- (2) This section is subject to any order of the Supreme Court under section 15 (2).

## **15 Challenges to schemes**

- (4) The Council must comply with any such direction but may on its own initiative, at any time while the scheme remains in force, prepare an amendment to or revocation of a scheme.

- (5) The provisions of sections 7–15 apply, with any necessary modifications, to the amendment or revocation of a scheme as well as to the making of a scheme.

## **Division 2 Contents of schemes**

### **17 Persons to whom scheme applies**

- (1) A scheme may provide that it applies to all persons within an occupational association or to a specified class or classes of persons within an occupational association.
- (2) A scheme may provide that the occupational association concerned may, on application by a person, exempt the person from the scheme.
- (3) A scheme ceases to apply to a person exempted from the scheme as referred to in subsection (2) on and from the date on which the exemption is granted or on and from a later date specified in the exemption.
- (4) Subsection (2) does not apply to a person to whom a scheme applies by virtue of section 18, 19 or 20.

### **18 Officers or partners of persons to whom scheme applies**

- (1) If a scheme applies to a body corporate, the scheme also applies to each officer of the body corporate.
- (2) If a scheme applies to a person, the scheme also applies to each partner of the person.
- (3) However, if an officer of a body corporate or a partner of a person is entitled to be a member of the same occupational association as the body corporate or person, but is not a member, the scheme does not apply to that officer or partner.
- (4) In this section:

***officer:***

- (a) in relation to a body corporate that is a corporation within the meaning of the [Corporations Act 2001](#) of the Commonwealth, has the same meaning as in that Act, and
- (b) in relation to a body corporate that is not a corporation within the meaning of that Act, means any person (by whatever name called) who is concerned in or takes part in the management of the body corporate.

### **19 Employees of persons to whom a scheme applies**

- (1) If a scheme applies to a person, the scheme also applies to each employee of the person.

- (2) However, if an employee of a person is entitled to be a member of the same occupational association as the person but is not a member, the scheme does not apply to the employee.

## 20 Other persons to whom a scheme applies

If persons are prescribed by the regulations for the purposes of section 29 (4) as being associated with persons to whom a scheme applies, the scheme also applies to the prescribed persons.

### 20A Extension of liability limitation to other persons to whom scheme applies

- (1) A limitation that applies under this Act to the occupational liability of a person as a member of an occupational association in respect of a cause of action (the **principal cause of action**) also applies, in respect of the principal cause of action and any related cause of action, to the liability of any other person to whom the scheme concerned applies as a partner, officer, employee or associate of the member (whether or not the other person's liability is an occupational liability).

#### Note—

Sections 18-20 provide for a scheme to apply to a partner, officer, employee or associate of a member of an occupational association to whom the scheme applies.

- (2) A **related cause of action** is a cause of action in respect of civil liability of the other person arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by that person that caused or contributed to the loss or damage with which the principal cause of action is concerned and that resulted from the same or substantially the same event as that from which the principal cause of action arose.
- (3) A reference in this section to a person who is a partner, officer, employee or associate of a member of an occupational association is a reference to a person who was such a partner, officer, employee or associate at the time of the event that gave rise to the principal cause of action.
- (4) A reference in this section to a limitation on liability that applies to a person as a member of an occupational association includes a reference to a limitation on liability that would apply to the person if a cause of action relating to the liability were brought against the person.
- (5) In this section:

**associate** of a person means someone who is associated with the person pursuant to the regulations under section 29 (4) (b).

#### **officer:**

- (a) in relation to a body corporate that is a corporation within the meaning of the [Corporations Act 2001](#) of the Commonwealth, has the same meaning as in that

Act, and

- (b) in relation to a body corporate that is not a corporation within the meaning of that Act, means any person (by whatever name called) who is concerned in or takes part in the management of the body corporate.

## **21 Limitation of liability by insurance arrangements**

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court that the person has the benefit of an insurance policy:

- (a) insuring the person against that occupational liability, and
- (b) under which the amount payable in respect of the occupational liability relating to the cause of action (including any amount payable by way of excess under or in relation to the policy) is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred,

the person is not liable in damages in relation to that cause of action above the amount so specified.

## **22 Limitation of liability by reference to amount of business assets**

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court:

- (a) that the person has business assets the net current market value of which is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred, or
- (b) that:
  - (i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability, and
  - (ii) the net current market value of the business assets and the amount payable under the insurance policy in respect of the occupational liability relating to the cause of action (including any amount payable by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred,

the person is not liable in damages in relation to that cause of action above the amount of

the monetary ceiling so specified.

