Local Government Act 1993 No 30

New South Wales

An Act to provide for local government in New South Wales.

Chapter 1 Preliminary

Introduction—

This Chapter contains provisions which are helpful in understanding the Act as a whole, as well as some machinery provisions.

1 Name of Act

This Act may be cited as the *Local Government Act 1993*.

2 Commencement

This Act commences on a day or days to be appointed by proclamation.

3 Definitions

Expressions used in this Act (or in a particular provision of this Act) which are defined in the dictionary at the end of this Act have the meanings set out in the dictionary.

Note—

Expressions used in this Act (or in a particular provision of this Act) which are defined in the *Interpretation Act 1987* have the meanings set out in that Act.

4 Does this Act bind the Crown?

This Act binds the Crown in right of New South Wales and, in so far as the legislative power of Parliament permits, the Crown in all its other capacities, except to the extent to which this Act otherwise provides.

Note—

Particular provisions relating to the Crown are found in the following sections:

- sections 72–74—concerning determination of Crown applications for approvals
- section 111—concerning revocation or modification of approvals given to the Crown
- section 126—concerning the giving of orders affecting Crown lands, reserves under Part 5 of the *Crown Lands*

[Act 1989](#) and commons

5 To what parts of the State does this Act apply?

This Act applies to those parts of the State that are constituted as areas for the purposes of this Act, except as provided by or under this Act.

Note—

This Act does not apply to the whole of New South Wales. Some parts of the State do not come within a local government area. For example, parts of the Western Division of the State (to which the [Western Lands Act 1901](#) applies) and Lord Howe Island (to which the [Lord Howe Island Act 1953](#) applies) are not subject to this Act.

Some local government areas or parts may not be subject to this Act (or to all of its provisions) because of special statutory exceptions. Other exceptions may be provided by regulations made under this Act.

6 Notes in the text

Introductions to Chapters, notes, charts and diagrams are explanatory notes and do not form part of this Act. They are provided to assist understanding.

Chapter 2 What are the purposes of this Act?

Introduction—

This Chapter states the Parliament's purposes in enacting this Act.

Section 51 of the [Constitution Act 1902](#) provides:

- (1) There shall continue to be a system of local government for the State under which duly elected or duly appointed local government bodies are constituted with responsibilities for acting for the better government of those parts of the State that are from time to time subject to that system of local government.
- (2) The manner in which local government bodies are constituted and the nature and extent of their powers, authorities, duties and functions shall be as determined by or in accordance with laws of the Legislature.
- (3) The reference in subsection (2) to laws of the Legislature shall be read as a reference to laws that have been enacted by the Legislature, whether before or after the commencement of this section, and that are for the time being in force.
- (4) For the purposes of this section, the Western Lands Commissioner, the Lord Howe Island Board, and an administrator with all or any of the functions of a local government body, shall be deemed to be local government bodies.

The Chapter also aims to give an overview of the major elements in the system of local government in this State. It contains a diagram showing the way in which these elements relate to one another.

7 What are the purposes of this Act?

The purposes of this Act are as follows:

- (a) to provide the legal framework for an effective, efficient, environmentally responsible and open system of local government in New South Wales,
- (b) to regulate the relationships between the people and bodies comprising the system of local government in New South Wales,
- (c) to encourage and assist the effective participation of local communities in the affairs of local government,
- (d) to give councils:
 - the ability to provide goods, services and facilities, and to carry out activities, appropriate to the current and future needs of local communities and of the wider public
 - the responsibility for administering some regulatory systems under this Act
 - a role in the management, improvement and development of the resources of their areas,
- (e) to require councils, councillors and council employees to have regard to the principles of ecologically sustainable development in carrying out their responsibilities.

The system of local government in New South Wales

Chapter 3 What is a council's charter?

Introduction—

The charter contained in this Chapter comprises a set of principles that are to guide a council in the carrying out of its functions. A council may add other principles not inconsistent with those in the Chapter.

8 The council's charter

(1) A council has the following charter:

- to provide directly or on behalf of other levels of government, after due consultation, adequate, equitable and appropriate services and facilities for the

community and to ensure that those services and facilities are managed efficiently and effectively

- to exercise community leadership
- to exercise its functions in a manner that is consistent with and actively promotes the principles of multiculturalism
- to promote and to provide and plan for the needs of children
- to properly manage, develop, protect, restore, enhance and conserve the environment of the area for which it is responsible, in a manner that is consistent with and promotes the principles of ecologically sustainable development
- to have regard to the long term and cumulative effects of its decisions
- to bear in mind that it is the custodian and trustee of public assets and to effectively plan for, account for and manage the assets for which it is responsible
- to engage in long-term strategic planning on behalf of the local community
- to exercise its functions in a manner that is consistent with and promotes social justice principles of equity, access, participation and rights
- to facilitate the involvement of councillors, members of the public, users of facilities and services and council staff in the development, improvement and co-ordination of local government
- to raise funds for local purposes by the fair imposition of rates, charges and fees, by income earned from investments and, when appropriate, by borrowings and grants
- to keep the local community and the State government (and through it, the wider community) informed about its activities
- to ensure that, in the exercise of its regulatory functions, it acts consistently and without bias, particularly where an activity of the council is affected
- to be a responsible employer.

(2) A council, in the exercise of its functions, must pursue its charter but nothing in the charter or this section gives rise to, or can be taken into account in, any civil cause of action.

Chapter 4 How can the community influence what a council does?

Introduction—

Under this Chapter, meetings of the council and its committees are required, as a general rule, to be open to the public.

The Chapter provides for public access to information held by councils.

Apart from the provisions of this Chapter, members of the public may influence council decisions concerning matters such as the levels of rates and charges, the terms of community strategic plans, delivery programs and operational plans, the granting of development consents, etc (which are dealt with in later Chapters) by participating in council community engagement activities including by making submissions to the council and comments on or objections to proposals relating to those matters.

The Chapter also enables the council to ascertain the views of the local community on various matters through 2 types of polls which may be conducted in the area. A summary of these polls is contained in Part 3 of this Chapter.

Part 1 Open meetings

9 Public notice of meetings

- (1) A council must give notice to the public of the times and places of its meetings and meetings of those of its committees of which all the members are councillors.
- (2) A council and each such committee must have available for the public at its offices and at each meeting copies (for inspection or taking away by any person) of the agenda and the associated business papers (such as correspondence and reports) for the meeting.
 - (2A) In the case of a meeting whose agenda includes the receipt of information or discussion of other matters that, in the opinion of the general manager, is likely to take place when the meeting is closed to the public:
 - (a) the agenda for the meeting must indicate that the relevant item of business is of such a nature (but must not give details of that item), and
 - (b) the requirements of subsection (2) with respect to the availability of business papers do not apply to the business papers for that item of business.
- (3) The copies are to be available to the public as nearly as possible to the time they are available to councillors.
- (4) The copies are to be available free of charge.
- (5) A notice given under this section or a copy of an agenda or of a business paper made available under this section may in addition be given or made available in electronic form.

10 Who is entitled to attend meetings?

- (1) Except as provided by this Part:
 - (a) everyone is entitled to attend a meeting of the council and those of its committees of which all the members are councillors, and
 - (b) a council must ensure that all meetings of the council and of such committees are open to the public.
- (2) However, a person (whether a councillor or another person) is not entitled to be

present at a meeting of the council or of such a committee if expelled from the meeting:

(a) by a resolution of the meeting, or

(b) by the person presiding at the meeting if the council has, by resolution, authorised the person presiding to exercise the power of expulsion.

(3) A person may be expelled from a meeting only on the grounds specified in, or in the circumstances prescribed by, the regulations.

10A Which parts of a meeting can be closed to the public?

(1) A council, or a committee of the council of which all the members are councillors, may close to the public so much of its meeting as comprises:

(a) the discussion of any of the matters listed in subclause (2), or

(b) the receipt or discussion of any of the information so listed.

(2) The matters and information are the following:

(a) personnel matters concerning particular individuals (other than councillors),

(b) the personal hardship of any resident or ratepayer,

(c) information that would, if disclosed, confer a commercial advantage on a person with whom the council is conducting (or proposes to conduct) business,

(d) commercial information of a confidential nature that would, if disclosed:

(i) prejudice the commercial position of the person who supplied it, or

(ii) confer a commercial advantage on a competitor of the council, or

(iii) reveal a trade secret,

(e) information that would, if disclosed, prejudice the maintenance of law,

(f) matters affecting the security of the council, councillors, council staff or council property,

(g) advice concerning litigation, or advice that would otherwise be privileged from production in legal proceedings on the ground of legal professional privilege,

(h) information concerning the nature and location of a place or an item of Aboriginal significance on community land.

(3) A council, or a committee of the council of which all the members are councillors, may also close to the public so much of its meeting as comprises a motion to close another

part of the meeting to the public.

(4) A council, or a committee of a council, may allow members of the public to make representations to or at a meeting, before any part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

(5), (6) (Repealed)

10B Further limitations relating to closure of parts of meetings to public

(1) A meeting is not to remain closed during the discussion of anything referred to in section 10A (2):

(a) except for so much of the discussion as is necessary to preserve the relevant confidentiality, privilege or security, and

(b) if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret—unless the council or committee concerned is satisfied that discussion of the matter in an open meeting would, on balance, be contrary to the public interest.

(2) A meeting is not to be closed during the receipt and consideration of information or advice referred to in section 10A (2) (g) unless the advice concerns legal matters that:

(a) are substantial issues relating to a matter in which the council or committee is involved, and

(b) are clearly identified in the advice, and

(c) are fully discussed in that advice.

(3) If a meeting is closed during the discussion of a motion to close another part of the meeting to the public (as referred to in section 10A (3)), the consideration of the motion must not include any consideration of the matter or information to be discussed in that other part of the meeting (other than consideration of whether the matter concerned is a matter referred to in section 10A (2)).

(4) For the purpose of determining whether the discussion of a matter in an open meeting would be contrary to the public interest, it is irrelevant that:

(a) a person may misinterpret or misunderstand the discussion, or

(b) the discussion of the matter may:

(i) cause embarrassment to the council or committee concerned, or to councillors or to employees of the council, or

(ii) cause a loss of confidence in the council or committee.

- (5) In deciding whether part of a meeting is to be closed to the public, the council or committee concerned must have regard to any relevant guidelines issued by the Director-General.

10C Notice of likelihood of closure not required in urgent cases

Part of a meeting of a council, or of a committee of the council of which all the members are councillors, may be closed to the public while the council or committee considers a matter that has not been identified in the agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if:

- (a) it becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A (2), and
- (b) the council or committee, after considering any representations made under section 10A (4), resolves that further discussion of the matter:
 - (i) should not be deferred (because of the urgency of the matter), and
 - (ii) should take place in a part of the meeting that is closed to the public.

10D Grounds for closing part of meeting to be specified

- (1) The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the minutes of the meeting.
- (2) The grounds must specify the following:
 - (a) the relevant provision of section 10A (2),
 - (b) the matter that is to be discussed during the closed part of the meeting,
 - (c) the reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which discussion of the matter in an open meeting would be, on balance, contrary to the public interest.

10E (Repealed)

11 Public access to correspondence and reports

- (1) A council and a committee of which all the members are councillors must, during or at the close of a meeting, or during the business day following the meeting, give reasonable access to any person to inspect correspondence and reports laid on the table at, or submitted to, the meeting.
- (2) This section does not apply if the correspondence or reports:
 - (a) relate to a matter that was received or discussed, or

(b) were laid on the table at, or submitted to, the meeting,
when the meeting was closed to the public.

(3) This section does not apply if the council or committee resolves at the meeting, when open to the public, that the correspondence or reports, because they relate to a matter specified in section 10A (2), are to be treated as confidential.

Part 2

12-13 (Repealed)

Part 3 Expressions of community opinion

Division 1 Council polls

14 Council polls

A council may take a poll of electors for its information and guidance on any matter.

Division 2 Constitutional referendums

15 What is a constitutional referendum?

A constitutional referendum is a poll initiated by a council in order to give effect to a matter referred to in section 16.

16 What matters must be dealt with at a constitutional referendum?

A council may not do any of the following unless approval to do so has been given at a constitutional referendum:

- (a) divide its area into wards or abolish all wards in its area,
- (b) change the basis on which the mayor attains office (that is, by election by the councillors or by election by the electors),
- (c) increase or decrease the number of councillors in accordance with the limits under section 224,
- (d) change the method of ordinary election of councillors for an area divided into wards.
- (e) (Repealed)

17 What is the effect of a constitutional referendum?

- (1) The decision made at a constitutional referendum binds the council until changed by a subsequent constitutional referendum.
- (2) However, such a decision does not apply to a by-election held after the constitutional

referendum and before the next ordinary election.

Division 3 General provisions concerning a council poll or constitutional referendum

18 What provisions apply to the conduct of a council poll or constitutional referendum?

Part 1 and Part 6 (except Divisions 3, 4 and 5) of Chapter 10 (How are people elected to civic office?) apply to a council poll, and Part 1 and Part 6 (except Divisions 3 and 5) of that Chapter apply to a constitutional referendum, with such modifications as may be necessary, in the same way as they apply to an election.

Note—

Part 1 of Chapter 10 identifies the people who are entitled to vote in council elections, and Part 6 governs the conduct of those elections.

Division 3 of Part 6 of that Chapter deals with nominations for election, Division 4 with failure to vote and Division 5 with miscellaneous matters such as irregularities of form or procedure in elections, overdue elections and those declared void.

19 Day for taking council poll or constitutional referendum

A council poll or constitutional referendum may be taken on any Saturday, including the Saturday of an ordinary election.

20 When is a question at a council poll or constitutional referendum carried?

- (1) The question at a council poll or constitutional referendum is carried if it is supported by a majority of the votes cast.
- (2) The reference to votes in subsection (1) does not include a reference to any vote that, pursuant to the regulations, is found to be informal.

Chapter 5 What are a council's functions?

Introduction—

This Chapter specifies a council's functions. In doing so, it recognises that all functions of a council come from statute, either from this Act or another Act.

21 Functions under this Act

A council has the functions conferred or imposed on it by or under this Act.

Note—

This Act classifies certain of a council's functions as service, that is, non-regulatory (Chapter 6), regulatory (Chapter 7) or ancillary (Chapter 8). Ancillary functions are those functions that assist the carrying out of a council's service and regulatory functions.

A council also has revenue functions (Chapter 15), administrative functions (Chapters 11, 12 and 13) and functions relating to the enforcement of this Act (Chapters 16 and 17).

22 Other functions

A council has the functions conferred or imposed on it by or under any other Act or law.

Note—

While the main functions of councils are provided for under this Act, councils also have functions under other Acts. An important general provision is contained in section 50 of the [Interpretation Act 1987](#) which provides, in part:

(1) A statutory corporation:

- (a) has perpetual succession,
- (b) shall have a seal,
- (c) may take proceedings and be proceeded against in its corporate name,
- (d) may, for the purpose of enabling it to exercise its functions, purchase, exchange, take on lease, hold, dispose of and otherwise deal with property, and
- (e) may do and suffer all other things that bodies corporate may, by law, do and suffer and that are necessary for, or incidental to, the exercise of its functions ...

(4) This section applies to a statutory corporation in addition to, and without limiting the effect of, any provision of the Act by or under which the corporation is constituted.

Some other Acts and some of the functions they confer include:

Community Land Development Act 1989	planning functions as consent authority
Companion Animals Act 1998	companion animal registration and control

Chapter 6 What are the service functions of councils?

Introduction—

This Chapter confers on councils their service or non-regulatory functions. Examples of these functions include the provision, management or operation of:

- community services and facilities
- public health services and facilities
- cultural, educational and information services and facilities
- sporting, recreational and entertainment services and facilities
- environment conservation, protection and improvement services and facilities
- waste removal, treatment and disposal services and facilities
- pest eradication and control services and facilities
- public transport services and facilities
- energy production, supply and conservation
- water, sewerage and drainage works and facilities
- storm water drainage and flood prevention, protection and mitigation services and facilities
- fire prevention, protection and mitigation services and facilities
- land and property development
- housing
- industry development and assistance
- tourism development and assistance.

This list of examples is not exhaustive.

These functions are conferred in broad terms in Part 1. Particular provisions are made for the management of public land in Part 2. Part 3 imposes some restraints and qualifications on the exercise of the service functions.

A council may have other service functions under other Acts. For example, a council has functions relating to the provision and management of roads under the [Roads Act 1993](#).

Part 1 General

24 Provision of goods, services and facilities and carrying out of activities

A council may provide goods, services and facilities, and carry out activities, appropriate to the current and future needs within its local community and of the wider public, subject to this Act, the regulations and any other law.

Part 2 Public land

Note—

This Part requires all land vested in a council (except a road or land to which the [Crown Lands Act 1989](#) applies) to be classified as either “community” or “operational”.

The classification will generally be achieved by a local environmental plan but may, in some circumstances, be achieved by resolution of the council (see sections 31, 32 and 33).

The purpose of classification is to identify clearly that land which should be kept for use by the general public (community) and

that land which need not (operational). The major consequence of classification is that it determines the ease or difficulty with which land may be alienated by sale, leasing or some other means.

Community land must not be sold (except in the limited circumstances referred to in section 45 (4)). Community land must not be leased or licensed for more than 21 years and may only be leased or licensed for more than 5 years if public notice of the proposed lease or licence is given and, in the event that an objection is made to the proposed lease or licence, the Minister's consent is obtained. No such restrictions apply to operational land.

Classification or reclassification of land does not affect any estate or interest a council has in the land.

Community land would ordinarily comprise land such as a public park. Operational land would ordinarily comprise land held as a temporary asset or as an investment, land which facilitates the carrying out by a council of its functions or land which may not be open to the general public, such as a works depot or a council garage.

The use and management of community land is to be regulated by a plan of management. Until a plan of management is adopted, the nature and use of the land must not change.

Division 1 Classification and reclassification of public land

25 All public land must be classified

All public land must be classified in accordance with this Part.

26 What are the classifications?

There are 2 classifications for public land—"community" and "operational".

Note—

On the commencement of this Part, certain land that is vested in or under the control of a council is taken to have been classified as community land by the operation of clause 6 of Schedule 7.

27 How are the classifications made?

- (1) The classification or reclassification of public land may be made by a local environmental plan.
- (2) The classification or reclassification of public land may also be made by a resolution of the council under section 31, 32 or 33.

28 Forwarding of planning proposals to Minister for Planning

- (1) A council may not forward a planning proposal to the Minister for Planning under section 56 of the *Environmental Planning and Assessment Act 1979* which includes a proposal to classify or reclassify public land that is not owned by the council unless the council has obtained the consent of the owner to the proposed classification or reclassification of public land.
- (2) A local environmental plan that classifies or reclassifies public land may apply to one or more areas of public land.

29 Public hearing into reclassification

- (1) A council must arrange a public hearing under section 57 of the *Environmental*

Planning and Assessment Act 1979 in respect of a planning proposal under Part 3 of that Act to reclassify community land as operational land, unless a public hearing has already been held in respect of the same matter as a result of a determination under section 56 (2) (e) of that Act.

- (2) A council must, before making any resolution under section 32, arrange a public hearing in respect of any proposal to reclassify land as operational land by such a resolution.

30 Reclassification of community land as operational

- (1) A local environmental plan that reclassifies community land as operational land may make provision to the effect that, on commencement of the plan, the land, if it is a public reserve, ceases to be a public reserve, and that the land is by operation of the plan discharged from any trusts, estates, interests, dedications, conditions, restrictions and covenants affecting the land or any part of the land, except for:
- (a) any reservations that except land out of a Crown grant relating to the land, and
 - (b) reservations of minerals (within the meaning of the *Crown Lands Act 1989*).
- (2) A provision referred to in subsection (1) has effect according to its tenor, but only if the Governor has, before the making of the local environmental plan, approved of the provision.

31 Classification of land acquired after 1 July 1993

- (1) This section applies to land that is acquired by a council after the commencement of this Division, other than:
- (a) land to which the *Crown Lands Act 1989* applied before the acquisition and continues to apply after the acquisition, and
 - (b) land that is acquired for the purpose of a road.
- (2) Before a council acquires land, or within 3 months after it acquires land, a council may resolve (in accordance with this Part) that the land be classified as community land or operational land.
- (2A) Any land acquired by a council that is not classified under subsection (2) is, at the end of the period of 3 months referred to in that subsection, taken to have been classified under a local environmental plan as community land.
- (2B) While the land remains unclassified:
- (a) the land may not be used for any purpose other than that for which it was being used immediately before it was acquired, and
 - (b) the council may not dispose of any interest in the land.

- (3) A council must not resolve under this section that land be classified as operational land if:
- (a) the land is classified as community land immediately before its acquisition, or
 - (b) the resolution would be inconsistent with any other Act, the terms of any trust applying to the land or the terms of any instrument executed by the donor or transferor of the land.

32 Reclassification of land dedicated under sec 94 of the [Environmental Planning and Assessment Act 1979](#)

- (1) A council may resolve that land dedicated in accordance with a condition imposed under section 94 of the [Environmental Planning and Assessment Act 1979](#) is to be reclassified as operational land.
- (2) A council may make such a resolution only if it is satisfied that the land has been found to be unsuitable for the provision, extension or augmentation of public amenities and public services because of any one or more of the following:
- the size of the land
 - the shape of the land
 - the topography of the land
 - the location of the land
 - the difficulty of providing public access to the land.
- (3) The council must specify in the resolution the grounds on which it is satisfied the land is unsuitable.
- (4) Before making the resolution, the council must give public notice of the resolution. The public notice must specify a period of not less than 28 days during which submissions may be made to the council.
- (5) The net proceeds of sale by a council of any land dedicated in accordance with a condition imposed under section 94 of the [Environmental Planning and Assessment Act 1979](#) must be dealt with under that section as if those net proceeds were a monetary contribution paid instead of the dedication.

33 Reclassification of operational land as community land

- (1) A council may resolve that public land classified as operational land is to be reclassified as community land.
- (2) (Repealed)

34 Public notice to be given of classification or reclassification by council resolution

- (1) A council must give public notice of a proposed resolution to classify or reclassify public land.
- (2) The public notice must include the terms of the proposed resolution and a description of the public land concerned.
- (3) The public notice must specify a period of not less than 28 days during which submissions may be made to the council.
- (4) (Repealed)

 - (c) the council is satisfied that there are exceptional circumstances that warrant refusal of the application.
- (5B) Before refusing an application on a ground referred to in subsection (5A) (c), the council must consider whether any concerns it has could be addressed by imposing conditions on the grant.
- (5C) If the council refuses an application, it must:
- (a) inform the applicant in writing of its decision as soon as practicable after it is made, and
 - (b) give the applicant reasons in writing for its decision within 3 business days after it is made.
- (6) A plan of management is void to the extent that it purports to authorise the grant of a lease, licence or other estate in contravention of this section.

46A Means of granting leases, licences and other estates

- (1) A plan of management is to specify, in relation to the community land to which it applies, any purposes for which a lease, licence or other estate may be granted only by tender in accordance with Division 1 of Part 3.
- (2) Nothing in this section precludes a council from applying a tender process in respect of the grant of any particular lease, licence or estate.

- (3) A lease or licence for a term exceeding 5 years may be granted only by tender in accordance with Division 1 of Part 3, unless it is granted to a non-profit organisation.

47 Leases, licences and other estates in respect of community land—terms greater than 5 years

- (1) If a council proposes to grant a lease, licence or other estate in respect of community land for a period (including any period for which the lease, licence or other estate could be renewed by the exercise of an option) exceeding 5 years, it must:
- (a) give public notice of the proposal, and
 - (b) exhibit notice of the proposal on the land to which the proposal relates, and
 - (c) give notice of the proposal to such persons as appear to it to own or occupy the land adjoining the community land, and

- (2) A notice of the proposal must include:
- information sufficient to identify the community land concerned
 - the purpose for which the land will be used under the proposed lease, licence or other estate
 - the term of the proposed lease, licence or other estate (including particulars of any options for renewal)
 - the name of the person to whom it is proposed to grant the lease, licence or other estate (if known)

- a statement setting out the manner in which and the extent to which the public interest would, in the council's opinion, be affected by the granting of the proposed lease, licence or other estate, including the manner in which and the extent to which the needs of the area with respect to community land would, in the council's opinion, be adversely affected by the granting of the proposed lease, licence or other estate.

(7) On receipt of the application, the Minister must request the Director of Planning to furnish a report concerning the application within such period as the Minister specifies.

(8) After considering the application and any report of the Director of Planning, the Minister, if satisfied that:

- (a) subsections (1), (2) and (6) have been complied with, and
- (b) such consent would not contravene section 46, and
- (c) in all the circumstances, it is desirable to grant consent,

may consent to the granting of a lease, licence or other estate in respect of the whole or part of the land to which the application relates, subject to such terms and conditions as the Minister specifies.

(8AA) The Minister may consent to a lease or licence referred to in subsection (5) (b) only

if the Minister is satisfied that there are special circumstances that justify the period of the lease or licence exceeding 21 years.

- (8A) On request by any person, the Minister must provide that person, within 14 days of that request, with a written statement of reasons for consenting to, or refusing to consent to, the granting of a lease, licence or other estate in accordance with subsection (8).
- (9) The Minister's consent is conclusive evidence that the council has complied with subsections (1), (2) and (6).
- (10) For the purposes of this section, any provision made by a lease or licence, or by an instrument granting any other estate, in respect of community land, according to which the council:
- (a) would suffer a disadvantage or penalty if the same or a similar lease, licence or estate were not to be granted, for a further term, after the expiry of the current lease, licence or other estate, or
 - (b) would enjoy an advantage or benefit if the same or a similar lease, licence or estate were to be so granted,

is taken to confer an option for renewal for a term equal to the further term.

47A Leases, licences and other estates in respect of community land—terms of 5 years or less

- (1) This section applies to a lease, licence or other estate in respect of community land granted for a period that (including any period for which the lease, licence or other estate could be renewed by the exercise of an option) does not exceed 5 years, other than a lease, licence or other estate exempted by the regulations.
- (2) If a council proposes to grant a lease, licence or other estate to which this section applies:

- (6) When creating a folio of the Register under the *Real Property Act 1900* for public garden and recreation space vested in the council under this section, the Registrar-General must record in the folio, by reference to this section or otherwise, that the land is dedicated as a public reserve.

51 Use of land held for drainage purposes

Land that is held by council for drainage purposes may be used for any other purpose that is not inconsistent with its use for drainage purposes, subject to the *Environmental Planning and Assessment Act 1979* and any environmental planning instrument applying to the land.

52 Effect of sec 28 of the *Environmental Planning and Assessment Act 1979*

This Part is not a regulatory instrument for the purposes of section 28 of the *Environmental Planning and Assessment Act 1979*.

Note—

Section 28 of the *Environmental Planning and Assessment Act 1979* empowers an environmental planning instrument to provide that, to the extent necessary to enable development to be carried out in accordance with such an instrument or with a consent granted under that Act, a regulatory instrument (an Act, rule, regulation, by-law, ordinance, proclamation, agreement, covenant or instrument by or under whatever authority made) is not to apply to the development. Section 52 prevents section 28 of that Act from removing any of the controls imposed by this Part.

- (3) The council is to issue a certificate to the applicant stating the classification of the public land as at the date of the certificate.
- (4) The production of the certificate is taken for all purposes to be conclusive proof of the matter certified.

54A Community land to be described in common terms

Any public notice given by a council with respect to a parcel of community land must describe the land by reference to its common description (such as its address, or the name by which it is generally known) whether or not the notice also describes the land by reference to a more formal legal description.

Part 2A Environmental upgrade agreements

54C Definitions

In this Part:

environmental upgrade agreement—see section 54D.

environmental upgrade charge—see section 54G.

environmental upgrade works—see section 54E.

owners corporation for a strata scheme means the owners corporation for the strata scheme constituted under the [Strata Schemes Management Act 1996](#).

strata building means a building containing a lot or part of a lot that is the subject of a strata scheme.

strata scheme means a strata scheme under the [Strata Schemes \(Freehold Development\) Act 1973](#) or a leasehold strata scheme under the [Strata Schemes \(Leasehold Development\) Act 1986](#).

54D Environmental upgrade agreement

- (1) A council may enter into an environmental upgrade agreement with a building owner and a finance provider in relation to a building.
- (2) An **environmental upgrade agreement** is an agreement under which:
 - (a) a building owner agrees to carry out environmental upgrade works in respect of a building, and
 - (b) a finance provider agrees to advance funds to the building owner to finance those environmental upgrade works, and
 - (c) the council agrees to levy a charge on the relevant land for the purpose of repaying the advance to the finance provider.
- (3) A building owner is a person who is the owner of the land on which the building is erected.
- (4) For a building erected on land that is the subject of a strata scheme, the owners corporation for the strata scheme is taken to be the building owner.
- (5) The function of entering into an environmental upgrade agreement can be delegated by a council only to the general manager of the council. The delegation must specify the building or buildings to which the delegation relates.
- (6) Other persons may also be party to an environmental upgrade agreement.

54E What are environmental upgrade works?

- (1) For the purposes of this Part, **environmental upgrade works** are works to improve the energy, water or environmental efficiency or sustainability of the building to which the agreement relates.
- (2) Environmental upgrade works include any works declared by the regulations to be

environmental upgrade works.

- (3) Environmental upgrade works do not include any works declared by the regulations to be excluded works.
- (4) More than one environmental upgrade agreement may be entered into in relation to the same environmental upgrade works.

