This Regulation is the *Fisheries Management (Aquaculture) Regulation 2007*.

2 Commencement

This Regulation commences on 1 September 2007.

the Act means the *Fisheries Management Act 1994*.

water production area means a water area available for aquaculture but does not include any water storage area or effluent storage area.

(2) In this Regulation, a reference to a permit of a particular class is a reference to a

permit of that class as referred to in clause 4.

(3) Notes included in this Regulation do not form part of this Regulation.

Part 2 Aquaculture permits

Division 1 General

4 Kinds of aquaculture permits that can be issued

(1) The following classes of aquaculture permits are prescribed for the purposes of section 144 (2) of the Act:

- (a) a class A permit authorising extensive aquaculture on public water land or land that is the subject of an aquaculture lease,

Note—

Public water land is defined in section 4 (1) of the Act.

4A Certain persons do not require aquaculture permits

- (1) A person who carries out an exempt activity is excluded from the operation of section 144 of the Act in respect of that exempt activity.
- (2) For the purposes of this clause, the following are **exempt activities**:
 - (a) the cultivation of ornamental fish by a person in a pond, tank or other structure, if the total capacity of all structures in which the person cultivates ornamental fish is less than 10,000 litres,
 - (b) the keeping of fish by a person in a confined area, for the purposes of selling the fish alive, if the person does not cultivate the fish concerned.
- (3) In this clause, **ornamental fish** means any fish cultivated for the purposes of exhibition or sale in the aquarium industry but does not include:
 - (a) any fish cultivated for the purposes of human consumption, or

Division 2 Applications for, and issue of, permits

5 Fee payable when applying for an aquaculture permit

- (1) Subject to subclause (2), the fee required to accompany an application for an aquaculture permit is as follows:
 - (a) for a class A permit—\$260,
 - (b) for a class B permit—\$260,
 - (c) for a class C permit—\$391,

 - (i) for a class I permit—\$66.

Note—

See section 145 (2) (c) of the Act.

- (2) If a person makes more than one application for an aquaculture permit at the same time, the total fee required to be paid for those applications is the sum of the highest application fee that applies to any one of those applications, and:
- (a) for each additional application for a class I permit—\$66, or
 - (b) for each other application—\$130.

6 Additional grounds for refusing an aquaculture permit

The Minister is authorised to refuse to issue an aquaculture permit if:

- (a) the applicant has been convicted or found guilty of an offence under the Act or regulations made under the Act, or
- (b) the Minister believes on reasonable grounds that there is a real risk that if the activity to which the permit relates were authorised:
 - (i) fish (whether cultivated or naturally occurring) could become infected with a particular disease, or
 - (ii) the environment of the area where it is proposed to carry on the activity would be damaged.

Note—

See section 146 (2) (h) of the Act.

Division 3 Contributions by permit holders to pay for costs of administration

7 Aquaculture permit holders liable to pay contributions towards cost of administration

- (1) Each holder of an aquaculture permit must pay to the Minister an annual contribution for the period of 12 months beginning on 1 July in each year towards the costs of administration of Part 6 of the Act that are directly attributable to industry.

Note—

See section 156 (1) (a) of the Act.

- (2) The amount of the annual contribution is \$456.
- (3) The annual contribution is payable, at the permit holder's option, either:
 - (a) annually, on or before a date determined by the Minister and notified to the permit holder, or
 - (b) by instalments.
- (4) For the purposes of subclause 3 (b), the Minister is required:

- (a) to determine the amounts of the instalments that are payable, or the manner in which they are to be calculated, and
 - (b) to determine the dates on which the instalments are payable, and
 - (c) to notify the amounts (or the manner of the calculation) of the instalments, and the dates on which they are payable, to the permit holder concerned.
- (5) If there is a failure to pay an instalment in accordance with such a notice, the Minister may treat the total unpaid balance of the annual contribution as an overdue amount of contribution.
- (6) A person must pay the annual contribution under this clause in respect of a period of 12 months referred to in subclause (1) if the person holds an aquaculture permit at any time during the period concerned.
- (7), (8) (Repealed)

8 Costs of administration that are directly attributable to industry

For the purposes of section 156 (1) (a) of the Act, the following costs of administration of Part 6 of the Act are directly attributable to industry:

 - (ii) the assessment of permits,
 - (iii) the granting of leases.

9 Exemptions

The Minister may exempt a permit holder or class of permit holders from paying an annual contribution under this Division in respect of an aquaculture permit if the Minister is satisfied that an exemption is warranted because:

- (a) the permit is a class I permit (a permit issued for charitable or non-profit purposes), or
- (b) the permit is a class F permit and the permit holder only conducts extensive fish-out operations, or
- (c) the permit is issued for the purpose of authorising embryonic or experimental

aquaculture operations.

