Part 2 Limitation of liability

Division 1 Making, amendment and revocation of schemes

7 Preparation and approval of schemes

- (1) An occupational association may prepare a scheme.
- (2) The Council may, on the application of an occupational association, prepare a scheme.
- (3) The Council may, on the application of an occupational association, approve a scheme prepared under this section.
- (4) A scheme prepared under this section may indicate an intention to operate as a scheme of this jurisdiction only, or of both this jurisdiction and another jurisdiction.

8 Public notification of schemes

- (1) Before approving a scheme, the Council must publish a notice in a daily newspaper circulating throughout New South Wales:
 - (a) explaining the nature and significance of the scheme, and
 - (b) advising where a copy of the scheme may be obtained or inspected, and
 - (c) inviting comments and submissions within a specified time, but not less than 21 days after publication of the notice.
- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction, the Council must also publish a similar notice in the other jurisdiction in accordance with the requirements of the corresponding law of that jurisdiction that relate to the approval of a scheme prepared in that jurisdiction.

9 Making of comments and submissions concerning schemes

- (1) Any person may make a comment or submission to the Council concerning a scheme of which notice has been published under section 8.
- (2) A comment or submission must be made within the period specified for that purpose in the notice or within such further time as the Council may allow.

10 Consideration of comments, submissions and other matters

- (1) Before approving a scheme, the Council must consider the following:
 - (a) all comments and submissions made to it in accordance with section 9,
 - (b) the position of persons who may be affected by limiting the occupational liability of members of the occupational association concerned,

- (c) the nature and level of claims relating to occupational liability made against members of the occupational association concerned,
 - (d) the risk management strategies of the occupational association concerned,
 - (e) the means by which those strategies are intended to be implemented,
 - (f) the cost and availability of insurance against occupational liability for members of the occupational association concerned,
 - (g) the standards (referred to in section 27) determined by the occupational association concerned in relation to insurance policies.
- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction:
- (a) the Council must also consider any matter that the appropriate Council for the other jurisdiction would have to consider under the provisions of the corresponding law of that jurisdiction that relate to the approval of a scheme prepared in that jurisdiction, and
 - (b) the matters to be considered by the Council, whether under subsection (1) or paragraph (a), are to be considered in the context of each of the jurisdictions concerned.

11 Public hearings

- (1) The Council may conduct a public hearing concerning a scheme if the Council thinks it appropriate.
- (2) A public hearing may be conducted in such manner as the Council determines.

12 Submission of approved schemes for Gazettal

- (1) The Council may submit a scheme approved by it to the Minister.
- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction, the Council may also submit the scheme to the Minister administering the corresponding law of the other jurisdiction.

13 Gazettal, tabling and disallowance of schemes

- (1) The Minister may authorise the publication in the Gazette of a scheme submitted to the Minister by the Council or, in the case of an interstate scheme, by the appropriate Council for the jurisdiction in which the scheme was prepared.
- (2) Part 6 of the *Interpretation Act 1987* (sections 39, 42 and 43 excepted) applies to a scheme which is published in the Gazette with the authorisation of the Minister in the same way as it applies to a statutory rule.

- (3) In this section, a reference to an interstate scheme includes a reference to an instrument amending an interstate scheme.

Note—

Subsection (3) applies subsections (1) and (2) to instruments that amend an interstate scheme. Those subsections already apply, by virtue of section 16A (5), to instruments that amend a scheme that is not an interstate scheme.

14 Commencement of schemes

- (1) A scheme published in the Gazette with the authorisation of the Minister commences:
- (a) on such day subsequent to the date of its publication as may be specified in the scheme, or
 - (b) if no such day is specified—2 months after the date of its publication.
- (2) This section is subject to any order made by the Supreme Court under section 15 and any order made by the Supreme Court of another jurisdiction under the corresponding law of that jurisdiction.
- (3) In this section, a reference to a scheme includes, in the case of an interstate scheme, a reference to an instrument amending that scheme.

15 Challenges to schemes

- (1) A person who is or is reasonably likely to be affected by a scheme published as referred to in section 13 (including a person who is or is reasonably likely to be affected by a scheme that operates as a scheme of another jurisdiction) may apply to the Supreme Court for an order that the scheme is void for want of compliance with this Act.
- (2) The Court may, on the making of the application or at any time before the scheme commences, order that the commencement of the scheme is stayed until further order of the Court.
- (3) The Court, in relation to an application, may:
- (a) make an order that a scheme is void for want of compliance with this Act, or
 - (b) decline to make such an order, or
 - (c) give directions as to the things that are required to be done in order that a scheme, the commencement of which is stayed under this section, may commence, or
 - (d) make any other order it thinks fit.
- (4) The Court may not make an order that an interstate scheme is void for want of compliance with this Act on the ground that the scheme fails to comply with Division

2, but may do so on the ground that the scheme fails to comply with the provisions of the corresponding law of the jurisdiction in which it was prepared that relate to the contents of schemes prepared in that jurisdiction.