54F Buildings that can be subject of environmental upgrade agreement

- (1) An environmental upgrade agreement must relate to an existing building (that is, a building that is complete and ready for lawful use and occupation at the time the agreement is entered into).
- (2) The building must be a non-residential building or a strata building that is the subject of a multi-residence scheme.
- (3) A non-residential building is a building used wholly or predominantly for commercial, industrial or other non-residential purposes.
- (4) A multi-residence scheme is a strata scheme comprising more than 20 lots (disregarding utility lots and lots used for parking).
- (5) The building must be located in the council's area at the time that the agreement is entered into.

54G Contents of environmental upgrade agreement

- (1) An environmental upgrade agreement must specify the following:
 - (a) the environmental upgrade works to be carried out by or on behalf of the building owner under the agreement,
 - (b) the amount of the advance or advances to be made by the finance provider under the agreement,
 - (c) the arrangements for repayment of the advance or advances (the **agreed repayment arrangements**).
- (2) The agreed repayment arrangements may require the council to levy a charge (an **environmental upgrade charge**) for the purpose of discharging the building owner's obligation to repay the advance or advances made by the finance provider under the agreement (including any interest or other charges payable under the agreement).
- (3) The agreed repayment arrangements must specify:
 - (a) the amount of the environmental upgrade charge or charges to be levied by the council under the agreement (or a method for calculating the amount of the

charge or charges), and

(b) the date or dates on which the charge or charges are to be levied by the council, and

(c) any adjustments to be made to the charge or charges in the event of late payment.

- (4) Money paid to a council in respect of an environmental upgrade charge is to be paid by the council to the finance provider in accordance with the environmental upgrade agreement.
- (5) An environmental upgrade agreement may permit the early repayment of any amount payable under the agreement.
- (6) An environmental upgrade agreement must be in writing.
- (7) An environmental upgrade agreement may include any other provisions agreed to by the parties.
- (8) An environmental upgrade agreement may be varied or terminated by further agreement between the council, the finance provider and the building owner for the time being.

54H Council fees under agreement

- (1) An environmental upgrade agreement may authorise a council to deduct from any money paid in respect of an environmental upgrade charge, and retain, as a council fee:
 - (a) a service fee, being a fee to cover any costs incurred by the council in entering into, or administering, the agreement, and
 - (b) a late payment fee, being the amount, or a part of the amount, charged under the agreement for late payment of an environmental upgrade charge.
- (2) The environmental upgrade agreement must specify the amount of, or a method for calculating, any such council fee.
- (3) Part 10 of Chapter 15 does not apply in respect of a council fee charged under an environmental upgrade agreement.
- (4) However, section 610D applies to the service fee component of the council fee.

54I Power to levy environmental upgrade charge

- (1) A council may levy an environmental upgrade charge in accordance with an environmental upgrade agreement.

- (2) An environmental upgrade charge may be levied only on the land on which the building to which the environmental upgrade agreement relates is erected or, in the case of a strata building, the land that is the subject of the relevant strata scheme.

54J Application of other charge provisions to environmental upgrade charge

- (1) The relevant provisions apply in respect of an environmental upgrade charge in the same way as they apply in respect of a charge levied under Chapter 15.
- (2) The **relevant provisions** are the following provisions:
 - (a) Chapter 15—sections 543, 544, 545, 546 (1), (3), (4) and (5), 550, 561, 569, 571, 573, 602 and 603,
 - (b) Chapter 17—sections 695, 696 and 712 and Division 5 of Part 2.
- (3) The relevant provisions apply with the following modifications:
 - (a) in section 545, a reference to a provision of Part 4 of Chapter 15 is taken to include a reference to a provision of this Part,
 - (b) in section 550, a reference to a rate or charge levied under this Act is taken to include a reference to any amount charged under an environmental upgrade agreement for late payment of an environmental upgrade charge.
- (4) The regulations may further apply, disapply or modify the operation of any provision of this Act that relates to charges levied by a council in respect of an environmental upgrade charge.

54K Special provisions relating to strata buildings

- (1) An environmental upgrade charge that is levied in respect of land that is the subject of a strata scheme is payable by the owners corporation for that strata scheme.
- (2) This section has effect despite section 561, as applied by this Part.
- (3) An owners corporation may determine whether environmental upgrade charges are to be paid from its sinking fund or its administrative fund.
- (4) An owners corporation for a strata scheme must, on the request of an owner of a lot that forms part of the strata scheme, provide to the owner a copy of any environmental upgrade agreement that relates to premises the subject of the strata scheme.
- (5) The regulations may disapply or modify the operation of any provision of the *Strata Schemes Management Act 1996* in relation to environmental upgrade charges.

54L Payment of environmental upgrade charge

- (1) An environmental upgrade charge is to be paid within 28 days after notice of the charge is served on the person liable to pay it.
- (2) When an environmental upgrade charge is paid to a council, the council may deduct from the payment, and retain, any amount that the council is authorised to deduct and retain as a council fee under the agreement.
- (3) Money paid to a council in respect of an environmental upgrade charge, other than any council fee retained by the council, must be held, pending its payment to the finance provider to which it is to be paid, in the council's trust fund in trust for the finance provider.
- (4) A separate account is to be established in the council's trust fund for money paid in respect of environmental upgrade charges.
- (5) Money paid to a council in respect of an environmental upgrade charge does not form part of the council's general income under Part 2 of Chapter 15.

54M Liability of council to recover charge

- (1) A council must use its best endeavours to recover an environmental upgrade charge in accordance with any requirements imposed on it by an environmental upgrade agreement.
- (2) However, a council is not liable for any failure by a person to pay an environmental upgrade charge or part of an environmental upgrade charge.
- (3) Accordingly, any such failure does not make the council liable to pay the outstanding amount to the finance provider.

54N Recovery of contributions from lessees

- (1) A provision of a lease may require a lessee to pay to the lessor a contribution towards an environmental upgrade charge payable under an environmental upgrade agreement that relates to premises that are the subject of the lease.
- (2) The amount recoverable by the lessor as a contribution must not exceed a reasonable estimate of the cost savings to be made by the lessee, as a consequence of the environmental upgrade works provided for by the environmental upgrade agreement, during the period to which the contribution relates.
- (3) An environmental upgrade agreement may make provision for the recovery of contributions by a lessor (including by providing for the methodology by which the cost savings to be made by a lessee are to be estimated), in which case a contribution is recoverable only in accordance with that agreement.

- (4) The methodology may permit both savings made directly by the lessee and a proportion of savings made by all occupants of the relevant building to be counted towards the cost savings made by the lessee.
- (5) The parties to a lease may agree that subsections (2)–(4) do not apply in respect of the lease. In such a case, the lease may make alternative provision for the payment by the lessee of a contribution towards an environmental upgrade charge payable under an environmental upgrade agreement.
- (6) A lessor is not entitled to recover a contribution from a lessee towards the payment of an environmental upgrade charge unless the lessor provides to the lessee, on request by the lessee, a copy of the environmental upgrade agreement to which the contribution relates.
- (7) This section applies despite section 23 of the *Retail Leases Act 1994* and section 40 of the *Residential Tenancies Act 2010*.
- (8) To avoid doubt, a contribution referred to in this section is an outgoing for the purposes of the *Retail Leases Act 1994*.

Note—

See, in particular, section 27 of the *Retail Leases Act 1994*.

- (9) The regulations may make further provision for or with respect to the making of contributions towards environmental upgrade charges by lessees.
- (10) In particular, the regulations may disapply or modify the operation of any provision of the *Retail Leases Act 1994* or the *Residential Tenancies Act 2010* in relation to any such contribution.
- (11) In this section:

lease means an agreement under which a person grants to another person for value a right of occupation of premises.

540 Agreements to be made on a voluntary basis

- (1) Entry into an environmental upgrade agreement is voluntary.
- (2) A council must not require a person to enter into an environmental upgrade agreement, whether as a condition of a development consent or a requirement of an order under the *Environmental Planning and Assessment Act 1979* or by any other means.
- (3) This section does not prevent a planning agreement under the *Environmental Planning and Assessment Act 1979* making provision for entry into an environmental upgrade agreement.

54P Reporting requirements

- (1) A council must include particulars of any environmental upgrade agreement entered into by the council in its annual report, in accordance with any requirements imposed under section 406.
- (2) The Director-General is to consult with the Director-General of the Department of Environment, Climate Change and Water regarding the requirements that are to apply under that section in respect of environmental upgrade agreements.
- (3) A council is authorised to disclose information about any environmental upgrade agreement to which it is a party to the Director-General of the Department of Environment, Climate Change and Water.
- (4) A council is required to disclose any information about an environmental upgrade agreement to which it is a party that is requested by the Director-General of the Department of Environment, Climate Change and Water.

54Q Guidelines

- (1) The Minister for Climate Change and the Environment may, with the concurrence of the Minister administering this Act, from time to time prepare, adopt or vary guidelines relating to environmental upgrade agreements and the functions of councils under this Part.
- (2) In particular, the guidelines may specify provisions that may be included in an environmental upgrade agreement with respect to:
 - (a) the making of contributions by lessees towards environmental upgrade charges payable under an agreement (including by providing for the methodology by which the cost savings to be made by a lessee as a consequence of environmental upgrade works are to be estimated), and
 - (b) progress or implementation reports to be made by a building owner under an environmental upgrade agreement.
- (3) The methodology may permit both savings made directly by the lessee and a proportion of savings made by all occupants of the relevant building to be counted towards the cost savings made by the lessee.
- (4) A council must take the guidelines into consideration before exercising any of its functions under this Part.
- (5) The regulations may adopt the guidelines, or any part of the guidelines, as mandatory requirements.
- (6) A council must comply with any mandatory requirements of the guidelines in exercising its functions under this Part.

(7) Guidelines made under this section are to be published in the Gazette.

54R Changes to council area

The functions of a council under an environmental upgrade agreement may be exercised by any council to which the assets, rights and liabilities of the council with respect to the agreement are transferred by proclamation referred to in section 213.

Chapter 7 What are the regulatory functions of councils?

Introduction—

The major regulatory functions of councils are found in this Chapter. It lists the activities that are regulated and it sets out the means of their regulation.

A council, in relation to a range of activities within its area, exercises regulatory functions of 2 main kinds.

First—various activities can only be carried out if the council gives its **approval** (for example, the operation of a caravan park). Some of these approvals may also be granted as part of the development consent process under Part 4 of the [Environmental Planning and Assessment Act 1979](#).

Second—a council can **order** a person to do, or to stop doing, something (for example, a council can order a person to keep fewer animals on specified premises).

Failure to obtain or to comply with an approval and failure to comply with an order are made offences under sections 626, 627 and 628.

A council is not given power to regulate activities by other means. For example, the Chapter does not confer power to require a person to hold a periodic licence.

In exercising its regulatory functions, the council must observe any relevant statutory criteria and any other criteria contained in a local policy it may have adopted after public consultation.

Part 1 Approvals

Division 1 What activities require approval?

68 What activities, generally, require the approval of the council?

- (1) A person may carry out an activity specified in the following Table only with the prior approval of the council, except in so far as this Act, the regulations or a local policy adopted under Part 3 allows the activity to be carried out without that approval.

 - (a) on land within the area of operations of the Sydney Water Board under the [Sydney Water Act 1994](#), or
 - (b) on land within the area of operations of the Hunter Water Board under the [Hunter Water Act 1991](#).

Note—

A person who fails to obtain an approval or who carries out an activity otherwise than in accordance with an approval is guilty of an offence—see secs 626 and 627.

(4) Any direction given by the council under subsection (3) or (3A), if the council's approval to the application concerned is granted, has effect according to its tenor and, in the case of a direction referred to in subsection (3) (a) (ii) or (b) or subsection (3A) (a) (ii) or (b), is a condition of that approval.

83 Ownership and use of plans and specifications

One copy of any plans and specifications accompanying an application becomes the property of the council, but must not be used for any purpose other than giving effect to the provisions of this Act or any other Act.

Note—

This section does not prevent the use of the plans and specifications for other purposes with the consent of the applicant and with any other necessary consent.

- (5) A second or subsequent request for information may be made by the council, but such a request has no effect for the purposes of section 105.

87 Amendment of applications

- (1) An applicant, at any time before the application is determined, may make a minor amendment to the application and may amend any matter accompanying the application.
- (2) The making of a minor amendment does not require the application to be further notified to anyone.

88 Withdrawal of applications

- (1) An applicant may withdraw an application at any time before its determination by the council by giving the council notice to that effect signed by the applicant.

 - (a) is to take into consideration, in addition to the principles of ecologically sustainable development, all matters relevant to the application, and
 - (b) is to seek to give effect to the applicant's objectives to the extent to which they are compatible with the public interest.
- (3) Without limiting subsection (2), in considering the public interest the matters the council is to consider include:
 - (a) protection of the environment, and
 - (b) protection of public health, safety and convenience, and
 - (c) any items of cultural and heritage significance which might be affected.

90 Concurrence

- (1) The council must not grant an approval in relation to a matter for which this Act or a regulation requires the council to obtain the concurrence of some other person or authority unless the council has obtained the concurrence of the person or authority.
- (2) The person or authority may give the council notice that the concurrence may be assumed with such qualifications or conditions as are specified in the notice.
- (3) The person or authority may amend its notice by a further notice.
- (4) An approval given in accordance with a notice in force under this section is as valid as it would be if the council had obtained the concurrence of the person or authority concerned.

93 Certification by qualified persons

- (1) A council or the Minister may be satisfied that:

- (2) A certificate relating to a particular design, material, process or product must specify the particular criterion with which the design, material, process or product complies.
- (3) The council or the Minister must rely on such a certificate if it is from an appropriately qualified person and is furnished by a public authority.

Note—

Sections 92 and 93 specify circumstances in which a council does not have to form an independent judgment about some aspect of an activity for which approval is being sought, but may rely on an accreditation or certification of a competent person.

A component, process or design relating to an activity may be accredited in accordance with the procedure set out in Division 5 of this Part.

Section 732 exempts a council, councillor or employee of a council from liability that would otherwise be incurred as a consequence of relying on an accreditation or certification.

- (1) An approval may be granted subject to a condition that the approval is not to operate until the applicant satisfies the council as to any matter specified in the condition. Nothing in this Act prevents a person from doing such things as may be necessary to comply with the condition.
- (2) Such an approval must be clearly identified as a “deferred commencement” approval (whether by the use of that expression or by reference to this section or otherwise).
- (3) A “deferred commencement” approval must clearly distinguish conditions concerning matters as to which the council must be satisfied before the approval can operate from any other conditions.
- (4) A council may specify the period in which the applicant must produce evidence to the council sufficient to enable it to be satisfied as to those matters.
- (5) The applicant may produce evidence to the council sufficient to enable it to be satisfied as to those matters and, if the council has specified a period for the purpose, the evidence must be produced within that period.
- (6) If the applicant produces evidence in accordance with this section, the council must notify the applicant whether or not it is satisfied as to the relevant matters. If the council has not notified the applicant within the period of 28 days after the applicant’s evidence is produced to it, the council is, for the purposes only of section 177, taken to have notified the applicant that it is not satisfied as to those matters on the date on which that period expires.

96 Staged approval

 - (a) for the activity or one or more of the activities for which the approval is sought, or
 - (b) for such an activity, except for a specified part or aspect of the activity, or
 - (c) for a specified part or aspect of such an activity.

- (2) Such an approval may be granted subject to a condition that the activity or the specified part or aspect of the activity, or any thing associated with the activity or the carrying out of the activity, must be the subject of:
- (a) a further approval, or
 - (b) a consent, approval or permission under another Act,
- or both.

- (4) Security provided by way of deposit may be paid out to meet any cost referred to in subsection (1).
- (5) A security deposit (or part) if repaid to the person who provided it is to be repaid with any interest accrued on the deposit (or part) as a consequence of its investment.

98 Other conditions

- (1) An approval may be granted subject to a condition that a specified aspect of the activity that is ancillary to the core purpose of the activity is to be carried out to the satisfaction of the council or a person specified by the council.
- (2) An approval is subject to any condition prescribed by the regulations as a condition of the approval.

99 Notice to applicant of determination of application

- (2) The date of the determination and the date from which the approval operates (if approval is granted) must be endorsed on the notice.
- (3) In the case of an approval granted subject to a condition that the approval is not to operate until the applicant satisfies the council as to any matter specified in the condition (a “deferred commencement” approval):
 - (a) the date from which the approval operates must not be endorsed on the notice, and
 - (b) if the applicant satisfies the council as to the matter, the council must, as soon as practicable after being satisfied, give notice to the applicant of the date from which the approval operates.
- (4) If the determination is made by the granting of approval subject to conditions or by refusing approval, the notice must notify the applicant:
 - (a) of the council’s (or the Minister’s) reasons for the imposition of each condition or for refusing approval, and
 - (b) of the provisions of this Act conferring a right of review of the determination (if relevant) and, in the case of a determination by the council, a right of appeal against the determination.

100 Review of determination

- (1) An applicant may request the council to review a determination of the applicant’s application.
- (2) The request for a review must be made within 28 days after the date of the determination.
- (3) An approved fee must, if required by the council, be paid in connection with a request for a review.
- (4) The council may review the determination and, as a consequence of its review, may confirm or change the determination.
- (4A) The decision whether or not to review the determination must not be made by the person who made the determination, unless that person was the council, but is to be made by a person who is qualified under subsection (5) to make the review.
- (5) If the council reviews the determination, the review must be made by:

- (a) if the determination was made by a delegate of the council—the council or another delegate of the council who is not subordinate to the delegate who made the determination, or
 - (b) if the determination was made by the council—the council.
- (6) The council must give notice of the result of the review to the applicant as soon as practicable after the review.
 - (7) The date of review must be endorsed on the notice.
 - (8) If, as a consequence of a review, the council changes a determination, the changed determination replaces the earlier determination as from the date of the review.
 - (9) A determination on a review may not be further reviewed under this section.

101 Date from which approval operates

- (1) An approval operates from the date specified for the purpose in the notice under section 99 or 100, subject to this section and section 102.
- (2) If an appeal is made (and not withdrawn) against an approval granted on the determination of an application, the approval does not operate until the date of the decision on that appeal, except where that decision is to refuse approval.
- (3) An approval is void and (except for the purposes of section 176) is taken never to have been granted if an appeal under section 176 is dismissed and approval is refused.
- (4) If a determination is made by refusing approval or if an application is taken by section 105 to have been so determined, and the decision on the appeal made under section 176 in respect of that determination has the effect of granting approval, the decision is taken to be an approval granted under this Part and the approval operates from the date of that decision.
- (5) An approval in respect of an application that is taken to have been approved under section 72 operates from the date on which it is taken to have been approved.

102 Insurance for residential building work

- (1) This section applies if the council approves (whether or not subject to conditions) of the doing of any residential building work (within the meaning of the [Home Building Act 1989](#)) other than work by an owner-builder.
- (2) The council must not forward or deliver to the applicant or any other person a copy of the plans and specifications submitted to it with the application unless:
 - (a) it is satisfied that the builder or other person who is to do the residential building work has complied with the applicable requirements of Part 6 of the [Home Building Act 1989](#)

Act 1989, and

- (b) it has endorsed on the copy that it is so satisfied.
- (3) Even though the council has approved of the doing of any such work, the approval has no effect unless the council has so endorsed a copy of the plans and specifications and forwarded or delivered the copy to the applicant after that approval was given.

- (1) A person who lodges a filming proposal may amend or withdraw an application made in the proposal in accordance with the Act, statutory instrument or law under which the application is made.

119B Application for approvals under Division 3

- (1) An application for an approval under Division 3 made in a filming proposal is to be dealt with under Division 3, except as provided by this section.

 - (b) give the applicant reasons in writing for its determination within 3 business days after it is made, and
 - (c) if the relevant Act, statutory instrument or law confers a right of review of the determination or right of appeal against the determination—notify the applicant of that right within 3 business days after it is made.

119CA Presumption in favour of grant of approval

- (1) The council must grant an application referred to in section 119B or 119C made to it in accordance with the Act, statutory instrument or law under which it is made unless the council:

- (a) is satisfied that there are exceptional circumstances that warrant refusal of the application, or
 - (b) is required by the Act under which the application is made to refuse the application.
- (2) Before refusing an application, the council must consider whether any concerns it has could be addressed by imposing conditions on the approval.

125 Abatement of public nuisances

A council may abate a public nuisance or order a person responsible for a public nuisance

to abate it.

Note—

Abatement means the summary removal or remedying of a nuisance (the physical removal or suppression of a nuisance) by an injured party without having recourse to legal proceedings.

Nuisance consists of interference with the enjoyment of public or private rights in a variety of ways. A nuisance is “public” if it materially affects the reasonable comfort and convenience of a sufficient class of people to constitute the public or a section of the public. For example, any wrongful or negligent act or omission in a public road that interferes with the full, safe and convenient use by the public of their right of passage is a public nuisance.

126 Giving orders to public authorities

- (1) An order under this Division may not be given in respect of the following land without the prior written consent of the Minister:
 - vacant Crown land
 - a reserve within the meaning of Part 5 of the *Crown Lands Act 1989*
 - a common.
- (2) The Minister must not give consent in respect of vacant Crown lands or a reserve within the meaning of Part 5 of the *Crown Lands Act 1989* until after the Minister has consulted the Minister administering the *Crown Lands Act 1989*.

127 Making of regulations for the purposes of this Division

The regulations may prescribe acts or circumstances that are taken to be included in or excluded from any of the acts or circumstances specified in Column 1 or 2 of the Table to section 124.

128 Catchment districts

- (1) The Governor may proclaim a district to be a catchment district for the purposes of this Act.
- (2) An owner of a building who complies with order No 1 in the Table to section 124 in the circumstances specified in paragraph (d) for that order, or order No 3 in that Table in the circumstances specified in paragraph (c) for that order, under section 124 is entitled to compensation from the council for the expenses incurred by the owner in complying with the order.

128A Orders about removal or keeping of waste

- (1) An order in terms of order No 22A in the Table to section 124 ceases to have effect, unless earlier revoked under section 153, at the end of the period of 5 years after it is given.
- (2) The protection of public health is the paramount consideration in giving any such

order.

Division 2 Procedures to be observed before giving orders

129 Circumstances in which compliance with this Division is required

- (1) Before giving an order, a council must comply with this Division.
- (2) This section does not apply to:
 - (a) an order in terms of order No 15 in the Table to section 124, or
 - (a1) an order in terms of order No 22A in the Table to section 124 (except to the extent that this section would otherwise require compliance with section 131A), or
 - (b) an order given, and expressed to be given, in an emergency.

130 Effect of compliance with this Division

A council that complies with this Division is taken to have observed the rules of natural justice (the rules of procedural fairness).

131 Criteria to be considered before order is given

If the council has adopted criteria in a local policy under Part 3 on which it is to give an order, the council is required to take the criteria into consideration before giving the order.

131A Orders that make or are likely to make residents homeless

- (1) If an order will or is likely to have the effect of making a resident homeless, the council must consider whether the resident is able to arrange satisfactory alternative accommodation in the locality.
- (2) If the person is not able to arrange satisfactory alternative accommodation in the locality, the council must provide the person with:
 - (a) information as to the availability of satisfactory alternative accommodation in the locality, and
 - (b) any other assistance that the council considers appropriate.

132 Notice to be given of proposed order

- (1) Before giving an order, a council must give notice to the person to whom the order is proposed to be given of its intention to give the order, the terms of the proposed order and the period proposed to be specified as the period within which the order is to be complied with.
- (2) The council's notice must also indicate that the person to whom the order is proposed to be given may make representations to the council as to why the order should not

be given or as to the terms of or period for compliance with the order.

- (3) The notice may provide that the representations are to be made to the council or a specified committee of the council on a specified meeting date or to a specified councillor or employee of the council on or before a specified date being, in either case, a date that is reasonable in the circumstances of the case.

133 Making of representations

- (1) A person may, in accordance with a notice under section 132, make representations concerning the proposed order.
- (2) For the purpose of making the representations, the person may be represented by an Australian legal practitioner or agent.

The council or a specified committee, or the specified councillor or employee of the council, is required to hear and to consider any representations made under section 133.

 - (a) to give an order in accordance with the proposed order, or
 - (b) to give an order in accordance with modifications made to the proposed order, or
 - (c) not to give an order.
- (2) If the determination is to give an order in accordance with modifications made to the proposed order, the council is not required to give notice under this Division of the proposed order as so modified.

Division 3 Orders generally

136 Reasons for orders to be given

- (1) A council must give the person to whom an order is directed the reasons for the order.
- (2) The reasons may be given in the order or in a separate instrument.
- (3) The reasons must be given when the order is given, except in a case of urgency. In a case of urgency, the reasons may be given the next working day.

137 Period for compliance with order

- (1) An order must specify a reasonable period within which the terms of the order are to

be complied with, subject to this section.

- (2) An order may require immediate compliance with its terms in circumstances which the council believes constitute a serious risk to health or safety or an emergency.

138 Notice of right to appeal against order

- (1) A council must, in giving a person notice of an order:
 - (a) state that the person may appeal to the Land and Environment Court against the order or a specified part of the order, and

- (2) This section does not apply in relation to order No 22A in the Table to section 124.

138A Approval or consent not required to comply with order

A person who carries out work in compliance with a requirement of an order does not have to make an application under Division 1, 2 or 3 of Part 1 for approval of the work or an application under Part 4 of the *Environmental Planning and Assessment Act 1979* for consent to carry out the work.

139 Order may specify standards and work that will satisfy those standards

- (1) Instead of specifying the things the person to whom the order is given must do or refrain from doing, an order:
 - (a) may specify the standard that the premises are required to meet, and
 - (b) may indicate the nature of the work that, if carried out, would satisfy that standard.
- (2) Such an order may require the owner or occupier to prepare and submit to the council, within the period (not exceeding 3 months) specified in the order, particulars of the work the owner or occupier considers necessary to make provision for such matters as may be so specified.

140 Compliance with order referred to in sec 139 (2)

- (1) A person complies with a requirement of an order referred to in section 139 (2) by submitting to the council such matters as the person would be required to submit under section 81 if applying to the council for approval of the work.
- (2) (Repealed)

141 Council's response to submission of particulars of work by owner

- (1) The council must, within 28 days after particulars of work are submitted to it in accordance with section 139 (2):

- (a) accept the particulars without modification or with such modifications as it thinks fit, or
 - (b) reject the particulars.
- (2) If a council accepts the particulars of work without modification, the council must forthwith order the owner to carry out that work.
- (3) If a council accepts the particulars of work with modifications or rejects the particulars, or if an owner fails to submit particulars of work in accordance with section 139 (2), the council must:
- (a) prepare, within 3 months after the acceptance, rejection or failure, particulars of the work that it considers necessary to make provision for the matters specified in the order referred to in section 139 given to the owner, and
 - (b) order the owner to carry out that work.
- (4) An order under this section is not invalid merely because of the failure of the council to accept or reject any particulars of work or prepare particulars of any work, as the case may be, within the period it is required to do so by this section.
- (4A) An order under this section forms part of the order under section 124 to which it relates.
- (5) A council may recover from an owner as a debt its expenses of preparing particulars of work under this section.

142 Orders affecting heritage items

- (1) This section applies to an item of the environmental heritage:
- (a) which is listed in the Register of the National Estate kept in pursuance of the *Australian Heritage Commission Act 1975* of the Commonwealth, or
 - (b) to which an interim heritage order or listing on the State Heritage Register under the *Heritage Act 1977* applies or to which an order under section 136 of that Act applies, or
 - (c) which is identified as such an item in an environmental planning instrument.
- (2) A council must not give an order under this Part in respect of an item of the environmental heritage to which this section applies until after it has considered the impact of the order on the heritage significance of the item.
- (3) A council must not give an order under this Part in respect of an item of the environmental heritage to which subsection (1) (a) or (b) applies until after it has given notice of the order to the Heritage Council and has considered any submissions duly made to it by the Heritage Council.

- (3A) The Heritage Council may, by instrument in writing served on a council, exempt the council from the requirements of subsection (3).
- (3B) An exemption under subsection (3A) may be given unconditionally or subject to such conditions as the Heritage Council determines, and may be varied or revoked by a subsequent instrument in writing made by the Heritage Council and served on the council.
- (4) The Heritage Council may make a submission:
- (a) within 28 days after it is given notice by the council, or
 - (b) if, within 28 days after it is given notice by the council, the Heritage Council requests that a joint inspection of the item be made, within 28 days after the joint inspection is made.
- (5) If the Heritage Council notifies a council that it wishes to be consulted in connection with an order under section 141, the council must include a statement to that effect in any order under section 139.
- (6) This section does not apply to order No 15, 16, 17 or 22A in the Table to section 124 if given by a council in an emergency.

143 Combined orders

- (1) A council may include two or more orders in the same instrument.
- (2) However, an order in terms of order No 22A in the Table to section 124 cannot be included with another order in the same instrument.

144 Giving and taking effect of orders

An order is given by serving a copy of the order on the person to whom it is addressed and takes effect from the time of service or a later time specified in the order.

145 Orders may be given to two or more persons jointly

If appropriate in the circumstances of the case, an order may direct two or more people to do the thing specified in the order jointly.

146 Notice in respect of land or building owned or occupied by more than one person

- (1) If land, including land on which a building is erected, is owned or occupied by more than one person:
 - (a) an order in respect of the land or building is not invalid merely because it was not given to all of those owners or occupiers, and
 - (b) any of those owners or occupiers may comply with such an order without affecting

the liability of the other owners or occupiers to pay for or contribute towards the cost of complying with the order.

- (2) Nothing in this Division affects the right of an owner or occupier to recover from any other person all or any of the expenses incurred by the owner or occupier in complying with such an order.

