Hurstville Local Environmental Plan 1994

New South Wales

Part 1 Preliminary

1 Name of plan

This plan may be cited as *Hurstville Local Environmental Plan 1994*.

2 Aims, objectives etc

The aims of this plan are:

- (a) to consolidate and update existing planning controls in the City of Hurstville,
- (b) to modify planning controls having regard to growth and change in the City,
- (c) to simplify the general restrictions on development by reducing the number of zones into which land is divided,
- (d) to create a broad framework of planning controls within which the council may, from time to time, develop and adopt more detailed policies and guidelines relating only to matters of significance for local environmental planning,
- (e) to ensure that development is carried out in such a way as to allow the economic and efficient provision of public services and amenities, and
- (f) to ensure the conservation of the historic architecture and the aesthetic character of the City.

3 Land to which plan applies

This plan applies to all land situated in the City of Hurstville, as shown edged by a broken black line and black bars on the map.

4 Relationship to other environmental planning instruments

- (1) This plan repeals:
 - (a) the *Hurstville Planning Scheme Ordinance*, and
 - (b) all other local environmental plans and deemed environmental planning

instruments which, immediately before the appointed day, applied to land to which this plan applies, but to the extent only to which those plans so applied to that land.

- (2) *State Environmental Planning Policy No 25—Residential Allotment Sizes and Dual Occupancy Subdivision* does not apply to land to which this plan applies.
- (3) *Sydney Regional Environmental Plan No 12—Dual Occupancy* does not apply to land to which this plan applies.
- (4) *State Environmental Planning Policy No 25—Residential Allotment Sizes and Dual Occupancy Subdivision* and *Sydney Regional Environmental Plan No 12—Dual Occupancy* are amended in the manner set out in Schedule 1.

5 Interpretation

- (1) In this plan:

advertising means the use of a building or place for the display of symbols, messages or other devices for promotional purposes or for conveying information, instructions, directions or the like, whether or not the display involves the erection of a structure or the carrying out of a work.

alter, in relation to a heritage item, means:

- (a) make structural changes to the outside of the heritage item, or
- (b) make non-structural changes to the detail, fabric, finish or appearance of the outside of the heritage item, other than changes ensuing from the maintenance of the existing detail, fabric, finish or appearance of the outside of the item.

amusement centre means a building or place (other than a place in a dwelling) used for the purpose of playing:

- (a) billiards, pool or similar games, or
- (b) electrically or mechanically operated amusement devices such as pinball machines and the like, but only if more than 3 such machines are installed in the building or place.

animal establishment means a building or place used for the breeding, boarding, training or keeping of, or for caring for, animals whether or not for commercial purposes, but does not include a veterinary establishment or a building or place used (in conjunction with a dwelling) for the keeping of pets.

appointed day means the day on which this plan takes effect.

aquaculture means the cultivation (including the propagation and rearing) of the living resources of the sea or inland waters, whether or not the cultivation is carried

out in a farm established for that purpose using an artificially created body of water.

arterial road means:

- (a) a road shown on the map by a broken red band,
- (b) a road declared to be a main road under the [Roads Act 1993](#), or
- (c) a road declared to be a secondary road under the [Roads Act 1993](#).

automotive use means a use of a building or work or land for the purpose of fuelling, lubricating, cleaning, caring for, maintaining or repairing motor vehicles or of offering for sale and installing automotive accessories or parts and includes a workshop, a shop for the sale of automotive spare parts, tyres or car batteries, a tyre retreading workshop and any other establishment performing similar functions, but does not include a panel beating workshop (other than a place used for minor panel beating ancillary to a motor showroom) or a service station.

bed and breakfast accommodation means a dwelling house occupied by permanent residents who provide temporary paid accommodation to guests, which may include meals, with not more than three bedrooms.

boarding house means a building or place:

- (a) where accommodation, meals and laundry facilities are provided to the residents of the building or place, and
- (b) which is not licensed to sell liquor within the meaning of the [Liquor Act 1982](#).

bulky goods salesroom or showroom means a building or place used for the sale (by retail or auction), hire or display of items (whether goods or materials) which are of such a size, shape or weight as to require:

