Part 3 Jury districts and jury rolls

9 Jury districts

- (1) There shall be a jury district for each place appointed for sittings of the Supreme Court or the District Court for the trial of any criminal or civil proceedings.
- (2) A jury district is to comprise such electoral districts or parts of electoral districts as may be determined and notified by the sheriff from time to time in accordance with the regulations.
- (3) The regulations may make provision for or with respect to the determination and notification of jury districts.

10 Sheriff to maintain jury rolls

The sheriff must maintain a jury roll for each jury district in accordance with this Part.

11 Electoral Commissioner to deliver copies of electoral rolls to sheriff

- (1) The Electoral Commissioner shall, upon request made by the sheriff, deliver to the sheriff the latest available copies of the rolls of electors for such electoral districts as the sheriff may require for the purpose of preparing jury rolls.
- (2) Such a request is to be made at least once every 15 months for each jury district.

12 Random selection of prospective jurors

- (1) At intervals of not more than 12 months, the sheriff is to select a number of persons at random from the entries in the latest copies of rolls of electors supplied to the sheriff that relate to each jury district. Persons who are for the time being on the jury roll for the district are excluded from selection.

- (2) The number of persons selected must be estimated by the sheriff as sufficient to provide, in accordance with the scheme for selection of jurors provided by this Part, the number of persons required to serve from time to time as jurors in the jury district.
- (3) The estimate is to allow for persons who are not qualified or are ineligible to serve as jurors and for persons who will duly claim exemption from jury service.
- (4) The particulars of persons who have been selected under this section pursuant to the same estimate comprise a supplementary jury roll for the district in which those persons reside until particulars on the supplementary roll are added to the jury roll for the district.
- (5) A computer may be used to make a selection under this section.

13 Persons included on supplementary jury roll to be notified

- (1) The sheriff must send to each person whose name is included on a supplementary jury roll for a district, and who appears to the sheriff to be qualified and eligible to serve as a juror, a notice:
 - (a) informing the person that it is proposed to include the person on the jury roll, and
 - (b) describing the classes of persons who are disqualified or ineligible to serve as jurors and who are entitled as of right to be exempted from serving as jurors, and
 - (c) containing a questionnaire that is required to be completed by the person if:
 - (i) the person is disqualified or ineligible or claims exemption, or
 - (ii) the particulars of the person appearing on the questionnaire have changed, or
 - (iii) the person is otherwise required by the sheriff in the notice to complete the questionnaire, and
 - (d) requiring the person, if required to complete the questionnaire, to complete it and return it to the sheriff, within the time specified in the notice.
- (2) The sheriff may require the answers given to a questionnaire or any other information provided to the sheriff, for the purpose of determining whether or not a person is disqualified or ineligible to serve as a juror, or is to be exempted from serving as a juror, to be verified by statutory declaration.
- (3) Proceedings may be taken for an offence against this Act or the [Oaths Act 1900](#) for providing false or misleading information to the sheriff that is required to be verified by statutory declaration. However, a person is not liable to be convicted of an offence under both Acts in relation to the provision of the same information.

14 Sheriff to delete persons disqualified, ineligible or exempt from supplementary jury

roll

- (1) The sheriff shall delete from a supplementary jury roll those persons whom the sheriff determines:
 - (a) are disqualified from serving as jurors or ineligible to serve as jurors, or
 - (b) are entitled as of right to be exempted from serving as jurors and who have duly claimed exemption.
- (2) Where a person informs the sheriff of any disqualification or ineligibility or any claim for exemption pursuant to section 13 and the sheriff determines not to delete that person from the supplementary jury roll, the sheriff shall forthwith notify that person in writing of the sheriff's determination and of that person's right to appeal to a Local Court against the determination.

