- (7) If an election fails for any reason or a staff director vacates office before the end of the person's term of office, any person nominated by the Minister after consultation with representatives of the employees of the Port Corporation may be appointed as the staff director under section 20J (3) (a) of the *State Owned Corporations Act 1989* to hold office until an election of a staff director is held in the manner prescribed by this section. Such an appointment may also be made in the case of the first staff director after the establishment of the Port Corporation pending the first election.
- (8) The term for which a staff director is appointed (as specified in the director's instrument of appointment) is to be not less than 3 years. This subsection does not apply to an appointment referred to in subsection (7).
- (9) In this section, **employee** of a Port Corporation means any member of the staff of the Port Corporation, but (unless the regulations under this section otherwise provide) does not include a person who is employed on a temporary or casual basis.
