Strata Schemes Management Act 1996 No 138

New South Wales

An Act to provide for the management of strata schemes and the resolution of disputes in connection with strata schemes; and for other purposes.

Chapter 1 Preliminary

Introductory note—

This Chapter contains provisions that are helpful in understanding the Act as a whole, as well as some machinery provisions.

1 Name of Act

This Act is the *Strata Schemes Management Act 1996*.

2 Commencement

This Act commences on a day or days to be appointed by proclamation.

3 Objects of Act

The objects of this Act are:

- (a) to provide for the management of strata schemes created under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986*, and
- (b) to provide for the resolution of disputes arising in connection with the management of strata schemes.

4 Application of Act to strata schemes under the *Strata Schemes (Leasehold Development) Act 1986*

This Act applies to strata schemes established under the *Strata Schemes (Leasehold Development) Act 1986* in the same way as it applies to strata schemes established under the *Strata Schemes (Freehold Development) Act 1973* unless otherwise specified.

5 Act binds Crown

- (1) This Act binds the Crown in right of New South Wales and, in so far as the legislative power of Parliament permits, the Crown in all its other capacities.

- (2) However, Parts 3, 4 and 4A of Chapter 2, Chapter 3 (sections 63–65 excepted) and Chapter 4 do not apply to or in respect of a strata scheme if the Crown is the owner of all lots in the scheme.

Note—

The Crown includes statutory bodies representing the Crown, such as the New South Wales Land and Housing Corporation.

6 Definitions

Expressions used in this Act that are defined in the dictionary at the end of this Act have the meanings set out in the dictionary.

Note—

Expressions used in this Act (or in a particular provision of this Act) that are defined in the [Interpretation Act 1987](#) have the meanings set out in that Act.

7 Notes

Introductory notes and other notes included in this Act are explanatory notes and do not form part of the Act.

Chapter 2 Management of strata schemes

Introductory note—

This Chapter provides for who can be involved in the management of a strata scheme and for the rules that govern a strata scheme.

Part 1 Introduction

Introductory note—

This Part provides an overview of the Chapter.

8 Who manages a strata scheme?

- (1) On the registration of a strata plan for a strata scheme, there is established an owners corporation for the strata scheme in accordance with Part 2.
- (2) An owners corporation for a strata scheme has the principal responsibility for the management of the scheme.

Note—

Strata plans for freehold strata schemes are registered under section 8 of the [Strata Schemes \(Freehold Development\) Act 1973](#) and strata plans for leasehold strata schemes are registered under section 7 of the [Strata Schemes \(Leasehold Development\) Act 1986](#).

An owners corporation for a strata scheme is the same as a body corporate for a strata scheme previously established under the [Strata Schemes \(Freehold Development\) Act 1973](#) or the [Strata Schemes \(Leasehold Development\) Act 1986](#).

9 Who else may be involved in managing a strata scheme?

The owners corporation may be assisted in the carrying out of its management functions under this Act by any one or more of the following:

- (a) the executive committee of the owners corporation established in accordance with Part 3,
- (b) a strata managing agent appointed in accordance with Part 4,
- (c) a caretaker appointed in accordance with Part 4A.

10 What rules govern a strata scheme?

On the registration of a strata plan for a strata scheme, a set of by-laws applies to the strata scheme as provided by Part 5.

Part 2 The principal manager—the owners corporation

Introductory note—

This Part provides for the establishment of an owners corporation for a strata scheme and for the procedure of an owners corporation.

11 Constitution of owners corporation

- (1) The owners of the lots from time to time in a strata scheme constitute a body corporate under the name “The Owners—Strata Plan No X” (X being the registered number of the strata plan to which that strata scheme relates).
- (2) An owners corporation is declared to be an excluded matter for the purposes of section 5F of the *Corporations Act 2001* of the Commonwealth in relation to the whole of the Corporations legislation.

Note—

This subsection ensures that neither the *Corporations Act 2001* nor Part 3 of the *Australian Securities and Investments Commission Act 2001* of the Commonwealth will apply in relation to an owners corporation. Section 5F of the *Corporations Act 2001* of the Commonwealth provides that if a State law declares a matter to be an excluded matter in relation to those Acts, then the provisions of those Acts will not apply in relation to that matter in the State concerned.

12 Functions of owners corporation

An owners corporation has the functions conferred or imposed on it by or under this or any other Act.

13 Owners corporation may employ persons to assist in exercise of functions

- (1) An owners corporation may employ such persons as it thinks fit to assist it in the exercise of any of its functions.
- (2) An owners corporation must ensure that any person employed to assist it in the

exercise of a function has the qualifications (if any) required by this Act for the exercise of that function.

Note—

An owners corporation may employ such persons to assist it as, for example, caretakers and persons providing services to retirement villages. For example, a caretaker is required to be appointed under Part 4A. In addition, the Act requires certain functions to be performed by particular persons or persons having particular expertise. For example, section 24 places restrictions on the persons who can exercise functions relating to the finances and accounts of an owners corporation.

- (3) An owners corporation may not delegate any of its functions to a person unless the delegation is specifically authorised by this Act.

14 Meetings and procedure of owners corporation

Schedule 2 applies to an owners corporation.

15 Termination of strata scheme

- (1) An owners corporation for a strata scheme that is subject to an order of the Supreme Court under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986* for its termination continues in existence until it is wound up in accordance with the order.
- (2) While it so continues in existence, the owners corporation is constituted of persons who the order specifies are liable to contribute money required for the discharge of the liabilities of the owners corporation and persons who the order specifies are entitled to share in a distribution of assets of the owners corporation.

Note—

A freehold strata scheme may be terminated under Part 3 of the *Strata Schemes (Freehold Development) Act 1973* and a leasehold strata scheme may be terminated under Part 3 of the *Strata Schemes (Leasehold Development) Act 1986*.