15 Appeal against being included on jury roll or being summoned from supplementary jury roll

- (1) A person aggrieved by a determination of the sheriff notified to the person under section 14 (2) or 18 (4) may appeal to a Local Court by lodging a notice of appeal with the registrar of that court within 21 days of being so notified, except as provided by subsection (2).
- (2) If the person is summoned to attend for jury service on a day occurring before those 21 days have expired and before the notice of appeal is lodged, the appeal is instead to be made (as specified in a notice attached to the summons) to the judge or coroner having the conduct of the trial or coronial inquest concerned or to such other judge or coroner, or to such associate Judge, magistrate or registrar of a court, as may be specified in the notice.
- (3) The court or person to whom an appeal is made under this section must hear and determine the appeal and must:
 - (a) if satisfied that the person who made the appeal:
 - (i) is not qualified or is ineligible to serve as a juror, or
 - (ii) is entitled as of right to be exempted from serving as a juror and has duly claimed exemption,allow the appeal and order the sheriff to delete that person from the jury roll or supplementary jury roll, or
 - (b) if satisfied that the person, having been summoned for jury service, has good cause to be excused from attending at the relevant court or inquest—excuse the person from attendance, or
 - (c) in any other case—disallow the appeal.

- (4) A decision under this section is final and conclusive and is to be given effect by the sheriff.
- (5) A person who has lodged an appeal under this section which has not been heard and determined is taken, for the purposes of section 38, to have good cause to be excused from attending at a court or coronial inquest in accordance with a summons.

15A Periodic updating of jury roll

- (1) The sheriff must supplement the jury roll for a jury district by adding to the roll particulars of each person who has been included on a supplementary jury roll for the district and who is not deleted from the supplementary roll by the sheriff under section 14 or pursuant to an order of a court or person under section 15.
- (2) The sheriff must cull from the jury roll for the time being in force for a district particulars of each person who has been included on the roll for 15 months (or such other period, not exceeding 2 years, as may be fixed by the regulations).

16 Current jury roll to be certified by sheriff

- (1) The sheriff must, immediately after supplementing or culling names from the jury roll for a district in accordance with section 15A, certify a list of persons as the jury roll in force for the time being for the jury district.
- (2) A jury roll may be certified by the sheriff under this section even though an appeal lodged under section 15 by a person on the roll has not been determined. However, the sheriff must amend the roll as soon as is practicable if the appeal is determined so as to require removal of the person from the roll.
- (3) The particulars on a jury roll relating to any person shall be the particulars relating to that person appearing on the copy of the roll of electors for the electoral district from which that person was selected under section 12.
- (4) The jury roll certified under this section for a jury district remains in force until a new jury roll for the district is certified, even if there is an alteration in the boundaries of the jury district before the new jury roll is certified.

17 Records of jury rolls and supplementary jury rolls

- (1) The sheriff must keep among the records of the sheriff's office the jury roll last certified for each jury district and any supplementary jury roll being used to revise a jury roll.
- (2) The sheriff must produce such a roll or supplementary roll (or a certified copy of it) in any court or at any coronial inquest if required to do so or forward a certified copy of the roll or supplementary roll to an officer of a court if it is required for production in that court or at that inquest.

18 Sheriff may amend jury roll

- (1) The sheriff may amend a jury roll:
 - (a) by deleting therefrom a person:
 - (i) whom the sheriff determines is no longer qualified or liable to serve as a juror, or
 - (ii) whom the sheriff determines is entitled as of right to be exempted from serving as a juror and has duly claimed exemption under subsection (3), or
 - (iii) who is dead or who no longer resides in the jury district to which the roll relates, or
 - (iv) (Repealed)
 - (b) (Repealed)
 - (c) to correct the particulars relating to any person on the roll.
- (2) (Repealed)
- (3) A person who is entitled as of right to be exempted from serving as a juror but who did not claim exemption pursuant to section 13 because the person was not so entitled at that time or for any other good cause may claim exemption by informing the sheriff of that claim and the grounds on which it is made and shall, if required to do so by the sheriff, verify that claim by statutory declaration.
- (4) Where a person on a jury roll informs the sheriff of any disqualification from serving as a juror or ineligibility to serve as a juror or any claim for exemption pursuant to subsection (3) and the sheriff determines not to delete that person from the jury roll, the sheriff shall forthwith notify that person in writing of the sheriff's determination and of that person's right to appeal to a Local Court against the determination.
- (5), (6) (Repealed)