10 (Repealed)

Division 4 Contributions by permit holders to pay for research

11 Aquaculture permit holders liable to pay contributions for research

- (1) Each holder of an aquaculture permit must pay to the Minister an annual contribution of the prescribed amount for the period of 12 months beginning on 1 July in each year for the purposes of meeting:
 - (a) the cost of carrying out research that will benefit the New South Wales aquaculture industry (including research by the Fisheries Research and Development Corporation established under the *Primary Industries and Energy Research and Development Act 1989* of the Commonwealth), and
 - (b) the costs incurred in maintaining any relevant research committee established under section 157 (4) of the Act.

Note—

See section 156 of the Act (Annual contribution to cost of administration or research or to other industry costs).

- (2) This clause does not apply to the holder of a class G or a class I permit.
- (3) The prescribed annual contribution is as follows:

 - (a) annually, on or before a date determined by the Minister and notified to the permit holder, or
 - (b) by instalments.
- (5) For the purposes of subclause (4) (b), the Minister is required:
 - (a) to determine the amounts of the instalments that are payable, or the manner in

which they are to be calculated, and

(b) to determine the dates on which the instalments are payable, and

(c) to notify the amounts (or the manner of the calculation) of the instalments, and the dates on which they are payable, to the permit holder concerned.

(6) If there is a failure to make a payment in accordance with such a notice, the Minister may treat the total unpaid balance as an overdue amount of contribution even if payment by instalments has begun.

(7) If the total area to which an aquaculture permit relates is less than 1 hectare, the contribution payable by the holder of the permit under this clause is that payable for 1 hectare.

(8) If a person holds 2 or more aquaculture permits, the prescribed annual contribution for that person is the highest annual contribution that applies to any one of that person's permits.

(9)-(11) (Repealed)

12 Research trust accounts to be maintained for the purposes of this Division

(1) The Minister is required to maintain a separate research trust account for the purposes specified in clause 11 (1).

(2) The trust account is to consist of:

(a) all contributions paid or recovered under this Division by or from permit holders, and

(b) the interest or other income accruing from investing the money in the trust account.

(3) The money held in the trust account is vested in the Minister as trustee and is to be applied in accordance with this Division.

13 Where research trust account money is to be kept and how the account is to be operated

(1) The Minister must keep at an authorised deposit-taking institution located in New South Wales a research trust account for the purposes specified in clause 11 (1). The name of the account must include the relevant purpose and the words "Aquaculture Research Trust Account".

(2) The Minister must ensure that all money referred to in clause 12 (2) is paid to the credit of the relevant trust account.

(3) Subject to this Division, the Minister is responsible for determining the manner in

which the trust account is to be operated.

14 Money held in research trust account to be invested

The Minister may invest money held in a research trust account that is not immediately required for the purposes of this Division:

- (a) in accordance with Division 2 of Part 2 of the *Trustee Act 1925* as if the money were trust funds, or
- (b) on deposit with the Treasurer.

15 Purposes for which money held in research trust account can be used

Money held in a research trust account may be applied only for:

- (a) meeting the costs incurred in carrying out the purpose for which the trust account was established, and
- (b) meeting the expenses incurred by the Minister in administering the trust account.

16 Committees in respect of research trust account

Schedule 1 applies to committees appointed by the Minister in respect of research trust accounts under section 157 of the Act.

Part 3 Security arrangements for aquaculture permit holders

Division 1 Preliminary

17 “Payment obligation” defined

In this Part, **payment obligation**, in relation to a permit holder, means:

- (a) an obligation of the permit holder to pay a debt to the Minister in consequence of the Minister or an agent of the Minister having undertaken work under section 162 (4), 170 (4) or 171 (4) of the Act, or
- (b) an obligation of the permit holder to pay a debt to the Minister arising in consequence of a fisheries officer having taken action under section 183 (6) of the Act, or
- (c) an obligation of the permit holder arising under section 213 of the Act to pay a debt in consequence of a fisheries officer having taken measures to destroy noxious fish.

Note—

The above provisions of the Act provide, among other things, for the following:

- (a) Section 162 of the Act enables the Minister or an agent of the Minister to enter an area to which an aquaculture permit relates and carry out work necessary to achieve compliance with a notice requiring the area to be kept in a tidy condition, or to remove from land (other than that area) anything that has been left

there by the permit holder or that has come from that area and become deposited on that land.

- (b) Section 170 of the Act enables the Minister or an agent of the Minister to enter a leased area to remove any fence unlawfully erected on the area.
- (c) Section 171 of the Act enables the Minister or an agent of the Minister to enter an area that was held by a former lessee who has failed to comply with a notice requiring improvements on the area to be removed, and to remove those improvements from the area.
- (d) Section 183 of the Act enables a fisheries officer to enter an area quarantined because of a fish disease to take action required by an order to enforce the quarantine.
- (e) Section 213 of the Act enables a fisheries officer to enter premises where noxious fish are believed to be located and to take measures to destroy the fish if a notice served on the owner or occupier of the premises to destroy the fish has not been complied with.

