Division 3 The co-operative principles

6 Co-operative principles (cf Vic Act s 6)

In this Act, a reference to **co-operative principles** is a reference to the principles adopted by the International Co-operative Alliance, being the following principles:

Voluntary and open membership

Co-operatives are voluntary organisations, open to all persons able to use their services and willing to accept the responsibilities of membership, without gender,

social, racial, political or religious discrimination.

Democratic member control

Co-operatives are democratic organisations controlled by their members, who actively participate in setting their policies and making decisions. Men and women serving as elected representatives are accountable to the membership. In primary co-operatives members have equal voting rights (one member, one vote) and co-operatives at other levels are organised in a democratic manner.

Member economic participation

Members contribute equitably to, and democratically control, the capital of their co-operative. At least part of that capital is usually the common property of the co-operative. They usually receive limited compensation, if any, on capital subscribed as a condition of membership. Members allocate surpluses for any or all of the following purposes: developing the co-operative, possibly by setting up reserves, part of which at least would be indivisible; benefiting members in proportion to their transactions with the co-operative; and supporting other activities approved by the membership.

Autonomy and independence

Co-operatives are autonomous, self help organisations controlled by their members. If they enter into agreements with other organisations, including governments, or raise capital from external sources, they do so on terms that ensure democratic control by their members and maintain their co-operative autonomy.

Education, training and information

Co-operatives provide education and training for their members, elected representatives, managers and employees so they can contribute effectively to the development of their co-operatives. They inform the general public, particularly young people and opinion leaders, about the nature and benefits of co-operation.

Co-operation among co-operatives

Co-operatives serve their members most effectively and strengthen the co-operative movement by working together through local, national, regional and international structures.

Concern for the community

While focusing on member needs, co-operatives work for the sustainable development of their communities through policies accepted by their members.

7 Interpretation to promote co-operative principles (cf Vic Act s 7)

- (1) In the interpretation of a provision of this Act or the regulations, a construction that would promote co-operative principles is to be preferred to a construction that would not promote co-operative principles.

Division 4 Application of Corporations Act to co-operatives

8 Definitions (cf Vic Act s 8)

In this Division:

excluded Corporations legislation provision means any provision of the Corporations legislation that does not apply to co-operatives as a law of the Commonwealth.

9 Excluded matter (cf Vic Act s 9)

- (1) A co-operative is declared to be an excluded matter for the purposes of section 5F of the Corporations Act in relation to the whole of the Corporations legislation other than to the extent specified in this section.

Note—

This section ensures that neither the Corporations Act nor Part 3 of the *Australian Securities and Investments Commission Act 2001* of the Commonwealth will apply to a co-operative, other than to the extent specified in this section. Section 5F of the Corporations Act provides that if a State law declares a matter to be an excluded matter in relation to the whole of the Corporations legislation other than to a specified extent, then that legislation will not apply, except to the specified extent, in relation to that matter in the State concerned. However, other provisions of this Act apply certain provisions of the Corporations legislation to co-operatives as laws of this State.

- (2) Subsection (1) does not exclude the application of the following provisions of the Corporations legislation to co-operatives to the extent that those provisions would otherwise be applicable to them:
- (a) provisions that relate to any matter that the regulations provide is not to be excluded from the operation of the Corporations Act,
 - (b) provisions that relate to the role of a co-operative in the formation of a company,
 - (c) provisions that relate to substantial holdings of shares, by or involving a co-operative, in a company,
 - (d) provisions that confer or impose functions on a co-operative as a member, or former member, of a corporation,
 - (e) provisions that relate to dealings by a co-operative in securities of a body corporate, other than securities of the co-operative itself,
 - (f) provisions that confer or impose functions on a co-operative in its dealings with a corporation, not being dealings in securities of the co-operative,
 - (g) provisions that relate to securities of a co-operative, other than shares in, CCUs issued by, debentures of or deposits with a co-operative,
 - (h) provisions relating to derivatives,

- (i) provisions relating to:
 - (i) financial services licensees (as defined in section 761A of the Corporations Act) whose licence covers dealing in, or providing advice about, securities, or
 - (ii) regulated principals (as defined in section 1430 of the Corporations Act) when dealing in, or providing advice about, securities as authorised by Subdivision D of Division 1 of Part 10.2 of that Act,
 - (j) provisions relating to the carrying on of a financial services business (as defined in section 761A of the Corporations Act) relating to securities,
 - (k) provisions relating to financial statements, and audits of financial statements, of:
 - (i) financial services licensees (as defined in section 761A of the Corporations Act) whose licence covers dealing in, or providing advice about, securities, or
 - (ii) regulated principals (as defined in section 1430 of the Corporations Act) when dealing in, or providing advice about, securities as authorised by Subdivision D of Division 1 of Part 10.2 of that Act,
 - (l) provisions relating to money and scrip of clients of:
 - (i) financial services licensees (as defined in section 761A of the Corporations Act) whose licence covers dealing in, or providing advice about, securities, or
 - (ii) regulated principals (as defined in section 1430 of the Corporations Act) when dealing in, or providing advice about, securities as authorised by Subdivision D of Division 1 of Part 10.2 of that Act,
 - (m) provisions relating to registers of interests in securities,
 - (n) provisions relating to powers of a Court to cure procedural irregularities and to make other orders.
- (3) It is declared that subsection (1) does not operate to exclude the operation of the following provisions of the Corporations Act except in relation to shares in, CCUs issued by, debentures of or deposits with a co-operative:
- (a) Part 1.2A (Disclosing entities),
 - (b) Chapter 2L (Debentures),
 - (c) Chapter 6D (Fundraising),
 - (d) Part 7.10 (Market misconduct and other prohibited conduct relating to financial products and financial services).
- (4) Subsection (1) does not apply if the co-operative is directed by an order of the Court

under section 98 (j), or applies in accordance with the provisions of Division 3 of Part 12, to become registered as a company under the Corporations Act to the extent necessary for a co-operative to be registered as a company under Chapter 5B of that Act.

10 Applying the Corporations legislation to co-operatives (cf Vic Act s 10)

- (1) The regulations may declare any matter relating to co-operatives to be an applied Corporations legislation matter for the purposes of Part 3 of the *Corporations (Ancillary Provisions) Act 2001* in relation to any excluded Corporations legislation provision or provisions (with such modifications as may be specified in the declaration).

Note—

Part 3 of the *Corporations (Ancillary Provisions) Act 2001* provides for the application of provisions of the *Corporations Act 2001* and Part 3 of the *Australian Securities and Investments Commission Act 2001* of the Commonwealth as laws of the State in respect of any matter declared by a law of the State (whether with or without modification) to be an applied Corporations legislation matter for the purposes of that Part in relation to those Commonwealth provisions. Section 14 (2) of the *Corporations (Ancillary Provisions) Act 2001* ensures that a declaration made for the purposes of Part 3 of that Act only operates to apply a provision of the Corporations legislation to a matter as a law of the State if that provision does not already apply to the matter as a law of the Commonwealth. If a provision referred to in a declaration already applies as a law of the Commonwealth, nothing in the declaration will affect its continued operation as a law of the Commonwealth.

- (2) Without limiting subsection (1), any such regulations may:
- (a) specify modifications to the definitions and other interpretative provisions of the Corporations legislation relevant to any excluded Corporations legislation provision that is the subject of the declaration, and
 - (b) provide for ASIC to exercise a function under any excluded Corporations legislation provision that is the subject of the declaration, but only if:
 - (i) ASIC is to exercise that function pursuant to an agreement of the kind referred to in section 11 (8) or (9A) (b) of the *Australian Securities and Investments Commission Act 2001* of the Commonwealth, and
 - (ii) ASIC is authorised to exercise that function under section 11 of the *Australian Securities and Investments Commission Act 2001* of the Commonwealth, and
 - (c) specify that a reference to ASIC in any excluded Corporations legislation provision that is the subject of the declaration is to be read as a reference to another person, and
 - (d) identify any excluded Corporations legislation provision to which the declaration relates by reference to that provision as in force at a particular time, and
 - (e) specify a court of this State (other than the Supreme Court) to exercise any

function conferred on a court or the Court by any excluded Corporations legislation provision to which the declaration relates.

- (3) Words and expressions used in this section and also in Part 3 of the *Corporations (Ancillary Provisions) Act 2001* have the same meanings as they have in that Part.

11 Modifications to applied provisions (cf Vic Act s 11)

- (1) If a provision of this Act declares a matter to be an applied Corporations legislation matter for the purposes of Part 3 of the *Corporations (Ancillary Provisions) Act 2001* (the **declaratory provision**) in relation to any provisions of the Corporations legislation (the **applied provisions**), the declaratory provision is taken to specify the following modifications:
- (a) a reference in the applied provisions to the constitution of a company is to be read as a reference to rules,
 - (b) a cross-reference in the applied provisions to another provision of the Corporations Act is, if that cross-reference is not appropriate (because for example the provision cross-referred to is not among the applied provisions), to be read as a cross-reference to the equivalent provision of this Act,
 - (c) a reference in the applied provisions to the Commonwealth is to be read as a reference to New South Wales,
 - (d) any of the applied provisions that are not relevant to co-operatives or which are incapable of application to co-operatives are to be ignored,
 - (e) modifications directed by the Registrar under subsection (2).
- (2) The Registrar may, by order published in the Gazette, give directions as to the modifications that are necessary or desirable for the effectual operation of applied provisions.

Part 6 Active membership requirements

Division 1 Definitions etc

115 Primary activity—meaning

A primary activity of a co-operative is an activity specified in the rules of the co-operative as a primary activity of the co-operative.

116 Active membership—explanation

For the purposes of this Act, a member of a co-operative is an active member of the co-operative if the member:

- (a) utilises or supports an activity of, or maintains a relationship or an arrangement with, the co-operative, in connection with the carrying on of a primary activity of the co-operative, in the manner and to the extent which the rules of the co-operative provide is sufficient to establish active membership, or
- (b) maintains such other relationship or arrangement with the co-operative in connection with the carrying on of a primary activity of the co-operative as the regulations provide is sufficient to establish active membership.

117 Active membership provisions and resolutions—explanation

- (1) Active membership provisions in the rules of a co-operative are provisions in the rules which specify:
 - (a) which of the activities of the co-operative are the primary activities of the co-operative, and
 - (b) the manner in which and the extent to which a member of the co-operative is required to utilise or support an activity of, or maintain a relationship or an arrangement with, the co-operative, in connection with the carrying on of a primary activity of the co-operative, in order to establish active membership of the co-operative.
- (2) An active membership resolution is a resolution which would, if given effect to, make or amend active membership provisions in the rules of a co-operative.

Division 2 Rules to contain active membership provisions

118 Number of primary activities required

A co-operative must have at least 1 primary activity.

119 Rules to contain active membership provisions

- (1) The board of a co-operative must ensure that the rules of the co-operative contain active membership provisions in accordance with this Part.

- (2) An alteration of the rules of a co-operative effected for the purposes of this section is not an alteration which may be effected by a resolution passed by the board under section 112.