Part 3 Others involved in management—the executive committee

Introductory note—

This Part requires an owners corporation for a strata scheme to appoint an executive committee to make decisions for the owners corporation. However, the owners corporation may limit the matters that the executive committee may decide and the Act contains various matters that must be decided by the owners corporation in general meeting.

The executive committee must appoint a chairperson, secretary and treasurer. This Part sets out the functions of those officers.

This Part gives effect to Schedule 3 which contains more detailed provisions about the constitution and procedure of executive committees.

Division 1 Constitution of the executive committee

16 Owners corporation to appoint executive committee

Introductory note—

This Part allows an owners corporation for a strata scheme to appoint a person who is licensed as a strata managing agent under the *Property, Stock and Business Agents Act 2002* as a strata managing agent for the scheme. An owners corporation may delegate its functions to its strata managing agent. However, an owners corporation may not delegate the making of certain decisions that this Act requires to be made by the owners corporation, such as decisions on the amount of contributions to the administrative and sinking funds to be levied on owners.

Division 1 Appointment of strata managing agent

26 What is a strata managing agent?

An owners corporation may appoint a person who is the holder of a strata managing agent's licence under the *Property, Stock and Business Agents Act 2002* to be the strata managing agent of the strata scheme.

Note—

The *Property, Stock and Business Agents Act 2002* defines strata managing agent as a person (whether or not such person carries on any other business) who, for reward (whether monetary or otherwise), exercises or performs any function of an owners corporation under this Act, not being:

- (a) a person who:
 - (i) is the owner of a lot to which the strata scheme for which the owners corporation is constituted relates, and
 - (ii) is the secretary or treasurer of the executive committee of the owners corporation, and

27 How is a strata managing agent appointed?

- (1) A strata managing agent is to be appointed by instrument in writing authorised by a resolution at a general meeting of the owners corporation.
- (2) An owners corporation may terminate the appointment of a strata managing agent in accordance with the instrument of appointment if authorised by a resolution at a general meeting of the owners corporation.
- (3) The functions of a strata managing agent of a strata scheme may be transferred to another person by the strata managing agent, but only with the approval of the owners corporation for the strata scheme. A person to whom those functions are transferred is taken to be appointed as a strata managing agent of the strata scheme concerned in accordance with this section.

Division 2 Functions of strata managing agent

28 What functions of an owners corporation can a strata managing agent exercise?

- (1) An owners corporation may, by the instrument appointing a strata managing agent or some other instrument, delegate to the strata managing agent:
 - (a) all of its functions, or
 - (b) any one or more of its functions specified in the instrument, or
 - (c) all of its functions except those specified in the instrument,but only if authorised to do so by a resolution at a general meeting and subject to subsection (3).
- (2) An owners corporation may, if authorised to do so by a resolution at a general meeting, revoke a delegation under this section.
- (3) An owners corporation cannot delegate to a strata managing agent its power to make:
 - (a) a delegation under this section, or
 - (b) a decision on a matter that is required to be decided by the owners corporation, or
 - (c) a determination relating to the levying or payment of contributions.
- (4) A function delegated under this section may, while the delegation remains unrevoked, be exercised from time to time in accordance with the delegation.
- (5) A delegation under this section may be made subject to such conditions or such limitations as to the exercise of all or any of the functions, or as to time or circumstances, as may be specified in the instrument of delegation.
- (6) Despite any delegation made under this section, the owners corporation may continue to exercise all or any of the functions delegated.
- (7) Any act or thing done or suffered by a strata managing agent while acting in the exercise of a delegation under this section:
 - (a) has the same effect as if it had been done or suffered by the owners corporation, and
 - (b) is taken to have been done or suffered by the owners corporation.

29 Can a strata managing agent exercise the functions of the chairperson, secretary and treasurer or the executive committee?

- (1) The instrument of appointment of a strata managing agent may provide that the strata managing agent has and may exercise all the functions of the chairperson,

secretary, treasurer or executive committee of an owners corporation or such of those functions as may be specified in the instrument.

- (2) However, the chairperson, secretary, treasurer and executive committee of an owners corporation may continue to exercise all or any of the functions that the strata managing agent is authorised to exercise.
- (3) Any act or thing done or suffered by a strata managing agent in the exercise of any function of the chairperson, secretary, treasurer or executive committee conferred on the strata managing agent in accordance with this section:
 - (a) has the same effect as it would have had if it had been done or suffered by the chairperson, secretary, treasurer or executive committee, as the case may be, and
 - (b) is taken to have been done or suffered by the chairperson, secretary, treasurer or executive committee, as the case may be.
- (4) This section is subject to section 32.

29A Functions that may only be delegated to member of executive committee or strata managing agent

Note—

Section 24 enables some of these functions to be exercised by certain other specified persons.

30 Breach of duty by strata managing agent

If a strata managing agent has been delegated a duty by an owners corporation and a breach of the duty by the owners corporation would constitute an offence under a provision of this Act, the agent is guilty of an offence under that provision (instead of the owners corporation) for any breach of the duty by the agent occurring while the delegation remains in force.

31 Strata managing agent to record exercise of functions

- (1) A strata managing agent who exercises a function of an owners corporation must, immediately after its exercise, make a written record specifying the function and the manner in which it was exercised.
- (2) The strata managing agent must serve a copy of the written record on the owners corporation.

32 Exercise of functions of strata managing agent appointed by an Adjudicator

If a strata managing agent is appointed by an Adjudicator to exercise a function:

- (a) the function cannot, while the strata managing agent holds office, be exercised by any other person, and
- (b) anything done or suffered by the strata managing agent in the exercise of the function has the same effect as it would have if the function were exercised by the person who, but for paragraph (a), could have exercised it.

Division 3 Accountability of strata managing agent

under this section.

Maximum penalty (subsection (5)): 20 penalty units.

