# Government Information (Public Access) Regulation 2009 (2010 SI 343)

New South Wales

## Part 1 Preliminary

### 1 Name of Regulation

This Regulation is the *Government Information (Public Access) Regulation 2009*.

### 2 Definitions

(1) In this Regulation:

**LGA** means the *Local Government Act 1993*.

**the Act** means the *Government Information (Public Access) Act 2009*.

(2) Notes included in this Regulation do not form part of this Regulation.

## Part 2 Open access information of local authorities

### 3 Additional open access information

The government information listed in Schedule 1 that is held by a local authority is prescribed as open access information of the local authority.

**Note—**

The fact that information is open access information does not create an obligation to keep records indefinitely and does not interfere with records management practices and procedures of local authorities that are consistent with the *State Records Act 1998*.

### 4 Additional ways in which open access information is to be made available

(1) A local authority must make its open access information publicly available by:

- (a) making the information available for inspection free of charge by any person at the office of the local authority during ordinary office hours, and
- (b) providing a copy of a record containing the information (or providing the facilities for making a copy of a record containing the information) to any person either free of charge or for a charge not exceeding the reasonable cost of photocopying.

- (2) This clause does not prevent a local authority from archiving records that contain open access information in accordance with the authority's records management practices and procedures. The authority is required to retrieve archived records and make the information available in accordance with this clause in response to a request for access as soon as reasonably practicable after the request is made.
- (3) This clause extends to open access information of a local authority that is open access information listed in section 18 of the Act (and is not limited to information listed in Schedule 1).
