- (xii) section 574 (Appeal on question of whether land is rateable or subject to a charge).

128 Information relating to rates and charges

A council must, if required to do so by the Minister or the Director-General, furnish information to the Minister or the Director-General, in the form required, relating to rates and charges levied by the council.

Division 3 Payment of rates and charges

129 Request for transfer of land in payment of rates, charges or accrued interest

A request to the council for the acceptance of a transfer of land under section 570 of the Act in payment of rates, charges or accrued interest must be in writing, be signed by each owner or person having an interest in the land concerned and contain the following information:

- (a) title particulars and the rate assessment number of the land,
- (b) particulars of any mortgage, charge, lien or other encumbrance affecting the land.

130 Additional circumstances in which rates or charges may be written off (section 607)

The council may write off rates and charges and interest accrued on unpaid rates and charges if an amount of an increase to a rate is subsequently reduced as a consequence of clause 84 of Schedule 8 to the Act.

Note—

Clause 84 of Schedule 8 is concerned with ordinary rates levied for the year commencing 1 July 2005 and each of the subsequent four years. It provides that, in general, the amount that may be levied as an ordinary rate for any parcel of land in the category “farmland” (or any sub-category of that category) must not be more than 20% above the amount levied as an ordinary rate for that parcel for the previous year.

131 Procedures for writing off rates and charges

- (1) The council must, from time to time, by resolution, fix the amount of rates and charges above which any individual rate or charge may be written off only by resolution of the council.
- (2) An amount of rates or charges of or below that amount can be written off either by resolution of the council or by order in writing of the council's general manager. In the absence of a resolution under subclause (1), rates and charges can be written off only by resolution of the council.
- (3) A resolution or order writing off an amount of rates or charges must:
 - (a) specify the name of the person whose debt is being written off, and
 - (b) identify the account concerned, and
 - (c) specify the amount written off,or must refer to a record kept by the council in which those particulars are recorded.
- (4) An amount of rates or charges can be written off under this clause only:
 - (a) if there is an error in the assessment, or
 - (b) if the amount is not lawfully recoverable, or
 - (c) as a result of a decision of a court, or
 - (d) if the council or the general manager believes on reasonable grounds that an attempt to recover the amount would not be cost effective.
- (5) The fact that an amount of rates or charges is written off under this clause does not prevent the council concerned from taking legal proceedings to recover the amount.
- (6) The general manager must advise the council of rates and charges written off by written order of the general manager.

132 Details of written off rates and charges to be included in annual report

The council's annual report must include the amount of rates and charges written off during the year.

133 Sale of land to recover overdue rates or charges

An advertisement under section 715 (1) of the Act notifying a proposed sale of land for unpaid rates or charges is to contain the following information:

- (a) that the council proposes to sell the land for unpaid rates or charges at public auction,
- (b) the name of the auctioneer and the proposed place, date and time of the auction,

- (c) the persons known to the council to have an interest in the land,

Part 6 Water services

Division 1 General provisions

137 Water supply may be restricted if there is a shortage of supply

- (1) A council that considers the available stored water in a water supply system supplying its area, or the available capacity of supply from that system, to be insufficient to allow the unrestricted consumption of water for purposes other than domestic purposes may, by notice published in accordance with this clause, restrict:
 - (a) the purposes for which the water can be used, or
 - (b) the times when the water can be used, or
 - (c) the methods by which the water can be used, or
 - (d) the quantities of the water that can be used.
- (2) The council may, by notice published in accordance with this clause, place the same sort of restrictions as are referred to in subclause (1) on the use of water from such a water supply system for any purposes (including domestic purposes):
 - (a) if there is a drought, or
 - (b) if the available stored water, or the available capacity of supply, is so limited as to make extraordinary measures necessary in the general interest of water consumers.
- (3) Restrictions under this clause can be imposed in respect of all of the council area supplied by the water supply system, but can apply to a part of that area if and only if:
 - (a) the shortage of water or shortage in capacity of supply is limited to that part, or
 - (b) the council orders the supply to be restricted to different parts of the area in rotation.
- (4) Restrictions under this clause can be imposed only by a notice of the council published in a newspaper circulating within the council's area.

- (5) All agreements made by the council relating to the supply of water are subject to this clause.
- (6) This clause does not authorise the council to make orders restricting persons' rights under the *Water Act 1912* or the *Water Management Act 2000*.

138 Works for which approval is required under section 60 of the Act

- (1) The Minister for Utilities may give a council an approval for the purposes of section 60 of the Act if and only if:
 - (a) the council has made an application in writing for consent that is accompanied by the relevant documents, and
 - (b) either the council has complied with any requirement of that Minister to supply further information with respect to the application or that Minister has waived any such requirement, and
 - (c) that Minister is satisfied that the council is competent to exercise the powers that it would not be able to exercise without that approval, and
 - (d) all inspections of the work and the site of the work that that Minister has directed to be carried out for the purpose of enabling the application to be considered have been carried out.
- (2) The relevant documents are:
 - (a) the plans and specifications of, and documents and data in the possession of the council that are relevant to, the exercise of power in respect of which the approval is sought, and
 - (b) any documents containing details sufficient to satisfy the Minister for Utilities of the matters referred to in subclause (1) (b)-(d).
- (3) If the Minister for Utilities has, for the purposes of section 60 of the Act, approved the exercise by the council of its powers with respect to a work, that Minister may, by notice in writing to the council, revoke that approval if the council has failed:
 - (a) to comply with any requirements that that Minister has made with respect to the provision of additional plans, specifications, documents or information with respect to the exercise of those powers, or
 - (b) to comply with any directions that that Minister has given with respect to the work, or
 - (c) to accept any supervision of the exercise of those powers that that Minister has required.

139 Erection of notices to indicate catchment districts

The council may, on land in a catchment district, erect such notices as it considers necessary for indicating the boundaries of the district and directing attention to any prohibitions or restrictions applicable to the district.

Note—

Section 640 of the Act provides that contravention of a prohibition or restriction in such a notice is an offence.

140 Flood retarding basins

A work that is, or will when completed be, a prescribed dam for the purposes of the *Dams Safety Act 1978* is prescribed as a flood retarding basin for the purposes of section 60 (d) of the Act.

Division 2 Functions of councils

141 Works constructed to serve 2 or more council areas

- (1) If water supply works have been constructed to serve the areas of 2 or more councils, the council that has control of the works is required to supply water to each of the other councils concerned, either at the boundary of its area or at some other convenient point that may be mutually agreed with those other councils.
- (2) If sewerage works have been constructed to serve the areas of 2 or more councils, the council controlling the sewer mains through which sewage has to flow must allow that flow.
- (3) If stormwater drainage works have been constructed to serve the areas of 2 or more councils, a council controlling a component of the stormwater drainage system must facilitate the proper functioning of the system.
- (4) If the capital cost of the water supply, sewerage or stormwater drainage works has not been notified as a joint debt, the council that has control of the works may make a charge for:
 - (a) the supply of water from the water supply works, or
 - (b) allowing the flow of sewage through the sewerage works and for pumping and treating the sewage, or
 - (c) managing the flow of stormwater through the stormwater drainage works.
- (5) Such a charge is to be:
 - (a) of such amount as may be agreed with each of the other councils concerned, or
 - (b) if there is no agreement, of such amount as the Minister may from time to time determine and notify to all of the councils concerned.

142 Fire hydrants

- (1) The council:
 - (a) must install hydrants in its water mains at such convenient distances, and at such places, as may be necessary for the ready supply of water to extinguish fires, and
 - (b) must maintain the hydrants in effective working order.

This subclause does not apply to a water main that is less than 100 millimetres in diameter or if the water supply system is not sufficient for the operation of fire hydrants (in such circumstances the council may provide other means for the ready supply of water to extinguish fires).

- (2) The council may, at the request and expense of the owner or occupier of a building, install a hydrant (to be used only for extinguishing fires) in or in the vicinity of the building. If such a hydrant is installed, the council must ensure that it is maintained in effective working order.
- (3) A council may remove a hydrant from any of its water mains if satisfied on reasonable grounds that the hydrant is no longer needed.
- (4) The council must at all times keep charged with water all its pipes to which hydrants are connected unless prevented from doing so:
 - (a) by drought or other unavoidable cause or accident, or
 - (b) while necessary repairs to the pipe or hydrant are being carried out.
- (5) Persons authorised to do so by the council may take water without charge for the purpose of extinguishing fires.

143 Inspection of pipes and drains and measurement of water and sewage

- (1) The council may, at any reasonable time:
 - (a) inspect any service pipe connected to a water main, and
 - (b) inspect any drain connected to a sewer main, and
 - (c) install meters or other devices for measuring the quantity of water supplied to, or the quantity of sewage discharged from, premises, and
 - (d) measure the quantity of water supplied to, or the quantity of sewage discharged from, premises.
- (2) The occupier of the relevant premises must provide to the council such information as it requires to enable it to estimate the quantity of water actually supplied to, or the quantity of sewage actually discharged from, the premises.

144 Cutting off or restricting water supply

- (1) The council may cut off or restrict the supply of water to premises:
 - (a) if any water meter used to measure that supply is out of repair or, in the opinion of the council, incorrectly registers the supply of water, or
 - (b) if any rates or charges in respect of the water supplied to the premises are unpaid, or
 - (c) if, in the opinion of the council, that action is necessary because of unusual drought or other unavoidable cause or any accident, or
 - (d) if the owner or occupier or person requiring a supply of water fails to comply with a lawful order or requirement of the council as to installing water meters or instruments for measuring the quantity of water supplied, or
 - (e) if the owner or occupier or person requiring a supply of water fails to comply with a lawful order or requirement of the council to repair or alter water connections, pipes, fittings or fixtures connected to the council's water supply system, or
 - (f) if the occupier of the premises contravenes a provision of Division 3 of this Part or fails to comply with any council order or public notice requiring consumers of water to economise its use in time of drought or scarcity of supply, or
 - (g) if the owner or occupier of the premises fails to comply with a requirement of a council order to remove, replace, alter, extend, repair or stop using a water pipe, fitting or fixture.
- (2) The cutting off of the supply of water under this clause for non-payment of rates or charges does not affect the liability of the rateable person to pay those rates or charges.
- (3) If the council cuts off the supply of water to premises because:
 - (a) there is no water meter installed on the premises, or
 - (b) the water meter on the premises registers incorrectly, or
 - (c) water rates or charges for the premises are unpaid,the council may refuse to supply water to those premises until a water meter is installed on the premises, the water meter registers correctly or the water rates or charges are paid (as the case may require).

145 New sewer or stormwater drain to be constructed if it is less costly than a connection to an existing sewer or stormwater drain

- (1) A council that believes that it would cost more to provide for the flow of existing

sewers or stormwater drains on 2 or more separate premises to empty into an existing sewer or stormwater drain than it would to provide for the flow to empty into a new sewer or stormwater drain may construct a new sewer or stormwater drain for that purpose.

- (2) A council, on constructing such a new sewer or stormwater drain, may, by order served on the owners or occupiers of the premises concerned, order those owners or occupiers to cause the sewers or stormwater drains on each of those premises to empty into the new sewer or stormwater drain.
- (3) The council:
 - (a) must apportion fairly the expenses of the construction of the new sewer or stormwater drain among the owners or occupiers of each of the premises affected, and
 - (b) require those owners or occupiers to pay the apportioned expenses to the council.

