

Hunter Regional Environmental Plan 1989 (Heritage) (1989 EPI 757)

[1989-757]

New South Wales

Status Information

Currency of version

Historical version for 24 March 2006 to 14 December 2008 (accessed 22 December 2024 at 17:38)

Legislation on this site is usually updated within 3 working days after a change to the legislation.

Provisions in force

The provisions displayed in this version of the legislation have all commenced.

Notes—

- **Note**

Clause 4 of Sch 6 to the [Statute Law \(Miscellaneous Provisions\) Act \(No 2\) 2001 No 112](#) reads as follows:

4 Revocation of repeal

[Hunter Regional Environmental Plan 1989 \(Heritage\)](#) is taken to have been, and always to have been, repealed by [Gloucester Local Environmental Plan 2000](#) only to the extent to which it applied to land in the Gloucester local government area.

Authorisation

This version of the legislation is compiled and maintained in a database of legislation by the Parliamentary Counsel's Office and published on the NSW legislation website, and is certified as the form of that legislation that is correct under section 45C of the [Interpretation Act 1987](#).

Hunter Regional Environmental Plan 1989 (Heritage) (1989 EPI 757)

New South Wales

1 Name of plan

This plan may be cited as *Hunter Regional Environmental Plan 1989 (Heritage)*.

2 Aims, objectives etc

The general aims and objectives of this plan are:

- (a) to conserve the environmental heritage (including the historic, scientific, cultural, social, archaeological, architectural, natural and aesthetic heritage) of the Hunter Region,
- (b) to promote the appreciation and understanding of the Hunter Region's distinctive variety of cultural heritage items and areas including significant buildings, structures, works, relics, towns, precincts and landscapes, and
- (c) to encourage the conservation of the Region's historic townscapes which contain one or more buildings or places of heritage significance or which have a character and appearance that is desirable to conserve.

3 Land to which plan applies

This plan applies to land within the following local government areas comprising part of the region, declared under section 4 (6) of the Act, that is known as the Hunter Region:

City of Cessnock,
City of Lake Macquarie,
Gloucester,
Merriwa,
Muswellbrook,
Scone.

4 Relationship to other environmental planning instruments

- (1) If a local environmental plan or a deemed environmental planning instrument:
 - (a) provides for the protection of a heritage item specified or described in Schedule 1 or 2, and
 - (b) the provision is inconsistent with this plan, this plan prevails to the extent of the inconsistency.
- (2) Except as provided by this clause and clause 12, nothing in this plan authorises the carrying out, on land, of development that is prohibited under another environmental planning instrument applying to the same land.

5 Definitions

In this plan:

alteration in relation to a building item means:

- (a) the making of structural changes to the outside of the heritage item, or
- (b) the making of non-structural changes to the detail, fabric, finish or appearance of the outside of the heritage item not including the maintenance of the existing detail, fabric, finish or appearance of the outside of the heritage item.

conservation includes preservation, protection, restoration and enhancement.

conservation area means an area specified or described in Schedule 5 and shown on the map.

conservation plan means a document resulting from a detailed assessment of the elements of a site to establish its heritage significance and indicating policies to enable that significance to be retained in its future use and development.

Council means the council of the area within which development is proposed to be carried out.

demolition in relation to a heritage item means the damaging, defacing, destruction, pulling down or removal of the heritage item, in whole or in part.

heritage item means a building, work, relic, tree, or place of heritage significance to the Hunter Region specified or described in Schedule 1, 2, or 3.

heritage significance means historic, scientific, cultural, social, archaeological, architectural, natural or aesthetic significance.

relic means any deposit, object or material evidence (terrestrial or underwater) relating to the use or settlement of the Hunter Region which is 50 or more years old.

the map means the map set marked “*Hunter Regional Environmental Plan 1989 (Heritage); Conservation Areas*” and deposited in the office of the Department and the Council.

6 Policies for plan preparation

- (1) When preparing a draft local environmental plan the Council shall:
 - (a) where the draft plan applies to land on which a heritage item specified in Schedule 3 is situated, include provisions relating to the conservation of the item, and
 - (b) where the draft plan applies to an item specified or described in Schedule 4, ensure that the item is investigated and where appropriate, include provisions in the plan to facilitate the conservation of the item, and
 - (c) where the draft plan applies to a conservation area specified or described in Schedule 5 and shown on the map, investigate and examine its significance and prepare guidelines to assist development control within the area.
- (2) In the preparation of a draft local environmental plan referred to in subclause (1), the Council shall consult with the Heritage Council of New South Wales.

