Local Government Act 1993 No 30

New South Wales

An Act to provide for local government in New South Wales.

Chapter 1 Preliminary

Introduction—

This Chapter contains provisions which are helpful in understanding the Act as a whole, as well as some machinery provisions.

1 Name of Act

This Act may be cited as the *Local Government Act 1993*.

2 Commencement

This Act commences on a day or days to be appointed by proclamation.

3 Definitions

Expressions used in this Act (or in a particular provision of this Act) which are defined in the dictionary at the end of this Act have the meanings set out in the dictionary.

Note—

Expressions used in this Act (or in a particular provision of this Act) which are defined in the *Interpretation Act 1987* have the meanings set out in that Act.

4 Does this Act bind the Crown?

This Act binds the Crown in right of New South Wales and, in so far as the legislative power of Parliament permits, the Crown in all its other capacities, except to the extent to which this Act otherwise provides.

Note—

Particular provisions relating to the Crown are found in the following sections:

- section 71—concerning the use of places of public entertainment
- sections 72-74—concerning determination of Crown applications for approvals
- section 111—concerning revocation or modification of approvals given to the Crown
- section 126—concerning the giving of orders affecting Crown lands, reserves under Part 5 of the *Crown Lands*

[Act 1989](#) and commons

- sections 555 and 561—concerning rates and charges on land owned by the Crown

5 To what parts of the State does this Act apply?

This Act applies to those parts of the State that are constituted as areas for the purposes of this Act, except as provided by or under this Act.

Note—

This Act does not apply to the whole of New South Wales. Some parts of the State do not come within a local government area. For example, parts of the Western Division of the State (to which the [Western Lands Act 1901](#) applies) and Lord Howe Island (to which the [Lord Howe Island Act 1953](#) applies) are not subject to this Act.

Some local government areas or parts may not be subject to this Act (or to all of its provisions) because of special statutory exceptions. Other exceptions may be provided by regulations made under this Act.

6 Notes in the text

Introductions to Chapters, notes, charts and diagrams are explanatory notes and do not form part of this Act. They are provided to assist understanding.

Chapter 2 What are the purposes of this Act?

Introduction—

This Chapter states the Parliament's purposes in enacting this Act.

Section 51 of the [Constitution Act 1902](#) provides:

- (1) There shall continue to be a system of local government for the State under which duly elected or duly appointed local government bodies are constituted with responsibilities for acting for the better government of those parts of the State that are from time to time subject to that system of local government.
- (2) The manner in which local government bodies are constituted and the nature and extent of their powers, authorities, duties and functions shall be as determined by or in accordance with laws of the Legislature.
- (3) The reference in subsection (2) to laws of the Legislature shall be read as a reference to laws that have been enacted by the Legislature, whether before or after the commencement of this section, and that are for the time being in force.
- (4) For the purposes of this section, the Western Lands Commissioner, the Lord Howe Island Board, and an administrator with all or any of the functions of a local government body, shall be deemed to be local government bodies.

The Chapter also aims to give an overview of the major elements in the system of local government in this State. It contains a diagram showing the way in which these elements relate to one another.

7 What are the purposes of this Act?

The purposes of this Act are as follows:

- (a) to provide the legal framework for an effective, efficient, environmentally responsible and open system of local government in New South Wales,
- (b) to regulate the relationships between the people and bodies comprising the system of local government in New South Wales,
- (c) to encourage and assist the effective participation of local communities in the affairs of local government,
- (d) to give councils:
 - the ability to provide goods, services and facilities, and to carry out activities, appropriate to the current and future needs of local communities and of the wider public
 - the responsibility for administering some regulatory systems under this Act
 - a role in the management, improvement and development of the resources of their areas,
- (e) to require councils, councillors and council employees to have regard to the principles of ecologically sustainable development in carrying out their responsibilities.

The system of local government in New South Wales

Chapter 3 What is a council's charter?

Introduction—

The charter contained in this Chapter comprises a set of principles that are to guide a council in the carrying out of its functions. A council may add other principles not inconsistent with those in the Chapter.

8 The council's charter

(1) A council has the following charter:

- to provide directly or on behalf of other levels of government, after due consultation, adequate, equitable and appropriate services and facilities for the community and to ensure that those services and facilities are managed efficiently and effectively

- to exercise community leadership
- to exercise its functions in a manner that is consistent with and actively promotes the principles of multiculturalism
- to promote and to provide and plan for the needs of children
- to properly manage, develop, protect, restore, enhance and conserve the environment of the area for which it is responsible, in a manner that is consistent with and promotes the principles of ecologically sustainable development
- to have regard to the long term and cumulative effects of its decisions
- to bear in mind that it is the custodian and trustee of public assets and to effectively account for and manage the assets for which it is responsible
- to facilitate the involvement of councillors, members of the public, users of facilities and services and council staff in the development, improvement and co-ordination of local government
- to raise funds for local purposes by the fair imposition of rates, charges and fees, by income earned from investments and, when appropriate, by borrowings and grants
- to keep the local community and the State government (and through it, the wider community) informed about its activities
- to ensure that, in the exercise of its regulatory functions, it acts consistently and without bias, particularly where an activity of the council is affected
- to be a responsible employer.

(2) A council, in the exercise of its functions, must pursue its charter but nothing in the charter or this section gives rise to, or can be taken into account in, any civil cause of action.

Chapter 4 How can the community influence what a council does?

Introduction—

Under this Chapter, meetings of the council and its committees are required, as a general rule, to be open to the public.

The Chapter provides for public access to information held by councils.

Apart from the provisions of this Chapter, members of the public may influence council decisions concerning matters such as the levels of rates and charges, the terms of management plans, the granting of development consents, etc (which are dealt with in later Chapters) by making submissions, including comments on or objections to proposals relating to those matters.

The Chapter also enables the council to ascertain the views of the local community on various matters through 2 types of polls which may be conducted in the area. A summary of these polls is contained in Part 3 of this Chapter.

Part 1 Open meetings

9 Public notice of meetings

- (1) A council must give notice to the public of the times and places of its meetings and meetings of those of its committees of which all the members are councillors.
- (2) A council and each such committee must have available for the public at its offices and at each meeting copies (for inspection or taking away by any person) of the agenda and the associated business papers (such as correspondence and reports) for the meeting.
- (2A) In the case of a meeting whose agenda includes the receipt of information or discussion of other matters that, in the opinion of the general manager, is likely to take place when the meeting is closed to the public:
 - (a) the agenda for the meeting must indicate that the relevant item of business is of such a nature (but must not give details of that item), and
 - (b) the requirements of subsection (2) with respect to the availability of business papers do not apply to the business papers for that item of business.
- (3) The copies are to be available to the public as nearly as possible to the time they are available to councillors.
- (4) The copies are to be available free of charge.
- (5) A notice given under this section or a copy of an agenda or of a business paper made available under this section may in addition be given or made available in electronic form.

10 Who is entitled to attend meetings?

- (1) Except as provided by this Part:
 - (a) everyone is entitled to attend a meeting of the council and those of its committees of which all the members are councillors, and
 - (b) a council must ensure that all meetings of the council and of such committees are open to the public.
- (2) However, a person (whether a councillor or another person) is not entitled to be present at a meeting of the council or of such a committee if expelled from the meeting:
 - (a) by a resolution of the meeting, or
 - (b) by the person presiding at the meeting if the council has, by resolution, authorised the person presiding to exercise the power of expulsion.

- (3) A person may be expelled from a meeting only on the grounds specified in, or in the circumstances prescribed by, the regulations.

10A Which parts of a meeting can be closed to the public?

- (1) A council, or a committee of the council of which all the members are councillors, may close to the public so much of its meeting as comprises:
- (a) the discussion of any of the matters listed in subclause (2), or
 - (b) the receipt or discussion of any of the information so listed.
- (2) The matters and information are the following:
- (a) personnel matters concerning particular individuals (other than councillors),
 - (b) the personal hardship of any resident or ratepayer,
 - (c) information that would, if disclosed, confer a commercial advantage on a person with whom the council is conducting (or proposes to conduct) business,
 - (d) commercial information of a confidential nature that would, if disclosed:
 - (i) prejudice the commercial position of the person who supplied it, or
 - (ii) confer a commercial advantage on a competitor of the council, or
 - (iii) reveal a trade secret,
 - (e) information that would, if disclosed, prejudice the maintenance of law,
 - (f) matters affecting the security of the council, councillors, council staff or council property,
 - (g) advice concerning litigation, or advice that would otherwise be privileged from production in legal proceedings on the ground of legal professional privilege,
 - (h) information concerning the nature and location of a place or an item of Aboriginal significance on community land.
- (3) A council, or a committee of the council of which all the members are councillors, may also close to the public so much of its meeting as comprises a motion to close another part of the meeting to the public.
- (4) A council, or a committee of a council, may allow members of the public to make representations to or at a meeting, before any part of the meeting is closed to the public, as to whether that part of the meeting should be closed.
- (5), (6) (Repealed)

10B Further limitations relating to closure of parts of meetings to public

- (1) A meeting is not to remain closed during the discussion of anything referred to in section 10A (2):
 - (a) except for so much of the discussion as is necessary to preserve the relevant confidentiality, privilege or security, and
 - (b) if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret—unless the council or committee concerned is satisfied that discussion of the matter in an open meeting would, on balance, be contrary to the public interest.
- (2) A meeting is not to be closed during the receipt and consideration of information or advice referred to in section 10A (2) (g) unless the advice concerns legal matters that:
 - (a) are substantial issues relating to a matter in which the council or committee is involved, and
 - (b) are clearly identified in the advice, and
 - (c) are fully discussed in that advice.
- (3) If a meeting is closed during the discussion of a motion to close another part of the meeting to the public (as referred to in section 10A (3)), the consideration of the motion must not include any consideration of the matter or information to be discussed in that other part of the meeting (other than consideration of whether the matter concerned is a matter referred to in section 10A (2)).
- (4) For the purpose of determining whether the discussion of a matter in an open meeting would be contrary to the public interest, it is irrelevant that:
 - (a) a person may misinterpret or misunderstand the discussion, or
 - (b) the discussion of the matter may:
 - (i) cause embarrassment to the council or committee concerned, or to councillors or to employees of the council, or
 - (ii) cause a loss of confidence in the council or committee.

Note—

Subsection (4) is in similar terms to section 59A (Public interest) of the [Freedom of Information Act 1989](#).

- (5) In deciding whether part of a meeting is to be closed to the public, the council or committee concerned must have regard to any relevant guidelines issued by the Director-General.

10C Notice of likelihood of closure not required in urgent cases

Part of a meeting of a council, or of a committee of the council of which all the members are councillors, may be closed to the public while the council or committee considers a matter that has not been identified in the agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if:

- (a) it becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A (2), and
- (b) the council or committee, after considering any representations made under section 10A (4), resolves that further discussion of the matter:
 - (i) should not be deferred (because of the urgency of the matter), and
 - (ii) should take place in a part of the meeting that is closed to the public.

10D Grounds for closing part of meeting to be specified

- (1) The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the minutes of the meeting.
- (2) The grounds must specify the following:
 - (a) the relevant provision of section 10A (2),
 - (b) the matter that is to be discussed during the closed part of the meeting,
 - (c) the reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which discussion of the matter in an open meeting would be, on balance, contrary to the public interest.

10E (Repealed)

11 Public access to correspondence and reports

- (1) A council and a committee of which all the members are councillors must, during or at the close of a meeting, or during the business day following the meeting, give reasonable access to any person to inspect correspondence and reports laid on the table at, or submitted to, the meeting.
- (2) This section does not apply if the correspondence or reports:
 - (a) relate to a matter that was received or discussed, or
 - (b) were laid on the table at, or submitted to, the meeting,when the meeting was closed to the public.

- (3) This section does not apply if the council or committee resolves at the meeting, when open to the public, that the correspondence or reports, because they relate to a matter specified in section 10A (2), are to be treated as confidential.

Part 2 Access to information

12 What information is publicly available?

- (1) Everyone is entitled to inspect the current version of the following documents free of charge:
- the council's code of conduct
 - the council's code of meeting practice
 - annual report
 - annual financial reports
 - auditor's report
 - management plan
 - EEO management plan
 - the council's policy concerning the payment of expenses incurred by, and the provision of facilities to, councillors
 - the council's land register
 - register of investments
 - returns of the interests of councillors, designated persons and delegates
 - returns as to candidates' campaign donations
 - agendas and business papers for council and committee meetings (but not including business papers for matters considered when part of a meeting is closed to the public)
 - minutes of council and committee meetings, but restricted (in the case of any part of a meeting that is closed to the public), to the resolutions and recommendations of the meeting
 - any codes referred to in this Act
 - register of delegations
 - annual reports of bodies exercising delegated council functions

- applications under Part 1 of Chapter 7 for approval to erect a building, and associated documents
- development applications (within the meaning of the *Environmental Planning and Assessment Act 1979*) and associated documents
- local policies adopted by the council concerning approvals and orders
- records of approvals granted, any variation from local policies with reasons for the variation, and decisions made on appeals concerning approvals
- records of building certificates under the *Environmental Planning and Assessment Act 1979*
- plans of land proposed to be compulsorily acquired by the council
- leases and licences for use of public land classified as community land
- plans of management for community land
- environmental planning instruments, development control plans and plans made under section 94AB of the *Environmental Planning and Assessment Act 1979* applying to land within the council's area
- the statement of affairs, the summary of affairs and the register of policy documents required under the *Freedom of Information Act 1989*
- Departmental representatives' reports presented at a meeting of the council in accordance with section 433
- the register of graffiti removal work kept in accordance with section 67C.

(1A) Despite subsection (1) and the other provisions of this Act, a person does not have the right to inspect so much of a development application, or an application under Part 1 of Chapter 7 for approval to erect a building, as consists of:

- (a) the plans and specifications for any residential parts of a proposed building, other than plans that merely show its height and its external configuration in relation to the site on which it is proposed to be erected, or
- (b) commercial information, if the information would be likely:
 - (i) to prejudice the commercial position of the person who supplied it, or
 - (ii) to reveal a trade secret.

(2) Everyone is entitled to inspect free of charge:

- (a) a document that was replaced by a current document referred to in subsection (1), and

- (b) if a document referred to in subsection (1) is produced annually—the corresponding document produced for the previous year.
- (3) The documents may be inspected at the office of the council during ordinary office hours.
- (4) (Repealed)
- (5) The council must allow inspection of versions of the documents other than the current and immediately preceding versions if those other versions are reasonably accessible.
- (6) The council must allow inspection of its other documents free of charge unless, in the case of a particular document, it is satisfied that allowing inspection of the document would, on balance, be contrary to the public interest.
- (7) However, subsection (6) does not apply to the part (if any) of a document that deals with any of the following:
 - (a) personnel matters concerning particular individuals (other than councillors),
 - (b) the personal hardship of any resident or ratepayer,
 - (c) trade secrets,
 - (d) a matter the disclosure of which would:
 - (i) constitute an offence against an Act, or
 - (ii) found an action for breach of confidence,
 - (e) that part of a draft or adopted plan of management that is the subject of a resolution of confidentiality under section 36DA.
- (8) For the purpose of determining whether allowing inspection of a document would be contrary to the public interest, it is irrelevant that the inspection of the document may:
 - (a) cause embarrassment to the council or to councillors or to employees of the council, or
 - (b) cause a loss of confidence in the council, or
 - (c) cause a person to misinterpret or misunderstand the information contained in the document because of an omission from the document or for any other reason.

Note—

Subsection (8) is in similar terms to section 59A (Public interest) of the [Freedom of Information Act 1989](#).

Note—

A council could also make copies of the documents available at other places, for example, at libraries.

A council may have other information available for inspection free of charge: for example, the rate record, the valuation list and the register of dog registrations.

12A Restriction of access to information

- (1) If the general manager or any other member of the staff of a council decides that access to a document or other information held by the council should not be given to the public or a councillor, the person concerned must provide the council with written reasons for the restriction.
- (2) The reasons must be publicly available.
- (3) The council must review any such restriction no later than 3 months after it is imposed.
- (4) The council must, at the request of any person made after the expiry of a period of 3 months after that review (or of a period of 3 months after the most recent of any subsequent reviews), carry out a further review of the restriction.
- (5) The council must remove the restriction if, at any time:
 - (a) it finds that there are no grounds for the restriction, or
 - (b) access to the relevant document or other information is obtained under the *Freedom of Information Act 1989*.
- (6) A review is not required under this section if the restriction concerned has been removed.

12B Copies of documents

- (1) A right under this Act to inspect a document includes the right to take away a copy of the document.
- (2) Accordingly, a council must have a copy of all relevant documents available for copying by, or on behalf of, any person who asks for one.
- (3) The copies may be taken away either free of charge or on payment of reasonable copying charges, as the council chooses (except as otherwise specifically provided by or under this Act).
- (4) This section does not apply to the following:
 - (a) the residential roll of electors referred to in section 302 (1),
 - (b) the information sheets of candidates for election referred to in section 308,
 - (c) building certificates.

Note—

Section 174 (3) provides that a person may obtain a copy of a building certificate from the council's record with the consent of the owner of the building (and on payment of the approved fee).

13 Retention and preservation of records

The council must retain, preserve and destroy its records in accordance with any approved standards.

Part 3 Expressions of community opinion

Division 1 Council polls

14 Council polls

A council may take a poll of electors for its information and guidance on any matter.

Division 2 Constitutional referendums

15 What is a constitutional referendum?

A constitutional referendum is a poll initiated by a council in order to give effect to a matter referred to in section 16.

16 What matters must be dealt with at a constitutional referendum?

A council may not do any of the following unless approval to do so has been given at a constitutional referendum:

- (a) divide its area into wards or abolish all wards in its area,
- (b) change the basis on which the mayor attains office (that is, by election by the councillors or by election by the electors),
- (c) increase or decrease the number of councillors in accordance with the limits under section 224,
- (d) change the method of ordinary election of councillors for an area divided into wards.
- (e) (Repealed)

17 What is the effect of a constitutional referendum?

- (1) The decision made at a constitutional referendum binds the council until changed by a subsequent constitutional referendum.
- (2) However, such a decision does not apply to a by-election held after the constitutional referendum and before the next ordinary election.

Division 3 General provisions concerning a council poll or

constitutional referendum

18 What provisions apply to the conduct of a council poll or constitutional referendum?

Part 1 and Part 6 (except Divisions 3, 4 and 5) of Chapter 10 (How are people elected to civic office?) apply to a council poll, and Part 1 and Part 6 (except Divisions 3 and 5) of that Chapter apply to a constitutional referendum, with such modifications as may be necessary, in the same way as they apply to an election.

Note—

Part 1 of Chapter 10 identifies the people who are entitled to vote in council elections, and Part 6 governs the conduct of those elections.

Division 3 of Part 6 of that Chapter deals with nominations for election, Division 4 with failure to vote and Division 5 with miscellaneous matters such as irregularities of form or procedure in elections, overdue elections and those declared void.

19 Day for taking council poll or constitutional referendum

A council poll or constitutional referendum may be taken on any Saturday, including the Saturday of an ordinary election.

20 When is a question at a council poll or constitutional referendum carried?

The question at a council poll or constitutional referendum is carried if it is supported by a majority of the votes cast.

Chapter 5 What are a council's functions?

Introduction—

This Chapter specifies a council's functions. In doing so, it recognises that all functions of a council come from statute, either from this Act or another Act.

21 Functions under this Act

A council has the functions conferred or imposed on it by or under this Act.

Note—

This Act classifies certain of a council's functions as service, that is, non-regulatory (Chapter 6), regulatory (Chapter 7) or ancillary (Chapter 8). Ancillary functions are those functions that assist the carrying out of a council's service and regulatory functions.

A council also has revenue functions (Chapter 15), administrative functions (Chapters 11, 12 and 13) and functions relating to the enforcement of this Act (Chapters 16 and 17).

22 Other functions

A council has the functions conferred or imposed on it by or under any other Act or law.

Note—

While the main functions of councils are provided for under this Act, councils also have functions under other Acts. An important general provision is contained in section 50 of the [Interpretation Act 1987](#) which provides, in part:

(1) A statutory corporation:

- (a) has perpetual succession,
- (b) shall have a seal,
- (c) may take proceedings and be proceeded against in its corporate name,
- (d) may, for the purpose of enabling it to exercise its functions, purchase, exchange, take on lease, hold, dispose of and otherwise deal with property, and
- (e) may do and suffer all other things that bodies corporate may, by law, do and suffer and that are necessary for, or incidental to, the exercise of its functions ...

(4) This section applies to a statutory corporation in addition to, and without limiting the effect of, any provision of the Act by or under which the corporation is constituted.