146 Connections to council's sewerage system

- (1) If premises are liable to a special sewerage rate, the council may, at the request of the person liable to pay rates in respect of the premises:
 - (a) carry out such works as may be necessary to provide for the drainage of sewage from the premises, and
 - (b) provide such connections as may be necessary to enable fixtures installed on the premises to discharge their contents into the council's sewerage system.
- (2) The council may, in respect of work done or any materials provided under subclause (1), impose on the person a charge sufficient to meet the cost of the work or materials.
- (3) Such a charge:
 - (a) must cover the cost of doing the work or providing the materials, together with interest on that cost at a rate not exceeding that fixed in respect of overdue rates, and
 - (b) may be recovered by equated instalments of principal and interest during such period as the council determines.
- (4) Any such charge may be recovered as a rate and is to be a charge on the premises in respect of which it is imposed as if it were a rate.
- (5) The council is not responsible for the repair, maintenance or renewal of any work done or materials provided under this clause on or in respect of the premises concerned, except as regards defective work or materials.

(6) Any work so done or materials so provided belongs to the owner of those premises.

147 Water not to be supplied through water supply work until inspected and certified

The council must not supply water through a water supply work connected to the council's water supply system until the work has been inspected and certified:

- (a) by the council or a suitably qualified person determined by the council, or
- (b) if the water supply work is of a type for which the approval of the Minister for Utilities is required under section 60 of the Act—in accordance with paragraph (a) or, if that Minister has specifically authorised inspection and certification by another suitably qualified person, by that person,

as having been constructed in accordance with all applicable standards or requirements set out or referred to in the Act and this Regulation.

148 Council to prepare map of water supply, sewerage and stormwater drainage works

(1) The council:

- (a) must, before or within a reasonable time after water supply, sewerage or stormwater drainage works have been constructed, prepare a map of the works and the surrounding land that is liable to be rated or become subject to an annual charge for services in relation to the works, and
- (b) must from time to time, as the works are extended, amend the map so that it shows the extended works and the land.

(2) The council must ensure that every such map also shows:

- (a) the levels of the works at the road frontages of the land, and
- (b) so far as is reasonably practicable, the distances from the works of the nearest boundaries of that land and the location of buildings on that land, and
- (c) any information relating to the works that might reasonably be expected to affect construction work that might be carried out on the land.

(3) The owner or occupier of land affected by such a map, or any other person who has the written permission of such an owner, is entitled to inspect the map during the council's office hours.

149 Plans of connections to sewerage or stormwater drainage systems

If the owner or occupier of premises has been ordered by the council to connect the premises to the council's sewerage system or stormwater drainage system, the council must give that owner or occupier a plan showing the location of the connection.

150 Inspection of drainage diagrams

An owner or occupier of land affected by the installation of drains in accordance with an approval referred to in item 4 or 5 of Part B of the Table to section 68 of the Act (or any other person with the written permission of such an owner) is entitled to inspect, during the council's office hours, any diagrams of those drains provided to the council as a condition of the approval.

Division 3 General requirements relating to water supply, sewerage and stormwater drainage

151 Water supply, sewerage and stormwater drainage work to comply with applicable standards and requirements

Water supply work, sewerage work and stormwater drainage work must comply with any applicable standards or requirements set out or referred to in the Act or this Regulation.

152 Premises to be connected to water supply by an independent house service pipe

- (1) The owner of premises must, unless the council authorises otherwise, ensure that the premises are not connected to a property service pipe linked to the council's water supply system except by an independent house service pipe.
- (2) The owner of premises connected to the council's water supply by an independent house service pipe must ensure that the pipe has a stop-valve within the premises that is not more than 450 millimetres from the road alignment or at some other place within the premises approved by the council.
- (3) If several premises are supplied with water by a single house service pipe, the council may require, as a condition of the supply, that a separate house service pipe be laid to each of the premises.
- (4) If the council authorises the connection of 2 or more premises by means of a single house service pipe, the owner of each of the premises must (unless all the premises are occupied by a single household or firm as a residence or place of business) ensure that there is installed on each of those premises:
 - (a) a separate stop-valve that complies with subclause (2), and
 - (b) a separate water meter to measure the water supply to those premises.
- (5) The owner of a group of contiguous premises may request the council to lay a large property service pipe or water sub-main to supply 2 or more of the premises in the group.

153 Laying of house service pipes

- (1) A person must not lay a house service pipe that is to be connected to the council's

water supply system otherwise than in accordance with the Plumbing and Drainage Code of Practice.

- (2) However, a person does not contravene subclause (1) only by laying a house service pipe at a depth less than that required by the Plumbing and Drainage Code of Practice if the council has, in writing, authorised the person to do so.

154 Privately owned water meters to be of a size and class approved by the council

- (1) Before a water meter (other than a water meter hired from or provided by the council) is installed on premises connected or to be connected to the council's water supply system, the owner of the premises concerned must submit the meter to the council for testing and stamping.
- (2) If it is proposed to move such a water meter to a new position and more than 2 years has elapsed since the meter was last tested and stamped by the council, the owner of the premises concerned must resubmit it for further testing and stamping before moving it to the new position.
- (3) The council is not required to test and stamp a water meter submitted or resubmitted under this clause unless the fee fixed by the council is paid.

155 Security of water meters

- (1) The owner of premises on which there is located a water meter connected to the council's water supply system must, if required by the council to do so, protect the meter by enclosing it in a box constructed of metal, wood or other strong durable material and fitted with a lock and key approved by the council.
- (2) The owner of such premises must, if the council so requires, deposit with the council the key to the water meter or, if it is enclosed in a meter-box, the key to the box immediately after the meter or box is installed.

156 Water meter not to be used to measure the water supplied to more than one premises except in certain cases

- (1) The owner of premises on which a water meter is installed must ensure that the meter is not used to measure the quantity of water supplied by the council to other premises.
- (2) Subclause (1) does not apply:
 - (a) if the premises and the other premises are occupied by a single household or firm as a residence or place of business, or
 - (b) if the council authorises the meter to measure the water supplied to the premises and the other premises.

- (3) In those circumstances:
 - (a) the council must credit the relevant water account with the amount of any water rate or charge paid in respect of all the premises, and
 - (b) the owner of the premises on which the water meter is installed must ensure that:
 - (i) the meter is directly connected to the water main by a single property service pipe, and
 - (ii) the water for each of the premises passes through and is measured by the meter.
- (4) However, if there are special circumstances requiring the laying of 2 or more service pipes, the owner of the premises must ensure that each service pipe is connected to a water meter.
- (5) In that case, the council must credit the water account of each meter with the amount of any water rate or charge paid in respect of the premises supplied through the relevant service pipe.

157 Hire of meters

- (1) A person who wishes to hire a water meter from the council must execute an agreement prepared for that purpose.
- (2) The agreement must contain the conditions on which the meter is to be hired.

158 Testing of meters

- (1) At the request of an owner or occupier of premises and on the payment of a fee fixed by the council, the council must arrange for a water meter installed on the premises to be examined and tested.
- (2) The council may, on its own initiative, arrange for such a water meter to be examined and tested.
- (3) If, as a result of such an examination and test, a water meter is found not to correctly measure the quantity of water passing through it, the council may charge for the supply of water:
 - (a) on the basis of a daily consumption equal to the average daily consumption during the corresponding meter reading period of the previous year, or
 - (b) on such other basis as the council and the consumer may agree.
- (4) Testing carried out at the request of a person who is the owner or occupier of premises is to be at the expense of the person, unless the meter is one hired from or provided by the council and the testing indicates that the meter is defective, in which

case the testing is to be at the expense of the council.

- (5) A water meter that registers less than 3 per cent more or less than the correct quantity is taken to correctly measure the water passing through it.
- (6) If a water meter provided by the council is found to be defective, the council must replace it with one that is not defective.
- (7) If a privately owned meter is found to be defective, the council may require the owner to rectify the meter or, if the defect cannot be rectified, replace the meter with one that is not defective. An owner who is required to rectify or replace a meter must comply with the requirement.
- (8) The rectification or replacement is to be at the expense of the owner.
- (9) When a privately owned water meter is being rectified or is awaiting replacement, the supply of water to the owner of the meter:
 - (a) is to be regulated by special contract made between the owner and the council, and
 - (b) is to be restricted to use for domestic purposes.

159 Prevention of waste and misuse of water

The owner, occupier or manager of premises to which water is supplied by the council must:

- (a) prevent waste of water by taking prompt action to repair leaking taps, pipes or fittings located on the premises, and
- (b) take any other action that is reasonable to prevent waste and misuse of water.

160 Misuse of water

An occupier of premises supplied with water from the council's water supply system must not:

- (a) take any of the water away from the premises, or
 - (b) allow any other person to take any of the water away from the premises, or
 - (c) use water contrary to a council notice restricting the use of water,
- other than in accordance with arrangements instituted by the council.

161 Particular provisions for unmetered premises

- (1) In this clause, ***unmetered premises*** means premises to which the council supplies water other than through a water meter.

- (2) An occupier of unmetered premises supplied with water from the council's water supply system must not use the water for purposes other than domestic purposes unless the water is supplied under a special contract or the permission of the council has been obtained.
- (3) For the purposes of subclause (2), the use of water for domestic purposes does not include the use of water for any of the following:
 - (a) buildings used for housing animals or birds (not being buildings also used for human habitation),
 - (b) a manufacturing purpose,
 - (c) the irrigation or sprinkling of crops, gardens or lawns,
 - (d) the production of power for fountains,
 - (e) ornamental purposes.
- (4) A person must not install or allow to remain installed within unmetered premises a tap or device to which a hose can be attached, unless:
 - (a) the water supplied by the council is supplied under a contract allowing the use of the tap or device, and
 - (b) any special fee for the tap or device fixed by the council has been paid.
- (5) A person must not, on unmetered premises to which water is supplied by the council for domestic purposes, use a hose for the purpose of watering a garden or laying dust (or any similar purpose) with the water supplied, unless:
 - (a) the activity is specifically authorised by an arrangement entered into with the council, and
 - (b) any fee required by the arrangement has been paid.

162 Joint sewerage services prohibited

- (1) The owner of premises connected to the council's sewerage system must ensure:
 - (a) that any house drain on the premises is kept separate from that of all other premises, and
 - (b) that the only fittings and fixtures permitted to discharge into the house drain are those located on the premises.
- (2) The owner of premises on which a house drain is or is to be connected to the council's sewerage system must ensure that the drain is laid within the boundary of the premises until it:

- (a) reaches that system or the boundary nearest to that system, or
- (b) emerges into a public place.

Whenever a council is required by section 55 of the Act to invite tenders before entering into a contract, the council must decide which of the following tendering methods is to be used:

- (a) the open tendering method by which tenders for the proposed contract are invited by public advertisement,
- (b) the selective tendering method by which invitations to tender for a particular proposed contract are made following a public advertisement asking for expressions of interest,
- (c) the selective tendering method by which recognised contractors selected from a list prepared or adopted by the council are invited to tender for proposed contracts of a particular kind.

167 Open tendering

- (1) A council that decides to use the open tendering method for a proposed contract must publish an advertisement in the relevant newspapers inviting tenders for the proposed contract.

(2) The advertisement must:

- (a) express the purpose of the proposed contract, and
- (b) give details of where and when tender documents relating to the proposed contract can be obtained and the purchase price of those documents, and
- (c) specify the name of a person to whom requests for information concerning the proposed contract may be addressed and how the person can be contacted, and
- (d) invite any person willing to fulfil the requirements of the proposed contract to submit a tender to the council by the deadline specified in the advertisement.

The deadline must be a specified time on a date that is at least 21 days after the date of publication or first publication of the advertisement.

(3) The tender documents relating to the proposed contract must comply with clause 170.

168 Selective tendering method by which invitations to tender for proposed contract are made following public advertisement asking for expressions of interest

(1) A council that decides to use the selective tendering method referred to in clause 166 (b) for allocating a particular proposed contract must publish in the relevant newspapers an advertisement inviting applications from persons interested in tendering for the proposed contract.

(2) Every such advertisement must include:

- (a) a brief description of the work, goods, facilities, services or property concerned, and
- (b) the name of a person to whom requests for information concerning the proposed contract may be addressed and how the person can be contacted, and
- (c) the deadline for submitting applications.