38 Who is responsible for providing information if a strata managing agent ceases to hold a licence or dies?

If a strata managing agent ceases to hold a licence under the *Property, Stock and Business Agents Act 2002* to carry on business as a strata managing agent or dies:

- (a) this Division (except sections 35 and 36) applies to any person who is required by that Act to maintain a trust account in connection with the business of the former licensee, and
- (b) this Division (except section 33) applies to any person who is required by that Act to preserve records kept by the former licensee,

and so applies as if the person concerned were the strata managing agent.

39 Exemption for information relating to certain transactions

A strata managing agent or other person is not required to provide information under this Division in relation to a transaction that took place more than 3 years before service of the notice requiring the information.

40 Certain provisions of other Acts requiring agents to provide information not to apply to affairs of owners corporation

The provisions of section 101 of the *Property, Stock and Business Agents Act 2002* do not apply to or in respect of a transaction if information about the transaction may be required to be provided to an owners corporation under this Division.

Note—

The provisions of section 101 of the *Property, Stock and Business Agents Act 2002* enable a person directly concerned in a transaction with a licensee under that Act to require an itemised account of the transaction from the licensee.

Part 4A Others assisting in management—caretakers

40A Who is a caretaker?

- (1) A caretaker is a person who is entitled to exclusive possession (whether or not jointly with another person or other persons) of a lot or common property and assists in exercising any one or more of the following functions of the owners corporation for the strata scheme concerned:
 - (a) managing common property,
 - (b) controlling the use of common property by persons other than the owners and occupiers of lots,

- (c) maintaining and repairing common property.
- (2) However, a person is not a caretaker if the person exercises those functions only on a voluntary or casual basis or as a member of the executive committee.
- (3) A person may be both a caretaker and an on-site residential property manager.
- (4) For the purposes of this Act, a person is taken to be a caretaker for a strata scheme if the person meets the description of a caretaker set out in this section, regardless of whether the title given to the person's position is caretaker, building manager, resident manager or any other title.

40B How is a caretaker appointed?

- (1) A caretaker is required to be appointed by an instrument in writing (a **caretaker agreement**) executed before or after the strata scheme commenced by the caretaker and:
 - (a) by the original owner, if executed before the strata scheme commenced, or
 - (b) under the authority of a resolution passed at a general meeting of the owners corporation of the strata scheme concerned, if executed after the strata scheme commenced.
- (2) Unless it expires or otherwise ceases to have effect earlier, a caretaker agreement (including any additional term under any option to renew it) expires:
 - (a) at the conclusion of the first annual general meeting of the owners corporation, if the agreement was executed by the original owner, or
 - (b) when 10 years have expired after it commenced to authorise the caretaker to act under it, in any other case.
- (3) The functions of a caretaker under a caretaker agreement may be transferred to another person only with the approval of the owners corporation. A person to whom those functions are transferred is taken to be appointed as a caretaker by the caretaker agreement.
- (4) An owners corporation may terminate a caretaker agreement in accordance with its terms, and may approve a transfer of the functions of a caretaker, if authorised by a resolution at a general meeting of the owners corporation.

40C With which functions of an owners corporation can a caretaker assist?

- (1) A caretaker may, in accordance with the caretaker agreement appointing the caretaker, assist in exercising one or more of the functions of the owners corporation of managing and controlling the use of common property (otherwise than by the owners or occupiers of lots) and of maintaining and repairing common property.

- (2) However, the owners corporation may continue to exercise all or any of those functions, subject to the caretaker agreement.
- (3) A person is not a strata managing agent for the purposes of this or any other Act only because the person is a caretaker acting in accordance with a caretaker agreement.

Part 5 By-laws

Introductory note—

This Part deals with by-laws for a strata scheme governing such things as the behaviour of residents of the scheme and the use of common property. The Part provides that strata schemes in existence before the commencement of the Part are to have the by-laws set out in Schedule 1 together with additional by-laws that may previously have been added to those by-laws and any amendments that may previously have been made to those by-laws by the relevant owners corporation. A new strata scheme may, if it chooses, adopt model by-laws or register its own by-laws. The by-laws for both existing and new schemes can be amended or repealed by the owners corporation.

The Part places obligations on owners, mortgagees and covenant chargees in possession of a lot and lessees and occupiers of lots to comply with the by-laws.

The Part also contains procedural requirements for the making of certain by-laws and the amendment or repeal of by-laws.

Division 1 What by-laws apply to a strata scheme?

41 What by-laws apply to new strata schemes?

- (1) This section applies to strata schemes that came into existence after the commencement of this section.
- (2) The by-laws in force for a strata scheme are the by-laws adopted by or lodged with the strata plan registered by the Registrar-General for the strata scheme, as in force at the date of lodgment, subject to any amendment, repeal or addition recorded by the Registrar-General under section 48.

Note—

Section 8 of the *Strata Schemes (Freehold Development) Act 1973* and section 7 of the *Strata Schemes (Leasehold Development) Act 1986* require that when a strata plan is submitted for registration it must be accompanied by the proposed by-laws for the strata scheme. Those by-laws are registered with the strata plan.

42 What by-laws apply to old strata schemes?

- (1) This section applies to strata schemes in existence before the commencement of this section.
- (2) The by-laws set forth in Schedule 1 are the by-laws in force for a strata scheme, including any additional by-laws, or any amendments or repeals relating to those by-laws, that have been registered for the strata scheme in accordance with:
 - (a) Division 3 of this Part, or
 - (b) Division 1 of Part 4 of the *Strata Schemes (Freehold Development) Act 1973* as in

force immediately before its repeal, or

- (c) Division 1 of Part 4 of the *Strata Schemes (Leasehold Development) Act 1986* as in force immediately before its repeal.

43 What can by-laws provide for?

safety and security measures

details of any common property of which the use is restricted

the keeping of pets

architectural and landscaping guidelines to be observed by lot owners

matters appropriate to the type of strata scheme concerned.

- (2) Subsection (1) does not limit the matters for which by-laws may be made.
- (3) The regulations may prescribe model by-laws which may be adopted as the by-laws for a strata scheme.
- (4) A by-law has no force or effect to the extent that it is inconsistent with this or any other Act or law.