120 Failure to have active membership provisions

- (1) If the rules of a co-operative do not contain active membership provisions as required by this Part, the Council may by resolution alter the rules of the co-operative so that they contain active membership provisions.
- (2) The active membership provisions are to be provisions that in the opinion of the Council are appropriate to the co-operative concerned, having regard to:
 - (a) the rules and activities of the co-operative, and
 - (b) the membership structure of the co-operative, and
 - (c) such other matters as the Council thinks are relevant.
- (3) Before taking action under this section, the Council must:
 - (a) give notice in writing to the co-operative concerned that it proposes to take the action, and
 - (b) take into account any representations made by the co-operative concerning the matter within the time allowed by the notice for the making of representations.
- (4) A resolution of the Council under this section operates to alter the rules of the co-operative accordingly, but section 113 (Alteration does not take effect until registered) applies to any such alteration.
- (5) The fact that active membership provisions in the rules of a co-operative resulted from the operation of this section does not prevent the alteration of those provisions in accordance with this Act.

121 Factors and considerations for determining primary activities etc (cf Vic Act s 124)

- (1) The board of a co-operative must ensure that the relevant factors and considerations are taken into account in determining the following:
 - (a) which of the activities of a co-operative are its primary activities,
 - (b) the manner and extent to which a member is required to utilise or support an activity of, or maintain a relationship with, a co-operative, in connection with the carrying on of a primary activity of the co-operative, to establish active membership of the co-operative.
- (2) The **relevant factors and considerations** are as follows:
 - (a) the primary activity or (if more than one) the primary activities taken together

should constitute the basic purpose for which the co-operative exists and a significant contribution to the business of the co-operative,

(b) the manner and extent of required utilisation, support or relationship should be reasonable when considered in relation to the activities of the co-operative as a whole,

(c) such other factors and considerations as may be prescribed.

(3) The regulations may provide for the matters to be taken into account in determining whether an activity or activities makes or make a significant contribution to the business of the co-operative and for that purpose may specify minimum percentages of turnover, minimum amounts of income or minimum amounts of business necessary to constitute "significant contribution".

(4) Factors and considerations may be prescribed so as to apply to co-operatives generally, to a specified class of co-operatives or to a specified individual co-operative.

(5) Nothing in this section limits the right of active members other than the board of the co-operative to propose an active membership resolution.

122 Regular subscription—active membership of non-trading co-operative (cf Vic Act s 126)

(1) Active membership provisions for a non-trading co-operative may include provision that the payment of a regular subscription by a member of the co-operative, to be applied in connection with a primary activity of the co-operative, is sufficient to establish active membership of the co-operative.

(2) A member of a co-operative who would, on payment of such a subscription, be an active member of a co-operative is to be considered to be an active member until the subscription is due and payable.

123 Active membership provisions—trading co-operatives (cf Vic Act s 125)

(1) (Repealed)

(2) The only active membership provisions which may be contained in the rules of a trading co-operative are:

(a) provisions requiring a member to utilise an activity of the co-operative in connection with the carrying on of a primary activity specified in the provisions to establish active membership, and

(b) such other active membership provisions as the Council may approve.

(3) A reference in this section, and in any active membership provisions of the rules of a co-operative, to the supply to or purchase from a co-operative by a member of goods

or produce includes a reference to:

- (a) the supply to or purchase from a body corporate constituted by an Act for the purpose of the marketing of goods or produce if the body corporate in turn supplies to or purchases from the co-operative, and
- (b) the existence of a relationship or arrangement between the member and the co-operative which is prescribed by the regulations as being sufficient to establish the relationship of supplier or purchaser.

Division 3 Active membership resolutions

124 Prior approval of active membership resolutions

- (1) An active membership resolution cannot be proposed at a meeting of a co-operative unless:
 - (a) before the meeting, the Registrar has approved in writing of the terms of the proposed resolution, or
 - (b) the active membership provisions which would result from the proposed resolution fall within guidelines approved of in writing by the Registrar before the meeting.
- (2) Before giving an approval under this section, the Registrar may require additional information from the proposers of the resolution for the purpose of deciding whether or not to approve of the resolution.
- (3) If the Registrar refuses approval, the Registrar must inform the co-operative in writing of the reasons for the refusal.

125 Appeal against refusal of approval

- (1) The co-operative is entitled to have a decision of the Registrar to refuse approval of a proposed active membership resolution reviewed if the reason for the refusal is that the resolution would result in active membership provisions which are not appropriate for the co-operative or would result in unreasonable active membership provisions.
- (2) The review is to be carried out by the Council at the request of the co-operative.
- (3) The Council may recommend to the Registrar that the Registrar approve of the proposed resolution and the Registrar is to comply with such a recommendation.

126 Notice of meeting

- (1) At least 21 days' written notice must be given to members of a co-operative of a meeting at which an active membership resolution is to be proposed.
- (2) The notice must, in addition to the other matters required to be specified:

- (a) specify whether the member is eligible to vote on the resolution, and
 - (b) specify the full text of the proposed resolution, and
 - (c) contain a copy of section 127 (Cancellation of membership of inactive member).
- (3) If the notice to a member states that he or she is not eligible to vote on a resolution, the member may, after endeavouring to settle the matter with the co-operative, apply to the Registrar for a determination as to the member's eligibility.
- (4) The Registrar may determine the matter, on the information available to the Registrar, by direction in writing to the co-operative and the member.
- (5) The Registrar's determination as to eligibility has effect but only if given before the meeting concerned is due to be held.

126A Eligibility to vote on active membership resolution (cf Vic Act s 128)

The only members of a co-operative who are eligible to vote on an active membership resolution when the rules do not contain active membership provisions are those members who would be active members if the resolution had already taken effect.

126B Eligibility of directors to vote on proposal at board meeting (cf Vic Act s 129)

If the board of a co-operative is meeting to consider a proposal to submit an active membership resolution to a meeting of the co-operative:

- (a) subject to paragraph (b), a director is only eligible to vote on that proposal if he or she would be eligible to vote on the resolution at the meeting of the co-operative, or
- (b) if less than 2 directors (whether or not they are present at the meeting of the board of directors) would be eligible to vote on the resolution at the meeting of the co-operative, all the directors are eligible to vote on that proposal at the meeting of the board of directors.

126C Other entitlements of members not affected (cf Vic Act s 130)

A provision of this Division which renders a member of a co-operative ineligible to vote on a resolution does not affect any other right, entitlement, obligation or duty of the member as a member.

Division 4 Cancellation of membership etc of inactive members

127 Cancellation of membership of inactive member (cf Vic Act s 131)

- (1) The board of a co-operative must declare the membership of a member cancelled if:

that time, or

(b) the member is not presently an active member of the co-operative and has not been an active member of the co-operative at any time during the required period immediately before that time.

(2) This section applies to a member only if he or she was a member of the co-operative throughout the required period.

(3) The question of whether a member was an active member at a particular time in the past is to be determined as if the active membership provisions concerned had been in force at that time.

(4) The board's declaration under this section has the effect of cancelling the membership concerned.

(5) A person may apply to the Council for an order under section 129 in respect of the cancellation of the person's membership under this section.

(6) In this section ***the required period*** in relation to a co-operative, means:

(a) 3 years, or

(b) if a shorter period is provided for in the rules of the co-operative, that shorter period.

128 Shares to be forfeited if membership cancelled (cf Vic Act s 134)

(1) If a co-operative has a share capital, the board of the co-operative is to declare the shares of a member to be forfeited at the same time as the member's membership is cancelled under section 127.

(2) The board's declaration has the effect of forfeiting the shares concerned.

(3) Nothing in this section affects the operation of section 134.

129 Order of Council against cancellation

(1) The Council may, if satisfied in a particular case that the cancellation of a member's membership under section 127 was or would be unreasonable, direct by order in writing that the membership should not have been cancelled or should not be cancelled.

(2) While such an order is in force:

(a) the membership concerned is not required to be cancelled and any shareholding of the member is not required to be forfeited, and

(b) the person whose membership was cancelled is entitled to be reinstated as a

member of the co-operative with all the rights and entitlements (including any shareholding) attaching to or arising from the former membership.

- (3) Reinstatement of a member under this section is to be effected in accordance with the directions of the Council.

130 Deferral of forfeiture by board (cf Vic Act s 134)

- (1) The board of a co-operative may by resolution defer cancellation of a member's membership for a period of up to 12 months:
- (a) if the board has reasonable grounds to believe that a member has ceased to be an active member due to unusual circumstances which prevent the member fulfilling his or her active membership obligations, or
 - (b) if:
 - (i) the board thinks that during that period an active membership resolution may be put to the members of the co-operative, and
 - (ii) the effect of the resolution would be relevant to the question of whether the member is an active member.
- (2) The board of the co-operative must review the resolution to defer before the end of the deferral period to determine if a further resolution should be made under subsection (1).

131 Cancellation of membership prohibited in certain circumstances (cf Vic Act s 135)

Unless the regulations otherwise provide, the board of a co-operative must not declare the membership of a member to be cancelled under this Part:

- (aa) if the co-operative is insolvent or there are reasonable grounds for suspecting that the co-operative is insolvent, or
- (a) if the co-operative is under administration under Part 5.3A of the Corporations Act as applying under this Act, or
- (b) if a compromise or an arrangement is being administered in respect of the co-operative, or
- (c) if the co-operative is in the course of being wound-up, or
- (d) if an appointment of a receiver (whether or not a receiver and manager) of any property of the co-operative is in force, or
- (e) if the co-operative has, for the purposes of being registered as a company under the Corporations Act, filed with the Registrar a copy of the entry made in the minute book of the co-operative under section 193 (Postal ballots), or

(f) in such other circumstances as may be prescribed.

132 Notice of intention to cancel membership

- (1) The board of a co-operative must ensure that not less than 1 month's notice of its intention to declare the membership of a member to be cancelled is given to the member:
 - (a) by notice in writing sent to the member by post, or
 - (b) if the member's whereabouts are unknown to the co-operative, by notice published in a newspaper circulating in the district in which the registered office of the co-operative is situated.
- (2) No notice is required to be given under this section if the member's whereabouts are unknown to the co-operative and the amount required to be repaid to the member in respect of the cancelled membership (whether by reason of the cancellation of shares or otherwise) does not exceed \$50.

133 Failure to cancel membership—offence by director (cf Vic Act s 133)

If the board of a co-operative fails to cancel the membership of a member as required by this Part, a director of the co-operative who did not use all due diligence to prevent that failure is guilty of an offence.

Maximum penalty: 20 penalty units.