The deadline must be a specified time on a date that is at least 21 days after the date of publication or first publication of the advertisement.

(3) A council must consider all applications made in response to such an advertisement and, in so doing, must take into account:

- (a) the experience of the applicants in fulfilling the requirements of similar contracts, and
- (b) the capacity of the applicants to fulfil the requirements of the proposed contract.

(4) After considering the applications, the council may either:

- (a) send invitations in writing to all applicants, or such of them as the council thinks will be able to fulfil the requirements of the proposed contract, to tender for the proposed contract, or
 - (b) decline to invite tenders from any of the applicants.
- (5) In inviting tenders from applicants, the council must:
- (a) invite them to submit tenders to the council by the deadline specified in the invitations, and

The deadline must be a specified time on a date that is at least 21 days after the date of the invitation.

- (6) The tender documents relating to the proposed contract must comply with clause 170.

169 Selective tendering method by which recognised contractors listed by council are invited to tender for particular kinds of proposed contracts

- (1) A council that decides to use the selective tendering method referred to in clause 166 (c) for the allocation of proposed contracts of a specified kind must publish in the relevant newspapers an advertisement inviting applications from persons interested in tendering for proposed contracts of that kind so that the council may prepare a list of suitable tenderers.
- (2) Every such advertisement must include:
- (a) a brief description of the kind of work, goods, facilities, services or property concerned, and
 - (b) the name of a person to whom requests for information concerning the proposed contracts may be addressed and how the person can be contacted, and
 - (c) the deadline for submitting applications.
- (3) A council must consider all applications made in response to such an advertisement and, in so doing, take into account the experience of the applicants in fulfilling the requirements of, and their capacity to undertake, similar contracts.
- (4) After considering an application under this clause, the council may either:
- (a) list the applicant as a recognised contractor for some or all of the kinds of work, goods, facilities, services or property specified in the application, or
 - (b) reject the application in whole or part.

- (5) In seeking tenders for a particular proposed contract, a council may invite some or all of the recognised contractors listed by it under this clause to tender for that contract and may do so on the basis of:
 - (a) their capacity to fulfil the requirements of that contract, and
 - (b) the number of occasions on which each contractor has previously been invited to tender for similar proposed contracts.
- (6) In inviting tenders for a proposed contract from recognised contractors listed by the council under this clause, the council must:
 - (a) invite them to submit tenders to the council by the deadline specified in the invitations, and
 - (b) give details of where and when tender documents relating to the proposed contract can be obtained and the purchase price of those documents.

The deadline must be a specified time on a date that is at least 21 days after the date of the invitation.
- (7) The tender documents relating to the proposed contract must comply with clause 170.
- (8) As an alternative to listing persons as recognised contractors in accordance with subclauses (1)–(4), a council may adopt a list of contractors prepared by another public authority, but only if the list was prepared by the authority following the publication of an advertisement similar to that provided for under subclause (1).
- (9) If a council adopts such a list, the persons whose names appear on the list are taken to be recognised contractors for the kinds of work, goods, facilities, services or property specified in the list.
- (10) A person who is a contractor recognised by a council ceases to be so recognised if the person informs the council in writing that the person no longer wishes to be listed as a recognised contractor for the purposes of this clause.
- (11) Nothing in this clause requires a council to take the action referred to in subclause (1) on each occasion that it decides to invite tenders under this clause.

170 Tender documents

- (1) The tender documents relating to a proposed contract must:
 - (a) give details of the work to be carried out, the goods or facilities to be provided, the services to be performed or the property to be disposed of and, if the proposed contract is an instalment contract:
 - (i) give details of the instalments to be paid by or to the council, and

- (ii) specify the period over which the instalments are to be paid, and
- (iii) specify the intervals between payment of the instalments, and
- (b) specify the criteria on which the assessment of tenders will be based, and
- (c) specify the name of a person to whom requests for information concerning the proposed contract may be addressed and how the person can be contacted, and
- (d) indicate whether formal tender documents must be submitted in relation to the tender and, if so, how they may be obtained.

- (2) If a council amends tender documents after they have been issued to persons, it must take all reasonably practicable steps to inform those persons of the amendments.

171 Shortened tender period

- (1) A council that believes there are exceptional circumstances rendering inappropriate a deadline that would, but for this clause, be required to be specified in an advertisement under clause 167, 168 or 169 or an invitation under clause 168 (4) or 169 (6) may decide on an earlier deadline. However, the earlier deadline must be a specified time on a date that is at least 7 days after:
 - (a) the date of the publication or first publication of the advertisement, or
 - (b) the date of the invitation.
- (2) A council must keep a record of:
 - (a) the circumstances requiring an earlier deadline to be specified in such an advertisement or invitation, and
 - (b) the name of the staff member who made the decision to change the deadline (if not made by the council).

172 Extended tender period

- (1) If, having specified or included a deadline in an advertisement under clause 167, 168 or 169 or an invitation under clause 168 (4) or 169 (6), a council becomes aware of circumstances that show that the deadline may not allow enough time for meaningful tenders or applications to be submitted, it may extend the deadline by specifying a later deadline.
- (2) If, at the time of extending the deadline, the council has issued invitations to persons under clause 168 (4) or 169 (6) or has issued tender documents to persons, it must take all reasonably practicable steps to inform those persons of the later deadline.
- (3) A council must keep a record of:

- (a) the circumstances requiring a later deadline to be specified in an advertisement or invitation, and
- (b) the name of the staff member who made the decision to change the deadline (if not made by the council).

Division 3 Submission and opening of tenders

173 Submission of tenders

- (1) A tender must be submitted in writing, by facsimile transmission or (subject to subclause (2)) by electronic means.
- (2) A tender may not be submitted by electronic means:
 - (a) if guidelines are in force under section 23A of the Act with respect to the transmission of tenders by electronic means—unless its submission by electronic means is authorised by, and effected in accordance with, those guidelines, and
 - (b) in any other case—unless its submission by electronic means is effected by a secure mechanism (such as an encryption-based technology) that ensures that it cannot subsequently be altered.
- (3) Unless sent by facsimile transmission or electronic means, a tender must be sent or delivered in a sealed envelope.
- (4) If a tender is sent by facsimile transmission or electronic means (other than the means referred to in subclause (2) (b)), it must be printed out on receipt, and an appropriate person must place the tender in a sealed envelope immediately after it is printed out.

174 Custody of tenders after receipt

- (1) A council must:
 - (a) provide a secure tender box, and
 - (b) ensure that:
 - (i) all tenders (except the tenders received by electronic means that have not been printed out, but including those received by facsimile transmission) submitted to it for a proposed contract are kept in the tender box, and
 - (ii) the tender box, when containing tenders, is kept in a safe and secure place, until the envelopes containing the tenders are opened in accordance with clause 175.
- (2) A council must ensure that, whenever the council's office is open for business, its

tender box is kept in a place that allows tenderers who wish to do so to deposit their tenders personally.

- (3) Tenders received by electronic means as referred to in clause 173 (2) (b) must be stored on an information system (within the meaning of the *Electronic Transactions Act 2000*) in such a manner (whether by means of password protection or otherwise) that they are accessible only to an appropriate person.

175 Opening of tenders

- (1) At the time specified for the close of tenders, the appropriate person must open the tenders in the presence of:
 - (a) at least 2 persons designated by the general manager for the purpose, and
 - (b) such tenderers and members of the public as wish to attend the opening.
- (2) A member of the public who attends the opening of tenders for a proposed contract is entitled, on request, to be informed as to whether the council has received a particular tender and the number of tenders received.
- (3) As soon as practicable after the tenders for a proposed contract have been opened, the appropriate person:
 - (a) must record the names of the tenderers and the amounts that appear to have been tendered for the contract, and
 - (b) must prepare a tender list specifying the names of the tenderers in alphabetical order.
- (4) Immediately after preparing a tender list, the appropriate person must display the list in a place where it can be readily seen by members of the public. That person may add to the list such information as he or she considers appropriate.

176 Tenders may be varied in certain circumstances

- (1) At any time before a council accepts any of the tenders that it has received for a proposed contract, a person who has submitted a tender may, subject to subclause (2), vary the tender:
 - (a) by providing the council with further information by way of explanation or clarification, or
 - (b) by correcting a mistake or anomaly.
- (2) Such a variation may be made either:
 - (a) at the request of the council, or
 - (b) with the consent of the council at the request of the tenderer, but only if, in the

circumstances, it appears to the council reasonable to allow the tenderer to provide the information or correct the mistake or anomaly.

- (3) If a tender is varied in accordance with this clause, the council must provide all other tenderers whose tenders have the same or similar characteristics as that tender with the opportunity of varying their tenders in a similar way.
- (4) A council must not consider a variation of a tender made under this clause if the variation would substantially alter the original tender.
- (5) A council must keep a record of:
 - (a) the circumstances requiring the variation of a tender, and
 - (b) the name of the staff member handling the matter.

Division 4 Determination of successful tenderer

177 Consideration of tenders

- (1) As soon as practicable after the tenders for a proposed contract have been opened, the council must assess the tenders.
- (2) A council must not consider a tender that is not submitted to the council by the deadline for the closing of tenders. This subclause is subject to subclauses (4) and (5).
- (3) A council must consider a tender transmitted to it by facsimile machine or electronic means, but only if:
 - (a) in the case of transmission by electronic means, that means of transmission was specified in the relevant tender documents, and
 - (b) the transmission was received before the deadline for the closing of tenders, and
 - (c) the tender is complete.
- (4) However, if a council has specified in the relevant tender documents issued by the council that a tender will not be considered unless formal tender documents are submitted to the council, then (despite subclause (3)), the council is not obliged to consider a tender transmitted to it in accordance with that subclause (being a tender that does not include formal tender documents) unless:
 - (a) the tenderer is able to satisfy the council that formal tender documents and all other requisite essential information were posted or lodged at a Post Office or other recognised delivery agency before the deadline for the closing of tenders, and
 - (b) the council actually receives those documents within such period as it decides to be reasonable in the circumstances.

- (5) A council must also consider a tender received within such period after the deadline for the closing of tenders as it decides to be reasonable in the circumstances if the tenderer satisfies the council that the tender documents and all other requisite essential information were posted or lodged at a Post Office or other recognised delivery agency in sufficient time to enable the documents to have been received by the council in the ordinary course of business before that deadline.

178 Acceptance of tenders

- (1) After considering the tenders submitted for a proposed contract, the council must either:
- (a) accept the tender that, having regard to all the circumstances, appears to it to be the most advantageous, or
 - (b) decline to accept any of the tenders.
- (2) A council must ensure that every contract it enters into as a result of a tender accepted by the council is with the successful tenderer and in accordance with the tender (modified by any variation under clause 176). However, if the successful tender was made by the council (as provided for in section 55 (2A) of the Act), the council is not required to enter into any contract in order to carry out the requirements of the proposed contract.
- (3) A council that decides not to accept any of the tenders for a proposed contract or receives no tenders for the proposed contract must, by resolution, do one of the following:
- (a) postpone or cancel the proposal for the contract,
 - (b) invite, in accordance with clause 167, 168 or 169, fresh tenders based on the same or different details,
 - (c) invite, in accordance with clause 168, fresh applications from persons interested in tendering for the proposed contract,

 - (e) enter into negotiations with any person (whether or not the person was a tenderer) with a view to entering into a contract in relation to the subject matter of the tender,
 - (f) carry out the requirements of the proposed contract itself.
- (4) If a council resolves to enter into negotiations as referred to in subclause (3) (e), the resolution must state the following:

- (a) the council's reasons for declining to invite fresh tenders or applications as referred to in subclause (3) (b)-(d),
- (b) the council's reasons for determining to enter into negotiations with the person or persons referred to in subclause (3) (e).

219 Requirements for state of the environment reports

- (1) All state of the environment reports must meet the requirements of clause 220.
- (2) In addition:
 - (a) a comprehensive state of the environment report must meet the requirements of clauses 221 and 222, and
 - (b) a supplementary state of the environment report must meet the requirements of clause 223.

220 Preparation of all state of the environment reports

A state of the environment report meets the requirements of this clause if the council, in preparing the report, does each of the following:

- (a) it considers the guidelines and directions (if any) relating to the preparation and content of state of the environment reports that are issued to councils from time to time by the Director-General,
- (b) it consults the community (including environmental groups),
- (c) it involves the community (including environmental groups) in monitoring changes to the environment over time,
- (d) it produces the report in a form that is readily understandable by the general community.

221 Preparation of comprehensive state of the environment reports

Division 2 Convening of, and attendance at, council meetings

232 Notice of meetings

- (1) This clause prescribes the manner in which the requirements outlined in section 9 (1) of the Act are to be complied with.
- (2) A notice of a meeting of a council or of a committee must be published in a newspaper circulating in the area before the meeting takes place.
- (3) The notice must specify the time and place of the meeting.
- (4) Notice of more than one meeting may be given in the same notice.
- (5) This clause does not apply to an extraordinary meeting of a council or committee.

233 What happens when a quorum is not present

- (1) A meeting of a council must be adjourned if a quorum is not present:
 - (a) within half an hour after the time designated for the holding of the meeting, or
 - (b) at any time during the meeting.
- (2) In either case, the meeting must be adjourned to a time, date and place fixed:
 - (a) by the chairperson, or

(b) in his or her absence—by the majority of the councillors present, or

(c) failing that, by the general manager.

(3) The general manager must record in the council's minutes the circumstances relating to the absence of a quorum (including the reasons for the absence of a quorum) at or arising during a meeting of the council, together with the names of the councillors present.

234 Minister to convene meetings in certain cases

(1) Whenever an area is constituted or reconstituted, the Minister is required:

(a) to convene the first meeting of the council of the area, and

(b) to nominate the business to be transacted at the meeting, and

(c) to give the councillors notice of the meeting.

(2) If there is no quorum at that meeting, the Minister may convene meetings in the same manner until a quorum is present.

(3) The council must transact the business nominated by the Minister for a meeting convened under this clause.

235 Presence at council meetings

A councillor cannot participate in a meeting of a council unless personally present at the meeting.

235A Leave of absence

(1) A councillor's application for leave of absence from council meetings should, if practicable, identify (by date) the meetings from which the councillor intends to be absent.

(2) A councillor who intends to attend a council meeting despite having been granted leave of absence should, if practicable, give the general manager at least 2 days' notice of his or her intention to attend.

Division 3 Procedure for the conduct of council meetings

236 Councillor to be elected to preside at certain meetings

(1) If no chairperson is present at a meeting of a council at the time designated for the holding of the meeting, the first business of the meeting must be the election of a chairperson to preside at the meeting.

Note—

Section 369 (2) of the Act provides for a councillor to be elected to chair a meeting of a council when the

mayor and deputy mayor are absent.

- (2) The election must be conducted:
 - (a) by the general manager or, in his or her absence, an employee of the council designated by the general manager to conduct the election, or
 - (b) if neither of them is present at the meeting or there is no general manager or designated employee—by the person who called the meeting or a person acting on his or her behalf.
- (3) If, at an election of a chairperson, 2 or more candidates receive the same number of votes and no other candidate receives a greater number of votes, the chairperson is to be the candidate whose name is chosen by lot.
- (4) For the purposes of subclause (3), the person conducting the election must:
 - (a) arrange for the names of the candidates who have equal numbers of votes to be written on similar slips, and
 - (b) then fold the slips so as to prevent the names from being seen, mix the slips and draw one of the slips at random.
- (5) The candidate whose name is on the drawn slip is the candidate who is to be the chairperson.

237 Chairperson to have precedence

When the chairperson rises during a meeting of a council:

- (a) any councillor then speaking or seeking to speak must, if standing, immediately resume his or her seat, and
- (b) every councillor present must be silent to enable the chairperson to be heard without interruption.

238 Chairperson's duty with respect to motions

- (1) It is the duty of the chairperson at a meeting of a council to receive and put to the meeting any lawful motion that is brought before the meeting.
- (2) The chairperson must rule out of order any motion that is unlawful or the implementation of which would be unlawful.
- (3) Any motion, amendment or other matter that the chairperson has ruled out of order is taken to have been rejected.

239 Order of business

- (1) At a meeting of a council (other than an extraordinary meeting), the general order of

business is (except as provided by this Regulation) as fixed by the council's code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix the general order of business) as fixed by resolution of the council.

- (2) The order of business fixed under subclause (1) may be altered if a motion to that effect is passed. Such a motion can be moved without notice.
- (3) Despite clause 250, only the mover of a motion referred to in subclause (2) may speak to the motion before it is put.

240 Agenda and business papers for council meetings

- (1) The general manager must ensure that the agenda for a meeting of the council states:
 - (a) all matters to be dealt with arising out of the proceedings of former meetings of the council, and
 - (b) if the mayor is the chairperson—any matter or topic that the chairperson proposes, at the time when the agenda is prepared, to put to the meeting, and
 - (c) subject to subclause (2), any business of which due notice has been given.
- (2) The general manager must not include in the agenda for a meeting of the council any business of which due notice has been given if, in the opinion of the general manager, the business is (or the implementation of the business would be) unlawful. The general manager must report (without giving details of the item of business) any such exclusion to the next meeting of the council.
- (3) The general manager must cause the agenda for a meeting of the council or a committee of the council to be prepared as soon as practicable before the meeting.
- (4) The general manager must ensure that the details of any item of business to which section 9 (2A) of the Act applies are included in a business paper for the meeting concerned.
- (5) Nothing in this clause limits the powers of the chairperson under clause 243.

241 Giving notice of business

- (1) A council must not transact business at a meeting of the council:
 - (a) unless a councillor has given notice of the business in writing within such time before the meeting as is fixed by the council's code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix that time) as is fixed by resolution of the council, and
 - (b) unless notice of the business has been sent to the councillors in accordance with

section 367 of the Act.

- (2) Subclause (1) does not apply to the consideration of business at a meeting if the business:
- (a) is already before, or directly relates to a matter that is already before, the council, or
 - (b) is the election of a chairperson to preside at the meeting as provided by clause 236 (1), or
 - (c) is a matter or topic put to the meeting by the chairperson in accordance with clause 243, or
 - (d) is a motion for the adoption of recommendations of a committee of the council.
- (3) Despite subclause (1), business may be transacted at a meeting of a council even though due notice of the business has not been given to the councillors. However, this can happen only if:
- (a) a motion is passed to have the business transacted at the meeting, and
 - (b) the business proposed to be brought forward is ruled by the chairperson to be of great urgency.
- Such a motion can be moved without notice.
- (4) Despite clause 250, only the mover of a motion referred to in subclause (3) can speak to the motion before it is put.

242 Agenda for extraordinary meetings

- (1) The general manager must ensure that the agenda for an extraordinary meeting of a council deals only with the matters stated in the notice of the meeting.
- (2) Despite subclause (1), business may be transacted at an extraordinary meeting of a council even though due notice of the business has not been given to the councillors. However, this can happen only if:
- (a) a motion is passed to have the business transacted at the meeting, and
 - (b) the business proposed to be brought forward is ruled by the chairperson to be of great urgency.
- Such a motion can be moved without notice but only after the business notified in the agenda for the meeting has been disposed of.
- (3) Despite clause 250, only the mover of a motion referred to in subclause (2) can speak to the motion before it is put.

243 Official minutes

- (1) If the mayor is the chairperson at a meeting of a council, the chairperson is, by minute signed by the chairperson, entitled to put to the meeting without notice any matter or topic that is within the jurisdiction of the council or of which the council has official knowledge.
- (2) Such a minute, when put to the meeting, takes precedence over all business on the council's agenda for the meeting. The chairperson (but only if the chairperson is the mayor) may move the adoption of the minute without the motion being seconded.
- (3) A recommendation made in a minute of the chairperson (being the mayor) or in a report made by a council employee is, so far as adopted by the council, a resolution of the council.

244 Report of a Departmental representative to be tabled at council meeting

When a report of a Departmental representative has been presented to a meeting of a council in accordance with section 433 of the Act, the council must ensure that the report:

- (a) is laid on the table at that meeting, and
- (b) is subsequently available for the information of councillors and members of the public at all reasonable times.

245 Notice of motion—absence of mover

In the absence of a councillor who has placed a notice of motion on the agenda for a meeting of a council:

- (a) any other councillor may move the motion at the meeting, or
- (b) the chairperson may defer the motion until the next meeting of the council at which the motion can be considered.

246 Motions to be seconded

A motion or an amendment cannot be debated unless or until it has been seconded. This clause is subject to clauses 243 (2) and 250 (5).

247 How subsequent amendments may be moved

If an amendment has been rejected, a further amendment can be moved to the motion to which the rejected amendment was moved, and so on, but no more than one motion and one proposed amendment can be before the council at any one time.

248 Motions of dissent

- (1) A councillor can, without notice, move to dissent from the ruling of the chairperson on a point of order. If that happens, the chairperson must suspend the business before

the meeting until a decision is made on the motion of dissent.

- (2) If a motion of dissent is passed, the chairperson must proceed with the suspended business as though the ruling dissented from had not been given. If, as a result of the ruling, any motion or business has been discharged as out of order, the chairperson must restore the motion or business to the agenda and proceed with it in due course.
- (3) Despite clause 250, only the mover of a motion of dissent and the chairperson can speak to the motion before it is put. The mover of the motion does not have a right of general reply.

249 Questions may be put to councillors and council employees

- (1) A councillor:
 - (a) may, through the chairperson, put a question to another councillor, and
 - (b) may, through the general manager, put a question to a council employee.
- (2) However, a councillor or council employee to whom a question is put is entitled to be given reasonable notice of the question and, in particular, sufficient notice to enable reference to be made to other persons or to documents.
- (3) The councillor must put every such question directly, succinctly and without argument.
- (4) The chairperson must not permit discussion on any reply or refusal to reply to a question put to a councillor or council employee under this clause.

250 Limitation as to number of speeches

- (1) A councillor who, during a debate at a meeting of a council, moves an original motion has the right of general reply to all observations that are made by another councillor during the debate in relation to the motion and to any amendment to it, as well as the right to speak on any such amendment.
- (2) A councillor, other than the mover of an original motion, has the right to speak once on the motion and once on each amendment to it.
- (3) A councillor must not, without the consent of the council, speak more than once on a motion or an amendment, or for longer than 5 minutes at any one time. However, the chairperson may permit a councillor who claims to have been misrepresented or misunderstood to speak more than once on a motion or an amendment, and for longer than 5 minutes on that motion or amendment to enable the councillor to make a statement limited to explaining the misrepresentation or misunderstanding.
- (4) Despite subclauses (1) and (2), a councillor may move that a motion or an amendment be now put:

- (a) if the mover of the motion or amendment has spoken in favour of it and no councillor expresses an intention to speak against it, or
 - (b) if at least 2 councillors have spoken in favour of the motion or amendment and at least 2 councillors have spoken against it.
- (5) The chairperson must immediately put to the vote, without debate, a motion moved under subclause (4). A seconder is not required for such a motion.
- (6) If a motion that the original motion or an amendment be now put is passed, the chairperson must, without further debate, put the original motion or amendment to the vote immediately after the mover of the original motion has exercised his or her right of reply under subclause (1).
- (7) If a motion that the original motion or an amendment be now put is rejected, the chairperson must allow the debate on the original motion or the amendment to be resumed.