- (a) a large area for handling, storage or display, or
- (b) direct vehicular access to the site of the building or place by members of the public for the purpose of loading items into their vehicles after purchase,

but does not include a building or place used for the sale of foodstuffs or clothing.

bushfire hazard reduction means a reduction or modification (by controlled burning or mechanical or manual means) of material that constitutes a bushfire hazard.

bushland means land on which there is vegetation which is either a remainder of the natural vegetation of the land or is still representative of the natural vegetation.

business premises means a building or place in which there is carried on an occupation, profession, light industry or trade which provides a service directly and regularly to the public, but does not include a building or place elsewhere defined in

this clause.

car park means a building or place (other than a building or place used in conjunction with a dwelling) used for parking vehicles, whether operated for gain or not, and includes any manoeuvring space and access to that building or place.

caravan park means land used as a site for moveable dwellings, including tents and caravans or other vehicles used for temporary or permanent accommodation.

child care centre means fixed premises (other than the home of the licensee of the child care service) at which a child care service is provided by a person for the purpose of educating, minding or caring for (but without providing residential care for) 4 or more children (disregarding any children who are related to the person providing the service) who are under 6 years of age and who do not ordinarily attend school.

commercial sign means an advertisement, whether illuminated or not, which, in respect of any place or premises to which it is affixed, contains only:

- (a) an identification or description of the place or premises,
- (b) an identification or description of any person residing or carrying on an occupation at the place or premises,
- (c) particulars of any occupation carried on at the place or premises,
- (d) such directions or cautions as are usual or necessary in relation to the place or premises or any occupation carried on there,
- (e) particulars or notifications required or permitted to be displayed by or under any Act or any Act of the Parliament of the Commonwealth,
- (f) particulars relating to the goods, commodities or services dealt with or provided at the place or premises,
- (g) a notice that the place or premises is or are for sale or letting together with particulars of the sale or letting, or
- (h) particulars of any activities held or to be held at the place or premises.

communications facility means a building, structure, work or place used primarily for transmitting or receiving signals for the purpose of communication, and includes radio masts, towers, satellite discs and the like.

community facility means a building or place owned or controlled by a public authority or a body of persons which may provide for the physical, social, cultural or intellectual development or welfare of the local community, but does not include a building or place elsewhere defined in this clause.

Part 3 Special provisions

9A What is exempt and complying development

- (1) Development of minimal environmental impact listed as exempt development in *Hurstville Development Control Plan No 14—Exempt and Complying Development* (as adopted by the council on 3 November 1999) is **exempt development**, despite any other provisions of this plan.
- (2) Development listed as complying development in *Hurstville Development Control Plan No 14—Exempt and Complying Development* (as adopted by the council on 3 November 1999) is **complying development** if:
 - (a) it is local development of a kind that can be carried out with consent on the land on which it is proposed, and
 - (b) it is not an existing use, as defined in section 106 of the Act.
- (3) Development is exempt or complying development only if it complies with the development standards and other requirements applied to the development by *Hurstville Development Control Plan No 14—Exempt and Complying Development* (as adopted by the council on 3 November 1999).
- (4) A complying development certificate issued for any complying development is to be subject to the conditions for the development specified in *Hurstville Development Control Plan No 14—Exempt and Complying Development* adopted by the council (as in force when the certificate is issued).

10 Subdivision generally

A person may subdivide land to which this plan applies but only with the consent of the council.

11 Minimum lot sizes for dwelling houses on land within Zone No 2

- (1) The minimum allotment size for the erection of a dwelling house on land within Zone No 2 is 450 m² and the allotment must have a width of at least 15 metres.
- (2) Notwithstanding subclause (1), the minimum allotment size for the erection of a dwelling house on a battleaxe allotment on land within Zone No 2 is 550 m² and the allotment must have a width of at least 18 metres.
- (3) Notwithstanding subclause (1) and (2), the minimum allotment size for the erection of a dwelling house on land within Zone No 2 shown by distinctive hatching on the map is 550 m² for the allotment at the front and 650 m² for the battleaxe allotment.
- (4) The area of the access corridor to a battleaxe allotment is not to be included in the calculation of the area of the allotment.
- (5) This clause does not prohibit the erection of a dwelling house in Zone No 2 on an allotment of land that existed as a separate allotment on the appointed day.

