10E ARTC to be endorsed on self-insurer licences

(1) For the purposes of section 88ZA (1) (d) and (e), (3) and (4) of the Act, section 211A of the *Workers Compensation Act 1987* applies to ARTC as if it were a wholly owned subsidiary of any rail authority that has employees who are temporary members of staff of ARTC.

An election must be made not later than 30 days after commencement of employment with ARTC, or the commencement of this clause, whichever occurs later.
- (3) Despite subclauses (4)-(6), a member of staff who elects to cash out his or her leave entitlements does not retain any rights to any such leave entitlements. However, previous service is to be taken into account for the purposes of an entitlement to long service leave in respect of future service.
- (4) Continuous service of a member of staff with one or more rail authorities is taken, for all purposes, as service with ARTC.
- (5) In particular, without limiting the operation of subclause (4), a member of staff retains

any leave entitlements accrued in previous employment with one or more rail authorities.

- (6) A person's entitlement to any such leave is to be calculated:

- (3) Any former member of staff who applies for a vacant position to which this clause applies has the same rights of appeal against the filling of the position as the person would have if the person were a member of the rail authority that has the vacancy.
- (4) This clause does not apply to a person who is no longer employed by ARTC or if, at the time the vacancy is first advertised, a period of 3 years or more has elapsed since the person was first employed by ARTC.

10H ARTC staff who become employees of rail authorities

- (1) This clause applies to a member of staff of ARTC to whom clause 10F applies who:
 - (a) resigns as a member of staff of ARTC, and
 - (b) becomes a member of staff of a rail authority (the **new employer**) not more than 30 days after ceasing to be a member of staff of ARTC.
- (2) Continuous service of a member of staff with one or more rail authorities or ARTC is taken, for all purposes, as service with the new employer.
- (3) In particular, without limiting the operation of subclause (2), a member of staff retains any rights to annual leave, extended leave or long service leave and sick leave

accrued in previous employment with one or more rail authorities and ARTC.

- (4) A person's entitlement to any such leave is to be calculated:
- (a) for the part of any period during which that leave accrued or was accruing before employment with the new employer commenced—at the rate of accrual for the time being applicable to the person before that day, and
 - (b) for the part of the period that occurred after that commencement—at the rate of accrual for the time being applicable to the person after that day.