251 Voting at council meetings

- (1) A councillor who is present at a meeting of a council but who fails to vote on a motion put to the meeting is taken to have voted against the motion.
- (2) If a councillor who has voted against a motion put at a council meeting so requests, the general manager must ensure that the councillor's dissenting vote is recorded in the council's minutes.
- (3) The decision of the chairperson as to the result of a vote is final, unless the decision is immediately challenged and not fewer than 2 councillors rise and demand a division.
- (4) When a division on a motion is demanded, the chairperson must ensure that the division takes place immediately. The general manager must ensure that the names of those who vote for the motion and those who vote against it are respectively recorded in the council's minutes.
- (5) Voting at a council meeting, including voting in an election at such a meeting, is to be by open means (such as on the voices or by show of hands). However, the council may resolve that the voting in any election by councillors for mayor or deputy mayor is to be by secret ballot.

Note—

Part 11 of this Regulation provides that a council is to resolve whether an election by the councillors for mayor or deputy mayor is to be by preferential ballot, ordinary ballot or open voting (clause 394 and clause 3 of Schedule 7). Clause 3 of Schedule 7 also makes it clear that **ballot** has its normal meaning of secret ballot.

252 Representations by members of the public—closure of part of meeting

- (1) A representation at a council meeting by a member of the public as to whether a part

of the meeting should be closed to the public can only be made for a fixed period immediately after the motion to close the part of the meeting is moved and seconded.

- (2) That period is as fixed by the council's code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix that period) as fixed by resolution of the council. Different periods can be fixed according to the different types of matters to be discussed or received and discussed at closed parts of meetings.

253 Resolutions passed at closed meetings to be made public

If a council passes a resolution during a meeting, or a part of a meeting, that is closed to the public, the chairperson must make the resolution public as soon as practicable after the meeting or part of the meeting has ended.

254 Matters to be included in minutes of council meeting

The general manager must ensure that the following matters are recorded in the council's minutes:

- (a) details of each motion moved at a council meeting and of any amendments moved to it,
- (b) the names of the mover and seconder of the motion or amendment,
- (c) whether the motion or amendment is passed or lost.

Note—

Section 375 (1) of the Act requires a council to ensure that full and accurate minutes are kept of the proceedings of a meeting of the council (other provisions of this Regulation and of the Act require particular matters to be recorded in a council's minutes).

Division 4 Keeping order at meetings

255 Questions of order

- (1) The chairperson, without the intervention of any other councillor, may call any councillor to order whenever, in the opinion of the chairperson, it is necessary to do so.
- (2) A councillor who claims that another councillor has committed an act of disorder, or is out of order, may call the attention of the chairperson to the matter.
- (3) The chairperson must rule on a question of order immediately after it is raised but, before doing so, may invite the opinion of the council.
- (4) The chairperson's ruling must be obeyed unless a motion dissenting from the ruling is passed.

256 Acts of disorder

- (1) A councillor commits an act of disorder if the councillor, at a meeting of a council or a committee of a council:
 - (a) contravenes the Act or any regulation in force under the Act, or
 - (b) assaults or threatens to assault another councillor or person present at the meeting, or
 - (c) moves or attempts to move a motion or an amendment that has an unlawful purpose or that deals with a matter that is outside the jurisdiction of the council or committee, or addresses or attempts to address the council or committee on such a motion, amendment or matter, or
 - (d) insults or makes personal reflections on or imputes improper motives to any other councillor, or
 - (e) says or does anything that is inconsistent with maintaining order at the meeting or is likely to bring the council or committee into contempt.
- (2) The chairperson may require a councillor:
 - (a) to apologise without reservation for an act of disorder referred to in subclause (1) (a) or (b), or
 - (b) to withdraw a motion or an amendment referred to in subclause (1) (c) and, where appropriate, to apologise without reservation, or
 - (c) to retract and apologise without reservation for an act of disorder referred to in subclause (1) (d) or (e).
- (3) A councillor may, as provided by section 10 (2) (a) or (b) of the Act, be expelled from a meeting of a council for having failed to comply with a requirement under subclause (2). The expulsion of a councillor from the meeting for that reason does not prevent any other action from being taken against the councillor for the act of disorder concerned.

257 How disorder at a meeting may be dealt with

- (1) If disorder occurs at a meeting of a council, the chairperson may adjourn the meeting for a period of not more than 15 minutes and leave the chair. The council, on reassembling, must, on a question put from the chair, decide without debate whether the business is to be proceeded with or not. This subclause applies to disorder arising from the conduct of members of the public as well as disorder arising from the conduct of councillors.
- (2) A member of the public may, as provided by section 10 (2) (a) or (b) of the Act, be

expelled from a meeting of a council for engaging in or having engaged in disorderly conduct at the meeting.

258 Power to remove persons from meeting after expulsion

If a councillor or a member of the public fails to leave the place where a meeting of a council is being held:

- (a) immediately after the council has passed a resolution expelling the councillor or member from the meeting, or
- (b) where the council has authorised the person presiding at the meeting to exercise the power of expulsion—immediately after being directed by the person presiding to leave the meeting,

a police officer, or any person authorised for the purpose by the council or person presiding, may, by using only such force as is necessary, remove the councillor or member from that place and, if necessary, restrain the councillor or member from re-entering that place.

Division 5 Council committees

259 Committee of the whole

- (1) All the provisions of this Regulation relating to meetings of a council, so far as they are applicable, extend to and govern the proceedings of the council when in committee of the whole, except the provision limiting the number and duration of speeches.
- (2) The general manager or, in the absence of the general manager, an employee of the council designated by the general manager is responsible for reporting to the council proceedings in committee of the whole. It is not necessary to report the proceedings in full but any recommendations of the committee must be reported.
- (3) The council must ensure that a report of the proceedings (including any recommendations of the committee) is recorded in the council's minutes. However, the council is not taken to have adopted the report until a motion for adoption has been made and passed.

260 Council may establish committees

- (1) A council may, by resolution, establish such committees as it considers necessary.
- (2) A committee is to consist of the mayor and such other councillors as are elected by the councillors or appointed by the council.

261 Functions of committees

A council must specify the functions of each of its committees when the committee is established, but may from time to time amend those functions.

262 Notice of committee meetings to be given

- (1) The general manager of a council must send to each councillor, at least 3 days before each meeting of the committee, a notice specifying:

- (2) However, notice of less than 3 days may be given of a committee meeting called in an emergency.

263 Non-members entitled to attend committee meetings

- (1) A councillor who is not a member of a committee of a council is entitled to attend, and to speak at, a meeting of the committee.
- (2) However, the councillor is not entitled:
 - (a) to give notice of business for inclusion in the agenda for the meeting, or
 - (b) to move or second a motion at the meeting, or
 - (c) to vote at the meeting.

264 Representations by members of the public—closure of part of meeting

- (1) A representation at a committee meeting by a member of the public as to whether a part of the meeting should be closed to the public can only be made for a fixed period immediately after the motion to close the part of the meeting is moved and seconded.
- (2) That period is as fixed by the council's code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix that period) as fixed by resolution of the council. Different periods can be fixed according to the different types of matters to be discussed or received and discussed at closed parts of meetings.

265 Procedure in committees

- (1) Subject to subclause (3), each committee of a council may regulate its own procedure.
- (2) Without limiting subclause (1), a committee of a council may decide that, whenever

the voting on a motion put to a meeting of the committee is equal, the chairperson of the committee is to have a casting vote as well as an original vote.

- (3) Voting at a committee meeting is to be by open means (such as on the voices or by show of hands).

266 Committees to keep minutes

- (1) Each committee of a council must ensure that full and accurate minutes of the proceedings of its meetings are kept. In particular, a committee must ensure that the following matters are recorded in the committee's minutes:
 - (a) details of each motion moved at a meeting and of any amendments moved to it,
 - (b) the names of the mover and seconder of the motion or amendment,
 - (c) whether the motion or amendment is passed or lost.
- (2) As soon as the minutes of an earlier meeting of a committee of the council have been confirmed at a later meeting of the committee, the person presiding at the later meeting must sign the minutes of the earlier meeting.

267 Chairperson and deputy chairperson of committees

- (1) The chairperson of each committee of the council must be:
 - (a) the mayor, or
 - (b) if the mayor does not wish to be the chairperson of a committee—a member of the committee elected by the council, or
 - (c) if the council does not elect such a member—a member of the committee elected by the committee.
- (2) A council may elect a member of a committee of the council as deputy chairperson of the committee. If the council does not elect a deputy chairperson of such a committee, the committee may elect a deputy chairperson.
- (3) If neither the chairperson nor the deputy chairperson of a committee of a council is able or willing to preside at a meeting of the committee, the committee must elect a member of the committee to be acting chairperson of the committee.
- (4) The chairperson is to preside at a meeting of a committee of a council. If the chairperson is unable or unwilling to preside, the deputy chairperson (if any) is to preside at the meeting, but if neither the chairperson nor the deputy chairperson is able or willing to preside, the acting chairperson is to preside at the meeting.

268 Absence from committee meetings

- (1) A member (other than the mayor) ceases to be a member of a committee if the member:
 - (a) has been absent from 3 consecutive meetings of the committee without having given reasons acceptable to the committee for the member's absences, or
 - (b) has been absent from at least half of the meetings of the committee held during the immediately preceding year without having given to the committee acceptable reasons for the member's absences.
- (2) Subclause (1) does not apply in respect of a committee that consists of all of the members of the council.

Note—

The expression **year** means the period beginning 1 July and ending the following 30 June. See the Dictionary to the Act.

269 Reports of committees

- (1) If in a report of a committee of the council distinct recommendations are made, the decision of the council may be made separately on each recommendation.
- (2) The recommendations of a committee of the council are, so far as adopted by the council, resolutions of the council.
- (3) If a committee of a council passes a resolution, or makes a recommendation, during a meeting, or a part of a meeting, that is closed to the public, the chairperson must:
 - (a) make the resolution or recommendation public as soon as practicable after the meeting or part of the meeting has ended, and
 - (b) report the resolution or recommendation to the next meeting of the council.

270 Disorder in committee meetings

The provisions of the Act and of this Regulation relating to the maintenance of order in council meetings apply to meetings of committees of the council in the same way as they apply to meetings of the council.

271 Certain persons may be expelled from council committee meetings

- (1) If a meeting or part of a meeting of a committee of a council is closed to the public in accordance with section 10A of the Act, any person who is not a councillor may be expelled from the meeting as provided by section 10 (2) (a) or (b) of the Act.
- (2) If any such person, after being notified of a resolution or direction expelling him or her from the meeting, fails to leave the place where the meeting is being held, a police

officer, or any person authorised for the purpose by the council, committee or person presiding, may, by using only such force as is necessary, remove the first-mentioned person from that place and, if necessary, restrain that person from re-entering that place.

(6) However, if a request for a person’s place of living not to be included in a roll of electors has been granted under section 739 of the Act, the person need not indicate a place of living in response to a requirement under subclause (1) but instead the person is to make a declaration of residence on an envelope in Form 12.

(7) This clause does not prevent a person from voting:

- (a) because of errors or omissions in the entry of the person’s name as appearing on the roll if he or she satisfies the electoral official of his or her identity as the person referred to by that name, or
- (b) because the person’s name is not on the roll if he or she complies with section 305 of the Act.

- (5) If the declaration is in order and the residence is the appropriate one, the returning officer is to open the envelope containing the ballot-paper, extract the ballot-paper and, without damaging the writing on the envelope, place the ballot-paper still folded in the ballot-box for section 305 votes.
- (6) If the declaration is not in order, or the residence is not the appropriate one, the returning officer is to leave the envelope containing the ballot-paper unopened.

341 Delivery of ballot-paper to elector

- (1) An electoral official is to deliver a ballot-paper initialled on the back by the returning officer or an electoral official to each person who is entitled to vote.

- (4) The returning officer must examine the declaration before the envelope is opened

and, if necessary, make inquiries to determine whether the declaration is in order and the elector is entitled to vote.