11A Dual occupancies

- (1) Notwithstanding any other provisions of this plan, the objectives of this clause are to:
 - (a) prohibit the creation of a second detached dwelling within the backyard of an existing property, except in respect of corner allotments or sites which have rear lane or dual street access, and
 - (b) encourage the development of a second dwelling in the form of:
 - (i) first floor additions to an existing detached dwelling, or
 - (ii) new attached dwellings, and
 - (c) allow minor extensions to an existing detached dwelling to provide additional floor space required to create a second dwelling.
- (2) Unless otherwise provided for in this plan, this clause applies to all land within the local government area of the City of Hurstville.
- (3) The council must not consent to the erection of a second detached dwelling in the backyard of a dwelling house except in respect of corner allotments or sites which have rear lane or dual street access.
- (4) The council may consent to the creation of a second attached dwelling at the rear of an existing dwelling house if:
 - (a) any additional floor space to be created does not constitute more than 20% of the total site area, and

(b) the length of any building extension does not exceed 25% of the shortest perpendicular distance measured from the rear alignment of the existing dwelling to the rear boundary of the allotment, and

(c) such an addition is of single storey construction.

(5) For the purposes of this clause, an **attached dwelling** means a dwelling attached to another dwelling by a common wall, where the dwellings maintain the appearance of a single integrated building. Dwellings are not attached dwellings for the purposes of this clause where they are connected by breezeways, carports or the like.

12 Development that must be advertised

The following development is identified as advertised development:

(a) development of land for the purposes of multiple dwellings,

(b) development of land for the purposes of residential flat buildings consisting of 5 or more dwellings,

(c) development of land within Zone No 2 for purposes other than residential purposes, health consulting rooms, home activities or residential offices,

(d) development that is specified in *Hurstville Development Control Plan No 17—Neighbour Notification and Advertising of Development Applications*, as adopted by the council on 1 March 2000, as advertised development.

13 Floor space ratios

(1) The maximum floor space ratio for a building or buildings not used for residential purposes within Zone No 2 is 0.5:1.

(2) For buildings within Zone No 3 (a):

(a) the maximum floor space ratio overall is 1.5:1, and

(b) the maximum floor space ratio for the exclusively non-residential component is 1:1, and

(c) the maximum floor space ratio for the exclusively residential component is 0.5:1, except for land within Zone No 3 (a) situated in Riverwood or Beverly Hills.

(2A) For buildings within Zone No 3 (c):

(a) the maximum floor space ratio overall is 1.5:1, and

(b) the maximum floor space ratio for the exclusively non-residential component is 1:1.

(3) The maximum floor space ratio for a building within Zone No 4 is 1:1.

- (4) The area of the access corridor for a battleaxe allotment is not to be included in the calculation of the floor space ratio of any building on the allotment.

14 Tree preservation orders

- (1) The council may, by resolution, make a tree preservation order.
- (2) A tree preservation order may prohibit the ringbarking, cutting down, topping, lopping, removal, injuring or destroying of trees without the consent of the council.
- (3) A tree preservation order comes into force on the day a notice stating that the order has been made is first published in a newspaper circulating at least once weekly in the City of Hurstville.
- (4) A tree preservation order, and the notice referred to in subclause (3), must specify the types or sizes of trees, or identify the locations of the trees, that are covered by the order.
- (5) Where a tree preservation order is in force a person must not ringbark, cut down, top, lop, remove, injure or destroy any tree covered by the order without the consent of the council.
- (6) Subclause (5) does not apply where it can be demonstrated to the satisfaction of the council that the tree is dying, dead or has become dangerous.
- (7) When considering an application for a consent referred to in subclause (5) the council must make an assessment of the importance of the tree or trees in relation to:
 - (a) soil stability and prevention of land degradation,
 - (b) scenic or environmental amenity, and
 - (c) vegetation systems and natural wildlife habitats.
- (8) This clause does not apply to any trees that are required to be trimmed in accordance with clause 23 of the *Electricity (Overhead Line Safety) Regulation 1991*.

15 Services

Before granting consent to the carrying out of development on land for any purpose the council must be satisfied that:

- (a) facilities for the supply of water and for the removal or disposal of sewage and drainage are available to that land, or
- (b) arrangements satisfactory to the Water Board for the provision of these facilities have been made.

15A Height restriction for buildings on certain land within Zone No 3 (a)

- (1) This clause applies to all land within Zone No 3 (a) situated in the Peakhurst Ward, except land within that zone at Riverwood. The land to which this clause applies is shown edged heavy black on the map marked "*Hurstville Local Environmental Plan 1994 (Amendment No 13)*".
- (2) Despite any other provision of this plan, the Council must not consent to the erection of any building exceeding 2 storeys in height on land to which this clause applies.

16 Development in industrial zones

- (1) The council may grant consent to the carrying out of development on and within Zone No 4 for the purpose of shops (other than bulky goods salesrooms or showrooms) or for commercial purposes only where it is satisfied that:
 - (a) where the proposed development may otherwise have been carried out within a business centre in the locality, suitable land for the development is not available in that business centre, and
 - (b) the proposed development is of a type appropriate to an industrial zone, or to the general character of existing structures or uses within the industrial zone.
- (2) The council may grant consent to the carrying out of development on land within Zone No 4 for the purpose of a panel beating workshop only where it is satisfied that:
 - (a) the land in question does not adjoin land within a residential zone, and
 - (b) appropriate arrangements are made to store on the site of the proposed development and either within a building or within a suitably screened area all vehicles awaiting or undergoing repair, awaiting collection or otherwise involved with the proposed workshop.

17 Bulky goods retailing

The council may grant consent to the carrying out of development on land within Zone No 4 for the purposes of a bulky goods showroom or salesroom only if it is satisfied that:

- (a) suitable land for the development is not available in any nearby business centre, and
- (b) the carrying out of the development would not, by reason of the number of retail outlets which exist or are proposed on the land, conflict with the objectives of Zone No 4.

18 Development in open space zones

- (1) When determining an application for consent to carry out development on land within Zone No 6 (a) or 6 (b), the council must consider:

- (a) the need for the proposed development on that land,
 - (b) the impact of the proposed development on the existing or likely future use of the land, and
 - (c) the need to retain the land for its existing or likely future use.
- (2) Where any land within Zone No 6 (a) is not under the ownership of the council, the owner of that land may, by notice in writing, require the council to acquire the land.
 - (3) On receipt of a notice referred to in subclause (2), the council shall acquire the land, unless the land might reasonably be required to be dedicated for public open space.
 - (4) Any land within Zone No 6 (a) which is not under the ownership of the council (may with the consent of the council) be used for any purpose which is permissible (either with or without development consent) on land adjoining the land in question, prior to that land's being acquired by the council.
 - (5) The council may grant consent as referred to in subclause (4) only after it has considered:
 - (a) the effects of the proposed development on the costs of acquisition,
 - (b) the imminence of acquisition, and
 - (c) the costs associated with the reinstatement of the land for the purpose for which it is zoned.

19 Foreshore building lines

- (1) The council may, by resolution, fix a foreshore building line in respect of any bay, river, creek or waterway.
- (2) A foreshore building line fixed in accordance with subclause (1) shall be shown on a map or series of maps and shall come into effect on the date a notice stating that the line has been fixed and specifying its location is first published in a newspaper circulating at least once weekly in the City of Hurstville.
- (3) Except as provided by subclauses (5) and (6), a building shall not be erected between a foreshore building line and the bay, river, creek or waterway in respect of which the line is fixed.
- (4) The council may, by resolution, alter or abolish any foreshore building line fixed in accordance with this clause where the levels, depth or other exceptional features of the site make it necessary or expedient to do so.
- (5) A person may, with the consent of the council granted after the council has considered the probable aesthetic appearance of the proposed structure in relation to

the foreshore, erect:

- (a) baths,
- (b) boat sheds,
- (c) dressing sheds,
- (d) wharves,
- (e) jetties,
- (f) structures below the surface of the ground,
- (g) swimming pools,
- (h) pergolas, or
- (i) boundary fences,

between a foreshore building line and the bay, river or creek in respect of which the line is fixed.