18A Sheriff may excuse persons from jury service before being summoned

- (1) The sheriff may, at any time before a person on a jury roll or supplementary jury roll is required by summons to attend for jury service, excuse the person from attending for jury service if the person shows good cause to be excused from attending for jury service because of any matter of special importance or any matter of special urgency.
- (2) A person may be excused under this section for the whole or any part of the period during which the person may be summoned to attend for jury service because of the person being included on a jury roll.
- (3) A person does not have good cause to be excused under this section on the ground

that the person is entitled as of right to be exempted from serving as a juror if the person was entitled, but without reasonable excuse failed, to claim an exemption under section 13.

- (4) The sheriff may require a person to verify a request to be excused under this section by statutory declaration.
- (5) If the sheriff excuses a person from attending for jury service for any period under this section, the sheriff is to make a record of that fact.

Part 4 Trial by jury

19 Numbers of jurors in criminal proceedings

- (1) In any criminal proceedings in the Supreme Court or the District Court that are to be tried by jury, the jury is to consist of:
 - (a) 12 persons, or
 - (b) if the Court makes an order under subsection (2) for the selection of additional jurors—12 persons together with the number of additional jurors ordered by the Court,

returned and selected in accordance with this Act.

Note—

If a jury is constituted by more than 12 jurors immediately before it retires to consider its verdict, section 55G provides that only 12 of those jurors may retire to consider the jury's verdict in the proceedings.

- (2) Before a jury is selected in criminal proceedings in the Supreme Court or the District Court, the Court may order that up to 3 additional jurors be selected for the jury if the Court is satisfied that:
 - (a) the trial of the proceedings is of a kind prescribed by the regulations for the purposes of this subsection, and
 - (b) the selection of the additional jurors is an appropriate means of ensuring that there will be sufficient jurors remaining on the jury when the jury is required to consider its verdict, and
 - (c) appropriate facilities to accommodate the additional jurors are available.
- (3) Until regulations for the purposes of subsection (2) provide otherwise, a trial of proceedings the duration of which is likely to be more than 3 months is taken to be a trial of proceedings of a kind prescribed by the regulations for the purposes of that subsection.

20 Number of jurors in civil proceedings

- (1) Subject to subsection (2), where civil proceedings in the Supreme Court or the District Court are to be tried with a jury, the jury shall consist of 4 persons returned and selected in accordance with this Act.
- (2) The Supreme Court may, upon application by any party to civil proceedings to be tried in the Supreme Court with a jury made at any time after the pleadings in those proceedings are closed, order that the jury shall consist of 12 persons.

21 Number of jurors in coronial inquests

The jury in any coronial inquest shall consist of 6 persons returned and selected in accordance with this Act.

22 Continuation of trial or inquest on death or discharge of juror

Where in the course of any trial or coronial inquest any member of the jury dies or is discharged by the court or coroner whether as being through illness incapable of continuing to act or for any other reason, the jury shall be considered as remaining for all the purposes of that trial or inquest properly constituted if:

- (a) in the case of criminal proceedings, the number of its members:
 - (i) is not reduced below 10,
 - (ii) is reduced below 10 but approval in writing is given to the reduced number of jurors by or on behalf of both the person prosecuting for the Crown and the accused or each of the accused, or
 - (iii) is reduced below 10 but not below 8 and the trial has been in progress for at least 2 months,
- (b) in the case of civil proceedings, the number of its members is not reduced, in the case of a jury of 4, below 3 or, in the case of a jury of 12, below 8, or
- (c) in the case of a coronial inquest, the number of its members is not reduced below 4, and if the court or the coroner, as the case may be, so orders.