- (5) If the declaration is in order and it appears to the returning officer that the elector is entitled to vote, the returning officer is to open the envelope containing the ballot-paper, extract the ballot-paper and, without damaging the writing on the envelope, place the ballot-paper still folded in the ballot-box for section 305 votes.
- (6) If the declaration is not in order, or it appears to the returning officer that the elector is not entitled to vote, the returning officer is to leave the envelope containing the ballot-paper unopened.
- (7) The returning officer and senior deputy returning officers are each to make a list of section 305 votes. On it each officer is to note the giving of a ballot-paper at the polling place where the officer is in charge to an elector who has made a declaration under section 305 of the Act and the number of such votes delivered or sent to the returning officer from that polling place (or, if the officer is the returning officer, retained by him or her).

344 Voting if name already marked on roll

- (1) If an elector claims to vote at a polling place, but the roll of electors has already been marked to show that the elector has received an ordinary, postal or pre-poll ballot-paper, the elector is to be given a ballot-paper if he or she answers the questions set out in clause 339 (4) in the manner specified in clause 339 (5) and a declaration has been completed in Form 13.
- (2) The elector, after marking his or her ballot-paper, is to fold it, show the initials on the back of the ballot-paper to an electoral official and deliver it to the official.
- (3) The official is (in the presence of the elector) to enclose the folded ballot-paper (without unfolding it) in an envelope bearing (or containing) the declaration of the elector required by this clause, and seal the envelope. The official is then to put the envelope in the ballot-box.

See clause 387 as to spoilt ballot-papers and clause 388 as to the assistance of electors.

Division 9 Scrutiny and counting

345 Informal ballot-papers

- (1) A ballot-paper of an elector at an election is informal if:

- (a) the elector has failed to record a vote on it in the manner directed on it, or
 - (b) it has not been initialled on the back by the returning officer or an electoral official, or
 - (c) it contains a mark or writing that, in the returning officer's opinion, would enable the elector to be identified.
- (2) Despite subclause (1), a ballot-paper of an elector at an election in which only one candidate is to be elected is not informal merely because a tick or a cross has been placed in one square and the other square or squares have been left blank. In such a case the tick or the cross is to be treated as a first preference.
- (3) Despite subclause (1), a ballot-paper of an elector at an election is not informal merely because it does not show the minimum number of preferences required by the directions so long as it shows at least half of the minimum number of preferences required by the directions.
- (4) Despite subclause (1), a ballot-paper of an elector at an election is not informal merely because a preference (other than a first preference) has been repeated or omitted so long as the ballot-paper shows at least half of the minimum number of preferences required by the directions.
- (5) Despite subclause (1), a ballot-paper of an elector at an election is not informal merely because it has not been initialled on the back by the returning officer or an electoral official, so long as it bears the mark referred to in clause 305 (2).
- (6) Despite subclause (1), a ballot-paper of an elector at an election is not informal by virtue of the existence of an unnecessary mark on the ballot-paper if, in the opinion of the returning officer, the elector's intention is clearly indicated on the ballot-paper.
- (7) Nothing in subclause (2) authorises any person to encourage a voter to place a tick or a cross in a square on a ballot-paper.

Note—

Section 308C of the Act makes provision concerning the formality of ballot-papers where the voter marks, crosses or ticks a group voting square, or where the ballot papers contain the name of a candidate whom a court has declared to be incapable of being elected.

346 Persons present at scrutiny and count

The Electoral Commissioner or persons authorised by the Electoral Commissioner, the returning officer, electoral officials, scrutineers and police officers on duty are entitled to be present at each place at which polling is carried out, ballot-papers are scrutinised or votes are counted.

347 Postal, pre-poll and declared institution votes

The returning officer may, at any time after 8 am on the day of the poll and in the presence of any scrutineers lawfully present:

- (a) produce all applications for postal votes and the list and signature indications of general postal voters, open the ballot-box containing postal votes received from postal voters by the returning officer and take out all the envelopes, and follow the procedure set out with respect to postal votes in clause 350 (3) (a)–(d), and
- (b) open the ballot-boxes in the returning officer's possession at that time containing pre-poll votes and any ballot-box containing declared institution votes, take out all the envelopes, count the sealed envelopes unopened and record the count, and check the names on the envelopes against the roll of electors and mark each elector's name in the manner determined by the Electoral Commissioner on a copy of the roll.

348 Initial scrutiny and count

- (1) On the close of the poll at an election each senior deputy returning officer must, in the presence of the electoral officials and scrutineers and any police officers on duty at the polling place, open the ballot-box, and have the ballot-papers scrutinised in his or her presence and under his or her supervision and must reject the informal ballot-papers.
- (2) Each senior deputy returning officer is to have the envelopes containing postal votes and tendered votes placed on one side as they are taken from the ballot-box.
- (3) After the scrutiny each senior deputy returning officer must have counted, in that officer's presence and subject to that officer's supervision, the first preferences recorded for each candidate, the number of informal, postal and tendered votes, and the number of votes shown on the list of section 305 votes (required under clause 343) as being delivered or sent to the returning officer.
- (4) Then the senior deputy returning officer is to send to the returning officer returns, verified by the signatures of the senior deputy returning officer, another electoral official and any scrutineer who desires to sign the returns, stating:
 - (a) the number of first preferences recorded for each candidate, the number of informal, postal and tendered votes and the number of votes shown on the list of section 305 votes as being delivered or sent to the returning officer, and
 - (b) details of the numbers of ballot-papers in Form 14.

349 Sending ballot-papers to returning officer

- (1) The senior deputy returning officer must then, in the presence of the witnesses referred to in clause 348 (1), make up:

- (a) in one parcel the ballot-papers classed as formal and the ballot-papers classed as informal, and
 - (b) in a second parcel the ballot-papers that have not been used, the cancelled postal ballot-papers and forms of declaration, the spoilt ballot-papers, the list of section 305 votes, the envelopes containing postal votes and the envelopes containing tendered votes, and the list of tendered votes, and
 - (c) in a third parcel the certified copies of the rolls supplied to the senior deputy returning officer, signed by the senior deputy returning officer, and all books, rolls and papers (except the ballot-papers and the lists of ballot-papers) kept, used, and received by the senior deputy returning officer in connection with polling.
- (2) The senior deputy returning officer is to do the following:
- (a) seal the parcels,
 - (b) permit any of the scrutineers who wish to do so to affix their seals to the parcels,
 - (c) endorse the parcels with descriptions of their contents and with the name of the ward and area, the name of the polling place, and the date of the polling,
 - (d) sign with his or her name the endorsement on each parcel,
 - (e) deliver or send the parcels to the returning officer (except if the senior deputy returning officer's functions are being exercised by the returning officer).
- (3) The returning officer may (and must if so required by a scrutineer) have the parcels opened, and have the ballot-papers scrutinised and counted in the presence of the electoral officials, scrutineers and police officers on duty at the principal polling place.
- (4) During such scrutiny, the returning officer must:
- (a) reject any ballot-paper classed as formal by the senior deputy returning officer if, in the returning officer's opinion, it is informal, and
 - (b) accept any ballot-paper classed as informal by the senior deputy returning officer if, in the returning officer's opinion, it is formal.

350 Checking of ballot-papers in sealed envelopes

- (1) The returning officer must on the close of the poll produce the applications for postal votes, produce the list and signature indications of general postal voters forwarded to the returning officer, and open the ballot-box containing postal votes received by the returning officer and take all the envelopes from it.
- (2) Postal votes received after the close of the poll but before 6 pm on the first business day following election day are to be dealt with in the same way as postal votes received before the close of the poll.

- (3) The returning officer is then to do the following or have the following done:
- (a) count the sealed ballot-paper envelopes unopened and record the count,
 - (b) check the names on the envelopes against the roll of electors and, if an elector's name is on the roll and the Form 8 declaration on the envelope has been duly signed and witnessed, mark the roll in the manner determined by the Electoral Commissioner,
 - (c) compare the signature of the elector on each postal vote declaration with the signature of the applicant on the correspondingly numbered application for a postal vote (or the signature of the applicant for registration as a general postal voter), allow the scrutineers to inspect both signatures, and examine each declaration as to its formality or informality,
 - (d) if the returning officer is not satisfied that the signature of the elector on the declaration is that of the applicant who signed the application or that the declaration is formal—mark, initial and keep apart unopened the sealed ballot-paper envelope on which the declaration appears,
 - (e) if the returning officer is satisfied that the signature of the elector on the declaration is that of the applicant who signed the application and that the declaration is formal—turn the sealed ballot-paper envelope so that the declaration is face downwards, then open the envelope (without damaging the writing on it) and take out the ballot-paper and, without inspecting or unfolding it or allowing any other person to do so, place it in a securely fastened ballot-box for further scrutiny,
 - (f) after dealing with all the envelopes and ballot-papers in accordance with paragraphs (d) and (e), open the ballot-box, take out the ballot-papers, unfold and scrutinise them and reject the informal ones.
- (4) The returning officer must on the close of the poll open the ballot-boxes containing pre-poll votes and declared institution votes, take all the envelopes from them and do the following or have the following done:
- (a) count the sealed ballot-paper envelopes unopened and record the count,
 - (b) check the names on the envelopes against the roll of electors and, if an elector's name is on the roll, mark the roll in the manner determined by the Electoral Commissioner,

- (d) after dealing with all the envelopes and ballot-papers in accordance with paragraph (c), open the ballot-box, take out the ballot-papers, unfold and scrutinise them and reject the informal ones.

- (a) count the number of envelopes containing tendered votes for each polling place,
 - (b) in the presence of the scrutineers examine the declarations on the envelopes and make such inquiries as the returning officer considers necessary as to whether the persons who signed the declarations are entitled to vote,
 - (c) if the returning officer is not satisfied that the person who signed the declaration is entitled to vote or that the declaration is duly witnessed, keep apart and unopened the envelope on which the declaration appears,
 - (d) if the returning officer is satisfied that the person who signed the declaration is entitled to vote and that the declaration is duly witnessed, turn the envelope so that the declaration is face downwards, then open the envelope (without damaging the writing on it) and take out the ballot-paper and, without inspecting or unfolding it or allowing any other person to do so, place it in a securely fastened ballot-box for further scrutiny,
 - (e) after dealing with all the envelopes and ballot-papers in accordance with paragraphs (c) and (d), open the ballot-box, take out the ballot-papers, unfold and scrutinise them and reject the informal ones.

352 Double candidature: candidate elected as mayor

- (1) If, in any election, one or more of the candidates for election as councillor for a ward in an area (or for an area) are also candidates for election as mayor of the area, the counting of votes in the election of the mayor is to be completed, and the result obtained, before any distribution of preferences in the election of councillors.
- (2) Then the count in the election of councillors is to continue, treating the person who has already been elected as mayor as not being a candidate for election as councillor.
- (3) Each preference indicated on ballot-papers in the election of councillors for the person elected as mayor is disregarded and any subsequent preferences are treated as if the numbers representing them had been reduced by one.

353 Recount

- (1) At any time before the declaration of the poll:
 - (a) a candidate may request a recount of the ballot-papers used in the ward or area for which the candidate was nominated, and

- (3) The returning officer must again have the ballot-papers scrutinised and counted and, if necessary, have any other papers used at the election inspected, if:
 - (a) a request is received under subclause (1) (a) and the candidate has paid to the returning officer, on behalf of the council, a deposit to cover the cost of the recount and the ballot-papers referred to in the request have not already been recounted, or
 - (b) a direction is received in accordance with subclause (1) (b), or

(c) the returning officer in any case believes it necessary.

(4) The deposit is to be determined by reference to a scale of charges fixed by the Electoral Commissioner before election day.

354 Who pays for the recount?

- (1) If a recount of ballot-papers is conducted under clause 353 (3) (b) or (c), the council is to pay for the recount.
- (2) If a recount of ballot-papers is conducted under clause 353 (3) (a) and the recount results in an alteration in the candidates who are elected, the deposit referred to in that paragraph is to be refunded to the candidate.
- (3) If a recount of ballot-papers is conducted under clause 353 (3) (a) and the recount does not result in an alteration in the candidates who are elected, the expense of the recount is to be paid out of the deposit and any remainder is to be refunded to the candidate, and any shortfall paid by the council.

Immediately after the completion of a recount of ballot-papers, the returning officer must notify the Electoral Commissioner of the result of the recount.

Schedule 4 Counting of votes under optional preferential system

(Clause 351)

1 General

This Schedule sets out the method of counting votes according to the optional preferential system. The counting is to be carried out under the supervision of the returning officer.

2 Definitions

In this Schedule:

absolute majority of votes means a greater number than one-half of the whole number of ballot-papers other than informal and exhausted ballot-papers.

continuing candidate means a candidate not already elected or excluded from the count.

exhausted ballot-paper means a ballot-paper on which there is no indication of a next preference for a continuing candidate.

next preference means the first of the subsequent preferences marked on a ballot-paper that is not given to an elected or excluded candidate. However, if there is a repetition or omission in the consecutive numbering of preferences marked on a ballot-paper (other than a repetition or omission that makes the ballot-paper informal), only those preferences preceding the repetition or omission can be taken into account.

unrejected ballot-papers means all ballot-papers not rejected as informal.

3 One candidate to be elected

If only one candidate is to be elected, the votes are to be counted and the result of the election ascertained in accordance with the following procedures:

- (a) the unrejected ballot-papers are arranged under the names of the respective candidates by placing in a separate parcel all those on which a first preference is indicated for the same candidate,

- (b) the total number of first preferences given for each candidate on such ballot-papers are then counted,
- (c) the candidate who has received the largest number of first preference votes is elected if that number constitutes an absolute majority of votes,
- (d) if no candidate has received an absolute majority of first preference votes, a second count is made,
- (e) on the second count the candidate who has received the fewest first preference votes is excluded, and each unexhausted ballot-paper counted to him or her is counted to the candidate next in the order of the voter's preference,
- (f) if a candidate then has an absolute majority of votes, he or she is elected, but if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the fewest votes and counting each of his or her unexhausted ballot-papers to the continuing candidate next in the order of the voter's preference is repeated until one candidate has received an absolute majority of votes,
- (g) the candidate who has received an absolute majority of votes is elected.

4 Two candidates to be elected

If 2 candidates are to be elected, the votes are to be counted and the result of the election ascertained in accordance with the following procedures:

- (a) one of the candidates is elected in accordance with clause 3 of this Schedule,
- (b) all the unrejected ballot-papers are rearranged under the names of the respective candidates in accordance with the first preferences marked on the ballot-papers, except that each ballot-paper on which a first preference for the elected candidate is indicated is placed in the parcel of the candidate next in the order of the voter's preference,
- (c) the number of ballot-papers in the parcel of each candidate is counted and the total number of votes so counted to each candidate is ascertained,
- (d) if a candidate then has an absolute majority of votes he or she is elected. If not, the count proceeds according to clause 3 (d), (e) and (f) of this Schedule, until one candidate has received an absolute majority of votes,
- (e) clause 3 (d) and (e) of this Schedule is to be read for the purposes of this clause as if a reference in those paragraphs to first preference votes were a reference to all the votes counted to a candidate under this clause,
- (f) the candidate who has received an absolute majority of votes is elected.

5 Exhausted ballot-papers

In the process of counting under clause 3 or 4 of this Schedule, exhausted ballot-papers are set aside as finally dealt with and are not taken into account in the election of a candidate under the appropriate clause.

6 Equality

- (1) If, on any count at which the candidate with the fewest number of votes has to be excluded, 2 or more candidates have an equal number of votes (that number being fewer than the number of votes that any other candidate has or those candidates being the only continuing candidates):
 - (a) the candidate who had the fewest votes at the last count before the equality occurred is excluded, or
 - (b) if they had an equal number of votes at all preceding counts, the candidate whose name is on a slip drawn in accordance with subclause (2) is excluded.
- (2) For the purposes of subclause (1) (b) the returning officer writes the names of the candidates who have an equal number of votes on similar slips of paper. The returning officer then folds the slips so as to prevent the names being seen, mixes them, and draws one slip at random.

7 End of counting

The process of counting each of the unexhausted ballot-papers of an excluded candidate to the continuing candidate next in the order of the voter's preference is not repeated if there is only one continuing candidate. Instead, that continuing candidate is elected.

Schedule 5 Counting of votes under proportional system

(Clause 351)

1 General

This Schedule sets out the method of counting votes according to the proportional system. The counting is to be carried out under the supervision of the returning officer.

2 Definitions

In this Schedule:

continuing candidate means at any given time a candidate not already elected or not already excluded from the poll.

exhausted ballot-paper means a ballot-paper on which there is no indication of a next preference for a continuing candidate.

fraction includes a decimal fraction.

next preference means the first of the subsequent preferences marked on a ballot-paper that is not given to an elected or excluded candidate. However, if there is a repetition or omission in the consecutive numbering of preferences marked on a ballot-paper (other than a repetition or omission that makes the ballot-paper informal), only those preferences preceding the repetition or omission can be taken into account.

quota means the number of votes sufficient to elect a candidate.

surplus, at any given time, means:

- (a) except as provided in paragraph (b)—the number of votes which a candidate has obtained at that time in excess of the quota, or
- (b) if the number of exhausted ballot-papers counted to a candidate at that time is greater than the quota—the number of votes which the candidate has obtained at that time in excess of the number of those exhausted ballot-papers.

3 Parcels of first preferences

The ballot-papers are divided into parcels according to the names of the candidates for whom the first preferences on the ballot-papers are recorded.

4 Quota

The aggregate number of first preferences is divided by one more than the number of candidates to be elected. The quotient (disregarding any remainder), increased by one, becomes the quota.

5 Election on first preferences

- (1) A candidate who has, upon the first preferences being counted, a number of first preferences equal to or greater than the quota is elected.
- (2) If the number of first preferences obtained by the candidate is equal to the quota, all the ballot-papers on which first preferences are recorded for that candidate are set aside as finally dealt with.

6 Surplus on first count

- (1) If the number of first preferences obtained by any candidate exceeds the quota, the surplus is transferred to the continuing candidates next in the order of voters' preferences, in accordance with the following directions:
 - (a) the ballot-papers on which first preferences are recorded for the elected candidate are re-examined, and the number of second preferences, or (in accordance with clause 12 of this Schedule) third or next consecutive preferences, recorded on them for each continuing candidate and the number of exhausted ballot-papers is counted,

- (b) the surplus is divided by the total number of first preferences recorded for such elected candidate (excluding any exhausted ballot-papers). The transfer value is equal to the resulting fraction or the first 4 digits of the resulting decimal fraction or (if the fraction exceeds 1) to 1,
 - (c) the number of second or other preferences, ascertained in paragraph (a) as being recorded for each continuing candidate, is multiplied by the transfer value,
 - (d) the resulting number for each continuing candidate is added to the number of votes obtained by the candidate on the counting of first preferences,
 - (e) however, if as a result of the multiplication referred to in paragraph (c), any fraction results, so many of those fractions (taken in the order of their magnitude and beginning with the largest) as are necessary to ensure that the number of votes transferred equals the number of the elected candidate's surplus votes are treated as equal to 1, and the remaining fractions are ignored,
 - (f) if, as a result of the multiplication referred to in paragraph (c), 2 or more fractions are equal and one of them is to be treated as equal to 1, the fraction arising from the largest number of second or other preferences referred to in paragraph (a) is treated as the largest, and if the numbers of those preferences are equal, the fraction credited to the candidate with the highest number of votes at the last count or transfer at which the candidates with the equal number of preferences had an unequal number of votes is treated as the largest, and if those candidates have had an equal number of votes at all preceding counts and transfers, the returning officer decides by lot which fraction is taken to be the largest,
 - (g) from the ballot-papers on which a second or other preference is recorded for any continuing candidate, a number of ballot-papers equal to the number of votes directed by paragraph (d) to be credited to the candidate are selected at random, and these are to be placed in a separate parcel and transferred to the candidate,
 - (h) all ballot-papers of the elected candidate not transferred under paragraph (g) (including any exhausted ballot-papers) are set aside as finally dealt with, being the ballot-papers by which the candidate is elected,
 - (i) a transfer of votes under this clause is not made unless the surplus of the elected candidate, together with any other surpluses not transferred, exceeds the difference in numbers between the votes of the 2 continuing candidates lowest on the poll.
- (2) However, this clause is subject to clause 11 of this Schedule, and if at any time there is one remaining vacancy which can be filled under that clause, no further transfer under this clause can be made.

7 Surplus on transfer

- (1) If by a transfer of a surplus on the count of first preferences or of a surplus under this clause the number of votes obtained by a candidate equals or exceeds the quota, the candidate is elected.
- (2) In that case, despite the fact that the candidate has reached the quota, the transfer is to be completed, and all the votes to which the candidate is entitled from the transfer are to be transferred to the candidate.
- (3) If by a transfer the number of votes obtained by a candidate equals the quota, the whole of the ballot-papers on which those votes are recorded are set aside as finally dealt with, being the ballot-papers by which the candidate is elected.
- (4) If by a transfer the number of votes obtained by a candidate exceeds the quota, the surplus is transferred to the continuing candidates next in the order of the voters' respective preferences in the following manner:
 - (a) the ballot-papers transferred to the elected candidate in the last transfer are re-examined, and the number of next consecutive preferences recorded for each continuing candidate on the papers and the number of exhausted ballot-papers are counted,
 - (b) the surplus is divided by the total number of ballot-papers transferred to the elected candidate in the last transfer (excluding any exhausted ballot-papers). The transfer value is equal to the resulting fraction or the first 4 digits of the resulting decimal fraction or (if the fraction exceeds 1) to 1,
 - (c) the surplus is transferred and the papers dealt with in a manner similar to that prescribed by clause 6 of this Schedule for the transfer of a surplus arising at the first count,
 - (d) a transfer of votes under this subclause is not made unless the surplus of the elected candidate, together with any other surpluses not transferred, exceeds the difference in numbers between the votes of the 2 continuing candidates lowest on the poll.
- (5) However, this clause is subject to clause 11 of this Schedule, and if at any time there is one remaining vacancy which can be filled under that clause, no further transfer under this clause can be made.

8 Transfer of surpluses

- (1) If, on the counting of the first preferences or on any transfer, more than one candidate has a surplus, the largest of the surpluses is transferred, then the next largest, and so on.
- (2) However, if there is an untransferred surplus obtained at a previous count or transfer,

that surplus is transferred before those caused by subsequent transfers.

- (3) If there are equal surpluses at the first count, the returning officer decides by lot which surplus is transferred first.
- (4) If there are equal surpluses at a later count or at a transfer, the surplus of the candidate who was the highest on the poll at the count or transfer at which the tied candidates last had an unequal number of votes is the first to be transferred. If those candidates have had an equal number of votes at all preceding counts or transfers, the returning officer decides by lot which candidate's surplus is the first to be transferred.

9 Exclusion of lowest candidates

- (1) If, after the first preferences have been counted and transfers of surpluses have been made, fewer than the number of candidates required to be elected have obtained the quota, the candidate lowest on the poll is excluded.
- (2) All the unexhausted votes obtained by that candidate are transferred in one transfer to the continuing candidates who, on the ballot-papers on which such votes are recorded, are next in the order of the voters' respective preferences.
- (3) Any exhausted ballot-papers are set aside as finally dealt with.
- (4) The same process of exclusion and transfer is repeated until all the candidates, except the number required to be elected, have been excluded. At that point, the continuing candidates who have not already been elected are elected.
- (5) Whenever it becomes necessary to exclude a candidate and two or more candidates have the same number of votes and are lowest on the poll, the one who was lowest on the poll at the last count or transfer at which they had an unequal number of votes is first excluded.
- (6) If those candidates have had equal numbers of votes at all preceding counts or transfers, or there has been no preceding count, the returning officer decides by lot which candidate is first excluded.
- (7) This clause is subject to clause 11 of this Schedule, and if at any time there is one remaining vacancy which can be filled under that clause, no further exclusion under this clause can be made.