Division 2 How are the by-laws enforced?

44 Who is required to comply with the by-laws?

- (1) The by-laws for a strata scheme bind the owners corporation and the owners and any mortgagee or covenant chargee in possession (whether in person or not), or lessee or occupier, of a lot to the same extent as if the by-laws:
- (a) had been signed and sealed by the owners corporation and each owner and each such mortgagee, covenant chargee, lessee and occupier, and
- (b) contained mutual covenants to observe and perform all the provisions of the by-laws.
- (2) There is an implied covenant by the lessee in a lease of a lot or common property to

comply with the by-laws for the strata scheme.

- (3) In this section, **lessee** means, in relation to a lot in a strata leasehold scheme, a sublessee of the lot.

45 How can an owners corporation enforce the by-laws?

- (1) An owners corporation may serve a notice, in a form approved by the Director-General, on the owner or occupier of a lot requiring the owner or occupier to comply with a specified by-law if the owners corporation is satisfied that the owner or occupier has contravened that by-law.
- (2) A notice cannot be issued under this section unless a resolution approving the issue of the notice, or the issue of notices for the type of contravention concerned, has first been passed by the owners corporation or the executive committee of the owners corporation.
- (3) Subsection (2) does not apply to the issue of a notice under this section by a strata managing agent if that function has been delegated to the strata managing agent in accordance with this Act.

Note—

The Tribunal may impose a pecuniary penalty on a person for failing to comply with a notice under this section (see section 203).

46 How does a lessee get information about the by-laws?

- (1) If a lot or common property in a freehold strata scheme is leased, the lessor must provide the lessee with a copy of the by-laws, and any strata management statement affecting the lot or common property, within the time and in the manner required by this section.

Maximum penalty: 1 penalty unit.

- (2) If a lot or common property in a leasehold strata scheme is sublet, the sublessor must provide the sublessee with a copy of the by-laws, and any strata management statement affecting the lot or common property, within the time and in the manner required by this section.

Maximum penalty: 1 penalty unit.

- (3) The copy of the by-laws or strata management statement must be provided to the lessee or sublessee within 7 days after the lessee or sublessee becomes entitled to possession of the lot or common property.

- (3A) If a lot or common property in a freehold scheme is leased and the by-laws are amended, the lessor must provide the lessee with a further copy of the by-laws, within the time and in the manner required by this section.

Maximum penalty: 1 penalty unit.

- (3B) If a lot or common property in a leasehold strata scheme is sublet and the by-laws are amended, the sublessor must provide the sublessee with a further copy of the by-laws, within the time and in the manner required by this section.

Maximum penalty: 1 penalty unit.

- (3C) Any further copy of by-laws required to be provided under subsection (3A) or (3B) must be provided to the lessee or sublessee within 7 days after the amendment of the by-laws is recorded by the Registrar-General under section 48 (1) (b).
- (4) The copy of the by-laws or strata management statement (including any further copy of by-laws that have been amended) must be:
- (a) served personally on the lessee or sublessee, or
 - (b) if the lease or sublease relates to a lot—served on the lessee or sublessee in any manner allowed by this Act for service of a document on the occupier of a lot, or
 - (c) if the lease or sublease relates to a lot or common property that is fully enclosed by walls or other structures—left in a conspicuous position at the lot or on the common property.
- (5) Subsections (1), (2), (3A) and (3B) do not apply if the strata scheme concerned is part of a community scheme or the lessee or sublessee is the owner of a lot in the strata scheme concerned.

Division 3 Amendment or repeal of by-laws

47 Can an owners corporation add to or amend the by-laws?

An owners corporation, in accordance with a special resolution, may, for the purpose of the control, management, administration, use or enjoyment of the lots or the lots and common property for the strata scheme, make by-laws adding to, amending or repealing the by-laws for the strata scheme.

48 What steps must an owners corporation take to make an amendment effective?

- (1) An amendment or repeal of a by-law or, a new by-law, has no force or effect until:
- (a) the owners corporation has lodged a notification, in the form approved under the [Real Property Act 1900](#), in the Registrar-General's office, and
 - (b) the Registrar-General has made an appropriate recording of the notification in the folio of the Register comprising the common property.
- (2) A notification cannot be lodged in the Registrar-General's office more than 2 years after the passing of the resolution for the amendment, repeal or new by-law.

49 Restrictions on by-laws

- (1) **By-law cannot prevent dealing relating to lot** No by-law is capable of operating to prohibit or restrict the devolution of a lot or a transfer, lease, mortgage, or other dealing relating to a lot.
- (2) **By-law resulting from order cannot be changed** If an order made under Chapter 5 has effect as if its terms were a by-law, that by-law is not capable of being amended or repealed except by a by-law made in accordance with a unanimous resolution and, in the case of a strata leasehold scheme, with the consent of the lessor of the scheme.
- (3) **By-law cannot restrict children** A by-law for a residential strata scheme has no force or effect to the extent to which it purports to prohibit or restrict persons under 18 years of age occupying a lot. This subsection does not apply to a by-law for a strata scheme for a retirement village or housing exclusively for aged persons.
- (4) **By-law cannot prevent keeping of guide dog** A by-law has no force or effect to the extent to which it purports to prohibit or restrict the keeping on a lot of a dog used as a guide or hearing dog by an owner or occupier of the lot or the use of a dog as a guide or hearing dog on a lot or common property.

50 Restrictions on by-laws during initial period

- (1) An owners corporation must not, during the initial period, make, amend or repeal a by-law in such a manner that a right is conferred or an obligation is imposed on one or more, but not all, owners or in respect of one or more, but not all, lots.
- (2) An owners corporation may recover from the original owner, as damages for breach of statutory duty, any loss suffered by the owners corporation as a result of a contravention of this section.
- (3) An owner may recover, as damages for breach of statutory duty, any loss that has been suffered by the owner as a result of a contravention of this section.
- (4) It is a defence to an action under this section for damages if it is proved that the original owner:
 - (a) did not know of the contravention on which the action is based, or
 - (b) was not in a position to influence the conduct of the owners corporation in relation to the contravention, or
 - (c) used due diligence to prevent the contravention.
- (5) A remedy available under this section does not affect any other remedy.

