Part 2 Licences

Division 1 Requirement for licence

7 Offence of carrying on unauthorised security activity

A person must not carry on a security activity unless the person is the holder of a licence authorising the person to carry on the activity.

Maximum penalty:

- (a) in the case of a corporation—100 penalty units, or
- (b) in the case of an individual—50 penalty units or imprisonment for 6 months, or both.

8 Licences do not confer additional powers

A licence does not confer on the licensee any function apart from a function authorised by the licence.

Division 2 Licence classification

9 Classes of licences

A licence may be of one of the following classes:

- (a) a master licence,
- (b) a class 1 licence,
- (c) a class 2 licence.

10 Master licences

- (1) A master licence authorises the licensee to employ or provide persons to carry on security activities.
- (2) The authority conferred by a master licence allows only the employment or provision of persons who are the holders of a licence.
- (3) A master licence does not authorise the licensee to enter into any arrangement, by

contract, franchise or otherwise, with another person for the purpose of employing or providing persons to carry on security activities unless the other person is the holder of a master licence.

11 Class 1 licences

- (1) Class 1 licences are to be classified into subclasses. Those subclasses, and the authority they confer, are as follows:
 - (a) class 1A—authorises the licensee to patrol, guard, watch or protect property (including the guarding of cash in transit) or to carry on such other activities as may be prescribed by the regulations,
 - (b) class 1B—authorises the licensee to act as a bodyguard,
 - (c) class 1C—authorises the licensee to act as a crowd controller or bouncer.
- (2) The relevant subclass is to be endorsed on each class 1 licence. More than one such subclass may be endorsed on a class 1 licence.

12 Class 2 licences

- (1) Class 2 licences are to be classified into subclasses. Those subclasses, and the authority they confer, are as follows:
 - (a) class 2A—authorises the licensee to act as a security consultant,
 - (b) class 2B—authorises the licensee to sell security equipment, to carry out surveys and inspections of security equipment and to give advice about security equipment,
 - (c) class 2C—authorises the licensee to install, repair, service or maintain security equipment,
 - (d) class 2D—authorises the licensee to provide training or instruction in relation to any security activity.
- (2) The relevant subclass is to be endorsed on each class 2 licence. More than one such subclass may be endorsed on a class 2 licence.
- (3) The authority conferred by a class 2D licence does not extend to training or instruction in the use of firearms.

Note—

Trainers and instructors of security guards and security personnel who use firearms in their employment are approved by the Commissioner under the [Firearms \(General\) Regulation 1997](#) and are required to be licensed under the [Firearms Act 1996](#).

- (4) A class 2D licence may, in accordance with the regulations, be combined with a class 1 licence into a single composite licence that authorises the licensee to carry on more

than one kind of security activity.

13 Persons who may hold class 1 and class 2 licences

A person is eligible to hold a class 1 or class 2 licence only if the person is an individual who:

- (a) is employed by the holder of a master licence, or
- (b) is self-employed and the holder of a master licence.

Division 3 Licensing procedures and criteria

14 Application for licence

- (1) A person may apply to the Commissioner for the grant of a licence.
- (2) An application must be in the approved form and be accompanied:
 - (a) by the fee prescribed by the regulations, and
 - (b) by such information and particulars as may be prescribed by the regulations.
- (3) In the case of an application for a class 1 or class 2 licence, the applicant must:
 - (a) specify the name and business address of the applicant's employer (except in the case of an applicant who is the holder of a master licence and who is self-employed), and
 - (b) provide 2 written references from such class or classes of persons as are prescribed by the regulations to the effect that the applicant is a fit and proper person to work in the security industry.

15 Restrictions on granting licence—general suitability criteria

- (1) The Commissioner must refuse to grant an application for a licence if the Commissioner is satisfied that the applicant:
 - (a) is not a fit and proper person to hold the class of licence sought by the applicant, or
 - (b) is not of or above the age of 18, or
 - (c) does not hold the qualifications and experience prescribed by the regulations in respect of the class of licence sought by the applicant, or
 - (d) is not competent to carry on the security activity to which the proposed licence relates, or
 - (e) is not an Australian citizen or a permanent Australian resident.