10 Effect of reaching quota while transfers are proceeding

- (1) If by a transfer under clause 9 of this Schedule, the number of votes obtained by a candidate equals or exceeds the quota, the candidate is elected.
- (2) In that case, despite the fact that the candidate has reached the quota, the transfer is to be completed, and all the votes to which the candidate is entitled from the transfer

are to be transferred to the candidate.

- (3) If by a transfer under clause 9 of this Schedule, the number of votes obtained by a candidate equals the quota, the whole of the ballot-papers on which those votes are recorded are set aside as finally dealt with, being the ballot-papers by which the candidate is elected.
- (4) If by a transfer under clause 9 of this Schedule, the number of votes obtained by a candidate exceeds the quota, the surplus is transferred to the continuing candidates next in the order of the voters' respective preferences in the manner set out in clause 7 (4) of this Schedule.

11 Election without reaching quota

- (1) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled the continuing candidates are elected, even if they have not reached the quota.
- (2) When only one vacancy remains unfilled and the votes of one continuing candidate exceed the total of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate is elected.
- (3) When more than one vacancy remains unfilled and the votes of the candidate who (if all the vacancies were filled by the successive election of the continuing candidates with the largest number of votes) would be the last to be elected exceed the total of any surplus not transferred plus the votes of all the continuing candidates with fewer votes than that candidate, that candidate and all the other continuing candidates who do not have fewer votes than that candidate are elected.
- (4) When only one vacancy remains unfilled, and there are only 2 continuing candidates, and those 2 candidates each have the same number of votes, and no surplus votes remain capable of transfer, one candidate is excluded in accordance with clause 9 (5) and (6) of this Schedule and the other is elected.

12 Determining order of preference

In determining which candidate is next in the order of the voter's preference, any candidates who have been declared elected or who have been excluded are not considered, and the order of the voter's preference is determined as if the names of those candidates had not been on the ballot-paper.

13 Deciding by lot

- (1) For the purposes of excluding a candidate by lot under clause 9 or 11 of this Schedule, the names of the candidates who have equal numbers of votes are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed and one is drawn at random by

the returning officer and the candidate whose name is on the drawn slip is excluded.

- (2) For the purpose of deciding by lot which candidate's surplus is first to be transferred under clause 8 of this Schedule, the names of the candidates who have equal surpluses are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed, one of the slips is drawn at random by the returning officer and the candidate whose name is on the drawn slip is the one whose surplus is the first to be transferred.
- (3) For the purposes of determining the largest fraction under clause 6 of this Schedule, the names of the candidates who have been credited with the equal fractions are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed, one of the slips is drawn at random by the returning officer and the candidate whose name is on the drawn slip is taken to have been credited with the largest fraction.

14 Check counting

- (1) A scrutineer may at any time during the counting of the votes, either before the commencement or after the completion of the transfer of the votes (whether original or transferred votes) of any candidate, request the returning officer to make a check count of the papers then comprised in the parcels of all or any candidates (but not of papers set aside as finally dealt with).
- (2) The returning officer is to make a check count immediately on receiving the request, unless the returning officer has already made a check count of the same votes.
- (3) The returning officer may also recount votes as often as he or she thinks necessary to establish accuracy.

15 Records and returns of voting and transfers

- (1) At each step of the proceedings the returning officer is to keep a record of the number of votes counted for each candidate, the transfer of surpluses, the exclusion of candidates and the transfer of their votes, the votes which are found to be informal, and those which at some stage become exhausted votes.
- (2) At the same time as the declaration of the election, the returning officer is to exhibit in some conspicuous position at the principal polling place and at the office of the relevant council a record of the voting, counting and transfers.
- (3) The council must, upon application made to it by any person, deliver or send to the person a copy of the record of voting, counting and transfers.

Schedule 6 Application of Election Funding Act 1981

(Clause 393)

- 1 The *Election Funding Act 1981*, as applied by the *Local Government Act 1993*, is to be read as if section 52 (2) were omitted.
- 2 The *Election Funding Act 1981*, as applied by the *Local Government Act 1993*, is to be read as if the references in section 51 (4) (a) to sections 32, 33, 35, 36 and 38 were instead references to sections 32, 33, 34, 35, 36, 37 and 38.
- 3 The *Election Funding Act 1981*, as applied by the *Local Government Act 1993*, is to be read as if section 93 (3) (b) were omitted and the following paragraph were inserted instead:

(b) in any other case where the Authority considers that compliance would not be appropriate.
- 4 Part 3 and clauses 30–34 of the *Election Funding Regulation 2004* apply in relation to elections under the *Local Government Act 1993* as if a reference in any of those provisions to a party were a reference to a party registered under that Act.

Schedule 7 Election of mayor by councillors

(Clause 394)

Part 1 Preliminary

1 Returning officer

The general manager (or a person appointed by the general manager) is the returning officer.

2 Nomination

- (1) A councillor may be nominated without notice for election as mayor or deputy mayor.
- (2) The nomination is to be made in writing by 2 or more councillors (one of whom may be the nominee). The nomination is not valid unless the nominee has indicated consent to the nomination in writing.
- (3) The nomination is to be delivered or sent to the returning officer.
- (4) The returning officer is to announce the names of the nominees at the council meeting at which the election is to be held.

3 Election

- (1) If only one councillor is nominated, that councillor is elected.
- (2) If more than one councillor is nominated, the council is to resolve whether the election is to proceed by preferential ballot, by ordinary ballot or by open voting.

(3) The election is to be held at the council meeting at which the council resolves on the method of voting.

(4) In this clause:

ballot has its normal meaning of secret ballot.

open voting means voting by a show of hands or similar means.

Part 2 Ordinary ballot or open voting

4 Application of Part

This Part applies if the election proceeds by ordinary ballot or by open voting.

5 Marking of ballot-papers

(1) If the election proceeds by ordinary ballot, the returning officer is to decide the manner in which votes are to be marked on the ballot-papers.

(2) The formality of a ballot-paper under this Part must be determined in accordance with clause 345 (1) (b) and (c) and (6) of this Regulation as if it were a ballot-paper referred to in that clause.

(3) An informal ballot-paper must be rejected at the count.

6 Count—2 candidates

(1) If there are only 2 candidates, the candidate with the higher number of votes is elected.

(2) If there are only 2 candidates and they are tied, the one elected is to be chosen by lot.

7 Count—3 or more candidates

(1) If there are 3 or more candidates, the one with the lowest number of votes is to be excluded.

(2) If 3 or more candidates then remain, a further vote is to be taken of those candidates and the one with the lowest number of votes from that further vote is to be excluded.

(3) If, after that, 3 or more candidates still remain, the procedure set out in subclause (2) is to be repeated until only 2 candidates remain.

(4) A further vote is to be taken of the 2 remaining candidates.

(5) Clause 6 of this Schedule then applies to the determination of the election as if the 2 remaining candidates had been the only candidates.

(6) If at any stage during a count under subclause (1) or (2), 2 or more candidates are

tied on the lowest number of votes, the one excluded is to be chosen by lot.

Part 3 Preferential ballot

8 Application of Part

This Part applies if the election proceeds by preferential ballot.

9 Ballot-papers and voting

- (1) The ballot-papers are to contain the names of all the candidates. The councillors are to mark their votes by placing the numbers “1”, “2” and so on against the various names so as to indicate the order of their preference for all the candidates.
- (2) The formality of a ballot-paper under this Part is to be determined in accordance with clause 345 (1) (b) and (c) and (5) of this Regulation as if it were a ballot-paper referred to in that clause.
- (3) An informal ballot-paper must be rejected at the count.

10 Count

- (1) If a candidate has an absolute majority of first preference votes, that candidate is elected.
- (2) If not, the candidate with the lowest number of first preference votes is excluded and the votes on the unexhausted ballot-papers counted to him or her are transferred to the candidates with second preferences on those ballot-papers.
- (3) A candidate who then has an absolute majority of votes is elected, but, if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the lowest number of votes and counting each of his or her unexhausted ballot-papers to the candidates remaining in the election next in order of the voter’s preference is repeated until one candidate has received an absolute majority of votes. The latter is elected.
- (4) In this clause, ***absolute majority***, in relation to votes, means a number that is more than one-half of the number of unexhausted formal ballot-papers.

11 Tied candidates

- (1) If, on any count of votes, there are 2 candidates in, or remaining in, the election and the numbers of votes cast for the 2 candidates are equal—the candidate whose name is first chosen by lot is taken to have received an absolute majority of votes and is therefore taken to be elected.
- (2) If, on any count of votes, there are 3 or more candidates in, or remaining in, the election and the numbers of votes cast for 2 or more candidates are equal and those

candidates are the ones with the lowest number of votes on the count of the votes—the candidate whose name is first chosen by lot is taken to have the lowest number of votes and is therefore excluded.

Part 4 General

12 Choosing by lot

To choose a candidate by lot, the names of the candidates who have equal numbers of votes are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed and one is drawn at random by the returning officer and the candidate whose name is on the drawn slip is chosen.

13 Result

The result of the election (including the name of the candidate elected as mayor or deputy mayor) is:

- (3) If, after that, 3 or more candidates still remain, the procedure set out in subclause (2) is to be repeated until only 2 candidates remain.
- (4) A further vote is to be taken of the 2 remaining candidates.
- (5) Clause 8 of this Schedule then applies to the determination of the election as if the 2 remaining candidates had been the only candidates.
- (6) If at any stage during a count under subclause (1) or (2), 2 or more candidates are tied on the lowest number of votes, the one excluded is to be chosen by lot.

Part 3 Preferential ballot

10 Application of Part

This Part applies if the election proceeds by preferential ballot.

11 Ballot-papers and voting

- (1) The ballot-papers are to contain the names of all the candidates. The members of the county council are to mark their votes by placing the numbers “1”, “2” and so on against the various names so as to indicate the order of their preference for all the candidates.

12 Count

- (1) If a candidate has an absolute majority of first preference votes, that candidate is elected.
- (2) If not, the candidate with the lowest number of first preference votes is excluded and the votes on the unexhausted ballot-papers counted to him or her are transferred to the candidates with second preferences on those ballot-papers.
- (3) A candidate who then has an absolute majority of votes is elected, but, if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the lowest number of votes and counting each of his or her unexhausted ballot-papers to the candidates remaining in the election next in order of the voter’s preference is repeated until one candidate has received an absolute majority of votes. That candidate is elected.
- (4) In this clause, **absolute majority**, in relation to votes, means a number that is more than one-half of the number of unexhausted formal ballot-papers.

13 Tied candidates

- (1) If, on any count of votes, there are 2 candidates in, or remaining in, the election and the numbers of votes cast for the 2 candidates are equal—the candidate whose name is first chosen by lot is taken to have received an absolute majority of votes and is therefore taken to be elected.
- (2) If, on any count of votes, there are 3 or more candidates in, or remaining in, the election and the numbers of votes cast for 2 or more candidates are equal and those candidates are the ones with the lowest number of votes on the count of the votes—the candidate whose name is first chosen by lot is taken to have the lowest number of votes and is therefore excluded.

Part 4 General

14 Choosing by lot

To choose a candidate by lot, the names of the candidates who have equal numbers of votes are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed and one is drawn at random by the returning officer and the candidate whose name is on the drawn slip is chosen.