134 Repayment of amounts due in respect of cancelled membership (cf Vic Act s 138)

- (1) If the membership of a member of a co-operative is cancelled under this Part, the co-operative must, within 12 months after the date of cancellation:
 - (a) repay to the former member the amount due to the member in respect of that cancellation, or
 - (b) apply that amount in accordance with subsection (2) if:
 - (i) the board is of the opinion that repayment would adversely affect the financial position of the co-operative, or
 - (ii) the board and the former member so agree.
- (2) The amount due may be applied as follows:
 - (a) if the co-operative is a deposit-taking co-operative, the co-operative may apply the amount as a deposit by the former member with the co-operative (subject to the requirements of section 135 as to interest on the deposit),
 - (b) the co-operative may allot or issue debentures or CCUs of the co-operative to the former member in satisfaction of the amount,

- (c) the co-operative may appropriate the amount due as a donation to the co-operative, but only if the former member consents in writing to the donation.
- (3) The amount due to a member in respect of the cancellation of membership includes any amount paid up in respect of shares forfeited as a result of the cancellation of membership.
- (4) If the former member is subsequently readmitted to membership, any amount held by the co-operative under this section must, if the member so requests, be applied towards the cost of admission to membership (including any subscription for share capital).
- (5) If:
 - (a) a former member cannot be found, after the use of all due diligence by the co-operative to find the former member, and
 - (b) the amount otherwise required to be paid under this section does not exceed \$100 (or any other amount that may be prescribed by the regulations),the co-operative may retain that amount.

135 Interest on deposits, debentures and CCUs (cf Vic Act s 139)

- (1) This section applies when the amount due to a former member under section 81 or 134 is applied as a deposit with the co-operative or the co-operative allots or issues debentures or CCUs to the former member in satisfaction of the amount.
- (2) The deposit, debenture or CCU bears interest during any period:
 - (a) in the case of a co-operative with share capital:
 - (i) at the rate (or, if there is more than one rate, at the higher or highest rate) of dividend payable in respect of that period on the share capital of the co-operative, or
 - (ii) if the rate of dividend payable in respect of that period has not been determined, at the rate (or the higher or highest rate) payable in respect of the immediately preceding period for which a rate has been determined, or
 - (iii) if a rate of dividend has never been determined in respect of the share capital of the co-operative, at the rate that the board of the co-operative considers reasonable, or
 - (b) in the case of a co-operative without share capital, at the rate that the board of the co-operative considers reasonable, or
 - (c) if the rules provide for a rate to be payable that is higher than the rate applicable under paragraph (a) or (b), at that higher rate.

- (3) A former member may agree to the rate of interest being less than that which would otherwise be payable under this section and may agree to no interest being paid.
- (4) The following provisions of the Corporations Act (as applied by section 266 of this Act) do not apply to an allotment or issue of debentures under this section:
 - (a) Chapter 2L (Debentures),
 - (b) Chapter 6D (Fundraising).

136 Repayment of deposits, debentures and CCUs

- (1) A deposit, debenture or CCU to which an amount due to a former member is transferred under section 81 or this Division is to be repaid to the former member as soon as repayment would not, in the opinion of the board, adversely affect the financial position of the co-operative.
- (2) The deposit, debenture or CCU must in any case be repaid within 10 years (or within such shorter period as the rules of the co-operative may require) after cancellation of the member's membership.
- (3) The Council may extend the period for repayment under subsection (2) of any deposit, debenture or CCU to which an amount due to a former member was transferred before the date of assent to the *Statute Law (Miscellaneous Provisions) Act (No 2) 1997*, if satisfied that repayment of the amount within that period would cause the co-operative financial hardship.
- (4) An extension of a period by the Council is to be for such period as it considers reasonable and may be given subject to conditions.
- (5) The period for repayment is extended accordingly, but only while the co-operative complies with any conditions to which the extension is subject.
- (6) The Council may, on the application of the former member concerned, reduce the period for repayment under subsection (2) if satisfied that it would be reasonable in the particular case to require repayment of the amount within the shorter period.

137 Register of cancelled memberships

A co-operative is to keep a register specifying the prescribed particulars of persons whose membership has been cancelled under this Part.

138 (Repealed)

Division 5 Entitlements of former members

139 Former shareholders to be regarded as shareholders for certain purposes

- (1) This section applies to a co-operative only if the co-operative has a share capital.

- (2) Even though a person's shares in a co-operative have been forfeited under this Part, the person is to be regarded as the holder of shares in the co-operative (the same in all respects as those that were forfeited) for the following purposes:
- (a) the entitlements of a shareholder in respect of the purchase of shares in the co-operative pursuant to an offer described in section 299 (a), (b) or (c), or the purchase of all the shares in the co-operative, if the offer or purchase occurs within 5 years after the person's shares were forfeited,
 - (b) the entitlement of a shareholder when the co-operative becomes registered as a company if the relevant special resolution under section 316 (2) is passed within 5 years after the person's shares were forfeited,
 - (c) the entitlement of a shareholder to a distribution of surplus in a winding-up of the co-operative that commences within 5 years after the person's shares were forfeited.
- (3) Subsection (2) (a) does not apply in respect of:
- (a) an offer described in section 299 (a) or (c) that is made by another co-operative, or
 - (b) the purchase of all the shares in the co-operative by another co-operative.
- (4) Subsection (2) (c) does not apply if the winding-up is for the purposes of a merger under Division 1 of Part 12.
- (5) To remove doubt, it is declared that the entitlement under subsection (2) (a) of a person whose shares have been forfeited does not include an entitlement to vote on any matter.
- (6) This section does not apply to a forfeited shareholding in a co-operative if section 140 operates to require that forfeited shareholding to be regarded as a forfeited shareholding in another co-operative.

140 Entitlements of former shareholders on mergers etc (cf Vic Act s 144)

- (1) This section applies when a person's shares in a co-operative (***the original co-operative***) are forfeited under this Part and within 5 years after that forfeiture:
- (a) the original co-operative becomes a subsidiary of another co-operative (***the new co-operative***), or
 - (b) another co-operative (***the new co-operative***) is created as a result of a merger under Division 1 of Part 12 involving the original co-operative, or
 - (c) the engagements of the original co-operative are transferred to another co-operative (***the new co-operative***) under Division 1 of Part 12.

- (2) That person is, for the purposes of the operation of section 139 (and the further operation of this section) to be regarded as having held shares in the new co-operative and as having had those shares in the new co-operative forfeited under this Part when the person's shares in the original co-operative were forfeited.
- (3) The extent of the forfeited shareholding in the new co-operative is as determined in accordance with the following:
 - (a) if the entitlement of active members of the original co-operative in the circumstances concerned is solely an entitlement to be allotted shares in the new co-operative, the forfeited shareholding in the new co-operative is the shareholding to which the person would have been entitled had the person's shares in the original co-operative not been forfeited,
 - (b) in any other case, the forfeited shareholding in the new co-operative is the shareholding that is the same in all respects as the forfeited shareholding in the original co-operative.
- (4) The determination under subsection (3) (a) of the person's shareholding in the new co-operative is to be made:
 - (a) solely on the basis of the person's shareholding in the original co-operative when the shares were forfeited or (in a further operation of this section in respect of the person) when the person was first to be regarded as having a forfeited shareholding in the original co-operative, and
 - (b) without regard to any additional shareholding in the original co-operative to which the person would have become entitled had the shares not been forfeited (whether as a result of any bonus share issue or otherwise).

141 Set-off of amounts repaid etc on forfeited shares (cf Vic Act s 145)

- (1) If a person has an entitlement because of the operation of section 140, the entitlement operates to extinguish any liability of the co-operative:
 - (a) to repay to the person under section 134 (Repayment of amounts due in respect of cancelled membership) any amount in respect of the forfeited shares concerned, or
 - (b) in respect of a deposit held by the co-operative, or debentures or CCUs allotted or issued to the person, under section 134 in respect of the forfeited shares concerned (except a liability to pay interest that is due but unpaid).

 - (c) if the rules provide for a rate to be payable that is higher than the rate applicable under paragraph (a) or (b), at that higher rate.
- (4) The deposit, debenture or CCU must be repaid to the member as soon as repayment would not, in the opinion of the board, adversely affect the financial position of the co-operative.
 - (5) The deposit, debenture or CCU must in any case be repaid within 10 years (or within any shorter period that the rules of the co-operative may require) after the repurchase of the shares concerned.

174 Cancellation of shares

A co-operative is to cancel any share purchased by or forfeited to the co-operative in accordance with this Act or the rules of the co-operative.

Part 8 Voting

Division 1 Voting entitlements

175 Voting to which this Part applies

This Part applies to all voting, whether at meetings, in ballots (including postal ballots) or by circulated resolution.

176 Voting (cf Vic Act s 180)

- (1) The right to vote attaches to membership and not share holding.
- (2) Except as provided in subsections (3) and (4), each member has only one vote at a meeting of the co-operative.
- (3) Except as specifically authorised by this Act, the rules of a co-operative must not contain a provision that restricts the voting rights of members.
- (4) If the rules so provide, the chairperson has a second vote at a board meeting or general meeting.

- (5) In the case of joint membership:
 - (a) the joint members have only one vote between them, and
 - (b) that vote may be exercised (subject to the grant of a proxy or power of attorney) only by the joint member determined in accordance with the rules.
- (6) If shares are held jointly, each member (other than a joint member) holding the share is entitled to vote at a general meeting.

177 Rules of certain co-operatives formed to carry on club may restrict voting rights

- (1) The rules of a co-operative which has as a primary activity the operation, maintenance or carrying on of a club may provide for different classes of membership and restrict the voting rights attaching to membership of those different classes, but only if:
 - (a) the Council approves of the provisions concerned, and
 - (b) the membership of the class or classes entitled to full voting rights constitutes at least 40% of the total membership of the co-operative.
- (2) Any such provision in the rules of a co-operative must not be amended except with the approval of the Council.
- (3) This section applies only to the following co-operatives:
 - (a) any co-operative registered under the *Registered Clubs Act 1976* (regardless of when it was registered under this Act),

178 Effect of relevant share and voting interests on voting rights

- (1) Subject to section 176 (5) and (6), a member of a co-operative is not entitled to vote if another person (whether or not a member of the co-operative) has a relevant interest in any share held by the member or in the right to vote of the member.
- (2) A member who is not entitled to vote because of this section may apply to the Council for a review of the matter.
- (3) The Council may order that the member is entitled to vote if it is satisfied in the circumstances of the case that loss of the right to vote would be unjust or unreasonable, and any such order of the Council has effect accordingly.

179 Voting by proxy (cf Vic Act s 181)

- (1) If the rules so provide, voting may be by proxy at a general meeting.
- (2) The instrument of proxy may specify the manner in which a proxy is to vote in respect of a particular resolution.
- (3) The proxy must vote in the manner authorised by an instrument of proxy referred to in subsection (2).
- (4) A person must not act as a proxy unless he or she:
 - (a) is an active member of the co-operative, or
 - (b) in the case of an association or a federation, is entitled to represent a component co-operative or association of the association or federation on the association or federation.
- (5) A person must not act as proxy for more than 10 persons (or any lesser number of persons specified in the rules of the co-operative) on any one occasion.
- (6) Subsection (5) does not apply if the proxy acts under an instrument of proxy referred to in subsection (2).

180 Effect of unpaid borrowings

A member who has borrowed from a co-operative any money which is still unpaid is not entitled to vote on any question in respect of which the member's right to vote is excluded by the rules of the co-operative as in force immediately before the date of assent to the *Statute Law (Miscellaneous Provisions) Act (No 2) 1997*.

181 Inactive members not entitled to vote

A member is not entitled to vote if the member is not an active member of the co-operative.