- (6) The council may grant consent to the erection of a building even though part of the building will be located between the foreshore building line and the bay, river or creek in respect of which the line is fixed, but only if the levels, depth or other exceptional features of the site make it necessary or expedient for the building to be so located, and the council has taken into consideration the probable aesthetic appearance of the proposed development in relation to the foreshore.

19A Development in foreshore areas

Before granting consent to the development of land within or adjoining land within Zone No 7, the council must be satisfied that:

- (a) it has appropriately considered the appearance of the development from both the waterway and adjacent foreshore areas,
- (b) the development will not cause any pollution or siltation of the waterway,
- (c) the development will not have any adverse effects on surrounding uses, marine habitats, wetland areas or flora and fauna habitats,
- (d) the development will not cause significant runoff, and will not result in inappropriate and excessive excavation or have an adverse effect on drainage patterns,
- (e) the development will not cause congestion of, or generate conflicts between, people using open space areas or the waterway (or both),
- (f) the development will not adversely affect the historic, scientific, cultural, social,

archaeological, architectural, natural or aesthetic significance of any heritage item, or any other building, work, area or place relating to the environmental heritage on or forming part of the land, or on or forming part of surrounding land, and

- (g) the development will not adversely affect the natural topography, any natural rock formations or significant vegetation located on or adjoining the land.

19B Foreshore scenic protection area

- (1) This clause applies to land within a foreshore scenic protection area, which is land shown edged heavy black with diagonal hatching on the map marked “foreshore scenic protection area”.
- (2) A dwelling house must not be erected on land within a foreshore scenic protection area, except with the consent of the council.
- (3) The minimum density requirement for the erection of more than one dwelling on land within a foreshore scenic protection area is 500 square metres per dwelling.
- (4) The council must not grant consent to the carrying out of any development on land to which this clause applies unless it has considered the following:
 - (a) the appearance of the proposed development from both the waterway and adjacent foreshore areas,
 - (b) the likely impact of the proposed development on views from adjoining properties and public places to the waterway and adjacent foreshore areas,
 - (c) the likely effect of the proposed development on the natural topography, natural rock formations, canopy vegetation, or any other significant vegetation,
 - (d) the design of the proposed development and selection of materials and their impact on the character of the locality and landscaped open space on the site.

20 Community use of school facilities or sites

- (1) Any educational establishment (including its site and facilities) may, with the consent of the council, be used for any community purpose (including meeting rooms, public halls, entertainment and recreation) whether for commercial purposes or not.
- (2) Nothing in this clause requires development consent to be granted for the carrying out of development on any land if that development could, but for this clause, be carried out on that land without development consent.

21 Roads

- (1) A person may, with the consent of the council, carry out development on any part of a public road, or any other land shown uncoloured on the map, for any purpose which is permissible on land adjoining that road.

- (2) Despite subclause (1), development of the land referred to in that subclause for the purposes of a public utility undertaking, or by the Roads and Traffic Authority for arterial road purposes, may be carried out without the consent of the council.
- (3) Where any land shown uncoloured on the map is not under the ownership of the council, the owner of that land may, by notice in writing, require the council to acquire the land.
- (4) On receipt of a notice referred to in subclause (3), the council shall acquire the land, unless the land might reasonably be required to be dedicated for public roads.
- (5) The council may grant consent required by subclause (1), in respect of and which it does not own, only after it has considered:
 - (a) the effects of the proposed development on the costs of acquisition,
 - (b) the imminence of acquisition, and
 - (c) the costs associated with the reinstatement of the land for the purpose for which it is to be acquired.