- (2) The Commissioner must refuse to grant an application for a licence to carry on a security activity that involves the possession of a firearm if the applicant is not authorised by a licence or permit under the *Firearms Act 1996* to possess or use the firearm.
- (3) The Commissioner may refuse to grant an application for a licence if the Commissioner considers that the grant of the licence would be contrary to the public interest.
- (4) The regulations may provide additional mandatory or discretionary grounds for refusing the granting of an application for a licence.
- (5) A reference in this section to an applicant includes, in the case of an application for a master licence, a reference to each close associate of the applicant.
- (6) For the purpose of determining whether an applicant is a fit and proper person to hold the class of licence sought by the applicant, the Commissioner may have regard to any criminal intelligence report or other criminal information held in relation to the applicant that:
 - (a) is relevant to the activities carried out under the class of licence sought by the applicant, or
 - (b) causes the Commissioner to conclude that improper conduct is likely to occur if the applicant were granted the licence, or
 - (c) causes the Commissioner not to have confidence that improper conduct will not occur if the applicant were granted the licence.
- (7) The Commissioner is not, under this or any other Act or law, required to give any reasons for not granting a licence if the giving of those reasons would disclose the existence or content of any criminal intelligence report or other criminal information as referred to in subsection (6).

16 Restrictions on granting licence—criminal and other related history

- (1) The Commissioner must refuse to grant an application for a licence if the Commissioner is satisfied that the applicant:
 - (a) has, within the period of 10 years before the application for the licence was made, been convicted in New South Wales or elsewhere of an offence prescribed by the regulations, whether or not the offence is an offence under New South Wales law, or
 - (b) has, within the period of 5 years before the application for the licence was made, been found guilty (but with no conviction being recorded) by a court in New South Wales or elsewhere of an offence prescribed by the regulations, whether or not the offence is an offence under New South Wales law, or

- (c) has, within the period of 10 years before the application for the licence was made, been removed or dismissed from the Police Service of New South Wales or from the Police Force of any other jurisdiction (whether in Australia or overseas).
- (2) However, if the applicant concerned has been so removed from the Police Service of New South Wales by the Commissioner under section 181D of the *Police Service Act 1990* on grounds other than the applicant's integrity as a police officer, the removal of the applicant in those circumstances is a discretionary ground for refusing the granting of the application for a licence.
- (3) The Commissioner must refuse to grant an application for a licence if the Commissioner is of the opinion that the applicant is not suitable to hold a licence because the applicant has been involved in corrupt conduct.
- (4) The Commissioner must refuse to grant an application for a master licence if the Commissioner is of the opinion that the applicant (or, if the applicant is a corporation, any person who is a director or who is concerned in the management of the corporation) has, within the period of 5 years before the application was made, been declared bankrupt.
- (5) A reference in subsection (1), (2) or (3) to an applicant includes, in the case of an application for a master licence, a reference to each close associate of the applicant.

17 Training requirements—class 1 or class 2 licence

- (1) The Commissioner must not grant an application for a class 1 or class 2 licence unless the applicant has completed, to the satisfaction of the Commissioner, an approved security industry training course relevant to the class of licence sought by the applicant.
- (2) A person is not eligible to undertake any such approved security industry training course if the person would be refused a licence because of section 16.

18 Investigation of licence application

- (1) On receiving an application for a licence, the Commissioner may carry out all such investigations and inquiries as the Commissioner considers necessary to enable the Commissioner to consider the application properly.
- (2) The Commissioner:
 - (a) may require an applicant for a licence to consent to having his or her fingerprints taken by an authorised officer in order to confirm the applicant's identity, and
 - (b) must refuse to grant the licence unless the applicant has been fingerprinted in accordance with any such requirement.
- (3) The Commissioner:

- (a) may require an applicant for a licence to provide the Commissioner with a photograph of the applicant or consent to having his or her photograph taken by an authorised officer in order to confirm the applicant's identity, and
 - (b) must refuse to grant the licence unless the applicant has provided a photograph or been photographed in accordance with any such requirement.
- (4) Any fingerprint or photograph obtained in accordance with this section may be used by the Commissioner for any purpose as the Commissioner sees fit.
- (5) A person who formerly held a licence, but is not currently a licensee, or who was an applicant for, but was never granted, a licence, may apply to the Commissioner to have the following destroyed:
- (a) the person's fingerprints obtained in accordance with a requirement under subsection (2) and any copies of them,
 - (b) the person's photograph obtained in accordance with a requirement under subsection (3) and any copies of it.
- (6) The Commissioner may grant or refuse the application as the Commissioner sees fit.
- (7) In this section, **authorised officer** means any of the following persons authorised in writing by the Commissioner as an authorised officer for the purposes of this section:
- (a) a police officer or any other member of NSW Police,
 - (b) a member of staff of a Department within the meaning of the *Public Sector Employment and Management Act 2002*,
 - (c) any other person prescribed by the regulations.

