**[23] Part 3A**

Insert after Part 3:

## **Part 3A Control of emergency animal pests**

### **Division 1 Duties**

#### **27A Duty to notify**

A person:

- (a) who owns any premises on which the person suspects there is an emergency animal pest, or
- (b) who owns, or is in charge of, or has in his or her possession or control, an animal that the person suspects is an emergency animal pest, or
- (c) who, in a professional capacity, is consulted in relation to an animal that the person suspects is an emergency animal pest, or in relation to land or premises on which the person suspects there is an emergency animal pest,

and who does not, as soon as possible after becoming aware of or suspecting the presence of the emergency animal pest, report it to an inspector by the quickest means of communication available to the person is guilty of an offence.

Maximum penalty: 200 penalty units.

#### **27B Release of emergency animal pests**

(1) A person must not:

- (a) intentionally or recklessly, do or cause or permit the doing of an act that is likely to result in the spread of emergency animal pests on any land, or

- (b) threaten to do an act or to cause or permit the doing of an act that is likely to result in the spread of emergency animal pests on any land.

Maximum penalty: 1,000 penalty units or imprisonment for 2 years, or both.

- (2) This section does not apply to a person who has the authority of the Director-General to be in possession of an emergency animal pest and who is acting in accordance with the regulations.

## **Division 2 Infested places**

### **27C Declaration of infested place**

- (1) If the Minister reasonably suspects any premises, place or area within the State to be infested with an emergency animal pest, the Minister may by order declare it to be an infested place.
- (2) The declaration must identify the classes or descriptions of animal products, fodder, fittings, soil, vehicles or other things that are affected by the declaration.
- (3) For the purposes of this section, a declaration may identify a class or description of things that are not animal products, fodder, fittings, soil or vehicles as affected by the declaration if those things are or could be infested with emergency animal pests, or could assist the spread of infestation of emergency animal pests.
- (4) Written notice of the declaration must be given to the owner or person in charge of or in apparent control of the premises, place or area to which the order relates.

### **27D Permit for entry or exit**

- (1) A person (other than an inspector) who:
  - (a) enters or leaves any premises, place or area declared to be an infested place, or
  - (b) causes, permits or assists any other person to enter or leave any such premises, place or area, or
  - (c) brings, moves or takes, or allows any person to bring, move or take, any animal product, fodder, fitting, soil or other thing to which the relevant declaration applies into, within or out of any such premises, place or area, or
  - (d) causes, permits or assists any vehicle to enter or leave any premises, place or area declared to be an infested place,

is guilty of an offence unless the person is authorised to do so by a permit and

the person complies with any conditions set out in the permit.

Maximum penalty: 400 penalty units or imprisonment for 12 months, or both.

- (2) Without limiting the powers of an inspector to attach conditions to a permit, a permit may be issued subject to the condition that the holder of the permit, or the animal product, fodder, fitting, soil, vehicle or other thing to which the permit relates:
- (a) must first be effectively disinfected to the satisfaction of the inspector and in a manner specified by the inspector before leaving or being taken out of the infested place, and
  - (b) must not go or be brought to any other premises or place where any specified animal products, fodder, fittings, soil or other things are located.

### **27E Entry and exit points**

- (1) Any movement of:
- (a) any vehicle affected by the relevant declaration into or out of an infested place, or
  - (b) any animal product, fodder, fittings, soil or other thing affected by the relevant declaration into or out of an infested place, or
  - (c) any person into or out of any such infested place,
- must be made only through a point or points specified in a notice issued by an inspector to the person in charge, or in apparent control, of the infested place.
- (2) The inspector may cause the notice to be published in a local newspaper or on the Department's internet website, or both.
- (3) A person who knows or has reason to believe any premises, place or area to be an infested place and who, in contravention of this section:
- (a) goes into or out of the infested place, or
  - (b) moves any other person into or out of the infested place, or
  - (c) moves any animal product, fodder, fitting, soil, vehicle or other thing affected by the relevant declaration into or out of the infested place,
- is guilty of an offence.

Maximum penalty: 400 penalty units or imprisonment for 12 months, or both.

## **Division 3 Restricted areas**

### **27F Declaration of restricted area**

- (1) If, in the opinion of the Minister, there is a possibility that any premises, place or area within the State may be or become infested with an emergency animal pest, the Minister may by order in writing declare the premises, place or area concerned to be a restricted area.
- (2) The declaration must identify the boundaries of the restricted area and the classes or descriptions of animal products, fodder, fittings, soil, vehicles or other things that are affected by it.
- (3) For the purposes of this section, a declaration may identify a class or description of things that are not animal products, fodder, fittings, soil or vehicles as affected by the declaration if those things are or could be infested with emergency animal pests, or could assist the spread of infestation of emergency animal pests.
- (4) Notice of an order declaring any premises, place or area to be a restricted area must be published:
  - (a) in the Gazette, and
  - (b) in a local newspaper or on the Department's internet website, or both.
- (5) An order of which notice has not been so published within 14 days after it was made is taken (unless it has already been revoked) to have been revoked at the end of that 14-day period.