22 Excavation, filling of land

- (1) A person may excavate or fill any land to which this plan applies only with the consent of the council.
- (2) When considering an application for consent required by subclause (1), the council shall have particular regard to:
 - (a) the likely disruption of, or detrimental effect on, existing drainage patterns and soil stability in the locality, and
 - (b) the effect of the proposed works on the likely future use or redevelopment of the land.
- (3) Subclause (1) does not apply to any excavation or filling of land associated with minor landscaping or similar works.

23 Acquisition and development of land reserved for arterial roads

- (1) The owner of any land within Zone No 9 may, by notice in writing, request the Roads and Traffic Authority to acquire that land.
- (2) On receipt of a notice referred to in subclause (1), the Roads and Traffic Authority shall acquire the land in accordance with its current policies on acquisition at the time) unless the land might reasonably be required to be dedicated for public roads.
- (3) A person may, with the consent of the council and the concurrence of the Roads and Traffic Authority, carry out development on land within Zone No 9 for any purpose

which is permissible on land adjoining that land.

- (4) The Roads and Traffic Authority may grant concurrence required by subclause (3) only after it has made an assessment of:
 - (a) the effects of the proposed development on the costs of acquisition,
 - (b) the imminence of acquisition, and
 - (c) the costs associated with the reinstatement of the land or the purpose of which it is to be acquired.
- (5) The council may grant consent required by subclause (3) only after it has made an assessment of:
 - (a) the need for the proposed development on the land,
 - (b) the impact of the proposed development on the existing or likely future use of the land, and
 - (c) the need to retain the land for its existing or likely future use.

24 Suspension of certain laws etc

- (1) For the purpose of enabling development to be carried out in accordance with this plan or with a consent granted under the Act, the operation of any covenant, agreement or similar instrument imposing restrictions on development shall not apply to the development (to the extent necessary to serve that purpose).
- (2) Nothing in subclause (1) shall affect the rights or interests of any statutory authority under any registered instrument.
- (3) Pursuant to section 28 of the Act, before the making of this plan, the Governor approved of subclauses (1) and (2).

25 Temporary use of land

Notwithstanding any other provisions of this plan, the council may grant consent to development on land within any zone for any temporary purpose for a maximum period of 28 days, whether consecutive or not, in any one year provided the council is satisfied that:

- (a) the temporary purpose is necessary and reasonable for the economic use of the land pending its development in accordance with this plan,
- (b) the temporary purpose will not prejudice the carrying out of development on the land in accordance with this plan, and
- (c) appropriate arrangements are made for the removal of the use and any associated

structures at the end of the period specified in the development consent.

26 Development of land for certain additional purposes

Notwithstanding the provisions of this plan, a person may, with the consent of the council, carry out development on land referred to in Column 1 of Schedule 3 for a purpose specified in Column 2 of that Schedule subject to such conditions, if any, as are so specified.

26AA Development of No 1 Forest Road, Hurstville

Residential development of Lot 10 in DP 776811, known as No 1 Forest Road, Hurstville; shall be carried out in accordance with the following conditions:

- (a) the site shall be consolidated and developed with Lot 4 in DP 975238 known as No 126 Botany Street, Hurstville, and
- (b) these consolidated lands shall be restricted to a maximum residential density of 150m² per dwelling.

26A Classification and reclassification of public land as operational land

- (1) The public land described in Schedule 4 is classified, or reclassified, as operational land for the purposes of the *Local Government Act 1993*, subject to this clause.
- (2) The amendments made by the *Local Government Amendment (Community Land Management) Act 1998* to section 30 of the *Local Government Act 1993* do not apply to the land described in Part 1 of Schedule 4.
- (3) Land described in Part 2 of Schedule 4:
 - (a) to the extent (if any) that the land is a public reserve, does not cease to be a public reserve, and
 - (b) continues to be affected by any trusts, estates, interests, dedications, conditions, restrictions or covenants by which it was affected before its classification, or reclassification, as operational land.
- (4) Land described in Columns 1 and 2 of Part 3 of Schedule 4, to the extent (if any) that it is a public reserve, ceases to be a public reserve on the commencement of the relevant amending plan and, by the operation of that plan, is discharged from all trusts, estates, interests, dedications, conditions, restrictions and covenants affecting the land or any part of the land except those (if any) specified opposite the land in Column 3 of Part 3 of Schedule 4.
- (5) In this clause, ***the relevant amending plan***, in relation to land described in Part 3 of Schedule 4, means the local environmental plan cited at the end of the description of the land.

