- (8) If land included in the adjusted description of the land includes any land not described in a relevant Schedule on the commencement of the Schedule, the land concerned is taken to have been subject, on and from the commencement of the Schedule, to the provisions of this Act applying to land described in the relevant Schedule.
- (9) The Director-General of the Department of Environment, Climate Change and Water may, in a notice published under this section for the purpose of adjusting the boundary of land adjoining a public road, declare that:
