- (2) If an approved payment scheme under section 35 is or will be in force on 1 July of any year, the Minister is to declare on or before that date, by order published on the NSW legislation website, the amount that is to apply, as from the date specified in the order, for the purposes of subsection (1).
- (3) The amount declared is to be the amount applicable under subsection (1) (or that amount as last adjusted in accordance with this section) that is adjusted:
  - (a) in the case of the first adjustment that is required to be made following the commencement of this section—by the percentage change in the amount estimated by the Australian Statistician of the average weekly total earnings of full-time adults in Australia over the number of quarters since the commencement of this section that precede the date of the declaration for which those estimates are, at that date, available, or
  - (b) in the case where an adjustment was made for 1 July of the previous year—by the percentage change in the amount estimated by the Australian Statistician of the average weekly total earnings of full-time adults in

Australia over the 4 quarters that precede the date of the declaration for which those estimates are, at that date, available, or

- (c) in the case where the previous adjustment that was required to be made was for 1 July of a year before the previous year—by the percentage change in the amount estimated by the Australian Statistician of the average weekly total earnings of full-time adults in Australia over the number of quarters since the previous adjustment that precede the date of the declaration for which those estimates are, at that date, available.
- (4) An amount declared for the time being under this section applies to the exclusion of the amount of \$25,000 or an amount previously adjusted in accordance with this section.

  - (a) the provision of funding to the SPF trustee by means of a loan facility,

  - (d) the granting by any liable entity of interests in, or other entitlements to, assets (or proceeds of asset realisations) of the entity as security for any such guarantees given by the entity or any other obligation undertaken by the entity.
- (2) Despite anything to the contrary in the SPF trust deed or any legislation of the State or the general law (and without limiting subsection (1)):
  - (a) the entering into, or the carrying out of, an agreement that is authorised by this section does not:
    - (i) affect the continued existence, or continued validity as a trust fund, of any compensation fund, or
    - (ii) constitute a breach of trust or other civil wrong (whether for the purposes of any legislation of the State or the general law), and
  - (b) all acts, matters and things for or with respect to which provision is made in an agreement that is authorised by this section (including any guarantees or securities given or granted under the agreement) are also authorised, and
  - (c) all acts, matters and things that by an agreement that is authorised by this section are agreed, directed, authorised or permitted to be made, done or

executed are also authorised.

- (3) An agreement that is authorised by this section does not cease to be authorised only because it is amended or otherwise varied by the parties to the agreement in accordance with the terms of the agreement as in force from time to time.
- (4) For the avoidance of doubt, nothing in section 35 or 36 (or in any approved payment scheme under section 35) operates to prevent or limit the making of loan repayments in connection with a loan facility granted under an agreement that is authorised by this section.

**[13] Section 35 SPF trustee may apply to Supreme Court to secure continuing funding of claims**

- (5) **Supreme Court may make orders establishing approved payment scheme** If the Supreme Court is satisfied on an application under subsection (1) that it is likely that there will be insufficient funds for all payable liabilities of a liable entity to be paid in full as and when they fall due for payment, the Supreme Court may make an order approving a scheme (an **approved payment scheme**) for the payment by instalments of the full amount of payable liabilities due, or the deferral of payment of payable liabilities of the entity, during the period specified by the order (the **scheme period**).
- (6) In specifying the scheme period:
  - (a) the Supreme Court is to take into account the anticipated duration of the period before the liable entity will or is likely to have sufficient funds to pay payable liabilities in full as and when they fall due for payment instead of paying them by instalments or deferring payment, and
  - (b) if the scheme period is to commence before the time it is anticipated that there will be insufficient funds—the Supreme Court is to be satisfied that the early commencement of the scheme period will result in claimants for proven personal asbestos claims being treated more equally in relation to the payment of their claims than would otherwise be the case.

**[14] Section 35 (7), (8) (a) and (13)**

Omit “insufficient funds period” wherever occurring.

Insert instead “scheme period”.

**[15] Section 35 (7) (b)**

**[16] Section 35 (7) (e)**

Insert after section 35 (7) (d):

- (e) the interest rate to be applied in calculating the interest payable on that part of any payable liability that would otherwise attract interest because it is not paid during the scheme period because of the operation of the scheme.

**[17] Section 35 (7A)**

Insert after section 35 (7):

(7A) An interest rate approved as referred to in subsection (7) (e):

- (a) need not be a commercial interest rate, but is to be an interest rate that the Supreme Court is satisfied is a rate that makes reasonable allowance for inflation while minimising the liabilities of the liable entity and the cost of the scheme, and
- (b) applies to the exclusion of any other interest rate that would otherwise have been applicable in determining the interest to be paid to any payable claimant in respect of any part of a payable liability that is not paid during the scheme period because of the operation of the scheme.

**[18] Section 35 (8A)**

Insert after section 35 (8):

(8A) In addition to the matters for which a scheme must provide under subsection (7), the Supreme Court may approve a scheme that provides for any or all of the following:

- (a) the payment in full of liabilities to pay proven personal asbestos claims that are small claims (but only if the Supreme Court is satisfied that there will be sufficient funding to make such payments and the payments referred to in subsection (7) (a)),

- (b) different payment options from which claimants may elect to be paid for the payment by instalments of proven personal asbestos claims that are not small claims (including a default payment option in the event that a claimant makes no election).

**[19] Section 59 Protection for exercise of certain functions during winding up period**

Insert at the end of section 59 (5) (b):

, or

- (c) any party to a relevant loan facility agreement from bringing proceedings, or being granted relief, in respect of any of the following:

- (1) The Minister is to cause a copy of any relevant loan facility agreement as in force at the time it is signed to be tabled in each House of Parliament as soon as is reasonably practicable after the agreement is signed by the parties to it.
- (2) If a House of Parliament is not sitting when the Minister seeks to table a copy of the relevant loan facility agreement, the Minister may present the copy to the Clerk of the House concerned.
- (3) The copy of the relevant loan facility agreement:
  - (a) is, on presentation and for all purposes, taken to have been laid before the House, and
  - (b) may be printed by authority of the Clerk of the House, and

(c) if so printed, is for all purposes taken to be a document published by or under the authority of the House, and

(d) is to be recorded:

on the first sitting day of the House after receipt of the copy by the Clerk.

(4) For the avoidance of doubt, it is declared that the tabling of a copy of any relevant loan facility agreement as provided by this section does not abrogate, limit or otherwise affect any right or liability of any person arising under or in relation to the agreement.