Division 4 Special provisions for by-laws conferring certain rights or

privileges

51 Application of Division

- (1) This Division applies to a by-law conferring on the owner of a lot specified in the by-law, or the owners of several lots so specified:

 - (b) impose on the owner or owners concerned the responsibility for that maintenance and upkeep.
- (2) Any money payable under a by-law to which this Division applies by more than one owner to the owners corporation or to any person for or towards the maintenance or upkeep of any common property is payable by those owners proportionately according to the relative proportions of their respective unit entitlements unless the by-law otherwise provides.
- (3) To the extent to which a by-law to which this Division applies makes a person directly responsible for the proper maintenance, and keeping in a state of good and serviceable repair, of any common property, it discharges the owners corporation from its obligations to maintain and repair property under Chapter 3.

55 What is the effect of a by-law?

- (1) A by-law to which this Division applies, while it remains in force, continues to operate for the benefit of, and is binding on, the owner or owners for the time being of the lot or lots specified in the by-law.

Part 3 Finances of strata scheme

Introductory note—

This Part requires an owners corporation for a strata scheme to establish an administrative fund and a sinking fund and to levy contributions to those funds from owners of lots in the scheme. The administrative fund is generally used to meet recurrent expenses, such as expenses involved in maintaining the common property from day-to-day in good condition and insuring the property. The sinking fund is generally used to meet expenses of a capital nature, such as painting buildings or replacing fixtures or fittings.

Division 1 Administrative and sinking funds and account of owners corporation

66 Administrative fund to be established

An owners corporation must establish an administrative fund.

67 What money is to be paid into the administrative fund?

- (1) An owners corporation must pay the following amounts into the administrative fund:

 - (b) the proceeds of the disposal of any personal property of the owners corporation,
 - (c) any fees paid to the owners corporation for inspection of its records and the provision of information and certificates relating to its records.
- (2) An owners corporation may pay into the administrative fund any amounts paid to the owners corporation by way of discharge of insurance claims.

68 What money can be paid out of the administrative fund?

- (3) The owners corporation must, not later than 3 months after the disbursement, make a determination under section 76 (1) of an amount sufficient to recoup the amount of the disbursement.

69 Sinking fund to be established

- (1) An owners corporation must establish a sinking fund.
- (2) However, an owners corporation for a strata scheme comprising 2 lots need not establish a sinking fund if:
 - (a) the owners corporation so determines by unanimous resolution, and
 - (b) the buildings comprised in one of those lots are physically detached from the buildings comprised in the other lot, and
 - (c) no building or part of a building in the strata scheme is situated outside those lots.

70 What money is to be paid into the sinking fund?

An owners corporation must pay the following amounts into its sinking fund:

- (a) the contributions levied on, and paid by, owners for payment into the fund,
- (b) any amounts paid to the owners corporation by way of discharge of insurance claims, unless those amounts have been paid into the administrative fund,

- (1) An owners corporation must not pay any money from its sinking fund except for the purpose of:
 - (a) payments of the kind for which estimates have been made under section 75 (2),
or

- (3) The owners corporation must, not later than 3 months after the disbursement, make a determination under section 76 (1) of an amount sufficient to recoup the amount of the disbursement.

72 Distribution of surplus money in administrative fund or sinking fund

- (1) An owners corporation may, in accordance with a unanimous resolution, distribute between the owners any money in its administrative fund or sinking fund that is not, in the opinion of the owners corporation, required for the purposes of either fund.
- (2) A distribution to an owner of a lot or a person entitled to receive it under subsection (3) must be made in the same proportion as is borne by the unit entitlement for the lot to the aggregate unit entitlement.
- (3) Any money payable under subsection (1) in relation to a lot that is subject to a mortgage or covenant charge shown on the strata roll is to be paid:
 - (a) in accordance with the joint directions of the owner of the lot and the mortgagee or covenant chargee, or
 - (b) if they cannot agree—in accordance with an order of the court that, under subsection (4), has jurisdiction in the matter.
- (4) An application for an order to resolve a dispute under subsection (3) may be made:

(d) in any other case—to the Supreme Court.

73 Can money in administrative fund or sinking fund be invested?

- (1) An owners corporation may invest any money in its administrative fund or sinking fund in any manner permitted by law for the investment of trust funds or in any prescribed investment.
- (2) Any interest received on an investment made under this section forms part of the fund to which the investment belongs.

74 Account of owners corporation

- (1) An owners corporation must pay any amounts that are received by it and are not otherwise invested in accordance with this Act into an account established in a financial institution in the name of the owners corporation.
- (2) This section does not apply to an owners corporation that has appointed a strata managing agent to whom the duty of the owners corporation under this section is delegated in accordance with this Act.

Division 2 Levy of contributions

75 Estimates to be prepared of contributions to administrative and sinking funds

- (1) An owners corporation must, not later than 14 days after the constitution of the owners corporation and at each annual general meeting after that, estimate how much money it will need to credit to its administrative fund for actual and expected expenditure:
 - (a) to maintain in good condition on a day-to-day basis the common property and any personal property vested in the owners corporation, and
 - (b) to provide for insurance premiums, and
 - (c) to meet other recurrent expenses.

Note—

Recurrent expenses would include such regular expenses as insurance, water charges, electricity charges, carpet cleaning, lawnmowing services and the like and minor expenses relating to maintenance of the common property.

- (2) An owners corporation must, at each annual general meeting, estimate how much money it will need to credit to its sinking fund for actual and expected expenditure:

- (a) for painting or repainting any part of the common property which is a building or other structure, and
- (b) to acquire personal property, and
- (c) to renew or replace personal property, and
- (d) to renew or replace fixtures and fittings that are part of the common property, and
- (e) to replace or repair the common property, and
- (f) to meet other expenses of a capital nature.