7 Development of heritage items

- (1) A person shall not, in respect of a building, work, relic, tree or place that is a heritage item:
 - (a) demolish or alter the building or work,
 - (b) damage or move the relic, including excavation for the purpose of exposing the relic,
 - (c) damage or despoil land on which the building, work or relic is situated or land which comprises the place,
 - (d) erect a building on or subdivide land on which the building, work or relic is situated or on the land which comprises the place, or
 - (e) damage any tree on land on which the building, work or relic is situated or on the land which comprises the place,except with consent of the Council.
- (2) The Council shall not grant consent to a development application made under subclause (1) unless it has made an assessment of:
 - (a) the significance of the item as a heritage item,

- (b) the extent to which the carrying out of the development in accordance with the consent would affect the heritage significance of the item and its site,
- (c) whether the setting of the item, and in particular, whether any stylistic, horticultural or archaeological features of the setting should be retained,
- (d) whether the item constitutes a danger to the users or occupiers of that item or to the public, and
- (e) measures to be taken to conserve heritage items including any conservation plan prepared by the applicant.

8 Heritage items of State significance

- (1) The Council shall not grant consent to a development application made under clause 7 for items specified or described in Schedule 1 unless the concurrence of the Director of Planning is obtained.
- (2) In deciding whether to grant concurrence under subclause (1) the Director shall take into consideration:
 - (a) the views of the Heritage Council,
 - (b) the heritage significance of the item to the State,
 - (c) the extent to which the carrying out of the development would affect the heritage significance of the item and its site,
 - (d) whether the setting of the item, and in particular, whether any stylistic, horticultural or archaeological features of the setting should be retained,
 - (e) measures to be taken to conserve and preserve heritage items including, where appropriate, any conservation plan, and
 - (f) whether the item constitutes a danger to the users or occupiers of that item or to the public.

9 Heritage items of regional significance

- (1) The Council shall not grant consent to an application made under clause 7 to demolish or alter an item specified or described in Schedule 2, unless it has referred the application to the Director of Planning.
- (2) Subclause (1) does not apply to the partial demolition of a building or work which, in the opinion of the Council, is of a minor nature and does not adversely affect the heritage significance of the building or work.
- (3) Where a copy of an application has been forwarded to the Director of Planning pursuant to subclause (1), the council shall not determine the application until:

- (a) it has received and considered any advice with respect to the application from the Director,
 - (b) the council has been notified that the Director does not wish to submit any advice with respect to the application, or
 - (c) 28 working days have elapsed after the date on which the application was referred to the Director,
- whichever occurs first.

10 Items requiring further investigation

- (1) Except as provided by subclause (3), a person shall not demolish a building or work specified or described in Schedule 4 except with the consent of the Council.
- (2) The Council shall not grant consent to a development application made under subclause (1) unless it has made an assessment of the matters specified in clause 7 (2).
- (3) This clause does not apply to an item specified in part B of Schedule 4:
 - (a) except as provided by paragraph (b), until 12 months have elapsed after the date on which this plan takes effect, or
 - (b) until such other period has elapsed as is determined by the Director, and notified to the Council and the owner of the item, during the period of 12 months referred to in paragraph (a).

11 Advertising of heritage applications

- (1) Except as provided by subclause (3), the provisions of sections 84, 85, 86, 87 (1) and 90 of the Act apply to and in respect of the demolition of a building or work that is a heritage item, or an item specified or described in Schedule 4, in the same way as those provisions apply to and in respect of designated development.
- (2) If an application is made to the Council to demolish a building or work specified or described in Schedule 3 or 4, the Council (in addition to giving notice of the application in accordance with subclause (1)) shall forthwith forward a copy of the application to the Secretary of the Heritage Council.
- (3) This clause does not apply to the partial demolition of a building or work which, in the opinion of the Council, is of a minor nature and does not adversely affect the heritage significance of the building or work.

12 Conservation incentive relating to heritage items

- (1) Nothing in this plan, or in a local environmental plan (including a deemed environmental planning instrument), prevents the Council from granting consent to an

application to:

- (a) the use, for any purpose, of a building that is a heritage item, or
- (b) the use, for any purpose, of the land on which the building is erected,

if it is satisfied that:

- (c) the proposed use would have little or no adverse effect on the amenity of the area, and
- (d) the conservation of the building depends on the Council granting consent under this clause.

(2) When considering an application to erect a building on land on which there is situated a building which is a heritage item, the Council may:

- (a) for the purposes of determining the floor space ratio, and
- (b) for the purposes of determining the number of parking spaces to be provided on the site,

exclude from its calculation of the floor space of the buildings erected on the land the floor space of the item, but only if the Council is satisfied that the conservation of the building depends upon the Council granting consent under this clause.

13 Development in the vicinity of heritage items

The Council shall not grant consent to an application to carry out development on land in the vicinity of a heritage item unless it has made an assessment of the effect the carrying out of that development will have on the heritage significance of the item and its setting.

Schedule 1 Items of State environmental heritage

(Clauses 4, 5, 8)

Cessnock

Old North Road (1827-1831): Section from Mount Manning to Paynes Crossing including retaining walls, buttresses, culverts, drainage ditches and remains of abutments and pillars for bridges.