Some other Acts and some of the functions they confer include:

Community Land Development Act 1989	planning functions as consent authority
Companion Animals Act 1998	companion animal registration and control
Conveyancing Act 1919	placing covenants on council land
Environmental Planning and Assessment Act 1979	environmental planning

<i>Impounding Act 1993</i>	impounding of animals and articles
<i>Library Act 1939</i>	library services
<i>Protection of the Environment Operations Act 1997</i>	pollution control
<i>Public Health Act 1991</i>	inspection of systems for purposes of microbial control
<i>Recreation Vehicles Act 1983</i>	restricting use of recreation vehicles

Chapter 6 What are the service functions of councils?

Introduction—

This Chapter confers on councils their service or non-regulatory functions. Examples of these functions include the provision,

management or operation of:

- community services and facilities
- public health services and facilities
- cultural, educational and information services and facilities
- sporting, recreational and entertainment services and facilities
- environment conservation, protection and improvement services and facilities
- waste removal, treatment and disposal services and facilities
- pest eradication and control services and facilities
- public transport services and facilities
- energy production, supply and conservation
- water, sewerage and drainage works and facilities
- storm water drainage and flood prevention, protection and mitigation services and facilities
- fire prevention, protection and mitigation services and facilities
- land and property development
- housing
- industry development and assistance
- tourism development and assistance.

This list of examples is not exhaustive.

These functions are conferred in broad terms in Part 1. Particular provisions are made for the management of public land in Part 2. Part 3 imposes some restraints and qualifications on the exercise of the service functions.

A council may have other service functions under other Acts. For example, a council has functions relating to the provision and management of roads under the [Roads Act 1993](#).

Part 1 General

24 Provision of goods, services and facilities and carrying out of activities

A council may provide goods, services and facilities, and carry out activities, appropriate to the current and future needs within its local community and of the wider public, subject to this Act, the regulations and any other law.

Part 2 Public land

Note—

This Part requires all land vested in a council (except a road or land to which the [Crown Lands Act 1989](#) applies) to be classified as either “community” or “operational”.

The classification will generally be achieved by a local environmental plan but may, in some circumstances, be achieved by resolution of the council (see sections 31, 32 and 33).

The purpose of classification is to identify clearly that land which should be kept for use by the general public (community) and that land which need not (operational). The major consequence of classification is that it determines the ease or difficulty with which land may be alienated by sale, leasing or some other means.

Community land must not be sold (except in the limited circumstances referred to in section 45 (4)). Community land must not be leased or licensed for more than 21 years and may only be leased or licensed for more than 5 years if public notice of the proposed lease or licence is given and, in the event that an objection is made to the proposed lease or licence, the Minister's consent is obtained. No such restrictions apply to operational land.

Classification or reclassification of land does not affect any estate or interest a council has in the land.

Community land would ordinarily comprise land such as a public park. Operational land would ordinarily comprise land held as a temporary asset or as an investment, land which facilitates the carrying out by a council of its functions or land which may not be open to the general public, such as a works depot or a council garage.

The use and management of community land is to be regulated by a plan of management. Until a plan of management is adopted, the nature and use of the land must not change.

Division 1 Classification and reclassification of public land

25 All public land must be classified

All public land must be classified in accordance with this Part.

26 What are the classifications?

There are 2 classifications for public land—"community" and "operational".

Note—

On the commencement of this Part, certain land that is vested in or under the control of a council is taken to have been classified as community land by the operation of clause 6 of Schedule 7.

27 How are the classifications made?

- (1) The classification or reclassification of public land may be made by a local environmental plan.
- (2) The classification or reclassification of public land may also be made by a resolution of the council under section 31, 32 or 33.

28 Preparation of draft local environmental plans

- (1) A decision under section 54 of the *Environmental Planning and Assessment Act 1979* to prepare a draft local environmental plan to classify or reclassify public land that is not owned by the council must not be made unless the council has obtained the consent of the owner to the preparation of the plan.
- (2) A local environmental plan that classifies or reclassifies public land may apply to one or more areas of public land.

29 Public hearing into reclassification

- (1) A council must arrange a public hearing under section 68 of the *Environmental Planning and Assessment Act 1979* in respect of a proposal in a draft local

environmental plan to reclassify community land as operational land as if it had received and decided to deal with a submission as referred to in that section that the land be so reclassified.

- (2) A council must, before making any resolution under section 32, arrange a public hearing in respect of any proposal to reclassify land as operational land by such a resolution.

30 Reclassification of community land as operational

- (1) A local environmental plan that reclassifies community land as operational land may make provision to the effect that, on commencement of the plan, the land, if it is a public reserve, ceases to be a public reserve, and that the land is by operation of the plan discharged from any trusts, estates, interests, dedications, conditions, restrictions and covenants affecting the land or any part of the land, except for:
- (a) any reservations that except land out of a Crown grant relating to the land, and
 - (b) reservations of minerals (within the meaning of the *Crown Lands Act 1989*).
- (2) A provision referred to in subsection (1) has effect according to its tenor, but only if the Governor has, before the making of the local environmental plan, approved of the provision.

31 Classification of land acquired after 1 July 1993

- (1) This section applies to land that is acquired by a council after the commencement of this Division, other than:
- (a) land to which the *Crown Lands Act 1989* applied before the acquisition and continues to apply after the acquisition, and
 - (b) land that is acquired for the purpose of a road.
- (2) Before a council acquires land, or within 3 months after it acquires land, a council may resolve (in accordance with this Part) that the land be classified as community land or operational land.
- (2A) Any land acquired by a council that is not classified under subsection (2) is, at the end of the period of 3 months referred to in that subsection, taken to have been classified under a local environmental plan as community land.
- (2B) While the land remains unclassified:
- (a) the land may not be used for any purpose other than that for which it was being used immediately before it was acquired, and
 - (b) the council may not dispose of any interest in the land.

- (3) A council must not resolve under this section that land be classified as operational land if:
- (a) the land is classified as community land immediately before its acquisition, or
 - (b) the resolution would be inconsistent with any other Act, the terms of any trust applying to the land or the terms of any instrument executed by the donor or transferor of the land.

32 Reclassification of land dedicated under sec 94 of the [Environmental Planning and Assessment Act 1979](#)

- (1) A council may resolve that land dedicated in accordance with a condition imposed under section 94 of the [Environmental Planning and Assessment Act 1979](#) is to be reclassified as operational land.
- (2) A council may make such a resolution only if it is satisfied that the land has been found to be unsuitable for the provision, extension or augmentation of public amenities and public services because of any one or more of the following:
- the size of the land
 - the shape of the land
 - the topography of the land
 - the location of the land
 - the difficulty of providing public access to the land.
- (3) The council must specify in the resolution the grounds on which it is satisfied the land is unsuitable.
- (4) Before making the resolution, the council must give public notice of the resolution. The public notice must specify a period of not less than 28 days during which submissions may be made to the council.
- (5) The net proceeds of sale by a council of any land dedicated in accordance with a condition imposed under section 94 of the [Environmental Planning and Assessment Act 1979](#) must be dealt with under that section as if those net proceeds were a monetary contribution paid instead of the dedication.

33 Reclassification of operational land as community land

- (1) A council may resolve that public land classified as operational land is to be reclassified as community land.
- (2) (Repealed)

34 Public notice to be given of classification or reclassification by council resolution

- (1) A council must give public notice of a proposed resolution to classify or reclassify public land.
- (2) The public notice must include the terms of the proposed resolution and a description of the public land concerned.
- (3) The public notice must specify a period of not less than 28 days during which submissions may be made to the council.
- (4) (Repealed)

- (1) A plan of management is to specify, in relation to the community land to which it applies, any purposes for which a lease, licence or other estate may be granted only by tender in accordance with Division 1 of Part 3.
- (2) Nothing in this section precludes a council from applying a tender process in respect of the grant of any particular lease, licence or estate.
- (3) A lease or licence for a term exceeding 5 years may be granted only by tender in accordance with Division 1 of Part 3, unless it is granted to a non-profit organisation.

47 Leases, licences and other estates in respect of community land—terms greater than 5 years

- (9) The Minister's consent is conclusive evidence that the council has complied with subsections (1), (2) and (6).
- (10) For the purposes of this section, any provision made by a lease or licence, or by an instrument granting any other estate, in respect of community land, according to which the council:
 - (a) would suffer a disadvantage or penalty if the same or a similar lease, licence or estate were not to be granted, for a further term, after the expiry of the current lease, licence or other estate, or

49 Public reserves and drainage reserves provided for in subdivisions

- (1) On the registration by the Registrar-General of a plan on which land is marked with the words “public reserve”, the land is dedicated as a public reserve and vests in the council for an estate in fee simple.

- (2) If the land so dedicated is under the [Real Property Act 1900](#), the Registrar-General, on registration of the plan, must create a folio of the Register under that Act for the estate of the council in the land and record in the folio, by reference to this section or otherwise, that the land is dedicated as a public reserve.

Chapter 7 What are the regulatory functions of councils?

Introduction—

The major regulatory functions of councils are found in this Chapter. It lists the activities that are regulated and it sets out the means of their regulation.

A council, in relation to a range of activities within its area, exercises regulatory functions of 2 main kinds.

First—various activities can only be carried out if the council gives its **approval** (for example, the operation of a caravan park). Some of these approvals may also be granted as part of the development consent process under Part 4 of the [Environmental Planning and Assessment Act 1979](#).

Second—a council can **order** a person to do, or to stop doing, something (for example, a council can order a person to keep fewer animals on specified premises).

Failure to obtain or to comply with an approval and failure to comply with an order are made offences under sections 626, 627 and 628.

A council is not given power to regulate activities by other means. For example, the Chapter does not confer power to require a person to hold a periodic licence.

In exercising its regulatory functions, the council must observe any relevant statutory criteria and any other criteria contained in a local policy it may have adopted after public consultation.

Part 1 Approvals

Division 1 What activities require approval?

68 What activities, generally, require the approval of the council?

- (1) A person may carry out an activity specified in the following Table only with the prior approval of the council, except in so far as this Act, the regulations or a local policy adopted under Part 3 allows the activity to be carried out without that approval.
- (2) This section does not apply to the carrying out of an activity specified in Part B of the following Table:
 - (a) on land within the area of operations of the Sydney Water Board under the [Sydney Water Act 1994](#), or
 - (b) on land within the area of operations of the Hunter Water Board under the [Hunter Water Act 1991](#).

Note—

A person who fails to obtain an approval or who carries out an activity otherwise than in accordance with an approval is guilty of an offence—see secs 626 and 627.

- (1) An applicant, at any time before the application is determined, may make a minor amendment to the application and may amend any matter accompanying the application.
- (2) The making of a minor amendment does not require the application to be further notified to anyone.
- (3) For the purposes of section 105, the application is taken not to have been made until the amendment is made.

88 Withdrawal of applications

- (1) An applicant may withdraw an application at any time before its determination by the council by giving the council notice to that effect signed by the applicant.
- (2) An application withdrawn under this section is taken for the purposes of this Act never to have been made.
- (3) However, the question whether the application fee should be refunded is at the absolute discretion of the council.

89 Matters for consideration

- (1) In determining an application, the council:
 - (a) must not approve the application if the activity or the carrying out of the activity

for which approval is sought would not comply with the requirements of any relevant regulation, and

- (b) must take into consideration any criteria in a local policy adopted under Part 3 by the council which are relevant to the subject-matter of the application, and
- (c) must take into consideration the principles of ecologically sustainable development.

(2) If no requirements are prescribed for the purposes of subsection (1) (a), and no criteria are adopted for the purposes of subsection (1) (b), the council in determining an application:

- (a) is to take into consideration, in addition to the principles of ecologically sustainable development, all matters relevant to the application, and
- (b) is to seek to give effect to the applicant's objectives to the extent to which they are compatible with the public interest.

(3) Without limiting subsection (2), in considering the public interest the matters the council is to consider include:

- (a) protection of the environment, and
- (b) protection of public health, safety and convenience, and
- (c) any items of cultural and heritage significance which might be affected.

90 Concurrence

- (1) The council must not grant an approval in relation to a matter for which this Act or a regulation requires the council to obtain the concurrence of some other person or authority unless the council has obtained the concurrence of the person or authority.
- (2) The person or authority may give the council notice that the concurrence may be assumed with such qualifications or conditions as are specified in the notice.
- (3) The person or authority may amend its notice by a further notice.
- (4) An approval given in accordance with a notice in force under this section is as valid as it would be if the council had obtained the concurrence of the person or authority concerned.
- (5) Concurrence is to be assumed if at least 40 days have passed since concurrence was sought and the person or authority has not, within that period, expressly refused concurrence.

91 Giving effect to concurrence

- (1) In granting an approval for which the concurrence of a person or authority has been given or may be assumed, the council must grant the approval subject to any conditions of the concurrence (whether the concurrence is given under section 90 (1) or (2)).
- (2) This section does not affect the council's right to impose conditions under this Division not inconsistent with the conditions referred to in subsection (1) or to refuse approval.

92 Approval where an accreditation is in force

A council must not refuse to give its approval to an activity on the ground that any component, process, design or temporary structure relating to the activity is unsatisfactory if the component, process, design or temporary structure is accredited under Division 5.

93 Certification by qualified persons

- (1) A council or the Minister may be satisfied that:
 - (a) a particular design, material, process or product complies with a criterion for approval, or
 - (b) an activity has been carried out in compliance with an approval,by relying on a certificate to that effect from an appropriately qualified person.
- (2) A certificate relating to a particular design, material, process or product must specify the particular criterion with which the design, material, process or product complies.
- (3) The council or the Minister must rely on such a certificate if it is from an appropriately qualified person and is furnished by a public authority.

Note—

Sections 92 and 93 specify circumstances in which a council does not have to form an independent judgment about some aspect of an activity for which approval is being sought, but may rely on an accreditation or certification of a competent person.

A component, process or design relating to an activity may be accredited in accordance with the procedure set out in Division 5 of this Part.

Section 732 exempts a council, councillor or employee of a council from liability that would otherwise be incurred as a consequence of relying on an accreditation or certification.

94 Determination of application

- (1) The council may determine an application:
 - (a) by granting approval to the application, either unconditionally or subject to

conditions, or

(b) by refusing approval.

(2) This section does not affect section 72.

95 “Deferred commencement” approval

- (1) An approval may be granted subject to a condition that the approval is not to operate until the applicant satisfies the council as to any matter specified in the condition. Nothing in this Act prevents a person from doing such things as may be necessary to comply with the condition.
- (2) Such an approval must be clearly identified as a “deferred commencement” approval (whether by the use of that expression or by reference to this section or otherwise).
- (3) A “deferred commencement” approval must clearly distinguish conditions concerning matters as to which the council must be satisfied before the approval can operate from any other conditions.
- (4) A council may specify the period in which the applicant must produce evidence to the council sufficient to enable it to be satisfied as to those matters.
- (5) The applicant may produce evidence to the council sufficient to enable it to be satisfied as to those matters and, if the council has specified a period for the purpose, the evidence must be produced within that period.
- (6) If the applicant produces evidence in accordance with this section, the council must notify the applicant whether or not it is satisfied as to the relevant matters. If the council has not notified the applicant within the period of 28 days after the applicant’s evidence is produced to it, the council is, for the purposes only of section 177, taken to have notified the applicant that it is not satisfied as to those matters on the date on which that period expires.

96 Staged approval

- (1) An approval may be granted:
 - (a) for the activity or one or more of the activities for which the approval is sought, or
 - (b) for such an activity, except for a specified part or aspect of the activity, or
 - (c) for a specified part or aspect of such an activity.
- (2) Such an approval may be granted subject to a condition that the activity or the specified part or aspect of the activity, or any thing associated with the activity or the carrying out of the activity, must be the subject of:
 - (a) a further approval, or

- (b) a consent, approval or permission under another Act,
- or both.

97 Conditions concerning security

- (1) An approval may be granted subject to a condition that the applicant provides to the council security for the payment of the cost of either or both of the following:
 - (a) making good any damage that may be caused to any council property as a consequence of doing or not doing any thing to which the approval relates,
 - (b) completing any works (other than works prescribed by the regulations) that may be required in connection with the approval.

Note—

Works the completion of which may be required in connection with an approval could include footpaths, kerbing and guttering, road works, trunk drainage and environmental controls.

- (2) The security is to be for such reasonable amount as is determined by the council and specified in the condition.
- (3) The security may be provided, at the applicant's choice, by:
 - (a) a deposit with the council, or
 - (b) a guarantee satisfactory to the council.
- (4) Security provided by way of deposit may be paid out to meet any cost referred to in subsection (1).
- (5) A security deposit (or part) if repaid to the person who provided it is to be repaid with any interest accrued on the deposit (or part) as a consequence of its investment.

98 Other conditions

- (1) An approval may be granted subject to a condition that a specified aspect of the activity that is ancillary to the core purpose of the activity is to be carried out to the satisfaction of the council or a person specified by the council.
- (2) An approval is subject to any condition prescribed by the regulations as a condition of the approval.

99 Notice to applicant of determination of application

- (1) The council (or the Minister in the case of a determination by the Minister under section 71 or 72) must give notice of the determination of an application to the applicant as soon as practicable after the determination.
- (2) The date of the determination and the date from which the approval operates (if

approval is granted) must be endorsed on the notice.

- (3) In the case of an approval granted subject to a condition that the approval is not to operate until the applicant satisfies the council as to any matter specified in the condition (a “deferred commencement” approval):
 - (a) the date from which the approval operates must not be endorsed on the notice, and
 - (b) if the applicant satisfies the council as to the matter, the council must, as soon as practicable after being satisfied, give notice to the applicant of the date from which the approval operates.
- (4) If the determination is made by the granting of approval subject to conditions or by refusing approval, the notice must notify the applicant:
 - (a) of the council’s (or the Minister’s) reasons for the imposition of each condition or for refusing approval, and
 - (b) of the provisions of this Act conferring a right of review of the determination (if relevant) and, in the case of a determination by the council, a right of appeal against the determination.

100 Review of determination

- (1) An applicant may request the council to review a determination of the applicant’s application.
- (2) The request for a review must be made within 28 days after the date of the determination.
- (3) An approved fee must, if required by the council, be paid in connection with a request for a review.
- (4) The council may review the determination and, as a consequence of its review, may confirm or change the determination.
- (4A) The decision whether or not to review the determination must not be made by the person who made the determination, unless that person was the council, but is to be made by a person who is qualified under subsection (5) to make the review.
- (5) If the council reviews the determination, the review must be made by:
 - (a) if the determination was made by a delegate of the council—the council or another delegate of the council who is not subordinate to the delegate who made the determination, or
 - (b) if the determination was made by the council—the council.

- (6) The council must give notice of the result of the review to the applicant as soon as practicable after the review.
- (7) The date of review must be endorsed on the notice.
- (8) If, as a consequence of a review, the council changes a determination, the changed determination replaces the earlier determination as from the date of the review.
- (9) A determination on a review may not be further reviewed under this section.

101 Date from which approval operates

- (1) An approval operates from the date specified for the purpose in the notice under section 99 or 100, subject to this section and section 102.
- (2) If an appeal is made (and not withdrawn) against an approval granted on the determination of an application, the approval does not operate until the date of the decision on that appeal, except where that decision is to refuse approval.
- (3) An approval is void and (except for the purposes of section 176) is taken never to have been granted if an appeal under section 176 is dismissed and approval is refused.
- (4) If a determination is made by refusing approval or if an application is taken by section 105 to have been so determined, and the decision on the appeal made under section 176 in respect of that determination has the effect of granting approval, the decision is taken to be an approval granted under this Part and the approval operates from the date of that decision.
- (5) An approval in respect of an application that is taken to have been approved under section 72 operates from the date on which it is taken to have been approved.

102 Insurance for residential building work

- (1) This section applies if the council approves (whether or not subject to conditions) of the doing of any residential building work (within the meaning of the [Home Building Act 1989](#)) other than work by an owner-builder.
- (2) The council must not forward or deliver to the applicant or any other person a copy of the plans and specifications submitted to it with the application unless:
 - (a) it is satisfied that the builder or other person who is to do the residential building work has complied with the applicable requirements of Part 6 of the [Home Building Act 1989](#), and
 - (b) it has endorsed on the copy that it is so satisfied.
- (3) Even though the council has approved of the doing of any such work, the approval has no effect unless the council has so endorsed a copy of the plans and specifications

and forwarded or delivered the copy to the applicant after that approval was given.

- (4) If the builder or person who is to do the residential building work is not known when the work is approved by the council, subsections (2) and (3) do not apply and subsection (5) applies instead.
- (5) The council must grant the approval subject to a condition that the builder or person who does the residential building work complies with the applicable requirements of Part 6 of the *Home Building Act 1989*.