Generally, the costs incurred in taking the above measures (after certain deductions) are a debt owing to the Minister.

Division 2 Security to be provided by class A and class B permit holders

18 Persons to whom this Division applies

This Division applies to and in respect of class A and class B permit holders.

19 Class A and B permit holders to enter into financial arrangement to provide security

- (1) It is a condition of every class A or class B permit that the permit holder must enter into, and maintain, one of the following arrangements:
 - (a) the depositing with the Minister by the permit holder of the required amount of cash to secure the due performance of the permit holder's payment obligations under the Act,
 - (b) a guarantee issued by an authorised deposit-taking institution, or by a corporation authorised to carry on insurance business in Australia, indemnifying the Crown to the extent of the required amount to secure that performance,
 - (c) a financial arrangement approved by the Minister under which a corporation of which the permit holder is a member agrees with the Minister to indemnify the Crown to the extent of an amount specified in the agreement to secure that performance.
- (2) However, a class A permit holder of a class 1 lease (as referred to in clause 30) may decide not to enter into, or to cease, an arrangement under subclause (1). In that case, the permit holder is taken to have entered into a financial arrangement for the payment of annual contributions as provided by Division 3 and that arrangement is taken to be a condition of the permit.
- (3) A permit holder may choose which kind of arrangement is to be entered into under

subclause (1), and may, with the concurrence of the Minister, change the chosen arrangement to another arrangement at any time while the permit is in force.

- (4) For the purposes of this clause, the required amount is \$1,000 for each hectare (or part of a hectare) of the leased area or areas held by the permit holder or permit holders concerned.
- (5) The Minister is required to keep a separate account in respect of cash deposited under this clause and to invest the cash:
 - (a) in accordance with Division 2 of Part 2 of the *Trustee Act 1925* as if the cash were trust funds, or
 - (b) on deposit with the Treasurer.
- (6) The Minister may:
 - (a) reduce the amount otherwise payable by a class A permit holder of a class 1 lease under an arrangement referred to in subclause (1) (a) or (b), or
 - (b) (Repealed)
 - (c) exempt a class A permit holder of a class 1 lease from the operation of subclause (1),

if the Minister considers that the reduction or exemption is just and reasonable, given the type of aquaculture to which the permit and lease relate and the manner in which the aquaculture is to be undertaken.
- (7) The Minister may revoke a grant of a reduction or exemption if the Minister is satisfied that the reduction or exemption is no longer warranted.
- (8) The Minister may grant, or revoke a grant of, a reduction or exemption:
 - (a) in a particular case, by instrument in writing served on the permit holder, or
 - (b) in a particular class of case, by notice published in the Gazette.
- (9) The grant, or revocation of a grant, of a reduction or exemption takes effect on and from the date specified in the instrument or notice, as the case may be.

20 When secured amounts are liable to be forfeited

- (1) If it appears to the Minister that a permit holder who has entered into an arrangement referred to in clause 19 (1) has incurred a payment obligation under the Act, the Minister may serve on the permit holder a notice requiring the permit holder to perform the obligation within a period specified in the notice (being not less than 14 days).

- (2) If the permit holder fails to perform the payment obligation within the period specified in the notice, the Minister may forfeit the amount deposited or secured under the arrangement to the Crown to the extent of that obligation.
- (3) If the amount forfeited is an amount secured under an arrangement of a kind referred to in clause 19 (1) (b) or (c), the guarantor or the party to the financial arrangement concerned must, within 7 days after being served by the Minister with a notice declaring the amount to be forfeited, pay the amount to the Minister. The amount is recoverable by proceedings brought in a court of competent jurisdiction as a debt due to the Crown.
- (4) An amount may be forfeited under this clause even though the person who entered into the arrangement concerned is no longer a permit holder.

21 What happens to an arrangement when a person stops being a permit holder

- (1) Any arrangement of a kind referred to in clause 19 (1) that a person who is a class A or class B permit holder has entered into ceases at the time at which the person ceases to be the holder of the permit, but only if the Minister is satisfied that the person has no payment obligations outstanding.
- (2) If the arrangement is a deposit of cash with the Minister, the person (or the person's legal personal representative) is entitled to:
 - (a) a refund of the cash, and
 - (b) payment of the interest accruing on the investment of the deposit,less any amount that the Minister certifies to be attributable to administration costs.

Division 3 Financial arrangements by way of contributions taken to be entered into by certain class A permit holders

22 Persons to whom this Division applies

This Division applies to every class A permit holder of a class 1 lease (as referred to in clause 30) who, by virtue of clause 19 (2), is taken to have entered into a financial arrangement for the payment of annual contributions in accordance with this Division.