19 Applications by former police officers

Any application for a licence made by any person who was at any time a police officer or a member of the police force of any other jurisdiction (whether in Australia or overseas) must be referred to the Internal Affairs Branch of the Police Service of New South Wales. That branch may seek further advice from the Police Integrity Commission as to the suitability of the applicant to hold a licence.

20 Commissioner may require further information

- (1) The Commissioner may, by notice in writing, require a person who is an applicant for a licence or who, in the opinion of the Commissioner, has some association or connection with the applicant that is relevant to the application to do any one or more of the following things:
- (a) to provide, in accordance with directions in the notice, such information, verified by statutory declaration, as is relevant to the investigation of the application and

is specified in the notice,

- (b) to produce, in accordance with directions in the notice, such records relevant to the investigation of the application as are specified in the notice and to permit examination of the records, the taking of extracts from them and the making of copies of them,
 - (c) to authorise a person described in the notice to comply with a specified requirement of the kind referred to in paragraph (a) or (b),
 - (d) to furnish to the Commissioner such authorities and consents as the Commissioner directs for the purpose of enabling the Commissioner to obtain information (including financial and other confidential information) from other persons concerning the person and his or her associates or relations.
- (2) If a requirement made under this section is not complied with, the Commissioner may refuse to consider the application concerned.
 - (3) A person who complies with a requirement of a notice under this section does not on that account incur a liability to another person.
 - (4) The reasonable costs incurred by the Commissioner in investigating and inquiring into an application for a licence are payable to the Commissioner by the applicant, unless the Commissioner determines otherwise in a particular case.
 - (5) The Commissioner may require part or full payment in advance of the amount the Commissioner estimates will be payable by the applicant and may refuse to deal with the application until the required payment is made.
 - (6) Investigation and inquiry costs may include reasonable travelling expenses within or outside the State.
 - (7) It is a condition of any licence granted to the applicant that any amount payable under this section is paid.

21 Grant of licence

- (1) The Commissioner may, after considering an application:
 - (a) grant a licence to the person making the application and nominate a place where the person is to collect the licence, or
 - (b) refuse to grant a licence.
- (2) A licence confers no right of property and is incapable of being transferred, assigned or mortgaged, charged or otherwise encumbered.
- (3) A licence may be granted by the Commissioner subject to such conditions as the

Commissioner thinks fit to impose and that are specified in the licence. A licence is subject to such other conditions as are set out in this Act or as may be prescribed by the regulations.

- (4) A licence is granted subject to the condition that the person making the application collect the licence from the place nominated by the Commissioner under subsection (1) (a) within 60 days of being notified of the grant.

22 Form of licence

- (1) A licence is to be in any one or more approved forms.
- (2) A licence must:
- (a) contain a recent photograph of the person to whom it is granted (such photograph being obtained in accordance with arrangements determined by the Commissioner), and
 - (b) bear the signature of the licensee, and
 - (c) specify the class (or subclass) of licence, and
 - (d) contain the number of the licence, and
 - (e) contain such other details as may be prescribed by the regulations.

23 Master licence—condition relating to certain employees

It is a condition of every master licence that the licensee must not employ any person:

- (a) to work in the cash-in-transit sector of the security industry, or
- (b) to work in any area which involves access to any operational information relating to the licensee's security business,

if that person would be refused a licence because of section 16.

23A Special conditions—uniforms must be worn when carrying firearms

- (1) It is a condition of every class 1A licence that, if the licensee is an armed security guard, the licensee must not carry a firearm unless the licensee is wearing a recognisable security guard's uniform.
- (2) It is a condition of every master licence that, if the master licensee employs a person as an armed security guard, the master licensee must not allow any firearm in the master licensee's possession (including those firearms that have been acquired by the master licensee in connection with the master licensee's business) to be carried by an armed security guard who is not wearing a recognisable security guard's uniform.
- (3) It is a condition of every master licence that, if the master licensee employs a person

as an armed security guard, the master licensee must not allow any person employed by the master licensee to carry a firearm while carrying on security activities for the master licensee unless the person is an armed security guard who is wearing a recognisable security guard's uniform.