102A Evidence of insurance-related matters

- (1) A statement purporting to be signed by an owner of land and declaring that:
 - (a) the owner intends to do residential building work (within the meaning of the *Home Building Act 1989*) on the land, and
 - (b) the reasonable market cost of the labour and materials involved in the work is not high enough for the owner to need an owner-builder permit to do the work,is, for the purpose of the council's making an endorsement, sufficient evidence of the matter referred to in subsection (1) (b).
- (2) A certificate purporting to be issued by an approved insurer under Part 6 of the *Home Building Act 1989* to the effect that a person is the holder of an insurance policy issued for the purposes of that Part is, for the purpose of the council's making an endorsement, sufficient evidence that the person has complied with the requirements of that Part.

103 When does an approval lapse?

- (1) An approval lapses:
 - (a) 5 years after the date from which it operates, except as provided by paragraph (b), or
 - (b) in the case of an approval that is subject to a condition under section 96 (2), 2 years after the date on which the last approval, consent or permission required to be obtained in accordance with the condition operates.
- (2) A council, in granting an approval, may vary either or both of the periods referred to in subsection (1).
- (3) Such a variation may not be made so as to cause:
 - (a) (Repealed)
 - (b) an approval of a kind prescribed by the regulations to lapse within the period prescribed by the regulations in relation to the approval.

(4) This section does not prevent the extension or renewal of an approval under section 107.

(5) In this section, **vary** means increase or reduce.

104 (Repealed)

105 Circumstances in which approval is taken to have been refused

(1) If the council has not determined an application:

(a) within the period of 40 days after the application is lodged with it, except as provided by paragraph (b), or

(b) within the period of 80 days after the application is lodged with it in the case of an application for which the concurrence of a person or authority is required by or under this Act,

the council is, for the purposes only of section 176, taken to have determined the application by refusing approval on the date on which that period expires.

(2) Nothing in subsection (1) prevents the council from determining an application after the expiration of the 40-day or 80-day period, whether on a review under section 100 or otherwise.

(3) A determination under subsection (2) does not prejudice or affect the continuance or determination of an appeal made under section 176 in respect of a determination that is taken under subsection (1) to have been made, subject to subsection (4).

(4) Where a determination under subsection (2) is made by granting approval, the council is entitled, with the consent of the applicant and without prejudice to costs, to have an appeal made under section 176 in respect of a determination that is taken by subsection (1) to have been made, withdrawn at any time before the appeal is determined.

106 Can approvals be amended?

(1) A person to whom an approval is granted or any other person entitled to act on an approval may apply to the council to amend the approval.

(2) Sections 78-86, 89, 97-99 and 105 apply to an application to amend an approval in the same way as they apply to an application for approval.

(3) The council may amend an approval if:

(a) it is satisfied that the approval as amended will be substantially the same as the original approval, and

(b) it is satisfied that no prejudice will be caused to any person who made a

submission concerning the application for the original approval, and

(c) it has consulted with any person or authority whose concurrence to the original approval was required to be obtained and the person or authority has not, within 21 days after being consulted, objected to the amendment of the original approval.

(4) (Repealed)

(5) If the council amends an approval under this section, the amended approval replaces the original approval as from the date endorsed on the notice of determination of the application.

(6) In the case of an approval granted by the Land and Environment Court, a reference in this section to the council is taken to be a reference to the Court, but no appeal lies from the Court's determination of the application.

107 Can approvals be extended or renewed?

(1) The council may determine to extend or renew an approval (but without changing the terms of the approval) if satisfied there is good cause for doing so.

(2) The renewal of an approval operates as if it were an approval granted on the date of renewal.

(3) The extension or renewal may be granted before the approval lapses or at any time within 3 months after the approval lapses.

(4) The relevant provisions of:

(a) sections 72, 73, 74, 78, 79, 80, 84, 85, 87, 88, 99 and 105, and

(b) Division 1 of Part 5,

apply to an application made by the Crown or a person prescribed by the regulations referred to in section 72 (1) to extend or renew an approval in the same way as they apply to an application for an approval.

(5) The relevant provisions of:

(a) sections 78, 79, 80, 84, 85, 87, 88, 99 and 105, and

(b) Division 1 of Part 5,

management systems

- (1) This section applies to an approval to operate a system of sewage management.
- (2) The council may by notice in writing (in any form determined by the council) invite any person to whom an approval to which this section applies has been granted to apply to renew the approval.

Note—

For example, an invitation in writing to a person to renew an approval could be made in the form of an account or invoice.

- (3) A person to whom such an invitation is made is taken to have made an application under section 107 to renew the approval on the same terms as the original approval if the person pays any required application fee (being an approved fee under section 80).

108 Can approvals be revoked or modified?

- (1) A council may revoke or modify an approval in the circumstances set out in section 109.
- (2) A modification may take the form of the imposition of an additional condition or the variation or rescission of a condition to which the approval is subject.
- (3) Notice of a revocation of an approval or a modification of an approval that restricts or reduces the authority conferred by the approval may be served on any person who appears to the council to be acting under that authority or to be entitled to act under that authority.
- (4) A revocation or modification takes effect on the date of service of the notice of the revocation or modification or a later date specified in the notice.
- (5) At the same time as or as soon as practicable after the notice of the revocation or modification is served, the council is required to send:
 - (a) a copy of the notice to each person who, in its opinion, is likely to be disadvantaged by the revocation or modification, and
 - (b) a copy of the notice and the reasons for the revocation or modification to the Building Services Corporation, if the approval is for:
 - the transfer, alteration, repair or extension of water service pipes, or
 - the carrying out of sanitary plumbing work, sanitary drainage work or stormwater drainage work.
- (6) This section does not apply to an approval granted by the Land and Environment Court.

109 In what circumstances can an approval be revoked or modified?

An approval may be revoked or modified in any of the following circumstances:

- (a) if the approval was obtained by fraud, misrepresentation or concealment of facts,
- (b) for any cause arising after the granting of the approval which, had it arisen before the approval was granted, would have caused the council not to have granted the approval (or not to have granted it in the same terms),
- (c) for any failure to comply with a requirement made by or under this Act relating to the subject of the approval,
- (d) for any failure to comply with a condition of the approval.

110 Notice to be given of proposed revocation or modification

- (1) Before revoking or modifying an approval, the council must inform, by notice:
 - (a) each person who, in its opinion, will be disadvantaged by the revocation or modification of the approval, and
 - (b) each person and authority whose concurrence was required to the granting of the approval.
- (2) The notice must include the council's reasons for revoking or modifying the approval.
- (3) The council must give those persons and authorities the opportunity of appearing before the council (or a person appointed by it) to show cause why the approval should not be revoked or modified.

111 Application of secs 108, 109 and 110 to the Crown

- (1) A council that proposes to revoke or modify an approval given to the Crown or a person prescribed by the regulations for the purposes of section 72 must also give notice of its proposal to the Minister.
- (2) A council must not revoke or modify such an approval except with the written consent of the Minister.

112 Entitlement to compensation

A person aggrieved by the revocation or modification of an approval in the circumstances set out in section 109 (b) may recover compensation from the council for expenditure which is rendered abortive by the revocation or modification and which was incurred pursuant to the approval during the period between the date on which the approval commenced to operate and the date specified in the relevant notice served under section 108 (4).

113 Record of approvals

- (1) A council must keep a record of approvals granted under this Part and of decisions on appeal from any determination made by it under this Part.
- (2) The record is to include the following:
 - the serial number that identifies the application for the approval

- (3) The fee payable for each application is to be determined in accordance with the Act, statutory instrument or law under which the application is made.
- (4) If the council has a discretion to determine the amount of a fee payable in respect of an application, the council is to have regard to the filming protocol in determining the fee.
- (5) If the person who lodged the filming proposal does not pay the fee payable for making an application within 14 days after the day on which the proposal is lodged, the council may refuse to consider the application until the fee payable with respect to the application is paid.

117 Acknowledgment of application and notification of fees

119 Filming protocol to be brought to attention of intending applicants

A council must take such steps as are reasonably practicable to bring the filming protocol, the existence of any relevant regulations and any relevant local policy adopted under Part 3 to the notice of any person who lodges or whom the council knows to be intending to lodge a filming proposal.

119A Amendment and withdrawal of applications

- (1) A person who lodges a filming proposal may amend or withdraw an application made in the proposal in accordance with the Act, statutory instrument or law under which the application is made.
- (2) However, the making of a minor amendment to an application does not stop the running of a period of time specified in section 116 or 117.

119B Application for approvals under Division 3

- (1) An application for an approval under Division 3 made in a filming proposal is to be dealt with under Division 3, except as provided by this section.

- (3) In relation to such an application, a reference to:
 - (a) a fee for making the application (however expressed) is taken to be a reference to the fee paid in relation to that application accompanying the filming proposal, and
 - (b) an applicant (however expressed) is taken to be a reference to the person who lodged the filming proposal with the council.
- (4) An application referred to in subsection (1) made in a filming proposal that complies with sections 115, 116 and 118 is taken to have complied with any requirements (however expressed) under the relevant Act or statutory instrument as to:

- (3) A filming protocol has no effect to the extent that it is inconsistent with an express provision of an Act or statutory instrument.
- (4) The Director-General may vary or revoke a filming protocol.

119E Advertising or notification of applications made in filming proposal

- (1) An application made in a filming proposal must comply with all the advertising or notification requirements for that application under any relevant Act or statutory instrument.
- (2) However, two or more applications made in a filming proposal that are required or permitted to be advertised or notified by particular means may be advertised or notified by those means in one advertisement or notice if that advertisement or notice satisfies all the advertising or notification requirements for the applications concerned under the relevant Act or statutory instrument.

119F Application of this Division

- (1) The provisions of this Division prevail to the extent of any inconsistency between the provisions of this Division and the provisions of any other Act, statutory instrument or law.

- (2) Nothing in section 116 affects the operation of section 97 or of any provision of any other Act, statutory instrument or law that allows a council to require payment of a security deposit, bond, fee (other than a fee for making the application) or charge (however expressed) in relation to an application made in a filming proposal.

- (1) The Director-General may at any time revoke an accreditation if the Director-General finds that:

 - (b) the standard of the component, process, design or temporary structure which is the subject of the accreditation:
 - (i) is unsatisfactory, or

Abatement means the summary removal or remedying of a nuisance (the physical removal or suppression of a nuisance) by an injured party without having recourse to legal proceedings.

Nuisance consists of interference with the enjoyment of public or private rights in a variety of ways. A nuisance is “public” if it materially affects the reasonable comfort and convenience of a sufficient class of people to constitute the public or a section of the public. For example, any wrongful or negligent act or omission in a public road that interferes with the full, safe and convenient use by the public of their right of passage is a public nuisance.

126 Giving orders to public authorities

- a reserve within the meaning of Part 5 of the *Crown Lands Act 1989*
- a common.

(2) The Minister must not give consent in respect of vacant Crown lands or a reserve within the meaning of Part 5 of the *Crown Lands Act 1989* until after the Minister has consulted the Minister administering the *Crown Lands Act 1989*.

127 Making of regulations for the purposes of this Division

The regulations may prescribe acts or circumstances that are taken to be included in or excluded from any of the acts or circumstances specified in Column 1 or 2 of the Table to section 124.

Division 2 Procedures to be observed before giving orders

129 Circumstances in which compliance with this Division is required

 - (b) an order given, and expressed to be given, in an emergency.

130 Effect of compliance with this Division

A council that complies with this Division is taken to have observed the rules of natural justice (the rules of procedural fairness).

131 Criteria to be considered before order is given

If the council has adopted criteria in a local policy under Part 3 on which it is to give an order, the council is required to take the criteria into consideration before giving the order.

131A Orders that make or are likely to make residents homeless

- (1) If an order will or is likely to have the effect of making a resident homeless, the council must consider whether the resident is able to arrange satisfactory alternative accommodation in the locality.

 - (a) information as to the availability of satisfactory alternative accommodation in the locality, and

132 Notice to be given of proposed order

- (1) Before giving an order, a council must give notice to the person to whom the order is

proposed to be given of its intention to give the order, the terms of the proposed order and the period proposed to be specified as the period within which the order is to be complied with.

- (2) The council's notice must also indicate that the person to whom the order is proposed to be given may make representations to the council as to why the order should not be given or as to the terms of or period for compliance with the order.
- (3) The notice may provide that the representations are to be made to the council or a specified committee of the council on a specified meeting date or to a specified councillor or employee of the council on or before a specified date being, in either case, a date that is reasonable in the circumstances of the case.

133 Making of representations

- (1) A person may, in accordance with a notice under section 132, make representations concerning the proposed order.
- (2) For the purpose of making the representations, the person may be represented by a barrister, solicitor or agent.

134 Hearing and consideration of representations

The council or a specified committee, or the specified councillor or employee of the council, is required to hear and to consider any representations made under section 133.

135 Procedure after hearing and consideration of representations

 - (a) to give an order in accordance with the proposed order, or
 - (b) to give an order in accordance with modifications made to the proposed order, or

138 Notice of right to appeal against order

A council must, in giving a person notice of an order:

- (a) state that the person may appeal to the Land and Environment Court against the order or a specified part of the order, and
- (b) specify the period within which an appeal may be made.

138A Approval or consent not required to comply with order

A person who carries out work in compliance with a requirement of an order does not have to make an application under Division 1, 2 or 3 of Part 1 for approval of the work or an application under Part 4 of the *Environmental Planning and Assessment Act 1979* for consent to carry out the work.

139 Order may specify standards and work that will satisfy those standards

- (1) Instead of specifying the things the person to whom the order is given must do or refrain from doing, an order:
 - (a) may specify the standard that the premises are required to meet, and
 - (b) may indicate the nature of the work that, if carried out, would satisfy that standard.
- (2) Such an order may require the owner or occupier to prepare and submit to the council, within the period (not exceeding 3 months) specified in the order, particulars of the work the owner or occupier considers necessary to make provision for such matters as may be so specified.

140 Compliance with order referred to in sec 139 (2)

- (1) A person complies with a requirement of an order referred to in section 139 (2) by submitting to the council such matters as the person would be required to submit under section 81 if applying to the council for approval of the work.

- (1) The council must, within 28 days after particulars of work are submitted to it in accordance with section 139 (2):

- (2) If a council accepts the particulars of work without modification, the council must forthwith order the owner to carry out that work.
- (3) If a council accepts the particulars of work with modifications or rejects the particulars, or if an owner fails to submit particulars of work in accordance with section 139 (2), the council must:
 - (a) prepare, within 3 months after the acceptance, rejection or failure, particulars of the work that it considers necessary to make provision for the matters specified in the order referred to in section 139 given to the owner, and
 - (b) order the owner to carry out that work.
- (4) An order under this section is not invalid merely because of the failure of the council to accept or reject any particulars of work or prepare particulars of any work, as the case may be, within the period it is required to do so by this section.
- (4A) An order under this section forms part of the order under section 124 to which it relates.
- (5) A council may recover from an owner as a debt its expenses of preparing particulars of work under this section.

142 Orders affecting heritage items

- (a) within 28 days after it is given notice by the council, or

- (5) If the Heritage Council notifies a council that it wishes to be consulted in connection with an order under section 141, the council must include a statement to that effect in any order under section 139.
- (6) This section does not apply to order No 2, 15, 16 or 17 in the Table to section 124 if given by a council in an emergency.

- (1) If land, including land on which a building is erected, is owned or occupied by more than one person:
- (a) an order in respect of the land or building is not invalid merely because it was not given to all of those owners or occupiers, and

(b) any of those owners or occupiers may comply with such an order without affecting the liability of the other owners or occupiers to pay for or contribute towards the cost of complying with the order.

(2) Nothing in this Division affects the right of an owner or occupier to recover from any other person all or any of the expenses incurred by the owner or occupier in complying with such an order.

147 Compliance with orders by occupiers or managers

If an occupier or manager complies with an order, the occupier or manager may (unless the occupier or manager has otherwise agreed) deduct the cost of so complying (together with interest at the rate currently prescribed by the Supreme Court rules in respect of unpaid judgment debts) from any rent payable to the owner or may recover the cost (and that interest) from the owner as a debt in any court of competent jurisdiction.

148 Occupier of land may be required to permit owner to carry out work

- (1) The council may order the occupier of any land to permit the owner of the land to carry out such work on the land as is specified in the order (being work that is, in the council's opinion, necessary to enable the requirements of this Act or the regulations, or of any order under Division 1, to be complied with).
- (2) An occupier of land on whom such an order is served must, within 2 days after the order is served, permit the owner to carry out the work specified in the order.
- (3) The owner of the land is not guilty of an offence arising from his or her failure to comply with the requirements of this Act or the regulations, or of any order under Division 1, if, while an order under this section is in force, the occupier of the land refuses to permit the owner to carry out the work specified in the order.

 - (1A) The Minister administering the *Environmental Planning and Assessment Act 1979* may revoke or modify an order given by a council that relates to an activity that is the subject of a development consent granted under that Act. - (2) Notice of the revocation or modification must be given to the council and the person to whom the order was given.

- (b) it is necessary because of the existence or reasonable likelihood of a serious risk to health or safety, or
- (c) the order relates to a matter of State or regional significance, or

- (2) The period of public exhibition must be not less than 28 days.
- (3) The public notice must also specify a period of not less than 42 days after the date on which the draft local policy is placed on public exhibition during which submissions may be made to the council.
- (4) The council must, in accordance with its notice, publicly exhibit the draft local policy together with any other matter which it considers appropriate or necessary to better enable the draft local policy and its implications to be understood.

161 Adoption of draft local policy

- (1) After considering all submissions received by it concerning the draft local policy, the council may decide:
 - (a) to amend its draft local policy, or
 - (b) to adopt it without amendment, or
 - (c) not to adopt it, except where the adoption of criteria is mandatory.
- (2) If the council decides to amend its draft local policy, it may publicly exhibit the amended draft local policy in accordance with this Part or, if the council is of the opinion that the amendments are not substantial, it may adopt the amended draft local policy without public exhibition.

162 Director-General's consent required to exemption from necessity for approval

A council has no power to adopt that part of a draft local approvals policy that specifies circumstances in which (if the policy were to be adopted) a person would be exempt from the necessity to obtain a particular approval of the council, unless the council has received the Director-General's consent to the adoption of that part.

163 Effect of inconsistency between council's local policy and this Act or the regulations

A local policy adopted under this Part by a council, to the extent to which it is inconsistent with this Act or the regulations, is void.

 - (a) a specified aspect of an activity that may be carried out only with the prior approval of the council, or
 - (b) a specified aspect of anything for which an order may be given under Part 2,a local policy adopted under this Part by a council, to the extent to which its provisions impose a more onerous criterion in relation to the specified aspect, is void.
- (2) However, for the purposes of this section, the imposition of a criterion in a local policy in relation to a specified aspect, does not, in the absence of the prescription by this Act or the regulations of a criterion in relation to that aspect, constitute a more onerous criterion.

165 Amendment and revocation of local policy

- (1) A council may amend a local policy adopted under this Part by means only of a local policy so adopted.
- (2) An amending local policy may deal with the whole or part of the local policy amended.
- (3) A council may at any time revoke a local policy adopted under this Part.
- (4) A local policy (other than a local policy adopted since the last general election) is automatically revoked at the expiration of 12 months after the declaration of the poll for that election.

166 Public notice of adoption of local policy

The council must give public notice, in a form and manner prescribed by the regulations (or, if no form and manner are so prescribed, in a form and manner determined by the council), of the adoption or revocation (other than by section 165 (4)) of a local policy.

167 Public availability of local policy

- (1) A local policy adopted under this Part by a council must be available for public inspection free of charge at the office of the council during ordinary office hours.

- (a) a council's refusal to grant the approval, or

if the Court considers that the council would not have acted in the way it did but for the fact that it was unduly influenced by vexatious or unmeritorious submissions made by members of the public or that the council has acted vexatiously.

- (2) An application for compensation may be made on the hearing of an appeal or by proceedings brought for the purpose of claiming compensation.
- (3) A claim for compensation may not be made more than 28 days after the date on which the Court gives its decision on an appeal concerning the application for approval or more than 3 months after the date of the council's determination of the application if an appeal is not made against the determination.

- (2) A claim for compensation may not be made more than 28 days after the date on which the Court gives its decision on the appeal or more than 3 months after the date of the order if an appeal is not made against the order.

This Division does not limit a power of the Land and Environment Court under the [Land and Environment Court Act 1979](#).

Division 2

Chapter 8 What ancillary functions does a council have?

Introduction—

This Chapter confers on councils certain functions which it is necessary or desirable for them to have in order to carry out their other functions. These functions are “ancillary” in the sense that they are auxiliary to, they give support to, and they aid the carrying out of, the other functions of a council, particularly its service and regulatory functions.