### **27G Permit for entry or exit**

- (1) A person who causes or permits any animal products, fodder, fittings, soil, vehicles or other things to which the relevant declaration applies to be moved into, within or out of a restricted area is guilty of an offence unless the person is authorised to do so by a permit and the person complies with any condition set out in the permit.

Maximum penalty: 400 penalty units or imprisonment for 12 months, or both.

- (2) Without limiting the powers of an inspector to attach conditions to a permit, a permit referred to in subsection (1) may be issued subject to the condition that the holder of the permit, or the animal product, fodder, fitting, soil, vehicle or other thing to which the permit relates, is effectively disinfected to the satisfaction of the inspector and in a manner specified by the inspector, before leaving or being taken out of the restricted area.

## **27H Variation of boundaries of restricted areas including parts of roadways**

- (1) The boundaries of a restricted area as fixed by the relevant declaration may be varied, in so far as a restricted area includes any part of a roadway, by moving, in a manner appropriate to the new boundary, any sign placed pursuant to this Act as an indicator of the boundaries of the restricted area across the roadway.
- (2) The variation takes effect when the sign is moved to indicate the variation.

## **27I Entry and exit points**

- (1) Any movement of any animal product, fodder, fittings, soil, vehicle or other thing affected by the relevant declaration into or out of a restricted area must be made only through a point or points specified in a notice issued by an inspector and published in a local newspaper or on the Department's internet website, or both.
- (2) A person who knows, or has reason to believe, that any premises, place or area has been constituted a restricted area and who moves any animal product, fodder, fittings, soil, vehicle or other thing affected by the relevant declaration into or out of the premises, place or area in contravention of this section is guilty of an offence.

Maximum penalty: 400 penalty units or imprisonment for 12 months, or both.

## **27J Area restriction order**

- (1) The Minister may, by order published in the Gazette (an **area restriction order**), direct all or any specified persons or class of persons within a restricted area to take measures specified in the order for the purpose of controlling, eradicating or preventing the spread of an emergency animal pest.
- (2) An area restriction order may also authorise inspectors to take measures specified in the order within the restricted area for the purpose of controlling, eradicating or preventing the spread of an emergency animal pest.
- (3) An area restriction order must also be published in a local newspaper or on the Department's internet website, or both.
- (4) An area restriction order takes effect on publication and may do any of the following:
  - (a) require or authorise premises, vehicles or things (including soil) to be disinfected,
  - (b) require or authorise inspectors to take measures specified in the order within the restricted area for the purpose of controlling, eradicating or preventing the spread of an emergency animal pest,

(c) require or authorise other measures to be taken which the Minister considers reasonably necessary in the circumstances.

(5) A person who contravenes an area restriction order is guilty of an offence.

Maximum penalty: 400 penalty units or imprisonment for 12 months, or both.

## **Division 4 Control areas**

### **27K Declaration of control area**

(1) The Minister may by order in writing declare any premises, place or area within the State to be a control area if, in the opinion of the Minister, this is reasonably necessary for the purpose of preventing the spread of an emergency animal pest.

(2) The declaration must identify the boundaries of the control area.

(3) Notice of an order declaring any premises, place or area to be a control area must be published:

(a) in the Gazette, and

(b) in a local newspaper or on the Department's internet website, or both.

(4) An order of which notice has not been so published within 14 days after it was made is taken (unless it has already been revoked) to have been revoked at the end of that 14-day period.

### **27L Control orders**

(1) The Minister may, with respect to the whole or a specified part of a control area, by order in writing (a **control order**):

(a) prohibit, regulate or control the movement of specified animal products, fodder, fittings, soil, vehicles or other things into, out of or within the control area or specified part of the area, or

(b) order all or any specified persons within the control area or specified part of the area to take such measures as the Minister thinks fit to contain or eradicate the emergency animal pests, or

(c) authorise inspectors to take measures specified in the order within the control area or specified part of the area for the purpose of controlling, eradicating or preventing the spread of the emergency animal pests.

(2) A person who contravenes a control order is guilty of an offence.

Maximum penalty: 200 penalty units or imprisonment for 6 months, or both.

- (3) A person does not commit an offence under subsection (2) of contravening a control order if the act constituting the contravention is authorised by a permit granted to the person.
- (4) An order made in accordance with subsection (1) (b) must specify:
  - (a) the control area or the specified part of a control area to which the order relates, and
  - (b) the persons, or the specified persons, to whom the order applies, and
  - (c) the measures that those persons must take.