181A Control of the right to vote (cf Vic Act s 185)

- (1) A person must not directly or indirectly control the exercise of the right to vote of a member.

Maximum penalty: 60 penalty units or imprisonment for 6 months, or both.
- (2) If a person controls the exercise of the right to vote of a member at a meeting of a co-operative:
 - (a) the vote of that member, and
 - (b) the vote of that person, if that person is a member,

are invalid.

- (3) Nothing in this section prevents the exercise of a vote by means of a proxy or power of attorney.

182 Effect of sale etc of shares

A member of a co-operative who has sold or transferred, or disposed of the beneficial interest in, the member's shares, or agreed to do any of those things, is not entitled to vote.

183 Restriction on voting entitlement under power of attorney

A person is not entitled to exercise, under a power of attorney, the power of a member of a co-operative to vote if the person has that power in respect of another member of the co-operative under another power of attorney.

183A Restriction on voting by representatives of bodies corporate (cf Vic Act s 183)

A person is not entitled to exercise, as the representative of a body corporate, the power of a body corporate member of the co-operative to vote if the person has that power as the representative of another body corporate member of the co-operative.

A person appointed as provided by this Act to represent a member of a co-operative, association or federation:

- (a) is entitled to receive notice of all meetings in the same manner as the member represented, and
- (b) is entitled to exercise the same rights to vote as the member represented, and
- (c) is eligible to be elected to the board of directors if the member represented holds such qualifications as may be required for holding office as a director (other than any relating to age).

185 Other entitlements etc of members unaffected by ineligibility to vote

A provision of this Act which disentitles a member of a co-operative to vote (either generally or in relation to a particular matter) does not affect any other right, entitlement, obligation or duty of the member as a member.

186 Vote of disentitled member to be disregarded

Any vote cast by or on behalf of a member of a co-operative when not entitled to vote is to be disregarded.

Division 2 Resolutions

187 Decisions of co-operative usually to be by ordinary resolution

Except as otherwise provided in this Act or by the rules of the co-operative, every question for decision by a co-operative is to be determined by ordinary resolution.

188 Ordinary resolutions

- (2) A special resolution may be passed by a postal ballot only if the rules of the co-operative so permit or this Act requires the special resolution to be passed by postal ballot (including a special postal ballot).
- (3) A resolution is not to be considered to have been passed as a special resolution unless not less than 21 days' notice has been given to the members of the co-operative specifying:
 - (a) the intention to propose the special resolution, and
 - (b) the reasons for the making of the special resolution, and
 - (c) the effect of the special resolution being passed.
- (4) (Repealed)

190 How majority obtained is ascertained (cf Vic Act s 193)

- (2) A resolution is passed by a particular majority in a postal ballot if that majority of the members of the co-operative who, being entitled to do so, cast formal votes in the postal ballot vote in favour of the resolution.
- (3) (Repealed)

190A Disallowance by Registrar (cf Vic Act s 194)

The Registrar may disallow a proposed special resolution before it is passed by written notice to the co-operative if the Registrar is of the opinion that the effect of the special resolution if passed would be in contravention of this Act or the regulations or any other law.

190B Effect of special resolution (cf Vic Act s 196)

- (1) Subject to subsection (2), a special resolution has effect from the date that it is passed.
- (2) A special resolution relating to any of the following has no effect until it is registered:

- (1) If the Registrar is satisfied that the co-operative has complied with the provisions of this Act and the regulations, and that the resolution is not contrary to this Act or the regulations, the Registrar must register the resolution.
- (2) If the Registrar is of the opinion that the effect of a special resolution lodged for registration would be in contravention of this Act or the regulations or any other law, the Registrar may:
- (a) refuse to register the special resolution, and
 - (b) give written notice to the co-operative that the special resolution:
 - (i) has no effect, in the case of a special resolution referred to in section 190B (2), and
 - (ii) has no effect as from the date that it was passed, in any other case.
- (3) A certificate of registration of a special resolution given by the Registrar is, in favour of any person giving financial accommodation to the co-operative on the faith of the certificate or in favour of any guarantor of that advance, conclusive evidence that the resolution was duly passed.

193 Postal ballots

- (1) A postal ballot may be held as provided by the rules of a co-operative and is to be conducted in accordance with the regulations.
- (2) On the declaration by the returning officer of the result of the ballot, the secretary of the co-operative is to make an entry in the minute book of the co-operative showing:
- (a) the number of formal votes cast in favour of the proposal concerned, and
 - (b) the number of formal votes cast against the proposal, and
 - (c) the number of informal votes cast.

194 Special postal ballots (cf Vic Act s 200)

- (1) A special postal ballot is a postal ballot that is conducted as required by this section.
- (2) The ballot must not be held less than 21 days after notice of the ballot is given to members so as to enable sufficient time for a meeting to discuss the proposal that is the subject of the ballot to be convened and held (whether by the board or on the requisition of members).

- (3) The co-operative must send to each member (along with any other material required to be sent in connection with the postal ballot) a disclosure statement approved by the Registrar and containing information concerning:
 - (a) the financial position of the co-operative,
 - (b) the interests of the directors of the co-operative in the proposal with which the ballot is concerned, including any interests of the directors in another organisation concerned in the proposal,
 - (c) any compensation or consideration to be paid to officers or members of the co-operative in connection with the proposal, and
 - (d) such other matters as the Registrar directs.
- (4) If the Registrar so requires, the statement is to be accompanied by a report made by an independent person approved by the Registrar concerning such matters as the Registrar directs.
- (5) Sections 17 (except subsections (2), (4) and (11)) and 28A apply to the approval of a disclosure statement under this section with any necessary modifications and in particular as if any reference in section 17 to a formation meeting were a reference to the notice of the special postal ballot.

194A When is a special postal ballot required? (cf Vic Act s 201)

In addition to any requirement of this Act, the rules of a co-operative must require a special postal ballot to be conducted for the purpose of passing a special resolution in relation to any of the following matters relating to a co-operative:

- (a) a conversion of a trading co-operative to a non-trading co-operative,
- (b) transfer of incorporation,

- (g) transfer of engagements,
- (h) members' voluntary winding up.

195 Holding of postal ballot on requisition (cf Vic Act s 202)

- (1) The board of a co-operative must conduct a postal ballot (including a special postal ballot) for the passing of a special resolution on the written requisition of such number

of members who together are able to cast at least 20% (or any lesser percentage specified in the rules of the co-operative) of the total number of votes able to be cast at a meeting of the co-operative.

- (2) A member is not entitled to be a requisitioning member unless the member is an active member.
- (3) The following provisions apply to a requisition for a postal ballot:
 - (a) it must specify:
 - (i) the proposed special resolution to be voted on, and
 - (ii) the reasons for the making of the special resolution, and
 - (iii) the effect of the special resolution being passed,
 - (b) it must be signed by the requisitioning members (and may consist of several documents in like form each signed by one or more requisitioning members),
 - (c) it must be served on the co-operative by being lodged at the registered office of the co-operative.
- (4) The postal ballot must be conducted as soon as practicable and in any case must be conducted within 2 months after the requisition is served.
- (5) If the special resolution for which the requisitioned postal ballot is conducted is not passed, the co-operative may recover the expenses of the postal ballot from the members who requisitioned the postal ballot as a debt due to the co-operative.

195A Expenses involved in postal ballots on requisition (cf Vic Act s 203)

- (1) All reasonable expenses incurred by a co-operative in and in connection with preparing for and holding a special postal ballot are to be considered to constitute the **expenses of the postal ballot** for the purposes of section 195.
- (2) Those expenses include (but are not limited to) the following expenses:
 - (a) the cost of obtaining expert advice (including legal and financial advice) and of commissioning expert reports,
 - (b) costs attributable to the use of staff of the co-operative in connection with preparing for and holding the ballot,
 - (c) the cost of producing, printing and posting the ballot papers and other material associated with the ballot.

196 Resolution by circulation of document—fewer than 50 members

- (1) This section applies to a resolution that is required or permitted by this Act or the

rules of the co-operative to be passed at a general meeting of a co-operative and includes a resolution appointing an officer or auditor or approving of or agreeing to any act, matter or thing but does not include a resolution of which special notice is required or that is required to be passed by a majority other than a simple majority.

- (2) If all the members of a co-operative that has fewer than 50 members have signed a document containing a statement that they are in favour of a resolution to which this section applies in terms set out in the document, a resolution in those terms is to be considered to have been passed at a general meeting of the co-operative held on the day on which the document was signed and at the time at which the document was last signed by a member or, if the members signed the document on different days, on the day on which, and at the time at which, the document was last signed by a member.
- (3) The co-operative is to be considered to have held a general meeting at that time on that day and the document is to be considered to constitute a minute of that meeting.
- (4) This section does not apply in relation to a document unless the document has been signed by each person who was a member of the co-operative at the time the document was last signed.
- (5) For the purposes of this section, 2 or more separate documents containing statements in identical terms each of which is signed by 1 or more members are together to be taken to constitute 1 document containing a statement in those terms signed by those members on the respective days on which they signed the separate documents.
- (6) Any document that is attached to a document signed as mentioned in subsection (2) and is signed by the member or members who signed the last-mentioned document is, for the purposes of this Act, to be considered to have been laid before the co-operative at the general meeting referred to in that subsection.
- (7) Nothing in this section affects or limits any rule of law relating to the effectiveness of the assent of members of a co-operative given to a document, or to any act, matter or thing, otherwise than at a general meeting of the co-operative.

197 Circulation of members resolutions etc

- (1) A co-operative must, on the requisition in writing of at least 10 members or of members who together are able to cast at least 5% of the total number of votes able to be cast at a meeting of the co-operative:
 - (a) give to members of the co-operative entitled to have notice of the next annual general meeting sent to them notice of any resolution that may properly be moved and is intended to be moved at that meeting, and
 - (b) circulate to members of the co-operative entitled to have notice of any general meeting sent to them any statement of not more than 1,000 words with respect to

the matter referred to in any proposed resolution or the business to be dealt with at that meeting.

- (2) Unless the co-operative otherwise resolves, the cost of doing so is to be paid by the requisitioning members.
- (3) Notice of such a resolution is to be given to each member of the co-operative:
 - (a) in the case of a member entitled to be sent notice of the meeting—by serving a copy of the resolution on the member in any manner permitted for service on the member of notice of the meeting, and
 - (b) in the case of any other member—by giving notice of the general effect of the resolution in any manner permitted for giving the member notice of meetings of the co-operative.
- (4) A statement referred to in subsection (1) is to be circulated, to each member of the co-operative entitled to be sent notice of the meeting, by serving a copy of the statement on the member in any manner permitted for service on the member of notice of the meeting.
- (5) A copy or notice that subsection (3) or (4) requires to be served or given is to be served or given in the same manner and, so far as practicable, at the same time as notice of the meeting and, if it is not practicable for it to be served or given at that time, it is to be served or given as soon as practicable after that time.
- (6) A co-operative is not bound under this section to give notice of any resolution or to circulate any statement unless:
 - (a) a copy of the requisition signed by the requisitioning member or members (or, if there are 2 or more requisitioning members, 2 or more copies that between them contain the signatures of all the requisitioning members) is deposited at the registered office of the co-operative:
 - (i) in the case of a requisition requiring notice of a resolution—not less than 6 weeks before the meeting, and
 - (ii) in the case of any other requisition—not less than 1 week before the meeting, and
 - (b) there is deposited or tendered with the requisition a sum reasonably sufficient to meet the co-operative's expenses in giving effect to the requisition.
- (7) If, after a copy of a requisition requiring notice of a resolution has been deposited at the registered office of the co-operative, an annual general meeting is called for a date 6 weeks or less after the copy has been deposited, the copy though not deposited within the time required by this subsection is to be considered to have been properly deposited for the purposes of this section.

