- (4) The authorisation given by subsection (2) in relation to the operating licence applies only so far as is relevant to the ambit of the operating licence and is subject to the terms and conditions of the operating licence.

- (3) The fact that the Governor has directed that action be taken under this section does not prevent the Governor directing that the same or other action under this section be taken if the contravention continues or a fresh contravention occurs.
- (4) The operating licence may make provision for advice to be furnished to the Minister in connection with the exercise of the Minister's functions under this section.
- (5) A penalty imposed under this section may be recovered in any court of competent jurisdiction as if it were a debt due to the Crown.

- (3) The Tribunal may not require action to be taken under subsection (2) by the Authority if the cost of that action would exceed the monetary penalty that the Tribunal could impose under this section on the Authority.
- (4) If the Tribunal requires information to be sent to a customer under subsection (2), the Authority may satisfy that requirement by sending the information to the customer with the next account or bill to be sent to the customer by the Authority or, if the Authority is sending other information to that customer before the next account or bill, with that other information.
- (5) Action may be taken under this section only if the Authority has knowingly contravened the operating licence.

- (7) The Tribunal must not take action under this section unless:
 - (a) the Tribunal has considered whether the contravention has been or is likely to be the subject of any other penalty or action or any claim for compensation, and is satisfied that it is nevertheless appropriate to take action under this section, and
 - (b) the Tribunal has considered the action that the Authority has taken or is likely to take in respect of the contravention and the cost to the Authority in taking that action, and is satisfied that it is nevertheless appropriate to take action under this section.
- (8) The Tribunal is required to consider the seriousness of the contravention concerned in determining to impose a monetary penalty under this section.
- (9) The Tribunal must not take action under this section unless:
 - (a) notice of the proposed action has been given to the Authority, and
 - (b) the Authority has been given a reasonable opportunity to make submissions with respect to the proposed action, and

(c) the Tribunal has given due consideration to any such submissions.

(10) The Tribunal must not take action under this section in respect of a contravention if any action has already been taken under section 29 in respect of the contravention.