### **23 Limitation of liability by multiple of charges**

- (1) A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court:
- (a) that the person has the benefit of an insurance policy:
    - (i) insuring the person against that occupational liability, and
    - (ii) under which the amount payable in respect of the occupational liability relating to the cause of action (including any amount payable by way of excess under or in relation to the policy) is not less than an amount (in this section called the **limitation amount**), being a reasonable charge for the services provided by the person or which the person failed to provide and to which the cause of action relates, multiplied by the multiple specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred, or
  - (b) that person has business assets the net current market value of which is not less than the limitation amount, or
  - (c) that:
    - (i) the person has business assets and the benefit of an insurance policy insuring the person against that occupational liability, and
    - (ii) the net current market value of the assets and the amount payable under the insurance policy in respect of the occupational liability relating to the cause of action (including any amount payable by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the limitation amount,

the person is not liable in damages in relation to that cause of action above the limitation amount or, if the scheme specifies a minimum cap determined by the Council for the purposes of the scheme that is higher than the limitation amount, above the amount of the minimum cap so specified.

- (2) In determining the amount of a reasonable charge for the purposes of such a provision, a court is to have regard to any amount actually charged and to:
- (a) the amount that would ordinarily be charged in accordance with a scale of charges accepted by the occupational association of which the person is a member, or
  - (b) if there is no such scale, the amount that a competent person of the same

qualifications and experience as the person would be likely to charge in the same circumstances.

- (3) This section does not limit an amount of damages to which a person is liable if the amount is less than the amount specified for the purpose in the scheme in relation to the class of person and the kind of work concerned.

#### **24 Specification of limits of liability and multiples**

- (1) A scheme may:
- (a) specify the same maximum amount of liability in relation to all cases to which the scheme applies or different maximum amounts of liability for different cases or classes of case or for the same case or class of case for different purposes, and
  - (b) confer a discretionary authority on an occupational association, on application by a person to whom the scheme applies, to specify in relation to the person a higher maximum amount of liability than would otherwise apply under the scheme in relation to the person either in all cases or in any specified case or class of case.
- (2) A scheme may specify a multiple, monetary ceiling or minimum cap by way of a formula that is to be applied to calculate the multiple, ceiling or cap.

#### **25 Combination of provisions under sections 21, 22 and 23**

If, in a scheme, provisions of the kind referred to in section 23 and provisions of the kind referred to in section 21 or 22 (or both) apply to a person at the same time in respect of the same kind of work, the scheme must provide that the damages which may be awarded against the person are to be determined in accordance with section 23 but must not exceed the amount of the monetary ceiling specified in relation to the class of person and the kind of work in the provisions of the kind referred to in section 21 or 22.

#### **26 Liability that cannot be limited by a scheme**

- (1) A scheme can only affect the liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding such amount (but not less than \$500,000) as is determined for the purposes of the scheme by the Council and specified in the scheme.
- (2) In making a determination, the Council must have regard to:
- (a) the number and amounts of claims made against persons within the occupational association concerned, and
  - (b) the need to adequately protect consumers.
- (3) A Council determination:
- (a) takes effect when an amendment providing for its specification in the scheme

takes effect, and

(b) applies only to a cause of action that arises after the determination takes effect.

## **27 Insurance to be of requisite standard**

For the purposes of a scheme, an insurance policy must be a policy, or a policy of a kind, which complies with standards determined by the occupational association whose members may be insured under such a policy, or a policy of such a kind.

## **Division 3 Effect of schemes**

### **28 Limit of occupational liability by schemes**

- (1) To the extent provided by this Act and the provisions of the scheme, a scheme limits the occupational liability, in respect of a cause of action founded on an act or omission occurring during the period when the scheme is in force, of any person to whom the scheme applied at the time when the act or omission occurred.
- (2) The applicable limitation of liability is the limitation specified by the scheme as in force at the time of the relevant act or omission.
- (3) A limitation of liability that, in accordance with this section, applies in respect of an act or omission continues to apply to every cause of action founded on it, irrespective of when the cause arises or proceedings are instituted in respect of it, and even if the scheme has been amended or has, in accordance with section 32, ceased to be in force.
- (4) A person to whom a scheme applies cannot choose not to be subject to the scheme, except in accordance with provisions included in the scheme under section 17 (2).

### **29 Limitation of amount of damages**

- (1) **Limitation imposed on single claims** A limitation imposed by a scheme in force under this Act of an amount of damages is a limitation of the amount of damages that may be awarded for a single claim and is not a limitation of the amount of damages that may be awarded for all claims arising out of a single event.
- (2) **No splitting of plaintiffs** Claims by a number of persons who have a joint interest in a cause of action are to be treated as a single claim for the purposes of this Act despite the fact that they may also have several interests.
- (3) **No splitting of defendants** Two or more claims by the same person arising out of a single event against persons to whom a scheme in force under this Act applies and who are associated are to be treated as a single claim for the purposes of this Act.
- (4) **Associated defendants** Persons are associated if they are:

- (a) partners, employees of the same employer or in the relationship of employer and employee, or
- (a1) officers of the same body corporate or in the relationship of body corporate and officer of the body corporate (with **officer** having the same meaning as in section 18), or
- (b) persons who are prescribed by the regulations for the purposes of this subsection.