Note—

Expenses of a capital nature would include expenses in relation to major repairs or improvements to the common property or personal property of the owners corporation, such as painting of a building or replacement of roofing, guttering or fences and the like.

- (3) When estimating amounts needed to be credited to the administrative fund or the sinking fund the owners corporation must have before it, and take into account, a statement of the existing financial situation of the strata scheme and an estimate of receipts and payments.
- (4) In estimating amounts to be credited to the sinking fund, an owners corporation that is required to prepare a plan under section 75A is to take into account anticipated major expenditure identified in the plan for the 10-year period to which the plan relates.
- (5) An owners corporation of a large strata scheme must include in the estimates prepared under this section at an annual general meeting specific amounts in relation to each item or matter on which the owners corporation intends to expend money, or on which the owners corporation is aware money will be likely to be expended, in the period until the next annual general meeting.

75A Owners corporation to prepare 10-year sinking fund plans

- (1) This section applies to owners corporations established on or after the commencement of this section.
- (2) An owners corporation to which this section applies is to prepare a plan of anticipated major expenditure to be met from the sinking fund over the 10-year period commencing on the first annual general meeting of the owners corporation.
- (3) The initial plan is to be finalised by the end of the second annual general meeting of the owners corporation.
- (4) The plan is to be reviewed and (if necessary) adjusted no later than at the fifth annual general meeting of the owners corporation.

- (5) An owners corporation to which this section applies is to prepare a plan as referred to in subsection (2) for each 10-year period following the period referred to in that subsection and is to finalise and review the plan in accordance with the requirements of subsections (3) and (4) at the corresponding annual general meetings in the relevant 10-year period.
- (6) An owners corporation may engage expert assistance in the preparation of a plan under this section.
- (7) The regulations may extend the operation of this section to all owners corporations or to such classes of owners corporations established before the commencement of this section as are specified in the regulations.
- (8) A regulation referred to in subsection (7) may make necessary modifications to the application of any provision of this section to an owners corporation established before the commencement of this section.

76 Owners corporation to set levy for contributions to administrative and sinking funds

- (1) The owners corporation must determine the amounts to be levied as a contribution to the administrative fund and the sinking fund to raise the amounts estimated as needing to be credited to those funds.
- (2) That determination must be made at the same meeting at which those estimated amounts are determined.
- (3) The owners corporation must levy on each person liable for it such a contribution.
- (4) If the owners corporation is subsequently faced with other expenses it cannot at once meet from either fund, it must levy on each owner a contribution to the administrative fund, determined at a general meeting of the owners corporation, in order to meet the expenses.
- (5) A contribution is, if an owners corporation so determines, payable by such regular periodic instalments as are specified in the determination setting the amount of the contribution.

77 Effect of use of lot on insurance premiums

If the use to which a lot is put causes an insurance premium for the strata scheme to be greater than it would be if it were not put to that use, so much of a contribution payable by the owner of the lot as is attributable to insurance premiums may, with the consent of the owner, be increased to reflect the extra amount of premium.

Note—

An owners corporation may apply for an order under section 149 (2) for a variation of contributions if an owner unreasonably refuses consent under this subsection.

78 Manner of levying contributions

- (1) An owners corporation levies a contribution required to be paid to the administrative fund or sinking fund by an owner of a lot by serving on the owner a written notice of the contribution payable.
- (2) Contributions levied by an owners corporation must be levied in respect of each lot and are payable (subject to this section and section 77) by the owners in shares proportional to the unit entitlements of their respective lots.
- (3) If, at the time a person becomes owner of a lot, another person is liable in respect of the lot to pay a contribution, the owner is jointly and severally liable with the other person for the payment of the contribution and interest on the contribution.
- (4) A mortgagee or covenant chargee in possession of a lot (whether in person or not) is jointly and severally liable with the owner of the lot:
 - (a) for any regular periodic contributions to the administrative fund or sinking fund together with any interest on those contributions, and
 - (b) for any other contribution together with interest on that contribution if the mortgagee or covenant chargee has been given written notice of the levy of the contribution.
- (5) Subsection (4) does not affect the liability of an owner of a lot for any contribution levied under this section.
- (6) Regular periodic contributions to the administrative fund and sinking fund of an owners corporation are taken to have been duly levied on an owner of a lot even though notice levying the contributions was not served on the owner.

79 Interest and discounts on contributions

- (1) Any contribution levied by an owners corporation becomes due and payable to the owners corporation in accordance with the decision of the owners corporation to make the levy.
- (2) A contribution, if not paid at the end of one month after it becomes due and payable, bears until paid simple interest at an annual rate of 10 per cent or, if the regulations provide for another rate, that other rate.
- (3) However, an owners corporation may by special resolution determine (either generally or in a particular case) that a contribution is to bear no interest.
- (4) An owners corporation may, by special resolution, determine (either generally or in a particular case) that a person may pay 10 per cent less of a contribution levied if the person pays the contribution before the date on which it becomes due and payable.

80 How does an owners corporation recover unpaid contributions and interest?

- (1) An owners corporation may recover as a debt a contribution not paid at the end of one month after it becomes due and payable, together with any interest payable and the expenses of the owners corporation incurred in recovering those amounts.
- (2) Interest paid or recovered forms part of the fund to which the relevant contribution belongs.

Division 3 Restrictions on spending

80A Limit on spending by executive committees of large strata schemes

- (1) If a specific amount has been determined as referred to in section 75 (5) for expenditure on any item or matter, the executive committee of the owners corporation concerned must not, in the period until the annual general meeting next occurring after the determination was made, spend on the item or matter an amount greater than that determined amount for expenditure on the item or matter plus 10 per cent.
- (2) The owners corporation of a large strata scheme may by resolution at a general meeting remove the limitation imposed by subsection (1) generally or in relation to any particular item or matter.