Part 5 Summoning of jurors

Division 1 Summoning of jurors for trials and coronial inquests

23 Estimate of number of jurors required

- (1) The sheriff must maintain estimates of the number of jurors who will be required to be summoned in each jury district for the trial of criminal and civil proceedings in the Supreme Court and the District Court and for coronial inquests.

- (2) The number of jurors estimated as required for the purpose of trials must not exceed the number of jurors that, in the opinion of the sheriff, will ensure the attendance of sufficient jurors to allow for the number of challenges reasonably likely to be made by all parties.
- (3) The number of jurors estimated as required for the purpose of coronial inquests must not be less than the number of jurors that, in the opinion of the sheriff, will ensure the attendance of sufficient jurors to comply with requests for juries reasonably likely to be made under the *Coroners Act 1980* by coroners.

24 (Repealed)

25 Selection of jurors by sheriff

- (1) The sheriff must select at random, from the jury roll for each jury district, the number of jurors estimated by the sheriff as required to be summoned for trials or coronial inquests in that jury district.
- (2) The sheriff may select one or more of that number of jurors at random from a supplementary jury roll for that district, if the sheriff believes that the jury roll for that district is inadequate for any reason.
- (3) A selection under this section may be made by computer and may be made at any one time or at different times for the purposes of one or more trials or inquests.

26 Persons selected to be summoned

- (1) The sheriff must issue a summons to each person selected requiring the person to attend at the court or coronial inquest, at the place and at the time specified in the summons until discharged by the court or coroner.
- (2) When such a summons is served on a person selected by the sheriff from a supplementary jury roll, a notice complying with section 13 must also be served on the person, if such a notice has not already been sent to the person.
- (3) Such a summons is to be served on the person to whom it is issued at least 7 days before the time specified in it for attendance at a court or inquest, unless a judge of the court or the coroner holding the inquest otherwise orders.

27 Selection and summoning of additional jurors

The sheriff may select and summon jurors in accordance with this Division to make up or supplement a jury panel if a trial or coronial inquest is likely to be delayed because there are no persons or not enough persons available for the selection of a jury who have already been summoned.

28 Sheriff's return

- (1) At each time and place at which jurors are required to attend by summonses served under this Division, the sheriff must return particulars of the summonses, including a panel of the names of those summoned and, if appearing on the roll or supplementary roll from which the summonses were prepared, their occupations.
- (2) Only the names of persons qualified and liable to serve as jurors, and who have not been duly excused, are required to be included in the panel.
- (3) The sheriff must also provide with the return the names and other particulars recorded on the roll or supplementary roll of the persons on the panel on separate cards, each card being as nearly as is practicable of equal size.

29 Identification numbers for jurors

- (1) Before furnishing the return and cards referred to in section 28 in respect of a trial or coronial inquest, the sheriff is to allocate a separate identification number to each person included in the panel referred to in section 28.
- (2) The sheriff must record a person's identification number:
 - (a) against the place where the name of the person appears on that panel, and
 - (b) on the card referred to in section 28 (3) relating to the person.
- (3) The sheriff must inform a person of the person's identification number when the person attends on the first day on which the person's attendance is required in accordance with a summons.
- (4) A person who is allocated an identification number is to be addressed or referred to only by that identification number when the person is present at the court or coronial inquest for the purposes of the relevant proceedings.
- (5) A computer may be used to carry out a procedure under this section relating to identification numbers.
- (6) The regulations may make provision for or with respect to identification numbers. In particular, regulations may be made for or with respect to the following:
 - (a) the allocation of identification numbers,
 - (b) the manner in which persons are to be informed of their identification number,
 - (c) the recording of identification numbers on the panel and on the cards relating to the persons in respect of whom the identification numbers have been allocated.