- (6) Before the relevant amending plan inserted the description of land into Part 3 of Schedule 4, the Governor approved of subclause (4) applying to the land.

Part 4 Heritage provisions

27 Development of heritage items

- (1) In respect of a building, work, relic, tree or place that is a heritage item, a person may:
- (a) demolish or alter the building or work,
 - (b) damage or move the relic, or excavate for the purpose of exposing the relic,
 - (c) damage or despoil the place or tree,
 - (d) erect a building on, or subdivide, land on which the building, work or relic is situated or that comprises the place, or
 - (e) damage any tree on land in which the building, work or relic is situated or on the land which comprises the place,
- only with the consent of the Council.
- (2) The council may grant consent to a development application required by subclause (1) only if it has taken into consideration the extent to which the carrying out of the proposed development would affect the heritage significance of the item and any stylistic or horticultural features of its setting.

28 Development in the vicinity of heritage items

The Council may grant consent to an application to carry out development on land in the vicinity of a heritage item only if it has made an assessment of the effect the carrying out of that development will have on the heritage significance of the item and its setting.

29 Heritage advertisements and notifications

- (1) Except as provided by subclause (2):
- (a) the following is identified as advertised development:
 - (i) the demolition of a building or work that is a heritage item, and
 - (ii) the use of a building or land referred to in clause 30 for a purpose which, but for that clause, would be prohibited under this plan, and
 - (b) where a person makes a development application to demolish a building or work that is a heritage item, the council must not grant consent to that application until 28 days after the council has notified the Secretary of the Heritage Council of its intention to do so.

- (2) Subclause (1) does not apply to the partial demolition of a heritage item if, in the opinion of the council, the partial demolition will be of a minor nature and will not adversely affect the heritage significance of the heritage item, in relation to the environmental heritage of the City of Hurstville.

30 Conservation incentives

- (1) Nothing in this plan prevents the council from granting consent to an application or consent to the use, for any purpose, of a building that is a heritage item or the land on which the building is erected if it is satisfied that:
- (a) the proposed use would have little or no adverse effect on the amenity of the City of Hurstville, and
 - (b) the conservation of the building depends on the council's granting that consent.
- (2) When considering an application for consent to erect a building on land on which there is situated a building which is a heritage item, the council may:
- (a) for the purposes of determining the floor space ratio, and
 - (b) for the purposes of determining the number of parking spaces to be provided on the site,

exclude from its calculation of the floor space of the buildings erected on the land the floor space of the item, but only if the council is satisfied that the conservation of the building depends on the council's granting the exclusion.

31 Submission of heritage assessment

The council may consent to the carrying out of development referred to in clause 27 or 28 only where the council has taken into consideration a statement:

- (a) demonstrating that an assessment has been made of the heritage significance of the building, work, relic, tree or land to which the application relates and the need for its conservation,
- (b) setting out any steps to be taken to mitigate any impact of the development on the heritage significance of that building, work, relic, tree or land, and
- (c) describing the significance of that building, work, relic, tree or land as part of the environmental heritage of the City of Hurstville.

Schedule 1 Amendment of other environmental planning instruments

(Clause 4 (4))

- 1** *State Environmental Planning Policy No 25—Residential Allotment Sizes and Dual Occupancy Subdivision* is amended by inserting after item 5 of Schedule 1 (Land to which this policy does not apply) the following item:

5AA Hurstville

Land to which *Hurstville Local Environmental Plan 1994* applies.

- 2** *Sydney Regional Environmental Plan No 12—Dual Occupancy* is amended by inserting in appropriate order in Schedule 1 (Land to which plan does not apply) the following item:

2B Land to which *Hurstville Local Environmental Plan 1994* applies.

Schedule 2 Heritage items