## **Division 5 General**

### **27M Permits**

- (1) An inspector may grant a permit authorising:
  - (a) the entry to or exit from, or movement within, an infested place, restricted area or control area, or
  - (b) the carrying out of any activity that is the subject of a control order.
- (2) The permit has effect for the period of time, and subject to any conditions, specified by the inspector in the permit. The inspector may specify such conditions as the inspector thinks fit, having regard to the nature and circumstances of the emergency animal pest and of the place or area to which the permit applies.
- (3) Without limiting the basis on which permits may be granted, a permit may be granted on a general basis so that it applies to a specified class of persons. Any such general permit may be granted by such means as may be approved by the Director-General.
- (4) Any inspector may revoke or vary a permit at any time by notice in writing to the holder of the permit. In the case of a permit that has been granted on a general basis to a specified class of persons, notice of the revocation or variation may be published on the Department's internet website.
- (5) The holder of a permit that has been revoked must, on request by the inspector, immediately deliver the revoked permit to the inspector who revoked it or to a person nominated by that inspector.

Maximum penalty: 5 penalty units.

### **27N Restraint of persons**

An inspector may, if in the inspector's opinion it is necessary to do so, use

reasonable force to restrain a person who is acting contrary to a requirement of this Part from so acting.

**27O Interfering with fence or gate in declared area**

A person must not break down, damage or leave open a fence, gate or fastening:

- (a) that is used for confining any animal, or regulating or preventing the movement of any animal, and
- (b) that provides access to, or is within, a declared area.

Maximum penalty: 5 penalty units.

**27P Other functions and liabilities not affected**

Nothing in this Part in any way limits or affects:

- (a) the functions of an inspector under this Act, or
- (b) the liability of any person for an offence under any other provision of this Act.

**209C Minister may declare quarantine area**

- (1) The Minister may, by order, declare any area or boat specified in the order to be a quarantine area because of the presence or suspected presence of noxious fish or noxious marine vegetation.
- (2) An area may be declared a quarantine area if:
  - (a) it is subject to an aquaculture permit, or
  - (b) it is an area of water, or
  - (c) it is an area in the immediate vicinity of an area of water, or
  - (d) it is a pet shop or an aquarium kept for commercial purposes or other place where noxious fish or suspected noxious fish are found that is used for commercial purposes.
- (3) An order declaring a quarantine area is to be published in the Gazette. However, if the Minister considers the order is required urgently, the order may be published:
  - (a) in a newspaper circulating, or by radio or television broadcast, in the area to which the order applies, or
  - (b) on the Department’s internet website.
- (4) The order is not required to be so published if served on the owner or occupier of the area or boat concerned.
- (5) The order commences on the day it is published or served in accordance with this section, or on such later day as may be specified in the order.
- (6) An order declaring a quarantine area may:
  - (a) prohibit the taking of fish or marine vegetation or specified fish or marine

vegetation in or from the quarantine area, and

- (b) prohibit or restrict the movement of fish or marine vegetation or specified fish or marine vegetation into, within or out of the quarantine area, and
- (c) exclude specified provisions of this Division in respect of any fish or marine vegetation, or specified fish or marine vegetation, taken from or deposited in the quarantine area or any part of the quarantine area, and
- (d) require a relevant person to take such action as is specified in the order or directed by a fisheries officer (including the destruction or treatment of fish or marine vegetation cultivated or located in the quarantine area), and
- (e) contain any other provisions authorised by the regulations.

If the order is not published in accordance with this section, the provisions of the order apply only to the persons on whom the order is served.

(7) For the purposes of this section, a **relevant person** means:

- (a) the holder of an aquaculture permit in respect of a quarantine area or part of a quarantine area, or
- (b) the owner or occupier of any land or premises or any boat that is or is within a quarantine area or the master of any such boat.

(8) A person who, without reasonable excuse, contravenes a provision of an order declaring a quarantine area is guilty of an offence.

Maximum penalty: In the case of a corporation, 1,000 penalty units or, in any other case, 500 penalty units.

(9) If a relevant person fails to take any action required by an order declaring a quarantine area, a fisheries officer may enter the quarantine area and take the required action.

(10) Subsection (9) does not authorise a fisheries officer to enter any premises used for residential purposes.

(11) If the fisheries officer takes such action:

- (a) the relevant person is not entitled to any compensation for any loss reasonably caused in taking that action, and
- (b) the Minister may recover from the relevant person the costs of taking that action as a debt in a court of competent jurisdiction.

**209D Release of noxious fish or noxious marine vegetation prohibited**

- (1) A person must not intentionally or recklessly release into any waters any live noxious fish or live noxious marine vegetation otherwise than under the authority of a permit issued by the Minister for the purposes of this section.

Maximum penalty: In the case of a corporation, 500 penalty units or, in any other case, 100 penalty units.

- (2) This section does not apply:

(a) if the fish are released in waters in which they are not noxious fish, or the marine vegetation is released in waters in which it is not noxious marine vegetation, for the purposes of this Division, or

(b) to the immediate return of fish to waters from which they were taken.

- (3) In this section, **release** fish or marine vegetation includes depositing them or permitting them to escape.

**[9] Section 210 Sale of noxious fish or noxious marine vegetation prohibited**