- (5) This section does not prevent a scheme from being challenged or called into question otherwise than under this section.
- (6) In this section, a reference to a scheme includes, in the case of an interstate scheme, a reference to an instrument amending that scheme.

16 Review of schemes

- (1) The Minister may direct the Council to review the operation of a scheme.
- (2) The Council must comply with any such direction but may on its own initiative at any time (whether before or after the scheme ceases to have effect) review the operation of a scheme.
- (3) A review may, but need not, be conducted in order to decide:
 - (a) in the case of a scheme prepared under this Act, whether the scheme should be amended or revoked or whether a new scheme should be made, or
 - (b) in the case of an interstate scheme, whether the operation of the scheme should be terminated in relation to this jurisdiction.

16A Amendment and revocation of schemes approved by Council

- (1) An occupational association may prepare an instrument amending or revoking a scheme that relates to its members.
- (2) The Council may, on the application of an occupational association, prepare or approve an instrument amending or revoking a scheme that relates to the members of the association.
- (3) The Minister may direct the Council to prepare an instrument amending or revoking a scheme.
- (4) The Council must comply with any such direction but may on its own initiative, at any time while the scheme remains in force, prepare an instrument amending or revoking a scheme.
- (5) The provisions of sections 7-15 extend, with any necessary modifications, to the amendment of a scheme by an instrument under this section.
- (6) The provisions of sections 7-14 (other than section 12 (2)) extend, with any necessary modifications, to the revocation of a scheme by an instrument under this section.
- (7) This section does not apply to an interstate scheme.

Note—

An instrument that amends a scheme operating in another jurisdiction may be submitted to the Minister administering the corresponding law of that jurisdiction under section 12 with a view to its being published under that law. An instrument made under the corresponding law of another jurisdiction that amends an interstate scheme may be submitted to the Minister administering this Act with a view to its being published under section 13.

16B Notification of revocation of schemes

- (1) On publication in the Gazette of an instrument revoking a scheme (other than an interstate scheme) that operates as a scheme of another jurisdiction, the Minister must cause notice of that fact to be given to the Minister administering the corresponding law of that jurisdiction.
- (2) On receipt of notice that an interstate scheme has been revoked under the corresponding law of the jurisdiction in which it was prepared, the Minister must cause a statement to that effect to be published in the Gazette.

Note—

Under section 32 (1B), an interstate scheme will cease to have effect in this jurisdiction when it ceases to have effect in the other jurisdiction.

16C Termination of operation of interstate schemes in this jurisdiction

- (1) The Council may, on the application of an occupational association, prepare an instrument terminating, in relation to this jurisdiction, the operation of an interstate scheme that relates to members of the association.
- (2) The Minister may direct the Council to prepare an instrument terminating the operation of an interstate scheme in relation to this jurisdiction.
- (3) The Council must comply with any such direction, but may on its own initiative, at any time while an interstate scheme remains in force, prepare an instrument terminating the operation of the scheme in relation to this jurisdiction.
- (4) The provisions of sections 8-13 (other than section 12 (2)) extend, with any necessary modifications, to the termination of the operation of an interstate scheme under an instrument under this section.
- (5) The operation of an interstate scheme in respect of which an instrument under this section is published under section 13 (as applied by subsection (4)) is terminated, in relation to this jurisdiction, as from:
 - (a) such day subsequent to the date of its publication as may be specified in the instrument, or
 - (b) if no such day is specified—2 months after the date of its publication.

Division 2 Contents of schemes

17 Persons to whom scheme applies

- (1) A scheme may provide that it applies to all persons within an occupational association or to a specified class or classes of persons within an occupational association.
- (2) A scheme may provide that the occupational association concerned may, on application by a person, exempt the person from the scheme.
- (3) A scheme ceases to apply to a person exempted from the scheme as referred to in subsection (2) on and from the date on which the exemption is granted or on and from a later date specified in the exemption.
- (4) Subsection (2) does not apply to a person to whom a scheme applies by virtue of section 18, 19 or 20.