147 Compliance with orders by occupiers or managers

If an occupier or manager complies with an order, the occupier or manager may (unless the occupier or manager has otherwise agreed) deduct the cost of so complying (together with interest at the rate currently prescribed by the Supreme Court rules in respect of unpaid judgment debts) from any rent payable to the owner or may recover the cost (and that interest) from the owner as a debt in any court of competent jurisdiction.

148 Occupier of land may be required to permit owner to carry out work

- (1) The council may order the occupier of any land to permit the owner of the land to carry out such work on the land as is specified in the order (being work that is, in the council's opinion, necessary to enable the requirements of this Act or the regulations, or of any order under Division 1, to be complied with).
- (2) An occupier of land on whom such an order is served must, within 2 days after the order is served, permit the owner to carry out the work specified in the order.
- (3) The owner of the land is not guilty of an offence arising from his or her failure to comply with the requirements of this Act or the regulations, or of any order under Division 1, if, while an order under this section is in force, the occupier of the land refuses to permit the owner to carry out the work specified in the order.
- (4) Subsection (3) applies only if the owner of the land satisfies the Court that the owner has, in good faith, tried to comply with the requirements concerned.

149-151 (Repealed)

152 Modification of orders

A council may, at any time, modify an order it has given to a person (including a modification of the period specified for compliance with the order) if the person agrees to that modification.

153 Revocation of orders

- (1) An order given by the council may be revoked by the council at any time.
- (2) An order given by the Minister may be revoked by the Minister at any time.
- (3) (Repealed)

154 The Minister may exercise any function concerning an order that a council may exercise

- (1) The Minister may exercise any function under this Part that the council may exercise.
- (2) This Part (except Division 2) applies to the Minister in the same way as it applies to a council for the purpose of exercising any such function.
- (3) The Minister must not give an order to protect public health until after the Minister has consulted the Minister administering the *Public Health Act 1991*.
- (3A) The Minister must not give an order that relates to an activity that is the subject of a development consent granted under the *Environmental Planning and Assessment Act 1979* by the Minister administering that Act until after the Minister has consulted that other Minister. However, the Minister is not required to consult, but must notify, the other Minister in the case of:
 - (a) an order in terms of order No 15 in the Table to section 124, or
 - (b) an order given, and expressed to be given, in an emergency.
- (4) If the Minister's functions under this section are delegated, a person to whom an order by the Minister's delegate is given may apply to the Minister for a review of the order within 28 days after service of the order.

- (6) Part 5 (Appeals) does not apply to an order given under this section.
- (7) The Minister must forward a copy of an order given under this section to the relevant council.

An order given by a council under Division 1, to the extent to which it is inconsistent with an order given by the Minister under section 154, is void.

156 Minister may revoke or modify a council's order

- (1) The Minister may revoke or modify an order given by a council.
 - (1A) The Minister administering the *Environmental Planning and Assessment Act 1979* may revoke or modify an order given by a council that relates to an activity that is the subject of a development consent granted under that Act. A reference in this section to the Minister includes a reference to the Minister administering that Act.
- (2) Notice of the revocation or modification must be given to the council and the person to whom the order was given.

- (3) The revocation or modification takes effect from the date specified in the Minister's notice. The date may be the date on which the order was given by the council or a later date.
- (4) The Minister may prohibit a council from re-making an order that is revoked or modified under this section, totally or within such period or except in accordance with such terms and conditions (if any) as the Minister may specify.

157 Limitation on Minister's orders

The Minister must not give an order under this Part that is inconsistent with, or has the effect of revoking or modifying, an order given by the council unless the Minister is of the opinion that:

- (a) it is necessary because of an emergency, or
- (b) it is necessary because of the existence or reasonable likelihood of a serious risk to health or safety, or
- (c) the order relates to a matter of State or regional significance, or

- (1) A council may prepare a draft local approvals policy.
- (2) A draft local approvals policy is to consist of three parts.

- (5) Part 3 is to specify other matters relating to approvals.

159 Preparation of draft local policy for orders

- (1) A council may prepare a draft local orders policy.
- (2) A draft local orders policy is to specify the criteria which (if the policy were to be adopted) the council must take into consideration in determining whether or not to give an order under section 124.
- (3) This section does not apply in relation to order No 22A in the Table to section 124.

- (2) If the council decides to amend its draft local policy, it may publicly exhibit the amended draft local policy in accordance with this Part or, if the council is of the opinion that the amendments are not substantial, it may adopt the amended draft local policy without public exhibition.

162 Director-General's consent required to exemption from necessity for approval

A council has no power to adopt that part of a draft local approvals policy that specifies circumstances in which (if the policy were to be adopted) a person would be exempt from the necessity to obtain a particular approval of the council, unless the council has received the Director-General's consent to the adoption of that part.

163 Effect of inconsistency between council's local policy and this Act or the regulations

A local policy adopted under this Part by a council, to the extent to which it is inconsistent with this Act or the regulations, is void.

 - (a) a specified aspect of an activity that may be carried out only with the prior approval of the council, or
 - (b) a specified aspect of anything for which an order may be given under Part 2,a local policy adopted under this Part by a council, to the extent to which its provisions impose a more onerous criterion in relation to the specified aspect, is void.
- (2) However, for the purposes of this section, the imposition of a criterion in a local policy in relation to a specified aspect, does not, in the absence of the prescription by this Act or the regulations of a criterion in relation to that aspect, constitute a more onerous criterion.

165 Amendment and revocation of local policy

- (1) A council may amend a local policy adopted under this Part by means only of a local policy so adopted.
- (2) An amending local policy may deal with the whole or part of the local policy amended.

- (2) An application for compensation may be made on the hearing of an appeal or by proceedings brought for the purpose of claiming compensation.
- (3) A claim for compensation may not be made more than 28 days after the date on which the Court gives its decision on an appeal concerning the application for approval or more than 3 months after the date of the council's determination of the application if an appeal is not made against the determination.

Chapter 8 What ancillary functions does a council have?

Introduction—

This Chapter confers on councils certain functions which it is necessary or desirable for them to have in order to carry out their other functions. These functions are “ancillary” in the sense that they are auxiliary to, they give support to, and they aid the carrying out of, the other functions of a council, particularly its service and regulatory functions.

Councils are given power to acquire land by compulsory process.

The Chapter also confers on councils powers to enter land and buildings and to carry out inspections.

A council may also have similar powers for different purposes under other Acts. For example, under the [Roads Act 1993](#), a council has power to compulsorily acquire land for road purposes and may enter land for the purposes of that Act.

Part 1 Acquisition of land

186 For what purposes may a council acquire land?

- (1) A council may acquire land (including an interest in land) for the purpose of exercising any of its functions.
- (2) Without limiting subsection (1), a council may acquire:
 - (a) land that is to be made available for any public purpose for which it is reserved or zoned under an environmental planning instrument, or
 - (b) land which forms part of, or adjoins or lies in the vicinity of, other land proposed to be acquired under this Part.
- (3) However, if the land acquired is, before its acquisition, community land vested in a council, the acquisition does not discharge the land from any trusts, estates, interests, dedications, conditions, restrictions or covenants that affected the land or any part of

the land immediately before that acquisition.

187 How does a council acquire land?

- (1) Land that a council is authorised to acquire under this Part may be acquired by agreement or by compulsory process in accordance with the *Land Acquisition (Just Terms Compensation) Act 1991*.
- (2) A council may not give a proposed acquisition notice under the *Land Acquisition (Just Terms Compensation) Act 1991* without the approval of the Minister.

188 Restriction on compulsory acquisition of land for re-sale

- (1) A council may not acquire land under this Part by compulsory process without the approval of the owner of the land if it is being acquired for the purpose of re-sale.
- (2) However, the owner's approval is not required if:
 - (a) the land forms part of, or adjoins or lies in the vicinity of, other land acquired at the same time under this Part for a purpose other than the purpose of re-sale, or
 - (b) the owner of the land cannot be identified after diligent inquiry has been made and at least 6 months has elapsed since that inquiry was made.
- (3) For the purposes of subsection (2) (b), **diligent inquiry** has the meaning given by the regulations, and includes the giving of notice of the proposed acquisition to the New South Wales Aboriginal Land Council and to the relevant Local Aboriginal Land Council.

189 No restriction as to area

Land may be acquired by a council under this Part even if it lies wholly or partly outside the council's area.

190 Special provisions relating to land containing minerals

Division 4 of Part 8 of the *Public Works Act 1912* applies to a council and land acquired by a council in the same way as that Division applies to a Constructing Authority and land acquired by a Constructing Authority.

Part 2 Entry on to land and other powers

191 Power of entry

- (1) For the purpose of enabling a council to exercise its functions, a council employee (or other person) authorised by a council may enter any premises.
- (2) Entry may only be made at any reasonable hour in the daytime or at any hour during which business is in progress or is usually carried on at the premises.

191A Power of entry—construction and maintenance of water supply, sewerage and

stormwater drainage works

- (1) Without limiting section 191, a council employee (or other person) authorised by a council may enter any premises to carry out water supply work, sewerage work or stormwater drainage work on or under the premises (being work that the council is authorised by this or any other Act to carry out).
- (2) Subsection (1) does not apply to premises that comprise a National Parks and Wildlife reserve.

192 Inspections and investigations

For the purpose of enabling a council to exercise its functions, a person authorised to enter premises under this Part may:

- (a) inspect the premises and any food, vehicle, article, matter or thing on the premises, and
- (b) for the purpose of an inspection:
 - (i) open any ground and remove any flooring and take such measures as may be necessary to ascertain the character and condition of the premises and of any pipe, sewer, drain, wire or fitting, and
 - (ii) require the opening, cutting into or pulling down of any work if the person authorised has reason to believe or suspect that anything on the premises has been done in contravention of this Act or the regulations, and
- (c) take measurements, make surveys and take levels and, for those purposes, dig trenches, break up the soil and set up any posts, stakes or marks, and
- (d) require any person at those premises to answer questions or otherwise furnish information in relation to the matter the subject of the inspection or investigation, and
- (e) examine and test any meter, and
- (f) measure a supply of water, and
- (g) take samples or photographs in connection with any inspection.

193 Notice of entry

- (1) Before a person authorised to enter premises under this Part does so, the council must give the owner or occupier of the premises written notice of the intention to enter the premises.
- (2) The notice must specify the day on which the person intends to enter the premises and must be given before that day.

- (3) This section does not require notice to be given:
- (a) if entry to the premises is made with the consent of the owner or occupier of the premises, or
 - (b) if entry to the premises is required because of the existence or reasonable likelihood of a serious risk to health or safety, or
 - (c) if entry is required urgently and the case is one in which the general manager has authorised in writing (either generally or in the particular case) entry without notice, or
 - (d) if entry is made solely for the purpose of reading a meter or other device for measuring:
 - (i) the supply of water to the premises from the council's water mains, or
 - (ii) the discharge of sewage or other waste matter from the premises into the council's sewer mains.

194 Use of force

- (1) Reasonable force may be used for the purpose of gaining entry to any premises (other than residential premises) under a power conferred by this Part, but only if authorised by the council in accordance with this section.
- (2) The authority of the council:
- (a) must be in writing, and
 - (b) must be given in respect of the particular entry concerned, and
 - (c) must specify the circumstances which are required to exist before force may be used.

195 Notification of use of force or urgent entry

- (1) A person authorised to enter premises under this Part who:
- (a) uses force for the purpose of gaining entry to the premises, or
 - (b) enters the premises in an emergency without giving written notice to the owner or occupier,
- must promptly advise the council.
- (2) The council must give notice of the entry to such persons or authorities as appear to the council to be appropriate in the circumstances.

196 Care to be taken

- (1) In the exercise of a function under this Part, a person authorised to enter premises must do as little damage as possible. The council must provide, if necessary, other means of access in place of any taken away or interrupted by a person authorised by it.
- (2) As far as practicable, entry on to fenced land is to be made through an existing opening in the enclosing fence. If entry by that means is not practicable, a new opening may be made in the enclosing fence, but the fence is to be fully restored when the need for entry ceases.
- (3) If, in the exercise of a function under this Part, any pit, trench, hole or bore is made, the council must, if the owner or occupier of the premises so requires:
 - (a) fence it and keep it securely fenced so long as it remains open or not sufficiently sloped down, and
 - (b) without unnecessary delay, fill it up or level it or sufficiently slope it down.

197 Recovery of cost of entry and inspection

If a person authorised by a council enters any premises under this Part for the purpose of making an inspection and as a result of that inspection, under a power conferred on the council, the council requires any work to be carried out on or in the premises, the council may recover the reasonable costs of the entry and inspection from the owner or occupier of the premises.

198 Compensation

A council must pay compensation for any damage caused by any person authorised by the council under this Part to enter premises, other than damage arising from work done for the purpose of an inspection which reveals that there has been a contravention of this or any other Act.

Note—

Section 730 provides for the resolution of claims for compensation under this section in cases of dispute between the person claiming the compensation and the council.

199 Authority to enter premises

- (1) A power conferred by this Part to enter premises, or to make an inspection or take other action on premises, may not be exercised unless the person proposing to exercise the power is in possession of an authority and produces the authority if required to do so by the owner or occupier of the premises.
- (2) The authority must be a written authority which is issued by the council and which:
 - (a) states that it is issued under this Act, and

- (b) gives the name of the person to whom it is issued, and
- (c) describes the nature of the powers conferred and the source of the powers, and
- (d) states the date (if any) on which it expires, and
- (e) describes the kind of premises to which the power extends, and
- (f) bears the signature of the general manager.

(3) This section does not apply to a power conferred by a search warrant.

200 In what circumstances can entry be made to a residence?

The powers of entry and inspection conferred by this Part are not exercisable in relation to that part of any premises being used for residential purposes except:

- (a) with the permission of the occupier of that part of the premises, or
- (b) if entry is necessary for the purpose of inspecting work being carried out under an approval, or
- (c) under the authority conferred by a search warrant.

201 Search warrants

- (1) An authorised person may apply to an authorised officer if the authorised person has reasonable grounds for believing that the provisions of this Act or the regulations or the terms of an approval or order under this Act have been or are being contravened in or on any premises.
- (2) An authorised officer to whom such an application is made may, if satisfied that there are reasonable grounds for doing so, issue a search warrant authorising an authorised person named in the warrant:
 - (a) to enter the premises, and
 - (b) to search the premises for evidence of a contravention of this Act or the regulations or the terms of an approval or order.
- (3) Division 4 of Part 5 of the *Law Enforcement (Powers and Responsibilities) Act 2002* applies to a search warrant issued under this section.
- (4) Without limiting the generality of section 71 of the *Law Enforcement (Powers and Responsibilities) Act 2002*, a police officer:
 - (a) may accompany an authorised person executing a search warrant issued under this section, and
 - (b) may take all reasonable steps to assist the authorised person in the exercise of

the person's functions under this section.

(5) In this section:

authorised officer has the same meaning as it has in the *Law Enforcement (Powers and Responsibilities) Act 2002*.

Chapter 9 How are councils established?

Introduction—

This Chapter contains provisions dealing separately with the constitution of land as a local government area and the constitution of a council to manage that area. It enables the making of changes to those areas and to councils. It provides for the dissolution of councils and the appointment of administrators.

Each council is a statutory corporation. The councillors are the governing body of the corporation and they have the responsibility of directing and controlling the affairs of the council in accordance with this Act.

The Chapter includes a statement of the role of the mayor and of a councillor.

Provision is made for the payment of fees to the mayor and other councillors. Payment is to be made in accordance with determinations of the Local Government Remuneration Tribunal which is established by this Chapter. Provision is also made for the payment of expenses and the provision of facilities to the mayor and other councillors.

The Chapter also constitutes the Local Government Boundaries Commission and provides for its functions.

- (2) If:

246 Effect of determination

A determination of the Remuneration Tribunal may not be challenged, reviewed, quashed or called into question before any court in any legal proceedings, or restrained, removed or otherwise affected by proceedings in the nature of prohibition, mandamus, certiorari or otherwise.

Fees payable under this Division by a council are payable monthly in arrears for each month (or part of a month) for which the councillor holds office.

252 Payment of expenses and provision of facilities

- (1) Within 5 months after the end of each year, a council must adopt a policy concerning

the payment of expenses incurred or to be incurred by, and the provision of facilities to, the mayor, the deputy mayor (if there is one) and the other councillors in relation to discharging the functions of civic office.

- (2) Before adopting or amending the policy, the council must consider any submissions made within the time allowed for submissions and make any appropriate changes to the draft policy or amendment.
- (3) Despite subsections (1) and (2), a council need not give public notice of a proposed amendment to its policy for the payment of expenses or provision of facilities if the council is of the opinion that the proposed amendment is not substantial.
- (4) Within 28 days after adopting a policy or making an amendment to a policy for which public notice is required to be given under this section, a council is to forward to the Director-General:
 - (a) a copy of the policy or amendment together with details of all submissions received in accordance with subsection (1), and

 - (c) a copy of the notice given under subsection (1).
- (5) A council must comply with this section when proposing to adopt a policy each year in accordance with section 252 (1) even if the council proposes to adopt a policy that is the same as its existing policy.

 - the council's policy on the provision of facilities for, and the payment of expenses to, councillors
 - the total amount of money expended during the year on providing those facilities and paying those expenses.
- (2) Despite this Division, if a councillor is absent, with or without leave of the council, from ordinary meetings of the council for any period of more than 3 months, the council must not pay any annual fee, or part of an annual fee, to that councillor that relates to the period of absence that is in excess of 3 months.

of systemic corruption within the council.

- (3) If the Independent Commission Against Corruption makes such a recommendation, all civic offices in relation to the council may be declared vacant under subsection (2) without the holding of a public or other inquiry concerning the council.  - (b) the council has not exercised its functions for 6 months or more, or
 - (c) there are not enough councillors for there to be a quorum at council meetings.
- (2) The Governor may, as an alternative to the appointment of an administrator on the ground referred to in subsection (1) (c), appoint (or authorise a special election to elect) councillors to fill all the vacancies on the council or such number of those vacancies as will provide a quorum at meetings.

258 The administrator

- (1) When the administrator of a council takes office:

Chapter 10 How are people elected to civic office?

Introduction—

This Chapter deals with the election of persons to civic office. Those qualified for civic office are elected for 4-year terms under a system which is preferential (wherever 1 position must be filled) and proportional (wherever 2 or more positions must be filled).

Voting is compulsory for residents but optional for non-resident ratepayers, occupiers and ratepaying lessees. Elections are conducted under the supervision of the general manager of the council or the Electoral Commissioner.

When an area is not divided into wards, councillors are elected by the area. When it is divided, councillors may be elected by wards (or, if so decided at a referendum, by wards and area).

The mayor may be popularly elected or elected by the councillors from among their number. The choice of method depends on a constitutional referendum as referred to in sections 228 and 229. A popularly-elected mayor holds office for 4 years and is a councillor by virtue of being mayor. A mayor elected by the councillors holds office for 1 year. In each case, the mayor votes as mayor, not as a councillor, at council meetings. (See Chapter 9.)

Part 1 Who may vote?

266 Who has the right to be enrolled as an elector?

- (1) A person who is entitled to vote at an election of members of the Legislative Assembly or an election of members of the Commonwealth House of Representatives is entitled to be enrolled as an elector for a ward if:
 - (a) he or she is a resident of the ward, or
 - (b) he or she is not a resident of the ward but is an owner of rateable land in the ward, or
 - (c) he or she is an occupier, or ratepaying lessee, of rateable land in a ward.
- (2) A person who is disqualified by section 25 of the *Parliamentary Electorates and Elections Act 1912* from having his or her name placed or retained on a roll under that Act is subject to the same disqualification in relation to a roll under this Act.

267 Who has the right to vote?

- (1) A person whose name is on the roll kept under Division 2 of Part 6 for a ward is entitled to vote:
 - (a) at an election of councillors for the ward, and
 - (b) at an election of the mayor by all the electors of the area.
- (2) A person who changes his or her name from that on the roll may, until the roll is corrected, vote under the enrolled name.
- (3) The right of an enrolled person to vote at an election is not affected by:
 - (a) a change of residence within a ward or within an area that is not divided into wards, or
 - (b) a change in the qualification that entitles an enrolled person to vote.
- (4) A person who:
 - (a) is qualified in respect of more than one parcel of land to be enrolled for a ward,

and

(b) is enrolled in respect of only one of the parcels, and

(c) ceases to be qualified in respect of that parcel,

is not disqualified from voting at an election held while the person is enrolled in respect of that parcel if the returning officer is satisfied that the person is then qualified in respect of another of the parcels.

(5) This section does not confer a right to vote at an election on a person who by or under this Act is disqualified from voting, or is not qualified to vote, at the election.

268 One vote per elector

Nothing in this Chapter entitles a person to more than one vote in one area in an election.

Note—

A person may not exercise more than one vote in any one area even if:

- the person is entitled to be enrolled as an elector for more than one ward in the area; or the person's entitlement is based on more than one of the criteria in section 266 (1) (a), (b) and (c), or
- the person's entitlement is based on the ownership or occupation of more than one parcel of land in the area.

269 Who is a “resident” for the purposes of this Part?

(1) For the purposes of this Part, a person is a resident of a ward if:

- (a) the person is, within the meaning of the *Parliamentary Electorates and Elections Act 1912*, enrolled on the roll for an electoral district, and
- (b) the person's place of living as described on that roll is in the ward or (in the case of a person whose place of living is not described on that roll) the person's place of living is in the ward.

(2) (Repealed)

(3) In this section, **place of living** includes the place of residence to which a person temporarily residing elsewhere intends to return in order to continue living there.

270 Who is an “owner of rateable land” for the purposes of this Part?

(1) For the purposes of this Part, a person is the owner of rateable land if:

- (a) the person is not a corporation, is the sole owner of the rateable land and does not own it as trustee, or
- (b) the person is not a corporation, is a joint or several owner of the rateable land and is nominated in writing as an elector by the only other owner of the land, or by a majority of all the owners of the land, or

 - (d) the person is a lessee of the land from the Crown and the land is rateable Crown land.
- (2) Land is not rateable land for the purposes of this Part if it is a lot in a strata plan that is registered under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986* and is provided only for the purpose of parking a motor vehicle.
 - (3) If there is more than one person who (by virtue of subsection (1)) is the owner of the same parcel of rateable land, only one of the persons is entitled to be enrolled as an elector for a ward.
 - (4) If a corporation or trustees own more than one parcel of land in an area, or if joint or several owners of one parcel of land in an area are also joint or several owners of any other parcel of land in the area, it or they can nominate a person as the owner of rateable land only in respect of one of those parcels.
 - (5) A nomination under this section is to be lodged with the general manager.

271 Who is an “occupier” or “ratepaying lessee” for the purposes of this Part?

- (1) For the purposes of this Part, a person is an occupier of rateable land if the person has a legally enforceable right to continuous occupation of rateable land (jointly or severally, but not as owner or ratepaying lessee) for not less than 3 years following the relevant date.
- (2) If there is more than one such occupier of the same parcel of rateable land, only one of them is entitled to be enrolled as an elector for a ward.
- (2A) If a corporation or trustees is or are occupiers of more than one parcel of land in an area, or if joint or several occupiers of one parcel of land in an area are also joint or several occupiers of any other parcel of land in the area, it or they can nominate a person as the occupier of rateable land only in respect of one of those parcels.
- (3) For the purposes of this Part, a person is a ratepaying lessee of rateable land if the person is jointly or severally liable, under a lease in writing or other document of title relating to the land, to pay to any person the whole or any part of any rates that may, during the 3 years following the relevant date, be made or levied in respect of the land.
- (4) If there is more than one such ratepaying lessee of the same parcel of rateable land, only one of them is entitled to be enrolled as an elector for a ward.

- (4A) If a corporation or trustees is or are ratepaying lessees of more than one parcel of land in an area, or if joint or several ratepaying lessees of one parcel of land in an area are also joint or several ratepaying lessees of any other parcel of land in the area, it or they can nominate a person as the ratepaying lessee of rateable land only in respect of one of those parcels.
- (5) The **relevant date** for the purposes of this section is:
- (a) the date on which the claim for enrolment is made, if the claim is for inclusion in the roll of occupiers and ratepaying lessees, or
 - (b) the closing date for the election referred to in Part 4, if the claim is for the purpose of voting in the election.

272 Competing claimants

- (1) If two or more persons apply to be enrolled as an elector for a ward as owners of the same parcel of rateable land, and those persons do not nominate one of their number to be so enrolled, the general manager may do so instead.
- (2) Likewise, if two or more persons apply to be enrolled as an elector for a ward as occupiers, or as ratepaying lessees, or as occupier and ratepaying lessee, of the same parcel of land, and those persons do not nominate one of their number to be so enrolled, the general manager may do so instead.

273 Application of Part to area not divided into wards

If an area is not divided into wards, this Part applies to the area in the same way as it applies to a ward.

Part 2 Who may be elected?

274 What are the qualifications for civic office?

A person is qualified to hold civic office if:

- (a) the person is entitled to be enrolled as an elector, and
- (b) the person is not disqualified from holding civic office by this Act, and
- (c) the person is not prevented from being elected to civic office by section 276 (2).

275 Who is disqualified from holding civic office?

- (1) A person is disqualified from holding civic office:
 - (a) while disqualified from being an elector, or
 - (a1) while a member of the Parliament of New South Wales, except as provided by subsections (5) and (7), or

- (b) while a judge of any court of the State or the Commonwealth, or
 - (c) while serving a sentence (including a sentence the subject of an intensive correction order) for a serious indictable offence or any other offence, except a sentence imposed for a failure to pay a fine, or
 - (d) if he or she is while holding that office, or has been within 2 years before nomination for election, election or appointment to the office, convicted of an offence under the regulations made for the purposes of section 748 (3), or
 - (e) if he or she is while holding that office, or has been within 5 years before nomination for election, election or appointment to the office, convicted of an offence referred to in Part 4 of the *Crimes Act 1900* (Offences relating to property), or
 - (f) while a surcharge, payable by the person under Part 5 of Chapter 13 and not paid within 6 months after it became payable, remains unpaid, or
 - (g) while disqualified from holding a civic office under a provision of this Act or Part 4A of the *Crimes Act 1900* (Corruptly receiving commissions and other corrupt practices), or
 - (h) while disqualified from managing a corporation under Part 2D.6 of the *Corporations Act 2001* of the Commonwealth.
- (2) A person is disqualified from holding civic office on a council if he or she is an employee of the council or holds an office or place of profit under the council.
- (3) A person is not disqualified from holding a civic office only because, while holding the civic office, the person ceases to be a resident in the area, to own property in the area or to be an occupier or ratepaying lessee of rateable land in the area.
- (4) A person is taken not to be disqualified from holding civic office if the Administrative Decisions Tribunal, in proceedings under section 329, has refused to order the dismissal of the person in circumstances to which subsection (4) of that section applies.
- (5) If:
- (a) on the commencement of this subsection, a member of the Parliament of New South Wales is a councillor or mayor, or
 - (b) after the commencement of this subsection, a councillor or mayor becomes a member of the Parliament of New South Wales,
- the person is not disqualified from holding civic office because of subsection (1) (a1) for the balance of the person's term of office as a councillor or for the period of 2 years (whichever is the shorter period).

- (6) Subsection (5) does not apply where a councillor or mayor becomes a member of the Parliament of New South Wales after the commencement of that subsection and within 12 months after last ceasing to be a member of that Parliament.
- (7) Despite anything to the contrary in this Chapter, a member of the Parliament of New South Wales is not disqualified because of subsection (1) (a1) from being nominated for election or being elected to a civic office. If elected, the person is disqualified from holding that civic office unless:
 - (a) the person has ceased to be a member of that Parliament before the first meeting of the council concerned after the election, or
 - (b) it is an election as mayor by the councillors during the period that the person is not disqualified by the operation of subsection (5).

Note—

If a person while holding civic office becomes subject to disqualification under this section, the office becomes vacant under section 234.

276 What is the effect of disqualification?

- (1) A person who is disqualified from holding civic office may not be elected or appointed to a civic office and may not hold, or act in, a civic office.
- (2) A person who vacates the office of councillor by resignation or disqualification may not be elected to a civic office in the same area (and may not hold, or act in, a civic office in the same area) until:
 - (a) if the person is not disqualified—the first anniversary of the vacation of office, or the next ordinary election for the area (whichever occurs first), or
 - (b) if the person is disqualified—the first ordinary election after the person ceases to be disqualified.
- (3) A person convicted of an offence under Part 6 of Chapter 16 for acting in a civic office while disqualified under section 275:
 - (a) is disqualified from holding civic office for 7 years from the time of conviction, unless the court determines a shorter period, and
 - (b) is not entitled to receive or recover from the council any money relating to the civic office in respect of the period in which the person is disqualified.
- (4) The council may, within 2 years after the person so convicted receives money from the council relating to the civic office in respect of the period in which the person is disqualified, recover the money from the person as a debt.

277 May the holder of a civic office be re-elected?

The holder of a civic office is eligible for re-election, subject to this Act.

Part 3 What is the system of election?

278 Election of councillors for an area not divided into wards

The councillors for an area that is not divided into wards are to be elected by an electorate comprising all the electors for the area.

279 Alternative methods for election of councillors for an area divided into wards

- (1) The councillors for an area that is divided into wards are to be elected in accordance with either section 280 or 281.
- (2) The method of election under section 280 (method 1) is to apply unless a decision made at a constitutional referendum is in force which:
 - (a) requires the method of election under section 281 (method 2) to apply, and
 - (b) specifies the number of councillors each of whom is to be elected by an electorate comprising all the electors for a ward and the number of councillors (if any) each of whom is to be elected by an electorate comprising all the electors for the area.