23 Contributions to be made by certain class A permit holders

- (1) A class A permit holder to whom this Division applies must pay to the Minister, to secure the due performance of the permit holder's payment obligations under the Act, an annual contribution of \$40 for each hectare, or part of a hectare, of the aquaculture farm or farms to which the permit relates, in respect of each period of 12 months beginning on 1 July in any year.
- (2) If the total area of the aquaculture farm or farms to which an aquaculture permit

relates is less than 1 hectare, the contribution required by this clause is that payable for 1 hectare.

- (3) A contribution required by this clause must be paid, at the permit holder's option, either:
 - (a) annually, on or before a date determined by the Minister and notified to the permit holder, or
 - (b) by instalments.
- (4) For the purpose of allowing the payment of a contribution by instalments, the Minister is required:
 - (a) to determine the amounts of the instalments that are payable, or the manner in which they are to be calculated, and
 - (b) to determine the dates on which the instalments are payable, and
 - (c) to notify the amounts (or the manner of the calculation) of the instalments, and the dates on which they are payable, to the permit holder concerned.
- (5) If there is a failure to make a payment in accordance with such a notice, the Minister may treat the total unpaid balance as an overdue amount of contribution even if payment by instalments has begun.
- (6) A class A permit holder to whom this Division applies may at any time elect to enter into an arrangement of a kind referred to in clause 19 (1). However, such an election does not affect the liability of the permit holder to pay the contribution for the period of 12 months in which the election is made or any previous 12 month period.
- (7) (Repealed)

23A Additional contributions to be made by certain class A permit holders

- (1) A class A permit holder who, on or after the commencement of this clause, enters into a financial arrangement for the payment of annual contributions (by virtue of clause 19 (2)) must pay to the Minister a contribution in respect of each previous annual contribution period in which the permit was in force (even if the permit was in force for only part of the previous annual contribution period).
- (2) A **previous annual contribution period** is a period of 12 months commencing on 1 July in any year before the permit holder entered into the financial arrangement, excluding any period before 1 July 2001.
- (3) The contribution under this clause (the **additional contribution**) is payable in addition to the annual contribution payable under clause 23.
- (4) The additional contribution is calculated in the same manner as the annual

contribution under clause 23 is calculated at the time that the person enters into the financial arrangement. For that purpose, a reference in clause 23 (1) to each period of 12 months beginning on 1 July in any year is to be read as a reference to each previous annual contribution period.

- (5) The additional contribution required by this clause must be paid, at the permit holder's option, either:
 - (a) on or before the date that is 30 days after the date that the permit holder enters into the financial arrangement, or
 - (b) by instalments.
- (6) For the purpose of allowing the payment of a contribution by instalments, the Minister is required:
 - (a) to determine the amounts of the instalments that are payable, or the manner in which they are to be calculated, and
 - (b) to determine the dates on which the instalments are payable, and
 - (c) to notify the amounts (or the manner of the calculation) of the instalments, and the dates on which they are payable, to the permit holder concerned.
- (7) If there is a failure to make a payment in accordance with such a notice, the Minister may treat the total unpaid balance as an overdue amount of contribution even if payment by instalments has begun.
- (8) (Repealed)

24 Minister may suspend requirement to make contributions

- (1) The Minister may, by order published in the Gazette, suspend the operation of clause 23 for a particular period of 12 months if satisfied that the amount held in the trust account kept under clause 26 is for the time being sufficient for the purposes of the account.
- (2) The Minister must also notify in writing the effect of an order made under this clause to all permit holders affected by the order. However, failure to comply with this subclause does not affect the validity of the order.

25 Minister to enforce permit holder's obligations

- (1) If it appears to the Minister that a class A permit holder to whom this Division applies has incurred a payment obligation under the Act, the Minister may, by notice in writing served on the permit holder, require the permit holder to perform the obligation within a period specified in the notice (being not less than 14 days).
- (2) If:

- (a) the permit holder has failed to perform the payment obligation within the period specified in the notice, and
- (b) the Minister certifies in writing that all reasonable practicable steps have been taken to recover the debt arising from the permit holder's failure to perform that obligation or the permit holder's whereabouts are unknown,

the Minister may then (and only then) withdraw from the trust account under clause 26 an amount equal to that debt.

- (3) In order to reduce the amounts withdrawn under subclause (2) from the trust account, the Minister is to arrange for aquaculture leases to be inspected every 3 years for matters that may give rise to payment obligations by the lessees.
- (4) Subclause (2) applies even if proceedings brought under the Act to recover the debt have been unsuccessful and even if the person who has failed to perform the obligation concerned has ceased to be a permit holder.

26 Trust account to be maintained for the purposes of this Division