18 Officers or partners of persons to whom scheme applies

- (1) If a scheme applies to a body corporate, the scheme also applies to each officer of the body corporate.
- (2) If a scheme applies to a person, the scheme also applies to each partner of the person.
- (3) However, if an officer of a body corporate or a partner of a person is entitled to be a member of the same occupational association as the body corporate or person, but is not a member, the scheme does not apply to that officer or partner.
- (4) In this section:

officer:

- (a) in relation to a body corporate that is a corporation within the meaning of the [Corporations Act 2001](#) of the Commonwealth, has the same meaning as in that Act, and
- (b) in relation to a body corporate that is not a corporation within the meaning of that Act, means any person (by whatever name called) who is concerned in or takes part in the management of the body corporate.

19 Employees of persons to whom a scheme applies

- (1) If a scheme applies to a person, the scheme also applies to each employee of the person.
- (2) However, if an employee of a person is entitled to be a member of the same occupational association as the person but is not a member, the scheme does not apply to the employee.

20 Other persons to whom a scheme applies

If persons are prescribed by the regulations for the purposes of section 29 (4) as being associated with persons to whom a scheme applies, the scheme also applies to the prescribed persons.

20A Extension of liability limitation to other persons to whom scheme applies

- (1) A limitation that applies under this Act to the occupational liability of a person as a member of an occupational association in respect of a cause of action (the **principal cause of action**) also applies, in respect of the principal cause of action and any related cause of action, to the liability of any other person to whom the scheme concerned applies as a partner, officer, employee or associate of the member (whether or not the other person's liability is an occupational liability).

Note—

Sections 18–20 provide for a scheme to apply to a partner, officer, employee or associate of a member of an occupational association to whom the scheme applies.

- (2) A **related cause of action** is a cause of action in respect of civil liability of the other person arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by that person that caused or contributed to the loss or damage with which the principal cause of action is concerned and that resulted from the same or substantially the same event as that from which the principal cause of action arose.
- (3) A reference in this section to a person who is a partner, officer, employee or associate of a member of an occupational association is a reference to a person who was such a partner, officer, employee or associate at the time of the event that gave rise to the principal cause of action.
- (4) A reference in this section to a limitation on liability that applies to a person as a member of an occupational association includes a reference to a limitation on liability that would apply to the person if a cause of action relating to the liability were brought against the person.
- (5) In this section:

associate of a person means someone who is associated with the person pursuant to the regulations under section 29 (4) (b).

officer:

- (a) in relation to a body corporate that is a corporation within the meaning of the [Corporations Act 2001](#) of the Commonwealth, has the same meaning as in that Act, and
- (b) in relation to a body corporate that is not a corporation within the meaning of that Act, means any person (by whatever name called) who is concerned in or takes

part in the management of the body corporate.

21 Limitation of liability by insurance arrangements

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court that:

- (a) the person has the benefit of an insurance policy insuring the person against the occupational liability to which the cause of action relates, and
- (b) the amount payable under the policy in respect of that occupational liability is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates,

the person is not liable in damages in relation to that cause of action above the amount of that monetary ceiling.

22 Limitation of liability by reference to amount of business assets

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court:

- (a) that the person has business assets the net current market value of which is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates, or
- (b) that:
 - (i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability, and
 - (ii) the net current market value of the business assets and the amount payable under the policy in respect of that occupational liability, if combined, would total an amount that is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates,

the person is not liable in damages in relation to that cause of action above the amount of the monetary ceiling so specified.

23 Limitation of liability by multiple of charges

(1) A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court:

- (a) that the person has the benefit of an insurance policy:
 - (i) insuring the person against that occupational liability, and

- (ii) under which the amount payable in respect of that occupational liability is not less than an amount (***the limitation amount***), being a reasonable charge for the services provided by the person or which the person failed to provide and to which the cause of action relates, multiplied by the multiple specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates, or
- (b) that person has business assets the net current market value of which is not less than the limitation amount, or
- (c) that:
 - (i) the person has business assets and the benefit of an insurance policy insuring the person against that occupational liability, and
 - (ii) the net current market value of the assets and the amount payable under the policy in respect of that occupational liability, if combined, would total an amount that is not less than the limitation amount,

the person is not liable in damages in relation to that cause of action above the limitation amount or, if the scheme specifies a minimum cap determined by the Council for the purposes of the scheme that is higher than the limitation amount, above the amount of the minimum cap so specified.

- (2) In determining the amount of a reasonable charge for the purposes of such a provision, a court is to have regard to any amount actually charged and to:
 - (a) the amount that would ordinarily be charged in accordance with a scale of charges accepted by the occupational association of which the person is a member, or
 - (b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the person would be likely to charge in the same circumstances.
- (3) This section does not limit an amount of damages to which a person is liable if the amount is less than the amount specified for the purpose in the scheme in relation to the class of person and the kind of work concerned.