280 Ward election of councillors—method 1

- (1) Each councillor for an area that is divided into wards may be elected by an electorate comprising all the electors for a ward.
- (2) The same number of councillors is to be elected for each ward. The mayor is to be excluded when determining that number if the mayor is to be elected by all the electors for the area.
- (3) The same person is not to be a candidate for election as a councillor by the electors for more than one ward, unless the election is for the mayor as such.

281 Election of councillors partly by wards, partly by area—method 2

- (1) The councillors for an area that is divided into wards may be elected:
 - (a) as to some of them—each by an electorate comprising all the electors for a ward, and
 - (b) as to the others—by an electorate comprising all the electors for the area.
- (2) The same number of councillors is to be elected for each ward. The mayor is to be excluded when determining that number if the mayor is to be elected by all the electors for the area.

- (3) If a person is a candidate for election as a councillor by the electors for a ward, the person must not at the same time be a candidate for election as a councillor by the electors for another ward or a candidate for election as a councillor by all the electors for the area, unless the election is for the mayor as such.

282 Election of mayor

- (1) The mayor of an area who is to be elected by the electors is to be elected by an electorate comprising all the electors for the area, even if the area is divided into wards.
- (2) The mayor of an area who is to be elected by the councillors for the area is to be elected by the councillors from among their number.
- (3) A mayor elected for an area is one of the councillors of the council for the area.

283 Double candidature

- (1) A person may be a candidate for election as mayor and a candidate for election as a councillor at the same time.
- (2) If a person is elected by the electors as mayor and the person is also a candidate for election as a councillor, the votes cast for the person as a councillor are not to be counted for that person but are to be distributed as prescribed by the regulations.
- (3) (Repealed)

284 Voting system for election of the mayor by all the electors of the area

The voting system in a contested election of the mayor by all the electors of the area is to be optional preferential.

285 Voting system for election of councillors

The voting system in a contested election of a councillor or councillors is to be:

- (a) optional preferential, if only one councillor is to be elected, or
- (b) proportional, if 2 or more councillors are to be elected.

286 Is voting compulsory?

Whichever voting system applies, electors on the residential roll must vote at a contested election unless exempt from voting under this Act. Electors on the non-residential roll or the roll of occupiers and ratepaying lessees may vote, but are not required to vote.

Part 4 When are elections held?

287 When is an ordinary election of councillors held?

- (1) An ordinary election of the councillors for an area is to be held on the second Saturday of September 2008 and on the second Saturday of September in every fourth year after 2008.
- (2) An election of the councillors for an area is to be held on a Saturday proclaimed for the purpose if:
 - (a) the area is constituted after the commencement of this Part, or
 - (b) all civic offices in relation to the council of the area are declared to be vacant under section 255, or
 - (c) the council is declared to be non-functioning under section 257.

288 Delayed elections of councillors

- (1) If the Minister is of the opinion that it would be impracticable or inconvenient to hold an election as provided by section 287, the Minister may, by order published in the Gazette, appoint a subsequent Saturday for the election.
- (2) The subsequent Saturday must not be more than 28 days later than the day when the election should have been held.
- (3) If a day is appointed under this section for an election, the retiring councillors continue in office until the election is held and, if a retiring councillor resigns in the meantime, his or her office is vacant until the election is held.

289 When is an election of a mayor by the electors to be held?

- (1) The election of a mayor by the electors for an area is to be held (unless its purpose is the filling of a casual vacancy):
 - (a) on the day on which the election of the councillors for the area is held, or
 - (b) if the election of the councillors is uncontested, on the day on which the election of the councillors would have been held if it had been contested.
- (2) If a mayor of an area is to be elected by the electors on the day on which a contested election of councillors for the area is to be held and the election of the councillors is delayed for any reason, the election of the mayor is also delayed but must be held on the same day as the delayed election of the councillors.

290 When is an election of a mayor by the councillors to be held?

- (1) The election of the mayor by the councillors is to be held:

- (a) if it is the first election after an ordinary election of councillors—within 3 weeks after the ordinary election, or
 - (b) if it is not that first election or an election to fill a casual vacancy—during the month of September, or
 - (c) if it is the first election after the constitution of an area—within 14 days after the appointment of a provisional council or the first election of the council if a provisional council is not appointed, or
 - (d) if the relevant council is a non-functioning council, or a council of which all civic offices have been declared vacant, and the election is the first to be held after the appointment or election of the councillors—within 14 days after the appointment or election of the councillors.
- (2) If the councillors fail to elect a mayor as required by this section, the Governor may appoint one of the councillors as the mayor.
- (3) For the purposes of this section, an election of councillors does not conclude until the declaration of election of all the councillors of the council concerned.

Note—

The filling of a casual vacancy in the office of a mayor elected by the councillors is dealt with in section 295.

Part 5 How are casual vacancies filled?

291 By-elections

If a casual vacancy occurs in a civic office, the office is to be filled by a by-election, subject to this Part.

Note—

The circumstances in which casual vacancies occur are specified in Chapter 9.

292 When is a by-election to be held?

A by-election to fill a casual vacancy in the office of a councillor or a mayor elected by the electors of an area is to be held on a Saturday that:

- (a) falls not later than 3 months after the vacancy occurs, and
- (b) is fixed by the general manager (in relation to an election administered by the general manager) or the Electoral Commissioner (in relation to an election administered by the Electoral Commissioner).

293 Delayed by-elections

- (1) If the Minister is of the opinion that it would be impractical or inconvenient to hold a by-election as provided by section 292, the Minister may, by order published in the

Gazette, appoint a subsequent Saturday for the by-election.

- (2) The subsequent Saturday must not be more than 28 days later than the day when the by-election should have been held.

294 Dispensing with by-elections

- (1) This section applies if a casual vacancy occurs in the office of a councillor, including a mayor elected by the electors of an area, within 18 months before the date specified for the next ordinary election of the councillors for the area.
- (2) If such a casual vacancy occurs in the office of a councillor (but not the office of a mayor elected by the electors), the Minister may, on the application of the council:
 - (a) order that the vacancy not be filled, or
 - (b) order the holding on a stated day of a by-election to fill the vacancy and revoke any earlier order made under paragraph (a).
- (3) If such a casual vacancy occurs in the office of a mayor elected by the electors, the casual vacancy is to be filled by the Governor appointing to the vacant office a councillor nominated by the council.
- (4) If the council does not nominate a councillor for the purposes of subsection (3), the Governor may appoint one of the councillors to the vacant office.

294A Casual vacancy not to be filled where councillor numbers reduced

- (1) A casual vacancy in the office of a councillor (but not a mayor elected by the electors) is not to be filled if the Minister has approved an application under section 224A to reduce the number of councillors but the reduction has not yet taken effect.
- (2) However, subsection (1) does not authorise a vacancy to remain unfilled if the vacancy will result in the council having less councillors than the reduced number approved by the Minister under section 224A.
- (3) Subsection (1) applies to a casual vacancy whether occurring before or after the commencement of this section or before or after the approval of the relevant application under section 224A.

294B Casual vacancy not to be filled where councillor numbers reduced—approved by constitutional referendum

- (1) Despite section 17 (2), a casual vacancy in the office of a councillor (but not a mayor elected by the electors) is not to be filled if a constitutional referendum has approved a reduction in the number of councillors but the reduction has not yet taken effect.
- (2) However, subsection (1) does not authorise a vacancy to remain unfilled if the vacancy will result in the council having less councillors than the reduced number

approved by the constitutional referendum.

- (3) Subsection (1) applies to a casual vacancy whether occurring before or after the commencement of this section or before or after the constitutional referendum.

295 Casual vacancy in office of mayor elected by the councillors

- (1) If a casual vacancy occurs in the office of a mayor elected by the councillors, the vacancy is to be filled at a meeting of the council to be held within 14 days after the occurrence of the vacancy.
- (2) If the councillors fail to elect a mayor as required by this section, the Governor may appoint one of the councillors as the mayor.

Division 1 Administration of elections

296 Elections to be administered by general manager of council or Electoral Commissioner

- (1) Elections for the purposes of this Chapter are to be administered by the general manager of the council concerned.

Note—

Section 18 provides that certain provisions of this Act (relating to the conduct of elections) apply to council polls and constitutional referendums, with such modifications as may be necessary, in the same way as they apply to elections.

- (2) Despite subsection (1), a council may resolve that the council is to enter into a contract or make arrangements with the Electoral Commissioner for the Electoral Commissioner to administer all elections for the council for the purposes of this Chapter.
- (3) Such a resolution may only be made within 12 months after an ordinary election of councillors for the council's area.
- (4) If such a contract is entered into or such arrangements made, the Electoral Commissioner is to administer all the elections of the council until the conclusion of the following ordinary election for councillors.

296A Elections administered by a general manager

- (1) This section applies to an election administered by the general manager of a council.
- (2) The general manager is to appoint a returning officer and a substitute returning officer for the election. In the absence of the returning officer, the substitute returning officer

is to exercise the functions of the returning officer.

- (3) The returning officer is to appoint one or more electoral officials.
- (4) An employee of a council for an area cannot be appointed as a returning officer or substitute returning officer for that area. However, an electoral official may be an employee of the council.
- (5) A general manager cannot be appointed as a returning officer, substitute returning officer or electoral official for any area.
- (6) For the purpose of conducting an election, the returning officer and substitute returning officer for an area are entitled to access to any relevant records of the council for the area.

296B Elections administered by the Electoral Commissioner

- (1) This section applies to an election administered by the Electoral Commissioner.
- (2) The Electoral Commissioner is to appoint a returning officer and a substitute returning officer for each area. The returning officer is to conduct elections on behalf of, and under the direction of, the Electoral Commissioner. Division 2 Electoral rolls

298 Residential roll

- (1) The Electoral Commissioner is to keep a roll for each area of persons who, in the opinion of the Electoral Commissioner, are entitled, in accordance with Part 1, to be enrolled as electors because they are residents of the area.
- (2) The Electoral Commissioner may use the roll used for elections of the Legislative Assembly or for Commonwealth elections as a basis for the residential roll.
- (3) (Repealed)

299 Non-residential roll

- (1) Not later than the closing date for an election, the general manager is to prepare a roll of non-resident owners of rateable land for confirmation as the roll of non-resident owners of rateable land within the area.
- (2) The roll of non-resident owners of rateable land lapses after the election for which it is prepared, and it consists only of the names of those non-resident owners of rateable land who have applied for the inclusion of their names for the purposes of the election for which it is being prepared.
- (3) The general manager (in relation to an election administered by the general manager) is to confirm as the roll of non-resident owners of rateable land for the election the roll referred to in subsection (1) if, in the general manager's opinion, the roll contains the names of the persons who on the closing date are qualified for inclusion in the roll of non-resident owners of rateable land.

- (4) The Electoral Commissioner (in relation to an election administered by the Electoral Commissioner) is to confirm as the roll of non-resident owners of rateable land for the election a roll certified by the general manager as being, in the general manager's opinion, a roll of the persons who on the closing date are qualified for inclusion in the roll of non-resident owners of rateable land.

300 Roll of occupiers and ratepaying lessees

- (1) Not later than the closing date for an election, the general manager is to prepare the roll of occupiers and ratepaying lessees for confirmation as the roll of occupiers (of land within the area) and ratepaying lessees (of rateable land within the area) for the election.

- (3) The general manager (in relation to an election administered by the general manager) is to confirm as the roll of occupiers and ratepaying lessees for the election the roll referred to in subsection (1) if, in the general manager's opinion, the roll contains the names of the persons who on the closing date are qualified for inclusion in the roll of occupiers and ratepaying lessees.
- (4) The Electoral Commissioner (in relation to an election administered by the Electoral Commissioner) is to confirm as the roll of occupiers and ratepaying lessees for the election a roll certified by the general manager as being, in the general manager's opinion, a roll of the persons who on the closing date are qualified for inclusion in the roll of occupiers and ratepaying lessees.

301 Roll of electors

- (1) The roll of electors for an area is a composite roll, consisting of the residential roll kept by the Electoral Commissioner under section 298 for the area, the non-residential roll prepared and confirmed under section 299 for the area, and the roll of occupiers and ratepaying lessees prepared and confirmed under section 300 for the area.
- (2) For each election, an authorised copy of the roll of electors is to be compiled in accordance with this Division.
- (3) If an area is divided into wards, the authorised copy of the roll of electors is to be prepared separately for each ward or, if the authorised copy of the roll is for a by-election to fill a casual vacancy, only for the ward in which the by-election is to be held.
- (4) An **authorised copy of the roll** referred to in subsections (2) and (3) is a printed or electronic copy of the roll of the electors for the area or ward concerned as at the

closing date for the election.

302 Public inspection of roll of electors

303 Making of claims for inclusion in the roll

- (1) A person may lodge with the Electoral Commissioner (in the case of the residential roll) or the general manager (in the case of another roll):
 - (a) a claim for the inclusion of his or her name in the roll or for the amendment of any particulars entered in the roll against the name, or
 - (b) an objection to the inclusion in the roll of his or her name or the name of another person, or
 - (c) an objection to the inclusion in the roll of specified particulars entered against his or her name or the name of another person.
- (2) Within 7 days after the lodging of a claim for inclusion in, or of an objection to an entry in, a roll, the Electoral Commissioner or general manager:

- (3) A person dissatisfied with the decision of the Electoral Commissioner or general manager may apply to the Administrative Decisions Tribunal for a review of the decision.
- (4) The Electoral Commissioner or general manager is to make as soon as practicable such entries in the appropriate roll as are necessary to give effect to the decision on an application to the Administrative Decisions Tribunal.
- (5) Despite this section, the non-residential roll and the roll of occupiers and ratepaying lessees are not to be altered between the closing date for an election and the end of polling day.

304 Enrolment if qualified in more than one respect

- (1) A person may not, in respect of the same ward, be enrolled more than once in a roll of electors.
- (2) A person who is qualified for enrolment in respect of more than one ward of an area may be enrolled only in respect of the ward for which the person is qualified as a resident or, if the person is not so qualified:
 - (a) the ward specified in a notice given by the person to the general manager before the closing date for the election, or
 - (b) if no such notice is given, a ward chosen by the general manager.

305 Provisional voting

The regulations may prescribe circumstances in which a person is to be permitted to vote at an election under this Act where:

- (a) the person is not enrolled for the area or ward concerned, but claims to be entitled to be enrolled on the residential roll for that area, or
- (b) the person claims that the person's name has been omitted from the roll for the area (for any reason), but claims he or she is entitled to vote at an election, or
- (c) there is other uncertainty as to a person's entitlement to vote at an election (for example, the person claims the person's name has been incorrectly marked off a roll at an election).

Division 3 Nominations and election

306 Nominations

- (1) A person who is not duly nominated is not eligible for election as a councillor, or for election by the electors of an area as mayor.
- (2) To be duly nominated for election as a councillor for an area, or for election as mayor of an area by the electors of an area, a person must be enrolled as an elector for the area, and must be qualified to hold that civic office, at the closing date for the election.
- (3) A person may not be nominated for election as a councillor for more than one ward.
- (4) A nomination is to be proposed to and made by the returning officer as prescribed by the regulations and may be withdrawn by the nominee as prescribed by the regulations.
- (5) A nomination is to be rejected if the returning officer has not been paid the deposit prescribed by the regulations for the nomination or (if none is prescribed) a deposit of

50 per cent of the deposit required to be deposited under the *Parliamentary Electorates and Elections Act 1912* for the nomination of a candidate for election to the Legislative Assembly.

- (5A) However, if a group that comprises more than 5 candidates:
- (a) proposes the nomination of all members of the group, and pays the deposit for the nomination of all members of the group, at the same time, and
 - (b) has lodged a claim under section 308A (2),
- the amount of the deposit for each candidate included in the group is 5 times the deposit for one candidate divided by the number of candidates in that group.
- (6) If a returning officer rejects a proposed nomination and the nominated person applies in writing for an explanation of the rejection, the returning officer must provide the nominated person with a written explanation within 7 days.
- (7) A deposit may be refunded in accordance with the regulations.

307 Nomination where name omitted from roll

Despite section 306, a person whose nomination for election to a civic office would, but for this section, be rejected on the ground only that he or she is not enrolled as an elector for the area may be nominated if:

- (a) the name of the person has been omitted from the roll of electors mistakenly or accidentally, and
- (b) but for that omission the nomination would not have been rejected.

308 Candidate information sheets

- (1) A nomination of a candidate for election to a civic office is to be accompanied by a candidate information sheet in the form of a statutory declaration made by the candidate.
- (2) The regulations may make provision for the matters that are to be included in, or that may or may not be included in, a candidate information sheet. The regulations may not prohibit the inclusion in a candidate information sheet of matter relating to a candidate's policies.
- (3) The returning officer is to make each candidate information sheet available for public inspection at any reasonable time during office hours at the office of the returning officer and at any other place determined by the returning officer.
- (4) An electoral official at each polling place is to ensure that a copy of each candidate information sheet is displayed at the polling place.

308A Grouping of candidates

- (1) This section applies to an election in which there are 2 or more councillors to be elected.
- (2) Two or more candidates duly proposed for nomination for election may, before noon on the nomination day prescribed by the regulations, claim to have their names included in a group on the ballot-papers and in the order specified in the claim. The claim is to be lodged with the returning officer.
- (3) A claim under subsection (2) may also include a request for a group voting square for the group to appear on the ballot-papers to be used in the election concerned, but only if:
 - (a) in the case of an area not divided into wards—the number of candidates in the group on the nomination day prescribed by the regulations is at least half the number of candidates to be elected, or
 - (b) in the case of an area divided into wards—there are at least as many candidates in the group on the nomination day prescribed by the regulations as there are candidates to be elected.
- (4) A group voting square is to be printed on the ballot-papers above the names of the candidates in each group that has duly requested a group voting square under subsection (3), but only if more than one group has duly requested a group voting square.
- (5) An application under Part 7 for the name of a political party to be printed adjacent to the name of a candidate on the ballot-papers may include a further request for that name or a composite name to be printed on the ballot-papers adjacent to the candidates' group voting square.

308B Group voting—recording of votes

- (1) This section applies if a ballot-paper has group voting squares.
- (2) Instead of marking the separate voting squares for the candidates, the voter may record a vote:
 - (a) by placing the number "1" in any one of the group voting squares, and
 - (b) (if he or she wishes) by placing consecutive numbers (beginning with the number "2") in any other of those group voting squares, in the order of his or her preference for the various groups of candidates.
- (3) The number "1" appearing in a group voting square for a group indicates:
 - (a) that the voter's first preference vote is for the first candidate in the group, and

- (b) that the voter's subsequent preference votes are for the other candidates in the group in the order in which their names appear on the ballot-paper.
- (4) Subsequent numbers appearing in group voting squares for other groups indicate that the voter's preferences (subsequent to those referred to in subsection (3)) are for the candidates in those groups:
 - (a) in the order in which those groups are numbered by the voter, and
 - (b) within each group, in the order in which the names of the candidates in that group appear on the ballot-paper.

308C Group voting—marking of ballot-papers

- (1) If a voter records a vote on a ballot-paper by placing a mark in a group voting square but also indicates preferences for individual candidates, the following provisions apply:
 - (a) if the indication of preferences for individual candidates would, if it stood alone, constitute a formal vote, that indication of preferences is taken to be the vote of the voter and the mark in the group voting square is to be disregarded,
 - (b) if the indication of preferences for individual candidates would not, if it stood alone, constitute a formal vote, it is to be disregarded and the vote of the voter is to be taken to have been expressed by the mark in the group voting square.
- (2) A ballot-paper is not informal by reason only that the voter has recorded a vote by placing a cross or a tick in a group voting square and not placing any mark or writing in any other group voting square, but the ballot-paper is to be treated as if the cross or tick were the number "1".
- (3) A ballot-paper is not informal by reason only that the voter has recorded a vote by placing the number "1" or a tick in a group voting square and placing a cross in (or a line through) all or some of the other group voting squares on the ballot-paper, but the ballot-paper is to be treated as if the marks in those other squares did not appear on the ballot-paper and any such tick were the number "1".
- (4) A ballot-paper on which the voter has recorded a vote by placing in one group voting square the number "1" is not informal by reason only that:
 - (a) the same preference (other than the first preference) is recorded on the ballot-paper for more than one group, but in that event the ballot-paper is to be treated as if those and any subsequent preferences had not been recorded, or
 - (b) there is a break in the order of preferences for groups, but in that event the ballot-paper is to be treated as if any preference after the break had not been recorded, or
 - (c) fewer preferences are recorded than there are candidates to be elected.

- (5) The ballot-papers for an election are not informal by reason only that they contain the name of a candidate whom a court has declared to be incapable of being elected at that election, but a preference for such a candidate (whether individually or as a member of a group) is to be disregarded, and (if necessary) subsequent preferences are to be renumbered accordingly.

Note—

The regulations make further provision regarding the formality of ballot-papers.

308D Group voting—regulations

The regulations may make provision for or with respect to the grouping of candidates, group voting squares and the matter to be printed on ballot-papers.

309 Contested elections

- (1) If the number of candidates nominated for election as councillors for a ward or an area is greater than the number required to be elected for the ward or area, the election is to be a contested election.
- (2) If there are two or more candidates for election by the electors of an area as mayor of the area, there is to be a contested election for the office.
- (3) If a candidate who is nominated for election to a civic office in respect of a ward or area dies before the day when the poll at a contested election closes, the election fails in respect of that civic office for the ward or area.

310 Conduct of contested elections

A contested election for a civic office is to be conducted as prescribed by the regulations.

310A Postal votes

At any election, any postal vote must be accepted for further scrutiny if:

- (a) the postal vote is received by the returning officer before 6 pm on the first business day immediately following the close of the poll, and
- (b) the returning officer is satisfied that the voter has indicated, in accordance with the regulations, that the postal vote was completed before the close of the poll.

311 Uncontested elections

- (1) A candidate nominated for election as a councillor for a ward or area is, without a poll being held, taken to have been elected if the number of candidates nominated for election as councillors for the ward or area is no greater than the number of councillors required to be elected for the ward or area.
- (2) A candidate nominated for election by the electors of the area as the mayor of the

area is, without a poll being held, taken to have been elected if he or she is the only nominee for election as the mayor.

- (3) A person holding civic office under this section without a poll being held is taken to have been elected:
 - (a) on the day on which the poll would have been held, if the election were an ordinary election, or
 - (b) on the day of nomination, if paragraph (a) does not apply.
- (4) If a candidate who is nominated for election to a civic office in respect of a ward or area dies before the day referred to in subsection (3), the election in respect of that civic office for that ward or area is taken to have failed and no candidate in that election can be taken to have been elected in respect of that civic office for that ward or area.

Division 4 Where residents fail to vote

312 Offence

A person whose name is on the residential roll in respect of a ward or area must vote at any contested election in the ward or area (other than an election of the mayor by the councillors) unless the person has a sufficient reason not to vote.

Maximum penalty: 1 penalty unit.

313 Check on double-voting and failure to vote

- (1) After the close of the poll at a contested election, the copies of the roll of electors used at the election are to be checked by the Electoral Commissioner in accordance with this section to determine:
 - (a) which electors' names (if any) have been marked more than once, and
 - (b) which electors (if any) appear to have failed to vote.
- (2) In the case of an election administered by a general manager, the general manager must (within the period specified by the Electoral Commissioner) forward the copies of the roll of electors used at that election to the Electoral Commissioner for checking.
- (3) The Electoral Commissioner is, for each contested election, to prepare a list of the names of the persons on the residential roll who, although entitled to vote at the election, appear to have failed to vote and do not appear to have a sufficient reason for the failure.

314 Penalty notice to be issued for failure to vote

- (1) The Electoral Commissioner is to serve a penalty notice on each resident who is

indicated on the list prepared under section 313 as appearing not to have a sufficient reason for failing to vote at an election.

- (2) A penalty notice is to be served within 3 months after the close of the poll at the election to which it relates and, if not served personally, is to be served by post at the address of the resident last known to the Electoral Commissioner.
- (3) A penalty notice is a notice in the form prescribed by the regulations to the effect that, if the resident does not desire to have the failure to vote dealt with by a court:
 - (a) the Electoral Commissioner must be given, within a time stated in the notice, a sufficient reason for the failure to vote, or
 - (b) a penalty of 0.5 penalty unit must be paid to the Electoral Commissioner.
- (4) If, within 28 days after service of the penalty notice, the Electoral Commissioner is given a sufficient reason for the failure to vote or the penalty is paid, the resident is not liable to any further proceedings for the offence to which the penalty notice relates.
- (5) If an insufficient reason for a failure to vote is given in response to a penalty notice, the Electoral Commissioner is to include a statement to that effect in any penalty reminder notice served under the *Fines Act 1996* in relation to the penalty notice.
- (6) For the purposes of this section, it is a sufficient reason for a failure by a resident to vote if the Electoral Commissioner is satisfied that the resident:
 - (a) is dead, or
 - (b) was absent from the area on polling day, or
 - (c) was ineligible to vote, or
 - (d) had an honest belief that he or she had a religious duty to abstain from voting, or
 - (e) (Repealed)
 - (f) was unable to vote for any other reason acceptable to the Electoral Commissioner.
- (7) If a penalty notice is served, the Electoral Commissioner is to note on the list prepared under section 313, or on a separate list of the residents on whom penalty notices have been served, whether or not there has been a response to the penalty notice and, if there has been a response, whether a sufficient reason has been given, or a penalty paid, for the failure to vote.

315 Evidence in list of non-voters

- (1) It is evidence:

- (a) of service of a penalty notice on a resident, or
- (b) of a lack of response to a penalty notice served on a resident, or
- (c) that a reason was given for a failure by a resident to vote at an election, but the reason was insufficient,

if there is on a certified list a notation to that effect in relation to the resident.

- (2) For the purposes of this section, a certified list is a list that is certified by the Electoral Commissioner as (or as a copy of or extract from) the list prepared under section 313 or the separate list prepared under section 314 (7).

Division 5 Miscellaneous

316 Position on ballot-paper

The order of candidates' names on ballot-papers is to be determined by a method of random selection (including by electronic means) in accordance with the regulations.

317 Validity of elections

- (1) An election is not invalid just because:
 - (a) there was a formal defect or error in or relating to the election, if the election was held substantially in accordance with this Act, or
 - (b) there was a defect in the appointment of the returning officer, or
 - (c) the time for closing the poll for postal voting was extended with the approval of the Electoral Commissioner or returning officer (in relation to an election administered by the Electoral Commissioner) or the general manager or returning officer (in relation to an election administered by the general manager) conducting the election, or
 - (d) on polling day the name of a political party, or the abbreviation of that name, as registered in the Local Government Register of Political Parties appears printed adjacent to the name of a candidate on the ballot-papers for the election, but between the time the candidate was endorsed by the party and the polling day the candidate has ceased to be so endorsed.
- (2) A proclamation of the Governor to the effect that a specified irregularity does not invalidate an election is conclusive as to the matter stated in the proclamation.

318 Lapsed or void election

- (1) If an election for a civic office is not held when it is due, fails or is later declared void:
 - (a) the holder of the civic office at the time when the election should have been held

or when the election failed (or, in the case of a void election, if there is no such holder, the candidate purporting to have been elected at the void election), holds the office as if duly elected until an election is held under paragraph (b), and

(b) the returning officer is to hold another election as if a casual vacancy had occurred in the civic office.

(2) An election held for the purposes of this section is as valid as it would have been if it had been held at the time originally appointed for the purpose.

Chapter 11 How are councils staffed?

Introduction—

The Chapter provides for the employment of staff to assist councils to exercise their functions. A council should have sufficient and appropriately qualified staff for the efficient and effective management of its organisation.

The Chapter includes provision for the appointment by each council of a general manager and other senior staff and of a “public officer”. Some requirements concerning employment of staff are contained in other law (for example, industrial relations legislation).

Part 1 Organisation structure

332 Determination of structure

- (1) A council must determine:
 - an organisation structure
 - those positions within the organisation structure that are senior staff positions
 - the resources to be allocated towards the employment of staff.
- (2) A council may not determine a position to be a senior staff position unless:
 - (a) the responsibilities, skills and accountabilities of the position are generally equivalent to those applicable to the Executive Band of the Local Government (State) Award, and
 - (b) the total remuneration package payable with respect to the position is equal to or greater than the minimum remuneration package (within the meaning of Part 3A of the *Statutory and Other Offices Remuneration Act 1975*) payable with respect to senior executive office holders whose positions are graded Level 1 (General Management).
- (3) For the purposes of subsection (2) (b), the total remuneration package payable with respect to a position within a council’s organisation structure includes:

- (a) the total value of the salary component of the package, and
- (b) the total amount payable by the council by way of the employer's contribution to any superannuation scheme to which the holder of the position may be a contributor, and
- (c) the total value of any non-cash benefits for which the holder of the position may elect under the package, and
- (d) the total amount payable by the council by way of fringe benefits tax for any such non-cash benefits.

333 Re-determination of structure

The organisation structure may be re-determined by the council from time to time. It must be re-determined within 12 months after any ordinary election of the council.

Part 2 The general manager and other senior staff

334 Appointment of general manager

- (1) A council must appoint a person to be its general manager. The person must not be a body corporate.
- (2) The position of general manager is a senior staff position.

335 Functions of general manager

- (1) The general manager is generally responsible for the efficient and effective operation of the council's organisation and for ensuring the implementation, without undue delay, of decisions of the council.
- (2) The general manager has the following particular functions:
 - to assist the council in connection with the development and implementation of the community strategic plan and the council's resourcing strategy, delivery program and operational plan and the preparation of its annual report and state of the environment report
 - the day-to-day management of the council
 - to exercise such of the functions of the council as are delegated by the council to the general manager
 - to appoint staff in accordance with an organisation structure and resources approved by the council
 - to direct and dismiss staff

- to implement the council's equal employment opportunity management plan.