80B Quotations to be obtained for certain items of expenditure by large strata schemes

An owners corporation of a large strata scheme must obtain at least 2 quotations in relation to proposed expenditure in respect of any one item or matter if the proposed expenditure will exceed an amount prescribed by the regulations for the purposes of this section.

80C Exceptions in relation to emergencies

Sections 80A (1) and 80B do not apply to expenditure undertaken for emergency purposes, including, for example, expenditure to remedy any of the following:

- (a) burst or blocked water or sewerage pipes,
- (b) serious damage caused by fire or by storm or any other natural disaster,
- (c) unexpected electrical or security system failure,
- (d) glass breakages that affect the security of any building in the strata scheme or could result in damage to the inside of any such building.

80D Legal action to be approved by general meeting

- (1) An owners corporation or executive committee of an owners corporation must not seek legal advice or the provision of any other legal services, or initiate legal action,

for which any payment may be required unless a resolution is passed at a general meeting of the owners corporation approving the seeking of the advice or services or the taking of that action.

- (2) The regulations may make provision for or with respect to exempting any type of legal service or legal action from the operation of this section.

Part 4 Insurance

Introductory note—

This Part requires an owners corporation for a strata scheme for a building to take out insurance on the building. In the case of a strata scheme for a part of a building, the obligation to insure is placed on the owners corporation and the owner or owners of the rest of the building.

The Part provides specific exceptions to the insurance requirements and enables an owners corporation to apply to an Adjudicator for an exemption from those requirements.

The Part also deals with other types of insurance that must or may be taken out by an owners corporation and contains miscellaneous provisions as to the taking out of insurance by an owners corporation or an owner of a lot.

Division 1 Definitions

81 Building

In this Part, **building** includes:

- (a) owners' improvements and owners' fixtures forming part of the building other than paint, wallpaper and temporary wall, floor and ceiling coverings, and
- (b) a building consisting entirely of common property, and
- (c) anything prescribed by the regulations as forming part of a building for the purposes of this definition,

but does not include:

- (d) fixtures removable by a lessee or sublessee at the expiration of a tenancy, or
- (e) anything prescribed by the regulations as not forming part of a building for the purposes of this definition.

82 Damage policy

- (1) In this Part, a **damage policy** for a building means a contract of insurance providing for the matters referred to in this section in the event of the building being destroyed or damaged by fire, lightning, explosion or any other occurrence specified in the policy.
- (2) A damage policy is to provide for the rebuilding of the building or its replacement by a similar building in the event of its destruction so that every part of the rebuilt building or the replacement building is in a condition no worse or no less extensive than that

part or its condition when that part was new.

- (3) A damage policy is to provide for the repair of damage to, or the restoration of the damaged portion of, the building in the event of its being damaged but not destroyed, so that the repaired or restored portion, is in a condition no worse or no less extensive than that portion or its condition when that portion was new.
- (4) A damage policy is to provide for the payment of expenses incurred in the removal of debris.
- (5) A damage policy is to provide for the remuneration of architects and other persons whose services are necessary as an incident to the rebuilding, replacement, repair or restoration.
- (6) A damage policy may provide that, instead of the work and the payments being carried out or made on the occurrence of any of the events specified in subsection (1), the liability of the insurer is, on the occurrence of any such event, limited to an amount specified in the policy that is not less than an amount calculated in the manner prescribed by the regulations.

Division 2 Insurance of buildings

83 Owners corporation to insure building

- (1) The owners corporation for a strata scheme for the whole of a building must insure the building and keep the building insured under a damage policy with an approved insurer in accordance with this section.
- (2) The building is to be insured for at least the value of the building indicated by the last valuation obtained for the building in accordance with this Division.
- (3) The damage policy is to be in the name of the owners corporation.
- (4) This section does not apply to an owners corporation for a strata scheme comprising 2 lots if:
 - (a) the owners corporation so determines by unanimous resolution, and
 - (b) the buildings comprised in one of those lots are physically detached from the buildings comprised in the other lot, and
 - (c) no building or part of a building in the strata scheme is situated outside those lots.
- (5) An owners corporation that breaches subsection (1) is guilty of an offence.

Maximum penalty (subsection (5)): 5 penalty units.

84 Responsibility of owners corporation to insure where strata scheme is for part only of

building

- (1) **Owners corporation and other owners of building to insure** The owners corporation for each strata scheme for part of a building and any other person in whom is vested an estate in fee simple in part of the building that is not included in a stratum parcel must insure the building and keep the building insured under a damage policy with an approved insurer in accordance with this section.
- (2) **Building to be insured in accordance with last valuation** The building is to be insured for at least the value of the building indicated by the last valuation obtained for the building in accordance with this Division.
- (3) **Damage policy to be in joint names** The damage policy is to be taken out in the joint names of the owners corporation and the other persons required to insure.
- (4) **Calculation of proportions of premium for which each owner liable** The proportion of a premium for a damage policy for a building payable by the owners corporation or other person is the same proportion as the replacement value of the part (or parts) of the building subject to the strata scheme concerned or held in fee simple by the other person bears to the replacement value of the whole building.
- (5) **Adjudicator may determine proportions of premium payable** On application made to it by an owners corporation or other person liable to pay such a proportion, an Adjudicator may determine the replacement value and proportion payable. The determination is binding on each person liable to pay such a proportion.
- (6) **Action that may be taken if person fails to insure** If a person fails to comply with a requirement made by this section to insure a building or keep a building insured, any other person who has an obligation to comply with that requirement may:
 - (a) apply to an Adjudicator for an order requiring the person who has failed to comply to join the applicant in taking out a damage policy for the building, or
 - (b) take out a damage policy for the building in their joint names and recover as a debt from the person who has failed to comply the appropriate proportion, if any, of the amount of the premium for which that person is liable.
- (7) **Proportions may be adjusted by Adjudicator in certain circumstances** If the use to which a part of a building is put causes an insurance premium under this section to be greater than it would be if it were not put to that use, a person liable to pay a proportion of the insurance premium may apply to an Adjudicator for an order adjusting the proportions payable so that the proportion payable by the person in whom is vested the estate in fee simple for that part of the building reflects the extra amount of premium.
- (8) **Offence to breach insurance requirements** A person who breaches subsection (1) is guilty of an offence.