Division 2

30-36 (Repealed)

Division 3 General

37 Certain persons and jurors not required to disclose identity

- (1) A person who is summoned under Division 1 is not required, when the person attends at a trial or coronial inquest in accordance with the summons, to disclose the person's name or any other matter that identifies or is likely to lead to the identification of the person (for example, when the person requests to be excused under section 38 (1) (b) or the person, while serving as a juror, is examined on oath under Part 8).
- (2) However, a person so summoned is to provide such information to the sheriff:
 - (a) when the person attends on the first day on which the person's attendance at the trial or coronial inquest is required in accordance with the summons, or
 - (b) if requested to do so by the sheriff, at any other time during the course of the trial or coronial inquest.

38 Person summoned for jury service may be excused before or at trial or inquest

- (1) A person may be excused for good cause from attending at a court or coronial inquest in pursuance of a summons:
 - (a) by the sheriff, at any time before the day on which the person's attendance is required or on that day at any time before the commencement of the trial or inquest at which the person may be selected as a juror, or
 - (b) by that court or the coroner holding that inquest, at any time on or after that day, notwithstanding that the sheriff did not excuse the person for that cause.
- (2) A person does not have good cause to be excused under subsection (1) on the ground that the person is entitled as of right to be exempted from serving as a juror if the person was entitled, but without reasonable excuse failed, to claim exemption pursuant to section 13.
- (3) A person may be excused under subsection (1) for the whole or any part of the time that the person's attendance is required.
- (4) The sheriff may require a person to verify a request to be excused under subsection (1) (a) by statutory declaration.
- (5) A court or coroner may require a person to make any request to be excused under subsection (1) (b) on oath.
- (6) If a person is excused under subsection (1) (b), the panel and the card relating to that person are to be clearly marked accordingly and the card kept apart from the cards relating to other persons on that panel.

- (7) Before the selection of the jury at a criminal trial, the judge must, subject to the regulations:
- (a) direct the person prosecuting for the Crown to inform the jurors on the panel of the nature of the charge and the identity of the accused and of the principal witnesses to be called for the prosecution, and
 - (b) call on the jurors on the panel to apply to be excused if they consider that they are not able to give impartial consideration to the case.
- (8) Before the selection of the jury at a civil trial, the judge must, subject to the regulations:
- (a) direct the parties to the proceedings to inform the jurors on the panel of the nature of the action and the identity of the parties and of the principal witnesses to be called by the parties, and
 - (b) call on the jurors on the panel to apply to be excused if they consider that they are not able to give impartial consideration to the case.

Note—

Lengthy criminal proceedings may be tried by a jury of up to 15 persons if the court makes an order for additional jurors under section 19 (2). However, section 55G provides that only 12 members of such an expanded jury may retire to consider the jury's verdict in the proceedings.

- (2) A majority verdict may be returned by a jury in criminal proceedings if:

As a result, the court will be able to reconvene for any further summoning up or directions in relation to counts that remain to be determined without the need for a new verdict jury to be constituted.

(5) If one or more jurors on the expanded jury are excluded from a verdict jury by a ballot, the court must:

- (a) if the verdict of the verdict jury is a directed verdict in respect of some (but not all) of the accused persons or some (but not all) of the counts in the indictment—direct that the excluded jurors rejoin the jury for the continuation of the trial in respect of the accused persons or counts (as the case may be) that have not yet been the subject of a verdict in the trial, or
- (b) if the verdict jury retires to consider whether or not to return a verdict without hearing further evidence—direct that the excluded jurors rejoin the jury for the continuation of the trial in the event that the verdict jury decides that it wishes to hear further evidence before returning a verdict.

(6) The court may not give a direction under subsection (5) if a verdict jury has previously returned a verdict (other than a directed verdict) in the trial.

(7) If the court gives a direction under subsection (5), a fresh ballot for a verdict jury must be conducted if there is still an expanded jury when the jury is next required to retire to consider its verdict.

(8) The court must discharge any jurors on the expanded jury who are excluded from a verdict jury by ballot if the jurors will not be required to rejoin the jury because of a direction under subsection (5).