(3) The general manager has such other functions as may be conferred or imposed on the general manager by or under this or any other Act.

- (a) dies, or
 - (b) completes the term of his or her contract and is not re-appointed, or
 - (c) resigns from the position, or
 - (d) becomes a mentally incapacitated person and is removed from the position by the council because of that mental incapacity, or
 - (e) is sentenced to imprisonment, or
 - (f) is removed from the position for breach of or under the terms of the general manager's contract with the council.
- (3) A person may be removed from office under subsection (2) (d) only if, taking into account the person's past training, qualifications and experience relevant to employment as a general manager, the person's performance as an employee, and all other relevant factors that it is reasonable to take into account, the person because of his or her mental incapacity:
- (a) would be unable to carry out the inherent requirements of the position of general manager, or
 - (b) would, in order to carry out those requirements, require services or facilities that are not required by persons who are not mentally incapacitated persons and the provision of which would impose an unjustifiable hardship (within the meaning of the *Disability Discrimination Act 1992* of the Commonwealth) on the council.

337 Council to be consulted as to appointment and dismissal of senior staff

The general manager may appoint or dismiss senior staff only after consultation with the council.

338 Nature of contracts for senior staff

- (1) The general manager and other senior staff of a council are to be employed under

contracts that are performance-based.

- (2) The term of a contract must not be less than 12 months or more than 5 years (including any option for renewal). A term that is less than 12 months is taken to be for 12 months and a term for more than 5 years is taken to be limited to 5 years.
- (3) Contracts may be renewed from time to time.
- (4) The Director-General may, by order in writing, approve one or more standard forms of contract for the employment of the general manager or other senior staff of a council.
- (5) A standard form of contract approved by the Director-General is not to include provisions relating to the level of remuneration or salary (including employment benefits) of the general manager or other senior staff of a council, performance-based requirements or the duration of the contract.
- (6) A council is not to employ a person to a position to which one or more standard forms of contract approved for the time being under this section applies or apply except under such a standard form of contract.
- (7) The council may include in an employment contract for the general manager or another member of the senior staff additional provisions to those contained in the standard form of contract but only if those provisions relate to any of the following:
 - (a) the level of remuneration or salary (including employment benefits) of the person employed under the contract,
 - (b) subject to subsections (1) and (2), performance-based requirements or the duration of the contract.
- (8) Despite subsection (6), the approval, amendment or substitution of a standard form of contract under this section does not affect any employment contract between a council and the general manager of the council or another member of the senior staff of the council if the employment contract was entered into before the approval, amendment or substitution of the standard form of contract.
- (9) However, subsection (6) does apply to the renewal of any such employment contract occurring after the standard form of contract is approved, amended or substituted and to all new contracts entered into after the standard form of contract is approved, amended or substituted.

339 Annual reporting of contracts for senior staff

The general manager must, at least once annually, report to the council on the contractual conditions of senior staff.

340 Industrial arbitration excluded

- (1) In this section, a reference to the employment of the general manager or another senior staff member is a reference to:
 - (a) the appointment of, or failure to appoint, a person to the vacant position of general manager or to another vacant senior staff position, or
 - (b) the removal, retirement, termination of employment or other cessation of office of the general manager or another senior staff member, or
 - (c) the remuneration or conditions of employment of the general manager or another senior staff member.
- (2) The employment of the general manager or another senior staff member, or any matter, question or dispute relating to any such employment, is not an industrial matter for the purposes of the *Industrial Relations Act 1996*.
- (3) Subsection (2) applies whether or not any person has been appointed to the vacant position of general manager or another vacant senior staff position.
- (4) No award, agreement, contract determination or order made or taken to have been made or continued in force under the *Industrial Relations Act 1996*, whether made before or after the commencement of this section, has effect in relation to the employment of senior staff members.
- (5) No proceedings for an order in the nature of prohibition, certiorari or mandamus or for a declaration or injunction or for any other relief, lie in respect of the appointment of or failure to appoint a person to the position of general manager or to another senior staff position, the entitlement or non-entitlement of a person to be so appointed or the validity or invalidity of any such appointment.

341 Duty to report bankruptcy

- (1) If a person who is a senior staff member becomes bankrupt or makes a composition, arrangement or assignment for the benefit of the person's creditors, the person must:
 - (a) immediately give notice of the bankruptcy, composition, arrangement or assignment to the general manager, and
 - (b) provide the general manager, within the time specified by the general manager, with any further information concerning the cause of the bankruptcy or of the making of the composition, arrangement or assignment required by the general manager.
- (2) If the person is the general manager, subsection (1) applies as if references to the general manager were references to the council.

Part 3 The public officer

342 Appointment of the public officer

- (1) The general manager is to designate a member of staff as the public officer of the council.
- (2) The position of public officer may, but need not be, a senior staff position.

343 Functions of the public officer

- (1) The public officer:
 - may deal with requests from the public concerning the council's affairs
 - has the responsibility of assisting people to gain access to public documents of the council
 - may receive submissions made to the council
 - may accept service of documents on behalf of the council
 - may represent the council in any legal or other proceedings
 - has such other functions as may be conferred or imposed on the public officer by the general manager or by or under this Act.
- (2) The public officer is subject to the direction of the general manager.

Part 4 Equal employment opportunity

344 Objects

- (1) The objects of this Part are:
 - (a) to eliminate and ensure the absence of discrimination in employment on the grounds of race, sex, marital or domestic status and disability in councils, and
 - (b) to promote equal employment opportunity for women, members of racial minorities and persons with disabilities in councils.
- (2) In this section, **disability** has the same meaning as in the [Disability Discrimination Act 1992](#) of the Commonwealth.

Note—

The [Disability Discrimination Act 1992](#) of the Commonwealth defines disability to include such things as loss of bodily or mental function, loss of a part of the body, malfunction, malformation or disfigurement of a part of the body and certain other conditions, disorders, illnesses and diseases. That Act makes it unlawful for an employer to discriminate against a person on the ground of the other person's disability in certain contexts. These include in determining who should be offered employment (section 15 of that Act). Such discrimination is unlawful unless the person, because of his or her disability, would be unable to carry out

the inherent requirements of the particular employment or would, in order to carry out those requirements, require services or facilities that are not required by persons without the disability and the provision of which would impose an unjustifiable hardship on the employer.

345 Preparation and implementation of EEO management plans

- (1) A council must prepare and implement an equal employment opportunity management plan in order to achieve the objects of this Part.
- (2) The plan is to include provisions relating to:
 - (a) the devising of policies and programs by which the objects of this Part are to be achieved, and
 - (b) the communication of those policies and programs to persons within the staff of the council, and
 - (c) the collection and recording of appropriate information, and
 - (d) the review of personnel practices within the council (including recruitment techniques, selection criteria, training and staff development programs, promotion and transfer policies and patterns, and conditions of service) with a view to the identification of any discriminatory practices, and
 - (e) the setting of goals or targets, where these may reasonably be determined, against which the success of the plan in achieving the objects of this Part may be assessed, and
 - (f) the means, other than those referred to in paragraph (e), of evaluating the policies and programs referred to in paragraph (a), and
 - (g) the revision and amendment of the plan, and
 - (h) the appointment of persons within the council to implement the provisions referred to in paragraphs (a)-(g).
- (3) An equal employment opportunity management plan may include provisions, other than those referred to in subsection (2), that are not inconsistent with the objects of this Part.
- (4) A council may, from time to time, amend its equal employment opportunity management plan.

346 Inconsistencies with the [Anti-Discrimination Act 1977](#)

- (1) The provisions of an equal employment opportunity management plan, to the extent of any inconsistency between those provisions and the provisions of the [Anti-Discrimination Act 1977](#), prevail.

- (2) This section does not apply to or in respect of the provisions of a plan which are the subject of a reference under section 347 to the Anti-Discrimination Board or the Public Service Commissioner.

Note—

This section adopts the principles in section 122K of the *Anti-Discrimination Act 1977*. Those principles are designed to ensure that full effect can be given to the objects of this Part.

347 References

- (1) Where the Minister is dissatisfied with any matter relating to the preparation, amendment or implementation of an equal employment opportunity management plan by a council or any failure or omission of a council with respect to the preparation, amendment or implementation of any such plan, the Minister may refer the matter to the Anti-Discrimination Board or the Public Service Commissioner.
- (2) The provisions of section 122N of the *Anti-Discrimination Act 1977*, and the succeeding provisions of Part 9A of that Act, apply to and in respect of a reference under this section to the Anti-Discrimination Board as if it were a reference under section 122M of that Act and as if the council were an authority within the meaning of that Part.

Part 5 Other provisions concerning staff

348 Advertising of staff positions

- (1) When it is proposed to make an appointment to a position within the organisation structure of the council, the position must be advertised in a manner sufficient to enable suitably qualified persons to apply for the position.
- (2) If the position is a senior staff position, the requirement of this section is satisfied if the position is advertised at least twice in a daily newspaper circulating throughout the State.
- (3) This section does not apply to:
 - (a) the re-appointment, under a new contract, of a senior staff member, or

349 Appointments to be on merit

- (1) When the decision is being made to appoint a person to a position:

- (2) The merit of the persons eligible for appointment to a position is to be determined according to:
- (a) the nature of the duties of the position, and
 - (b) the abilities, qualifications, experience and standard of work performance of those persons relevant to those duties.
- (3) In determining the merit of a person eligible for appointment to a position, regard is to be had to the objects of Part 4 of this Chapter (see section 344).

350 Appointments to which secs 348 and 349 do not apply

Sections 348 and 349 do not apply to:

- (a) an appointment by way of demotion, or

351 Temporary appointments

- (1) If a position (including a senior staff position) within the organisation structure of the council is vacant or the holder of such a position is suspended from duty, sick or absent:
- (a) the council, in the case of the general manager's position, or
 - (b) the general manager, in the case of any other position,
- may appoint a person to the position temporarily.
- (2) A person who is appointed to a position temporarily may not continue in that position:
- (a) if the holder of the position is on parental leave—for a period of more than 24 months, or
 - (b) in any other case—for a period of more than 12 months.

352 Independence of staff for certain purposes

- (1) A member of staff of a council is not subject to direction by the council or by a councillor as to the content of any advice or recommendation made by the member.
- (2) This section does not prevent the council or the mayor from directing the general

manager of the council to provide advice or a recommendation.

353 Other work

- (1) The general manager must not engage, for remuneration, in private employment or contract work outside the service of the council without the approval of the council.
- (2) A member of staff must not engage, for remuneration, in private employment or contract work outside the service of the council that relates to the business of the council or that might conflict with the member's council duties unless he or she has notified the general manager in writing of the employment or work.
- (3) The general manager may prohibit a member of staff from engaging, for remuneration, in private employment or contract work outside the service of the council that relates to the business of the council or that might conflict with the member's council duties.

- (2) The Minister may refuse to approve a payment under subsection (1) if the Minister is not satisfied the payment is appropriate.
- (3) A payment referred to in subsection (1) that is made without the Minister's approval:
 - (a) is to be repaid to the council, and
 - (b) is a debt due to the council recoverable by the council or the Minister in any court of competent jurisdiction.
- (4) Subsection (1) does not apply to payments of a kind exempted from this section by the regulations.

(5) To remove doubt, this section extends to:

- (a) a termination payment made under a contract and to an ex gratia termination payment, and
- (b) a termination payment made under a contract entered into before the commencement of this section.

Part 6 Arrangements for council staff affected by the constitution, amalgamation or alteration of council areas

354B Definitions

(1) In this Part:

boundary alteration means an alteration of the boundaries of one or more areas by or under a proclamation under Chapter 9.

existing staff member of a transferee council means, in relation to a staff transfer occurring in connection with a boundary alteration, a person who was a member of the staff of the transferee council immediately before the transfer day and who has not ceased to be a member of that staff.

Note—

In the case of a staff transfer effected in connection with the amalgamation of areas under Chapter 9, no members of staff continue in the employment of the councils of the areas being amalgamated because all those areas are dissolved. The members of staff would become employees of the newly constituted council.

former council, in relation to a transferred staff member, means the council that employed the staff member immediately before the transfer day.

proposal means:

- (a) a proposal made under section 215 to constitute one or more areas, or
- (b) a proposal made under section 218E to amalgamate one or more areas, or
- (c) a proposal made under section 218E to alter the boundaries of one of more areas.

proposal period means (subject to subsection (2)) the period:

- (a) starting on the day the proposal is made, and
- (b) ending on the following day:
 - (i) if the Minister decides not to proceed with the proposal—the day that decision is made under section 215 or 218E,
 - (ii) if the Minister refers the proposal to the Boundaries Commission or the Director-General but decides to decline to recommend to the Governor that the

proposal be implemented—the day that decision is made,

- (iii) if the Minister recommends to the Governor that the proposal be implemented—immediately before the date specified in the proclamation implementing the proposal.

remaining staff member of a transferor council means, in relation to a staff transfer occurring in connection with a boundary alteration, a person who was a member of the staff of the transferor council immediately before the transfer day and who has not ceased to be a member of that staff.

Note—

In the case of a staff transfer effected in connection with the amalgamation of areas under Chapter 9, no members of staff continue in the employment of the councils of the areas being amalgamated because all those areas are dissolved. The members of staff would become employees of the newly constituted council.

rural centre means a centre of population of 5,000 people or fewer, and includes a geographical area that is prescribed, or is of a kind prescribed, by regulations in force for the purposes of this definition as being a rural centre.

staff transfer means a transfer of staff from the employment of one council to the employment of another council by or under a proclamation under Chapter 9.

transfer day, in relation to a staff transfer, means the day on which the staff concerned were transferred from the employment of one council to the employment of another council.

transferee council, in relation to a staff transfer, means the council into whose employment the staff concerned were transferred on the transfer day.

transferor council, in relation to a staff transfer, means the council from whose employment the staff concerned were transferred on the transfer day.

transferred staff member means a member of the staff of a council who is transferred to the employment of another council by or under a proclamation under Chapter 9.

work base means the office, depot or other place of work at or from which any staff work.

- (2) The Minister may, by notice in writing to a council, extend the proposal period in relation to that council by determining an earlier date for the start of the period than the date the proposal is made under section 215 or 218E.

354C No forced redundancy of affected staff members during proposal period

The employment of a member of staff of a council that is affected by a proposal (other than of a senior staff member) must not be terminated, without the staff member's

agreement, during the proposal period on the ground of redundancy.

354D Preservation of entitlements of staff members

(1) If a staff transfer occurs, the employment of:

(a) a transferred staff member, and

(b) in the case of a boundary alteration:

(i) a remaining staff member of the transferor council, and

(ii) an existing staff member of the transferee council,

other than a senior staff member, continues on the same terms and conditions that applied to the staff member immediately before the transfer day, subject to section 354E.

(2) Subsection (1) applies until other provision is duly made under any Act or law.

(3) Neither the contract of employment nor the period of employment of a transferred staff member is taken to have been broken by the transfer for the purposes of any law, award or agreement relating to the employment of that staff member.

(4) A transferred staff member is not entitled to receive any payment or other benefit merely because the staff member ceases to be a staff member of the former council.

(5) The transfer of a transferred staff member does not affect any accrued rights the staff member had immediately before the transfer, including in relation to recreation leave, sick leave, long service leave and superannuation, but does not entitle the staff member to claim dual benefits of the same kind for the same period of service.

354E Certain increases or decreases in staff entitlements during proposal period not binding on transferee council without approval

(1) This section applies to a determination of the terms and conditions of employment of staff members of a council that is made during the proposal period, and extends to any such determination made in an industrial agreement with or on behalf of the staff members, in an employment contract with a staff member or in an employment policy of the council.

(2) After the transfer day:

(a) the transferee council is not bound by any such determination, and

(b) any such determination is to be disregarded for the purposes of section 354D (1),

unless the determination has been approved by the Minister under this section or the approval of the Minister is not required under this section.

- (3) If an application is made to the Minister for approval of a determination to which this section applies, the Minister may refuse to approve the determination only if the Minister is satisfied that the determination arises from or is in anticipation of the proposal and would result in an unjustifiable increase or decrease in the obligations of the transferee council in relation to transferred staff members.
- (4) A determination to which this section applies is not required to be approved by the Minister if:
 - (a) it complies with the requirements of regulations made for the purposes of this section, or
 - (b) the Minister determines in writing that approval is not required.

354F No forced redundancy of non-senior staff members for 3 years after transfer

If a staff transfer occurs, the employment of:

- (a) a transferred staff member, and
- (b) in the case of a boundary alteration:
 - (i) a remaining staff member of the transferor council, and
 - (ii) an existing staff member of the transferee council,

other than a senior staff member, must not be terminated, without the staff member's agreement, within 3 years after the transfer day on the ground of redundancy arising from the staff transfer.

354G Lateral transfer of non-senior staff members

- (1) This section applies if either:
 - (a) the following subparagraphs apply:
 - (i) a staff transfer occurs in connection with the constitution of a new area, whether as a result of the amalgamation of two or more areas or otherwise, and
 - (ii) within 3 years after the transfer day, the general manager proposes to make an appointment to a position within the organisational structure of the council (**the council**), other than a senior staff position, and
 - (iii) a transferred staff member (other than a senior staff member) was, immediately before the transfer day, performing substantially the same duties for the staff member's former council as are required to be performed in the position to be filled, or

 - (ii) within 3 years after the transfer day, the general manager of a council (**the council**) affected by the boundary alteration proposes to make an appointment to a position within the organisational structure of the council, other than a senior staff position, and
 - (iii) a staff member (other than a senior staff member) of the council was, immediately before the transfer day, performing substantially the same duties for either or any of the affected councils as are required to be performed in the position to be filled.
- (2) The council:
- (a) must notify its staff members of the position and give its staff members a reasonable opportunity to apply for the position, and
 - (b) must not externally advertise the position.
- (3) A person who:
- (a) applies for appointment to a position referred to in this section, and
 - (b) is employed by the council at the time of making the application, and
 - (c) is a person referred to in subsection (1) (a) (iii) or (b) (iii), as the case requires,
- must be considered for appointment to the position in preference to any other applicant for the position who is not such a person.
- (4) If there is more than one person referred to in subsection (3) who is eligible for appointment to a position, the applicant who has the greatest merit, determined in accordance with section 349 (2) and (3), is to be selected.
- (5) Subject to subsection (4), sections 348 and 349 do not apply to an appointment to a position referred to in this section and the Council may not decide, under section 350 (b), that those sections apply to the appointment.

354H External advertising not required in certain circumstances

- (1) This section applies if either:
- (a) the following subparagraphs apply:
 - (i) a staff transfer occurs in connection with the constitution of a new area, whether as a result of the amalgamation of two or more areas or otherwise, and
 - (ii) within 3 years after the transfer day, the general manager proposes to make

an appointment to a position within the organisational structure of the council (**the council**), other than a senior staff position, and

(iii) the general manager is satisfied that one or more of the transferred staff members (other than a senior staff member) are suitably qualified for the position, and

(iv) section 354G does not apply with respect to the position, or

(b) the following subparagraphs apply:

(i) a staff transfer occurs in connection with a boundary alteration, and

(ii) within 3 years after the transfer day, the general manager of a council (**the council**) affected by the boundary alteration proposes to make an appointment to a position within the organisational structure of the council, other than a senior staff position, and

(iii) the general manager is satisfied that one or more of the staff members (other than a senior staff member) of the council who were, immediately before the transfer day, members of the staff of either or any of the affected councils are suitably qualified for the position, and

(iv) section 354G does not apply with respect to the position.

(2) The council:

(a) must notify its staff members of the position and give its staff members a reasonable opportunity to apply for the position, and

(b) must not externally advertise the position.

(3) Section 348 does not apply to an appointment to a position referred to in this section.

354I Limitations on transfer of work base of non-senior staff

(1) This section applies, where a staff transfer occurs, to:

(a) a transferred staff member, and

(b) in the case of a boundary alteration:

(i) a remaining staff member of the transferor council, and

(ii) an existing staff member of the transferee council,

other than a senior staff member.

(2) The staff member must not be required by the council employing the staff member to be based within 3 years after the transfer day at a work base located:

- (a) in a case where the staff member is a transferred staff member—outside the boundaries of the area of his or her former council as they existed immediately before the transfer day, or
- (b) in a case where the staff member is a remaining staff member of the transferor council—outside the boundaries of the area of the transferor council as they existed immediately before the transfer day, or
- (c) in a case where the staff member is an existing staff member of the transferee council—outside the boundaries of the area of the transferee council as they existed immediately before the transfer day,

unless the staff member gives his or her written consent to the change of work base or such a requirement would not cause the staff member to suffer unreasonable hardship because of the distance required to travel to the proposed work base.

Chapter 12 How do councils operate?

Introduction—

This Chapter describes the ways in which a council carries out its functions and makes decisions.

The Chapter enables each council to adopt a code of meeting practice after giving public notice of a draft code. The Chapter provides for the basic matters concerning council meetings (frequency of meetings, notice of meetings, quorum, voting, rescission motions, committees etc).

The Chapter enables a council to delegate its functions, other than those functions the delegation of which is expressly prohibited. Functions that may not be delegated include the making of a rate or charge, the borrowing of money, the compulsory acquisition of land, the adoption of financial statements and the classification of public land as operational land. Functions may be delegated to the general manager and to specified persons and bodies but may not be delegated directly by the council to council employees other than the general manager.

The Chapter requires councils to have public liability and professional liability insurance. The Chapter also makes provision for the constitution, functions, operation and dissolution of county councils.

Part 1 General

355 How does a council exercise its functions?

A function of a council may, subject to this Chapter, be exercised:

- (a) by the council by means of the councillors or employees, by its agents or contractors, by financial provision, by the provision of goods, equipment, services, amenities or facilities or by any other means, or
- (b) by a committee of the council, or
- (c) partly or jointly by the council and another person or persons, or
- (d) jointly by the council and another council or councils (including by means of a Voluntary Regional Organisation of Councils of which the councils concerned are members), or

- (e) by a delegate of the council (which may, for example, be a Voluntary Regional Organisation of Councils of which the council is a member).

356 Can a council financially assist others?

- (1) A council may, in accordance with a resolution of the council, contribute money or otherwise grant financial assistance to persons for the purpose of exercising its functions.
- (2) A proposed recipient who acts for private gain is not ineligible to be granted financial assistance but must not receive any benefit under this section until at least 28 days' public notice of the council's proposal to pass the necessary resolution has been given.
- (3) However, public notice is not required if:
 - (a) the financial assistance is part of a specific program, and
 - (b) the program's details have been included in the council's draft operational plan for the year in which the financial assistance is proposed to be given, and
 - (c) the program's proposed budget for that year does not exceed 5 per cent of the council's proposed income from the ordinary rates levied for that year, and
 - (d) the program applies uniformly to all persons within the council's area or to a significant group of persons within the area.
- (4) Public notice is also not required if the financial assistance is part of a program of graffiti removal work.

Note—

Part 4 of the [Graffiti Control Act 2008](#) deals with graffiti removal work.

357 Can a council exercise its functions only within its area?

A council may exercise its functions within its area or outside its area, but may exercise its regulatory functions under Chapter 7 only within its area.

358 Restrictions on formation of corporations and other entities

- (1) A council must not form or participate in the formation of a corporation or other entity, or acquire a controlling interest in a corporation or other entity, except:
 - (a) with the consent of the Minister and subject to such conditions, if any, as the Minister may specify, or
 - (b) as provided by this Act.
- (2) This section does not prevent a council from being a member of a co-operative society or a company limited by guarantee and licensed not to use the word "Limited"

in its name.

- (3) In applying for the Minister's consent under subsection (1) (a), the council is required to demonstrate, to the Minister's satisfaction, that the formation of, or the acquisition of the controlling interest in, the corporation or entity is in the public interest.
- (3A) The regulations may make provision for or with respect to the matters to be taken into account by the Minister in deciding whether to grant consent under this section and the conditions that may or must be specified by the Minister under this section.
- (4) In this section, **entity** means any partnership, trust, joint venture, syndicate or other body (whether or not incorporated), but does not include any such entity that is of a class prescribed by the regulations as not being within this definition.

359 Can a council act as an agent?

A council may act as the agent of another person or of the Crown, subject to the regulations.

How can a council exercise its functions?

Part 2 How are decisions made?

Division 1 Code of meeting practice

360 Conduct of meetings of councils and committees

- (1) The regulations may make provision with respect to the conduct of meetings of councils and committees of councils of which all the members are councillors.

- (2) A council may adopt a code of meeting practice that incorporates the regulations made for the purposes of this section and supplements those regulations with provisions that are not inconsistent with them.
- (3) A council and a committee of the council of which all the members are councillors must conduct its meetings in accordance with the code of meeting practice adopted by it.

361 Preparation, public notice and exhibition of draft code

- (1) Before adopting a code of meeting practice, a council must prepare a draft code.
- (2) The council must give public notice of the draft code after it is prepared.
- (3) The period of public exhibition must not be less than 28 days.
- (4) The public notice must also specify a period of not less than 42 days after the date on which the draft code is placed on public exhibition during which submissions may be made to the council.
- (5) The council must publicly exhibit the draft code in accordance with its notice.

362 Adoption of draft code

- (1) After considering all submissions received by it concerning the draft code, the council may decide:
 - (a) to amend those provisions of its draft code that supplement the regulations made for the purposes of section 360, or

Chapter 13 How are councils made accountable for their actions?

Introduction—

This Chapter sets out the mechanisms by which a council is made accountable for its actions.

Each local government area must have a community strategic plan developed by the council for the future of the local community covering a period of at least 10 years. To support the community strategic plan, a council must have a long-term resourcing strategy that includes long-term financial planning, workforce management planning and asset management planning.

Councils have a custodial role in developing and monitoring the community strategic plan for the local government area on behalf of their communities. Achieving the strategic objectives in the community strategic plan may involve other partners including State government agencies, non-government organisations and other community groups and individuals.

A council must have a delivery program that details the principal activities to be undertaken by the council in order to achieve the objectives established by the community strategic plan that it is responsible for. A council must establish a new delivery program after each ordinary election.

Before the beginning of each year a council must adopt an operational plan that includes a statement of the council's revenue policy and the activities to be engaged in by the council during the year. Public notice is to be given by the council of its operational plan.

A council is required to have 2 funds (a consolidated fund and a trust fund). It must keep proper accounts, which are to be audited annually.

Each year a council is required to prepare an annual report to its community on its work and activities.

Councils are directly accountable to the residents and ratepayers in their local government area. The Minister has a supervisory role in relation to councils. The Minister and the Director-General are able to request further information from councils, and the Director-General is able to authorise persons to investigate and report on matters connected with a council's work and activities and to direct a council to act on any recommendations contained in such a report.

Members of the general public are entitled to inspect a wide range of council documents (see section 12). Members of the general public are also entitled, under the *Government Information (Public Access) Act 2009*, to be given access to certain other documents held by a council. They are also entitled, under the *Privacy and Personal Information Protection Act 1998*, to require the correction of certain kinds of information in the event that the information is incomplete, incorrect, out of date or misleading.

- (4) The council must comply with any order made by the Minister under this section.
- (5) An order under this section may state that a failure to comply with the order may lead to legal proceedings being taken to enforce compliance.

- (1) If satisfied that any expenditure or transfer, or any entry in a council's accounts, has been incurred or made in contravention of this or any other Act or of any regulation in force under this or any other Act, a Departmental representative may:
 - (a) disallow the expenditure, transfer or entry, and
 - (b) surcharge the amount of the disallowance on the councillor, the general manager or any other member of staff of the council by whom the expenditure, transfer or entry was incurred or made or ordered to be incurred or made.
- (2) A Departmental representative may also surcharge on a councillor, the general manager or any other member of staff of the council the amount of:

- (a) any deficiency or loss incurred by the council as a consequence of the negligence or misconduct of the councillor, general manager or member of staff, or

- (3) A Departmental representative may not exercise the powers conferred by this section unless expressly authorised to do so by the Director-General.

436 Procedure for surcharging

- (1) Before surcharging a person, the Departmental representative:
- (a) must cause notice of the proposed surcharge, and of the reasons for the proposed surcharge, to be given to the person, and

 - (c) must take into consideration any submissions duly made by the person with respect to the proposed surcharge.
- (2) The Departmental representative must certify in the council's accounts the amount by which the Departmental representative has surcharged any person.
- (3) Immediately on surcharging an amount on any person, the Departmental representative must give notice of that fact to the person.

- (2) Any money recovered in connection with a surcharge relating to a particular account is to be paid into the fund in which money in that account is held.

Chapter 14 Honesty and disclosure of interests

Introduction—

This Chapter places obligations on councillors, council delegates and staff of councils to act honestly and responsibly in carrying out their functions.

The Chapter also provides for the adoption of codes of conduct for councillors, staff and other persons associated with the functions of councils. However, the Chapter does not affect any other duties imposed by other laws or any offences created by other laws.

It also requires that pecuniary interests of councillors, council delegates and other persons involved in making decisions or giving advice on council matters be publicly recorded and requires councillors and staff to refrain from taking part in decisions on council matters in which they have a pecuniary interest.

The Chapter enables any person to make a complaint concerning a failure to disclose a pecuniary interest and provides for the investigation of complaints.

The Chapter also establishes the Local Government Pecuniary Interest and Disciplinary Tribunal.

The Tribunal is empowered to conduct hearings into complaints and to take disciplinary action against a person if a complaint against the person is found to be proved.

