This Regulation replaces the *Health Services Regulation 2003* which is repealed on 1 September 2008 under section 10 (2) of the *Subordinate Legislation Act 1989*.

### 3 Interpretation

(1) In this Regulation:

**the Act** means the *Health Services Act 1997*.

(2) Notes in this Regulation do not form part of this Regulation.

## Part 2 Visiting practitioners

### 4 Definitions

In this Part:

**clinical privileges** has the same meaning as it has in section 105 (2) of the Act.

**medical and dental appointments advisory committee** or **advisory committee**, in relation to a public health organisation, means a committee:

- (a) established by the public health organisation, and
- (b) having the function of advising the public health organisation in relation to the appointment of persons as visiting practitioners to the public health organisation and the clinical privileges that should be granted to those persons.

## **5 Advertising of available appointments as visiting practitioners**

- (1) A public health organisation that decides to make available an appointment as a visiting practitioner must advertise the availability of the appointment in at least one newspaper circulating generally in New South Wales. The public health organisation may, in addition, advertise the availability in other ways.
- (2) An application for appointment as a visiting practitioner is to be made in writing to the public health organisation concerned and is to include:
  - (a) a statement setting out, in a manner that satisfies the public health organisation, the clinical privileges sought by the applicant, and
  - (b) an authority for the medical and dental appointments advisory committee of the public health organisation to obtain information as to the applicant's past performance as a medical practitioner or dentist, as the case may be.
- (3) On receipt of the application, the public health organisation is to refer the application to the advisory committee for advice.
- (4) Subclauses (1)–(3) do not apply:
  - (a) to an appointment as a visiting practitioner that is to be held as part of the duties of a person who is to be or has been appointed to a teaching position at a tertiary institution, or
  - (b) to an appointment as a visiting practitioner that is to be held by a person for a period of not more than 6 months, or
  - (c) to any appointment as a visiting practitioner, to the extent that the Director-General determines that the provisions of those subclauses are not to apply.
- (5) A determination under subclause (4) (c):
  - (a) may be made in respect of a particular appointment or in respect of appointments of any specified kind or description, and
  - (b) must be made in writing.

## **6 Appointment and conditions to be in written agreement**

- (1) A person is to be appointed as a visiting practitioner to a public health organisation by written agreement between the person and the public health organisation.
- (2) The written agreement must specify the conditions to which the appointment is subject, including the clinical privileges of the visiting practitioner.
- (3) However, subclause (2) does not require conditions prescribed by or under the Act to be included in the written agreement.

## 7 Term of appointment

- (1) The period for which a person may be appointed as a visiting practitioner is such period (not exceeding 5 years) as the public health organisation determines.
- (2) A person is, if otherwise qualified, eligible for re-appointment from time to time.
- (3) Despite subclause (1), a person may be appointed as a visiting practitioner for the duration of the person's appointment to a teaching position at a tertiary institution (or for such lesser period as the public health organisation may determine) if the public health organisation has first obtained the advice of the medical and dental appointments advisory committee about the length of the appointment.
- (4) Despite subclause (1), a person may be appointed as a visiting practitioner for a period exceeding 5 years, but not exceeding 10 years, if the Director-General, in the particular circumstances of the case, approves the additional period of appointment.

## 8 Resignation

- (1) A person may resign an appointment as a visiting practitioner by giving 3 months' written notice of resignation to the public health organisation concerned.
- (2) However, a public health organisation may waive that requirement for notice or accept a lesser period of time for the giving of such notice if, in the opinion of the public health organisation, it is reasonable to do so.