- (8) A co-operative is not bound under this section to circulate any statement if, on the application either of the co-operative or of any other person who claims to be aggrieved, the Court is satisfied that the rights conferred by this section are being abused to secure needless publicity for defamatory matter.
- (9) The Court may order the costs of the co-operative or of the other person on an application under subsection (8) to be paid in whole or in part by the requisitioning member or members, even though they are not parties to the application.
- (10) Despite anything in the co-operative's rules, the business that may be dealt with at an annual general meeting includes any resolution of which notice is given in accordance with this section, and, for the purposes of this subsection, notice is to be considered to have been so given despite the accidental failure to give notice to a member or members.
- (11) If this section is contravened, the co-operative and any officer of the co-operative who is involved in the contravention are each guilty of an offence.
- Maximum penalty: 10 penalty units.
- (12) A member is not entitled to be a requisitioning member unless the member is an active member.

At any meeting of a co-operative, a member whose membership is required to be cancelled under Part 6 (Active membership requirements) is not entitled to be present.

201 Decision at meetings

- (1) Every question for decision by a meeting of a co-operative is to be determined by a majority of members present in person at the meeting and voting, but this is subject to the other provisions of this Act and to the rules of the co-operative.
- (2) Unless a poll is demanded by at least 5 members, the question is to be determined by a show of hands.
- (3) In the case of an equality of votes, whether on a show of hands or on a poll, the chairperson of the meeting at which the show of hands takes place or at which the poll is demanded is entitled to a casting vote, if the rules of the co-operative so provide.

- (2) The board of directors may exercise all the powers of the co-operative that are not, by

this Act or the rules of the co-operative, required to be exercised by the co-operative in general meeting.

- (3) The acts of a director are valid despite any defect that may afterwards be discovered in his or her appointment or qualification.
- (4) If a person who vacates office as director purports to do an act as director, that act is valid, in relation to a person dealing with the co-operative in good faith and for value and without actual knowledge of the circumstance because of which the vacation of office occurred, as if that office had not been vacated.
- (5) This section does not affect the operation of Division 3 (Persons having dealings with co-operatives) of Part 3.

205 Election of directors (cf Vic Act s 212)

- (1) Except as provided in subsections (2), (3) and (4), the directors of a co-operative are to be elected in the manner specified in the rules of the co-operative.

- (4) A motion approving or nominating for election 2 or more persons as directors by a single resolution must not be made at a meeting of a co-operative unless a resolution that it be so made has first been agreed to by the meeting without any vote being given against it.
- (5) If a resolution is passed following a motion in contravention of subsection (4):
 - (a) the resolution is void, and
 - (b) there is no provision for the automatic re-election of retiring directors in default of another election.
- (6) This section does not apply to a resolution altering the rules to prevent the election of 2 or more directors by ballot.
- (7) A nomination for election or appointment to the office of a director must provide details of the qualifications and experience of the person nominated.

- (8) Except as specified in this Act or in the rules of a co-operative, a director is eligible for re-election at the expiration of his or her term of office.
- (9) The Registrar is not to register a rule that specifies the manner of election of directors or any alteration of such a rule unless the Registrar approves of the manner of electing directors that will result from the rule or alteration.

206 Qualification of directors (cf Vic Act s 213)

- (1) A person is not qualified to be a director of a co-operative unless he or she is:

- (4) A director who is an active member director of the co-operative is to be counted as an active member director for the purposes of determining how many directors are active member directors of the co-operative even though he or she was elected as provided by section 216 (Election of employees as directors).

- (2) A member may agree to the rate of interest being less than that which would otherwise be payable under this section and may agree to no interest being paid.

Division 2 Co-operative capital units (CCUs)

269 General nature of CCU

- (1) A co-operative capital unit is an interest issued by a co-operative conferring an interest in the capital (but not the share capital) of the co-operative.
- (2) A CCU:
- (a) is personal property,
 - (b) is transferable or transmissible as provided by this Act and the rules of the co-operative, subject to the terms of issue of the CCU,
 - (c) is, subject to the rules of the co-operative, capable of devolution by will or by operation of law.
- (3) Subject to subsection (2):
- (a) the laws applicable to ownership of and dealing with personal property apply to a CCU as they apply to other property, and
 - (b) equitable interests in respect of a CCU may be created, dealt with and enforced as in the case of other personal property.
- (4) A transferor of a CCU remains the holder of the CCU until the transfer is registered and the name of the transferee is entered in the register of CCU holders in respect of the CCU.
- (5) Despite any rule of law or equity to the contrary, a condition subject to which a CCU is issued, whether the CCU is issued before or after the commencement of this subsection, is not invalid merely because the CCU is, by the condition, made irredeemable or redeemable only on the happening of a contingency however remote or at the end of a period however long.

269A Priority of CCUs on winding up

- (1) On a winding up of a co-operative, a debt owed to a person as the holder or former holder of a CCU issued by the co-operative is to rank for priority of payment in accordance with the terms of issue of the CCU.
- (2) Such a debt may rank as a secured debt if it is secured but if it is unsecured may not rank in priority to other unsecured debts. It may rank equally with or behind unsecured debts and (if the debt ranks behind unsecured debts) may rank in priority

to, equally with or behind debts due to contributories.

270 Division 1 applies to issue of CCUs

- (1) The issuing of CCUs is to be considered to be the obtaining of financial accommodation and accordingly Division 1 applies to the issue of CCUs.
- (2) For the purpose of Division 1, a CCU is to be considered to be a debenture.

271 CCUs can be issued to non-members

CCUs may be issued to persons whether or not they are members of the co-operative.

272 Minimum requirements for rules concerning CCUs

The rules of a co-operative that permit the co-operative to issue CCUs must contain provision to the effect of the following provisions and must not contain provisions that are inconsistent with the following provisions:

- each holder of a CCU is entitled to one vote only at a meeting of the holders of CCUs,
- the rights of the holders of CCUs may be varied only in the manner and to the extent provided by their terms of issue and only with the consent of at least 75% of the holders of CCUs given in writing or at a meeting,
- the holder of a CCU has, in the person's capacity as such a holder, none of the rights or entitlements of a member of the co-operative,
- the holder of a CCU is entitled to receive notice of all meetings of the co-operative and all other documents in the same manner as the holder of a debenture of the co-operative.

273 CCUs not to be issued unless terms of issue approved by Registrar

- (1) A co-operative is not to issue CCUs unless:
 - (a) the terms of issue have been approved by a special resolution of the co-operative, and
 - (b) the issue is made pursuant to an offer accompanied by a copy of a statement approved by the Registrar for the purposes of the issue, and
 - (c) the Registrar approves of the terms of the issue.
- (2) The terms of issue must specify the following (but this subsection does not limit the contents of the terms of issue):
 - (a) details of entitlement to repayment of capital,
 - (b) details of entitlement to participate in surplus assets and profits,

- (c) details of entitlement to interest on capital (whether cumulative or non-cumulative interest),
 - (d) details of how capital and interest on capital are to rank for priority of payment on a winding up.
- (3) The statement approved by the Registrar for the purposes of the issue is to set out the terms of the issue, the rights of the holders of CCUs, the terms of redemption and the manner of transferability of CCUs.
- (4) The Registrar is not to approve of the terms of issue unless satisfied that they will not result in a failure to comply with co-operative principles and are not contrary to the rules of the co-operative or this Act.

274 Directors' duties concerning CCUs

In discharging their duties, it is proper for the directors of a co-operative to take into account that the holders of CCUs have none of the rights and entitlements of, and are not entitled to be regarded as, members of the co-operative.

275 Redemption of CCUs

- (1) The redemption of CCUs is not to be considered to be a reduction in the share capital of the co-operative.
- (2) A co-operative may redeem CCUs but only on such terms and in such manner as is provided by the terms of their issue and only if they are fully paid up.
- (3) CCUs may not be redeemed except out of profits that would otherwise be available for dividends or out of the proceeds of a fresh issue of shares, or an approved issue of CCUs, made for the purpose of the redemption.
- (4) An issue of CCUs is an "approved issue" for the purposes of subsection (3) if there is the same entitlement to priority of payment of capital and dividend in relation to shares in the co-operative as there was for the redeemed CCUs.
- (5) Any premium payable on redemption is to be provided for out of profits or out of the CCU premium account or share premium account.

276 Capital redemption reserve

- (1) This section applies if CCUs are redeemed otherwise than out of proceeds of a fresh issue of shares.
- (2) Out of profits that would otherwise have been available for dividends there is to be transferred to a reserve called the capital redemption reserve a sum equal to the nominal amount of the CCUs redeemed and the provisions of this Act relating to the reduction of share capital of a co-operative apply as if the capital redemption reserve

were paid-up share capital of the co-operative.

- (3) The capital redemption reserve may be applied in paying up unissued shares of the co-operative to be issued to members of the co-operative as fully-paid bonus shares.

277 Issue of shares in substitution for redemption

- (1) If a co-operative has redeemed or is about to redeem CCUs held by an active member of the co-operative, it may:
- (a) issue shares to the member up to the sum of the nominal value of the CCUs redeemed or to be redeemed, as if those CCUs had never been issued, or
 - (b) pay up amounts unpaid on shares held by the member up to the sum of the nominal value of the CCUs redeemed or to be redeemed, as if those CCUs had never been issued.
- (2) This section applies only if the terms of issue of the CCUs provide for the conversion of CCUs held by an active member of the co-operative into shares of the co-operative.

accordance with an order of the Court under this Part.

- (3) The Court may grant its approval to a compromise or arrangement subject to such alterations or conditions as it thinks just.

 - (a) explaining the effect of the proposed compromise or arrangement and, in particular, stating any material interests of the directors of the co-operative, whether as directors, as members or creditors of the co-operative or otherwise, and the effect on those interests of the proposed compromise or arrangement in so far as that effect is different from the effect on the like interests of other persons, and

- (b) setting out such information as is prescribed and any other information that is material to the making of a decision by a creditor or member of the co-operative whether or not to agree to the proposed compromise or arrangement, being information that is within the knowledge of the directors of the co-operative and has not previously been disclosed to the creditors or members of the co-operative.

- (1) Clauses 10, 12 (2) and (4), 13, 17 and 19 of Schedule 4 (Receivers and managers) apply to a person appointed to administer a compromise or arrangement as if the appointment were an appointment of the person as a receiver and manager of property of the co-operative and as if a reference to a receiver were a reference to that person.