24 Specification of limits of liability and multiples

- (1) A scheme may:
 - (a) specify the same maximum amount of liability in relation to all cases to which the scheme applies or different maximum amounts of liability for different cases or classes of case or for the same case or class of case for different purposes, and
 - (b) confer a discretionary authority on an occupational association, on application by a person to whom the scheme applies, to specify in relation to the person a higher

maximum amount of liability than would otherwise apply under the scheme in relation to the person either in all cases or in any specified case or class of case.

- (2) A scheme may specify a multiple, monetary ceiling or minimum cap by way of a formula that is to be applied to calculate the multiple, ceiling or cap.

25 Combination of provisions under sections 21, 22 and 23

If, in a scheme, provisions of the kind referred to in section 23 and provisions of the kind referred to in section 21 or 22 (or both) apply to a person at the same time in respect of the same kind of work, the scheme must provide that the damages which may be awarded against the person are to be determined in accordance with section 23 but must not exceed the amount of the monetary ceiling specified in relation to the class of person and the kind of work in the provisions of the kind referred to in section 21 or 22.

26 Liability that cannot be limited by a scheme

- (1) A scheme can only affect the liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding such amount (but not less than \$500,000) as is determined for the purposes of the scheme by the Council and specified in the scheme.
- (2) In making a determination, the Council must have regard to:
- (a) the number and amounts of claims made against persons within the occupational association concerned, and
 - (b) the need to adequately protect consumers.
- (3) A Council determination:
- (a) takes effect when an amendment providing for its specification in the scheme takes effect, and
 - (b) applies only to a cause of action that arises after the determination takes effect.

26A Liability in damages not reduced to below relevant limit

The liability in damages of a person to whom a scheme applies is not reduced below the relevant limitation imposed by a scheme in force under this Act because the amount available to be paid to the claimant under the insurance policy required for the purposes of this Act in respect of that liability is less than the relevant limitation.

Note—

Section 4 (1A) permits a defence costs inclusive policy for the purposes of this Act, which may reduce the amount available to be paid to a client in respect of occupational liability covered by the policy. Section 26A makes it clear that this does not reduce the cap on the liability of the scheme participant to the client, and accordingly the scheme participant will continue to be liable to the client for the amount of any difference between the amount payable to the client under the policy and the amount of the cap.

27 Insurance to be of requisite standard

For the purposes of a scheme, an insurance policy must be a policy, or a policy of a kind, which complies with standards determined by the occupational association whose members may be insured under such a policy, or a policy of such a kind.

Division 3 Effect of schemes

28 Limit of occupational liability by schemes

- (1) To the extent provided by this Act and the provisions of the scheme, a scheme limits the occupational liability, in respect of a cause of action founded on an act or omission occurring during the period when the scheme is in force, of any person to whom the scheme applied at the time when the act or omission occurred.
- (2) The applicable limitation of liability is the limitation specified by the scheme as in force at the time at which the act or omission giving rise to the cause of action concerned occurred.
- (3) A limitation of liability that, in accordance with this section, applies in respect of an act or omission continues to apply to every cause of action founded on it, irrespective of when the cause arises or proceedings are instituted in respect of it, and even if the scheme has been amended or has, in accordance with section 32, ceased to be in force.
- (4) A person to whom a scheme applies cannot choose not to be subject to the scheme, except in accordance with provisions included in the scheme under section 17 (2).

29 Limitation of amount of damages

- (1) **Limitation imposed on single claims** A limitation imposed by a scheme in force under this Act of an amount of damages is a limitation of the amount of damages that may be awarded for a single claim and is not a limitation of the amount of damages that may be awarded for all claims arising out of a single event.
- (2) **No splitting of plaintiffs** Claims by a number of persons who have a joint interest in a cause of action are to be treated as a single claim for the purposes of this Act despite the fact that they may also have several interests.
- (3) **No splitting of defendants** Two or more claims by the same person arising out of a single event against persons to whom a scheme in force under this Act applies and who are associated are to be treated as a single claim for the purposes of this Act.
- (4) **Associated defendants** Persons are associated if they are:
 - (a) partners, employees of the same employer or in the relationship of employer and employee, or

- (a1) officers of the same body corporate or in the relationship of body corporate and officer of the body corporate (with **officer** having the same meaning as in section 18), or
- (b) persons who are prescribed by the regulations for the purposes of this subsection.

30 Effect of scheme on other parties to proceedings

A scheme does not limit the liability of a person who is a party to proceedings if the scheme does not apply to the person.

31 Proceedings to which a scheme applies

A scheme in force under this Act applies to proceedings relating to an act or omission that occurred after the commencement of the scheme.