Councils are given power to acquire land by compulsory process.

The Chapter also confers on councils powers to enter land and buildings and to carry out inspections.

A council may also have similar powers for different purposes under other Acts. For example, under the [Roads Act 1993](#), a council has power to compulsorily acquire land for road purposes and may enter land for the purposes of that Act.

Part 1 Acquisition of land

186 For what purposes may a council acquire land?

- (1) A council may acquire land (including an interest in land) for the purpose of exercising any of its functions.
- (2) Without limiting subsection (1), a council may acquire:
 - (a) land that is to be made available for any public purpose for which it is reserved or zoned under an environmental planning instrument, or
 - (b) land which forms part of, or adjoins or lies in the vicinity of, other land proposed to be acquired under this Part.
- (3) However, if the land acquired is, before its acquisition, community land vested in a council, the acquisition does not discharge the land from any trusts, estates, interests, dedications, conditions, restrictions or covenants that affected the land or any part of the land immediately before that acquisition.

187 How does a council acquire land?

- (1) Land that a council is authorised to acquire under this Part may be acquired by agreement or by compulsory process in accordance with the [Land Acquisition \(Just Terms Compensation\) Act 1991](#).
- (2) A council may not give a proposed acquisition notice under the [Land Acquisition \(Just Terms Compensation\) Act 1991](#) without the approval of the Minister.

188 Restriction on compulsory acquisition of land for re-sale

- (1) A council may not acquire land under this Part by compulsory process without the approval of the owner of the land if it is being acquired for the purpose of re-sale.

- (2) However, the owner's approval is not required if:
- (a) the land forms part of, or adjoins or lies in the vicinity of, other land acquired at the same time under this Part for a purpose other than the purpose of re-sale, or
 - (b) the owner of the land cannot be identified after diligent inquiry has been made and at least 6 months has elapsed since that inquiry was made.
- (3) For the purposes of subsection (2) (b), **diligent inquiry** has the meaning given by the regulations, and includes the giving of notice of the proposed acquisition to the New South Wales Aboriginal Land Council and to the relevant Local Aboriginal Land Council.

189 No restriction as to area

Land may be acquired by a council under this Part even if it lies wholly or partly outside the council's area.

190 Special provisions relating to land containing minerals

Division 4 of Part 8 of the [Public Works Act 1912](#) applies to a council and land acquired by a council in the same way as that Division applies to a Constructing Authority and land acquired by a Constructing Authority.

Part 2 Entry on to land and other powers

191 Power of entry

- (1) For the purpose of enabling a council to exercise its functions, a council employee (or other person) authorised by a council may enter any premises.
- (2) Entry may only be made at any reasonable hour in the daytime or at any hour during which business is in progress or is usually carried on at the premises.

191A Power of entry—construction and maintenance of water supply, sewerage and stormwater drainage works

- (1) Without limiting section 191, a council employee (or other person) authorised by a council may enter any premises to carry out water supply work, sewerage work or stormwater drainage work on or under the premises (being work that the council is authorised by this or any other Act to carry out).
- (2) Subsection (1) does not apply to premises that comprise a National Parks and Wildlife reserve.

192 Inspections and investigations

For the purpose of enabling a council to exercise its functions, a person authorised to enter premises under this Part may:

- (a) inspect the premises and any food, vehicle, article, matter or thing on the premises, and
- (b) for the purpose of an inspection:
 - (i) open any ground and remove any flooring and take such measures as may be necessary to ascertain the character and condition of the premises and of any pipe, sewer, drain, wire or fitting, and
 - (ii) require the opening, cutting into or pulling down of any work if the person authorised has reason to believe or suspect that anything on the premises has been done in contravention of this Act or the regulations, and
- (c) take measurements, make surveys and take levels and, for those purposes, dig trenches, break up the soil and set up any posts, stakes or marks, and
- (d) require any person at those premises to answer questions or otherwise furnish information in relation to the matter the subject of the inspection or investigation, and
- (e) examine and test any meter, and
- (f) measure a supply of water, and
- (g) take samples or photographs in connection with any inspection.

193 Notice of entry

- (1) Before a person authorised to enter premises under this Part does so, the council must give the owner or occupier of the premises written notice of the intention to enter the premises.
- (2) The notice must specify the day on which the person intends to enter the premises and must be given before that day.
- (3) This section does not require notice to be given:
 - (a) if entry to the premises is made with the consent of the owner or occupier of the premises, or
 - (b) if entry to the premises is required because of the existence or reasonable likelihood of a serious risk to health or safety, or
 - (c) if entry is required urgently and the case is one in which the general manager has authorised in writing (either generally or in the particular case) entry without notice, or
 - (d) if entry is made solely for the purpose of reading a meter or other device for measuring:

- (i) the supply of water to the premises from the council's water mains, or
- (ii) the discharge of sewage or other waste matter from the premises into the council's sewer mains.

194 Use of force

- (1) Reasonable force may be used for the purpose of gaining entry to any premises (other than residential premises) under a power conferred by this Part, but only if authorised by the council in accordance with this section.
- (2) The authority of the council:
 - (a) must be in writing, and
 - (b) must be given in respect of the particular entry concerned, and
 - (c) must specify the circumstances which are required to exist before force may be used.

195 Notification of use of force or urgent entry

- (1) A person authorised to enter premises under this Part who:
 - (a) uses force for the purpose of gaining entry to the premises, or
 - (b) enters the premises in an emergency without giving written notice to the owner or occupier,must promptly advise the council.
- (2) The council must give notice of the entry to such persons or authorities as appear to the council to be appropriate in the circumstances.

196 Care to be taken

- (1) In the exercise of a function under this Part, a person authorised to enter premises must do as little damage as possible. The council must provide, if necessary, other means of access in place of any taken away or interrupted by a person authorised by it.
- (2) As far as practicable, entry on to fenced land is to be made through an existing opening in the enclosing fence. If entry by that means is not practicable, a new opening may be made in the enclosing fence, but the fence is to be fully restored when the need for entry ceases.
- (3) If, in the exercise of a function under this Part, any pit, trench, hole or bore is made, the council must, if the owner or occupier of the premises so requires:
 - (a) fence it and keep it securely fenced so long as it remains open or not sufficiently

sloped down, and

(b) without unnecessary delay, fill it up or level it or sufficiently slope it down.

197 Recovery of cost of entry and inspection

If a person authorised by a council enters any premises under this Part for the purpose of making an inspection and as a result of that inspection, under a power conferred on the council, the council requires any work to be carried out on or in the premises, the council may recover the reasonable costs of the entry and inspection from the owner or occupier of the premises.

198 Compensation

A council must pay compensation for any damage caused by any person authorised by the council under this Part to enter premises, other than damage arising from work done for the purpose of an inspection which reveals that there has been a contravention of this or any other Act.

Note—

Section 730 provides for the resolution of claims for compensation under this section in cases of dispute between the person claiming the compensation and the council.

199 Authority to enter premises

- (1) A power conferred by this Part to enter premises, or to make an inspection or take other action on premises, may not be exercised unless the person proposing to exercise the power is in possession of an authority and produces the authority if required to do so by the owner or occupier of the premises.
- (2) The authority must be a written authority which is issued by the council and which:
 - (a) states that it is issued under this Act, and
 - (b) gives the name of the person to whom it is issued, and
 - (c) describes the nature of the powers conferred and the source of the powers, and
 - (d) states the date (if any) on which it expires, and
 - (e) describes the kind of premises to which the power extends, and
 - (f) bears the signature of the general manager.
- (3) This section does not apply to a power conferred by a search warrant.

200 In what circumstances can entry be made to a residence?

The powers of entry and inspection conferred by this Part are not exercisable in relation to that part of any premises being used for residential purposes except:

- (a) with the permission of the occupier of that part of the premises, or
- (b) if entry is necessary for the purpose of inspecting work being carried out under an approval, or
- (c) under the authority conferred by a search warrant.

201 Search warrants

- (1) An authorised person may apply to an authorised justice if the authorised person has reasonable grounds for believing that the provisions of this Act or the regulations or the terms of an approval or order under this Act have been or are being contravened in or on any premises.
- (2) An authorised justice to whom such an application is made may, if satisfied that there are reasonable grounds for doing so, issue a search warrant authorising an authorised person named in the warrant:
 - (a) to enter the premises, and
 - (b) to search the premises for evidence of a contravention of this Act or the regulations or the terms of an approval or order.
- (3) Part 3 of the [Search Warrants Act 1985](#) applies to a search warrant issued under this section.
- (4) Without limiting the generality of section 18 of the [Search Warrants Act 1985](#), a police officer:
 - (a) may accompany an authorised person executing a search warrant issued under this section, and
 - (b) may take all reasonable steps to assist the authorised person in the exercise of the person's functions under this section.
- (5) In this section, **authorised justice** has the same meaning it has in the [Search Warrants Act 1985](#).

Chapter 9 How are councils established?

Introduction—

This Chapter contains provisions dealing separately with the constitution of land as a local government area and the constitution of a council to manage that area. It enables the making of changes to those areas and to councils. It provides for the dissolution of councils and the appointment of administrators.

Each council is a statutory corporation. The councillors are the governing body of the corporation and they have the responsibility of directing and controlling the affairs of the council in accordance with this Act.

The Chapter includes a statement of the role of the mayor and of a councillor.

Provision is made for the payment of fees to the mayor and other councillors. Payment is to be made in accordance with determinations of the Local Government Remuneration Tribunal which is established by this Chapter. Provision is also made for the payment of expenses and the provision of facilities to the mayor and other councillors.

The Chapter also constitutes the Local Government Boundaries Commission and provides for its functions.

 - (e2) the impact of any relevant proposal on the employment of the staff by the councils of the areas concerned,
 - (e3) the impact of any relevant proposal on rural communities in the areas concerned,
 - (e4) in the case of a proposal for the amalgamation of two or more areas, the desirability (or otherwise) of dividing the resulting area or areas into wards,
 - (e5) in the case of a proposal for the amalgamation of two or more areas, the need to ensure that the opinions of each of the diverse communities of the resulting area or areas are effectively represented,
 - (f) such other factors as it considers relevant to the provision of efficient and effective local government in the existing and proposed new areas.
- (4) The Boundaries Commission is not entitled to examine or report on any matter relating to the area of operations of a county council constituted or proposed to be constituted for the supply of electricity.
- (5) The Boundaries Commission must allow members of the public to attend any inquiry held by the Commission under this section.

- (6) The Boundaries Commission may continue with an examination or inquiry even though a commissioner or acting commissioner replaces another commissioner during the course of the examination or inquiry.
- (7) The Supreme Court may not make an order in the nature of prohibition in respect of, or an order for removing to the Court or quashing, any decision or proceeding made or conducted by the Boundaries Commission in connection with the exercise of its functions.

264 Can a person be represented in proceedings before the Boundaries Commission?

- (1) In proceedings before the Boundaries Commission, a person is not entitled to be represented:
 - (a) by a barrister or solicitor or by a person qualified for admission as a barrister or solicitor, or
 - (b) by any person acting for a fee or reward.
- (2) However, this section does not prevent:
 - (a) an employee of a person from representing the person before the Boundaries Commission if the employee is not a person referred to in subsection (1) (a), or
 - (b) a person who is the mayor of an area or the chairperson of a county council from appearing in that capacity in proceedings before that Commission, or

- (2) The residents and ratepayers of the area or areas concerned may participate in any such opinion survey or poll but are not required to do so.
- (3) The Boundaries Commission may request the Electoral Commissioner, a council or any other person or organisation to conduct any such opinion survey or poll.

Chapter 10 How are people elected to civic office?

Introduction—

This Chapter deals with the election of persons to civic office. Those qualified for civic office are elected for 4-year terms under a system which is preferential (wherever 1 or 2 positions must be filled) and proportional (wherever 3 or more positions must be

filled). Voting is compulsory for residents but optional for non-resident ratepayers, occupiers and ratepaying lessees. Elections are conducted under the supervision of the Electoral Commissioner.

When an area is not divided into wards, councillors are elected by the area. When it is divided, councillors may be elected by wards (or, if so decided at a referendum, by wards and area).

The mayor may be popularly elected or elected by the councillors from among their number. The choice of method depends on a constitutional referendum as referred to in sections 228 and 229. A popularly-elected mayor holds office for 4 years and is a councillor by virtue of being mayor. A mayor elected by the councillors holds office for 1 year. In each case, the mayor votes as mayor, not as a councillor, at council meetings. (See Chapter 9.)

Part 1 Who may vote?

266 Who has the right to be enrolled as an elector?

- (1) A person who is entitled to vote at an election of members of the Legislative Assembly or an election of members of the Commonwealth House of Representatives is entitled to be enrolled as an elector for a ward if:
 - (a) he or she is a resident of the ward, or
 - (b) he or she is not a resident of the ward but is an owner of rateable land in the ward, or
 - (c) he or she is an occupier, or ratepaying lessee, of rateable land in a ward.
- (2) A person who is disqualified by section 21 of the *Parliamentary Electorates and Elections Act 1912* from having his or her name placed or retained on a roll under that Act is subject to the same disqualification in relation to a roll under this Act.

267 Who has the right to vote?

- (1) A person whose name is on the roll kept under Division 2 of Part 6 for a ward is entitled to vote:
 - (a) at an election of councillors for the ward, and
 - (b) at an election of the mayor by all the electors of the area.
- (2) A person who changes his or her name from that on the roll may, until the roll is corrected, vote under the enrolled name.
- (3) The right of an enrolled person to vote at an election is not affected by:
 - (a) a change of residence within a ward or within an area that is not divided into wards, or
 - (b) a change in the qualification that entitles an enrolled person to vote.
- (4) A person who:
 - (a) is qualified in respect of more than one parcel of land to be enrolled for a ward,

and

(b) is enrolled in respect of only one of the parcels, and

(c) ceases to be qualified in respect of that parcel,

is not disqualified from voting at an election held while the person is enrolled in respect of that parcel if the returning officer is satisfied that the person is then qualified in respect of another of the parcels.

(5) This section does not confer a right to vote at an election on a person who by or under this Act is disqualified from voting, or is not qualified to vote, at the election.

268 One vote per elector

Nothing in this Chapter entitles a person to more than one vote in one area in an election.

Note—

A person may not exercise more than one vote in any one area even if:

- the person is entitled to be enrolled as an elector for more than one ward in the area; or the person's entitlement is based on more than one of the criteria in section 266 (1) (a), (b) and (c), or
- the person's entitlement is based on the ownership or occupation of more than one parcel of land in the area.

269 Who is a “resident” for the purposes of this Part?

(1) For the purposes of this Part, a person is a resident of a ward if:

- (a) the person is, within the meaning of the *Parliamentary Electorates and Elections Act 1912*, enrolled on the relevant date on the roll for an electoral district, and
- (b) the person's place of living as described on that roll is in the ward or (in the case of a person whose place of living is not described on that roll) the person's place of living is in the ward.

(2) The **relevant date** for the purposes of this section is:

- (a) the date on which the claim for enrolment is made, if the claim is for inclusion in the roll of residents of the ward, or
- (b) the closing date for the election referred to in Part 4, if the claim is for the purpose of voting at the election.

(3) In this section, **place of living** includes the place of residence to which a person temporarily residing elsewhere intends to return in order to continue living there.

270 Who is an “owner of rateable land” for the purposes of this Part?

(1) For the purposes of this Part, a person is the owner of rateable land if:

- (a) the person is not a corporation, is the sole owner of the rateable land and does

not own it as trustee, or

- (b) the person is not a corporation, is a joint or several owner of the rateable land and is nominated in writing as an elector by the only other owner of the land, or by a majority of all the owners of the land, or
- (c) the person is not a corporation, is not a nominee under paragraph (b) and is nominated in writing as an elector by a corporation which is the owner, or by trustees who are the owners, of the land, or
- (d) the person is a lessee of the land from the Crown and the land is rateable Crown land.

- (2) Land is not rateable land for the purposes of this Part if it is a lot in a strata plan that is registered under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986* and is provided only for the purpose of parking a motor vehicle.
- (3) If there is more than one person who (by virtue of subsection (1)) is the owner of the same parcel of rateable land, only one of the persons is entitled to be enrolled as an elector for a ward.
- (4) If a corporation or trustees own more than one parcel of land in an area, or if joint or several owners of one parcel of land in an area are also joint or several owners of any other parcel of land in the area, it or they can nominate a person as the owner of rateable land only in respect of one of those parcels.
- (5) A nomination under this section is to be lodged with the general manager.

271 Who is an “occupier” or “ratepaying lessee” for the purposes of this Part?

- (1) For the purposes of this Part, a person is an occupier of rateable land if the person has a legally enforceable right to continuous occupation of rateable land (jointly or severally, but not as owner or ratepaying lessee) for not less than 3 years following the relevant date.
- (2) If there is more than one such occupier of the same parcel of rateable land, only one of them is entitled to be enrolled as an elector for a ward.
- (2A) If a corporation or trustees is or are occupiers of more than one parcel of land in an area, or if joint or several occupiers of one parcel of land in an area are also joint or several occupiers of any other parcel of land in the area, it or they can nominate a person as the occupier of rateable land only in respect of one of those parcels.
- (3) For the purposes of this Part, a person is a ratepaying lessee of rateable land if the person is jointly or severally liable, under a lease in writing or other document of title relating to the land, to pay to any person the whole or any part of any rates that may,

during the 3 years following the relevant date, be made or levied in respect of the land.

- (4) If there is more than one such ratepaying lessee of the same parcel of rateable land, only one of them is entitled to be enrolled as an elector for a ward.
- (4A) If a corporation or trustees is or are ratepaying lessees of more than one parcel of land in an area, or if joint or several ratepaying lessees of one parcel of land in an area are also joint or several ratepaying lessees of any other parcel of land in the area, it or they can nominate a person as the ratepaying lessee of rateable land only in respect of one of those parcels.
- (5) The **relevant date** for the purposes of this section is:
 - (a) the date on which the claim for enrolment is made, if the claim is for inclusion in the roll of occupiers and ratepaying lessees, or
 - (b) the closing date for the election referred to in Part 4, if the claim is for the purpose of voting in the election.

272 Competing claimants

- (1) If two or more persons apply to be enrolled as an elector for a ward as owners of the same parcel of rateable land, and those persons do not nominate one of their number to be so enrolled, the general manager may do so instead.
- (2) Likewise, if two or more persons apply to be enrolled as an elector for a ward as occupiers, or as ratepaying lessees, or as occupier and ratepaying lessee, of the same parcel of land, and those persons do not nominate one of their number to be so enrolled, the general manager may do so instead.

273 Application of Part to area not divided into wards

If an area is not divided into wards, this Part applies to the area in the same way as it applies to a ward.

Part 2 Who may be elected?

274 What are the qualifications for civic office?

A person is qualified to hold civic office if:

- (a) the person is entitled to be enrolled as an elector, and
- (b) the person is not disqualified from holding civic office by this Act, and
- (c) the person is not prevented from being elected to civic office by section 276 (2).

275 Who is disqualified from holding civic office?

- (1) A person is disqualified from holding civic office:
 - (a) while disqualified from being an elector, or
 - (b) while a judge of any court of the State or the Commonwealth, or

 - (d) if he or she is while holding that office, or has been within 2 years before nomination for election, election or appointment to the office, convicted of an offence under the regulations made for the purposes of section 748 (3), or
 - (e) if he or she is while holding that office, or has been within 5 years before nomination for election, election or appointment to the office, convicted of an offence referred to in Part 4 of the *Crimes Act 1900* (Offences relating to property), or
 - (f) while a surcharge, payable by the person under Part 5 of Chapter 13 and not paid within 6 months after it became payable, remains unpaid, or
 - (g) while disqualified from holding a civic office under a provision of this Act or Part 4A of the *Crimes Act 1900* (Corruptly receiving commissions and other corrupt practices), or
 - (h) while disqualified from managing a corporation under Part 2D.6 of the *Corporations Act 2001* of the Commonwealth.
- (2) A person is disqualified from holding civic office on a council if he or she is an employee of the council or holds an office or place of profit under the council.
- (3) A person is not disqualified from holding a civic office only because, while holding the civic office, the person ceases to be a resident in the area, to own property in the area or to be an occupier or ratepaying lessee of rateable land in the area.
- (4) A person is taken not to be disqualified from holding civic office if the Administrative Decisions Tribunal, in proceedings under section 329, has refused to order the dismissal of the person in circumstances to which subsection (4) of that section applies.

Note—

If a person while holding civic office becomes subject to disqualification under this section, the office becomes vacant under section 234.