12 Effect of failure to lodge or give notice or document

A charge on property of a co-operative is not invalid merely because of the failure to lodge with the Registrar, or give to the co-operative or another person, a notice or other

document that is required by this Part to be so lodged or given.

Division 2 Notice of charge

13 Lodgment of notice of charge and copy of instrument

- (1) If a co-operative creates a charge, the co-operative must ensure that there is lodged with the Registrar within 45 days after the creation of the charge, a notice in the form approved by the Registrar setting out the following particulars:
 - (a) the name of the co-operative and the date of the creation of the charge,

In a case to which clause 13 (2) applies:

- (a) the charge is, for the purposes of clause 13, to be considered to be created when the first debenture in the series of debentures is issued, and
- (b) if, after the issue of the first debenture in the series, the co-operative passes a further resolution authorising the issue of debentures in the series, the co-operative must ensure that a copy of that resolution, verified by a statement in writing to be a true copy of that resolution, is lodged within 45 days after the passing of that resolution.

15 Operation of priority provisions in respect of issue of debentures

If a notice with respect to an instrument creating a charge has been lodged under clause 13 (1), being a charge in respect of an issue of several debentures the holders of which are entitled under the instrument in equal priority to the benefit of the charge, clauses 46–49 have effect as if any charges constituted by those debentures were registered at the time when the charge to which the notice relates was registered.

16 Discounts

- (1) If a payment or discount has been made or allowed, either directly or indirectly, by a co-operative to a person in consideration of the person's subscribing or agreeing to subscribe, whether absolutely or conditionally, for debentures, or procuring or agreeing to procure subscriptions, whether absolute or conditional, for debentures, the notice required to be lodged under clause 13 (1) must include particulars as to the amount or rate per cent of the payment or discount.
- (2) If a co-operative issues debentures as security for a debt of the co-operative, the co-operative is not thereby to be regarded, for the purposes of subclause (1), as having allowed a discount in respect of the debentures.

17 Acquisition of property subject to charge

- (1) If a co-operative acquires property that is subject to a charge, being a charge that would have been registrable when it was created if it had been created by a co-operative, the co-operative must, within 45 days after the acquisition of the property:

- (2) Subclause (1) applies whether the notice was lodged during or after the period within which the notice was required to be lodged.
- (3) The Registrar must delete the word “provisional” entered in the Register under subclause (1) from an entry relating to a charge if a certificate to the effect set out in subclause (1) (b) has been produced to the Registrar:

- (3) Subclauses (1) and (2) apply whether the defective notice was lodged during or after the period within which the notice was required to be lodged.
- (4) The giving by the Registrar of a direction to the person under subclause (2) does not affect any liability that the co-operative may have incurred or may incur by reason of a contravention of Division 2.
- (5) If the Registrar gives a direction to a person under subclause (2) in relation to a charge and the direction is complied with on or before the day specified in the notice containing the direction, the Registrar must:

but does not contain some or all of the other particulars that are required to be included in the notice or is otherwise defective.

22 Effect of provisional registration

- (1) Subject to this clause, if the word “provisional” is entered in the Register next to an entry specifying a time and day in relation to a charge, the charge is to be considered not to have been registered.
- (2) If the word “provisional” is deleted from the Register pursuant to clause 20 or 21 (5), the charge is to be considered to be registered and to have been registered from and including the time and day specified in the Register pursuant to clause 20 or 21 (1), as the case may be.

- (2) If, in accordance with subclause (1), the time and day that are entered in the Register are the same in relation to 2 or more charges on property acquired by a co-operative, those charges are to have, as between themselves, the respective priorities that they would have had if they had not been registered under this Division.

- (c) an administrator of a co-operative is appointed under Part 5.3A of the Corporations Act (as applying under this Act), or

a registrable charge on property of the co-operative is void as a security on that property as against the liquidator, the administrator of the co-operative, or the deed's administrator, as the case may be.

- (2) A charge is not void under subclause (1) if:
- (a) a notice in respect of the charge was lodged under clause 13 or 17, as the case requires:
 - (i) within the relevant period, or
 - (ii) at least 6 months before the critical day, or
 - (b) the period within which a notice in respect of the charge (other than a notice under clause 36) is required to be lodged, being the period specified in the relevant clause or that period as extended by the Court under clause 29, has not ended at the start of the critical day and the notice is lodged before the end of that period, or
 - (c) in relation to a charge to which clause 17 applies, the period of 45 days after the chargee becomes aware that the property charged has been acquired by a co-operative has not ended at the start of the critical day and the notice is lodged before the end of that period.

 - (b) an administrator of a co-operative is appointed under Part 5.3A of the Corporations Act (as applying under this Act), or

The Court, if it is satisfied that the failure to lodge a notice in respect of a charge, or in respect of a variation in the terms of a charge, as required by any provision of this Schedule:

(a) was accidental or due to inadvertence or some other sufficient cause, or

(b) is not of a nature to prejudice the position of creditors or shareholders,

or that on other grounds it is just and equitable to grant relief, may, on the application of the co-operative or any person interested and on such terms and conditions as seem to the Court just and expedient, by order, extend the period for such further period as is specified in the order.

30 Certain later charges void

(1) Subject to subclause (3), if:

(c) the later charge is given as a security for the same liability as is secured by the earlier charge or any part of that liability,

the later charge, to the extent to which it is a security for the same liability or part thereof, and so far as it relates to the property comprised in the earlier charge, is void as a security on that property as against a liquidator or administrator of the co-operative, or an administrator of a deed of arrangement executed by the co-operative.

(2) Subclause (1) applies even if a notice in respect of the later charge was lodged under

clause 13 within the period mentioned in clause 27 (2) (a).

- (3) Subclause (1) does not apply if it is proved to the satisfaction of the Court that the later charge was given in good faith for the purpose of correcting some material error in the earlier charge or under other proper circumstances and not for the purposes of avoiding or evading the provisions of this Division.

31 Effect of provisions on purchaser in good faith

- (1) Nothing in clause 27 (1) or (2) or 28 operates to affect the title of a person to property purchased for value from a chargee or from a receiver appointed by a chargee in the exercise of powers conferred by the charge or implied by law if that person purchased the property in good faith and without notice of:

(2) Without limiting the generality of subclause (1), a person who:

- (a) appoints a receiver of property of a co-operative under powers conferred by an instrument creating or evidencing a charge created by the co-operative, or
- (b) whether directly or by an agent, enters into possession or assumes control of property of a co-operative for the purposes of enforcing a charge created by the co-operative,

is to be taken, for the purposes of subclause (1), to take a step in the enforcement of the charge.

34 Court may give leave for enforcement of charge

On application by the chargee under a charge, the Court may give leave for the charge to be enforced, if the Court is satisfied that:

- (a) immediately after the creation of the charge, the co-operative that created the charge was solvent, and
- (b) in all the circumstances of the case, it is just and equitable for the Court to do so.

35 Certain transactions excluded

- (1) Nothing in clause 33 affects a debt, liability or obligation of a co-operative that would, if that clause had not been enacted, have been secured by a charge created by the co-operative.
- (2) Nothing in clause 33 operates to affect the title of a person to property (other than the charge concerned or an interest in the charge concerned) purchased for value

from a chargee under a charge, from an agent of a chargee under a charge, or from a receiver appointed by a chargee under a charge in the exercise of powers conferred by the charge or implied by law, if that person purchased the property in good faith and without notice that the charge was created in favour of a person who is, or in favour of persons at least one of whom is, as the case may be, a relevant person in relation to the charge.

- (3) The onus of proving that a person purchased property in good faith and without notice that a charge was created as mentioned in subclause (2) is on the person asserting that the property was so purchased.

Division 6 Assignment, variation or satisfaction of charges

36 Assignment and variation of charges

- (1) If, after a registrable charge on property of a co-operative has been created, a person other than the original chargee becomes the holder of the charge, the person who becomes the holder of the charge must, within 45 days after he, she or it becomes the holder of the charge:
- (a) lodge a notice with the Registrar stating that he, she or it has become the holder of the charge, and
 - (b) give the co-operative a copy of the notice.
- (2) If, after a registrable charge on property of a co-operative has been created, there is a variation in the terms of the charge having the effect of:
- (a) increasing the amount of the debt or increasing the liabilities (whether present or prospective) secured by the charge, or
 - (b) prohibiting or restricting the creation of subsequent charges on the property,
- the co-operative must, within 45 days after the variation occurs, ensure that there is lodged with the Registrar a notice setting out particulars of the variation and accompanied by the instrument (if any) effecting the variation or a certified copy of that instrument.
- (3) If a charge created by a co-operative secures a debt of an unspecified amount or secures a debt of a specified amount and further advances, a payment or advance made by the chargee to the co-operative in accordance with the terms of the charge is not to be taken, for the purposes of subclause (2), to be a variation in the terms of the charge having the effect of increasing the amount of the charge or the liabilities (whether present or prospective) secured by the charge.
- (4) A reference in this clause to the chargee in relation to a charge is, if the charge is constituted by a debenture or debentures and there is a trustee for debenture holders,

to be construed as a reference to the trustee for debenture holders.

- (5) Nothing in clause 13 requires the lodgment of a notice under that clause in relation to a charge merely because of the fact that the terms of the charge are varied only in a manner mentioned in this clause.

37 Satisfaction of, and release of property from, charges

- (1) If, with respect to a charge registered under this Part:

- (a) the debt or other liability the payment or discharge of which was secured by the charge has been paid or discharged in whole or in part, or

- (b) the property charged or part of that property is released from the charge,

the person who was the holder of the charge at the time when the debt or other liability was so paid or discharged or the property or part of the property was released must, within 14 days after receipt of a request in writing made by the co-operative on whose property the charge exists, give to the co-operative a memorandum in the form approved by the Registrar acknowledging that the debt or other liability has been paid or discharged in whole or in part or that the property or that part of it is no longer subject to the charge, as the case may be.

- (2) The co-operative may lodge the memorandum with the Registrar and, on the memorandum being lodged, the Registrar must enter in the Register particulars of the matters stated in the memorandum.
- (3) The reference in subclause (1) to the person who was the holder of a charge at the time when the debt or other liability was so paid or discharged or the property or part of the property was released is, if the charge was constituted by a debenture or debentures and there was a trustee for debenture holders, to be construed as a reference to the person who was, at that time, the trustee of debenture holders.

Division 7 General

38 Lodgment of notices

- (1) If a notice in respect of a charge on property of a co-operative is required to be lodged under clause 13, 17 or 36 (2), the notice may be lodged by the co-operative or by any interested person.
- (2) If a document required by this Part other than clause 36 (1) to be lodged with the Registrar is lodged by a person other than the co-operative concerned, that person:
 - (a) must, within 7 days after the lodgment of the document, give to the co-operative a copy of the document, and
 - (b) is entitled to recover from the co-operative the amount of any fees properly paid

by the person on lodgment of the document.

39 Lodgment offences

- (1) If clause 13, 17 or 36 (2) is contravened in relation to a registrable charge on property of a co-operative, the co-operative and any officer of the co-operative who is knowingly concerned in or a party to the contravention is guilty of an offence.