### **30 Effect of scheme on other parties to proceedings**

A scheme does not limit the liability of a person who is a party to proceedings if the scheme does not apply to the person.

### **31 Proceedings to which a scheme applies**

A scheme in force under this Act applies to proceedings relating to an act or omission that occurred after the commencement of the scheme.

### **32 Duration of scheme**

- (1) A scheme remains in force for such period (not exceeding 5 years) from its commencement as is determined by the Council unless, before the end of the period so determined:
  - (a) it is revoked, or
  - (b) its operation is extended by notice under this section, or
  - (c) its operation ceases because of the operation of another Act.
- (2) The Minister may, by notice published in the Gazette, extend the period for which a scheme is in force. The notice must be published on or before the day when the original period ends.
- (3) Only one extension may be effected under subsection (2) in respect of any particular scheme, and the maximum period of such an extension is 12 months.

### **33 Notification of limitation of liability**

- (1) If a person's occupational liability is limited in accordance with this Part, all documents given by the person to a client or prospective client that promote or advertise the person or person's occupation, including official correspondence ordinarily used by the person in the performance of the person's occupation and similar documents, must carry a statement to that effect.
- (2) A person who contravenes this section is guilty of an offence.

Maximum penalty: 50 penalty units.

- (3) The regulations may prescribe a form of statement for the purposes of this section.
- (4) A person does not commit an offence against this section if the statement carried on the person's documents is in the prescribed form.
- (5) In this section, a reference to a document does not include a reference to a business card.

### **Part 3 Compulsory insurance**

#### **34 Occupational association may compel its members to insure**

- (1) An occupational association may require its members to hold insurance against occupational liability.
- (2) Such a requirement may be imposed as a condition of membership or otherwise.
- (3) The occupational association may set the standards with which the insurance must comply (for example, as to the amount of the insurance).
- (4) The occupational association may specify different standards of insurance for different classes of members or for different kinds of work or on the basis of any other differing circumstances that it considers relevant.

#### **35 Monitoring claims**

- (1) An occupational association may establish a committee for monitoring and analysing claims made against its members for occupational liability or two or more occupational associations may establish a common committee for that purpose.
- (2) It is not necessary for all the committee members to be members of the occupational association or associations concerned. (For example, members may include representatives of insurers.)
- (3) An occupational association may, through such a committee or otherwise, issue practice advice to its members with a view to minimising claims for occupational liability.

### **Part 4 Risk management**

#### **36 Risk management strategies**

- (1) If an occupational association seeks the approval of the Council under section 7 to a scheme, it must furnish the Council with:
  - (a) a detailed list of the risk management strategies intended to be implemented in respect of its members, and
  - (b) the means by which those strategies are intended to be implemented.

- (2) The means of implementation may be imposed as a condition of membership or otherwise.
- (3) The strategies are to apply in addition to other statutory requirements and must not be inconsistent with them.

### **37 Reporting**

- (1) An occupational association must provide information to the Council concerning its risk management strategies if requested to do so by the Council.
- (2) An occupational association must provide an annual report to the Council as to the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them.
- (3) The occupational association's annual report is to be incorporated into the Council's annual report in such form as the Council determines.

## **Part 5 Complaints and disciplinary matters**

### **38 Occupational Associations (Complaints and Discipline) Code**

- (1) A scheme may adopt the provisions of the Model Code set out in Schedule 1 with such additions, omissions or other modifications (if any) as may be approved by the Council.
- (2) The modifications may include provisions relating to the making and determination of complaints and the imposition and enforcement of disciplinary measures against members of an occupational association, including (but not limited to) the following:
  - (a) the establishment of committees for the purpose of implementing the Model Code or any of its provisions,
  - (b) the procedure at meetings of any such committee,
  - (c) whether any such committee may administer an oath,
  - (d) the application or exclusion of the rules of and practice as to evidence,
  - (e) the grounds on which a complaint may be made,
  - (f) the verification of complaints by statutory declaration,
  - (g) the suspension of members from membership or from practice,
  - (h) the imposition of fines,
  - (i) the making of appeals,
  - (j) the exchanging of information with other occupational associations (within or

outside New South Wales).

#### **39 Constitution of the Council**

### **Division 2 Membership and procedure of the Council**

#### **40 Membership of the Council**

### **4 Who may make a complaint?**

Any person may make a complaint (including the occupational association and the Council).

### **5 How is a complaint made?**

A complaint may be made to the occupational association. The complaint must be in writing and contain the particulars of the allegations on which it is founded. The occupational association must notify the Council of each complaint made to it (other than a complaint made by the Council).

A function of an occupational association under this Code may, in accordance with a resolution of the association, be exercised by the executive body of the association or by a person or persons appointed for the purpose.
