This Act commences on a day or days to be appointed by proclamation.

### 3 Definitions

(1) In this Act:

**owner of land** includes the occupier of the land.

### 4 Act applies to trees on certain land

(1) This Act applies only to trees situated on the following land:

- (a) any land within a zone designated “residential” (but not “rural-residential”), “village”, “township”, “industrial” or “business” under an environmental planning

instrument (within the meaning of the [Environmental Planning and Assessment Act 1979](#)) or, having regard to the purpose of the zone, having the substantial character of a zone so designated,

(b) any land of a kind prescribed by the regulations for the purposes of this section.

(2) This Act does not apply to trees situated on:

(a) any land that is vested in, or managed by, a council, or

(b) any land of a kind prescribed by the regulations.

(3) For the purposes of this Act, a tree is situated on land if the tree is situated wholly or principally on the land.

## **5 Action in nuisance**

No action may be brought in nuisance as a result of damage caused by a tree to which this Act applies.

## **6 Authorisation of work or activity regulated by or under other Act**

(1) Except as provided by subsection (3), an order under Part 2 does not authorise or require a person:

(a) to carry out any work or engage in any activity for which a consent or other authorisation must be obtained under any other Act without that consent or authorisation, or

(b) to carry out any work or engage in any activity that is prohibited by or under any other Act.

(2) Except as provided by subsection (3), a person may not apply to the Court for an order under Part 2 if the carrying out of the work or engagement in the activity concerned is prohibited by or under another Act.

(3) An order under Part 2 has effect despite any requirement that would otherwise apply for a consent or other authorisation in relation to the tree concerned to be obtained under the [Environmental Planning and Assessment Act 1979](#) or the [Heritage Act 1977](#).

## **Part 2 Court orders**

### **7 Application to Court by affected land owner**

An owner of land may apply to the Court for an order to remedy, restrain or prevent damage to property on the land, or to prevent injury to any person, as a consequence of a tree to which this Act applies that is situated on adjoining land.

## **8 Notice of application for order to be given to owners of affected land**

  - (b) any relevant authority that would, in accordance with section 13, be entitled to appear in proceedings in relation to the tree, and
  - (c) any other person the applicant has reason to believe will be affected by the order.
- (2) The Court may direct that notice of an application be given to a person or that notice be given in a specified manner or within a specified period.
- (3) The Court may waive the requirement to give notice or vary the period of notice under this section if it thinks it appropriate to do so in the circumstances.

## **9 Jurisdiction to make orders**

- (1) The Court may make such orders as it thinks fit to remedy, restrain or prevent damage to property, or to prevent injury to any person, as a consequence of the tree the subject of the application concerned.

  - (f) authorise the applicant concerned to take specified action to prevent injury to any person, or
  - (g) authorise land to be entered for the purposes of carrying out an order under this section (including for the purposes of obtaining quotations for the carrying out of work on the land), or

section, or

#### **10 Matters of which Court must be satisfied before making an order**

- (1) The Court must not make an order under this Part unless it is satisfied:
  - (a) that the applicant has made a reasonable effort to reach agreement with the owner of the land on which the tree is situated, and
  - (b) if the requirement to give notice has not been waived, that the applicant has given notice of the application in accordance with section 8.
- (2) The Court must not make an order under this Part unless it is satisfied that the tree concerned:

  - (b) is likely to cause injury to any person.

#### **11 Trees on Crown land referred to local land board**

- (1) The Court must not make an order under this Part if the tree concerned is on Crown land and the matter has been referred to a local land board, or a Chairperson of a local land board, under section 22 of the [Crown Lands Act 1989](#) unless:
  - (a) any inquiry, report or recommendation provided for in that section in relation to the matter has been completed or made, and

- (b) whether interference with the tree would, in the absence of section 6 (3), require any consent or other authorisation under the *Environmental Planning and Assessment Act 1979* or the *Heritage Act 1977* and, if so, whether any such consent or authorisation has been obtained,
- (c) whether the tree has any historical, cultural, social or scientific value,

  - (ii) any steps taken by the applicant or the owner of the land on which the tree is situated to prevent or rectify any such damage,
- (i) if the applicant alleges that the tree concerned is likely to cause injury to any person:
  - (i) anything, other than the tree, that has contributed, or is contributing, to any such likelihood, including any act or omission by the applicant and the impact of any trees owned by the applicant, and

### **13 Appearance by local council or Heritage Council**

A local council or the Heritage Council (a **relevant authority**) may appear before the Court in any proceedings under this Part in relation to a tree if the consent or other authorisation of the relevant authority to interfere with the tree would be required, in the absence of section 6 (3), under the *Environmental Planning and Assessment Act 1979* or the *Heritage Act 1977*.

  - (a) is required to carry out that work, and
  - (b) to that extent, is bound by the order in the same way as the original owner (except as provided by this section).
- (2) The successor in title is bound by the order only if the applicant for the order gives a copy of the order to the successor in title.
- (3) For the purposes of this section the specified period within which the work is required to be carried out under the order is taken to commence from the date on which the copy of the order is given to the successor in title.

### **17 Carrying out of work by local council**

- (1) If the Court has made an order under Part 2 requiring the owner of land on which a tree is situated to carry out work in relation to the tree within a specified period, a person authorised by the council of the local government area in which the tree is situated (an **authorised person**) may enter the land for the purpose of either or both of the following:

- (b) replacing any hedge, tree or shrub,
- (c) removing, felling, cutting back or treating any hedge, tree or shrub.

By way of another example, under the [Electricity Supply Act 1995](#), an electricity network operator may, in certain circumstances, trim or remove a tree if the operator has reasonable cause to believe that the tree:

- (a) could destroy, damage or interfere with its electricity works, or
- (b) could make its electricity works become a potential cause of bush fire or a potential risk to public safety.