Maximum penalty: 10 penalty units.

- (2) If a person who becomes the holder of a registrable charge fails to comply with clause 36 (1), the person and, if the person is a body corporate, any officer of the body corporate who is in default, each contravene this subclause.

40 Co-operative to keep documents relating to charges

A co-operative must, at the place where the register referred to in clause 41 is kept, keep a copy of:

- (a) every document relating to a charge on property of the co-operative that is lodged with the Registrar under this Part, and
- (b) every document given to the co-operative under this Part.

Maximum penalty: 10 penalty units.

41 Co-operative to keep register

- (1) A co-operative must keep a register.
- (2) On the creation of a charge (whether registrable or not) on property of the co-operative, or on the acquisition of property subject to a charge (whether registrable or not), the co-operative must as soon as practicable enter in the register particulars of the charge, giving in each case:
 - (a) if the charge is a charge created by the co-operative, the date of its creation or, if the charge was a charge existing on property acquired by the co-operative, the date on which the property was so acquired, and
 - (b) a short description of the liability (whether present or prospective) secured by the charge, and
 - (c) a short description of the property charged, and
 - (d) the name of the trustee for debenture holders or, if there is no such trustee, the name of the chargee, and
 - (e) the name of the person whom the co-operative believes to be the holder of the charge.

- (3) A register kept by a co-operative pursuant to subclause (1) must be open for inspection:
 - (a) by any creditor or member of the co-operative, without charge, and
 - (b) by any other person, on payment for each inspection of such amount, not exceeding the amount prescribed by the regulations, as the co-operative requires or, if the co-operative does not require the payment of an amount, without charge.
- (4) A person may request a co-operative to furnish the person with a copy of the register or any part of the register.
- (5) If a person makes a request under subsection (4), the co-operative must send the copy to that person:
 - (a) if the co-operative requires payment of an amount not exceeding the amount prescribed by the regulations, within 21 days after payment of the amount is received by the co-operative or within such longer period as the Registrar approves, or
 - (b) in a case to which paragraph (a) does not apply, within 21 days after the request is made or within such longer period as the Registrar approves.
- (6) If default is made in complying with any provision of this clause, the co-operative is guilty of an offence.

Maximum penalty: 10 penalty units.

42 Certificates

- (1) If particulars of a charge are entered in the Register in accordance with this Part, the Registrar must, on request by any person, issue to that person a certificate:
 - (a) setting out those particulars, and
 - (b) stating the time and day when a notice in respect of the charge containing those particulars was lodged with the Registrar, and
 - (c) if the word “provisional” appears in the Register next to the reference to that time and day, stating that fact.
- (2) A certificate issued under subclause (1) is evidence of the matters stated in the certificate.
- (3) If particulars of a charge are entered in the Register in accordance with this Part, and the word “provisional” does not appear in the Register next to the reference to the time and day when a notice in respect of the charge was lodged, the Registrar must, on request by any person, issue to that person a certificate stating that particulars of the charge are entered in the Register in accordance with this Part.

- (4) A certificate issued under subclause (3) is conclusive evidence that the requirements of this Part as to registration (other than the requirements relating to the period after the creation of the charge within which notice in respect of the charge is required to be lodged) have been complied with.

43 Power of Court to rectify Register

If the Court is satisfied:

- (a) that a particular with respect to a registrable charge on property of a co-operative has been omitted from, or mis-stated in, the Register or a memorandum referred to in clause 37, and
- (b) that the omission or mis-statement:
- (i) was accidental or due to inadvertence or to some other sufficient cause, or
 - (ii) is not of a nature to prejudice the position of creditors or shareholders,
- or that on other grounds it is just and equitable to grant relief,

the Court may, on the application of the co-operative or any person interested and on such terms and conditions as seem to the Court just and expedient, order that the omission or mis-statement be rectified.

44 Power to exempt from compliance with certain requirements of Part

- (1) The Registrar may, by instrument in writing, exempt a person, as specified in the instrument and subject to the conditions (if any) that are specified in the instrument, from compliance with such of the requirements of clause 13, 17 or 36 relating to:
- (a) the particulars to be contained in a notice under the relevant clause, or
 - (b) the documents (other than the notice) to be lodged under the relevant clause, or
 - (c) the verification of any document required to be lodged under the relevant clause,
- as are specified in the instrument.
- (2) A person who is exempted by the Registrar, subject to a condition, from compliance with a requirement of clause 13, 17 or 36 must not contravene the condition.
- (3) If a person has contravened a condition to which an exemption under this clause is subject, the Court may, on the application of the Registrar, order the person to comply with the condition.

Part 3 Order of priority

Division 1 General

45 Definitions

(1) In this Part:

prior registered charge, in relation to another registered charge, means a charge the priority time of which is earlier than the priority time of the other charge.

priority time, in relation to a registered charge, means:

- (a) except as provided by paragraph (b) or (c), the time and date appearing in the Register in relation to the charge, being a time and day entered in the Register pursuant to Division 3 of Part 2, and
- (b) if a notice has been lodged under clause 17 in relation to a charge on property, being a charge that, at the time when the notice was lodged, was already registered under Part 2, the earlier or earliest time and day appearing in the Register in relation to the charge, being a time and day entered in the Register pursuant to clause 17, and
- (c) to the extent that the charge has effect as varied by a variation notice of which was required to be lodged under clause 36 (2), the time and day entered in the Register in relation to the charge pursuant to clause 24.

registered charge means a charge that is registered under Part 2.

subsequent registered charge, in relation to another registered charge, means a charge the priority time of which is later than the priority time of the other registered charge.

unregistered charge means a charge that is not registered under Part 2 but does not include a charge that is not a registrable charge.

- (2) A reference in this Part to a person having notice of a charge includes a reference to a person having constructive notice of the charge.
- (3) If, by virtue of the definition of **priority time** in subclause (1), a registered charge has 2 or more priority times each of which relates to a particular liability secured by the charge, each of those liabilities is, for the purposes of this Part, to be considered to be secured by a separate registered charge the priority time of which is the priority time of the first-mentioned registered charge that relates to the liability concerned.

46 Priorities of charges

- (1) Subject to this clause, Division 2 has effect with respect to the priorities, in relation to

each other, of registrable charges on the property of a co-operative.

- (2) The application, in relation to particular registrable charges, of the order of priorities of charges set out in Division 2, is subject to:
 - (a) any consent (express or implied) that varies the priorities in relation to each other of those charges, being a consent given by the holder of one of those charges, being a charge that would otherwise be entitled to priority over the other charge, and
 - (b) any agreement between those chargees that affects the priorities in relation to each other of the charges in relation to which those persons are the chargees.
- (3) The holder of a registered charge, being a floating charge, on property of a co-operative is to be considered, for the purposes of subclause (2), to have consented to that charge being postponed to a subsequent registered charge, being a fixed charge that is created before the floating charge becomes fixed, on any of that property unless:
 - (a) the creation of the subsequent registered charge contravened a provision of the instrument or resolution creating or evidencing the floating charge, and
 - (b) a notice in respect of the floating charge indicating the existence of the provision referred to in paragraph (a) was lodged with the Registrar under clause 13, 17 or 36 before the creation of the subsequent registered charge.
- (4) If a charge relates to property of a kind or kinds to which a particular paragraph or paragraphs of clause 4 (1) applies or apply and also relates to other property, Division 2 applies so as to affect the priority of the charge only in so far as it relates to the first-mentioned property and does not affect the priority of the charge in so far as it relates to the other property.

Division 2 Priority rules

47 General priority rules in relation to registered charges

- (1) A registered charge on property of a co-operative has priority over:
 - (a) a subsequent registered charge on the property, unless the subsequent registered charge was created before the creation of the prior registered charge and the chargee in relation to the subsequent registered charge proves that the chargee in relation to the prior registered charge had notice of the subsequent registered charge at the time when the prior registered charge was created, and
 - (b) an unregistered charge on the property created before the creation of the registered charge, unless the chargee in relation to the unregistered charge proves that the chargee in relation to the registered charge had notice of the unregistered charge at the time when the registered charge was created, and

(c) an unregistered charge on the property created after the creation of the registered charge.

(2) A registered charge on property of a co-operative is postponed to:

(a) a subsequent registered charge on the property, if the subsequent registered charge was created before the creation of the prior registered charge and the chargee in relation to the subsequent registered charge proves that the chargee in relation to the prior registered charge had notice of the subsequent registered charge at the time when the prior registered charge was created, and

(b) an unregistered charge on the property created before the creation of the registered charge, where the chargee in relation to the unregistered charge proves that the chargee in relation to the registered charge had notice of the unregistered charge at the time when the registered charge was created.

48 General priority rule in relation to unregistered charges

An unregistered charge on property of a co-operative has priority over:

(a) a registered charge on the property that was created after the creation of the unregistered charge and does not have priority over the unregistered charge under clause 47 (1), and

(b) another unregistered charge on the property created after the first-mentioned unregistered charge.

49 Special priority rules

(1) Except as provided by this clause, any priority accorded by this Part to a charge over another charge does not extend to any liability that, at the priority time in relation to the first-mentioned charge, is not a present liability.

(2) If a registered charge on property of a co-operative secures:

(a) a present liability and a prospective liability of an unspecified amount, or

(b) a prospective liability of an unspecified amount,

any priority accorded by this Part to the charge over another charge of which the chargee in relation to the first-mentioned charge does not have actual knowledge extends to the prospective liability, whether the prospective liability became a present liability before or after the registration of the first-mentioned charge.

(3) If a registered charge on property of a co-operative secures:

(a) a present liability and a prospective liability up to a specified maximum amount,
or

(b) a prospective liability up to a specified maximum amount,

and the notice lodged under clause 13 or 17 in relation to the charge sets out the nature of the prospective liability and the amount so specified, then any priority accorded by this Part to the charge over another charge extends to any prospective liability secured by the first-mentioned charge to the extent of the maximum amount so specified.

(4) Subclause (3) applies whether the prospective liability became a present liability before or after the registration of the first-mentioned charge and despite the fact that the chargee in relation to the first-mentioned charge had actual knowledge of the other charge at the time when the prospective liability became a present liability.

(5) Subclause (6) applies if:

(a) a registered charge on property of a co-operative secures:

(i) a present liability and a prospective liability up to a specified maximum amount, or

(ii) a prospective liability up to a specified maximum amount,

but the notice lodged under clause 13 or 17 in relation to the charge does not set out the nature of the prospective liability or the maximum amount so specified, or

(b) a registered charge on property of a co-operative secures a prospective liability of an unspecified amount.

(6) In relation to a charge referred to in subclause (5):

(a) any priority accorded by this Part to the charge over another charge of which the chargee in relation to the first-mentioned charge has actual knowledge extends to any prospective liability secured by the first-mentioned charge that had become a present liability at the time when the chargee in relation to the first-mentioned charge first obtained actual knowledge of the other charge, and

(b) any priority accorded by this Part to the charge over another charge of which the chargee in relation to the first-mentioned charge has actual knowledge extends to any prospective liability secured by the first-mentioned charge that became a present liability, as the result of the making of an advance, after the time when the chargee in relation to the first-mentioned charge first obtained actual knowledge of the other charge if, at that time, the terms of the first-mentioned charge required the chargee in relation to that charge to make the advance after that time.