Maximum penalty: 5 penalty units.

- (9) **Defence to offence of not insuring** In any proceedings for an offence under subsection (8), it is a defence to establish that the defendant was willing to join in the insurance of a building under a damage policy but that the policy could not be taken out because another person specified in subsection (1) was unwilling to join in the application for that policy.

85 Valuations to be obtained for the purposes of insurance

- (1) A valuation of a building that is required to be insured under this Division must be obtained at least once every 5 years by:
- (a) if the whole building is the subject of one strata scheme, the owners corporation for that strata scheme, or
 - (b) in any other case, the owners corporation for each strata scheme for part of the building and any other person in whom is vested an estate in fee simple in part of the building that is not included in a stratum parcel.
- (2) The valuation must be carried out by a person who has the qualifications prescribed by the regulations.
- (3) The proportion of the cost of a valuation that is payable by an owners corporation or other person referred to in subsection (1) (b) is the same as the proportion of the premium for the damage policy that is payable by the owners corporation or person in respect of the building concerned.

86 Can a person be exempted from the requirement to insure?

- (1) A person required by this Division to insure a building may make an application to an Adjudicator for an order of exemption under this section, but an owners corporation may make such an application only in accordance with a unanimous resolution.
- (2) An Adjudicator may, on application and if of the opinion that compliance with the requirements to insure is unnecessary or impracticable, by order in writing:
- (a) exempt the applicant from compliance with those requirements unconditionally, or
 - (b) with the consent in writing of the applicant, exempt the applicant from compliance with those requirements subject to a condition that the applicant takes out such insurance for the building concerned as may be specified in the order.
- (3) An Adjudicator must not make an order under this section unless each other person required to insure the building has consented in writing to the making of the order or has, before the making of the order, been given an opportunity to make representations to an Adjudicator with respect to the application for the order.

- (4) A consent for the purposes of this section may be given by an owners corporation only in accordance with a unanimous resolution.
- (5) If an owners corporation is required by a positive covenant to insure the building, an order must not be made under this section until:
 - (a) at least 21 days after an Adjudicator has served notice on the authority having the benefit of the covenant of the intention to make the order, and
 - (b) the Adjudicator has considered any representations made during the 21-day period to an Adjudicator by the authority in relation to the intended order.
- (6) A person to whom an exemption has been granted under this section is not under a duty to comply with a requirement to insure under this Division or any corresponding requirement of a positive covenant.
- (7) However, if the exemption was granted subject to a condition referred to in subsection (2) (b), the person is under the duty, if in breach of that condition.

 - (c) if the amount so paid by the insurer equals the amount necessary to discharge a mortgage of the lot, the insurer is entitled to an assignment of that mortgage, and
 - (d) if the amount so paid by the insurer is less than the amount necessary to discharge a mortgage of the lot, the insurer is entitled to a sub-mortgage of that mortgage to secure the amount so paid on terms and conditions agreed on as provided by subsection (3) or, failing agreement, on the same terms and conditions as those contained in the mortgage by the owner.
- (3) For the purposes of subsection (2) (d), any insurer and mortgagee may at any time, whether before or after a contract of insurance referred to in subsection (1) has been entered into by an owner of a lot, agree on the terms and conditions of the sub-mortgage.
- (4) The contract of insurance is not liable to be brought into contribution with any other such contract of insurance except another contract of insurance that is in respect of damage to the same lot and relates to the same debt.

92 Insurance claim where owner at fault

Chapter 5 Disputes and orders of Adjudicators and Tribunal

Introductory note—

This Chapter gives power to Adjudicators and the Tribunal to make orders to settle disputes about certain matters relating to the operation and management of a strata scheme.

Initially, an application for an order is processed by the Registrar. The Registrar must refuse to deal with a matter if satisfied that mediation was appropriate and was not attempted.

A person may either apply under Part 2 for mediation of a matter or make other arrangements for mediation. If mediation of a matter is unsuccessful or a matter is not appropriate for mediation, the Registrar may accept the application for the order. Depending on the nature of the order requested, the application will be dealt with by either an Adjudicator or the Tribunal.

The Tribunal has power to require a person to pay a pecuniary penalty for a contravention of an order made by an Adjudicator or the Tribunal or for a contravention of a notice served on the person by an owners corporation requiring the person to comply with a particular by-law that the person has previously contravened.

An appeal may be made to the Tribunal against an order of an Adjudicator and an appeal may be made to the District Court against an order of the Tribunal.

173 Adjudicator to have regard to strata management statement

- (1) Before making any order relating to the management of a strata scheme for a stratum parcel or the management of the building concerned or its site, an Adjudicator must have regard to the strata management statement for the building.

 - (b) the order appealed against, and
 - (c) the grounds of the appeal, and
 - (d) any other prescribed particulars.
- (2) The only ground of appeal against the granting of an interim order is that the Adjudicator acted unreasonably in making the order.
- (3) The notice of appeal against an order made by an Adjudicator dismissing an application must be lodged not later than 21 days after the order takes effect.
- (4) The notice of appeal against any other order must be lodged:

- (4) If the order appealed against is an interim order, the Tribunal may determine the appeal by an order revoking the interim order or dismissing the appeal.
- (5) An order made by the Tribunal under subsection (3) has effect, and the provisions of this Act (other than the provisions conferring a right of appeal to the Tribunal) apply to it, as if it were an order made under the same provision as the order appealed against.
- (6) Subsection (5) does not exclude an appeal from an order of the Tribunal made under this section.
