Council to fully consider the heritage significance of the item and the impact of the proposed development on the significance of the item and its setting.

25 Development in the vicinity of heritage items

The Council must not grant consent to an application for consent to carry out development on land in the vicinity of a heritage item unless it has made an assessment of the effect the carrying out of that development will have on the heritage significance of the item and its setting.

26 Heritage advertisements and notifications

- (1) Except as provided by this clause, sections 84, 85, 86, 87 (1) and 90 of the Act apply to and in respect of the demolition of a heritage item in the same way as those provisions apply to and in respect of designated development.
- (2) Before granting consent to an application to demolish a heritage item, the Council must notify the Heritage Council of its intention to do so and take into consideration any comments received from the Heritage Council within 28 days of the notice being sent.
- (3) The Heritage Council is to be taken as having no objection unless it notifies the Council of its objection not later than 28 days after receiving notice of the Council's intention to grant consent.
- (4) This clause does not apply to the partial demolition of a heritage item if, in the opinion of the Council, the partial demolition will be of a minor nature and will not adversely affect the heritage significance of the heritage item in relation to the land to which this plan applies.

27 Conservation incentives

Nothing in this plan prevents the Council from granting consent to the use, for any purpose, of part or all of any building that is a heritage item or the land on which the building is erected if it is satisfied that the proposed use would have little or no adverse effect on the amenity of the area and the conservation of the building depends on the Council granting that consent.

28 Development of land for certain additional purposes

Notwithstanding the provisions of this plan, a person may, with the consent of the Council, carry out development on land referred to in Column 1 of Schedule 2 for a purpose specified in Column 2 of that Schedule, subject to conditions, if any, set out in Column 2 or imposed by the Council under the Act.

29 Savings

Nothing in this plan prohibits or restricts:

- (a) the use of existing buildings of the Crown by the Crown, or

- (b) the carrying out by persons carrying on railway undertakings on land comprised in their undertakings of:
 - (i) any development required in connection with the movement of traffic by rail, including the construction, reconstruction, alteration, maintenance and repair of ways, works and plant, and
 - (ii) the erection within the limits of a railway station or buildings for any purpose, but excluding:
 - (iii) the construction of new railways, railway stations and bridges over roads, and
 - (iv) the erection, reconstruction and alteration of buildings for purposes other than railway undertaking purposes outside the limits of a railway station and the reconstruction or alteration so as materially to affect the design thereof of railway stations or bridges, and
 - (v) the formation or alteration of any means of access to a road, and
 - (vi) the erection, reconstruction and alteration of buildings for purposes other than railway purposes where such buildings have direct access to a public place, or
- (c) the carrying out by persons carrying on public utility undertakings, being water, sewerage, drainage, electricity or gas undertakings, of any of the following development, being development required for the purpose of their undertakings, that is to say:
 - (i) development of any description at or below the surface of the ground, or
 - (ii) the installation of any plant inside a building or the installation or erection within the premises of a generating station or substation established before the appointed day or any plant or other structures or erections required in connection with the station or substation, or
 - (iii) the installation or erection of any plant or other structures or erections by way of addition to or replacement or extension of plant or structures or erections already installed or erected, including the installation in an electrical transmission line of substations, feeder-pillars or transformer electricity or pipes above the surface of the ground for the supply of electricity or pipes above the surface of the ground for the supply of water, or the installation of substations, feeder-pillars or transformer housings or stone, concrete or brickworks, or
 - (iv) the provision of overhead service lines in pursuance of any statutory power to provide a supply of electricity, or
 - (v) the erection of service reservoirs on land acquired or in process of being acquired for the purpose thereof before the appointed day, provided reasonable notice of

the proposed erection is given to the Council, or

(vi) any other development except:

(A) the erection of buildings, the installation or erection of plant or other structures or erections and the reconstruction or alteration, so as materially to affect the design or external appearance thereof, of buildings, or

(B) the formation or alteration of any means of access to a road, or

(d) the carrying out by persons carrying on public utility undertakings, being water transport undertakings, or land comprised in their undertakings, of any development required in connection with the movement of traffic by water, including the construction, reconstruction, alteration, maintenance and repair of ways, buildings, wharves, works and plant required for that purpose, except:

(i) the erection of buildings and the reconstruction or alteration of buildings so as materially to affect the design or external appearance thereof, or

(ii) the formation or alteration of any means of access to a road, or

(e) the carrying out by persons carrying on public utility undertakings, being wharf or river undertakings, on land comprised in their undertakings, of any development required for the purposes of shipping or in connection with the embarking, loading, discharging or transport of passengers, livestock or goods at a wharf or the movement of traffic by a railway forming part of the undertaking, including the construction, reconstruction, alteration, maintenance and repair of ways, buildings, works and plant for those purposes, except:

(i) the construction of bridges, the erection of any other buildings, and the reconstruction or alteration of bridges or of buildings so as materially to affect the design or external appearance thereof, or

(ii) the formation or alteration of any means of access to a road, or

(f) the carrying out by persons carrying on public utility undertakings, being road transport undertakings, on land comprised in their undertakings, of any development required in connection with the movement of traffic by road, including the construction, reconstruction, alteration, maintenance and repair of buildings, works and plant required for that purpose, except:

(i) the erection of buildings and the reconstruction or alteration of buildings so as materially to affect the design or external appearance thereof, or

(ii) the formation or alteration of any means of access to a road, or

(g) the carrying out of any development required in connection with the construction, reconstruction, improvement, maintenance or repair of any road, except the widening,

realignment or relocation of such road, or

- (h) the carrying out or causing to be carried out by the Council engaged in flood mitigation works or by the Water Administration Ministerial Corporation of any work for the purposes of soil conservation, irrigation, afforestation, reafforestation, flood mitigation, water conservation or river improvement in pursuance of the provisions of the *Water Act 1912*, the *Irrigation Act 1912*, the *Farm Water Supplies Act 1946* or the *Rivers and Foreshores Improvement Act 1948*, except:
- (i) the erection of buildings, the installation or erection of plant or other structures or erection and the reconstruction or alteration of buildings so as materially to affect the design or external appearance thereof, or
- (ii) the formation or alteration of any means of access to a road, or
- (i) land zoned Special Uses from being developed, with the consent of the Council, for the purpose denoted in black on the land on the map.

30 Classification and reclassification of public land as operational

The public land described in Schedule 3 is classified, or reclassified, as operational land for the purposes of the *Local Government Act 1993*.

31 Subdivision of dual occupancies

The Council must not consent to the subdivision of land on which a dual occupancy is situated where it results in the street frontage of either allotment on which a dwelling is situated being less than 7.5 metres.