(7) Subclause (6) (b) extends to the prospective liability whether the advance was made before or after the registration of the first-mentioned charge and despite the fact that the chargee in relation to the first-mentioned charge had actual knowledge of the

other charge at the time when the advance was made.

2 Application of Schedule

Except in so far as the contrary intention appears, this Schedule applies in relation to a receiver of property of a co-operative who is appointed after the commencement of this Schedule, even if the appointment arose out of a transaction entered into, or an act or thing done, before that commencement.

3 Persons not to act as receivers

- (1) A person is not qualified to be appointed, and must not act, as receiver of property of a co-operative if the person:
 - (a) is a mortgagee of property of the co-operative, or
 - (b) is an auditor or an officer of the co-operative, or
 - (c) is an officer of a body corporate that is a mortgagee of property of the co-operative, or
 - (d) is not a registered liquidator under the Corporations Act, or
 - (e) is an officer of a body corporate related to the co-operative, or
 - (f) unless the Registrar directs in writing that this paragraph does not apply in relation to the person in relation to the co-operative—has at any time within the last 12 months been an officer or promoter of the co-operative or of a related body corporate.
- (2) In subclause (1):

officer, in relation to a body corporate, does not include a receiver, appointed under an instrument whether before or after the commencement of this clause, of property of the body.

- (3) Subclause (1) (d) does not apply in relation to a body corporate authorised by or under a law of the Commonwealth, of a State or of a Territory to act as receiver of property of the co-operative concerned.
- (4) Nothing in this clause prevents a person from acting as receiver of property of a co-operative under an appointment validly made before the commencement of this clause.

3A Court may declare whether controller is validly acting

- (1) Where there is doubt, on a specific ground, about:
 - (a) whether a purported appointment of a person, after the commencement of this clause, as receiver of property of a co-operative is valid, or
 - (b) whether a person who has entered into possession, or assumed control, of property of a co-operative after the commencement of this clause did so validly under the terms of a charge on that property,the person, the co-operative or any of the co-operative's creditors may apply to the Court for an order under subclause (2).
- (2) On an application, the Court may make an order declaring whether or not:
 - (a) the purported appointment was valid, or
 - (b) the person entered into possession, or assumed control, validly under the terms of the charge,as the case may be, on the ground specified in the application or on some other ground.

4 Liability of controller

- (1) A receiver, or any other authorised person, who, whether as agent for the co-operative concerned or not, enters into possession or assumes control of any property of a co-operative for the purpose of enforcing any charge is, notwithstanding any agreement to the contrary, but without prejudice to the person's rights against the co-operative or any other person, liable for debts incurred by the person in the course of the receivership, possession or control for services rendered, goods purchased or property hired, leased, used or occupied.
- (2) Subclause (1) does not constitute the person entitled to the charge a mortgagee in possession.

(3) Where:

- (a) a person (in this subclause called the **controller**) enters into possession or assumes control of property of a co-operative, and
- (b) the controller purports to have been properly appointed as a receiver in respect of that property under a power contained in an instrument, but has not been properly so appointed, and
- (c) civil proceedings in a court of a State or Territory arise out of an act alleged to have been done by the controller,

the court may, if it is satisfied that the controller believed on reasonable grounds that the controller had been properly so appointed, order that:

- (d) the controller be relieved in whole or in part of a liability that the controller has incurred but would not have incurred if the controller had been properly so appointed, and
- (e) a person who purported to appoint the controller as receiver be liable in respect of an act, matter or thing in so far as the controller has been relieved under paragraph (d) of liability in respect of that act, matter or thing.

4A Liability of controller under pre-existing agreement about property used by co-operative

(1) This clause applies if:

- (a) under an agreement made before the control day in relation to a controller of property of a co-operative, the co-operative continues after that day to use or occupy, or to be in possession of, property (**the third party property**) of which someone else is the owner or lessor, and
- (b) the controller is controller of the third party property.

(2) Subject to subclauses (4) and (7), the controller is liable for so much of the rent or other amounts payable by the co-operative under the agreement as is attributable to a period:

- (a) that begins more than 7 days after the control day, and
- (b) throughout which:
 - (i) the co-operative continues to use or occupy, or to be in possession of, the third party property, and
 - (ii) the controller is controller of the third party property.

(3) Within 7 days after the control day, the controller may give to the owner or lessor a

notice that specifies the third party property and states that the controller does not propose to exercise rights in relation to that property as controller of the property, whether on behalf of the co-operative or anyone else.

- (4) Despite subclause (2), the controller is not liable for so much of the rent or other amounts payable by the co-operative under the agreement as is attributable to a period during which a notice under subclause (3) is in force, but such a notice does not affect a liability of the co-operative.
- (5) A notice under subclause (3) ceases to have effect if:
 - (a) the controller revokes it by writing given to the owner or lessor, or
 - (b) the controller exercises, or purports to exercise, a right in relation to the third party property as controller of the property, whether on behalf of the co-operative or anyone else.
- (6) For the purposes of subclause (5), the controller does not exercise, or purport to exercise, a right as mentioned in subclause (5) (b) merely because the controller continues to be in possession, or to have control, of the third party property, unless the controller:
 - (a) also uses the property, or
 - (b) asserts a right, as against the owner or lessor, so to continue.
- (7) Subclause (2) does not apply in so far as the Court, by order, excuses the controller from liability, but an order does not affect a liability of the co-operative.
- (8) The controller is not taken because of subclause (2):
 - (a) to have adopted the agreement, or
 - (b) to be liable under the agreement otherwise than as mentioned in subclause (2).

5 Powers of receiver

- (1) Subject to this clause, a receiver of property of a co-operative has power to do, in Australia and elsewhere, all things necessary or convenient to be done for or in connection with, or as incidental to, the attainment of the objectives for which the receiver was appointed.
- (2) Without limiting the generality of subclause (1), but subject to any provision of the court order by which, or the instrument under which, the receiver was appointed, being a provision that limits the receiver's powers in any way, a receiver of property of a co-operative has, in addition to any powers conferred by that order or instrument, as the case may be, or by any other law, power, for the purpose of attaining the objectives for which the receiver was appointed:

- (a) to enter into possession and take control of property of the co-operative in accordance with the terms of that order or instrument, and
- (b) to lease, let on hire or dispose of property of the co-operative, and
- (c) to grant options over property of the co-operative on such conditions as the receiver thinks fit, and
- (d) to borrow money on the security of property of the co-operative, and
- (e) to insure property of the co-operative, and
- (f) to repair, renew or enlarge property of the co-operative, and
- (g) to convert property of the co-operative into money, and
- (h) to carry on any business of the co-operative, and
- (i) to take on lease or on hire, or to acquire, any property necessary or convenient in connection with the carrying on of a business of the co-operative, and
- (j) to execute any document, bring or defend any proceedings or do any other act or thing in the name of and on behalf of the co-operative, and
- (k) to draw, accept, make and endorse a bill of exchange or promissory note, and
- (l) to use a seal of the co-operative, and
- (m) to engage or discharge employees on behalf of the co-operative, and
- (n) to appoint an Australian legal practitioner, accountant or other professionally qualified person to assist the receiver, and
- (o) to appoint an agent to do any business that the receiver is unable to do, or that it is unreasonable to expect the receiver to do, in person, and
- (p) where a debt or liability is owed to the co-operative—to prove the debt or liability in a bankruptcy, insolvency or winding up and, in connection therewith, to receive dividends and to assent to a proposal for a composition or a scheme of arrangement, and
- (q) where the receiver was appointed under an instrument that created a charge on uncalled capital or uncalled premiums of the co-operative:
 - (i) in the name of the co-operative, to make a call in respect of money unpaid on shares in the co-operative (whether on account of the nominal value of the shares or by way of premium), or
 - (ii) upon the giving of a proper indemnity to a liquidator of the co-operative—in

the name of the liquidator, to make a call in respect of money unpaid on account of the nominal value of shares in the co-operative, and

- (r) to enforce payment of any call that is due and unpaid, whether the calls were made by the receiver or otherwise, and
 - (s) to make or defend an application for the winding up of the co-operative, and
 - (t) to refer to arbitration any question affecting the co-operative.

5A Controller's duty of care in exercising power of sale

- (1) In exercising a power of sale in respect of property of a co-operative, a controller must take all reasonable care to sell the property for:

 - (b) otherwise—the best price that is reasonably obtainable, having regard to the circumstances existing when the property is sold.
- (2) Nothing in subclause (1) limits the generality of anything in Division 2 (Duties and liabilities of directors, officers and employees) of Part 9.

5B Court may authorise managing controller to dispose of property despite prior charge

- (1) On the application of a managing controller of property of a co-operative, the Court may by order authorise the controller to sell, or to dispose of in some other specified way, specified property of the co-operative, even though it is subject to a charge (in this clause called the **prior charge**) that has priority over a charge (in this clause called the **controller's charge**) on that property that the controller is enforcing.
- (2) However, the Court may only make an order if satisfied that:
- (a) apart from the existence of the prior charge, the controller would have power to sell, or to so dispose of, the property, and
 - (b) the controller has taken all reasonable steps to obtain the consent of the holder of the prior charge to the sale or disposal, but has not obtained that consent, and
 - (c) sale or disposal of the property under the order is in the best interests of the co-operative's creditors and of the co-operative, and

- (d) sale or disposal of the property under the order will not unreasonably prejudice the rights or interests of the holder of the prior charge.
- (3) The Court is to have regard to the need to protect adequately the rights and interests of the holder of the prior charge.
- (4) If the property would be sold or disposed of together with other property that is subject to the controller's charge, the Court may have regard to:
 - (a) the amount (if any) by which it is reasonable to expect that the net proceeds of selling or disposing of that other property otherwise than together with the first-mentioned property would be less than so much of the net proceeds of selling or disposing of all the property together as would be attributable to that other property, and
 - (b) the amount (if any) by which it is reasonable to expect that the net proceeds of selling or disposing of the first-mentioned property otherwise than together with the other property would be greater than so much of the net proceeds of selling or disposing of all the property together as would be attributable to the first-mentioned property.
- (5) Nothing in subclause (3) or (4) limits the matters to which the Court may have regard for the purposes of subclause (2).
- (6) An order may be made subject to conditions, for example (but without limitation):
 - (a) a condition that:
 - (i) the net proceeds of the sale or disposal, and
 - (ii) the net proceeds of the sale or disposal of such other property (if any) as is specified in the condition and is subject to the controller's charge,or a specified part of those net proceeds, be applied in payment of specified amounts secured by the prior charge, or
 - (b) a condition that the controller apply a specified amount in payment of specified amounts secured by the prior charge.

- (7) For the purposes of this clause the references in Division 6 of Part 5.6 of the Corporations Act (as applying under this Act) to the relevant date are to be read as references to the date of the appointment of the receiver, or of possession being taken or control being assumed, as the case may be.

- (3) For the purposes of subclause (2), the Court must have regard to:
