This Act is the *Gene Technology (New South Wales) Act 2003*.

2 Commencement

This Act commences on a day or days to be appointed by proclamation.

3 Object of Act

- (1) The object of this Act is to adopt in this State a uniform Australian approach to the regulation of genetically modified organisms.
- (2) For that purpose, this Act:
 - (a) applies the *Gene Technology Act 2000* and the *Gene Technology (Licence Charges) Act 2000* of the Commonwealth as a law of this State, and
 - (b) makes provision to help ensure that the Commonwealth Acts and the applied law of this State are administered on a uniform basis by the Commonwealth as if they constituted a single law of the Commonwealth.

4 Definitions

- (3) In this Act, a reference to a Commonwealth Act includes a reference to:
 - (a) that Commonwealth Act, as amended and in force for the time being, and
 - (b) an Act enacted in substitution for that Act and, if it is amended, as amended and in force for the time being.

Part 2 The applied provisions

5 Application of Commonwealth gene technology laws to this State

- (1) The Commonwealth gene technology laws, as in force for the time being, apply as a law of this State.
- (2) Those Commonwealth gene technology laws so apply as if they extended to matters in relation to which this State may make laws:

- (a) whether or not the Commonwealth may make laws in relation to those matters, and
- (b) even though the Commonwealth gene technology laws provide that they apply only to specified matters with respect to which the Commonwealth may make laws.

6 (Repealed)

7 Interpretation of Commonwealth gene technology laws

- (1) The *Acts Interpretation Act 1901* of the Commonwealth applies as a law of this State in relation to the interpretation of the applied provisions. That Act so applies as if the applied provisions were a Commonwealth Act or were regulations or other instruments under a Commonwealth Act, as the case requires.
- (2) The *Interpretation Act 1987* of New South Wales does not apply to the applied provisions.

Part 3 Functions and powers under applied provisions

8 Functions and powers of Commonwealth Regulator and other authorities and officers

The Commonwealth Regulator and other authorities and officers referred to in the applied provisions have the same functions and powers under the applied provisions as they have under the Commonwealth gene technology laws, as those laws apply to the Commonwealth.

9 Delegations by the Commonwealth Regulator

Any delegation by the Commonwealth Regulator under the Commonwealth Gene Technology Act is taken to extend to, and have effect for the purposes of, the corresponding provision of the applied provisions.

Part 4 Offences

10 Object of this Part

- (1) The object of this Part is to further the object of this Act by providing for an offence against the applied provisions to be treated as if it were an offence against a law of the Commonwealth.
- (2) The purposes for which an offence is to be treated as mentioned in subsection (1) include, for example (but are not limited to):
 - (a) the investigation and prosecution of offences, and

11 Application of Commonwealth criminal laws to offences against applied provisions

- (1) The relevant Commonwealth laws apply as laws of this State in relation to an offence against the applied provisions as if those provisions were a law of the Commonwealth and not a law of this State.
- (2) For the purposes of a law of this State, an offence against the applied provisions:
 - (a) is taken to be an offence against the laws of the Commonwealth, in the same way as if those provisions were a law of the Commonwealth, and
 - (b) is taken not to be an offence against the laws of this State.
- (3) Subsection (2) has effect for the purposes of a law of this State except as provided by the regulations under this Act.

12 Functions and powers conferred on Commonwealth officers and authorities relating to offences

- (1) A Commonwealth law applying because of section 11 that confers on a Commonwealth officer or authority a function or power in relation to an offence against the Commonwealth gene technology laws also confers on the officer or authority the same function or power in relation to an offence against the corresponding provision of the applied provisions.
- (2) In performing a function or exercising a power conferred by this section, the Commonwealth officer or authority must act as nearly as practicable as the officer or authority would act in performing or exercising the same function or power in relation to an offence against the corresponding provision of the Commonwealth gene technology laws.

13 No double jeopardy for offences against applied provisions

If:

- (a) an act or omission is an offence against both the applied provisions and an offence against the Commonwealth gene technology laws, and
- (b) the offender has been punished for that offence under those Commonwealth laws, the offender is not liable to be punished for the offence under the applied provisions.

Part 5 Administrative laws

14 Application of Commonwealth administrative laws to applied provisions

- (1) The Commonwealth administrative laws apply as laws of this State to any matter arising in relation to the applied provisions as if those provisions were a law of the Commonwealth and not a law of this State.
- (2) For the purposes of a law of this State, a matter arising in relation to the applied provisions:
 - (a) is taken to be a matter arising in relation to laws of the Commonwealth in the same way as if those provisions were a law of the Commonwealth, and

- (5) For the purposes of this section, a reference in a provision of the *Administrative Appeals Tribunal Act 1975* of the Commonwealth (as that provision applies as a law of this jurisdiction) to the whole or any part of Part IVA of that Act is taken to be a reference to the whole or any part of that Part as it has effect as a law of the Commonwealth.

15 Functions and powers conferred on Commonwealth officers and authorities

- (1) A Commonwealth administrative law applying because of section 14 that confers on a Commonwealth officer or authority a function or power also confers on the officer or authority the same function or power in relation to a matter arising in relation to the applied provisions.
- (2) In performing a function or exercising a power conferred by this section, the Commonwealth officer or authority must act as nearly as practicable as the officer or authority would act in performing or exercising the same function or power under the Commonwealth administrative law.