- (4) If a police officer discovers an armed security guard carrying a firearm while the armed security guard is not wearing a recognisable security guard's uniform, the police officer may seize the firearm.
- (5) If an armed security guard carries a firearm while the armed security guard is not wearing a recognisable security guard's uniform, the Commissioner must:
 - (a) suspend, in accordance with section 25, the armed security guard's class 1A licence, and
 - (b) serve a notice on the master licensee who employs the armed security guard (or, if the security guard is self-employed and holds a master licence, serve a notice on the armed security guard as holder of a master licence), personally or by post:
 - (i) stating that the armed security guard's class 1A licence has been suspended and the reasons for suspending it, and
 - (ii) requesting that the master licensee provide the Commissioner with reasons why the master licence should not be revoked.
- (6) The Commissioner may, if the Commissioner is satisfied there is a genuine reason, authorise in writing a person employed as an armed security guard to carry a firearm while not wearing a recognisable security guard's uniform.
- (7) An authorisation under subsection (6) remains in force for such time as is specified in the authorisation unless it is sooner revoked by the Commissioner.
- (8) The conditions set out in subsections (1)–(3) do not apply in relation to an armed security guard authorised under subsection (6), but only while the armed security guard is carrying the Commissioner's written authorisation.

24 Term of licence

- (1A) A licence comes into force on the day that it is collected from the place nominated by the Commissioner under section 21 (1) (a).
- (1) A licence remains in force for a period of 5 years (or such shorter period as may be prescribed by the regulations) from the day on which it comes into force, unless sooner surrendered or revoked or it otherwise ceases to be in force.
- (2) A licence cannot be renewed, but an application for a new licence may be made in accordance with this Act.

(3) Despite subsection (1), if the person who made the application for a licence (the **applicant**) fails to collect the licence in accordance with the condition set out in section 21 (4):

- (a) the licence does not come into force and is taken to have not been granted, and
- (b) for the purposes of section 18 (5), the applicant is taken to be a person who was an applicant for, but was never granted, a licence.

25 Suspension of licence

(1) The Commissioner may, if the Commissioner is satisfied there may be grounds for revoking a licence, suspend the licence by serving on the licensee, personally or by post, a notice:

- (a) stating that the licence is suspended and the reasons for suspending it, and
- (b) requesting that the licensee provide the Commissioner with reasons why the licence should not be revoked.

(2) A suspended licence does not authorise the licensee to carry on any security activity during the period specified in the notice suspending it.

26 Revocation of licence

(1) A licence may be revoked:

- (a) (Repealed)
- (b) if the licensee:
 - (i) supplied information that was (to the licensee's knowledge) false or misleading in a material particular in, or in connection with, the application for the licence, or
 - (ii) contravenes any provision of this Act or the regulations, whether or not the licensee has been convicted of an offence for the contravention, or
 - (iii) contravenes any condition of the licence, or
- (c) if the Commissioner is of the opinion that the licensee is no longer a fit and proper person to hold a licence, or
- (d) for any other reason prescribed by the regulations.

(1A) The Commissioner must revoke a licence where the Commissioner is satisfied that, if the licensee were applying for a new licence, the application would be required by this Act to be refused.

(2) The Commissioner may revoke a licence by serving on the licensee, personally or by

post, a notice stating that the licence is revoked and the reasons for revoking it.

- (3) The revocation of a licence by such a notice takes effect when the notice is served or on a later date specified in the notice.

Note—

Section 31 requires the licensee to immediately surrender the licence if the licence is revoked.

- (4) The Commissioner may, by serving a further notice on the holder of a licence, cancel a notice revoking a licence before the notice takes effect.

27 Variation of licence

- (1) The holder of a class 1 or class 2 licence may apply to the Commissioner for a variation of the kind or kinds of security activity authorised by the licence.
- (2) An application for a licence variation is to be treated in the same way as an application for the grant of a licence.

28 Application for new licence

In making an application for a new licence, the applicant must demonstrate, to the satisfaction of the Commissioner, that the applicant has been actively involved in the security industry during the term of the previous licence.

 - (c) the revocation or suspension of a licence granted to the person.
- (2) For the purposes of this section, an application for the grant of a licence is taken to have been refused if the licence is not granted within 60 days after the application is made in accordance with this Act.

Note—