276 What is the effect of disqualification?

- (1) A person who is disqualified from holding civic office may not be elected or appointed to a civic office and may not hold, or act in, a civic office.
- (2) A person who vacates the office of councillor by resignation or disqualification may not be elected to a civic office in the same area (and may not hold, or act in, a civic office in the same area) until:
 - (a) if the person is not disqualified—the first anniversary of the vacation of office, or the next ordinary election for the area (whichever occurs first), or
 - (b) if the person is disqualified—the first ordinary election after the person ceases to be disqualified.
- (3) A person convicted of an offence under Part 6 of Chapter 16 for acting in a civic office while disqualified under section 275:
 - (a) is disqualified from holding civic office for 7 years from the time of conviction, unless the court determines a shorter period, and
 - (b) is not entitled to receive or recover from the council any money relating to the civic office in respect of the period in which the person is disqualified.
- (4) The council may, within 2 years after the person so convicted receives money from the council relating to the civic office in respect of the period in which the person is disqualified, recover the money from the person as a debt.

277 May the holder of a civic office be re-elected?

The holder of a civic office is eligible for re-election, subject to this Act.

Part 3 What is the system of election?

278 Election of councillors for an area not divided into wards

The councillors for an area that is not divided into wards are to be elected by an electorate comprising all the electors for the area.

279 Alternative methods for election of councillors for an area divided into wards

- (1) The councillors for an area that is divided into wards are to be elected in accordance with either section 280 or 281.
- (2) The method of election under section 280 (method 1) is to apply unless a decision made at a constitutional referendum is in force which:
 - (a) requires the method of election under section 281 (method 2) to apply, and
 - (b) specifies the number of councillors each of whom is to be elected by an electorate

comprising all the electors for a ward and the number of councillors (if any) each of whom is to be elected by an electorate comprising all the electors for the area.

280 Ward election of councillors—method 1

- (1) Each councillor for an area that is divided into wards may be elected by an electorate comprising all the electors for a ward.
- (2) The same number of councillors is to be elected for each ward. The mayor is to be excluded when determining that number if the mayor is to be elected by all the electors for the area.
- (3) The same person is not to be a candidate for election as a councillor by the electors for more than one ward, unless the election is for the mayor as such.

281 Election of councillors partly by wards, partly by area—method 2

- (1) The councillors for an area that is divided into wards may be elected:
 - (a) as to some of them—each by an electorate comprising all the electors for a ward, and
 - (b) as to the others—by an electorate comprising all the electors for the area.
- (2) The same number of councillors is to be elected for each ward. The mayor is to be excluded when determining that number if the mayor is to be elected by all the electors for the area.
- (3) If a person is a candidate for election as a councillor by the electors for a ward, the person must not at the same time be a candidate for election as a councillor by the electors for another ward or a candidate for election as a councillor by all the electors for the area, unless the election is for the mayor as such.

282 Election of mayor

- (1) The mayor of an area who is to be elected by the electors is to be elected by an electorate comprising all the electors for the area, even if the area is divided into wards.
- (2) The mayor of an area who is to be elected by the councillors for the area is to be elected by the councillors from among their number.
- (3) A mayor elected for an area is one of the councillors of the council for the area.

283 Double candidature

- (1) A person may be a candidate for election as mayor and a candidate for election as a councillor at the same time.

(2) If a person is elected by the electors as mayor and the person is also a candidate for election as a councillor, the votes cast for the person as a councillor are not to be counted for that person but are to be distributed as prescribed by the regulations.

(3) (Repealed)

284 Voting system for election of the mayor by all the electors of the area

The voting system in a contested election of the mayor by all the electors of the area is to be optional preferential.

285 Voting system for election of councillors

The voting system in a contested election of a councillor or councillors is to be:

- (a) optional preferential, if the number of councillors to be elected is 1 or 2, or
- (b) proportional, if the number of councillors to be elected is 3 or more.

286 Is voting compulsory?

Whichever voting system applies, electors on the residential roll must vote at a contested election unless exempt from voting under this Act. Electors on the non-residential roll or the roll of occupiers and ratepaying lessees may vote, but are not required to vote.

Part 4 When are elections held?

287 When is an ordinary election of councillors held?

- (1) An ordinary election of the councillors for an area is to be held on the fourth Saturday of March 2004 and on the fourth Saturday of September in every fourth year after 2004.
- (2) An election of the councillors for an area is to be held on a Saturday proclaimed for the purpose if:
 - (a) the area is constituted after the commencement of this Part, or
 - (b) all civic offices in relation to the council of the area are declared to be vacant under section 255, or
 - (c) the council is declared to be non-functioning under section 257.

288 Delayed elections of councillors

- (1) If the Minister is of the opinion that it would be impracticable or inconvenient to hold an election as provided by section 287, the Minister may, by order published in the Gazette, appoint a subsequent Saturday for the election.
- (2) The subsequent Saturday must not be more than 28 days later than the day when the

election should have been held.

- (3) If a day is appointed under this section for an election, the retiring councillors continue in office until the election is held and, if a retiring councillor resigns in the meantime, his or her office is vacant until the election is held.

289 When is an election of a mayor by the electors to be held?

- (1) The election of a mayor by the electors for an area is to be held (unless its purpose is the filling of a casual vacancy):
- (a) on the day on which the election of the councillors for the area is held, or
 - (b) if the election of the councillors is uncontested, on the day on which the election of the councillors would have been held if it had been contested.
- (2) If a mayor of an area is to be elected by the electors on the day on which a contested election of councillors for the area is to be held and the election of the councillors is delayed for any reason, the election of the mayor is also delayed but must be held on the same day as the delayed election of the councillors.

290 When is an election of a mayor by the councillors to be held?

- (1) The election of the mayor by the councillors is to be held:
- (a) if it is the first election after an ordinary election of councillors—within 3 weeks after the ordinary election, or
 - (b) if it is not that first election or an election to fill a casual vacancy—during the month of September, or
 - (c) if it is the first election after the constitution of an area—within 14 days after the appointment of a provisional council or the first election of the council if a provisional council is not appointed, or
 - (d) if the relevant council is a non-functioning council, or a council of which all civic offices have been declared vacant, and the election is the first to be held after the appointment or election of the councillors—within 14 days after the appointment or election of the councillors.
- (2) If the councillors fail to elect a mayor as required by this section, the Governor may appoint one of the councillors as the mayor.

Note—

The filling of a casual vacancy in the office of a mayor elected by the councillors is dealt with in section 295.

Part 5 How are casual vacancies filled?

291 By-elections

If a casual vacancy occurs in a civic office, the office is to be filled by a by-election, subject to this Part.

Note—

The circumstances in which casual vacancies occur are specified in Chapter 9.

292 When is a by-election to be held?

A by-election to fill a casual vacancy in the office of a councillor or a mayor elected by the electors of an area is to be held on a Saturday that is fixed by the Electoral Commissioner and that falls not later than 3 months after the vacancy occurs.

293 Delayed by-elections

- (1) If the Minister is of the opinion that it would be impractical or inconvenient to hold a by-election as provided by section 292, the Minister may, by order published in the Gazette, appoint a subsequent Saturday for the by-election.
- (2) The subsequent Saturday must not be more than 28 days later than the day when the by-election should have been held.

294 Dispensing with by-elections

- (1) This section applies if a casual vacancy occurs in the office of a councillor, including a mayor elected by the electors of an area, on or after 1 April last preceding the end of the term of a council.
- (2) If such a casual vacancy occurs in the office of a councillor (but not the office of a mayor elected by the electors), the Minister may, on the application of the council:
 - (a) order that the vacancy not be filled, or
 - (b) order the holding on a stated day of a by-election to fill the vacancy and revoke any earlier order made under paragraph (a).
- (3) If such a casual vacancy occurs in the office of a mayor elected by the electors, the casual vacancy is to be filled by the Governor appointing to the vacant office a councillor nominated by the council.
- (4) If the council does not nominate a councillor for the purposes of subsection (3), the Governor may appoint one of the councillors to the vacant office.

295 Casual vacancy in office of mayor elected by the councillors

- (1) If a casual vacancy occurs in the office of a mayor elected by the councillors, the vacancy is to be filled at a meeting of the council to be held within 14 days after the

occurrence of the vacancy.

- (2) If the councillors fail to elect a mayor as required by this section, the Governor may appoint one of the councillors as the mayor.

Part 6 How are elections conducted?

Division 1 The role of the Electoral Commissioner

296 Elections to be conducted by the Electoral Commissioner

- (1) The Electoral Commissioner is to conduct elections for the purposes of this Chapter, other than the election of the mayor or a deputy mayor by the councillors.
- (2) The Electoral Commissioner is to appoint a returning officer and a substitute returning officer for each area. The returning officer is to conduct elections on behalf of, and under the direction of, the Electoral Commissioner. In the absence of the returning officer, the substitute returning officer is to exercise the functions of the returning officer.
- (3) The returning officer is to appoint one or more electoral officials.
- (4) An employee of a council for an area cannot be appointed as a returning officer or substitute returning officer for that area. However, an electoral official may be an employee of the council.

 - (c) determine any matter not provided for by this Act or the regulations.
- (7) Expenses incurred by the Electoral Commissioner, returning officer, substitute returning officer and electoral officials in connection with an election are to be met by the council for which it is conducted and are recoverable from the council as a debt owed to the Electoral Commissioner as the holder of that office.
- (8) The Electoral Commissioner, the returning officer and the substitute returning officer must not vote at any election which they are conducting.

297 Delegation of functions by the Electoral Commissioner

The Electoral Commissioner may delegate to a person any of the Electoral Commissioner's functions under this Act, other than this power of delegation.

Division 2 Electoral rolls

Note—

The roll of electors for an area is prepared in time for each election. The roll of electors is a composite roll based on the residential roll, the non-residential roll and the roll of occupiers and ratepaying lessees. The residential roll is a roll of residents in the area, whether or not they own the property where they reside. It is prepared and confirmed by the Electoral Commissioner in time for each election. It may be based on the same roll as the one used for State and Federal elections. The non-residential roll is a roll of persons who pay rates on property they own in an area but who do not live on that property. It is prepared by the general manager of the council for the area and confirmed by the Electoral Commissioner in time for each election. The roll of occupiers and ratepaying lessees covers both occupiers of rateable land who are not owners, and lessees who, under the terms of their leases, must pay rates. It is prepared for a specific election by the general manager and includes only those who actually apply for inclusion on this roll. It is confirmed by the Electoral Commissioner.

298 Residential roll

- (1) The Electoral Commissioner is to keep a roll for each area of persons who, in the opinion of the Electoral Commissioner, are entitled, in accordance with Part 1, to be enrolled as electors because they are residents of the area.
- (2) The Electoral Commissioner may use the roll used for elections of the Legislative Assembly or for Commonwealth elections as a basis for the residential roll.
- (3) The Electoral Commissioner is to confirm as the residential roll for an election the roll referred to in subsection (1) if, in the Commissioner's opinion, the roll contains the names of the persons who on the closing date are qualified for inclusion in the residential roll as electors.

299 Non-residential roll

- (1) Not later than the closing date for an election, the general manager is to prepare a roll of non-resident owners of rateable land for confirmation by the Electoral Commissioner as the roll of non-resident owners of rateable land within the area.
- (2) The roll of non-resident owners of rateable land lapses after the election for which it is prepared, and it consists only of the names of those non-resident owners of rateable land who have applied for the inclusion of their names for the purposes of the election for which it is being prepared.
- (3) The Electoral Commissioner is to confirm as the roll of non-resident owners of rateable land for the election a roll certified by the general manager as being, in the general manager's opinion, a roll of the persons who on the closing date are qualified for inclusion in the roll of non-resident owners of rateable land.

300 Roll of occupiers and ratepaying lessees

- (1) Not later than the closing date for an election, the general manager is to prepare the roll of occupiers and ratepaying lessees for confirmation by the Electoral Commissioner as the roll of occupiers (of land within the area) and ratepaying lessees (of rateable land within the area) for the election.
- (2) The roll of occupiers and ratepaying lessees lapses after the election for which it is prepared, and it consists only of the names of those occupiers and ratepaying lessees who have applied for the inclusion of their names for the purpose of the election for which it is being prepared.
- (3) The Electoral Commissioner is to confirm as the roll of occupiers and ratepaying lessees for the election a roll certified by the general manager as being, in the general manager's opinion, a roll of the persons who on the closing date are qualified for inclusion in the roll of occupiers and ratepaying lessees.

301 Roll of electors

- (1) The roll of electors for an area is a composite roll, consisting of the residential roll kept and confirmed under section 298 for the area, the non-residential roll kept and confirmed under section 299 for the area, and the roll of occupiers and ratepaying lessees prepared and confirmed under section 300 for the area.
- (2) For each election, the roll of electors is to be compiled in accordance with this Division and printed in the form prescribed by the regulations.
- (3) If an area is divided into wards, the roll of electors is to be prepared separately for each ward or, if the roll is for a by-election to fill a casual vacancy, only for the ward in which the by-election is to be held.

302 Public inspection of roll of electors

- (1) The Electoral Commissioner is to make the latest copy of the residential roll available for public inspection at any reasonable time during office hours at the office of the Electoral Commissioner and at any other place determined by the Electoral Commissioner.
- (2) The general manager is to make the latest copy of the non-residential roll and of the roll of occupiers and ratepaying lessees (once it is prepared) available for public inspection at any reasonable time during office hours at the office of the council.

303 Making of claims for inclusion in the roll

- (1) A person may lodge with the Electoral Commissioner (in the case of the residential roll) or the general manager (in the case of another roll):
 - (a) a claim for the inclusion of his or her name in the roll or for the amendment of any

particulars entered in the roll against the name, or

- (b) an objection to the inclusion in the roll of his or her name or the name of another person, or
 - (c) an objection to the inclusion in the roll of specified particulars entered against his or her name or the name of another person.
- (2) Within 7 days after the lodging of a claim for inclusion in, or of an objection to an entry in, a roll, the Electoral Commissioner or general manager:
- (a) is to decide whether the claim or objection is to be allowed or disallowed, and
 - (b) as soon as practicable, is to make such entries in, or alterations to, the roll as give effect to the decision, and
 - (c) is to serve notice of the decision on the claimant or objector and, in the case of an objection, on any other person to whom the objection relates.
- (3) A person dissatisfied with the decision of the Electoral Commissioner or general manager may apply to the Administrative Decisions Tribunal for a review of the decision.
- (4) The Electoral Commissioner or general manager is to make as soon as practicable such entries in the appropriate roll as are necessary to give effect to the decision on an application to the Administrative Decisions Tribunal.
- (5) Despite this section, the roll of electors is not to be altered between the closing date for an election and the end of polling day.

304 Enrolment if qualified in more than one respect

- (1) A person may not, in respect of the same ward, be enrolled more than once in a roll of electors.
- (2) A person who is qualified for enrolment in respect of more than one ward of an area may be enrolled only in respect of the ward for which the person is qualified as a resident or, if the person is not so qualified:
 - (a) the ward specified in a notice given by the person to the general manager before the closing date for the election, or
 - (b) if no such notice is given, a ward chosen by the general manager.

305 Can an elector vote if his or her name is not on the roll of electors?

An elector for an area:

- (a) whose name is not on the roll of electors for an election, and

- (b) who claims to be entitled to vote at the election, and
- (c) who makes a declaration in the form prescribed by the regulations that is written or printed on an envelope that is addressed to the returning officer,

is to be given a ballot-paper by the returning officer or electoral official in charge of a polling place and permitted to vote in accordance with this Act.

Note—

A person may apply under section 739 for the omission of the person's place of living from a roll.

Division 3 Nominations and election

306 Nominations

- (1) A person who is not duly nominated is not eligible for election as a councillor, or for election by the electors of an area as mayor.
- (2) To be duly nominated for election as a councillor for an area, or for election as mayor of an area by the electors of an area, a person must be enrolled as an elector for the area, and must be qualified to hold that civic office, at the closing date for the election.
- (3) A person may not be nominated for election as a councillor for more than one ward.
- (4) A nomination is to be proposed to and made by the returning officer as prescribed by the regulations and may be withdrawn by the nominee as prescribed by the regulations.
- (5) A nomination is to be rejected if the returning officer has not been paid the deposit prescribed by the regulations for the nomination or (if none is prescribed) a deposit of 50 per cent of the deposit required to be deposited under the *Parliamentary Electorates and Elections Act 1912* for the nomination of a candidate for election to the Legislative Assembly.
- (5A) However, if a group that comprises more than 5 candidates:
 - (a) proposes the nomination of all members of the group, and pays the deposit for the nomination of all members of the group, at the same time, and
 - (b) has lodged a claim under section 308A (2),the amount of the deposit for each candidate included in the group is 5 times the deposit for one candidate divided by the number of candidates in that group.
- (6) If a returning officer rejects a proposed nomination and the nominated person applies in writing for an explanation of the rejection, the returning officer must provide the nominated person with a written explanation within 7 days.

- (7) A deposit may be refunded in accordance with the regulations.

307 Nomination where name omitted from roll

Despite section 306, a person whose nomination for election to a civic office would, but for this section, be rejected on the ground only that he or she is not enrolled as an elector for the area may be nominated if:

- (a) the name of the person has been omitted from the roll of electors mistakenly or accidentally, and
- (b) but for that omission the nomination would not have been rejected.

308 Candidate information sheets

- (1) A nomination of a candidate for election to a civic office is to be accompanied by a candidate information sheet in the form of a statutory declaration made by the candidate.
- (2) The regulations may make provision for the matters that are to be included in, or that may or may not be included in, a candidate information sheet. The regulations may not prohibit the inclusion in a candidate information sheet of matter relating to a candidate's policies.
- (3) The returning officer is to make each candidate information sheet available for public inspection at any reasonable time during office hours at the office of the returning officer and at any other place determined by the returning officer.
- (4) An electoral official at each polling place is to ensure that a copy of each candidate information sheet is displayed at the polling place.

308A Grouping of candidates

- (1) This section applies to an election in which there are 2 or more councillors to be elected.
- (2) Two or more candidates duly proposed for nomination for election may, before noon on the nomination day prescribed by the regulations, claim to have their names included in a group on the ballot-papers and in the order specified in the claim. The claim is to be lodged with the returning officer.
- (3) A claim under subsection (2) may also include a request for a group voting square for the group to appear on the ballot-papers to be used in the election concerned, but only if:
 - (a) in the case of an area not divided into wards—the number of candidates in the group on the nomination day prescribed by the regulations is at least half the number of candidates to be elected, or

- (b) in the case of an area divided into wards—there are at least as many candidates in the group on the nomination day prescribed by the regulations as there are candidates to be elected.
- (4) A group voting square is to be printed on the ballot-papers above the names of the candidates in each group that has duly requested a group voting square under subsection (3), but only if more than one group has duly requested a group voting square.
- (5) An application under Part 7 for the name of a political party to be printed adjacent to the name of a candidate on the ballot-papers may include a further request for that name or a composite name to be printed on the ballot-papers adjacent to the candidates' group voting square.

308B Group voting—recording of votes

- (1) This section applies if a ballot-paper has group voting squares.
- (2) Instead of marking the separate voting squares for the candidates, the voter may record a vote:
 - (a) by placing the number “1” in any one of the group voting squares, and
 - (b) (if he or she wishes) by placing consecutive numbers (beginning with the number “2”) in any other of those group voting squares, in the order of his or her preference for the various groups of candidates.
- (3) The number “1” appearing in a group voting square for a group indicates:
 - (a) that the voter's first preference vote is for the first candidate in the group, and
 - (b) that the voter's subsequent preference votes are for the other candidates in the group in the order in which their names appear on the ballot-paper.
- (4) Subsequent numbers appearing in group voting squares for other groups indicate that the voter's preferences (subsequent to those referred to in subsection (3)) are for the candidates in those groups:
 - (a) in the order in which those groups are numbered by the voter, and
 - (b) within each group, in the order in which the names of the candidates in that group appear on the ballot-paper.