Part 1 Conduct

Division 1 Conduct generally

439 Conduct of councillors, staff and delegates

- (1) Every councillor, member of staff of a council and delegate of a council must act honestly and exercise a reasonable degree of care and diligence in carrying out his or her functions under this or any other Act.
- (2) Although this section places certain duties on councillors, members of staff of a council and delegates of a council, nothing in this section gives rise to, or can be taken into account in, any civil cause of action.

440 Codes of conduct

- (1) The regulations may prescribe a model code of conduct (the **model code**) applicable to councillors, members of staff of councils and delegates of councils.
- (2) Without limiting what may be included in the model code, the model code may:
 - (a) relate to any conduct (whether by way of act or omission) of a councillor, member of staff or delegate in carrying out his or her functions that is likely to bring the council or holders of civic office into disrepute, and
 - (b) in particular, contain provisions for or with respect to conduct specified in Schedule 6A.
- (3) A council must adopt a code of conduct (the **adopted code**) that incorporates the provisions of the model code. The adopted code may include provisions that supplement the model code.
- (4) A council's adopted code has no effect to the extent that it is inconsistent with the

model code as in force for the time being.

- (5) Councillors, members of staff and delegates of a council must comply with the applicable provisions of:
- (a) the council's adopted code, except to the extent of any inconsistency with the model code as in force for the time being, and
 - (b) the model code as in force for the time being, to the extent that:
 - (i) the council has not adopted a code of conduct, or
 - (ii) the adopted code is inconsistent with the model code, or
 - (iii) the model code contains provisions or requirements not included in the adopted code.
- (6) A provision of a council's adopted code is not inconsistent with the model code merely because the provision makes a requirement of the model code more onerous for persons required to observe the requirement.
- (7) A council must, within 12 months after each ordinary election, review its adopted code and make such adjustments as it considers appropriate and as are consistent with this section.
- (8) Nothing in this section or such a code gives rise to, or can be taken into account in, any civil cause of action, but nothing in this section affects rights or liabilities arising apart from this section.

Division 2 Serious corrupt conduct

440A Definition of "serious corrupt conduct"

In this Division:

serious corrupt conduct means corrupt conduct (within the meaning of the [Independent Commission Against Corruption Act 1988](#)) that may constitute a serious indictable offence, being:

440B Dismissal from civic office for serious corrupt conduct

- (1) The Governor may dismiss a person from civic office and disqualify the person from holding civic office for a period not exceeding 5 years if:

 - (b) the person is suspended from the civic office by the Minister under this Division, and
 - (c) the Minister advises the Governor that the dismissal of the person is necessary in order to protect the public standing of the council concerned and the proper exercise of its functions.

440C Temporary suspension from civic office for serious corrupt conduct

- (1) The Minister may, without notice or inquiry, suspend a person from civic office:
- (a) if the Independent Commission Against Corruption, in a report referred to in section 74C of the *Independent Commission Against Corruption Act 1988*, recommends that consideration be given to the suspension of the person from office with a view to his or her dismissal for serious corrupt conduct, or
 - (b) if criminal proceedings for serious corrupt conduct are instituted against the person, or
 - (c) if the person makes an admission of serious corrupt conduct.
- (2) A person, while suspended from civic office under this section:
- (a) is not entitled to exercise any of the functions of the civic office, and
 - (b) is not entitled to any fee or other remuneration to which the person would otherwise be entitled as the holder of the civic office.
- (3) A suspension under this section may be removed by the Minister at any time.
- (4) A suspension under this section is removed in the following circumstances:
- (a) if the person is not dismissed from civic office, or criminal proceedings in connection with the serious corrupt conduct are not instituted, within 6 months after the suspension,
 - (b) in the case of a person against whom criminal proceedings are instituted in connection with the serious corrupt conduct—if the proceedings are withdrawn or dismissed.

- (5) If a suspension is removed, any fee or other remuneration withheld may (if the Minister so directs) be subsequently paid to the person concerned.

440D Temporary suspension of staff in connection with serious corrupt conduct

- (1) The general manager may suspend a member of staff of a council from duty:
- (a) if the Independent Commission Against Corruption, in a report referred to in section 74C of the *Independent Commission Against Corruption Act 1988*, recommends that consideration be given to the suspension of the member of staff from duty with a view to the institution of disciplinary or other proceedings against the member of staff for serious corrupt conduct, or
 - (b) if criminal proceedings for serious corrupt conduct are instituted against the member of staff, or
 - (c) if the member of staff makes an admission of serious corrupt conduct.
- (2) If the general manager so directs, a member of staff, while suspended from duty under this section, is not entitled to any salary or other remuneration to which the person would otherwise be entitled as a member of staff.
- (3) A suspension under this section may be removed by the general manager at any time.
- (4) A suspension under this section is removed in the following circumstances:
- (a) if disciplinary or criminal proceedings in connection with the serious corrupt conduct are not instituted within 6 months after the suspension,
 - (b) in the case of a member of staff against whom disciplinary or criminal proceedings are instituted in connection with the serious corrupt conduct—if the proceedings are withdrawn or dismissed.
- (5) If a suspension is removed, any salary or other remuneration withheld may (if the general manager so directs) be subsequently paid to the member of staff.
- (6) The Minister may exercise the functions of the general manager under this section in connection with:
- (a) conduct of a general manager, or
 - (b) conduct of any other member of staff (but only if the Minister is satisfied that the general manager has failed to act under this section without reasonable cause).
- (7) This section does not limit any other power to suspend a member of staff from duty.

440E Application of Division

This Division applies to serious corrupt conduct, and to criminal proceedings instituted or admissions made in respect of serious corrupt conduct, before or after the commencement of this Division.

Division 3 Misbehaviour

440F Definitions

(1) In this Division:

misbehaviour of a councillor means any of the following:

- (a) a contravention by the councillor of this Act or the regulations,
- (b) a failure by the councillor to comply with an applicable requirement of a code of conduct as required under section 440 (5),
- (c) an act of disorder committed by the councillor at a meeting of the council or a committee of the council,

but does not include a contravention of the disclosure requirements of Part 2.

Note—

A contravention of the disclosure requirements of Part 2 is dealt with under other provisions of this Chapter.

(2) A reference in this Division to ***misbehaviour*** or an ***incident of misbehaviour*** includes a reference to misbehaviour that consists of an omission or failure to do something.

440G Formal censure of councillor for misbehaviour

- (1) A council may by resolution at a meeting formally censure a councillor for misbehaviour.
- (2) A formal censure resolution may not be passed except by a motion to that effect of which notice has been duly given in accordance with regulations made under section 360 and, if applicable, the council's code of meeting practice.
- (3) A council may pass a formal censure resolution only if it is satisfied that the councillor has misbehaved on one or more occasions.
- (4) The council must specify in the formal censure resolution the grounds on which it is satisfied that the councillor should be censured.
- (5) A motion for a formal censure resolution may, without limitation, be moved on the report of a committee of the council and any such report must be recorded in the minutes of the meeting of the council.

440H How is the process for suspension of a councillor for misbehaviour initiated?

- (1) The process for the suspension of a councillor from civic office is initiated by:
 - (a) a request made by the council by resolution communicated to the Director-General, in which the council states its belief that grounds may exist that warrant the councillor's suspension, or
 - (b) a request made by the Director-General to the council for a report from the council in relation to the councillor's alleged misbehaviour, or
 - (c) a report made by the Ombudsman in which the Ombudsman states that the Ombudsman is satisfied that grounds exist that warrant the councillor's suspension, or
 - (d) a report made by the Independent Commission Against Corruption in which the Commission recommends that consideration be given to suspending the councillor under this Division.
- (2) The council must make a report to the Director-General requested under subsection (1) (b) before the date specified in the Director-General's request or any later date allowed by the Director-General.
- (3) This section authorises such requests and reports to be made, and a reference in this section to a report made by the Independent Commission Against Corruption or the Ombudsman is a reference to a report made to the Director-General under the authority of this subsection or under any other provisions of this or any other Act.
- (4) Nothing in this section affects any function under any other provisions of this or any other Act that authorises the making of a report or recommendation concerning suspension of a councillor from civic office.

440I What are the grounds on which a councillor may be suspended?

- (1) The grounds on which a councillor may be suspended from civic office under this Division are that:
 - (a) the councillor's behaviour has:
 - (i) been disruptive over a period, and
 - (ii) involved more than one incident of misbehaviour during that period,and the pattern of behaviour during that period is of such a sufficiently serious nature as to warrant the councillor's suspension, or
 - (b) the councillor's behaviour has involved one incident of misbehaviour that is of such a sufficiently serious nature as to warrant the councillor's suspension.

- (2) The process for the suspension of a councillor from civic office cannot be initiated by a request made by the council unless:
 - (a) where subsection (1) (a) applies—the councillor has:
 - (i) on two or more occasions been formally censured for incidents of misbehaviour that occurred during the period concerned, or
 - (ii) on at least one occasion been expelled from a meeting of the council or a committee of the council for an incident of misbehaviour during the period concerned, or
 - (b) where subsection (1) (b) applies—the councillor has:
 - (i) been formally censured for the incident of misbehaviour concerned, or
 - (ii) been expelled from a meeting of the council or a committee of the council for the incident of misbehaviour concerned.
- (3) Subsection (2) does not affect the Director-General’s power to initiate the process for the suspension of a councillor from civic office.
- (4) Furthermore, subsection (2) does not prevent the Director-General from initiating the process for the suspension of a councillor from civic office as a result of a request or report referred to in section 440H.

440J How are requests and reports dealt with?

- (1) The Director-General may arrange for a departmental report to be prepared into the matters raised by or connected with a request or report referred to in section 440H.
- (2) The Director-General may authorise a member of the staff of the Department to conduct an investigation into any or all of those matters to assist in the preparation of the departmental report.
- (3) The preparation of a departmental report is a prerequisite to a decision by the Director-General to suspend the councillor from office, but is not necessary if the Independent Commission Against Corruption or the Ombudsman states in a report that the Commission or Ombudsman is satisfied that grounds exist that warrant the councillor’s suspension.
- (4) In this Division, ***departmental report*** means a report prepared by a person authorised by the Director-General to do so.

440K Suspension by Director-General for misbehaviour

- (1) The Director-General may by order in writing suspend a councillor from civic office for a period not exceeding one month:

- (a) if the Director-General has considered a departmental report into the matters concerned and is satisfied that grounds exist that warrant the councillor's suspension, or
 - (b) if the Independent Commission Against Corruption or the Ombudsman states in a report that the Commission or Ombudsman is satisfied that grounds exist that warrant the councillor's suspension.
- (2) A copy of the order must be served on the councillor.
- (3) A councillor, while suspended from civic office under this section:
- (a) is not entitled to exercise any of the functions of the civic office, and
 - (b) is not entitled to any fee or other remuneration to which he or she would otherwise be entitled as the holder of the civic office.

440L When does an order of suspension take effect?

The period of suspension under an order made by the Director-General commences on the date 7 days after the service of the order on the councillor or the date specified in the order for the commencement of the period of suspension, whichever is the later.

440M Appeals against suspension

- (1) A councillor against whom an order of suspension is made by the Director-General may appeal against the order to the Pecuniary Interest and Disciplinary Tribunal.
- (2) Such an appeal may not be made more than 28 days after the date the order was served on the councillor.
- (3) The Tribunal may stay the order of suspension until such time as the Tribunal determines the appeal.
- (4) The Tribunal may:
 - (a) confirm the order, or
 - (b) quash the order, or
 - (c) amend the order consistently with the powers of the Director-General.
- (5) If the order is quashed, any fee or other remuneration withheld is payable to the councillor.
- (6) If the order is amended, the order as amended has effect as if it had been made in that form by the Director-General.
- (7) The regulations may make provision for or with respect to the making, hearing and determination of appeals under this section.

440N Referral of matters to Pecuniary Interest and Disciplinary Tribunal

- (1) The Director-General may refer a matter that is the subject of a request or report referred to in section 440H for consideration by the Pecuniary Interest and Disciplinary Tribunal instead of suspending the councillor concerned under this Division.
- (2) However, a matter that is the subject of a request by a council may not be referred to the Tribunal unless the councillor concerned has previously been suspended under this Chapter for misbehaviour.
- (3) The preparation and consideration of a departmental report is not a prerequisite to a decision by the Director-General to refer a matter to the Tribunal, but the Director-General may take into consideration a departmental report into the matter if one is prepared.
- (4) A matter is referred to the Tribunal under this section by means of a report presented to the Tribunal by the Director-General. A report may contain or be accompanied by such material and observations as the Director-General thinks fit.
- (5) The regulations may make provision for or with respect to the reference of matters to the Tribunal under this section.

440O Are there alternatives to suspension or referral to Pecuniary Interest and Disciplinary Tribunal?

- (1) The Director-General may, after considering a request or report made under section 440H and any relevant departmental report prepared under section 440J, decide to take no further action on the request or report, whether or not a departmental investigation or departmental report has been authorised, started or completed, if satisfied that no further action is warranted.
- (2) The Director-General may, instead of suspending a councillor from civic office under this Division or referring the matter to the Pecuniary Interest and Disciplinary Tribunal, refer the matter to the council with recommendations as to how the council might resolve the matter, by alternative dispute resolution or otherwise.

440P Expenses to be borne by council

- (1) The Director-General may recover the reasonable expenses incurred by or in respect of the Department in considering and dealing with a request made by a council under section 440H from the council, including the expenses of any departmental investigation and departmental report into the matters raised by or connected with the request.
- (2) The Director-General may make a determination of the amount of the expenses referred to in subsection (1) and serve a notice on the council requiring the amount so determined be paid in recovery of the Department's expenses.

- (3) An amount equal to the expenses as so determined is payable to the Department as a debt by the council concerned, except as determined by the Director-General.
- (4) The council may apply to the Administrative Decisions Tribunal for a review of whether any part of the expenses so determined are not reasonable expenses.
- (5) The Director-General must give effect to any decision of the Tribunal on a review of the determination of the amount of the expenses.
- (6) A reference in this section to expenses incurred includes a reference to remuneration paid to departmental staff.

440Q Reasons to be given

- (1) The Director-General is required to prepare a written statement of reasons for:
 - (a) imposing or deciding not to impose a period of suspension, or
 - (b) referring a matter to the Pecuniary Interest and Disciplinary Tribunal.
- (2) The statement of reasons is to be provided to the council and councillor concerned.

 - (c) just because the person is a member of, or a delegate of a council to, a company or other body that has a pecuniary interest in the matter, so long as the person has no beneficial interest in any shares of the company or body.

This Chapter deals mainly with the making and collection of the different kinds of rates and the imposition of charges.

Part 1 gives a general overview of the principles of rating and explains the relationship between ordinary rates, special rates and charges.

A council must make an ordinary rate each year. The amount of the ordinary rate may differ according to the category of the land to which it applies and it may differ according to sub-categories within those categories.

A council has a discretion whether it will make a special rate. Special rates may be levied for services provided by the council (such as water supply) or for special purposes.

A council has 2 choices in determining the structure of a rate (whether an ordinary rate for a category or sub-category of land or a special rate). It may decide that the rate is to be wholly an ad valorem rate (that is, an amount in the dollar that is to be applied uniformly to the rateable value of all rateable land in its area subject to the rate). It may decide, instead, that a rate is to have a 2-part structure. The first part is to be a base amount that will be the same for each parcel of rateable land subject to the rate. This base amount will be the amount that the council determines to be the basic contribution required to cover the general operating costs of the council or to cover the cost of providing the specific service or facilities to which it relates. The second part is to be an ad valorem amount. The 2 parts are added together to produce the amount of the rate to be paid in respect of the rateable parcel.

If a council makes a rate with a 2-part structure, the application of the base amount for the rate (or the category or sub-category of the rate) must not produce more than 50% of the total revenue derived from the rate (or the category or sub-category of the rate).

Special provisions are made for the rating of vacant land.

The Chapter also enables the making and collection of charges. A charge may be made in relation to specified services provided by a council (such as the provision of water, sewerage or drainage services or the collection of garbage). A charge may be set at a level that enables part or full cost recovery or, in some cases, that exceeds costs.

A council may impose charges in addition to ordinary rates and special rates or in substitution for special rates that may be made for the same purposes as a charge.

A charge, when made, has the same characteristics as a rate concerning payment, the accrual of interest (if the charge remains unpaid) and the procedures that may be taken for its recovery.

The reasonable cost to the council of providing domestic waste management services must not be recovered by the ordinary rate. It must be obtained from the making and levying of a charge.

Part 1 An overview of rates and charges

491 Some sources of a council's income

A council may, in accordance with this Chapter, obtain income from:

- rates
- charges
- fees
- grants
- borrowings
- investments.

492 What are the types of rates?

The types of rates that can be made by a council are:

- ordinary rates
- special rates.

493 Categories of ordinary rates and categories of land

(1) There are 4 categories of an ordinary rate and 4 categories of rateable land:

- farmland
- residential
- mining
- business.

(2) These categories may, at a council's discretion, be divided into sub-categories in accordance with section 529.

494 Ordinary rates must be made and levied annually

- (1) A council must make and levy an ordinary rate for each year on all rateable land in its area.
- (2) Each category or subcategory of ordinary rate is to apply only to land of the same

category or subcategory.

495 Making and levying of special rates

- (1) A council may make a special rate for or towards meeting the cost of any works, services, facilities or activities provided or undertaken, or proposed to be provided or undertaken, by the council within the whole or any part of the council's area, other than domestic waste management services.
- (2) The special rate is to be levied on such rateable land in the council's area as, in the council's opinion:
 - (a) benefits or will benefit from the works, services, facilities or activities, or
 - (b) contributes or will contribute to the need for the works, services, facilities or activities, or
 - (c) has or will have access to the works, services, facilities or activities.

Note—

Under section 495, a council could, for example make and levy:

- different special rates for different kinds of works, services, facilities or activities
- different special rates for the same kind of work, service, facility or activity in different parts of its area
- different special rates for the same work in different parts of its area.

The amount of special rate will be determined according to the council's assessment of the relationship between the cost or estimated cost of the work, service, facility or activity and the degree of benefit afforded to the ratepayer by providing or undertaking the work, service, facility or activity.

495A Strata lots and company titles taken to be separate parcels of land for annual charges

For the purposes of making or levying an annual charge under section 496, 496A or 501:

- (a) each lot in a strata plan that is registered under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986*, and
 - (b) each dwelling or portion of the kind referred to in section 547 (1),
- is taken to be a separate parcel of rateable land.

496 Making and levying of annual charges for domestic waste management services

- (1) A council must make and levy an annual charge for the provision of domestic waste management services for each parcel of rateable land for which the service is available.

- (2) A council may make an annual charge for the provision of a domestic waste management service for a parcel of land that is exempt from rating if:
- (a) the service is available for that land, and
 - (b) the owner of that land requests or agrees to the provision of the service to that land, and
 - (c) the amount of the annual charge is limited to recovering the cost of providing the service to that land.

496A Making and levying of annual charges for stormwater management services

- (1) A council may, in accordance with the regulations, make and levy an annual charge for the provision of stormwater management services for each parcel of rateable land for which the service is available.
- (2) Subsection (1) does not authorise or permit a council to make or levy an annual charge for the provision of stormwater management services for rateable land that is:
- (a) owned by the Crown, and
 - (b) held under a lease for private purposes granted under the [Housing Act 2001](#) or the [Aboriginal Housing Act 1998](#).

Note—

Section 555 (1) (a) provides that land owned by the Crown is not rateable land unless it is held under a lease for a private purpose.

496B Making and levying of annual charges for coastal protection services

- (1) A council may, in accordance with this Act and the regulations, make and levy an annual charge for the provision by the council of coastal protection services for a parcel of rateable land that benefits from the services, being services that relate to coastal protection works constructed:
- (a) by or on behalf of the owner or occupier (or a previous owner or occupier) of the parcel of land, or
 - (b) jointly by or on behalf of:
 - (i) the owner or occupier (or a previous owner or occupier) of the parcel of land, and
 - (ii) a public authority or a council.
- (2) An annual charge for the provision of coastal protection services must be calculated so as to not exceed the reasonable cost to the council of providing those services (including any legal, insurance, engineering, surveying, project management,

financing and similar costs associated with providing those services).

Note—

The coastal protection services for which an annual charge may be made and levied are services:

- (a) to maintain and repair coastal protection works, or
- (b) to manage the impacts of such works (such as changed or increased beach erosion elsewhere).

See the definition of **coastal protection service** in the Dictionary.

- (3) If a person is aggrieved by the amount of the annual charge, the person may appeal to the Land and Environment Court and that Court may determine the amount.
- (4) The fact that an appeal is pending does not in the meantime affect the levying of the annual charge to which the appeal relates and the charge may be recovered as if no appeal were pending.
- (5) If a person's appeal is, in whole or in part, successful, the council must refund any amount paid in excess of a requirement for payment under this Act.
- (6) If the Land and Environment Court, in the course of determining an appeal under subsection (3), determines the reasonable cost to the council of providing coastal protection services in relation to particular coastal protection works, that determination is binding in relation to the calculation of the annual charge for all other parcels of land that benefit from those same services.
- (7) For the avoidance of doubt, a parcel of land benefits from the provision of coastal protection services even if:
 - (a) the services relate to private coastal protection works (such as a seawall) wholly on the parcel or on a neighbouring parcel of private land, or
 - (b) the services are carried out on land that is outside the council's area.
- (8) Subsection (1) does not authorise or permit a council to make or levy an annual charge for the provision of coastal protection services for rateable land that is held under a lease for private purposes granted under the [Aboriginal Housing Act 1998](#) or the [Housing Act 2001](#).
- (9) The Minister administering the [Coastal Protection Act 1979](#) is to issue guidelines relating to the making and levying of charges under this section. A council is to have regard to any such guidelines when making and levying such charges.

497 What is the structure of a rate?

A rate, whether an ordinary rate or a special rate, may, at a council's discretion, consist of:

- (a) an ad valorem amount (which may, in accordance with section 548, be subject to a

minimum amount of the rate), or

(b) a base amount to which an ad valorem amount is added.

498 The ad valorem amount

- (1) The ad valorem amount of a rate is an amount in the dollar determined for a specified year by the council and expressed to apply:
 - (a) in the case of an ordinary rate—to the land value of all rateable land in the council's area within the category or sub-category of the ordinary rate, or
 - (b) in the case of a special rate—to the land value of all rateable land in the council's area or such of that rateable land as is specified by the council in accordance with section 538.
- (2) The ad valorem amount of a rate is to be levied on the land value of rateable land, except as provided by this or any other Act.
- (3) An ad valorem amount specified for a parcel of land may not differ from an ad valorem amount specified for any other parcel of land within the same category or subcategory unless:
 - (a) the land values of the parcels were last determined by reference to different base dates, and
 - (b) the Minister approves the different ad valorem amounts.

Note—

Land value is defined in the Dictionary for this Act. Generally, it is a value determined specially for rating purposes by the Valuer-General under the [Valuation of Land Act 1916](#).

A value other than land value may be used, for example, under section 127 of the [Heritage Act 1977](#).

499 The base amount

- (1) A council may, in a resolution making a rate, specify a base amount of the rate, or a base amount for a category or sub-category of an ordinary rate.
- (2) The base amounts so specified may be the same or different amounts.
- (3) The appropriate base amount so specified is to form part of the rate levied on each separate parcel of rateable land subject to the rate.
- (4) A base amount specified for a parcel of land may not differ from a base amount specified for any other parcel of land within the same category or subcategory unless:
 - (a) the land values of the parcels were last determined by reference to different base dates, and

(b) the Minister approves the different base amounts.

500 Limit on revenue that can be raised from base amount

The amount specified as the base amount of a rate (or the base amount of the rate for a category or sub-category of an ordinary rate) must not be such as to produce more than 50 per cent of the total amount payable by the levying of the rate (or of the rate for the category or sub-category concerned) on all rateable land subject to the rate (or the rate for the category or sub-category concerned).

501 For what services can a council impose an annual charge?

- (1) A council may make an annual charge for any of the following services provided, or proposed to be provided, on an annual basis by the council:
 - water supply services
 - sewerage services
 - drainage services
 - waste management services (other than domestic waste management services)
 - any services prescribed by the regulations.
- (2) A council may make a single charge for two or more such services.
- (3) An annual charge may be levied on each parcel of rateable land for which the service is provided or proposed to be provided.

502 Charges for actual use

A council may make a charge for a service referred to in section 496 or 501 according to the actual use of the service.

503 What is the relationship between rates and charges?

- (1) A charge may be made:
 - (a) in addition to an ordinary rate, and
 - (b) in addition to or instead of a special rate.
- (2) If land is not rateable to a special rate for a particular service, a council may not levy a charge in respect of that land relating to the same service, unless the charge is limited to recovering the cost of providing the service to that land.

504 Domestic waste management services

- (1) A council must not apply income from an ordinary rate towards the cost of providing domestic waste management services.

- (1A) Subsection (1) does not prevent income from an ordinary rate from being lent (by way of internal loan) for use by the council in meeting the cost of providing domestic waste management services.
- (2) Income to be applied by a council towards the cost of providing domestic waste management services must be obtained from the making and levying of annual charges or the imposition of charges for the actual use of the service, or both.
- (3) Income obtained from charges for domestic waste management must be calculated so as to not exceed the reasonable cost to the council of providing those services.

Part 2 Limit of annual income from rates and charges

505 Application of Part

This Part applies to:

- (a) **general income**, that is, income from ordinary rates, special rates and annual charges, other than:
 - (i) water supply special rates and sewerage special rates, and
 - (ii) charges for water supply services and sewerage services, and
 - (iii) annual charges for waste management services, including annual charges for domestic waste management services, and
 - (iv) annual charges referred to in section 611, and
 - (v) annual charges for stormwater management services, and
 - (vi) annual charges for coastal protection services, and
- (b) annual charges made and levied towards the cost of providing domestic waste management services, and
- (c) annual charges made and levied towards the cost of providing stormwater management services.

506 Variation of general income

The Minister may, by order published in the Gazette specify the percentage by which councils' general income for a specified year may be varied.

507 Variation of annual charges for domestic waste management services

The Minister may, by order published in the Gazette:

- (a) specify the percentage by which the amounts of annual charges made by councils for domestic waste management services for a specified year may be varied, and

- (b) impose conditions with respect to the variation of those charges.

508 Orders under secs 506 and 507

- (1) The year specified in an order under section 506 or 507 may be the year in which the order is published in the Gazette or a later year.
- (2) The Minister may, by instrument in writing given to a council:
 - (a) specify the percentage by which the council's general income or the amount of an annual charge for domestic waste management services, or both, for a specified year (being the year in which the instrument is given or a later year) may be varied, and
 - (b) impose conditions with respect to the variation of that percentage.
- (3) An instrument made under subsection (2) takes effect on the day it is signed by the Minister.
- (4) Subject to subsection (5), a percentage specified in an order under section 506 or 507 applies to all councils uniformly, but does not apply to a council specified (in the order by which the percentage is specified) as being a council to which the percentage does not apply.
- (5) A percentage specified in an order under section 506 or 507 for a year does not apply, and (if relevant) is taken never to have applied, to a council to which a percentage specified under subsection (2) for that year applies, whether the order specifying the percentage was made before, on or after the day on which the instrument specifying the percentage under subsection (2) was made.
- (5A) Subject to section 508A (6), a percentage specified in an order under section 506 or 507 for a year does not apply, and (if relevant) is taken never to have applied, to a council to which a determination under section 508A applies for that year, whether the order specifying the percentage was made before, on or after the day on which the determination was made.
- (6) The Minister may specify a percentage by way of increase or decrease or a nil percentage for the purposes of section 506 or 507 or this section.
- (7) The Minister may, by order published in the Gazette, specify that no limitation is to apply for the purposes of section 506 or 507 or this section for a specified year.

508A Special variation over a period of years

- (1) The Minister may, by instrument in writing given to a council, determine that the council's general income, or the amount of an annual charge for domestic waste management services provided by the council, or both, for a specified period consisting of two or more years, may be varied by a specified percentage over the

whole period.

- (2) The specified period must not exceed 7 years, but this subsection does not prevent a further determination being made that takes effect after that period.
- (3) The determination may be made only on the application of the council made in accordance with any applicable guidelines issued by the Director-General under this Act.
- (4) The determination may include conditions with respect to the variation.
- (5) Without limiting subsection (4), the conditions of the determination may specify the percentage by which the council's general income, or the amount of the annual charge for domestic waste management services provided by the council, may be varied for a specified year to which the determination applies.
- (6) If, for a year to which the determination applies in respect of:
 - (a) the council's general income—the percentage specified under section 506 for that year is greater than the percentage specified in the conditions of the determination, the percentage specified under that section in respect of the council's general income is taken to be substituted for that specified in the conditions, or
 - (b) the amount of the annual charge for domestic waste management services provided by the council—the percentage specified under section 507 for that year is greater than the percentage specified in the conditions of the determination, the percentage specified under that section in respect of the annual charge is taken to be substituted for that specified in the conditions.
- (7) Subject to any later variations made to the determination, if the percentage (the **general percentage**) specified under section 506 or 507 is substituted under subsection (6) for a year:
 - (a) the percentage specified under this section for the whole period is taken to be increased by the amount necessary to take into account the increase due to the substitution of the general percentage for that year, and
 - (b) the appropriate percentage for the remaining years is to be applied to the amount of the council's general income, or of the annual charge for domestic waste management services provided by the council, taking into account the increase due to that substitution.
- (8) The Minister may, by instrument in writing served on the council:
 - (a) vary the determination, including, for example, by varying or revoking any conditions of the determination or by including new conditions, or

(b) revoke the determination.

(9) The determination may be varied or revoked only:

(a) on the application of the council made in accordance with any applicable guidelines issued by the Director-General under this Act, or

(b) on the Minister's own initiative if the Minister is satisfied that the council has contravened any conditions of the determination or any applicable guidelines issued by the Director-General under this Act.

509 Maximum general income for a year

(1) A council must not make rates and charges for a year so as to produce general income of an amount that exceeds the notional general income of the council for the previous year as varied by the percentage (if any) applicable to the council under section 506, 508 (2) or 508A for the year for which the rates and charges are made, except as provided by section 511 or 511A.

(2) The **notional general income of a council for the previous year** is the amount that would have been derived if the same rates and charges as were made to produce the general income for that previous year had been so made but, in the case of rates, had been made in respect of:

(a) the valuations of rateable land in the council's valuation record applicable as at 1 July in that previous year and required under this Act to be used in that previous year for the making and levying of rates (not including valuations of those parcels of rateable land for which supplementary valuations referred to in paragraph (b) have been furnished), and

(b) supplementary valuations of rateable land having the same base date as those valuations and furnished to the council under the [Valuation of Land Act 1916](#) during that previous year, and

(c) any estimates of increase in value of rateable land that are provided to the council under section 513 in respect of that previous year.

510 Maximum annual charge for domestic waste management services

(1) A council must not make an annual charge for domestic waste management services for a parcel of rateable land that exceeds the annual charge for the parcel for the previous year as varied by the percentage (if any) applicable to the council under section 507, 508 (2) or 508A for the year for which the charge is made.

(2) The annual charge for a parcel of land for a previous year:

(a) in the case of a parcel for which a charge has been made for part of the year only, is taken to be the charge that was actually made, multiplied by 365 and divided by

the number of days in respect of which the charge was made, and

- (b) in the case of a parcel for which no charge was actually made for the previous year, is taken to be the charge that was actually made for that year in relation to a comparable parcel of land (that is, a parcel of land of the same classification, of a similar size and in the same general locality).

510A Maximum annual charge for stormwater management services

- (1) The regulations are to prescribe the maximum annual charge that a council may levy for the provision of stormwater management services for parcels of land in respect of which such a charge may be levied.
- (2) The annual charge for the provision of stormwater management services for a parcel of land in respect of which such a charge may be levied must not exceed the maximum annual charge prescribed by the regulations under subsection (1).

511 Catching up of shortfall in general income

- (1) If the rates and charges made by a council for a year that produce its general income produce an amount of general income that is less than the maximum amount permissible under section 509 for that year because the council did not apply a full percentage increase applicable to it under section 506, 508 (2) or 508A for the year for which the rates and charges were made, the council may make rates and charges for either or both of the next 2 years after the year for which the shortfall occurred so as to produce the maximum amount so permissible of the general income plus the whole or any part of the shortfall.
- (2) An amount of a shortfall caught up in accordance with this section may be caught up once only.

511A Catching up of income lost due to reductions in valuation

- (1) This section applies to a council that cannot recover or retain a part of the maximum permissible general income determined under this Part for a year because, after the determination is made, a valuation used in making a rate is reduced on objection under Part 3, or appeal under Part 4, of the *Valuation of Land Act 1916*. The part of the maximum permissible general income that cannot be recovered or retained is referred to in this section as the **unrecovered amount**.
- (2) The council may increase the maximum permissible general income determined under this Part for a year by any unrecovered amount for a previous year.

512 Effect of contravening section 509, 510, 510A, 511 or 511A

- (1) If a council contravenes section 509, 510, 510A, 511 or 511A in making a rate or charge for a year:

- (a) the contravention does not affect the validity of the rate or charge, but
- (b) rates and charges made for the following year by the council are invalid for all purposes unless:
 - (i) before the rates and charges were made the council submitted to the Minister such information respecting the rates and charges proposed to be made for that following year as the Minister may require and the Minister, by order published in the Gazette, approved of their being made, and
 - (ii) the rates and charges conform with the Minister's approval.
 - (iii) (Repealed)
- (2) The Minister may, by order published in the Gazette, exempt a specified council from the operation of subsection (1) (b) for a specified year.
- (3) Section 712 does not prevent a person's liability for a rate or charge that is invalid because of subsection (1) (b) from being disputed at any time on the ground of that invalidity.

513 Estimates of increases and decreases in value for purposes of notional rate income

- (1) A council may, at any time after 31 January in any year but before 31 May in that year, request the Valuer-General to provide:
 - (a) estimates of increases and decreases in values for parcels of rateable land for which supplementary valuations are required to be furnished under the *Valuation of Land Act 1916* but which, before the date of the request, have not been so furnished, and
 - (b) estimates of increases and decreases in values for parcels of rateable land for which supplementary valuations have been or are required to be furnished under the *Valuation of Land Act 1916* but which have or will have a different base date from those used for rating purposes for that year because of a general valuation furnished in that year for the council's area.
- (2) The Valuer-General must provide the estimates within 1 month after the date of the request.
- (3) An estimate must be made with respect to the same base date as the valuations used for rating purposes for the year in which the request is made.
- (4) An estimate may relate to all parcels of rateable land of the class for which a kind of ordinary rate was made for the relevant year by the council.

Part 3 Ordinary rates

514 Categorisation of land for purposes of ordinary rates

Before making an ordinary rate, the council must have declared each parcel of rateable land in its area to be within one or other of the following categories:

- farmland
- residential
- mining
- business.

Note—

Land falls within the “business” category if it cannot be categorised as farmland, residential or mining. The main land uses that will fall within the “business” category are commercial and industrial.

515 Categorisation as farmland

- (1) Land is to be categorised as **farmland** if it is a parcel of rateable land valued as one assessment and its dominant use is for farming (that is, the business or industry of grazing, animal feedlots, dairying, pig-farming, poultry farming, viticulture, orcharding, bee-keeping, horticulture, vegetable growing, the growing of crops of any kind, forestry or aquaculture within the meaning of the [Fisheries Management Act 1994](#), or any combination of those businesses or industries) which:
 - (a) has a significant and substantial commercial purpose or character, and
 - (b) is engaged in for the purpose of profit on a continuous or repetitive basis (whether or not a profit is actually made).
- (2) Land is not to be categorised as farmland if it is rural residential land.
- (3) The regulations may prescribe circumstances in which land is or is not to be categorised as farmland.

516 Categorisation as residential

- (1) Land is to be categorised as **residential** if it is a parcel of rateable land valued as one assessment and:
 - (a) its dominant use is for residential accommodation (otherwise than as a hotel, motel, guest-house, backpacker hostel or nursing home or any other form of residential accommodation (not being a boarding house or a lodging house) prescribed by the regulations), or
 - (b) in the case of vacant land, it is zoned or otherwise designated for use under an

environmental planning instrument (with or without development consent) for residential purposes, or

(c) it is rural residential land.

(1A) For the purposes of this section, a **boarding house** or a **lodging house** means a building wholly or partly let as lodging in which each letting provides the tariff-paying occupant with a principal place of residence and in which:

(a) each tariff charged does not exceed the maximum tariff for boarding houses or lodging houses for the time being determined by the Minister by order published in the Gazette for the purposes of this subsection, and

(b) there are at least 3 tariff-paying occupants who have resided there for the last 3 consecutive months, or any period totalling 3 months during the last year,

and includes a vacant building that was so let immediately before becoming vacant, but does not include a residential flat building, licensed premises, a private hotel, a building containing serviced apartments or a backpacker hostel or other tourist establishment.

(2) The regulations may prescribe circumstances in which land is or is not to be categorised as residential.

517 Categorisation as mining

(1) Land is to be categorised as **mining** if it is a parcel of rateable land valued as one assessment and its dominant use is for a coal mine or metalliferous mine.

(2) The regulations may prescribe circumstances in which land is or is not to be categorised as mining.

518 Categorisation as business

Land is to be categorised as **business** if it cannot be categorised as farmland, residential or mining.

518A Strata lots and company titles taken to be separate parcels of land for categorisation

For the purposes of this Part:

(a) each lot in a strata plan that is registered under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986*, and

(b) each dwelling or portion of the kind referred to in section 547 (1),

is taken to be a separate parcel for the purposes of categorisation.

518B Mixed development land

- (1) **Definitions** In this section, ***mixed development land*** and ***non-residential land*** have the same meanings as in section 14BB of the *Valuation of Land Act 1916*.
- (2) **Categorisation of parts of mixed development land** If a valuation is furnished under the *Valuation of Land Act 1916* for mixed development land:
 - (a) the part of the land that is non-residential land is taken to have been categorised as business, and
 - (b) the part of the land that is not non-residential land is taken to have been categorised as residential,despite sections 515–518.
- (3) **Sub-categories** The council may determine a sub-category for a part of land to which subsection (2) applies according to the category determined by that subsection for the part.
- (4) **Apportionment of rates and charges** A rate, the base amount of a rate, or the minimum amount of a rate or of a charge, that is made and levied according to categories or sub-categories of land is to apply to a parcel of mixed development land according to the percentages represented by the apportionment factor for the parcel ascertained under section 14X of the *Valuation of Land Act 1916*.

519 How is vacant land to be categorised?

If vacant land is unable to be categorised under section 515, 516 or 517, the land is to be categorised:

- (a) if the land is zoned or otherwise designated for use under an environmental planning instrument—according to any purpose for which the land may be used after taking into account the nature of any improvements on the land and the nature of surrounding development, or
- (b) if the land is not so zoned or designated—according to the predominant categorisation of surrounding land.

520 Notice of declaration of category

- (1) A council must give notice to each rateable person of the category declared for each parcel of land for which the person is rateable.
- (2) The notice must be in the approved form and must:
 - (a) state that the person has the right to apply to the council for a review of the declaration that the land is within the category stated in the notice, and

(b) state that the person has the right to appeal to the Land and Environment Court if dissatisfied with the council's review, and

(c) refer to sections 525 and 526.

521 When does the declaration of a category take effect?

A declaration that a parcel of land is within a particular category takes effect from the date specified for the purpose in the declaration.

522 When does the declaration of a category cease?

A declaration that a parcel of land is within a particular category ceases when a subsequent declaration concerning the land takes effect.

523 When are the declarations of categories reviewed?

(1) A council need not annually review a declaration that a parcel of land is within a particular category, but may review a declaration:

(a) as part of a general review of the categorisation of all or a number of parcels of land, or

(b) because it has reason to believe that a parcel of land should be differently categorised.

(2) A council must review a declaration if required to do so in accordance with section 525 by a person who is rateable in respect of a parcel of land to which the declaration applies.

524 Notice of change of category

A rateable person (or the person's agent) must notify the council within 30 days after the person's rateable land changes from one category to another.

525 Application for change of category

(1) A rateable person (or the person's agent) may apply to the council at any time:

(a) for a review of a declaration that the person's rateable land is within a particular category for the purposes of section 514, or

(b) to have the person's rateable land declared to be within a particular category for the purposes of that section.

(2) An application must be in the approved form, must include a description of the land concerned and must nominate the category the applicant considers the land should be within.

(3) The council must declare the land to be within the category nominated in the

application unless it has reasonable grounds for believing that the land is not within that category.

- (4) If the council has reasonable grounds for believing that the land is not within the nominated category, it may notify the applicant of any further information it requires in order to be satisfied that the land is within that category. After considering any such information, the council must declare the category for the land.
- (5) The council must notify the applicant of its decision. The council must include the reasons for its decision if it declares that the land is not within the category nominated in the application.
- (6) If the council has not notified the applicant of its decision within 40 days after the application is made to it, the council is taken, at the end of the 40-day period, to have declared the land to be within its existing category.

526 Appeal against declaration of category

- (1) A rateable person who is dissatisfied with:
 - (a) the date on which a declaration is specified, under section 521, to take effect, or
 - (b) a declaration of a council under section 525,may appeal to the Land and Environment Court.
- (2) An appeal must be made within 30 days after the declaration is made.
- (3) The Court, on an appeal, may declare the date on which a declaration is to take effect or the category for the land, or both, as the case requires.

527 Adjustment of rates following change in category

A council must make an appropriate adjustment of rates paid or payable by a rateable person following a change in category of land.

528 Rate may be the same or different for different categories

- (1) The ad valorem amount (the amount in the dollar) of the ordinary rate may be the same for all categories of land or it may be different for different categories.
- (2) The regulations may provide that the ad valorem amount of the ordinary rate for land categorised as mining is to be not more or less than a specified percentage of the ad valorem amount of the ordinary rate for land categorised as business. The regulations may apply to all councils or one or more councils specified in the regulations.

529 Rate may be the same or different within a category

- (1) Before making an ordinary rate, a council may determine a sub-category or sub-

categories for one or more categories of rateable land in its area.

(2) A sub-category may be determined:

- (a) for the category “farmland”—according to the intensity of land use, the irrigability of the land or economic factors affecting the land, or
- (b) for the category “residential”—according to whether the land is rural residential land or is within a centre of population, or
- (c) for the category “mining”—according to the kind of mining involved, or
- (d) for the category “business”—according to a centre of activity.

Note—

In relation to the category “business”, a centre of activity might comprise a business centre, an industrial estate or some other concentration of like activities.

- (3) The ad valorem amount (the amount in the dollar) of the ordinary rate may be the same for all land within a category or it may be different for different sub-categories.
- (4) Land may be taken to be irrigable for the purposes of subsection (2) (a) if, and only if, it is the subject of a water right within the meaning of the *Valuation of Land Act 1916*.

530 (Repealed)

531 What provisions of this Part apply to the determination of sub-categories?

- (1) Sections 519–527 apply to the determination of sub-categories for a category of rateable land in the same way as those sections apply to the declaration of a category.
- (2) Notice of determination of a sub-category may be given in the same notice as the notice of declaration of a category.

Part 3A Charges

531A Adjustment of charges following change in category

If the amount of a charge paid or payable by a person is determined by reference (or partly by reference) to a category or sub-category of land declared by the council under Part 3, the council must make an appropriate adjustment of the charge following a change in category or sub-category of the land.

531B Aggregation of certain parcels subject to a charge

- (1) If the council is of the opinion that the levying of a charge:
 - (a) would apply unfairly, and
 - (b) could cause hardship to a person who is liable to the charge in respect of two or

more separate parcels of land,

it may treat the parcels as being a single parcel and levy the charge accordingly.

- (2) Separate parcels may be treated as being a single parcel under this section only if each separate parcel is subject to the same category or sub-category declared by the council under Part 3.
- (3) A council must not treat separate parcels as being a single parcel under this section:
 - (a) if each parcel is a parcel on which a dwelling is erected or a parcel that comprises (or substantially comprises) a dwelling in a residential flat building, or
 - (b) if the parcels are a combination of parcels referred to in paragraph (a).

Part 4 Making of rates and charges

532 Publication of draft operational plan

A council must not make a rate or charge until it has given public notice (in accordance with section 405) of its draft operational plan for the year for which the rate or charge is to be made and has considered any matters concerning the draft operational plan (in accordance with that section).

533 Date by which a rate or charge must be made

A rate or charge must be made before 1 August in the year for which the rate or charge is made or before such later date in that year as the Minister may, if the Minister is of the opinion that there are special circumstances, allow.

534 Rate or charge to be made for a specified year

Each rate or charge is to be made for a specified year, being the year in which the rate or charge is made or the next year.

535 Rate or charge to be made by resolution

A rate or charge is made by resolution of the council.

536 What criteria are relevant in determining the base amount?

- (1) In determining a base amount of a rate, the council must have regard to (but is not limited to) the following:
 - its general administration and overhead costs
 - the extent to which projected ad valorem rates on individual properties do not reflect the cost of providing necessary services and facilities
 - the level of grant or similar income available to provide necessary services and

facilities

- the degree of congruity and homogeneity between the values of properties subject to the rate and their spread throughout the area
- whether a rate that is wholly an ad valorem rate would result in an uneven distribution of the rate burden because a comparatively high proportion of assessments would bear a comparatively low share of the total rate burden
- in the case of a special rate—the cost of providing the works, services, facilities or activities to the parcels of land subject to the rate (ignoring the rateable value of those parcels).

(2) The council, in having regard to its general administration and overhead costs, must use net costs, with income being included in the calculation of standard costs for all community service functions, library services, recreational and cultural facilities and amenities and the like.

537 Form of resolution specifying base amounts of rates

In the resolution that specifies a base amount of a rate, or the base amount of a rate for a category or sub-category of an ordinary rate, the council must state:

- (a) the amount in dollars of the base amount, and
- (b) the percentage, in conformity with section 500, of the total amount payable by the levying of the rate, or the rate for the category or sub-category concerned of the ordinary rate, that the levying of the base amount will produce.

538 Form of resolution for special rate

- (1) In the resolution that makes a special rate, the council must state whether the special rate is to be levied on all rateable land in the council's area or on only a part of that land.
- (2) If the special rate is to be levied on only a part of that land, the council must specify in the resolution the part on which it is to be levied.

539 What criteria are relevant in determining the amount of a charge?

- (1) In determining the amount of a charge for a service, the council may have regard to (but is not limited to) the following:
 - the purpose for which the service is provided
 - the nature, extent and frequency of the service
 - the cost of providing the service

- the categorisation for rating purposes of the land to which the service is provided
- the nature and use of premises to which the service is provided
- the area of land to which the service is provided
- in the case of water supply services—the quantity of water supplied.

(2) The amount of a charge need not be limited to recovering the cost of providing the service for which the charge is made, except as provided by sections 503 (2) and 504 (3).

540 Form of charge

The amount of a charge may be expressed as a single amount or as a rate per unit or as any combination of them.

Note—

For example, the amount of a charge for a water supply service could be a fixed amount, a rate per kilolitre, or a combination of them.

541 Differing amounts of a charge

A council may determine differing amounts for the same charge.

542 Minimum amounts of charges

A council may, in a resolution making a charge, specify a minimum amount of the charge or, if the council has determined differing amounts for the same charge, minimum amounts for each such differing amount.

543 Each form of rate and each charge to have its own name

- (1) A council must, when making an ordinary rate, give a short separate name for each amount of the ordinary rate.
- (2) A council must, when making a special rate, give the special rate a short name.
- (3) A council must, when making a charge, give a short separate name for each amount of the charge.

Note—

The names given to the ordinary rate could include names like:

Farmland—Ordinary

Farmland—Poultry farms

Residential—A

Residential—B

The names given to special rates could include names like:

Upper Smithtown water rate

Lower Smithtown water rate

Leisure centre—primary rate

Leisure centre—secondary rate

The names given to charges could include names like:

Waste management services—domestic

Waste management services—commercial

544 Inclusion of names in rates and charges notices

A council must include the name of each rate and charge, in full or in an abbreviated form, in the rates and charges notice by which the rate or charge is levied.

545 Curing of irregularities

- (1) The Minister may authorise a council to do such things as may be necessary to cure an irregularity in the making or levying of a rate or charge.
- (2) The Minister may declare, by order published in the Gazette, that a rate or charge that would otherwise be invalid because of a provision of this Part is taken to have been validly made from the time it purported to have been made. Such an order has effect according to its tenor.
- (3) The Minister may not make such an order unless, in the Minister's opinion, the rate or charge concerned is invalid only because of a minor and technical breach of one or more of the provisions of this Part.
- (4) The Minister may make such an order even though proceedings in relation to the validity have commenced.

Part 5 Levying of rates and charges

Division 1 General

546 How is a rate or charge levied?

- (1) A rate or charge is levied on the land specified in a rates and charges notice by the service of the notice.
- (2) The notice may be served at any time after 1 July in the year for which the rate or charge is made or in a subsequent year.
- (3) A notice that is required to effect an adjustment of rates or charges may be served in the year for which the rate or charge is made or a subsequent year.
- (4) The notice may include more than one rate, more than one charge and more than one parcel of land.
- (5) It is not necessary to specify the name of the rateable person or the person liable to

pay the charge in the notice if the council does not know the person's name.

547 Method of rating dwellings under company title

- (1) For the purposes of this Act:
 - (a) a person who, because of the ownership of shares in a company, is entitled to occupy a dwelling in, or a portion of, a building containing two or more such dwellings or portions is taken to be the owner of land (or two or more persons who, because of the ownership of the shares in a company, are entitled to occupy the same dwelling in or portion of, such a building are taken together to be the owners of land), and
 - (b) the land value of the land of which the person is (or the persons are) taken to be the owner (or owners) is that proportion of the land value of the land on which the building is erected as the number of shares in the company owned by the person (or persons) bears to the total number of shares issued by the company.
- (2) The secretary of such a company must notify the council of:
 - (a) the names and addresses of owners of shares in the company and of the number of shares issued to each owner, and
 - (b) changes in ownership of any shares in the company.
- (3) A rate or charge, to the extent to which it is payable by the owners of shares in accordance with this section, is not also payable by the company in which those shares are held.

Note—

The rating of land under strata title is provided for:

- in the case of land under the *Strata Schemes (Freehold Development) Act 1973*—in Part 4 of that Act
- in the case of land under the *Strata Schemes (Leasehold Development) Act 1986*—in Part 4 of that Act.

548 Minimum amounts

- (1) A council, in a resolution making a rate consisting of an ad valorem amount:
 - (a) may specify a minimum amount of the rate which must be levied in respect of each separate parcel, or
 - (b) may specify:
 - (i) a minimum amount of the rate which must be levied in respect of each separate parcel, other than a separate parcel consisting of vacant land, and
 - (ii) a minimum amount of the rate, being less than the minimum amount of rate specified under subparagraph (i), which must be levied in respect of each

separate parcel consisting of vacant land, or

- (c) may specify:
- (i) a minimum amount of the rate which must be levied in respect of each separate parcel, other than a separate parcel consisting of vacant land, and
 - (ii) a minimum amount of the rate, being less than the minimum amount of the rate specified under subparagraph (i), which must be levied in respect of each separate parcel consisting of vacant land, other than a separate parcel consisting of vacant flood liable land or vacant coastal hazard liable land, and
 - (iii) a minimum amount of the rate, being less than the minimum amount of the rate specified under subparagraph (ii), which must be levied in respect of each separate parcel of vacant flood liable land or vacant coastal hazard liable land.
- (2) If a council makes an ordinary rate for different categories or sub-categories of land, it may specify a different minimum amount for each category or sub-category of land.
- (3) Except as provided by subsection (4), the minimum amount of a rate is to be:
- (a) in respect of an ordinary rate, such amount as is determined by the council, not exceeding \$259 or such greater amount as may be prescribed by the regulations or, in the case of a rate for which a particular council may, under subsection (1) or (2), specify a minimum amount, such greater amount as the Minister may determine by instrument in writing, or
 - (b) in respect of any other rate (not being a water supply special rate or a sewerage special rate), such amount as is determined by the council, not exceeding \$2 or such greater amount as the Minister may determine by instrument in writing given to the council.
- (4) If the minimum amount of an ordinary rate for the previous year exceeded the amount prescribed or determined in respect of such a rate under subsection (3) (a), the council may determine the minimum amount of the ordinary rate in accordance with subsection (5).
- (5) The minimum amount of the ordinary rate must be of such amount as is determined by the council, not exceeding the amount of the minimum ordinary rate for the previous year increased by the percentage (if any) specified in respect of the council under this Act.
- (6) A minimum amount of a rate is not invalid because:
- (a) the minimum amount is levied on the whole or any part of the land subject to the rate, or
 - (b) of the size of the minimum amount.

- (7) A council may not specify a minimum amount of a rate consisting of a base amount to which an ad valorem amount is added.
- (8) A minimum amount of a rate specified for a parcel of land may not differ from a minimum amount specified for any other parcel of land within the same category or sub-category unless:
 - (a) the land values of the parcels were last determined by reference to different base dates, and
 - (b) the Minister approves the different minimum amounts.

548A Aggregation of values of certain parcels subject to rates containing base amounts

- (1) If the council is of the opinion that the levying of a minimum rate or of a rate containing a base amount:
 - (a) would apply unfairly, and
 - (b) could cause hardship to a rateable person who is rateable in respect of two or more separate parcels of land subject to the rate,it may aggregate the land values of such of the parcels as it determines and levy the rate on the aggregated land values.
- (2) Land values may be aggregated under this section for separate parcels of land only if each separate parcel is subject to:
 - (a) the same category or subcategory of the same ordinary rate, or
 - (b) the same special rate.
- (3) A council must not aggregate the land values of two or more separate parcels of land:
 - (a) if each parcel is a parcel on which a dwelling is erected or a parcel that comprises (or substantially comprises) a dwelling in a residential flat building, or
 - (b) if the parcels are a combination of parcels referred to in paragraph (a).

549 Reduction of rates containing base amounts if levied on vacant land

- (1) A council may determine that a rate (whether an ordinary rate or a special rate) consisting of a base amount to which an ad valorem amount is added is to be levied on:
 - (a) vacant land, or
 - (b) vacant land that has suffered physical damage (such as flood liable or coastal hazard affected land), or

(c) land prescribed by the regulations for the purposes of this section,
in accordance with this section.

(2) If:

- (a) the rate were to be levied on land on the basis that the rate consisted of only the ad valorem amount, and
- (b) the amount payable as a consequence of levying the ad valorem amount on the land would be less than \$250 (or such other amount as may be prescribed by the regulations),

the rate payable in respect of the land is \$250 (or such other amount as may be prescribed by the regulations) or the base amount of the rate, whichever is the lesser.

550 Charge of rates and charges on land

- (1) A rate or charge levied under this Act on land (including any interest accrued on the rate or charge as referred to in section 566) and any costs awarded to the council by a court in proceedings to recover the rate or charge are a charge on the land.
- (2) The charge ranks on an equal footing with a charge on the land under any other Act but takes priority over any other charge or encumbrance.
- (3) The charge does not affect:
 - (a) the estate of the Crown in land owned by the Crown, or
 - (b) the estate of a Crown lessee if the lease is granted after the rate or charge was levied (whether or not the land was previously held under a lease from the Crown).
- (4) The charge does not affect a bona fide purchaser for value who made due inquiry at the time of purchase but had no notice of the liability. A purchaser who has obtained a certificate under section 603 is taken to have made due inquiry.
- (5) The provisions of this section have effect despite anything contained in section 42 of the [Real Property Act 1900](#).

Division 2 Special rates and charges relating to water supply, sewerage and drainage

551 Application of Division 2

This Division applies to a special rate or charge that is made in connection with water supply, sewerage or drainage services that are actually being provided by the council.

552 What land may be subject to a water supply special rate or charge?

- (1) A special rate or charge relating to water supply may be levied on:
 - (a) land that is supplied with water from a water pipe of the council, and
 - (b) land that is situated within 225 metres of a water pipe of the council whether the land has a frontage or not to the public road (if any) in which the water pipe is laid, and although the land is not actually supplied with water from any water pipe of the council.
- (2) A special rate or charge relating to water supply may not be levied on land unless water could be supplied to some part of the land from a standpipe at least 1 metre in height from the ground level, if such a pipe were laid and connected to the council's mains.
- (3) A special rate or charge relating to sewerage may be levied on all land except:
 - (a) land which is more than 75 metres from a sewer of the council and is not connected to the sewer, and
 - (b) land from which sewage could not be discharged into any sewer of the council.
- (4) A special rate or charge relating to drainage may be levied on rateable land that is within the basin served by the drainage works.

553 Time at which land becomes subject to special rate or charge

Land does not become subject to a special rate or charge to which this Division applies by virtue of the extension by a council of a water pipe, sewer or drain:

- (a) in the case of a special rate or charge relating to water supply—until 21 days after notice is given by the council in the Gazette of the extension of the water pipe or until the date on which the land is connected to the council's mains, whichever is the earlier, or
- (b) in the case of a special rate or charge relating to sewerage—until 60 days after notice is given by the council in the Gazette of the extension of the sewer or until the date on which the land is connected to the sewer, whichever is the earlier, or
- (c) in the case of a special rate or charge relating to drainage—until notice is given by the council in the Gazette of the extension of the drain.

553A Special rates and charges not payable in relation to land provided with private water supply or sewerage

- (1) A special rate or charge is not payable in relation to any land in respect of the supply of water, or the provision of a sewerage service, during the term of any contract in that regard entered into between the owner of the land and a licensed retail supplier

within the meaning of the *Water Industry Competition Act 2006*.

(2) If:

- (a) the council is a retailer of last resort within the meaning of the *Water Industry Competition Act 2006* in relation to any water supply or sewerage service, and
- (b) a direction in relation to that service is given to the council under section 56 of that Act,

the council and the owner are taken to have entered into a special circumstances contract in such terms as are prescribed by the regulations for the purposes of this subsection.

Division 3 Coastal protection service charges

553B Restriction on levying coastal protection service charges

- (1) An annual charge for coastal protection services may not be levied on a parcel of rateable land in relation to existing coastal protection works unless the owner (or any previous owner) of that land has consented in writing to the land being subject to such charges.
- (2) Despite subsection (1), the council may make and levy an annual charge on a parcel of rateable land for coastal protection services that relate to existing coastal protection works if the owner or occupier (or any previous owner or occupier) of the parcel of rateable land contributed, after the commencement of this section, to the upgrade or expansion of the existing coastal protection works. However, any such annual charge must be calculated so as to enable the council only to recover that portion of the reasonable cost to the council of providing those services that exceeds the reasonable cost to the council of providing such services had the existing coastal protection works not been upgraded or expanded.
- (3) An annual charge for coastal protection services may not be levied on a parcel of rateable land in relation to any coastal protection works if:
 - (a) the maintenance of the works or the management of the impacts of the works (as appropriate) is a condition of an approval or consent under the *Environmental Planning and Assessment Act 1979* relating to the works, and
 - (b) that maintenance or management work is not being carried out by or on behalf of the council.
- (4) In this section, **existing coastal protection works** means coastal protection works that existed before the commencement of this section.

Part 6 What land is rateable?

554 What land is rateable?

All land in an area is rateable unless it is exempt from rating.

555 What land is exempt from all rates?

(1) The following land is exempt from all rates:

- (a) land owned by the Crown, not being land held under a lease for private purposes,
- (b) land within a national park, historic site, nature reserve, state game reserve or karst conservation reserve (within the meaning of the *National Parks and Wildlife Act 1974*), whether or not the land is affected by a lease, licence, occupancy or use,
- (b1) subject to subsection (3), land that is the subject of a conservation agreement (within the meaning of the *National Parks and Wildlife Act 1974*),
- (b2) land that is vested in, owned by, held on trust by or leased by the Nature Conservation Trust of New South Wales constituted by the *Nature Conservation Trust Act 2001*,

- (d) land that is within a special area (as declared by an order under section 302 of the *Water Management Act 2000*) for a water supply authority and is Crown land or land vested in the authority,
- (e) land that belongs to a religious body and is occupied and used in connection with:
 - (i) a church or other building used or occupied for public worship, or
 - (ii) a building used or occupied solely as the residence of a minister of religion in connection with any such church or building, or

$$\frac{A_{ca}}{A_{whole}} \times \frac{100}{1}$$

where:

A_{ca} is the area of that part of the parcel that is the subject of the conservation agreement, and

A_{whole} is the area of the whole parcel.

Note—

For example, if a parcel of land would normally be subject to a rate of \$1,000, but 40% of the area of the land is subject to a conservation agreement, that rate is to be reduced by 40% to \$600.

- (4) Land that is a lot in a strata plan registered under the *Strata Schemes (Leasehold Development) Act 1986* is taken, for the purposes of subsection (1) (e), (f), (g) and (g1), to belong to or be vested in the lessee (within the meaning of that Act) of the lot and not the lessor (within the meaning of that Act), unless the lessor is the lessee for the purposes of that Act.

- (6) Any such valuation is to be made at the request of the council that proposes to levy rates on the parcel concerned.
- (7) For the avoidance of doubt, sections 7B and 28A of the *Valuation of Land Act 1916* extend to a stratum for the purpose of carrying out a valuation in accordance with subsection (5) and so extend whether or not the stratum is a lot in a strata plan that is registered under the *Strata Schemes (Freehold Development) Act 1973* or the *Strata Schemes (Leasehold Development) Act 1986*.

The provisions of the [Charitable Fundraising Act 1991](#) are irrelevant in determining whether a body is a public benevolent institution or public charity for the purposes of section 556 or 558.

Part 7 Payment of rates and charges

560 Who is liable to pay rates?

- (1) The owner for the time being of land on which a rate is levied is liable to pay the rate to the council, except as provided by this section.
- (2) If land owned by the Crown is leased, the lessee is liable to pay the rate, except as

provided by subsection (4).

- (3) If there are two or more owners, or two or more lessees from the Crown, of the land, they are jointly and severally liable to pay the rate.
- (4) The Crown is liable to pay the rate for land owned by the Crown which is subject to the *Housing Act 1912* or the *Aboriginal Housing Act 1998*.

561 Who is liable to pay charges?

The person liable to pay a charge is:

- (a) the person who, if the charge were a rate and if the land on which the charge is levied were rateable in respect of that rate, would be liable under section 560 to pay the rate, or
- (b) the Crown in respect of land owned by the Crown, not being land held under a lease for private purposes.

562 Payment of rates and annual charges

- (1) Annual rates and charges may be paid in a single instalment or by quarterly instalments.
- (2) If payment is made by quarterly instalments, each instalment is to be a quarter of the rates or charges, disregarding any remainder, together, in the case of the first instalment, with the remainder. However, if the amount of an instalment, other than the first instalment, is not a multiple of 10 cents, the amount of each instalment in excess of a multiple of 10 cents is to be subtracted from that instalment and added to the first instalment.
- (3) Except as provided by subsection (4):
 - (a) if payment is made in a single instalment, the instalment is payable by 31 August, and
 - (b) if payment is made by quarterly instalments, the instalments are payable by 31 August, 30 November, 28 February and 31 May.
- (4) If the rates and charges notice is not served by 1 August:
 - (a) the single instalment (if payment is made in a single instalment), or
 - (b) the first 2 instalments (if payment is made by quarterly instalments),is or are payable by 30 November, or by the day that is 30 days after service of the notice, whichever is the later.
- (5) On or before 31 October, 31 January and 30 April, a council must send reminder

notices (to be sent separately from the rates and charges notice) to each person whose rates and charges are being paid by quarterly instalments.

563 Discount for prompt payment in full

A council may discount the amount of a rate or charge to such extent as it determines if the whole of the discounted amount of the rate or charge is paid by a date nominated by the council.

564 Agreement as to periodical payment of rates and charges

- (1) A council may accept payment of rates and charges due and payable by a person in accordance with an agreement made with the person.
- (2) The council may write off or reduce interest accrued on rates or charges if the person complies with the agreement.

565 Capital contributions instead of payment of special rates or charges

A council may waive payment by a rateable person of the whole or part of a special rate or charge for one or more years as specified by the council if the person pays, or enters into a written agreement to pay, a lump sum towards the capital cost of any works, services or facilities for which the special rate or charge is made.

566 Accrual of interest on overdue rates and charges

- (1) Interest accrues on rates and charges that remain unpaid after they become due and payable.
- (2) Interest accrues on a daily basis.
- (3) The rate of interest is that set by the council but must not exceed the rate specified for the time being by the Minister by notice published in the Gazette.
- (4) Accrued interest is, for the purpose of its recovery, taken to be a rate or charge which is due and payable.
- (5) Interest continues to accrue on unpaid rates or charges even though judgment for payment of the rates or charges may have been obtained in a court. Interest is not payable on the judgment debt, despite any other Act.

567 Writing off of accrued interest

The council may write off accrued interest on rates or charges payable by a person if, in its opinion:

- (a) the person was unable to pay the rates or charges when they became due and payable for reasons beyond the person's control, or

- (b) the person is unable to pay the accrued interest for reasons beyond the person's control, or
- (c) payment of the accrued interest would cause the person hardship.

568 Application of payments

Money paid to a council in respect of rates or charges levied on land is to be applied towards payment of those rates or charges in the order in which they became due.

569 Liability of the occupier

- (1) A council may serve on an occupier of land a notice of the amount of any rate or charge unpaid in respect of the land or of the amount of any judgment given against a person for any rate or charge unpaid in respect of the land, if the person liable to pay the rate or charge:
 - (a) is resident outside New South Wales, or
 - (b) is unknown to the council, or
 - (c) has not been served in any legal proceedings for the recovery of the rate or charge after reasonable efforts have been made by or on behalf of the council to effect service, or
 - (d) becomes bankrupt, applies to take the benefit of any law for the relief of bankrupt or insolvent debtors, compounds with his or her creditors or makes an assignment of his or her remuneration for their benefit, or
 - (e) dies, or
 - (f) has had judgment given against him or her for the amount of the rate or charge.
- (2) The notice may demand that any rent in respect of the land is to be paid by the occupier to the council as it falls due in satisfaction of the rate, charge or judgment.
- (3) The council may recover the amount of the rate, charge or judgment outstanding as a debt from the occupier if rent is not paid to the council in accordance with the demand.
- (4) A payment under this section to the council discharges the payer from any liability to any person to pay the rent.

570 Transfer of land in payment of rates or charges

A council may accept a transfer of the land in respect of which rates or charges are or accrued interest is due and payable in full satisfaction of the rates, charges or accrued interest.

571 What happens if land is transferred?

- (1) A person who disposes of an estate in land continues to be liable to pay a rate or charge levied in respect of the land if the rate or charge was levied:
 - (a) before the estate was disposed of, or
 - (b) after the estate was disposed of but before notice of the transfer was given as required by this Act.
- (2) A person who, as the holder of a licence, permit, permissive occupancy or authority under the *Crown Lands Act 1989*, was liable for rates or charges continues to be liable to pay a rate or charge levied in respect of the land subject to the licence, permit, permissive occupancy or authority if the rate or charge was levied before the licence, permit, permissive occupancy or authority was terminated or expired.
- (3) A person who becomes liable for rates and charges levied on land is liable to the council for a rate or charge owing in respect of the land even though the person was not so liable when the rate or charge was levied.

572 What happens if the rateability of land changes?

- (1) A rate is proportionate to the portion of the year for which land is rateable and to the portion of the land which is rateable.
- (2) A charge, other than a charge limited under section 503 (2) to the cost of providing a particular service to land, is proportionate to the portion of the year for which land is rateable.

573 What happens if land is subdivided?

If land is subdivided, and a part is sold or let, any unpaid rates or charges may be apportioned by the council on the recommendation of the Valuer-General.

574 Appeal on question of whether land is rateable or subject to a charge

- (1) A person who has an estate in land, or who is the holder of a licence or permit for land under the *Crown Lands Act 1989*, in respect of which a rates and charges notice is served may appeal to the Land and Environment Court:
 - (a) in the case of a rate—against the levying of the rate on the ground that the land or part of it is not rateable or is not rateable to a particular ordinary rate or a particular special rate, or
 - (b) in the case of a charge—against the levying of the charge on the ground that the land is not subject to any charge (excluding a charge limited under section 503 (2)) or is not subject to the particular charge.
- (2) An appeal may not be made under this section on the ground that land has been

wrongly categorised under Part 3.

- (3) An appeal must be made within 30 days after service of the rates and charges notice.
- (4) If the Land and Environment Court determines that only a part of land is rateable, it is required to determine the value of that part.

Note—

While the grounds of appeal concerning rates are limited to those specified in section 574, opportunity is given at different points in the rate-making process for objections, submissions (including submissions by way of objection) and applications to be made to a council concerning rates. These include:

- public notice of the draft operational plan
- application for change of category for purposes of ordinary rate
- deferral and reduction of rates.

Part 8 Concessions

Division 1 Concessions for pensioners

575 Reductions for eligible pensioners

- (1) If an eligible pensioner is the person solely liable, or a person jointly liable with one or more other persons, for a rate or charge levied on land on which a dwelling is situated, the rate or charge is, on application to the council and on production to the council of evidence sufficient to enable it to calculate the amount of the reduction, to be reduced in accordance with this section.
- (2) Subject to subsection (3), the amount by which a rate or charge is required to be reduced is:
 - (a) if the person making the application is, on the date on which the rate or charge is levied, an eligible pensioner who is solely liable or jointly liable with one or more jointly eligible occupiers but with no other person for the rate or charge—one-half of the rate or charge, or
 - (b) if the person making the application is, on the date on which the rate or charge is levied, an eligible pensioner who is jointly liable with one other person who is not a jointly eligible occupier, or with two or more other persons, any of whom is not a jointly eligible occupier for the rate or charge—an amount that bears to one-half of the rate or charge the same proportion as the part of that rate or charge for which, as between all persons liable to pay the rate or charge, the applicant and any jointly eligible occupier are liable bears to the whole of that rate or charge.
- (3) The total amount by which:
 - (a) all ordinary rates and charges for domestic waste management services levied on

any land for the same year are reduced is not to exceed \$250, and

- (b) all water supply special rates or charges so levied are reduced is not to exceed \$87.50, and
- (c) all sewerage special rates or charges so levied are reduced is not to exceed \$87.50.

However, if subsection (2) (b) applies, the maximum amounts specified in this subsection are to be proportionately reduced in line with the proportion applicable under subsection (2) (b).

- (4) If a person becomes an eligible pensioner after the day on which a rate or charge is made and levied, the person is entitled to a reduction under this section of the rate or charge proportionate to the number of full quarters remaining after the day on which the person becomes an eligible pensioner in the year for which the rate or charge is made.
- (5) A person who is an eligible pensioner or a jointly eligible occupier is, to the extent to which any rate or charge that, but for this section, would be payable by the person is reduced under this section, discharged from liability as between that person and any other person jointly liable to pay the rate or charge.

576 Application of this Division to postponed rates

If the payment of part of a rate which is required to be reduced by section 575 is postponed under Division 2, the amount of the rate for the purposes of this Division is taken to be the amount of that part of the rate that is not postponed under Division 2.

577 Extension of concession to avoid hardship

- (1) If a council considers it proper to do so to avoid hardship, the council may, by order, direct that:
 - (a) a person specified in the order:
 - (i) who occupies a dwelling as his or her sole or principal place of living, which dwelling is the sole or principal place of living of an eligible pensioner, and
 - (ii) who is jointly liable with that eligible pensioner or with that eligible pensioner and one or more other persons in respect of the land on which that dwelling is situated, and
 - (iii) in respect of whom a reduction of rates or charges would not, if that person were solely liable in respect of that land, be required to be made under this Division, or
 - (b) any person belonging to a class of persons specified in the order, being persons

referred to in paragraph (a),

is, on and from the effective date of the order, taken, for the purposes of this Division, to be or to have been an eligible pensioner.

- (2) If a council considers it proper to do so to avoid hardship, the council may, by order, direct that:
- (a) an eligible pensioner specified in the order who, although not liable, or although liable jointly with one or more other persons, to do so, has, for such period as, in the opinion of the council, warrants the making of an order under this section in respect of that person, paid the whole of the rates or charges for the land on which that dwelling is situated or is, in the opinion of the council, likely to pay the whole of the rates or charges in circumstances that in the opinion of the council warrant the making of an order under this subsection, or
 - (b) any person belonging to a class of persons specified in the order being persons referred to in paragraph (a),

is, on and from the effective date of the order, taken, for the purposes of this Division, to be or to have been the person solely liable in respect of the land on which the dwelling is situated.

- (3) An order under this section has effect according to its tenor.

578 When does an order under sec 577 take effect?

- (1) An order under section 577 takes effect (or is taken to take effect) on such date as is specified in the order (the **effective date**), being a date in the year commencing on 1 July during which the order is made, whether or not that date is before or after the date on which the order is made.
- (2) If a council makes an order under section 577 that is taken to take effect on a date that is before the date of the making of the order, the council may, in that order or in a subsequent order, give such directions as to refunding any rates or charges that have been paid and the charging of interest on overdue rates or charges and as to such other matters as the council thinks fit.
- (3) An order under subsection (2) has effect according to its tenor.

579 When and how is an application made for the purposes of this Division?

- (1) An application under this Division is to be made within the time and in the manner prescribed by the regulations.
- (2) If no such regulations are in force, the application is to be made within the time and in the manner fixed by resolution of the council and, if an application is made for an order referred to in section 577, as the council may require.

- (3) If, pursuant to an application made under this Division, a reduced rate or charge applies, the council may, if the eligibility of the applicant for a reduction in a subsequent rate or charge is verified by the council as prescribed by the regulations, reduce the subsequent rate or charge without requiring a further application under this Division.

580 Variation by regulation of amounts of reductions

The amount by which a rate or charge is to be reduced in accordance with this Division may be varied from time to time by the regulations.

581 Reimbursement of councils by Parliament

The Minister is required, out of money provided by Parliament, to pay to the council an amount equal to half that written off by the council under this Division because of section 575.

582 Abandonment of pensioners rates and charges

A council may waive or reduce rates, charges and interest due by any person prescribed by the regulations who is in receipt of a pension, benefit or allowance under the [Social Security Act 1991](#) of the Commonwealth.

583 Writing off of pensioners rates and charges

- (1) A council is to write off amounts of rates, charges and interest which are reduced or waived under this Division.
- (2) A council may not take proceedings to recover an amount so written off unless the amount has been written off because of a wilfully false statement in an application under this Division or except as provided by section 584.

584 Ending of concession

- (1) If circumstances occur that cause a person's entitlement to a reduction, under this Division, of rates or charges to cease, the entitlement is taken to cease on the last day of the quarterly instalment period during which those circumstances occur.
- (2) If, at the time the entitlement is taken to cease, the rates or charges for the whole year, reduced under this Division, have been paid in full, the portion of the payment that is proportionate to the quarterly instalment periods remaining after that time is to be credited to the rates or charges payable in respect of that part of the year remaining after that time.

Division 2 Other concessions

Note—

This Division enables a ratepayer to apply for a postponement of part of rates on land which is used only as the site of a house

or rural land but, because of its zoning or permitted use, is valued for rating purposes in a way that reflects its permitted use rather than its actual use.

This Division also entitles the Maritime Services Board, the State Rail Authority Residual Holding Corporation and the State Transit Authority to a 25% rebate for ordinary rates payable for certain land.

Other rating concessions may be provided under other Acts. For example, section 127 of the [Heritage Act 1977](#) provides for rates to be levied on heritage valuations determined in accordance with that Act instead of on other valuations.

585 Who may apply for postponement of rates?

The rateable person for land described in any of the following paragraphs may apply to the council for a postponement of rates payable for the land in the current or following rating year (or in both years):

- (a) a parcel of land on which there is a single dwelling-house used or occupied as such and which is zoned or otherwise designated for use under an environmental planning instrument for the purposes of industry, commerce or the erection of residential flat buildings, not being land referred to in paragraph (b) or (c),
- (b) a parcel of land (which may comprise one or more lots or portions in a current plan) on which there is a single dwelling-house used or occupied as such and which is zoned or otherwise designated under an environmental planning instrument so as to permit its subdivision for residential purposes, not being land referred to in paragraph (c),
- (c) a parcel of rural land (which may comprise one or more lots or portions in a current plan) which is zoned or otherwise designated under an environmental planning instrument so as to permit its use otherwise than as rural land, or its subdivision into two or more lots or portions, one or more of which has an area of less than 40 hectares.

586 Applications to be referred to Valuer-General

- (1) The council must refer the application to the Valuer-General to determine the attributable part of the land value of the land if the council is satisfied that the land is described in section 585 (a), (b) or (c).
- (2) The Valuer-General must determine the attributable part of the land value and notify the council of the determination.

587 Attributable part of land value of land

- (1) The attributable part of the land value of land described in section 585 (a) or (b) is determined by deducting from the land value the value that the land would have if the land could be used only as the site of a single dwelling-house.
- (2) The attributable part of the land value of land described in section 585 (c) that may be used otherwise than as rural land is determined by deducting from the land value the value that the land would have if the land could be used only as rural land.

- (3) The attributable part of the land value of land described in section 585 (c) that may be subdivided into one or more lots having an area of less than 40 hectares is determined by deducting from the land value the value that the land would have if the land could only be subdivided into lots having an area of 40 hectares or more.

588 Determination of attributable part of land value by Valuer-General

The Valuer-General must not, in determining the attributable part of the land value of land described in section 585 (a) or (b), take into account any portion of the land which the Valuer-General considers to be in excess of that which is reasonably necessary to be occupied or used in conjunction with the single dwelling-house.

589 Redetermination of attributable part of land value

- (1) If a valuation for which the attributable part of the land value of land was determined is altered on objection or for the correction of a clerical error or misdescription, the council must require the Valuer-General to redetermine the attributable part of the land value of the land.
- (2) The Valuer-General must, on redetermination of the attributable part of the land value of land, notify the council of the redetermination.

590 Use of determination of attributable part of land value

The attributable part of the land value of land determined, or redetermined, by the Valuer-General may be used by a council for the purpose of postponing rates only while the circumstances that made the land eligible for a postponement of rates under this Division continue to exist and the valuation of the land value for which the determination was made remains in use for rating purposes.

591 Postponement of rates

- (1) A council must, in accordance with this section, postpone the payment of rates for land in any rating year for which a determination or redetermination of the attributable part of the land value is in force.
- (2) For land for which no base amount of a rate is specified, the amount of the rate postponed is to be the same proportion of the rate as the attributable part of the land value bears to the land value.
- (3) For land for which a base amount of a rate is specified, the amount of the rate postponed is to be the same proportion of the ad valorem amount of the rate as the attributable part of the land value bears to the land value.

592 Interest on postponed rates

Interest accrues on parts of rates postponed under this Division as if the rates were overdue rates and, for this purpose, the due dates for payment are taken to be the

respective dates on which the parts of the rates which were payable became due.

593 Paid rates to be refunded

The council must refund to a rateable person any amount of rates paid by the person which exceeds the amount of the rates remaining after part of the rates is postponed.

594 Adjustment of rates

On a redetermination of the attributable part of the land value of land, a council must adjust amounts payable for rates or to be postponed as appropriate. Any amounts paid in excess are to be refunded and amounts short-paid are recoverable as arrears of rates.

595 Rates to be written off after 5 years

- (1) If 5 years have elapsed since the commencement of a rating year for which part of the rates levied on land have been postponed under this Division, the part postponed and any interest accrued on that part must be written off by the council.
- (2) Nothing in this section affects the right of the council to recover rates and interest, even though they have been written off under this section, if it subsequently appears to the council that they should not have been written off.

596 Change of circumstances

A rateable person for land for which an application has been made under this Division but not determined, or for which a determination or redetermination of the attributable part of the land value is in force, must inform the council (within 1 month) if land used or occupied solely as a site for a single dwelling-house, or as rural land, ceases to be so used or occupied.

597 Entitlement to postponement ceases

A person ceases to be entitled to a postponement of rates under this Division if the whole of a parcel of land used or occupied solely as a site for a single dwelling-house, or as rural land, ceases to be so used or occupied.

598 Redetermination on partial change of circumstances

- (1) If part only of a parcel of land used or occupied solely as the site of a single dwelling-house or as rural land ceases to be so used or occupied, the council must require the Valuer-General to determine the amount of the attributable part of the land value of the land (if any) in relation to that part of the land and each other part of the land.
- (2) The council must, in accordance with the Valuer-General's redetermination, make a due adjustment to the rates payable, or apply the provisions postponing rates, as it considers equitable in the circumstances.

599 When and how is an application made for the purposes of this Division?

- (1) An application under this Division is to be made within the time and in the manner prescribed by the regulations.
- (2) If no such regulations are in force, the application is to be made within the time and in the manner fixed by resolution of the council.
- (3) If, pursuant to an application made under this Division, a reduced rate applies, the council may, if the eligibility of the rateable person for a reduction in a subsequent rate is verified by the council as prescribed by the regulations, reduce the subsequent rate without requiring a further application under this Division.

600 Rebates in respect of certain land vested in public bodies

- (1) The rateable person in respect of a parcel of land vested in a public body is entitled to a rebate of 25 per cent of the ordinary rate made and leviable on the land or, if on objection by the council the Minister determines a lesser rebate, the lesser rebate.
- (2) The amount of the rebate is to be written off and abandoned by the council.
- (3) The rebate is to be allowed only if:
 - (a) access to the parcel is wholly or substantially over other lands for which the public body provides at its own cost such services as materially benefit the parcel, and
 - (b) the parcel is included in the then current list referred to in subsection (5), and
 - (c) the council has not objected to the inclusion of the parcel in the list or its objection has been dismissed.
- (4) The rate notice must state the amount of the rebate, and, if an objection has been lodged under this section, must not be served unless and until the objection has been determined.
- (5) A public body in which is vested any parcel of land in respect of which the rateable person is entitled to a rebate under this section must furnish to the council not later than 30 April before the commencement of the year for which the rate is made a list setting out the parcels of land of the nature referred to in subsection (3) (a), giving particulars of each parcel, the means of access to them and the material services provided by the public body in respect of those parcels as at 31 March in the year in which the list is furnished.
- (6) If the council objects to the inclusion of any parcel in the list, it must serve notice of objection on the public body and on the Minister within 2 months after the list is furnished.
- (7) The Minister may allow or dismiss an objection, but, before determining an objection,

the Minister must, if either the public body or the council so desires, afford them an opportunity of appearing before and being heard by a person appointed by the Minister for that purpose.

(8) The decision of the Minister on an objection is final.

(9) In this section:

access and **means of access** include lifts, stairways, escalators and passageways in or on a building, structure, work or excavation.

public body means the Maritime Authority of NSW, a Port Corporation within the meaning of the *Ports and Maritime Administration Act 1995*, the State Rail Authority Residual Holding Corporation, Rail Corporation New South Wales, Transport Infrastructure Development Corporation, Rail Infrastructure Corporation, Sydney Metro, Sydney Ferries and the State Transit Authority.

services means cleaning, lighting, repairs and maintenance of any access and means of access.

601 Hardship resulting from certain valuation changes

- (1) A ratepayer who, as a consequence of the making and levying of a rate on a valuation having a later base date than any valuation previously used by a council for the making and levying of a rate, suffers substantial hardship, may apply to the council for relief under this section.
- (2) The council has a discretion to waive, reduce or defer the payment of the whole or any part of the increase in the amount of the rate payable by the ratepayer in such circumstances, for such period and subject to such conditions as it thinks fit.
- (3) An applicant who is dissatisfied with a council's decision under this section may request the council to review its decision and the council, at its discretion, may do so.

- (2) A request for an estimate under subsection (1) must include any information required by the council in order to make the estimate, including but not limited to, information relating to proposed coastal protection works such as the location and type of works and their expected on-site and off-site impacts.
- (3) A request for an estimate under subsection (1) is to be accompanied by a fee determined by the council to cover the council's reasonable costs in providing the estimate.
- (4) A council must provide the estimate within 30 days of the submission of the request

(including the required information) and fee.

- (5) An estimate provided by the council does not bind or limit the council in the making or levying of a charge for coastal protection services under this Act.

606B Review of cost of coastal protection service charges on request of ratepayer

- (1) A council must, on request, provide a person who is liable to pay an annual charge for coastal protection services with a report prepared by an independent person on the cost to the council of providing those services.

Part 10 Fees

Division 1 Council fees—general

607A Interpretation

 - allowing admission to any building or enclosure.
- (3) In particular, a council may charge an approved fee for inspecting premises that are reasonably required to be inspected in the exercise of the council's functions, whether or not the inspection is requested or agreed to by the owner or occupier of the premises.

- (4) However, a council may not charge an approved fee for the inspection of premises that are not used for a commercial activity, except where it is necessary to inspect the premises in connection with an application for an approval concerning the premises or in connection with any inspection that is reasonably necessary to determine if an approval has been complied with.
- (5) (Repealed)
- (6) If inspections of premises are reasonably necessary to determine if an approval has been complied with:
 - (a) an approved fee may be charged for such an inspection only if the charging of the fee has been included as a condition of the approval, and
 - (b) an approved fee may not be charged for such an inspection before the approval is granted, and
 - (c) an approved fee may not be charged for the inspection of any thing for which the council relies on a certificate under section 93 that the thing has been done in compliance with the approval.

Chapter 16 Offences

Introduction—

This Chapter creates offences which are grouped under the following headings:

- General offences—relating to failure to obtain an approval and failure to comply with an approval or order
- Public places
- Water, sewerage and stormwater drainage offences
- Parking—relating to parking in free parking areas
- Offence relating to civic office
- Offences relating to buildings
- Miscellaneous.

The Chapter does not contain all offences created under this Act. Other offences are found in section 312 in Chapter 10 (How are people elected to civic office?), sections 475, 476 and 480 in Chapter 14 (Honesty and disclosure of interests) and section 680 in Chapter 17 (Enforcement).

The regulations may also create offences, for example, offences relating to elections.

Furthermore, councils may conduct prosecutions for offences under other Acts, for example, the [Crimes Act 1900](#) and the [Summary Offences Act 1988](#).

Other Acts will be relevant to the provisions of this Chapter, including the [Crimes Act 1900](#), the [Criminal Procedure Act 1986](#) and the [Children \(Criminal Proceedings\) Act 1987](#). For example, under section 5 of the [Children \(Criminal Proceedings\) Act 1987](#), it is to be conclusively presumed, in all criminal proceedings, that no child who is under the age of 10 years can be guilty of an offence.

Penalties for offences are expressed in penalty units. Under section 17 of the [Crimes \(Sentencing Procedure\) Act 1999](#), the amount of a penalty unit is currently \$110.

This Chapter also contains provisions relating to the creation and enforcement of alcohol prohibited areas (relating to drinking in public places generally—see section 632A) and alcohol-free zones (relating to street drinking—see Part 4). These provisions do not create offences in relation to drinking in public places or streets but instead provide for confiscation and tip out powers.

1 Winding up

- (1) Cudgegong (Abattoir) County Council may be wound up voluntarily or by a liquidator appointed by the Minister.
- (2) Subject to subclause (1), the winding up of Cudgegong (Abattoir) County Council is declared to be an applied Corporations legislation matter for the purposes of Part 3 of the *Corporations (Ancillary Provisions) Act 2001* in relation to the provisions of Parts 5.5–5.9 of the *Corporations Act 2001* of the Commonwealth, subject to the following modifications:
 - (a) those provisions apply to Cudgegong (Abattoir) County Council as if it were a company,
 - (b) if the Minister decides that Cudgegong (Abattoir) County Council is to be wound up by a liquidator appointed by the Minister, those provisions apply as if the County Council had resolved by special resolution to be wound up and had appointed the liquidator appointed by the Minister as the liquidator for the purposes of those provisions,
 - (c) if Cudgegong (Abattoir) County Council is being wound up voluntarily and a vacancy occurs in the office of liquidator that, in the opinion of the Minister, is unlikely to be filled in the manner provided by the *Corporations Act 2001* of the Commonwealth, the functions of winding up Cudgegong (Abattoir) County Council's affairs may be exercised by a person (whether or not the person is a registered liquidator within the meaning of the *Corporations Act 2001* of the Commonwealth) appointed by the Minister to be a liquidator in relation to the winding up of Cudgegong (Abattoir) County Council,

Section 14 (2) of the *Corporations (Ancillary Provisions) Act 2001* ensures that a declaration made for the purposes of Part 3 of that Act only operates to apply a provision of the Corporations legislation to a matter as a law of the State to the extent that that provision does not already apply to the matter as a law of the Commonwealth. If a provision referred to in a declaration already applies as a law of the Commonwealth, nothing in the declaration will affect its continued operation as a law of the Commonwealth.
