27A Alternative reporting arrangements

(1) In this section:

assessment officer, in relation to a relevant agency, means a person appointed or designated by the head of the agency as an assessment officer of the agency for the purposes of an arrangement under this section.

head of a relevant agency means:

(a) (subject to paragraph (b)) the person who is the chief executive officer, or who exercises the functions of chief executive officer, of the agency, or

(b) the person prescribed by the regulations.

relevant agency means any of the following:

- (a) the NSW Health Service (including the Health Executive Service referred to in section 121B of the *Health Services Act 1997*),
 - (b) the NSW Police Force,
 - (c) the Teaching Service,
 - (d) the Department of Health,
 - (e) the Department of Education and Training,
 - (f) the TAFE Commission Division (including the TAFE Commission),
 - (g) the Department of Juvenile Justice,
 - (h) the Department of Ageing, Disability and Home Care,
 - (i) Housing NSW,
 - (j) any other agency or organisation prescribed by the regulations for the purposes of this section.
- (2) The Director-General and the head of a relevant agency may enter into an arrangement under which a person (***the staff member***) who:
- (a) is employed in or engaged by the relevant agency, and
 - (b) is a person to whom section 27 applies,
- may, in accordance with the terms of the arrangement, refer to an assessment officer of the agency any matter that the staff member would otherwise be required to report to the Director-General under that section.
- (3) If the staff member refers such a matter to an assessment officer under any such arrangement, the assessment officer is, in accordance with the assessment guidelines issued by the Director-General for the purposes of this section, to assess whether the matter should be reported to the Director-General under section 27.
- (4) If, in accordance with the assessment guidelines, the matter is assessed as a matter that should be reported to the Director-General under section 27, the assessment officer or the staff member is, as soon as practicable after the assessment, to report the matter to the Director-General under that section. Any such requirement applies in relation to the assessment officer as though the officer was a person to whom section 27 applies.
- (5) If, in accordance with the assessment guidelines, the matter is assessed as a matter that should not be reported to the Director-General under section 27, the assessment officer or the staff member may, if the officer or staff member has

concerns for the well-being of the child to whom the matter relates, make such referral or take such action as the officer or staff member considers necessary or appropriate (or as is reasonably available) to safeguard or promote the safety, welfare and well-being of the child.

- (6) If a matter is referred to an assessment officer in accordance with an arrangement under this section, the staff member making the referral is taken to have satisfied his or her obligations under section 27 in relation to the matter concerned.
- (7) Section 29 applies in relation to a referral that is made to an assessment officer under this section in the same way as it applies to a report within the meaning of section 29. For that purpose, a reference in section 29 to the making of a report includes a reference to the referral of a matter to an assessment officer in accordance with an arrangement under this section.
- (8) A certificate purporting to be signed by an assessment officer that a document relating to a child is a referral that has been made to the assessment officer under this section is admissible in any proceedings and, in the absence of evidence to the contrary, is proof that the document is such a referral.
- (9) The following provisions apply in relation to the appointment or designation of assessment officers for the purposes of this section:
 - (a) more than one person may be appointed or designated as an assessment officer in relation to a relevant agency,
 - (b) any such appointment or designation may (without limitation) be made by reference to the holder of a specified position or to a specified class of persons,
 - (c) a person may be appointed or designated as an assessment officer in relation to a relevant agency even though the person is employed in or engaged by another agency.
- (10) The regulations may extend the operation of this section, with such exclusions and modifications as may be prescribed by the regulations, to any person (or a class of persons) who is a person (or class of persons) to whom section 27 applies but who is or are not employed in or engaged by a relevant agency.
- (11) For avoidance of doubt, the head of the NSW Health Service or the Health Executive Service is, for the purposes of this section, the Director-General of the Department of Health.

9 Principles for administration of Act

- (1) This Act is to be administered under the principle that, in any action or decision concerning a particular child or young person, the safety, welfare and well-being of the child or young person are paramount.
- (2) Subject to subsection (1), the other principles to be applied in the administration of this Act are as follows:
 - (a) Wherever a child or young person is able to form his or her own views on a matter concerning his or her safety, welfare and well-being, he or she must be given an opportunity to express those views freely and those views are to be given due weight in accordance with the developmental capacity of the child or young person and the circumstances.
 - (b) In all actions and decisions made under this Act (whether by legal or administrative process) that significantly affect a child or young person, account must be taken of the culture, disability, language, religion and sexuality of the child or young person and, if relevant, those with parental responsibility for the child or young person.
 - (c) In deciding what action it is necessary to take (whether by legal or administrative process) in order to protect a child or young person from harm, the course to be followed must be the least intrusive intervention in the life of the child or young person and his or her family that is consistent with the paramount concern to protect the child or young person from harm and promote the child’s or young person’s development.
 - (d) If a child or young person is temporarily or permanently deprived of his or her family environment, or cannot be allowed to remain in that environment in his or her own best interests, the child or young person is entitled to

special protection and assistance from the State, and his or her name, identity, language, cultural and religious ties should, as far as possible, be preserved.

- (e) If a child or young person is placed in out-of-home care, arrangements should be made, in a timely manner, to ensure the provision of a safe, nurturing, stable and secure environment, recognising the child's or young person's circumstances and that, the younger the age of the child, the greater the need for early decisions to be made in relation to a permanent placement.
- (f) If a child or young person is placed in out-of-home care, the child or young person is entitled to a safe, nurturing, stable and secure environment. Unless it is contrary to his or her best interests, and taking into account the wishes of the child or young person, this will include the retention by the child or young person of relationships with people significant to the child or young person, including birth or adoptive parents, siblings, extended family, peers, family friends and community.

[4] Section 18 Obligation to co-operate

[6] Section 21 Request for assistance by parent of child or young person or by funded non-government agency

Insert at the end of the section (before the note):

- (2) Without limiting subsection (1), a non-government agency in receipt of government funding may, on behalf of a child or young person in respect of whom the agency provides services in accordance with the agreement under which it receives that funding, seek assistance from the Director-General in order to obtain other services for the child or young person.

22 Director-General's response to requests for assistance

 - (a) provide whatever advice or material assistance, or make such referral, as the Director-General considers necessary, or
 - (b) take whatever other action the Director-General considers necessary, to safeguard or promote the safety, welfare and well-being of the child or young person.
- (2) Subsection (1) does not, however, require the Director-General to take any action other than assessing the request for assistance.

Note—

The Director-General, in responding to a request for assistance, can provide services or arrange for other government departments and agencies, or community organisations, to provide services to assist children, young persons and their families.

 - (a) the identity of the reporter, or the information, is disclosed in connection with the investigation of a serious offence alleged to have been committed against a

child or young person, and

- (b) the disclosure is necessary for the purposes of safeguarding or promoting the safety, welfare and well-being of any child or young person (whether or not the victim of the alleged offence).

(4B) However, subsection (4A) does not apply unless:

- (a) a senior officer of the law enforcement agency to which the disclosure is made has, before the disclosure is made, certified in writing that obtaining the reporter's consent would prejudice the investigation of the serious offence concerned, or
- (b) the person or body that makes the disclosure has, before making the disclosure, certified in writing that it is impractical to obtain the consent of the reporter.

(4C) The person or body that discloses to a law enforcement agency the identity of the reporter, or the information from which the identity of the reporter could be deduced, is required to notify the reporter of the disclosure unless:

- (a) it is not reasonably practicable in the circumstances to do so, or