308C Group voting—marking of ballot-papers

- (1) If a voter records a vote on a ballot-paper by placing a mark in a group voting square but also indicates preferences for individual candidates, the following provisions apply:
 - (a) if the indication of preferences for individual candidates would, if it stood alone,

constitute a formal vote, that indication of preferences is taken to be the vote of the voter and the mark in the group voting square is to be disregarded,

- (b) if the indication of preferences for individual candidates would not, if it stood alone, constitute a formal vote, it is to be disregarded and the vote of the voter is to be taken to have been expressed by the mark in the group voting square.
- (2) A ballot-paper is not informal by reason only that the voter has recorded a vote by placing a cross or a tick in a group voting square and not placing any mark or writing in any other group voting square, but the ballot-paper is to be treated as if the cross or tick were the number "1".
 - (3) A ballot-paper is not informal by reason only that the voter has recorded a vote by placing the number "1" or a tick in a group voting square and placing a cross in (or a line through) all or some of the other group voting squares on the ballot-paper, but the ballot-paper is to be treated as if the marks in those other squares did not appear on the ballot-paper and any such tick were the number "1".
 - (4) A ballot-paper on which the voter has recorded a vote by placing in one group voting square the number "1" is not informal by reason only that:
 - (a) the same preference (other than the first preference) is recorded on the ballot-paper for more than one group, but in that event the ballot-paper is to be treated as if those and any subsequent preferences had not been recorded, or
 - (b) there is a break in the order of preferences for groups, but in that event the ballot-paper is to be treated as if any preference after the break had not been recorded, or
 - (c) fewer preferences are recorded than there are candidates to be elected.
 - (5) The ballot-papers for an election are not informal by reason only that they contain the name of a candidate whom a court has declared to be incapable of being elected at that election, but a preference for such a candidate (whether individually or as a member of a group) is to be disregarded, and (if necessary) subsequent preferences are to be renumbered accordingly.

Note—

The regulations make further provision regarding the formality of ballot-papers.

308D Group voting—regulations

The regulations may make provision for or with respect to the grouping of candidates, group voting squares and the matter to be printed on ballot-papers.

309 Contested elections

- (1) If the number of candidates nominated for election as councillors for a ward or an

area is greater than the number required to be elected for the ward or area, the election is to be a contested election.

- (2) If there are two or more candidates for election by the electors of an area as mayor of the area, there is to be a contested election for the office.
- (3) If a candidate who is nominated for election to a civic office in respect of a ward or area dies before the day when the poll at a contested election closes, the election fails in respect of that civic office for the ward or area.

310 Conduct of contested elections

A contested election for a civic office is to be conducted as prescribed by the regulations.

311 Uncontested elections

- (1) A candidate nominated for election as a councillor for a ward or area is, without a poll being held, taken to have been elected if the number of candidates nominated for election as councillors for the ward or area is no greater than the number of councillors required to be elected for the ward or area.
- (2) A candidate nominated for election by the electors of the area as the mayor of the area is, without a poll being held, taken to have been elected if he or she is the only nominee for election as the mayor.
- (3) A person holding civic office under this section without a poll being held is taken to have been elected:
 - (a) on the day on which the poll would have been held, if the election were an ordinary election, or
 - (b) on the day of nomination, if paragraph (a) does not apply.
- (4) If a candidate who is nominated for election to a civic office in respect of a ward or area dies before the day referred to in subsection (3), the election in respect of that civic office for that ward or area is taken to have failed and no candidate in that election can be taken to have been elected in respect of that civic office for that ward or area.

Division 4 Where residents fail to vote

312 Offence

A person whose name is on the residential roll in respect of a ward or area must vote at any contested election in the ward or area (other than an election of the mayor by the councillors) unless the person has a sufficient reason not to vote.

Maximum penalty: 1 penalty unit.

313 List of residents failing to vote

After the close of the poll at a contested election, the Electoral Commissioner is to prepare a list of the names of the persons on the residential roll for the election who, although entitled to vote at the election, appear to have failed to vote and do not appear to have a sufficient reason for the failure.

314 Penalty notice to be issued for failure to vote

- (1) The Electoral Commissioner is to serve a penalty notice on each resident who is indicated on the list prepared under section 313 as appearing not to have a sufficient reason for failing to vote at an election.
- (2) A penalty notice is to be served within 3 months after the close of the poll at the election to which it relates and, if not served personally, is to be served by post at the address of the resident last known to the Electoral Commissioner.
- (3) A penalty notice is a notice in the form prescribed by the regulations to the effect that, if the resident does not desire to have the failure to vote dealt with by a court:
 - (a) the Electoral Commissioner must be given, within a time stated in the notice, a sufficient reason for the failure to vote, or
 - (b) a penalty of 0.5 penalty unit must be paid to the Electoral Commissioner.
- (4) If, within 28 days after service of the penalty notice, the Electoral Commissioner is given a sufficient reason for the failure to vote or the penalty is paid, the resident is not liable to any further proceedings for the offence to which the penalty notice relates.
- (5) If an insufficient reason for a failure to vote is given in response to a penalty notice, the Electoral Commissioner is to include a statement to that effect in any penalty reminder notice served under the *Fines Act 1996* in relation to the penalty notice.
- (6) For the purposes of this section, it is a sufficient reason for a failure by a resident to vote if the Electoral Commissioner is satisfied that the resident:
 - (a) is dead, or
 - (b) was absent from the area on polling day, or
 - (c) was ineligible to vote, or
 - (d) had an honest belief that he or she had a religious duty to abstain from voting, or
 - (e) (Repealed)
 - (f) was unable to vote for any other reason acceptable to the Electoral Commissioner.

- (7) If a penalty notice is served, the Electoral Commissioner is to note on the list prepared under section 313, or on a separate list of the residents on whom penalty notices have been served, whether or not there has been a response to the penalty notice and, if there has been a response, whether a sufficient reason has been given, or a penalty paid, for the failure to vote.

315 Evidence in list of non-voters

- (1) It is evidence:
- (a) of service of a penalty notice on a resident, or
 - (b) of a lack of response to a penalty notice served on a resident, or
 - (c) that a reason was given for a failure by a resident to vote at an election, but the reason was insufficient,
- if there is on a certified list a notation to that effect in relation to the resident.
- (2) For the purposes of this section, a certified list is a list that is certified by the Electoral Commissioner as (or as a copy of or extract from) the list prepared under section 313 or the separate list prepared under section 314 (7).

Chapter 11 How are councils staffed?

Introduction—

The Chapter provides for the employment of staff to assist councils to exercise their functions. A council should have sufficient and appropriately qualified staff for the efficient and effective management of its organisation.

The Chapter includes provision for the appointment by each council of a general manager and other senior staff and of a “public officer”. Some requirements concerning employment of staff are contained in other law (for example, industrial relations legislation).

Part 1 Organisation structure

332 Determination of structure

- (1) A council must determine:
- an organisation structure
 - those positions within the organisation structure that are senior staff positions
 - the resources to be allocated towards the employment of staff.
- (2) A council may not determine a position to be a senior staff position unless:
- (a) the responsibilities, skills and accountabilities of the position are generally equivalent to those applicable to the Executive Band of the Local Government (State) Award, and
- (b) the total remuneration package payable with respect to the position is equal to or greater than the minimum remuneration package (within the meaning of Part 3A of the *Statutory and Other Offices Remuneration Act 1975*) payable with respect

to senior executive office holders whose positions are graded Level 1 (General Management).

- (3) For the purposes of subsection (2) (b), the total remuneration package payable with respect to a position within a council's organisation structure includes:
- (a) the total value of the salary component of the package, and
 - (b) the total amount payable by the council by way of the employer's contribution to any superannuation scheme to which the holder of the position may be a contributor, and
 - (c) the total value of any non-cash benefits for which the holder of the position may elect under the package, and
 - (d) the total amount payable by the council by way of fringe benefits tax for any such non-cash benefits.

333 Re-determination of structure

The organisation structure may be re-determined by the council from time to time. It must be re-determined within 12 months after any ordinary election of the council.

Part 2 The general manager and other senior staff

334 Appointment of general manager

- (1) A council must appoint a person to be its general manager. The person must not be a body corporate.
- (2) The position of general manager is a senior staff position.

335 Functions of general manager

- (1) The general manager is generally responsible for the efficient and effective operation of the council's organisation and for ensuring the implementation, without undue delay, of decisions of the council.
- (2) The general manager has the following particular functions:
 - the day-to-day management of the council
 - to exercise such of the functions of the council as are delegated by the council to the general manager
 - to appoint staff in accordance with an organisation structure and resources approved by the council
 - to direct and dismiss staff

- to implement the council's equal employment opportunity management plan.

Chapter 12 How do councils operate?

Introduction—

This Chapter describes the ways in which a council carries out its functions and makes decisions.

The Chapter enables each council to adopt a code of meeting practice after giving public notice of a draft code. The Chapter provides for the basic matters concerning council meetings (frequency of meetings, notice of meetings, quorum, voting, rescission motions, committees etc).

The Chapter enables a council to delegate its functions, other than those functions the delegation of which is expressly prohibited. Functions that may not be delegated include the making of a rate or charge, the borrowing of money, the compulsory acquisition of land, the adoption of financial statements and the classification of public land as operational land. Functions may

be delegated to the general manager and to specified persons and bodies but may not be delegated directly by the council to council employees other than the general manager.

The Chapter requires councils to have public liability and professional liability insurance. The Chapter also makes provision for the constitution, functions, operation and dissolution of county councils.

Part 1 General

A function of a council may, subject to this Chapter, be exercised:

Chapter 13 How are councils made accountable for their actions?

Introduction—

This Chapter sets out the mechanisms by which a council is made accountable for its actions.

Each year, a council is required to adopt a management plan that sets out its proposed strategy for at least the following 3 years, together with its proposed revenue policy for the next year. The management plan is to include a statement of the council's objectives and performance targets for its principal activities.

Public notice is to be given by the council of its management plan.

A council is required to have 2 funds (a consolidated fund and a trust fund). It must keep proper accounts which are to be audited annually.

Each year, a council is required to prepare an annual report on its work and activities.

The Minister retains a supervisory role in relation to councils. The Minister and the Director-General are able to call for further information from councils, and the Director-General is able to authorise persons to investigate and report on matters connected with a council's work and activities and to direct a council to act on any recommendations contained in such a report.

Members of the general public are entitled to inspect a wide range of council documents (see section 12). Members of the general public are also entitled, under the [Freedom of Information Act 1989](#), to be given access to certain other documents held by a council. They are also entitled to require the correction of certain kinds of information in the event that the information is incomplete, incorrect, out of date or misleading.

Chapter 14 Honesty and disclosure of interests

Introduction—

This Chapter places obligations on councillors, council delegates and staff of councils to act honestly and responsibly in carrying out their functions.

The Chapter also requires councils to adopt a code of conduct for councillors, staff and other persons associated with the functions of councils. However, the Chapter does not affect any other duties imposed by other laws or any offences created by other laws.

It also requires that pecuniary interests of councillors, council delegates and other persons involved in making decisions or giving advice on council matters be publicly recorded and requires councillors and staff to refrain from taking part in decisions on council matters in which they have a pecuniary interest.

The Chapter enables any person to make a complaint concerning a failure to disclose a pecuniary interest and provides for the investigation of complaints.

The Chapter also establishes the Local Government Pecuniary Interest Tribunal.

The Tribunal is empowered to conduct hearings into complaints and to take disciplinary action against a person if a complaint against the person is found to be proved.

490 Annual report

The Pecuniary Interest Tribunal must, within 2 months after the end of each year, provide a report to the Minister concerning proceedings that have been conducted before it during that year.

Chapter 15 How are councils financed?

Introduction—

The main sources of council finance are:

- rates, of which there are 2 kinds

- ordinary rates
- special rates
- charges
- fees
- grants
- borrowings
- income from business activities
- income from land
- income from other investments
- sales of assets.

This Chapter deals mainly with the making and collection of the different kinds of rates and the imposition of charges.

Part 1 gives a general overview of the principles of rating and explains the relationship between ordinary rates, special rates and charges.

A council must make an ordinary rate each year. The amount of the ordinary rate may differ according to the category of the land to which it applies and it may differ according to sub-categories within those categories.

A council has a discretion whether it will make a special rate. Special rates may be levied for services provided by the council (such as water supply) or for special purposes.

A council has 2 choices in determining the structure of a rate (whether an ordinary rate for a category or sub-category of land or a special rate). It may decide that the rate is to be wholly an ad valorem rate (that is, an amount in the dollar that is to be applied uniformly to the rateable value of all rateable land in its area subject to the rate). It may decide, instead, that a rate is to have a 2-part structure. The first part is to be a base amount that will be the same for each parcel of rateable land subject to the rate. This base amount will be the amount that the council determines to be the basic contribution required to cover the general operating costs of the council or to cover the cost of providing the specific service or facilities to which it relates. The second part is to be an ad valorem amount. The 2 parts are added together to produce the amount of the rate to be paid in respect of the rateable parcel.

If a council makes a rate with a 2-part structure, the application of the base amount for the rate (or the category or sub-category of the rate) must not produce more than 50% of the total revenue derived from the rate (or the category or sub-category of the rate).

Special provisions are made for the rating of vacant land.

The Chapter also enables the making and collection of charges. A charge may be made in relation to specified services provided by a council (such as the provision of water, sewerage or drainage services or the collection of garbage). A charge may be set at a level that enables part or full cost recovery or, in some cases, that exceeds costs.

A council may impose charges in addition to ordinary rates and special rates or in substitution for special rates that may be made for the same purposes as a charge.

A charge, when made, has the same characteristics as a rate concerning payment, the accrual of interest (if the charge remains unpaid) and the procedures that may be taken for its recovery.

The reasonable cost to the council of providing domestic waste management services must not be recovered by the ordinary rate. It must be obtained from the making and levying of a charge.

Part 1 An overview of rates and charges

491 Some sources of a council's income

A council may, in accordance with this Chapter, obtain income from:

- rates
- charges
- fees
- grants
- borrowings
- investments.

492 What are the types of rates?

The types of rates that can be made by a council are:

- ordinary rates
- special rates.

493 Categories of ordinary rates and categories of land

(1) There are 4 categories of an ordinary rate and 4 categories of rateable land:

- farmland
- residential
- mining
- business.

(2) These categories may, at a council's discretion, be divided into sub-categories in accordance with section 529.

494 Ordinary rates must be made and levied annually

- (1) A council must make and levy an ordinary rate for each year on all rateable land in its area.
- (2) Each category or subcategory of ordinary rate is to apply only to land of the same category or subcategory.

495 Making and levying of special rates

- (1) A council may make a special rate for or towards meeting the cost of any works,

services, facilities or activities provided or undertaken, or proposed to be provided or undertaken, by the council within the whole or any part of the council's area, other than domestic waste management services.

- (2) The special rate is to be levied on such rateable land in the council's area as, in the council's opinion:
 - (a) benefits or will benefit from the works, services, facilities or activities, or
 - (b) contributes or will contribute to the need for the works, services, facilities or activities, or
 - (c) has or will have access to the works, services, facilities or activities.

Note—

Under section 495, a council could, for example make and levy:

- different special rates for different kinds of works, services, facilities or activities
- different special rates for the same kind of work, service, facility or activity in different parts of its area
- different special rates for the same work in different parts of its area.

The amount of special rate will be determined according to the council's assessment of the relationship between the cost or estimated cost of the work, service, facility or activity and the degree of benefit afforded to the ratepayer by providing or undertaking the work, service, facility or activity.

496 Making and levying of annual charges for domestic waste management services

- (1) A council must make and levy an annual charge for the provision of domestic waste management services for each parcel of rateable land for which the service is available.
- (2) A council may make an annual charge for the provision of a domestic waste management service for a parcel of land that is exempt from rating if:
 - (a) the service is available for that land, and
 - (b) the owner of that land requests or agrees to the provision of the service to that land, and
 - (c) the amount of the annual charge is limited to recovering the cost of providing the service to that land.

497 What is the structure of a rate?

A rate, whether an ordinary rate or a special rate, may, at a council's discretion, consist of:

- (a) an ad valorem amount (which may, in accordance with section 548, be subject to a minimum amount of the rate), or

- (b) a base amount to which an ad valorem amount is added.

498 The ad valorem amount

- (1) The ad valorem amount of a rate is an amount in the dollar determined for a specified year by the council and expressed to apply:
 - (a) in the case of an ordinary rate—to the land value of all rateable land in the council's area within the category or sub-category of the ordinary rate, or
 - (b) in the case of a special rate—to the land value of all rateable land in the council's area or such of that rateable land as is specified by the council in accordance with section 538.
- (2) The ad valorem amount of a rate is to be levied on the land value of rateable land, except as provided by this or any other Act.
- (3) An ad valorem amount specified for a parcel of land may not differ from an ad valorem amount specified for any other parcel of land within the same category or subcategory unless:
 - (a) the land values of the parcels were last determined by reference to different base dates, and
 - (b) the Minister approves the different ad valorem amounts.

Note—

Land value is defined in the Dictionary for this Act. Generally, it is a value determined specially for rating purposes by the Valuer-General under the [Valuation of Land Act 1916](#).

A value other than land value may be used, for example, under section 127 of the [Heritage Act 1977](#).

499 The base amount

- (1) A council may, in a resolution making a rate, specify a base amount of the rate, or a base amount for a category or sub-category of an ordinary rate.
- (2) The base amounts so specified may be the same or different amounts.
- (3) The appropriate base amount so specified is to form part of the rate levied on each separate parcel of rateable land subject to the rate.
- (4) A base amount specified for a parcel of land may not differ from a base amount specified for any other parcel of land within the same category or subcategory unless:
 - (a) the land values of the parcels were last determined by reference to different base dates, and
 - (b) the Minister approves the different base amounts.

500 Limit on revenue that can be raised from base amount

The amount specified as the base amount of a rate (or the base amount of the rate for a category or sub-category of an ordinary rate) must not be such as to produce more than 50 per cent of the total amount payable by the levying of the rate (or of the rate for the category or sub-category concerned) on all rateable land subject to the rate (or the rate for the category or sub-category concerned).

501 For what services can a council impose an annual charge?

- (1) A council may make an annual charge for any of the following services provided, or proposed to be provided, on an annual basis by the council:
 - water supply services
 - sewerage services
 - drainage services
 - waste management services (other than domestic waste management services)
 - any services prescribed by the regulations.
- (2) A council may make a single charge for two or more such services.
- (3) An annual charge may be levied on each parcel of rateable land for which the service is provided or proposed to be provided.

502 Charges for actual use

A council may make a charge for a service referred to in section 496 or 501 according to the actual use of the service.

503 What is the relationship between rates and charges?

- (1) A charge may be made:
 - (a) in addition to an ordinary rate, and
 - (b) in addition to or instead of a special rate.
- (2) If land is not rateable to a special rate for a particular service, a council may not levy a charge in respect of that land relating to the same service, unless the charge is limited to recovering the cost of providing the service to that land.

504 Domestic waste management services

- (1) A council must not apply income from an ordinary rate towards the cost of providing domestic waste management services.
 - (1A) Subsection (1) does not prevent income from an ordinary rate from being lent (by

way of internal loan) for use by the council in meeting the cost of providing domestic waste management services.

- (2) Income to be applied by a council towards the cost of providing domestic waste management services must be obtained from the making and levying of annual charges or the imposition of charges for the actual use of the service, or both.
- (3) Income obtained from charges for domestic waste management must be calculated so as to not exceed the reasonable cost to the council of providing those services.

Part 2 Limit of annual income from rates and charges

505 Application of Part

This Part applies to:

- (a) **general income**, that is, income from ordinary rates, special rates and annual charges, other than:
 - (i) water supply special rates and sewerage special rates, and
 - (ii) charges for water supply services and sewerage services, and
 - (iii) annual charges for waste management services, including annual charges for domestic waste management services, and
 - (iv) annual charges referred to in section 611, and
- (b) annual charges made and levied towards the cost of providing domestic waste management services.

506 Variation of general income

507 Variation of annual charges for domestic waste management services

The Minister may, by order published in the Gazette:

- (a) specify the percentage by which the amounts of annual charges made by councils for domestic waste management services for a specified year may be varied, and
- (b) impose conditions with respect to the variation of those charges.

508 Orders under secs 506 and 507

- (1) The year specified in an order under section 506 or 507 may be the year in which the order is published in the Gazette or a later year.

- (2) The Minister may, by instrument in writing given to a council:
 - (a) specify the percentage by which the council's general income or the amount of an annual charge for domestic waste management services, or both, for a specified year (being the year in which the instrument is given or a later year) may be varied, and
 - (b) impose conditions with respect to the variation of that percentage.
- (3) An instrument made under subsection (2) takes effect on the day it is signed by the Minister.
- (4) Subject to subsection (5), a percentage specified in an order under section 506 or 507 applies to all councils uniformly, but does not apply to a council specified (in the order by which the percentage is specified) as being a council to which the percentage does not apply.
- (5) A percentage specified in an order under section 506 or 507 for a year does not apply, and (if relevant) is taken never to have applied, to a council to which a percentage specified under subsection (2) for that year applies, whether the order specifying the percentage was made before, on or after the day on which the instrument specifying the percentage under subsection (2) was made.
- (6) The Minister may specify a percentage by way of increase or decrease or a nil percentage for the purposes of section 506 or 507 or this section.
- (7) The Minister may, by order published in the Gazette, specify that no limitation is to apply for the purposes of section 506 or 507 or this section for a specified year.

509 Maximum general income for a year

- (1) A council must not make rates and charges for a year so as to produce general income of an amount that exceeds the notional general income of the council for the previous year as varied by the percentage (if any) applicable to the council under section 506 or 508 (2) for the year for which the rates and charges are made, except as provided by section 511 or 511A.
- (2) The ***notional general income of a council for the previous year*** is the amount that would have been derived if the same rates and charges as were made to produce the general income for that previous year had been so made but, in the case of rates, had been made in respect of:
 - (a) the valuations of rateable land in the council's valuation record applicable as at 1 July in that previous year and required under this Act to be used in that previous year for the making and levying of rates (not including valuations of those parcels of rateable land for which supplementary valuations referred to in paragraph (b) have been furnished), and

- (b) supplementary valuations of rateable land having the same base date as those valuations and furnished to the council under the *Valuation of Land Act 1916* during that previous year, and
- (c) any estimates of increase in value of rateable land that are provided to the council under section 513 in respect of that previous year.

510 Maximum annual charge for domestic waste management services

- (1) A council must not make an annual charge for domestic waste management services for a parcel of rateable land that exceeds the annual charge for the parcel for the previous year as varied by the percentage (if any) applicable to the council under section 507 or 508 (2) for the year for which the charge is made.
- (2) The annual charge for a parcel of land for a previous year:
 - (a) in the case of a parcel for which a charge has been made for part of the year only, is taken to be the charge that was actually made, multiplied by 365 and divided by the number of days in respect of which the charge was made, and
 - (b) in the case of a parcel for which no charge was actually made for the previous year, is taken to be the charge that was actually made for that year in relation to a comparable parcel of land (that is, a parcel of land of the same classification, of a similar size and in the same general locality).

511 Catching up of shortfall in general income

- (1) If the rates and charges made by a council for a year that produce its general income produce an amount of general income that is less than the maximum amount permissible under section 509 for that year because the council did not apply a full percentage increase applicable to it under section 506 or 508 (2) for the year for which the rates and charges were made, the council may make rates and charges for either or both of the next 2 years after the year for which the shortfall occurred so as to produce the maximum amount so permissible of the general income plus the whole or any part of the shortfall.
- (2) An amount of a shortfall caught up in accordance with this section may be caught up once only.

511A Catching up of income lost due to reductions in valuation

- (1) This section applies to a council that cannot recover or retain a part of the maximum permissible general income determined under this Part for a year because, after the determination is made, a valuation used in making a rate is reduced on objection under Part 3, or appeal under Part 4, of the *Valuation of Land Act 1916*. The part of the maximum permissible general income that cannot be recovered or retained is referred to in this section as the **unrecovered amount**.

- (2) The council may increase the maximum permissible general income determined under this Part for a year by any unrecovered amount for a previous year.

512 Effect of contravening section 509, 510, 511 or 511A

- (1) If a council contravenes section 509, 510, 511 or 511A in making a rate or charge for a year:
- (a) the contravention does not affect the validity of the rate or charge, but
 - (b) rates and charges made for the following year by the council are invalid for all purposes unless:
 - (i) before the rates and charges were made the council submitted to the Minister such information respecting the rates and charges proposed to be made for that following year as the Minister may require and the Minister, by order published in the Gazette, approved of their being made, and
 - (ii) the rates and charges conform with the Minister's approval, and
 - (iii) the council did not contravene section 509, 510, 511 or 511A in making the rates and charges.
- (2) The Minister may, by order published in the Gazette, exempt a specified council from the operation of subsection (1) (b) for a specified year.
- (3) Section 712 does not prevent a person's liability for a rate or charge that is invalid because of subsection (1) (b) from being disputed at any time on the ground of that invalidity.

513 Estimates of increases and decreases in value for purposes of notional rate income

- (1) A council may, at any time after 31 January in any year but before 31 May in that year, request the Valuer-General to provide:
- (a) estimates of increases and decreases in values for parcels of rateable land for which supplementary valuations are required to be furnished under the [Valuation of Land Act 1916](#) but which, before the date of the request, have not been so furnished, and
 - (b) estimates of increases and decreases in values for parcels of rateable land for which supplementary valuations have been or are required to be furnished under the [Valuation of Land Act 1916](#) but which have or will have a different base date from those used for rating purposes for that year because of a general valuation furnished in that year for the council's area.
- (2) The Valuer-General must provide the estimates within 1 month after the date of the request.

- (3) An estimate must be made with respect to the same base date as the valuations used for rating purposes for the year in which the request is made.
- (4) An estimate may relate to all parcels of rateable land of the class for which a kind of ordinary rate was made for the relevant year by the council.

Part 3 Ordinary rates

514 Categorisation of land for purposes of ordinary rates

Before making an ordinary rate, the council must have declared each parcel of rateable land in its area to be within one or other of the following categories:

- farmland
- residential
- mining
- business.

Note—

Land falls within the “business” category if it cannot be categorised as farmland, residential or mining. The main land uses that will fall within the “business” category are commercial and industrial.

515 Categorisation as farmland

- (1) Land is to be categorised as **farmland** if it is a parcel of rateable land valued as one assessment and its dominant use is for farming (that is, the business or industry of grazing, animal feedlots, dairying, pig-farming, poultry farming, viticulture, orcharding, bee-keeping, horticulture, vegetable growing, the growing of crops of any kind, forestry or aquaculture within the meaning of the [Fisheries Management Act 1994](#), or any combination of those businesses or industries) which:
 - (a) has a significant and substantial commercial purpose or character, and
 - (b) is engaged in for the purpose of profit on a continuous or repetitive basis (whether or not a profit is actually made).
- (2) Land is not to be categorised as farmland if it is rural residential land.
- (3) The regulations may prescribe circumstances in which land is or is not to be categorised as farmland.

516 Categorisation as residential

- (1) Land is to be categorised as **residential** if it is a parcel of rateable land valued as one assessment and:
 - (a) its dominant use is for residential accommodation (otherwise than as a hotel, motel, guest-house, backpacker hostel or nursing home or any other form of residential accommodation (not being a boarding house or a lodging house) prescribed by the regulations), or
 - (b) in the case of vacant land, it is zoned or otherwise designated for use under an

environmental planning instrument (with or without development consent) for residential purposes, or

(c) it is rural residential land.

(1A) For the purposes of this section, a **boarding house** or a **lodging house** means a building wholly or partly let as lodging in which each letting provides the tariff-paying occupant with a principal place of residence and in which:

(a) each tariff charged does not exceed the maximum tariff for boarding houses or lodging houses for the time being determined by the Minister by order published in the Gazette for the purposes of this subsection, and

(b) there are at least 3 tariff-paying occupants who have resided there for the last 3 consecutive months, or any period totalling 3 months during the last year,

and includes a vacant building that was so let immediately before becoming vacant, but does not include a residential flat building, licensed premises, a private hotel, a building containing serviced apartments or a backpacker hostel or other tourist establishment.

(2) The regulations may prescribe circumstances in which land is or is not to be categorised as residential.

517 Categorisation as mining

(1) Land is to be categorised as **mining** if it is a parcel of rateable land valued as one assessment and its dominant use is for a coal mine or metalliferous mine.

(2) The regulations may prescribe circumstances in which land is or is not to be categorised as mining.

518 Categorisation as business

Land is to be categorised as **business** if it cannot be categorised as farmland, residential or mining.

518A Strata lots and company titles taken to be separate parcels of land for categorisation

For the purposes of this Part:

(a) each lot in a strata plan that is registered under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986*, and

(b) each dwelling or portion of the kind referred to in section 547 (1),

is taken to be a separate parcel for the purposes of categorisation.

518B Mixed development land

- (1) **Definitions** In this section, ***mixed development land*** and ***non-residential land*** have the same meanings as in section 14BB of the *Valuation of Land Act 1916*.
- (2) **Categorisation of parts of mixed development land** If a valuation is furnished under the *Valuation of Land Act 1916* for mixed development land:
 - (a) the part of the land that is non-residential land is taken to have been categorised as business, and
 - (b) the part of the land that is not non-residential land is taken to have been categorised as residential,despite sections 515–518.
- (3) **Sub-categories** The council may determine a sub-category for a part of land to which subsection (2) applies according to the category determined by that subsection for the part.
- (4) **Apportionment of rates and charges** A rate, the base amount of a rate, or the minimum amount of a rate or of a charge, that is made and levied according to categories or sub-categories of land is to apply to a parcel of mixed development land according to the percentages represented by the apportionment factor for the parcel ascertained under section 14X of the *Valuation of Land Act 1916*.

519 How is vacant land to be categorised?

If vacant land is unable to be categorised under section 515, 516 or 517, the land is to be categorised:

- (a) if the land is zoned or otherwise designated for use under an environmental planning instrument—according to any purpose for which the land may be used after taking into account the nature of any improvements on the land and the nature of surrounding development, or
- (b) if the land is not so zoned or designated—according to the predominant categorisation of surrounding land.

520 Notice of declaration of category

- (1) A council must give notice to each rateable person of the category declared for each parcel of land for which the person is rateable.
- (2) The notice must be in the approved form and must:
 - (a) state that the person has the right to apply to the council for a review of the declaration that the land is within the category stated in the notice, and

(b) state that the person has the right to appeal to the Land and Environment Court if dissatisfied with the council's review, and

(c) refer to sections 525 and 526.

521 When does the declaration of a category take effect?

A declaration that a parcel of land is within a particular category takes effect from the date specified for the purpose in the declaration.

522 When does the declaration of a category cease?

A declaration that a parcel of land is within a particular category ceases when a subsequent declaration concerning the land takes effect.

523 When are the declarations of categories reviewed?

(1) A council need not annually review a declaration that a parcel of land is within a particular category, but may review a declaration:

(a) as part of a general review of the categorisation of all or a number of parcels of land, or

(b) because it has reason to believe that a parcel of land should be differently categorised.

(2) A council must review a declaration if required to do so in accordance with section 525 by a person who is rateable in respect of a parcel of land to which the declaration applies.

524 Notice of change of category

A rateable person (or the person's agent) must notify the council within 30 days after the person's rateable land changes from one category to another.

525 Application for change of category

(1) A rateable person (or the person's agent) may apply to the council at any time:

(a) for a review of a declaration that the person's rateable land is within a particular category for the purposes of section 514, or

(b) to have the person's rateable land declared to be within a particular category for the purposes of that section.

(2) An application must be in the approved form, must include a description of the land concerned and must nominate the category the applicant considers the land should be within.

(3) The council must declare the land to be within the category nominated in the

application unless it has reasonable grounds for believing that the land is not within that category.

- (4) If the council has reasonable grounds for believing that the land is not within the nominated category, it may notify the applicant of any further information it requires in order to be satisfied that the land is within that category. After considering any such information, the council must declare the category for the land.
- (5) The council must notify the applicant of its decision. The council must include the reasons for its decision if it declares that the land is not within the category nominated in the application.
- (6) If the council has not notified the applicant of its decision within 40 days after the application is made to it, the council is taken, at the end of the 40-day period, to have declared the land to be within its existing category.

526 Appeal against declaration of category

- (1) A rateable person who is dissatisfied with:
 - (a) the date on which a declaration is specified, under section 521, to take effect, or
 - (b) a declaration of a council under section 525,may appeal to the Land and Environment Court.
- (2) An appeal must be made within 30 days after the declaration is made.
- (3) The Court, on an appeal, may declare the date on which a declaration is to take effect or the category for the land, or both, as the case requires.

527 Adjustment of rates following change in category

A council must make an appropriate adjustment of rates paid or payable by a rateable person following a change in category of land.

528 Rate may be the same or different for different categories

- (1) The ad valorem amount (the amount in the dollar) of the ordinary rate may be the same for all categories of land or it may be different for different categories.
- (2) The regulations may provide that the ad valorem amount of the ordinary rate for land categorised as mining is to be not more or less than a specified percentage of the ad valorem amount of the ordinary rate for land categorised as business. The regulations may apply to all councils or one or more councils specified in the regulations.

529 Rate may be the same or different within a category

- (1) Before making an ordinary rate, a council may determine a sub-category or sub-

categories for one or more categories of rateable land in its area.

(2) A sub-category may be determined:

- (a) for the category “farmland”—according to the intensity of land use or economic factors affecting the land, or
- (b) for the category “residential”—according to whether the land is rural residential land or is within a centre of population, or
- (c) for the category “mining”—according to the kind of mining involved, or
- (d) for the category “business”—according to a centre of activity.

Note—

In relation to the category “business”, a centre of activity might comprise a business centre, an industrial estate or some other concentration of like activities.

(3) The ad valorem amount (the amount in the dollar) of the ordinary rate may be the same for all land within a category or it may be different for different sub-categories.

530 Ad valorem rate for the category “farmland”

If the ad valorem amount is different for different categories or different sub-categories within a category, the ad valorem amount for the category “farmland” (or each sub-category within that category) must be lower than the ad valorem amount in each other category (or each sub-category within those other categories).

531 What provisions of this Part apply to the determination of sub-categories?

- (1) Sections 519–527 apply to the determination of sub-categories for a category of rateable land in the same way as those sections apply to the declaration of a category.
- (2) Notice of determination of a sub-category may be given in the same notice as the notice of declaration of a category.

Part 3A Charges

531A Adjustment of charges following change in category

If the amount of a charge paid or payable by a person is determined by reference (or partly by reference) to a category or sub-category of land declared by the council under Part 3, the council must make an appropriate adjustment of the charge following a change in category or sub-category of the land.

531B Aggregation of certain parcels subject to a charge

- (1) If the council is of the opinion that the levying of a charge:
 - (a) would apply unfairly, and

(b) could cause hardship to a person who is liable to the charge in respect of two or more separate parcels of land,

it may treat the parcels as being a single parcel and levy the charge accordingly.

(2) Separate parcels may be treated as being a single parcel under this section only if each separate parcel is subject to the same category or sub-category declared by the council under Part 3.

(3) A council must not treat separate parcels as being a single parcel under this section:

(a) if each parcel is a parcel on which a dwelling is erected or a parcel that comprises (or substantially comprises) a dwelling in a residential flat building, or

(b) if the parcels are a combination of parcels referred to in paragraph (a).

Part 4 Making of rates and charges

532 Publication of draft management plan

A council must not make a rate or charge until it has given public notice (in accordance with section 405) of its draft management plan for the year for which the rate or charge is to be made and has considered any matters concerning the draft management plan (in accordance with section 406).

533 Date by which a rate or charge must be made

A rate or charge must be made before 1 August in the year for which the rate or charge is made or before such later date in that year as the Minister may, if the Minister is of the opinion that there are special circumstances, allow.

534 Rate or charge to be made for a specified year

Each rate or charge is to be made for a specified year, being the year in which the rate or charge is made or the next year.

535 Rate or charge to be made by resolution

A rate or charge is made by resolution of the council.

536 What criteria are relevant in determining the base amount?

(1) In determining a base amount of a rate, the council must have regard to (but is not limited to) the following:

- its general administration and overhead costs
- the extent to which projected ad valorem rates on individual properties do not reflect the cost of providing necessary services and facilities

- the level of grant or similar income available to provide necessary services and facilities
- the degree of congruity and homogeneity between the values of properties subject to the rate and their spread throughout the area
- whether a rate that is wholly an ad valorem rate would result in an uneven distribution of the rate burden because a comparatively high proportion of assessments would bear a comparatively low share of the total rate burden
- in the case of a special rate—the cost of providing the works, services, facilities or activities to the parcels of land subject to the rate (ignoring the rateable value of those parcels).

(2) The council, in having regard to its general administration and overhead costs, must use net costs, with income being included in the calculation of standard costs for all community service functions, library services, recreational and cultural facilities and amenities and the like.

537 Form of resolution specifying base amounts of rates

In the resolution that specifies a base amount of a rate, or the base amount of a rate for a category or sub-category of an ordinary rate, the council must state:

- (a) the amount in dollars of the base amount, and
- (b) the percentage, in conformity with section 500, of the total amount payable by the levying of the rate, or the rate for the category or sub-category concerned of the ordinary rate, that the levying of the base amount will produce.

538 Form of resolution for special rate

- (1) In the resolution that makes a special rate, the council must state whether the special rate is to be levied on all rateable land in the council's area or on only a part of that land.
- (2) If the special rate is to be levied on only a part of that land, the council must specify in the resolution the part on which it is to be levied.

539 What criteria are relevant in determining the amount of a charge?

- (1) In determining the amount of a charge for a service, the council may have regard to (but is not limited to) the following:
 - the purpose for which the service is provided
 - the nature, extent and frequency of the service
 - the cost of providing the service

- the categorisation for rating purposes of the land to which the service is provided
- the nature and use of premises to which the service is provided
- the area of land to which the service is provided
- in the case of water supply services—the quantity of water supplied.

(2) The amount of a charge need not be limited to recovering the cost of providing the service for which the charge is made, except as provided by sections 503 (2) and 504 (3).

540 Form of charge

The amount of a charge may be expressed as a single amount or as a rate per unit or as any combination of them.

Note—

For example, the amount of a charge for a water supply service could be a fixed amount, a rate per kilolitre, or a combination of them.

541 Differing amounts of a charge

A council may determine differing amounts for the same charge.

542 Minimum amounts of charges

A council may, in a resolution making a charge, specify a minimum amount of the charge or, if the council has determined differing amounts for the same charge, minimum amounts for each such differing amount.

543 Each form of rate and each charge to have its own name

- (1) A council must, when making an ordinary rate, give a short separate name for each amount of the ordinary rate.
- (2) A council must, when making a special rate, give the special rate a short name.
- (3) A council must, when making a charge, give a short separate name for each amount of the charge.

Note—

The names given to the ordinary rate could include names like:

Farmland—Ordinary

Farmland—Poultry farms

Residential—A

Residential—B

The names given to special rates could include names like:

Upper Smithtown water rate

Lower Smithtown water rate

Leisure centre—primary rate

Leisure centre—secondary rate

The names given to charges could include names like:

Waste management services—domestic

Waste management services—commercial

544 Inclusion of names in rates and charges notices

A council must include the name of each rate and charge, in full or in an abbreviated form, in the rates and charges notice by which the rate or charge is levied.

545 Curing of irregularities

- (1) The Minister may authorise a council to do such things as may be necessary to cure an irregularity in the making or levying of a rate or charge.
- (2) The Minister may declare, by order published in the Gazette, that a rate or charge that would otherwise be invalid because of a provision of this Part is taken to have been validly made from the time it purported to have been made. Such an order has effect according to its tenor.
- (3) The Minister may not make such an order unless, in the Minister's opinion, the rate or charge concerned is invalid only because of a minor and technical breach of one or more of the provisions of this Part.
- (4) The Minister may make such an order even though proceedings in relation to the validity have commenced.

Part 5 Levying of rates and charges

Division 1 General

546 How is a rate or charge levied?

- (1) A rate or charge is levied on the land specified in a rates and charges notice by the service of the notice.
- (2) The notice may be served at any time after 1 July in the year for which the rate or charge is made or in a subsequent year.
- (3) A notice that is required to effect an adjustment of rates or charges may be served in the year for which the rate or charge is made or a subsequent year.
- (4) The notice may include more than one rate, more than one charge and more than one parcel of land.
- (5) It is not necessary to specify the name of the rateable person or the person liable to

pay the charge in the notice if the council does not know the person's name.

547 Method of rating dwellings under company title

- (1) For the purposes of this Act:
 - (a) a person who, because of the ownership of shares in a company, is entitled to occupy a dwelling in, or a portion of, a building containing two or more such dwellings or portions is taken to be the owner of land (or two or more persons who, because of the ownership of the shares in a company, are entitled to occupy the same dwelling in or portion of, such a building are taken together to be the owners of land), and
 - (b) the land value of the land of which the person is (or the persons are) taken to be the owner (or owners) is that proportion of the land value of the land on which the building is erected as the number of shares in the company owned by the person (or persons) bears to the total number of shares issued by the company.
- (2) The secretary of such a company must notify the council of:
 - (a) the names and addresses of owners of shares in the company and of the number of shares issued to each owner, and
 - (b) changes in ownership of any shares in the company.
- (3) A rate or charge, to the extent to which it is payable by the owners of shares in accordance with this section, is not also payable by the company in which those shares are held.

Note—

The rating of land under strata title is provided for:

- in the case of land under the *Strata Schemes (Freehold Development) Act 1973*—in Part 4 of that Act
- in the case of land under the *Strata Schemes (Leasehold Development) Act 1986*—in Part 4 of that Act.

548 Minimum amounts

- (1) A council, in a resolution making a rate consisting of an ad valorem amount:
 - (a) may specify a minimum amount of the rate which must be levied in respect of each separate parcel, or
 - (b) may specify:
 - (i) a minimum amount of the rate which must be levied in respect of each separate parcel, other than a separate parcel consisting of vacant land, and
 - (ii) a minimum amount of the rate, being less than the minimum amount of rate specified under subparagraph (i), which must be levied in respect of each

separate parcel consisting of vacant land, or

- (c) may specify:
- (i) a minimum amount of the rate which must be levied in respect of each separate parcel, other than a separate parcel consisting of vacant land, and
 - (ii) a minimum amount of the rate, being less than the minimum amount of the rate specified under subparagraph (i), which must be levied in respect of each separate parcel consisting of vacant land, other than a separate parcel consisting of vacant flood liable land or vacant coastal hazard liable land, and
 - (iii) a minimum amount of the rate, being less than the minimum amount of the rate specified under subparagraph (ii), which must be levied in respect of each separate parcel of vacant flood liable land or vacant coastal hazard liable land.
- (2) If a council makes an ordinary rate for different categories or sub-categories of land, it may specify a different minimum amount for each category or sub-category of land.
- (3) Except as provided by subsection (4), the minimum amount of a rate is to be:
- (a) in respect of an ordinary rate, such amount as is determined by the council, not exceeding \$259 or such greater amount as may be prescribed by the regulations or, in the case of a rate for which a particular council may, under subsection (1) or (2), specify a minimum amount, such greater amount as the Minister may determine by instrument in writing, or
 - (b) in respect of any other rate (not being a water supply special rate or a sewerage special rate), such amount as is determined by the council, not exceeding \$2 or such greater amount as the Minister may determine by instrument in writing given to the council.
- (4) If the minimum amount of an ordinary rate for the previous year exceeded the amount prescribed or determined in respect of such a rate under subsection (3) (a), the council may determine the minimum amount of the ordinary rate in accordance with subsection (5).
- (5) The minimum amount of the ordinary rate must be of such amount as is determined by the council, not exceeding the amount of the minimum ordinary rate for the previous year increased by the percentage (if any) specified in respect of the council under this Act.
- (6) A minimum amount of a rate is not invalid because:
- (a) the minimum amount is levied on the whole or any part of the land subject to the rate, or
 - (b) of the size of the minimum amount.

- (7) A council may not specify a minimum amount of a rate consisting of a base amount to which an ad valorem amount is added.
- (8) A minimum amount of a rate specified for a parcel of land may not differ from a minimum amount specified for any other parcel of land within the same category or sub-category unless:
 - (a) the land values of the parcels were last determined by reference to different base dates, and
 - (b) the Minister approves the different minimum amounts.

548A Aggregation of values of certain parcels subject to rates containing base amounts

- (1) If the council is of the opinion that the levying of a minimum rate or of a rate containing a base amount:
 - (a) would apply unfairly, and
 - (b) could cause hardship to a rateable person who is rateable in respect of two or more separate parcels of land subject to the rate,it may aggregate the land values of such of the parcels as it determines and levy the rate on the aggregated land values.
- (2) Land values may be aggregated under this section for separate parcels of land only if each separate parcel is subject to:
 - (a) the same category or subcategory of the same ordinary rate, or
 - (b) the same special rate.
- (3) A council must not aggregate the land values of two or more separate parcels of land:
 - (a) if each parcel is a parcel on which a dwelling is erected or a parcel that comprises (or substantially comprises) a dwelling in a residential flat building, or
 - (b) if the parcels are a combination of parcels referred to in paragraph (a).

549 Reduction of rates containing base amounts if levied on vacant land

- (1) A council may determine that a rate (whether an ordinary rate or a special rate) consisting of a base amount to which an ad valorem amount is added is to be levied on:
 - (a) vacant land, or
 - (b) vacant land that has suffered physical damage (such as flood liable or coastal hazard affected land), or

(c) land prescribed by the regulations for the purposes of this section,
in accordance with this section.

(2) If:

- (a) the rate were to be levied on land on the basis that the rate consisted of only the ad valorem amount, and
- (b) the amount payable as a consequence of levying the ad valorem amount on the land would be less than \$250 (or such other amount as may be prescribed by the regulations),

the rate payable in respect of the land is \$250 (or such other amount as may be prescribed by the regulations) or the base amount of the rate, whichever is the lesser.

550 Charge of rates and charges on land

- (1) A rate or charge levied under this Act on land (including any interest accrued on the rate or charge as referred to in section 566) and any costs awarded to the council by a court in proceedings to recover the rate or charge are a charge on the land.
- (2) The charge ranks on an equal footing with a charge on the land under any other Act but takes priority over any other charge or encumbrance.
- (3) The charge does not affect:
 - (a) the estate of the Crown in land owned by the Crown, or
 - (b) the estate of a Crown lessee if the lease is granted after the rate or charge was levied (whether or not the land was previously held under a lease from the Crown).
- (4) The charge does not affect a bona fide purchaser for value who made due inquiry at the time of purchase but had no notice of the liability. A purchaser who has obtained a certificate under section 603 is taken to have made due inquiry.

575.

582 Abandonment of pensioners rates and charges

A council may waive or reduce rates, charges and interest due by any person prescribed by the regulations who is in receipt of a pension, benefit or allowance under the [Social Security Act 1991](#) of the Commonwealth.

583 Writing off of pensioners rates and charges

- (1) A council is to write off amounts of rates, charges and interest which are reduced or waived under this Division.
- (2) A council may not take proceedings to recover an amount so written off unless the amount has been written off because of a wilfully false statement in an application under this Division or except as provided by section 584.

584 Ending of concession

- (1) If circumstances occur that cause a person's entitlement to a reduction, under this Division, of rates or charges to cease, the entitlement is taken to cease on the last day of the quarterly instalment period during which those circumstances occur.
- (2) If, at the time the entitlement is taken to cease, the rates or charges for the whole year, reduced under this Division, have been paid in full, the portion of the payment that is proportionate to the quarterly instalment periods remaining after that time is to be credited to the rates or charges payable in respect of that part of the year remaining after that time.

Division 2 Other concessions

Note—

This Division enables a ratepayer to apply for a postponement of part of rates on land which is used only as the site of a house or rural land but, because of its zoning or permitted use, is valued for rating purposes in a way that reflects its permitted use rather than its actual use.

This Division also entitles the Maritime Services Board, the State Rail Authority and the State Transit Authority to a 25% rebate for ordinary rates payable for certain land.

Other rating concessions may be provided under other Acts. For example, section 127 of the [Heritage Act 1977](#) provides for rates to be levied on heritage valuations determined in accordance with that Act instead of on other valuations.

585 Who may apply for postponement of rates?

The rateable person for land described in any of the following paragraphs may apply to the council for a postponement of rates payable for the land in the current or following rating year (or in both years):

- (a) a parcel of land on which there is a single dwelling-house used or occupied as such and which is zoned or otherwise designated for use under an environmental planning

instrument for the purposes of industry, commerce or the erection of residential flat buildings, not being land referred to in paragraph (b) or (c),

- (b) a parcel of land (which may comprise one or more lots or portions in a current plan) on which there is a single dwelling-house used or occupied as such and which is zoned or otherwise designated under an environmental planning instrument so as to permit its subdivision for residential purposes, not being land referred to in paragraph (c),
- (c) a parcel of rural land (which may comprise one or more lots or portions in a current plan) which is zoned or otherwise designated under an environmental planning instrument so as to permit its use otherwise than as rural land, or its subdivision into two or more lots or portions, one or more of which has an area of less than 40 hectares.

586 Applications to be referred to Valuer-General

- (1) The council must refer the application to the Valuer-General to determine the attributable part of the land value of the land if the council is satisfied that the land is described in section 585 (a), (b) or (c).
- (2) The Valuer-General must determine the attributable part of the land value and notify the council of the determination.

587 Attributable part of land value of land

- (1) The attributable part of the land value of land described in section 585 (a) or (b) is determined by deducting from the land value the value that the land would have if the land could be used only as the site of a single dwelling-house.
- (2) The attributable part of the land value of land described in section 585 (c) that may be used otherwise than as rural land is determined by deducting from the land value the value that the land would have if the land could be used only as rural land.
- (3) The attributable part of the land value of land described in section 585 (c) that may be subdivided into one or more lots having an area of less than 40 hectares is determined by deducting from the land value the value that the land would have if the land could only be subdivided into lots having an area of 40 hectares or more.

588 Determination of attributable part of land value by Valuer-General

The Valuer-General must not, in determining the attributable part of the land value of land described in section 585 (a) or (b), take into account any portion of the land which the Valuer-General considers to be in excess of that which is reasonably necessary to be occupied or used in conjunction with the single dwelling-house.

589 Redetermination of attributable part of land value

- (1) If a valuation for which the attributable part of the land value of land was determined

is altered on objection or for the correction of a clerical error or misdescription, the council must require the Valuer-General to redetermine the attributable part of the land value of the land.

- (2) The Valuer-General must, on redetermination of the attributable part of the land value of land, notify the council of the redetermination.

590 Use of determination of attributable part of land value

The attributable part of the land value of land determined, or redetermined, by the Valuer-General may be used by a council for the purpose of postponing rates only while the circumstances that made the land eligible for a postponement of rates under this Division continue to exist and the valuation of the land value for which the determination was made remains in use for rating purposes.

591 Postponement of rates

- (1) A council must, in accordance with this section, postpone the payment of rates for land in any rating year for which a determination or redetermination of the attributable part of the land value is in force.
- (2) For land for which no base amount of a rate is specified, the amount of the rate postponed is to be the same proportion of the rate as the attributable part of the land value bears to the land value.
- (3) For land for which a base amount of a rate is specified, the amount of the rate postponed is to be the same proportion of the ad valorem amount of the rate as the attributable part of the land value bears to the land value.

592 Interest on postponed rates

Interest accrues on parts of rates postponed under this Division as if the rates were overdue rates and, for this purpose, the due dates for payment are taken to be the respective dates on which the parts of the rates which were payable became due.

593 Paid rates to be refunded

The council must refund to a rateable person any amount of rates paid by the person which exceeds the amount of the rates remaining after part of the rates is postponed.

594 Adjustment of rates

On a redetermination of the attributable part of the land value of land, a council must adjust amounts payable for rates or to be postponed as appropriate. Any amounts paid in excess are to be refunded and amounts short-paid are recoverable as arrears of rates.

595 Rates to be written off after 5 years

- (1) If 5 years have elapsed since the commencement of a rating year for which part of

the rates levied on land have been postponed under this Division, the part postponed and any interest accrued on that part must be written off by the council.

- (2) Nothing in this section affects the right of the council to recover rates and interest, even though they have been written off under this section, if it subsequently appears to the council that they should not have been written off.

596 Change of circumstances

A rateable person for land for which an application has been made under this Division but not determined, or for which a determination or redetermination of the attributable part of the land value is in force, must inform the council (within 1 month) if land used or occupied solely as a site for a single dwelling-house, or as rural land, ceases to be so used or occupied.

597 Entitlement to postponement ceases

A person ceases to be entitled to a postponement of rates under this Division if the whole of a parcel of land used or occupied solely as a site for a single dwelling-house, or as rural land, ceases to be so used or occupied.

598 Redetermination on partial change of circumstances

- (1) If part only of a parcel of land used or occupied solely as the site of a single dwelling-house or as rural land ceases to be so used or occupied, the council must require the Valuer-General to determine the amount of the attributable part of the land value of the land (if any) in relation to that part of the land and each other part of the land.
- (2) The council must, in accordance with the Valuer-General's redetermination, make a due adjustment to the rates payable, or apply the provisions postponing rates, as it considers equitable in the circumstances.

599 When and how is an application made for the purposes of this Division?

- (1) An application under this Division is to be made within the time and in the manner prescribed by the regulations.
- (2) If no such regulations are in force, the application is to be made within the time and in the manner fixed by resolution of the council.
- (3) If, pursuant to an application made under this Division, a reduced rate applies, the council may, if the eligibility of the rateable person for a reduction in a subsequent rate is verified by the council as prescribed by the regulations, reduce the subsequent rate without requiring a further application under this Division.

600 Rebates in respect of certain land vested in public bodies

- (1) The rateable person in respect of a parcel of land vested in a public body is entitled to

a rebate of 25 per cent of the ordinary rate made and leviable on the land or, if on objection by the council the Minister determines a lesser rebate, the lesser rebate.

- (2) The amount of the rebate is to be written off and abandoned by the council.
- (3) The rebate is to be allowed only if:
 - (a) access to the parcel is wholly or substantially over other lands for which the public body provides at its own cost such services as materially benefit the parcel, and
 - (b) the parcel is included in the then current list referred to in subsection (5), and
 - (c) the council has not objected to the inclusion of the parcel in the list or its objection has been dismissed.
- (4) The rate notice must state the amount of the rebate, and, if an objection has been lodged under this section, must not be served unless and until the objection has been determined.
- (5) A public body in which is vested any parcel of land in respect of which the rateable person is entitled to a rebate under this section must furnish to the council not later than 30 April before the commencement of the year for which the rate is made a list setting out the parcels of land of the nature referred to in subsection (3) (a), giving particulars of each parcel, the means of access to them and the material services provided by the public body in respect of those parcels as at 31 March in the year in which the list is furnished.
- (6) If the council objects to the inclusion of any parcel in the list, it must serve notice of objection on the public body and on the Minister within 2 months after the list is furnished.
- (7) The Minister may allow or dismiss an objection, but, before determining an objection, the Minister must, if either the public body or the council so desires, afford them an opportunity of appearing before and being heard by a person appointed by the Minister for that purpose.
- (8) The decision of the Minister on an objection is final.
- (9) In this section:

access and **means of access** include lifts, stairways, escalators and passageways in or on a building, structure, work or excavation.

public body means the Waterways Authority, a Port Corporation within the meaning of the [Ports Corporatisation and Waterways Management Act 1995](#), the State Rail Authority, Rail Infrastructure Corporation and the State Transit Authority.

services means cleaning, lighting, repairs and maintenance of any access and means

of access.

601 Hardship resulting from certain valuation changes

- (1) A ratepayer who, as a consequence of the making and levying of a rate on a valuation having a later base date than any valuation previously used by a council for the making and levying of a rate, suffers substantial hardship, may apply to the council for relief under this section.
- (2) The council has a discretion to waive, reduce or defer the payment of the whole or any part of the increase in the amount of the rate payable by the ratepayer in such circumstances, for such period and subject to such conditions as it thinks fit.
- (3) An applicant who is dissatisfied with a council's decision under this section may request the council to review its decision and the council, at its discretion, may do so.

Part 9 Miscellaneous matters concerning rates and charges

602 Record of rates and charges

- (1) A council is required to keep a record of:
 - (a) each rate and charge made by it, and

- (2) The application must be in the approved form and be accompanied by the approved fee.
- (3) The council is to issue a certificate to the applicant stating:

other amounts are due or payable, and

- (b) the balance of any special rate waived, under section 565, and the period for which it is waived, and

 - (d) the name of the person shown in the council's records at the date of the certificate as the owner of the land, if the person acquired the land under Division 5 of Part 2 of Chapter 17.
- (4) The production of the certificate is taken for all purposes to be conclusive proof in favour of a bona fide purchaser for value of the matters certified.
- (5) For the purposes of this section, rates, charges and other amounts are taken to be due or payable even though the requisite period after service of any notice may not have expired.

604 Notice of transfer of land

- (2) The particulars do not have to be given if they are notified in the Gazette within the 60-day period.

607 Writing off of rates, charges and accrued interest

The regulations may specify circumstances, in addition to those for which provision is made in this Chapter, in which a council may write off rates and charges and interest accrued on unpaid rates and charges.

Part 10 Fees

608 Council fees for services

- (1) A council may charge and recover an approved fee for any service it provides, other than a service provided, or proposed to be provided, on an annual basis for which it is authorised or required to make an annual charge under section 496 or 501.
- (2) The services for which an approved fee may be charged include the following services provided under this Act or any other Act or the regulations by the council:
 - supplying a service, product or commodity
 - giving information
 - providing a service in connection with the exercise of the council's regulatory functions—including receiving an application for approval, granting an approval, making an inspection and issuing a certificate
 - allowing admission to any building or enclosure.
- (3) In particular, a council may charge an approved fee for inspecting premises that are reasonably required to be inspected in the exercise of the council's functions, whether or not the inspection is requested or agreed to by the owner or occupier of the premises.
- (4) However, a council may not charge an approved fee for the inspection of premises that are not used for a commercial activity, except where it is necessary to inspect the premises in connection with an application for an approval concerning the premises or in connection with any inspection that is reasonably necessary to determine if an

approval has been complied with.

- (5) (Repealed)
- (6) If inspections of premises are reasonably necessary to determine if an approval has been complied with:
 - (a) an approved fee may be charged for such an inspection only if the charging of the fee has been included as a condition of the approval, and
 - (b) an approved fee may not be charged for such an inspection before the approval is granted, and
 - (c) an approved fee may not be charged for the inspection of any thing for which the council relies on a certificate under section 93 that the thing has been done in compliance with the approval.
- (7) An approved fee charged for inspecting premises must be repaid to the person who paid it if the inspection is not carried out.
- (8) An approved fee charged in connection with a service provided at an airport established and maintained by the council may be recovered from the holder of the certificate of registration issued under the *Civil Aviation Regulations* of the Commonwealth for the aircraft in respect of which the service was provided. This subsection applies whether or not the holder is the person to whom the service is actually provided.

609 How does a council determine the amount of a fee for a service?

- (1) A council, if it determines the amount of an approved fee for a service, must take into consideration the following factors:
 - the cost to the council of providing the service
 - the price suggested for that service by any relevant industry body or in any schedule of charges published, from time to time, by the Department
 - the importance of the service to the community
 - any factors specified in the regulations.
- (2) The cost to the council of providing a service in connection with the exercise of a regulatory function need not be the only basis for determining the approved fee for that service.
- (3) A higher fee or an additional fee may be charged for an expedited service provided, for example, in a case of urgency.

610 Effect of other Acts

- (1) If the amount of a fee for a service is determined under another Act:
 - (a) a council may not determine an amount that is inconsistent with the amount determined under the other Act, and
 - (b) a council may not charge a fee in addition to the amount determined under the other Act.
- (2) If the charging of a fee for a service is prohibited under another Act, a council must not charge a fee for the service under this Act.

610A Council may waive or reduce fees

- (1) A council may waive payment of, or reduce, an approved fee (whether expressed as an actual or a maximum amount) in a particular case if the council is satisfied that the case falls within a category of hardship or any other category in respect of which the council has determined payment should be so waived or reduced.
- (2) However, a council must not determine a category of cases under this section until it has given public notice of the proposed category in the same way as it is required to give public notice of the amount of a proposed approved fee under section 612 (2) or (3).

611 Annual charge on rails, pipes etc

- (1) A council may make an annual charge on the person for the time being in possession, occupation or enjoyment of a rail, pipe, wire, pole, cable, tunnel or structure laid, erected, suspended, constructed or placed on, under or over a public place.
- (2) The annual charge may be made, levied and recovered in accordance with this Act as if it were a rate but is not to be regarded as a rate for the purposes of calculating a council's general income under Part 2.
- (3) The annual charge is to be based on the nature and extent of the benefit enjoyed by the person concerned.
- (4) If a person is aggrieved by the amount of the annual charge, the person may appeal to the Land and Environment Court and that Court may determine the amount.
- (5) A person dissatisfied with the decision of the Court as being erroneous in law may appeal to the Supreme Court in the manner provided for appeals from the Land and Environment Court.
- (6) This section does not apply to:
 - (a) the Crown, or

- (b) the Sydney Water Corporation, the Hunter Water Corporation or a water supply authority, or
- (c) Rail Infrastructure Corporation, or
- (d) the owner or operator of a light rail system (within the meaning of the *Transport Administration Act 1988*), but only if the matter relates to the development or operation of that system and is not excluded by the regulations from the exemption conferred by this paragraph.

612 Public notice of approved fees

- (1) A council must not determine the amount of an approved fee until it has given public notice of the fee in accordance with this section and has considered any submissions duly made to it during the period of public notice.
- (2) Public notice of the amount of a proposed fee must be given (in accordance with section 405) in the draft management plan for the year in which the fee is to be made.
- (3) However, if, after the date on which the management plan commences:
 - (a) a new service is provided, or the nature or extent of an existing service is changed, or
 - (b) the regulations in accordance with which the fee is determined are amended,the council must give public notice (in accordance with section 705) for at least 28 days of the fee proposed for the new or changed service or the fee determined in accordance with the amended regulations.
- (4) This section does not apply to an approved fee determined by a council for an application made in a filming proposal, if that fee is consistent with a scale or structure of fees set out in a filming protocol.
